This booklet has been prepared for the convenience of the Board of County Commissioners in discussing matters before them. Every effort has been made to include all items to be discussed at this Board of County Commissioners meeting; however, Commissioners may add items to the agenda up to 4 days prior to the meeting. They also may remove items from consideration at any time. While it has been the goal to present error-free information, we do not represent that documentation is without errors or omissions.

In addition to regular Board meetings, the Board of County Commissioners may, from time to time, schedule a workshop during which they will receive information from staff, have discussions with staff and among themselves, and then proceed to give staff direction on the subject matter being discussed unless otherwise shown on the Agenda item. These discussions and workshops do not take the place of the formal public hearing process during which any member of the public may comment and formal action is taken.

The Board and staff welcome written comments prior to workshops and other meetings. If you have comments or questions regarding the subject matter of any Board action or workshop, please deliver your written comments to appropriate County staff or mail to the Board of County Commissioners, Post Office Box 7800, Tavares, FL 32778.
