BOARD OF COUNTY COMMISSIONERS
LAKE COUNTY, FLORIDA

REGULAR MEETING

April 28, 2026

COUNTY COMMISSIONERS

Anthony Sabatini, District #1
Sean Parks, District #2
Kirby Smith, District #3
Leslie Campione, District #4
Timothy Morris, District #5

Jennifer Barker, County Manager
Gary J. Cooney, Clerk to the Board
Melanie Marsh, County Attorney

DISCLAIMER

Meetings are held in person with limited occupancy for social distancing. Members of the public are invited to attend in person or join the meeting virtually via Zoom with a computer or smart device. Attendees may also call into the meeting using the information provided on our website.

To view upcoming meeting dates and locations, or for more information on upcoming meetings, visit https://lakecountyfl.gov/boardmeeting.

This booklet has been prepared for the convenience of the Board of County Commissioners in discussing matters before them. Every effort has been made to include all items to be discussed at this Board of County Commissioners meeting; however, Commissioners may add items to the agenda up to 4 days prior to the meeting. They also may remove items from consideration at any time. While it has been the goal to present error-free information, we do not represent that documentation is without errors or omissions.

In addition to regular Board meetings, the Board of County Commissioners may, from time to time, schedule a workshop during which they will receive information from staff, have discussions with staff and among themselves, and then proceed to give staff direction on the subject matter being discussed unless otherwise shown on the Agenda item. These discussions and workshops do not take the place of the formal public hearing process during which any member of the public may comment and formal action is taken.

The Board and staff welcome written comments prior to workshops and other meetings. If you have comments or questions regarding the subject matter of any Board action or workshop, please deliver your written comments to appropriate County staff or mail to the Board of County Commissioners, Post Office Box 7800, Tavares, FL 32778.

ITEMIZED AGENDA

April 28, 2026

9:00 A.M. Invocation

Pledge of Allegiance

I. AGENDA UPDATE

Discussion regarding proposed revisions to today's Agenda.

II. ARPA UPDATE

III. MINUTES APPROVAL

Tab 1 Recommend approval of the following minutes:

- March 3, 2026 (Regular Meeting)

CITIZEN QUESTION AND COMMENT PERIOD

At this point in the meeting the Board of County Commissioners will hear questions, comments and concerns from the citizens. If the issue raised is not on today's agenda, action will not be taken by the Board. Questions may be answered by staff, or referred for appropriate staff action. If further action is necessary, the item may be placed on a future Board agenda.

Zoning and code enforcement matters cannot be discussed during the public comment period. Procurement matters not scheduled to be heard by the Board today also cannot be discussed during the public comment period.

Public comment shall be limited to 3 minutes per person.

IV. PRESENTATION OF PROCLAMATIONS

Tab 2 Recommend approval and presentation of a Proclamation recognizing LifePointe Church for Cold Weather Sheltering.

Tab 3 Recommend approval and presentation of a Proclamation recognizing May 3-9, 2026, as National Travel and Tourism Week.

Tab 4 Recommend approval and presentation of a Proclamation designating May 2026 as Building Safety Month in Lake County.

Tab 5 Recommend approval and presentation of a proclamation recognizing Community Legal Services for their 60th Anniversary.

V. CLERK OF COURT'S CONSENT AGENDA

Tab 6 Recommend approval of the Clerk's Consent Agenda (Items 1):
1. Notice is hereby provided of warrants paid prior to this meeting, pursuant to Chapter 136.06 (1) of the Florida Statutes, which shall be incorporated into the Minutes and filed in the Board Support Division of the Clerk's Office.

VI. CONSENT AGENDA (Tab 7- 23):

A. PROCLAMATIONS

Tab 7 Recommend approval and adoption of the ALS Awareness Month Proclamation, per Commissioner Morris.

B. COUNTY MANAGER

Tab 8 Recommend approval for the Chairman to execute a letter of support and agreement to the Florida Attorney General regarding the Crime Stoppers Grant Program. There is no fiscal impact.

C. ADMINISTRATIVE SERVICES

Information Technology

Tab 9 Recommend approval:
1. Of the continued utilization of various State of Florida Information Technology related hardware and software contracts on an as-needed basis.
2. To authorize the Office of Procurement Services to execute all supporting documentation.

The estimated annual fiscal impact is $2,000,000 (expenditure) and will not exceed any Fiscal Year Budget.

Tab 10 Recommend approval:
1. Of the grant agreement for the Local Government Cybersecurity Grant Program with the State of Florida Department of Management Services; and
2. To authorize the Office of Procurement Services to execute all supporting documentation.

There is no fiscal impact.

D. PUBLIC SAFETY

Probation

Tab 11 Recommend approval:
1. To execute a Funding Agreement with The Fifth Judicial Circuit Office of Court Administration for the Operation of the Lake County Adult Post-Adjudicatory Drug Court Program; and
2. To execute a Funding Agreement with the State Attorney for the Operation of the Lake County Adult Post-Adjudicatory Drug Court Program; and
3. To execute a Funding Agreement with the Public Defender for the Operation of the Lake County Adult Post-Adjudicatory Drug Court Program.

The fiscal impact is $440,550 (expenditure).

E. COMMUNITY SERVICES

Office of Housing and Community Services

Tab 12 Recommend approval of the First Amendment to the Community Development Block Grant (CDBG) Program Subrecipient Agreement with the City of Eustis, for the Coolidge Street Improvement Project.

The estimated fiscal impact is $400,000 (expenditure) and is within, and will not exceed, the Fiscal Year 2026 Budget. Commission District 4.

Transit Services

Tab 13 Recommend approval:
1. Of the Florida Department of Transportation Section 5311 Off Cycle Capital Grant Agreement for Federal Fiscal Year 2025 and State Fiscal Year 2026; and
2. To adopt the Unanticipated Revenue Resolution to accept and appropriate $732,768 for the FDOT Section 5311 Off Cycle Capital Grant Agreement for Fiscal Year 2026; and
3. To procure vehicles under the State's bid list through FDOT's Transit Research Inspection Procurement Services (TRIPS) program.

The fiscal impact is $732,768 (revenue/expenditure - 100 percent grant funded).

F. INFRASTRUCTURE AND TRANSPORTATION SERVICES

Facilities Management

Tab 14 Recommend approval:
1. Of Contract 26-902 with Nichols Contracting, Inc. (Columbia, MD - Orlando Office) for construction of Multi-Family Detached Housing;
2. To authorize the County Manager to execute the final negotiated contract; and
3. To authorize the Office of Procurement Services to execute all supporting documentation.

The fiscal impact is $4,997,878.84 (expenditure) and is within, and will not exceed, the Fiscal Year 2026 Budget. Commission District 3.

Public Works

Tab 15 Recommend approval:
1. To increase the expenditure limits of Contract 23-510C with Flotech Environmental, LLC (Miami, FL) for Storm Drain System Cleaning not to exceed $75,000 to an estimated $150,000; and
2. To authorize the Office of Procurement Services to execute all supporting documentation.

The estimated fiscal impact is $150,000 (expenditure). Annual expenditures will not exceed the available funding in each Fiscal Year's Budget.

Tab 16 Recommend approval:
1. Of Contract 26-604 with Asphalt Paving Systems, Inc. (Zephyrhills, FL) for as-needed pavement preservation services.
2. To authorize the Office of Procurement Services to execute all supporting documentation.

The estimated annual fiscal impact is $500,000 (expenditure) and will not exceed available funding in any approved Fiscal Year's Budget.

Tab 17 Recommend approval:
1. Of Contracts 25-754 for countywide Road Resurfacing and Related Services as needed with the following pool of vendors: C.W. Roberts Contracting, Incorporated (Tallahassee, FL); Estep Construction, Inc. (Apopka, FL); Jr. Davis Construction Company, Inc. (Kissimmee, FL); Premier Paving LLC (Deland, FL); Ranger Construction Industries, Inc. (West Palm Beach, FL - providing services from Winter Garden, FL); Superior Asphalt, Inc. (Bradenton, FL); and The Middlesex Corporation (Littleton, MA - providing services from Orlando, FL); and
2. To authorize the Office of Procurement Services to execute the contracts with the selected vendors and all supporting documentation.

The estimated annual fiscal impact is $8,000,000 (expenditure). Annual expenditures will not exceed available funding in each approved Fiscal Year's Budget.

Tab 18 Recommend approval:
1. To proceed to closing on a deeded right-of-way dedication for Treasure Trove (DR-26005), which is in the City of Leesburg; and
2. To authorize the Chairman to execute any required closing documents.

The estimated fiscal impact is $800 (expenditure) and is within, and will not exceed, the Fiscal Year 2026 Budget. Commission District 5.

Tab 19 Recommend approval:
1. Of a Roadway Improvement Agreement with BDE Development, LLC, related to improvements and land acquisition associated with Wallick Road and the Wekiva Trail Segment 2; and
2. To proceed with the dedications and transfers upon receipt of clear title and authorizing the Chairman to execute all necessary closing documents.

The estimated fiscal impact is $2,000 (expenditure) and is within, and will not exceed, the Fiscal Year 2026 Budget. Commission District 4.

Tab 20 Recommend approval of a Maintenance Map for Micro Racetrack Road which covers 8,800 linear feet between CR 466A and Lake Ella Road near the City of Lady Lake area.

The estimated fiscal impact is $200 (expenditure) and is within, and will not exceed, the Fiscal Year 2026 Budget. Commission District 5.

Tab 21 Recommend approval of a Road Transfer Agreement to transfer portions of Bridges Road, Busby Road, Dewey Robbins Road, Duncan Road, Fernery Road, Number Two Road, Poe Road, and Windmill Road to the City of Leesburg.

The estimated fiscal impact is $200 (expenditure) and is within, and will not exceed, the Fiscal Year 2026 Budget. Commission District 5.

Tab 22 Recommend approval of a Road Transfer Agreement to transfer Turkey Farm Road (CR 1750) from Lake County to the City of Minneola.

The estimated fiscal impact is $102 (expenditure) and is within, and will not exceed, the Fiscal Year 2026 Budget. Commission District 2.

G. PARKS AND WATER RESOURCES

Parks and Trails

Tab 23 Recommend approval:
1. Of an Interlocal Agreement with the Town of Astatula to provide Infrastructure Sales Tax funding in the amount of $110,000 to complete park improvement projects at Joe Swaffer Park (Delaware Ave, Astatula) and Kirkwood Park (County Road 561, Astatula).
2. Of a budget transfer in the amount of $110,000 from Improvements Other Than Buildings to Aids to Gov't Agencies.

The fiscal impact is $110,000 (expenditure). Commission District 3.

VII. PRESENTATIONS

Tab 24 Discussion and direction regarding a proposed Ordinance amending Chapter XVII, Lake County Code, Appendix E, Land Development Regulations ("LDR"), entitled *Rural Conservation Subdivision Design Standards*.

There is no fiscal impact.

Tab 25 Presentation by Thomas Carpenter, Assistant County Manager, with a Fire Rescue Ambulance Services Update.

VIII. PUBLIC HEARINGS

Tab 26 Recommend approval to issue a Certificate of Public Convenience and Necessity for the Office of Fire Rescue through June 18, 2028. There is no fiscal impact.

Tab 27 Recommend adoption and execution of an Ordinance providing for the levy of an additional school district ad valorem millage tax in Lake County for operational purposes effective in 2027 and ending four (4) years thereafter pursuant to Section 1011.71(9), Florida Statutes, and providing for approval of the levy by voters in a referendum to be held on November 3, 2026, and providing for ballot language.

The fiscal impact cannot be determined at this time.

Tab 28 Recommend approval:
1. Of an amended budget for the Lake County Board of County Commissioners Fiscal Year 2026 to include a reconciliation of the beginning fund balance and other adjustments; and
2. To adopt a resolution for a supplemental budget for the Lake County Board of County Commissioners Fiscal Year 2026.

IX. REGULAR AGENDA

A. COMMISSIONERS

Commissioner Smith - District #3

Tab 29 Discussion and direction on the Wolf Branch Innovation District Logo. Recommend approval of a logo for use in the Wolf Branch Innovation District.

Tab 30 Recommend approval for Commissioner Smith to execute a letter thanking the City of Tavares for their assistance in decorating the downtown area for the America 250 celebration.

Commissioner Campione - Chairman and District #4

Tab 31 Discussion and direction on an Ordinance creating Section 2-6, Lake County Code, declaring Lake County as a Bill of Rights Sanctuary County.

There is no fiscal impact.

B. COMMUNITY SERVICES

Office of Housing and Community Services

Tab 32 Recommend Approval:
1. Of a local government contribution in the amount of $460,000 for the proposed development of affordable housing units to be constructed in Lake County, contingent upon the developer receiving funding through the Low-Income Housing Tax Credit (LIHTC) Program offered through the Florida Housing Finance Corporation; and
2. Of funding through the County's existing allocation of HUD HOME funds, if the project meets the necessary HOME program eligibility criteria; and
3. To authorize the Chairman to execute the Local Government Verification of Contribution Loan Form, the Local Government Area of Opportunity Funding Form, and a commitment letter substantially similar to the one attached herein which is to be submitted with the LIHTC Program application.

The fiscal impact is $460,000 (expenditure - 100 percent grant funded). Commission District 5.

X. REPORTS

A. County Attorney

B. County Manager

XI. COMMISSIONER REPORTS

A. Commissioner Sabatini - District #1

B. Commissioner Parks - District #2

C. Commissioner Smith - District #3

D. Commissioner Morris - District #5

E. Commissioner Campione - Chairman and District #4

The County Commission reserves the right to move any Agenda item to an earlier time during the day as its schedule permits, except in the case of items and appointments that have been advertised in a newspaper for a specific time.

Pursuant to the provisions of Chapter 286, Florida Statutes, Section 286.0105, if a person decides to appeal any decision made by the County Commission with respect to any matter considered at this Commission meeting, he or she will need a record of the proceedings, and that, for such purpose, he or she may need to ensure that a verbatim record of the proceedings is made, which record may include the testimony and evidence upon which the appeal is to be based.

Persons with disabilities needing assistance to participate in any of these proceedings should contact (352) 343-9760 at least 48 hours before the scheduled meeting; if you are hearing or voice impaired, call 711 or (352) 253-1840.

A REGULAR MEETING OF THE BOARD OF COUNTY COMMISSIONERS
MARCH 3, 2026

The Lake County Board of County Commissioners met in regular session on Tuesday, March 3, 2026 at 9:00 a.m., in the County Commission Chambers, Lake County Administration Building, Tavares, Florida. Commissioners present at the meeting were: Leslie Campione, Chairman; Sean Parks, Vice Chairman; Anthony Sabatini (via Zoom); Kirby Smith; and Timothy Morris. Others present were: Jennifer Barker, County Manager; Melanie Marsh, County Attorney; Misty Spahn, Executive Office Manager, County Manager's Office; Mary Burns, Accounting Director; and Josh Pearson, Deputy Clerk.

INVOCATION AND PLEDGE

Commr. Campione welcomed everyone to the meeting.

Pastor Winston Simon, with Hope International Church in the City of Groveland, gave the Invocation and led the Pledge of Allegiance.

Commr. Campione said that they were keeping United States (U.S.) soldiers and those involved with the situation with Iran in their hearts and prayers. She added that their hearts went out to families who had lost loved ones, and that they expressed their deep appreciation for the sacrifice that their loved ones made for the country.

AGENDA UPDATE

Ms. Jennifer Barker, County Manager, said that Tab 2 had been added as an addendum since the agenda was first published, and she requested to move it under the regular agenda. She specified that this was an update requested by the Board in the previous week regarding the County's wildfire assessment in the area. She then commented that Commissioner Sabatini was not able to join them in person, and she relayed her understanding that he was on Zoom and would be participating remotely; however, he would not be voting.

CITIZEN QUESTION AND COMMENT PERIOD

Mr. Banks Helfrich, a farmer from the Clay Road District in South Lake and a candidate for State House of Representatives District 25, said that a farm tip of the day was that it was time to put spring crops into the ground such as beans, peas, watermelon, squash, cucumbers and perennials. He then spoke about capitalism, and opined that happiness was found in service.

ANNEXATION REPORT

Mr. Mike Fitzgerald, Director for the Office of Planning and Zoning, said that the City of Eustis had notified Lake County that they intended on annexing 10 acres south of County Road (CR) 44A and east of CR 44, and that the current Lake County zoning was Urban Low (R-6) with a proposed City zoning of Suburban Corridor Design District. He explained that the City used form-based code, that the current Lake County future land use (FLU) was Urban Low, which was four units per acre, and that the proposed City FLU was General Commercial. He stated that the intent was to develop the property with a general commercial use, and he showed a comparison of what Lake County would allow currently, noting that the municipality had no density because they were doing general commercial. He displayed an aerial image of the property, pointing out that the city was abutting the property. He showed the zoning and land use maps, along with a

conceptual plan received from the City. He specified that there would be a few buildings, some areas for light storage, and a suburban corridor design with certain form-based code which applied to the buildings.

Commr. Campione indicated that she used to own this property.

PUBLIC HEARINGS: REZONING

Mr. Fitzgerald displayed the advertisements for that day's rezoning case on the overhead monitor in accordance with the Florida Statutes.

REZONING REGULAR AGENDA

Tab 1. Ordinance No. 2026-9
Rezoning Case # PZ2025-148
The Barn at Southern Oaks (CUP)
1. Conditional use permit (CUP) approval on approximately 21.49 +/- acres to allow an enclosed Wedding Venue/ Barn within the Agriculture District (A).

2. Waiver to the road access requirements pursuant to Appendix A, of the Lake County Transportation Planning, Design, and Construction Standards, to allow the proposed development to access the property from Le Grande Street, an unmaintained road.

THE BARN AT SOUTHERN OAKS (CUP)

Mr. Fitzgerald presented Tab 1, Rezoning Case # PZ2025-148, The Barn at Southern Oaks (CUP). He explained that the requested action was a conditional use permit (CUP) on approximately 21.49 acres to allow an enclosed wedding venue/barn within the Agriculture zoning district. He added that included in the CUP was a waiver to road access requirements to allow this wedding venue to be on a maintained but unimproved road. He recalled that the Planning and Zoning Board had voted unanimously to recommend approval, and said that the location was 40410 Le Grande Street in the unincorporated City of Umatilla area. He mentioned that the subject parcel had been granted an agricultural classification through the Lake County Property Appraiser, and was developed with a single family dwelling unit, a barn and an enclosed wedding venue which was accessible through a private easement. He relayed that a building permit had been issued on July 20, 2020 for an open pole barn for storage uses, and that it had been enclosed without a permit and was subsequently subject to a code enforcement violation. He elaborated that the applicant had agreed to enter into a settlement agreement and obtain a CUP to bring the wedding venue into compliance with the County's regulations. He said that water and sewer service was by an existing septic and well system, and that Lake County Fire Station 20 was located less than three miles from the subject property.

Commr. Campione asked the Board to disclose ex parte communication, but there was none.

Commr. Morris asked if they met the fire code.

Mr. Fitzgerald replied that if the CUP was approved, they would have to return to permit the enclosed wedding venue; furthermore, the County would evaluate the life safety plan at that point. He was unsure if they met this at the current time.

Ms. Jamie Blunt, representing the applicant, stated that the applicant was willing to be compliant with everything being asked of them.

Commr. Campione relayed her understanding that access was off Le Grande Street, and that this street fed onto CR 450 and into the City of Umatilla.

Ms. Blunt clarified that the applicant had been maintaining Le Grande Street since they purchased the property.

Commr. Campione asked how the code enforcement case came up.

Mr. Fitzgerald responded that the Office of Code Enforcement was complaint driven, and that they must have received a complaint about the events at the property, along with investigating and determining that the barn had been enclosed without a proper building permit.

Commr. Campione stated that receiving the permit and meeting fire code had to be done separately, and that this was not a bonafide agricultural use on the property; therefore, it was not exempt by Florida Statutes, and the applicant had to come to the Board.

Mr. Fitzgerald added that the definition of agritourism did not include the construction of new or additional structures or facilities intended for the general public; additionally, as soon as one started building a wedding venue and it became an assembly use under the building code, they had to permit this as such.

Commr. Campione indicated her understanding that the subject property had been posted with notices, though there were no objections.

Commr. Parks relayed his understanding that there would be up to 50 special events allowed per year, and he asked about the difference on this.

Mr. Fitzgerald replied that the order was allowing 50 weddings per calendar year, and that there was an allowance for special events which could be expected to draw 500 persons or greater; furthermore, they would take this through a special event process.

Ms. Melanie Marsh, County Attorney, clarified that it was a total of 50 events including weddings, special events and family events. She stated that the Board could possibly limit the number of special events.

Commr. Campione opined that special events could draw the attention of the surrounding community. She asked if the intent was to focus on weddings and those types of events.

Ms. Blunt relayed that there was no intention for special events and that the applicant had never had an event that large; furthermore, this was solely for weddings, baby showers, etc.

Commr. Campione opined that they could possibly eliminate the large special events.

Ms. Marsh commented that if they were not intending to have it as an allowed use, the County could change the CUP to say that special events, as defined by the County code, were specifically prohibited on this property.

Commr. Campione inquired about the typical size of a wedding there.

Ms. Blunt believed that it was between 125 and 175 people.

Commr. Smith said that on the application, the owner mentioned that they would have 10 to 15 ceremonies in a single year from 10 to 125 guests; however, the CUP was requesting 50 ceremonies.

Ms. Blunt clarified that this had been changed in the last meeting.

Commr. Smith asked about the current agribusiness.

Ms. Blunt was unsure, noting that they had cattle.

Commr. Smith expressed concerns for the road because it was unmaintained, and he pointed out that the CUP would have the owner maintaining the road. He asked what would happen if the owner failed to maintain it.

Ms. Marsh explained that it would be inspected annually because it was a CUP, and that the property owner would be notified if the road did not meet the National Fire Protection Association (NFPA) Chapter 18 requirements. She elaborated that if they did not address the road, then it would be a code enforcement case and/or the County could seek revocation of the CUP.

Commr. Smith relayed his understanding that some unmaintained roads needed to have accessibility for fire and emergency medical services (EMS), and that some degraded to where it caused an issue for adjacent owners using the same road. He stated that he also had an issue with 50 events per year from 8:00 a.m. to 11:00 p.m. with up to 216 people.

Ms. Blunt said that they were not all at those timeframes.

Commr. Smith mentioned that it was allowed in the CUP.

Ms. Blunt remarked that the applicant had been maintaining the road with crushed concrete and asphalt since they had been there, opining that it was not a deteriorating road and that it was compacted. She added that the applicant had around 40 events in the previous year.

Commr. Smith said that in Section 3 of the ordinance, if the owner sold the property, then all of this would transfer to the new owner. He asked if the Board could strike this so that the CUP would become null and void if the owner sold the property.

Commr. Campione relayed her understanding that the new owner would be subject to the same conditions, and that it could be revoked if they did not adhere to this.

Commr. Smith stated that he would like to see the CUP be revoked if the owner sold it, noting that the owner would not be able to use this CUP to increase the purchase price of the property.

Commr. Campione inquired why this would be an issue, and questioned that if this family wanted to retire and sell a successful business, then why should they not receive the benefit of this.

Commr. Smith opined that this was a safety net and that there could be a possibility that the owner could receive the CUP and sell the property; furthermore, the County did not know who the next owner would be. He also expressed concern for the road exemption.

Commr. Campione asked how many other people used the road to reach their home.

Ms. Blunt indicated her understanding that there were at least two, and said that the applicant maintained the road past their driveway.

Commr. Campione opined that this was a gorgeous part of Lake County, and said that she could see why a wedding venue there would be something that people would enjoy using.

Commr. Smith opined that it should not be a commercial use.

Commr. Campione opined that she did not see wedding venues this way.

Ms. Blunt opined that if they did not have the barn, it would have still been allowed under agritourism, and that they were present because the applicant had enclosed the barn.

Commr. Smith commented that agritourism was originally started to have another inflow of funding in case the agribusiness did not sustain the property, though this had been changed in the Florida Legislature so that as long as one was in Agriculture zoning, they were able to have agribusiness. He opined that the original intent was not for a commercial business inside an Agriculture zoning.

Commr. Campione relayed her understanding that if one did not have the bonafide agriculture use and just had the Agriculture zoning, then this was not enough.

Ms. Marsh explained that one had to have a bonafide agricultural use, which was defined by statute. She added that the Property Appraiser typically made this determination before issuing an agricultural classification, and that this property had an agricultural classification for hay production and cattle; however, the County was seeing an issue with wedding venues trying to use agritourism to primarily be a wedding venue, noting that they still had to maintain a bonafide agricultural operation on the subject property. She opined that the property was likely not large enough to have a bonafide agricultural commercial operation, though since the Property Appraiser had given them this classification, the County would generally not challenge it. She reiterated that the applicant had to receive the CUP because they enclosed the barn and because the intent was a commercial use rather than an agricultural use with a side use of a ceremonial service.

Commr. Campione inquired that if the barn had already been enclosed and they had received the agricultural classification, then they would not be present on the current day; rather, it was the fact that it was modified.

Ms. Marsh replied that it depended, and that if the barn was enclosed only for purposes of agricultural storage, then they would not be present. She said that when it was converted to have public assembly, then they needed permits and to go through this process.

Commr. Campione asked if they ever had events which went from 8:00 a.m. to 11:00 p.m.

Ms. Blunt denied that they had an all-day event.

Commr. Campione relayed her understanding that the hours were stated as such because they were unsure what time a wedding would be.

Commr. Morris inquired if the barn structure was built first and how long it had been there before they enclosed it.

Ms. Blunt relayed her understanding that the barn had been there and was enclosed in 2022 for an event.

Commr. Morris expressed concerns that this was not done the right way, as well as for the patrons there, indicating his understanding that many of these items were occurring in the county.

Commr. Campione opined that it was clear that they could not occupy and use the barn until they met all of the requirements for fire code and building.

Commr. Smith asked about the last time it was used, and Ms. Blunt was unsure. Commissioner Smith then recalled that in February or March 2025, the applicant was given 180 days to bring it into compliance; furthermore, rather than bringing it into compliance, they came through the CUP process.

Ms. Blunt clarified that the County had told them about the CUP.

Commr. Campione stated that she was not picking up that something nefarious was occurring, and opined that the applicant made some missteps and was trying to correct them.

Commr. Smith said that he was trying to protect their agriculture and some of the land around there, opining that if he bought 10 acres with Agriculture zoning, it would stay zoned Agriculture and have a bonafide agricultural business. He opined that this property did not have this, and that a new owner would have the ability to have an 8:00 a.m. to 11:00 p.m. event. He also reiterated his concerns for the road.

Commr. Parks opined that the Board tried to find a way to balance things, and that the concerns about the road and the hours of operation were legitimate. He indicated that he looked at it as a good thing that the county was so beautiful and that many people wanted to come there to do special events like this, though opined that there could be issues with this. He relayed that the County was supposed to ensure that this was not done in a way that was detrimental to the rest of the residents, and that if there were safeties built into the ordinance which could address this, then he was comfortable with it. He relayed his understanding that the road was going to be maintained and inspected, and mentioned that the CUP could be revoked if they did not meet the inspection. He stated that he wanted to ensure that there would not be any events of 500 people or more, and that he was agreeable with events up to 175 people as long as the other conditions were met.

Commr. Morris asked what the applicant would need to do to bring this into compliance with fire code.

Ms. Marsh clarified that the property owners had purchased this property in 2020, and that it had been vacant property. She added that since it was purchased, there was a 1,630 square foot home built in 2021, a 4,000 square foot accessory structure built around that time, an open porch, and a roughly 1,200 square foot utility building which was built in 2025; therefore, none of these structures existed on this property prior to the property owner purchasing it in 2020.

Chief Michael Vitta, Division Chief/Fire Marshal for the Office of Fire Rescue, indicated that his office would be looking at access and water supply, and that it would be subject to annual life safety inspections.

Commr. Morris inquired if this would be a sprinkler system.

Chief Vitta said that they would have to review the plans and see what the applicant had.

Commr. Campione recalled that noise was an issue at another venue, along with noise extending beyond hours of operation and parking happening offsite. She asked if there were other items that would distinguish that situation versus the current item.

Ms. Marsh commented that there were conditions in the proposed ordinance which addressed impacts they saw in other locations. She specified that the CUP stated that that they could not park outside the property, nor could they stage or stack vehicles along Le Grande Street to await entry to the property. She added that there was a detailed noise provision, and that they had to do a noise study and make any changes if the study identified issues. She relayed that they could not have amplified sound permitted outside of a fully enclosed structure after 10:00 p.m., and that amplified sound during an event which could be heard more than 25 feet from the property

line would be a violation of this ordinance. She related that amplified sound was defined in this ordinance with a plainly audible standard for law enforcement, and that some other issues they had with wedding venues in other areas of the county included adjacent neighbors basically having no silence because events were run each night. She said that conditions not included in the proposed ordinance which the Board had included in other CUPs for similar type uses included restricting one weekend per month to having no events, restrictions for no events such as on Thanksgiving and Christmas, reducing the number of events, or reducing the hours. She said that the Board had much leeway because assuming that there was a bonafide agricultural activity on the property, the statute allowed them to regulate offsite impacts of this type of event, including noise and traffic.

Commr. Campione asked that if issues arose, could the County go back into the ordinance when it came back for inspection and renewal.

Ms. Marsh replied that because it was a conditional zoning, they could do a County-initiated rezoning to bring it back if they continued to have code enforcement issues there, which would give them the option to revoke it or modify the conditions to address additional concerns.

Commr. Campione opined that this was important, and that good conditions had been provided. She reiterated that the applicant had to get through the permitting and fire code issues, and that they had much to do before they could begin having events.

Commr. Smith said that he would like to see the amount of people and events changed, along with the time.

Commr. Campione opined that one did not know what time of day a wedding would be, and that if they restricted this, then they would have interfered with the applicant's ability to accommodate this. She added that they did not have any complaints other than the one which had started this, that no one was in attendance for the meetings, and that the County had an out.

Commr. Morris said that he wanted to ensure that the road was large enough to accommodate a firetruck and ambulance, and he asked if this would be addressed with the CUP.

Ms. Marsh responded that the ordinance incorporated the fire standard for roads, which meant that the width must be 20 feet unobstructed, that the minimum height of any trees along the road must be at least 13 feet, six inches, and that the travel surface must be able to withstand live loads of fire apparatus in all weather conditions. She added that if the truck could not get there when the Office of Fire Rescue did its inspection, then the property owner would have to make those changes.

Ms. Blunt relayed that there was a previous incident at the property and that there had been two firetrucks, an ambulance and patrol cars there without any issues.

Commr. Parks asked the applicant to consider using Lake County vendors and suppliers.

The Chairman opened the public hearing.

There being no one who wished to address the Board regarding this matter, the Chairman closed the public hearing.

On a motion by Commr. Parks, seconded by Commr. Morris and carried by a vote of 3-1, the Board approved Tab 1, Rezoning Case # PZ2025-148, The Barn at Southern Oaks (CUP), with the prohibition of special events as defined by Lake County code.

Commr. Smith voted no.

REGULAR AGENDA

WILDFIRE THREAT UPDATE

Chief David Kilbury, Public Safety Director, said that the county was in a better place than in the previous week due to rain, and that not much had changed in the geographic information systems (GIS) heat index for drought. He commented that the majority of the state, below State Road (SR) 60, was all above 500, and that the rain mainly stayed north of the City of Tampa. He relayed that for the county by county map for the Keetch-Byram Drought Index (KBDI) averages, Polk County, to the south of Lake County, was still above 500; however, Marion County had taken Lake County's numbers from the previous week. He recalled that Lake County had been at 22 percent above 500 and 65 percent below 500, and that currently Lake County was at 447 KBDI. He anticipated a two to four digit increase per day, and that overall they had 12 percent above 500 and had been looking at about 25 percent in the previous week; furthermore, around 75 percent of the county was below 500. He mentioned that Polk County was still drier than Lake County at 514, and that they had 22 percent above 600. He recalled that the Office of Fire Rescue had increased its brush response (BR) to a BR2, which sent an engine tanker, a battalion chief and a brush truck initially on the first response. He elaborated that with the KBDI dropping and the rains over the past weekend, they went back to a BR1, which was a single engine response; however, they could request additional resources. He reported that for the Withlacoochie District, the State of Florida currently had 18 tractor plows in the Central Florida region, along with two heavy tractor plows, 14 brush trucks, a drone team and two helicopters. He said that they would have a meeting on the following evening with an Australian company that Commissioner Parks had mentioned which Travis County, Texas was utilizing for artificial intelligence (AI) fire modeling predictive behavior. He relayed that it may be cost prohibitive and that it was around $1,500 per month plus an additional charge by acre, though this was worthy of exploring what they had to offer. He reviewed a list of the fires that Lake County had, and stated that the KBDI was just one component of what they were currently dealing with. He specified that there was much dead vegetation which had dried out on top of the duff layer, though it was not the magnitude that they had from hurricanes. He mentioned that on the previous day, the emergency manager hosted a meeting for all municipal agencies, the water district, and the Florida Forest Service (FFS), noting that the Federal Government had a drought index which was drastically different than the State's KBDI. He elaborated that the representatives from the State believed that some of the reason why it was not as accurate was due to the Federal Government shutdown, and that because the County relied on State resources, they looked to the Florida Department of Agriculture and Consumer Services (FDACS) for their KBDI numbers. He related that the northern portion of SR 19, just south of SR 40, had received slightly more precipitation than they had, though they were still dry in the southern regions of Lake County. He stated that there was low percentage probability of rain throughout the current week, and that they had been under a burn ban at this time in the previous year. He reported that they were in a better place than in the previous week, and that they continued to monitor this.

Commr. Campione mentioned the possibility of adopting a change to the County's ordinance so that they could follow something more similar to Osceola County. She specified that this would allow the County Manager, the Fire Chief, staff and the FFS to look at all of the different factors rather than just the KBDI.

Chief Kilbury expressed support for this, opining that it would be a wise decision when it was not just the KBDI. He mentioned that when they had much dead debris from a freeze, it would give the opportunity with staff and their partners at the FFS to enact a burn ban if there were extreme wind conditions or red flag days; furthermore, it would also give the County Manager the ability to deactivate the burn ban. He opined that this was a good tool for the Board of County Commissioners (BCC) to keep the public and their properties safe.

Commr. Campione asked to advertise a proposed ordinance for the next BCC meeting.

Ms. Marsh indicated that this could be done and that it would come back for a public hearing.

Commr. Morris said that he would like to see Osceola County's ordinance.

Commr. Campione opined that it was a good ordinance, and that the County could make it slightly better for their needs. She added that she liked that it allowed the County Manager to deactivate a burn ban if things changed.

Chief Kilbury inquired if the Board would like a wildfire threat report at the following BCC meeting, and Commissioner Campione opined that this was a good idea.

Commr. Smith thanked Chief Kilbury and his team for the protection they were providing to county citizens.

Commr. Campione pointed out that there was much activity and that the general public did not necessarily hear about it unless it turned into something significant. She added that staff was responding to one or more fires almost every day.

Commr. Parks commented that the county was large in terms of area, and that staff had other things to do, along with addressing concerns with wildfires.

On a motion by Commr. Smith, seconded by Commr. Morris and carried unanimously by a vote of 4-0, the Board approved to advertise an ordinance allowing the County Manager and the Fire Chief, or his designee, to look at different factors and not just the KBDI.

COMMISSIONERS REPORTS

COMMISSIONER PARKS – VICE CHAIRMAN AND DISTRICT 2

SENATE BILL 208

Commr. Parks mentioned that the Florida Association of Counties (FAC) weekly meetings were open to the Commissioners to listen to, and that he had concerns about amendments to Senate Bill (SB) 208 which would prohibit rural boundary lines. He said that if this amendment passed, it would prohibit the County's Comprehensive Plan (Comp Plan) that they were putting forward with a rural boundary line. He asked if the Board could express their opposition to the maker of the SB 208 amendment.

Commr. Smith said that he would have to read these items and understand it better before putting his name on anything; however, they could agendize this for the next meeting.

Ms. Marsh asked if they would want her to draft a resolution to bring back for that meeting.

Commr. Parks opined that with everything occurring with preemption, he was becoming more supportive of resolutions.

Ms. Marsh opined that a resolution carried more effect than individual letters from Commissioners.

Commr. Campione recalled that the County had been discussing coming to an agreement with the Cities whereby they would define the boundaries of where annexations would be; therefore, this was critical to everything that they had been spending time on.

Commr. Parks relayed that the Board could consider a resolution or a letter.

PROPERTY TAX CHANGES

Commr. Parks said that they did not know what was happening with property tax changes, and relayed his understanding that the House of Representatives proposal for an amendment was for it to all be in one year instead of being phased over 10 years. He opined that as the County went into the budget season, they needed to review scenarios for if something like this was to pass. He opined that if this was on the ballot, there could possibly be concern regarding the Board being viewed as campaigning for it; however, he opined that this would not be the case as long as it was presented as just a scenario and if the Board was not advocating for one or the other. He opined that the County should advertise that they would review these scenarios for education reasons, and have this be a workshop item so that people could attend and hear how these scenarios might play out.

Ms. Barker clarified that staff was going to do this anyway, and that there was currently no senate bill. She anticipated that this would happen during a special session, and she mentioned bringing back a discussion or workshop item around June 2026 because by then they should have a good idea of what was being proposed for the ballot.

COMMISSIONER SMITH – DISTRICT 3

THE SPRING GAMES

Commr. Smith stated that THE Spring Games were in full swing, and he mentioned the impact that this had for Lake County in tourism funding. He specified that in the current year they had 260 teams in Division II and Division III coming to Lake County, and that those teams included 18 players and two to three coaches; therefore, they were looking at about 5,200 participants who would be staying in Lake County hotels, going to restaurants, and purchasing fuel. He added that their fanbase would also be in attendance, and said that he could only see this growing with the assistance of the Greater Orlando Sports Commission (GO Sports).

Commr. Parks relayed that the Villanova University rowing team would spending the week training in the City of Clermont.

Commr. Smith opined that Lake County was hitting high gear with tourism, and that this was good for all of the residents, especially since they visited, spent their money, and then went home.

COMMISSIONER MORRIS – DISTRICT 5

STAFF LUNCHEON

Commr. Morris thanked the Office of Human Resources (HR) and Risk Management for putting on a great luncheon for staff.

ORLANDO ECONOMIC PARTNERSHIP EVENT

Commr. Morris mentioned that he had attended an Orlando Economic Partnership (OEP) event in the City of Orlando with staff, and that they were well respected and appreciated in that environment.

COMMISSIONER CAMPIONE – CHAIRMAN AND DISTRICT 4

LAKE-SUMTER MPO MEETING

Commr. Campione said that there was a great Lake-Sumter Metropolitan Planning Organization (MPO) meeting, and opined that it would be good to have all five County Commissioners there. She opined that it would show that Lake County was utilizing their seats on the Lake-Sumter MPO, and she relayed her understanding that they would be petitioning to add an additional seat for the Cities.

COMMISSIONER SMITH – DISTRICT 3

NATIONAL I WANT YOU TO BE HAPPY DAY

Commr. Smith commented that it was National I Want You to be Happy Day.

ADJOURNMENT

There being no further business to be brought to the attention of the Board, the meeting was adjourned at 10:06 a.m.

BY: Lynne McNamara, Emergency Management Associate
SUBJECT: LifePointe Church Proclamation for Cold Weather Sheltering

---

RECOMMENDATION/REQUIRED ACTION: Approve

Recommend approval and presentation of a Proclamation recognizing LifePointe Church for Cold Weather Sheltering.

BACKGROUND SUMMARY: For the past eight years, LifePointe Church in Eustis has been a steadfast partner in the Lake County Office of Emergency Management Cold Weather Sheltering Program. Whenever temperatures fall and conditions become hazardous, LifePointe Church has faithfully opened its doors to provide a warm, safe refuge for Lake County's most vulnerable residents. Through the unwavering dedication of its leadership, volunteers, and congregation, the church has ensured that individuals and families have access not only to shelter but also to hospitality, compassion, and care during times of need.

This enduring eight-year partnership reflects an extraordinary spirit of service, generosity, and community collaboration. LifePointe Church's continued commitment has strengthened Lake County's capacity to protect residents during winter weather events and stands as a powerful example of neighbors serving neighbors.

Policy LCC-96, entitled *Provisions for Proclamations and Letters of Recognition,* states that the Board of County Commissioners may issue proclamations that recognize:

- National and state-recognized months, weeks, and days that will be accepted by community members, such as "Countywide United Way Month" or "Juvenile Justice Week."
- Major local events that will benefit the community.
- Individuals and organizations that have made outstanding contributions to the county.

This proclamation honors that steadfast commitment and recognizes the devoted volunteers who generously give of their time—often stepping away from their own families and loved ones—to serve and safeguard Lake County's most vulnerable residents.

PROCLAMATION
2026 - 35

WHEREAS, LifePointe Church, located in Eustis, Florida, has demonstrated an outstanding commitment to serving the community by partnering with the Lake County Office of Emergency Management's Cold Weather Sheltering Program to provide cold weather sheltering for vulnerable residents; and

WHEREAS, since 2018, LifePointe Church has faithfully opened its doors during periods of dangerous cold weather to provide a safe, warm refuge for individuals and families in need; and

WHEREAS, the church's leadership, staff, and volunteers have given generously of their time, resources, and compassion to ensure shelter guests are treated with dignity, care, and respect; and

WHEREAS, LifePointe Church's continued participation in the Lake County Cold Weather Sheltering Program has strengthened the County's ability to protect residents during hazardous weather conditions and reduced the risk of cold-related injury and illness; and

WHEREAS, the partnership between LifePointe Church, the Lake County Office of Emergency Management, and community stakeholders reflects the power of collaboration and the spirit of service that enhances the safety, resilience, and well-being of the entire community; and

WHEREAS, the dedication and generosity demonstrated by LifePointe Church have made a lasting and meaningful difference in the lives of Lake County residents during their times of greatest need;

NOW, THEREFORE, BE IT PROCLAIMED by the Board of County Commissioners of Lake County, Florida, that:

Section 1. Lake County does hereby recognize and commend LifePointe Church and its members for their outstanding service, compassion, and unwavering commitment to protecting vulnerable residents through its participation in the Lake County Cold Weather Sheltering Program since 2018.

Section 2. A copy of this Proclamation shall be spread upon the minutes of this meeting.

Section 3. This Proclamation shall become effective upon adoption.

SUBJECT: National Travel and Tourism Week 2026 Proclamation

RECOMMENDATION/REQUIRED ACTION: Approve
Adopt

Recommend approval and presentation of a Proclamation recognizing May 3-9, 2026, as National Travel and Tourism Week.

BACKGROUND SUMMARY: The Office of Tourism — Discover Lake County Florida, in partnership with the Central Florida Hotel and Lodging Association (CFHLA) would like to request a proclamation from the Lake County Board of County Commissioners to recognize National Travel and Tourism Week 2026.

Policy LCC-96, entitled Provisions for Proclamations and Letters of Recognition, states that the Board of County Commissioners may issue proclamations that recognize:

- National and state recognized “months, days and weeks” that will be accepted by community members, such as “Countywide United Way Month,” or “Juvenile Justice Week.”
- Major local events that will benefit the community.
- Individuals and organizations that have made outstanding contributions to the County.

Travel is essential. It fuels economies, strengthens communities and connects America. Since 1983, National Travel and Tourism Week (NTTW) has been an annual tradition showcasing travel’s essential role in driving economic growth, creating jobs and enhancing quality of life across the United States.

Travel is one of America’s most powerful economic engines—supporting 15 million jobs, generating $2.9 trillion in economic output and funding essential public services. It powers every sector of the economy, from restaurants and retail to tech, manufacturing and agriculture.

PROCLAMATION

2026-31

WHEREAS, the travel and tourism industry plays a vital role in strengthening Lake County's economy, generating revenue, creating employment opportunities, and enhancing the overall quality of life for residents and visitors alike; and

WHEREAS, travel is an economic powerhouse for every state and destination across the country, with an economic output of $2.9 trillion, supporting 15 million American jobs; and

WHEREAS, Lake County's abundant natural beauty—including its scenic lakes, lush parks, and protected wildlife areas—continues to draw nature enthusiasts, outdoor adventurers, and eco-tourists, reinforcing Lake County's reputation as Florida's Lakeside Escape; and

WHEREAS, Lake County has emerged as a premier destination for sports tourism, welcoming athletes, teams, and spectators for tournaments, training, and events that energize the local economy and showcase the region's top-tier facilities and hospitality; and

WHEREAS, National Travel and Tourism Week offers a meaningful opportunity in 2026 to honor the accomplishments of Lake County's travel and tourism community, highlight the continued efforts of Central Florida Hotel & Lodging Association (CFHLA), the largest regional hospitality association in the United States, and its partners, and reaffirm our dedication to growing Lake County's presence as a must-visit destination.

NOW, THEREFORE, BE IT PROCLAIMED by the Board of County Commissioners of Lake County, Florida that:

Section 1. The week of May 3-9, 2026, shall be known, designated, and set aside as "National Travel and Tourism Week" in Lake County.

Section 2. A copy of the Proclamation shall be spread upon the minutes of this meeting.

Section 3. This Proclamation shall become effective upon adoption.

SUBJECT: Building Safety Month Proclamation

RECOMMENDATION/REQUIRED ACTION: Approve
Adopt

Recommend approval and presentation of a Proclamation designating May 2026 as Building Safety Month in Lake County.

BACKGROUND SUMMARY: Policy LCC-96, entitled Provisions for Proclamations and Letters of Recognition, states that the Board of County Commissioners may issue proclamations that recognize:

- National and state-recognized months, weeks, and days that will be accepted by community members, such as “Countywide United Way Month” or “Juvenile Justice Week.”
- Major local events that will benefit the community.
- Individuals and organizations that have made outstanding contributions to the county.

Building Safety Month is an international campaign observed each May to raise awareness about the importance of building safety. The campaign emphasizes the need for the adoption and enforcement of modern, regularly updated building codes and helps individuals, families, and businesses understand what it takes to create safe and sustainable structures.

The International Code Council (ICC), with over 64,000 members, represents a diverse partnership of professionals from the building construction, design, and safety communities. These professionals collaborate with corporations, government agencies, professional associations, and nonprofit organizations to promote building safety through proclamations, educational events, and legislative initiatives.

Communities rely on building codes to protect the public from disasters such as fires, severe weather events, and structural failures. Building codes serve as one of the most effective tools for safeguarding homes, offices, schools, manufacturing facilities, retail establishments, and entertainment venues.

For over 40 years, the ICC has led efforts to advance the construction of safe,

sustainable, affordable, and resilient buildings.

PROCLAMATION
2026 – 32

WHEREAS, the Board of County Commissioners of Lake County recognizes that our homes, schools, workplaces, places of worship, entertainment venues, and the infrastructure that supports them are safer, more resilient, and more sustainable when they are designed, constructed, inspected, and maintained in accordance with modern building codes; and

WHEREAS, Building Safety Month is an annual public awareness campaign sponsored by the International Code Council (ICC) each May that highlights how building safety professionals, up-to-date building codes, and effective code administration help protect lives and property; and

WHEREAS, "Built to Last," the theme for Building Safety Month 2026, encourages us all to get involved and raise awareness about building safety; and

WHEREAS, the ICC develops modern, consensus-based model codes and standards that serve as the foundation of a safe, resilient, and sustainable built environment, addressing building, fire, plumbing, mechanical, energy, and existing structure safety, among other disciplines; and

WHEREAS, the adoption, implementation, and enforcement of modern building codes, along with a strong system of plan review and inspection, are essential to mitigate the impacts of natural and human-caused hazards, including flood, wildfire, high winds, seismic events, extreme heat and cold, and other disasters, thereby reducing injuries, loss of life, property damage, and economic disruption; and

WHEREAS, code officials (building, fire, plumbing, mechanical, electrical, and structural) together with architects, engineers, designers, contractors, trades professionals, and first responders, work tirelessly to keep our community safe through professionalism, education, and collaboration; and

WHEREAS, Lake County's commitment to public safety, sustainability, energy efficiency, and climate resilience is advanced by continuous improvement to local codes and standards, investment in community risk reduction, and public education that empowers residents and businesses to make safe choices in construction, renovation, and maintenance; and

WHEREAS, the safety and economic well-being of Lake County depend on the diligence of those who design, construct, inspect, and maintain our buildings and infrastructure, and on the community's shared resolve to support policies and practices that strengthen building performance and disaster readiness; and

WHEREAS, Building Safety Month provides an opportunity for all residents, property owners, and stakeholders to learn more about the importance of building safety and to participate in activities that promote safer, more resilient, and more sustainable structures across Lake County.

NOW, THEREFORE BE IT PROCLAIMED, by the Board of County Commissioners of Lake County, Florida, that:

Section 1. May 2026 is hereby recognized and proclaimed as Building Safety Month in Lake County.

Section 2. Lake County acknowledges and expresses profound appreciation for the dedication and service of code officials and all building safety professionals who work to protect the health, safety, and welfare of our community.

Section 3. Lake County encourages all residents, businesses, and institutions to join in observances and educational activities during Building Safety Month, to support the use of modern building codes and standards, and to promote safe, sustainable, and resilient construction and maintenance practices.

Section 4. A copy of this Proclamation shall be spread upon the minutes of this meeting.

Section 5. This Proclamation shall become effective upon adoption.

RECOMMENDATION/REQUIRED ACTION: Approve

Recommend approval and presentation of a proclamation recognizing Community Legal Services for their 60th Anniversary.

BACKGROUND SUMMARY: Request from Adrianna Tran, Community Legal Services Director of Governmental Relations, to have a proclamation approved to honor and recognize their 60th anniversary.

Policy LCC-96, entitled Provisions for Proclamations and Letters of Recognition, states that the Board of County Commissioners may issue proclamations that recognize:

- National and state-recognized months, weeks, and days that will be accepted by community members, such as “Countywide United Way Month” or “Juvenile Justice Week.”
- Major local events that will benefit the community.
- Individuals and organizations that have made outstanding contributions to the county.

Community Legal Services has served Lake County for 60 years and has been dedicated to its mission: to provide no-cost legal services to the most vulnerable in Central Florida and help them protect their families, health, and livelihoods.

Fiscal Impact: None.

BOARD OF COUNTY COMMISSIONERS
County Policy

Title: Provisions for Proclamations and Letters of Recognition

Number: LCC-96

Cancels:

Approved: October 8, 2013

I. OBJECTIVE

The purpose of this policy is to establish guidelines for the issuance of Proclamations by the Board and for the issuance of Letters of Recognition by individual Commissioners.

II. DIRECTIVES

A. The Board of County Commissioners may issue Proclamations recognizing:

1. National and state recognized "months, days and weeks" that will be accepted by community members, such as "Countywide United Way Month," or "Juvenile Justice Week."

2. Major local events that will benefit the community.

3. Individuals and organizations that have made outstanding contributions to the County.

B. Individual Commissioners may issue Letters of Recognition without Board approval to acknowledge or recognize an achievement, service, event, or other act not falling under the categories set forth in Subsection (A) above.

III. RESERVATION OF AUTHORITY

The authority to issue or revise this Policy is reserved to the Board of County Commissioners. The County Manager shall have the authority to issue procedures as necessary to carry out this Policy.

Leslie Campione
Chairman, Board of County Commissioners
Lake County

PROCLAMATION
2026 – 41

WHEREAS, many Americans are one civil legal problem away from falling into or further into poverty; annually, three in four low-income American households experience at least one civil legal problem, and yet 92 percent of these households do not get any or enough legal help for their civil legal problems; and

WHEREAS, Community Legal Services strives to bridge the justice gap so that money is not a barrier to justice; and

WHEREAS, since its founding in 1966, Community Legal Services has served the residents of Brevard, Citrus, Flagler, Hernando, Lake, Marion, Osceola, Orange, Putnam, Seminole, Sumter, and Volusia counties for six decades through the provision of no-cost legal services for those who could not otherwise gain access to counsel; and

WHEREAS, the communities served by Community Legal Services include low-income Floridians and their families, seniors, veterans, survivors of domestic violence, children with disabilities, disaster survivors, and other at-risk individuals facing critical hardships, such as the potential loss of a home, fraudulent contracts, financial instability, denial of benefits, barriers to securing housing, challenges in disaster recovery, and the need to obtain legal protections; and

WHEREAS, through its dedicated staff and the hundreds of pro bono attorneys who have volunteered their time over the decades, Community Legal Services has served clients with more than 300,000 civil legal cases and committed more than one million hours of direct legal assistance for Floridians over the past six decades, embodying its commitment to Legal Access for All and strengthening communities and economic stability across its service area; and

WHEREAS, as Community Legal Services celebrates 60 years of service in 2026, it continues to fight for the future of the community every day—one case and one family at a time—by providing early, effective legal help that strengthens neighborhoods and household stability.

NOW, THEREFORE BE IT PROCLAIMED, by the Board of County Commissioners of Lake County, Florida, that:

Section 1. **Recognition.** Lake County hereby recognizes and commends Community Legal Services on the occasion of its 60th anniversary for six decades of unwavering service to Central Florida and for its dedication to providing no-cost civil legal assistance to those who could not otherwise gain access to counsel, thereby protecting families, health, and livelihoods.

Section 2. **Appreciation.** Lake County expresses its profound appreciation to the attorneys, professional staff, volunteers, and pro bono partners of Community Legal Services for their tireless commitment to advancing Legal Access for All and bridging the justice gap for our most vulnerable neighbors.

Section 3. **Presentation.** A copy of this Proclamation shall be presented to Community Legal Services and spread upon the minutes of this meeting.

Section 4. **Effective Date**. This Proclamation shall become effective upon adoption.

DONE AND PROCLAIMED by the Board of County Commissioners of Lake County, Florida in regular session this 28th day of April 2026.

SUBJECT: ALS Awareness Month Proclamation

RECOMMENDATION/REQUIRED ACTION: Adopt
Approve

Recommend approval and adoption of the ALS Awareness Month Proclamation, per Commissioner Morris.

BACKGROUND SUMMARY: Policy LCC-96, entitled *Provisions for Proclamations and Letters of Recognition,* states that the Board of County Commissioners may issue proclamations that recognize:

- National and state-recognized months, weeks, and days that will be accepted by community members, such as “Countywide United Way Month” or “Juvenile Justice Week.”
- Major local events that will benefit the community.
- Individuals and organizations that have made outstanding contributions to the county.

ALS Awareness Month was officially inaugurated in May 1992 by the U.S. Senate to raise awareness of amyotrophic lateral sclerosis (ALS) and support research for a cure. It is celebrated annually to educate the public, support patients, and honor individuals like Lou Gehrig. This proclamation qualifies as a nationally-recognized month under LCC-96.

Lake County resident Don Miller who is someone personally impacted by ALS is requesting a proclamation be adopted proclaiming May 2026 as ALS Awareness Month.

Fiscal Impact: None.

PROCLAMATION
2026 - 29

WHEREAS, amyotrophic lateral sclerosis, also commonly known as Lou Gehrig's disease, is a progressive fatal neurodegenerative disease in which a person's brain loses connection with their muscles, slowly reducing a person's ability to walk, talk, eat, and eventually breathe; and

WHEREAS, thousands of new amyotrophic lateral sclerosis (ALS) cases are reported every year, and estimates show that every 90 minutes, someone is diagnosed with ALS, and someone passes away from ALS; and

WHEREAS, on average, patients diagnosed with ALS survive only two to five years from the time of diagnosis; and

WHEREAS, the exact causes of ALS are unknown and there is no known cure for ALS; and

WHEREAS, people who have served in the military are more likely to develop ALS and die from the disease than those with no history of military service; and

WHEREAS, securing access to new therapies, durable medical equipment, and communication technologies is of vital importance to people living with ALS; and

WHEREAS, clinical trials play a pivotal role in evaluating new treatments, enhancing quality of life, and fostering assistive technologies for those living with ALS; and

WHEREAS, the ALS Association is the largest philanthropic funder of ALS research globally and has committed more than $154 million to support more than 550 projects across the United States and 18 other countries; and

WHEREAS, the ALS Association is committed to make ALS livable and cure it for everyone, everywhere; and

WHEREAS, Amyotrophic Lateral Sclerosis Awareness Month provides an opportunity to increase public awareness of the dire circumstances of people living with ALS, acknowledge the terrible impact this disease has on those individuals and their families, and support research to eradicate this disease;

NOW, THEREFORE BE IT PROCLAIMED, by the Board of County Commissioners of Lake County, Florida, that:

Section 1. Lake County does hereby proclaim the month of May 2026 as Amyotrophic Lateral Sclerosis Awareness Month, calling upon all Americans to join in supporting ALS research, advocating for increased funding, and standing in solidarity with those affected by this relentless disease.

Section 2. A copy of this Proclamation shall be spread upon the minutes of this meeting.

Section 3. This Proclamation shall become effective upon adoption.

SUBJECT: Crime Stoppers Grant Program

RECOMMENDATION/REQUIRED ACTION: Approve

Recommend approval for the Chairman to execute a letter of support and agreement to the Florida Attorney General regarding the Crime Stoppers Grant Program. There is no fiscal impact.

BACKGROUND SUMMARY: Every three years, Central Florida Crime Line Program, Inc. ("Crimeline") is required to provide a Letter of Support to the Office of the Attorney General from each County Commission in which they provide services. Crimeline is a Florida non-profit corporation and a member of The Florida Association of Crime Stoppers, Inc., which is commonly referred to as "Crime Stoppers." A request was received from Barb Bergin, Executive Director of Crimeline, for submittal of this letter and agreement authorizing Crimeline to act as Lake County's agent for the purpose of applying for, receiving and expending Crime Stoppers Trust Fund monies to support Crime Stoppers initiatives in Lake County. The attached letter is required under Section 16.555, Florida Statutes.

The Board of County Commissioners last approved this Letter of Support on April 11, 2023.

Fiscal Impact: None.

Good afternoon, Ms. Barker:

In accordance with Section 16.555, *Florida Statutes,* the Central Florida Crimeline Program, Inc. is required every three (3) years to submit a Letter of Support to the Office of the Attorney General from each County Commission it serves.

For your review, I have attached a draft letter along with the 2023 letter from the Board of County Commissioners. I have also included Ms. Bergin's contact information below should you have any questions or need additional information.

Ms. Barb Bergin, Executive Director
Crimeline

April 28, 2026

The Honorable James Uthmeier
Attorney General of Florida
Department of Legal Affairs
The Capitol
Tallahassee, Florida 32399-1050

Re: Letter of Agreement – Crime Stoppers Trust Fund Grants

Dear General Uthmeier:

Per the requirements of Section 16.555, Florida Statutes, the Lake County Board of County Commissioners on April 28, 2026, approved the transmittal of this Letter of Agreement authorizing the Central Florida Crimeline Program, Inc. to act as Lake County's Agent for the purposes of applying for, receiving and disbursing Crime Stoppers Trust Fund dollars for approved Crime Stoppers initiatives in Lake County, as provided for in Section 938.06, Florida Statutes.

No additional costs will be incurred by Lake County as a result of this Agreement.

Please let us know if you have any questions or need further information.

Sincerely,

Leslie Campione, Chairman
Lake County Board of County Commissioners

BOARD OF COUNTY COMMISSIONERS
LAKE COUNTY, FLORIDA
OFFICE OF THE COUNTY MANAGER
AGENDA ITEM COVER SHEET

DATE: 03/24/2026
MEETING DATE: 4/28/2026
TO: Jennifer Barker, County Manager
ITEM TYPE: Consent Item
THRU:
ITEM ID: 42835
Erikk Ross, Information Technology Director
BY: Bill Ponko, Senior Procurement Agent
SUBJECT: State of Florida Contracts for IT Related Purchases

RECOMMENDATION/REQUIRED ACTION: Approve

Recommend approval:
1. Of the continued utilization of various State of Florida Information Technology related hardware and software contracts on an as-needed basis.
2. To authorize the Office of Procurement Services to execute all supporting documentation.

The estimated annual fiscal impact is $2,000,000 (expenditure) and will not exceed any Fiscal Year Budget.

BACKGROUND SUMMARY: The Office of Procurement Services, in collaboration with the Information Technology (IT) Department, recommends approval to continue utilizing all State of Florida IT-related hardware and software contracts and any successor contracts competitively awarded by, or adopted by, the State of Florida. This approach promotes cybersecurity; maintains technological integrity and manufacturer support for purchased equipment; and strengthens protection against viruses and reduces ransomware threats. Previous Boards have recognized the importance of this strategy and this Agenda Item seeks the Board's acknowledgment of the County's strategy.

The primary rationale for this recommendation is the continued presence of a widespread “gray market" where non-genuine or unauthorized IT products are sold at discounted prices to unsuspected purchasers. Such items often lack manufacturer warranty and support, increasing long-term costs and operational risks. Additionally, use of these contracts increases cybersecurity and reduces the County's risk of cyberattack. To safeguard against these risks, the IT Department recommends that budgeted technology purchases continue to be made through existing and successor State of Florida contracts, as well as contracts adopted by the State that are fully supported by the original equipment manufacturers (OEMs) and distributed through authorized local government resellers.

Continued use of these contracts will:

- Promote consistency of IT equipment across all BCC departments.
- Ensure compliance with County operational standards and specifications.

- Simplify and expedite system maintenance and repair.
- Allow product returns without incurring costly restocking fees.
- Promote cybersecurity and reduce risk of cyberattack.

In accordance with LCC-39, exceptions to full and open competition may be granted when competition is unavailable or when a sole-source purchase is deemed in the County's best interest, provided such actions comply with Policy LCC-39 and Procedure LC-7. This includes instances related to cybersecurity compliance under Section 119.0725, Florida Statutes, where the IT Department and the Office of Procurement Services determine that certain goods or services are confidential and exempt from disclosure requirements.

Fiscal Impact: $2,000,000 (expenditure)

BOARD OF COUNTY COMMISSIONERS
LAKE COUNTY, FLORIDA
OFFICE OF THE COUNTY MANAGER
AGENDA ITEM COVER SHEET

DATE: 11/26/2012
TO: David Heath, County Manager
THRU:

MEETING DATE: 12/18/2012
ITEM TYPE: Consent Item
ITEM ID: 322

BY: Sandra Rogers, Contract Officer I
SUBJECT: Approval to access various State of Florida Contacts for IT Related Purchases on an as-needed basis.

RECOMMENDATION/REQUIRED ACTION: Approve

To ensure manufacturer support of purchased items, approve use of current and successor contracts competitively awarded by, or adopted by, the State of Florida for purchase of various items of budgeted Information Technology (IT) equipment on an as-needed basis, and authorize the procurement office to execute any implementing documentation. There is no fiscal impact at this time.

BACKGROUND SUMMARY: Procurement Services, in coordination with Information Technology, requests approval to directly access the various current, and related successor, State of Florida contracts for IT equipment and directly related services. The contracts awarded by, or adopted by, the State of Florida were fully competed and advertised, and comply with all State of Florida and Lake County purchasing procedures.

Careful diligence must be used when purchasing IT equipment. There is a widespread 'gray' market that exists where 'non-genuine' products can be purchased at low prices and re-sold to unsuspecting purchasers. This 'gray' market consists of counterfeit equipment, refurbished equipment, and equipment that was allocated for foreign consumption. When 'gray' market dealers peddle this equipment to unsuspecting purchasers the result is that equipment could be received that is not up to proper specifications and in most cases the manufacturers will not honor the warranties.

The County recently experienced a situation such as this when Hewlett Packard refused to honor warranty on Hewlett Packard equipment delivered to the County in response to a "low bid" award. Hewlett Packard advised that this decision was based on the fact that the delivered equipment had been manufactured for foreign market use. This situation was successfully resolved after considerable corrective effort by return of the "foreign use" product, and re-award to a vendor providing product specifically approved by Hewlett Packard for domestic use.

To avoid any recurrence, Information Technology recommends that all budgeted IT equipment be purchased via access of existing State of Florida contracts that are fully backed by original equipment manufacturers and their fully authorized distributors. When available, and when it is in the best interest of the County to do so, IT purchases

from the state contracts will be focused on use of local authorized distributors.

The current State of Florida contracts that are being requested for access are:

- State of Florida contract 880-000-09-1, Audio & Video Equipment and Accessories
- State of Florida contract 250-000-09-1, Network Infrastructure – Equipment and Services
- State of Florida contract 250-WSCA-10-ACS, Miscellaneous IT Equipment (WSCA)
- State of Florida contract 252-000-09-ACS, IT Products & Services (US Communities)
- State of Florida contract 252-030-09-ACS, Commercial Off-The-Shelf Software (COTS) (AR)
- State of Florida contract 252-500-09-1, Mainframe and Other Software
- State of Florida contract 252-001-09-1, Microsoft License, Maintenance & Services
- State of Florida contract 252-GSA, Information Technology Equipment, Software & Services (GSA Schedule 70)
- State of Florida contract 991-268-11-1, IT Disaster Recovery Services
- State of Florida contract DMS-1011-008C, Mobile Communication Services, Verizon (Data)
- State of Florida contract STC 725-330-05-1, Wireless Voice Services State Term Contract: Verizon Wireless (Voice)
- WSCA (Weatern Staea Contracting Alliance) contract 1907 for Sprint Solutions Wireles (Voice).

The last contract listed above was essentially adopted by the State of Florida. County staff wishes to access the WSCA contract directly as certain conditions added to the contract by the State of Florida involve undue administrative burden to the purchasing process.

This recommendation applies to the current contracts cited above, and the direct successors to those contracts as the specific commodities are re-competed and re-awarded.

Fiscal Impact: There is no fiscal impact at this time.

TO: David Heath, County Manager
THRU:

MEETING DATE: 11/10/2015
ITEM TYPE: Consent Item
ITEM ID: 2527

BY: Sandra Rogers, Contract Officer I
SUBJECT: Approval to access various State of Florida Contracts for IT Related Purchases on an as-needed basis

---

RECOMMENDATION/REQUIRED ACTION: Approve

Request approval of the addition of three State of Florida IT-related contracts competitively awarded by, or adopted by, the State of Florida to the previous list of such contracts approved by the Board for direct order access by the procurement office. The three additional contracts are for Data Communications products, Multi-function Device products, and IT consulting services. Equipment and/or services under these contracts are ordered on an as-needed basis. The estimated annual fiscal impact is $30,000.

BACKGROUND SUMMARY:
County staff requested approval under Agenda item 322 (dated 12/18/2012) to access various State of Florida contracts for IT Related purchases, and directly related services, and related successors to those contracts. The contract awarded or adopted by the State of Florida were fully competed and advertised, and comply with all State of Florida and Lake County purchasing procedures. The list of contracts may be found on the original agenda item, and original/successor contracts may be found on the attached spreadsheet.

To continue to ensure manufacturer support of purchased items, Procurement Services, in coordination with Information Technology, requests approval to directly access three additional State of Florida IT related contracts (and any direct successor contracts) competitively awarded by, or adopted by, the State of Florida for purchase of various items of budgeted Information Technology (IT) equipment on an as-needed basis. The current State of Florida contracts that are being requested for access are:

- WSCA Data Communications Products & Services 14-19 43220000-WSCA-14-ACS
- Multifunction Products, Printers, Facsimile Equipment, Scanners, Related Software, Supplies, and Services 600-000-11-1
- Information Technology (IT Consulting Services 973-561-10-1

When available, and when it's in the best interest of the County to do so, IT purchases from the State contracts will be focused on use of local authorized distributors.

Fiscal Impact: No fiscal impact at this time

SUBJECT: Approval to access various State of Florida Contracts for IT Related Purchases on an as-needed basis.

RECOMMENDATION/REQUIRED ACTION:
Request approval for continued access to various State of Florida IT contracts and directly related services, and all related successors to those contracts. There is no fiscal impact at this time.

BACKGROUND SUMMARY: To continue to ensure manufacturer support of purchased items, Procurement Services, in coordination with Information Technology, requests approval to directly access all State of Florida IT related contracts and any related successor contracts competitively awarded by, or adopted by, the State of Florida for the purchase of various items of budgeted Information Technology equipment on an as-needed basis. There is no fiscal impact at this time.

The primary rationale for this request is that there continues to be a widespread “gray” market wherein ‘non-genuine” products can be purchased at low prices and re-sold to unsuspecting purchasers. This can result in the inability to support such equipment. To avoid purchases of “gray” market items, Information Technology recommends that budgeted IT equipment be purchased via access to existing State of Florida contracts that are fully backed by original equipment manufacturers and in which distribution is accomplished through authorized local government partners. Continuation of this purchasing structure will support:

- Equipment consistency throughout BCC
- Assurance of product compliance to the County’s operational requirements
- Simplification and efficiency of system repair and maintenance processes, and
- Ease of product returns without costly restocking fees

There is no immediate fiscal impact associated with this request. The FY 2016 spend under the Board approved State of Florida IT contracts was $224,677, with FY 2017

expenses running at about the same level. The bulk of that expense is directly attributable to Microsoft Software Licensing. Staff expects a slighter higher level of expense in FY2018 due to the renewal of the Microsoft Enterprise Agreement with an enhanced focus on security.

Fiscal Impact: No immediate fiscal impact

SUBJECT: Grant agreement for Local Government Cybersecurity Grant Program

---

RECOMMENDATION/REQUIRED ACTION: Approve

Recommend approval:
1. Of the grant agreement for the Local Government Cybersecurity Grant Program with the State of Florida Department of Management Services; and
2. To authorize the Office of Procurement Services to execute all supporting documentation.

There is no fiscal impact.

BACKGROUND SUMMARY: The Information Technology Department applied for the Local Government Cybersecurity Grant Program which is being offered by the State of Florida Department of Management Services (DMS). There is no fiscal award for this grant. Instead, DMS is offering local government agencies access to various cybersecurity services, licenses and commodities. On April 1, 2026, DMS notified the County of the award. The services awarded will help to further strengthen the security of county systems.

The board approved similar agenda items on May 23, 2023, June 25, 2024, and June 10, 2025.

Fiscal Impact: None

SUBJECT: Funding Agreements for the Operation of the Lake County Adult Post-Adjudicatory Drug Court Program

---

RECOMMENDATION/REQUIRED ACTION: Approve

Recommend approval:
1. To execute a Funding Agreement with The Fifth Judicial Circuit Office of Court Administration for the Operation of the Lake County Adult Post-Adjudicatory Drug Court Program; and
2. To execute a Funding Agreement with the State Attorney for the Operation of the Lake County Adult Post-Adjudicatory Drug Court Program; and
3. To execute a Funding Agreement with the Public Defender for the Operation of the Lake County Adult Post-Adjudicatory Drug Court Program.

The fiscal impact is $440,550 (expenditure).

BACKGROUND SUMMARY: The Opioid epidemic has continued to have a significant adverse impact on the State of Florida and Lake County. In 2019, the Board of County Commissioners (Board) approved Lake County's participation in the National Prescription Opiate Multidistrict Litigation, which is comprised of almost 100 political subdivisions within the State of Florida and the State of Florida itself, against numerous entities engaged in the manufacturing, marketing, promotion, distribution or dispensing of opioids. The lawsuit is in the settlement phase and the municipalities have assigned their funds to the County. Lake County has received settlement funds that must be used for Approved Purposes and Opioid Abatement Strategies as identified by the State.

In 2021, the Board acknowledged the establishment of the Lake County Opioid Task Force (Opioid Task Force), which is an organically existing group of representatives from various Lake County municipalities. The Opioid Task Force serves to:

1. Gather data about the nature and extent of problems being faced in communities within the County;
2. Receives and reports recommendations to the Board from other government and private entities about activities that should be undertaken to abate the opioid epidemic; and
3. Makes recommendations to the Board and other public and private leaders about steps, actions, or plans that should be undertaken to abate the opioid epidemic.

The Opioid Task Force established the Lake County Opioid Abatement Plan, for the purpose of documenting the goals for opioid abuse abatement in Lake County, which included the development of a three-pronged approach to abate the opioid epidemic in Lake County by implementing an opioid drug treatment court, focusing on medical services, and establishing a public information campaign. Section 397.334, Florida Statutes, allows counties to fund a treatment-based drug court program for the purpose of providing persons in the justice system assessed with a substance abuse problem to be processed in a manner appropriate to address the severity of the person's identified substance abuse problem through treatment services tailored to the individual needs of the participant. Administrative Order L-2025-33, established a pilot program, entitled *Lake County Post-Adjudicatory Drug Court Program*, to benefit the residents of Lake County.

On July 22, 2025, the Board approved the Fiscal Year 2026 Drug Treatment Court Budget as presented by the Honorable Michael Graves, Lake County Public Defender. The Funding Agreements between Lake County, The Fifth Judicial Circuit Office of Court Administration, the Public Defender, and the State Attorney outline the annual funding and obligations to be provided by each party for the maintenance and operation of the Lake County Post-Adjudicatory Drug Court Program.

Fiscal Impact: $440,550 (expenditure).

IN THE CIRCUIT COURT OF THE FIFTH JUDICIAL CIRCUIT OF FLORIDA IN AND FOR LAKE COUNTY, FLORIDA

ADMINISTRATIVE ORDER: L-2025-33

ADMINISTRATIVE ORDER ESTABLISHING THE LAKE COUNTY ADULT POST-ADJUDICATORY DRUG COURT PILOT PROJECT

WHEREAS, Florida Law affords individuals charged with certain crimes resulting from a substance abuse problem the opportunity to treat the root cause of their engagement in the criminal justice system through problem-solving court programs; and,

WHEREAS, it has been found that specialized court dockets are beneficial to manage the criminal cases of eligible individuals and to provide referral for treatment of their substance abuse problem (a/k/a substance use disorder); and,

WHEREAS, Chapter 397.334, Florida Statutes, allows counties to fund a treatment-based drug court program for the purpose of providing persons assessed with a substance abuse problem to be processed in a manner to appropriately address the severity of the identified substance abuse problem through treatment services tailored to the individual needs of the participant; and,

WHEREAS, the establishment of a pilot program entitled; "Lake County Adult Post-Adjudicatory Drug Court Program" is to the benefit of the residents of Lake County, Florida; and,

WHEREAS, the Fifth Judicial Circuit currently receives funds to support the Lake County Adult Post Adjudicatory Drug Court Program and its participants; and

WHEREAS, the pilot program is designed to serve eligible defendants/offenders from post-adjudicatory felony cases in Lake County, including post-adjudicatory violation of probation cases, certain post-adjudicatory 3rd degree non-violent felony cases under Chapter 810, Florida Statutes; or any other felony offense that is not a forcible felony as defined in section 776.08, Florida Statutes; and,

WHEREAS, Offenders with sentencing scores of 60 points or fewer or Offenders with sentencing scores of 60 points or fewer who have violated community control or probation due to a positive or suspect drug screen – if the underlying offense occurred on or after July 1, 2009, may be eligible to participate; and,

WHEREAS, Chapter 397, Florida Statues, in its entirety, establishes the provision of substance misuse services within the State of Florida, and;

WHEREAS, Chapter 397.334(4), Florida Statute establishes that the treatment-based drug court programs shall include therapeutic jurisprudence principles and adhere to the 10 key components, recognized by the Drug Courts Program Office of the Office of Justice Programs of the United States Department of Justice and adopted by the Florida Supreme Court Treatment-Based Drug Court Steering Committee; and

WHEREAS, in the interest of judicial economy and for the efficient administration of justice,

IT IS HEREBY ORDERED that:

1. **The Lake County Adult Post-Adjudicatory Drug Court is created and established as a pilot program,** and shall be maintained subject to the availability of adequate funding or until such time that either a permanent program is established or the pilot program is no longer deemed judicially economical and/or efficiently administering justice.

2. **The Lake County Adult Post-Adjudicatory Drug Court** shall determine whether any potentially eligible case type and Offender from the other Circuit Criminal Division meets the criteria for the Offender to be referred to substance use disorder treatment and support.

3. **The Lake County Adult Post-Adjudicatory Drug Court** will limit participation in the program to no more than 10 participants. Additional participants may be added upon approval of the Lake County Administrative Judge.

4. Any application fee for a Defendant who applies for acceptance into the **Lake County Adult Post-Adjudicatory Drug Court** shall be waived. This Provision will be re-evaluated each October to ascertain the effectiveness of said waiver.

5. Any monthly participation fee for person who is accepted into the **Lake County Adult Post-Adjudicatory Drug Court** shall be waived. This provision will be reevaluated each October to ascertain the effectiveness of the waiver of the monthly participation fee.

6. There shall be no refunds of any assessed fees which have already been paid.

7. The policies and procedures of the **Lake County Adult Post-**

Adjudicatory Drug Court shall be set forth in the Policy & Procedure Manual and shall include court requirements, eligibility criteria and referral procedures and will follow the Florida Supreme Court Best Practice Standards.

8. If defendants' participation in the program is terminated for cause, the defendant shall be terminated from the drug court program and sentenced accordingly by the drug court judge. The unpaid balance of any assessed fee(s) may become a lien of record.

9. All hearings conducted pursuant to this administrative order shall be electronically recorded.

DONE and ORDERED in Chambers at Tavares, Lake County, Florida this 14th of November 2025.

James R. Baxley
Lake County Administrative
Judge

		TOTAL REQUEST					**$ 440,550.00**

FUNDING AGREEMENT BETWEEN
LAKE COUNTY, FLORIDA, AND
THE FIFTH JUDICIAL CIRCUIT OF FLORIDA
FOR THE OPERATION OF THE LAKE COUNTY ADULT
POST-ADJUDICATORY DRUG COURT PROGRAM

THIS AGREEMENT is made by and between Lake County, Florida, a political subdivision of the State of Florida, (hereinafter "County") and The Fifth Judicial Circuit Of Florida (hereinafter " the Circuit") for the funding and operation of the Adult Post-Adjudicatory Drug Court, (hereinafter "Opioid Drug Court") collectively hereinafter referred to as "the Parties."

WITNESSETH:

WHEREAS, the Opioid epidemic has continued to have a significant adverse impact on the State of Florida and Lake County; and

WHEREAS, almost 100 political subdivisions within the State of Florida, including Lake County, and the State of Florida itself, filed a lawsuit against numerous entities engaged in the manufacture, marketing, promotion, distribution or dispensing of opioids; and

WHEREAS, the lawsuit is in the settlement phase and funds have been allocated to Lake County by municipalities; and

WHEREAS, Lake County receives settlement funds that must be used for Approved Purposes and Opioid Abatement Strategies identified in State agreements and exhibits attached hereto; and

WHEREAS, the opioid settlement framework contemplates an 18-year structure for allocations and distributions under the Regional Fund sliding scale identifying Years 1-6, 7-9, 10-12, 13-15, and 16-18; and

WHEREAS, Lake County has adopted resolutions and entered into formal agreements authorizing participation in the State's unified plan for allocation and use of opioid settlement proceeds; and

WHEREAS, in January of 2021, a collaborative body known as the Lake County Opioid Task Force, hereinafter "Opioid Task Force," formed in Lake County in response to the alarming increase in opioid-related drug misuse and opioid-related deaths within the geographic boundaries of Lake County; and

WHEREAS, the Florida Memorandum of Understanding, hereinafter the "Florida Plan," attached hereto as **Exhibit A**, sets forth a framework for a unified plan for the proposed allocation and use of opioid settlement proceeds; and

WHEREAS, on June 22, 2021, the Lake County Board of County Commissioners approved Resolution 2021-100, attached hereto as **Exhibit B**, authorizing Lake County to join with the State of Florida and other local governmental units as a participant in the Florida Plan and formal agreements implementing a unified plan; and

WHEREAS, on November 15, 2021, the Florida Opioid Allocation and Statewide Response Agreement was entered into between the State of Florida Department of Legal Affairs, Office of the Attorney General, and Certain Local Governments in the State of Florida, a copy of which is attached hereto as **Exhibit C**; and

WHEREAS, on December 21, 2021, the Lake County Board of County Commissioners acknowledged the establishment of the Lake County Opioid Task Force as the recommending group for the abatement of the opioid epidemic by providing relevant information and analysis on the opioid crisis within Lake County; and

WHEREAS, the Opioid Task Force has established the Lake County Opioid Abatement Plan, a copy of which is attached hereto as **Exhibit D**, for the purpose of documenting the goals for opioid abuse abatement in Lake County; and

WHEREAS, the Opioid Task Force has developed a three-pronged approach to abate the opioid epidemic in Lake County by implementing an opioid drug treatment court, focusing on medical services, and establishing a public information campaign; and

WHEREAS, Section 397.334, Florida Statutes, allows counties to fund a treatment-based drug court program for the purpose of providing persons in the justice system assessed with a substance use disorder to be processed in a manner appropriate to address the severity of the person's identified substance use disorder through treatment services tailored to the individual needs of the participant; and

WHEREAS, Administrative Order L-2025-33, attached hereto as **Exhibit F**, established a pilot program, entitled, "*Lake County Post-Adjudicatory Drug Court Program,"* to benefit the residents of Lake County; and

NOW THEREFORE, IN CONSIDERATION of the mutual terms, understandings, covenants, conditions, and promises hereinafter set forth, and intending to be legally bound, the Parties agree as follows:

Section 1. **Legal Findings of Fact.** The foregoing recitals are hereby adopted as legislative findings of the Board of County Commissioners and are ratified and confirmed as being true and correct and are hereby made a specific part of this Agreement upon adoption hereof.

Section 2. **Effective Date and Term.** This Agreement will become effective upon the date the last Party hereto executes it. The term of this Agreement will be a one (1) year period from October 1, 2025, to September 30, 2026. Amendments to this Agreement must be in writing and executed by authorized representatives of the Parties. Upon expiration of the initial term, and thereafter upon each renewal term, this Agreement shall automatically renew for successive periods of one (1) year unless the Opioid Drug Court is disestablished, funds have been fully expended or are no longer available, or is otherwise terminated in accordance with this Agreement.

Section 3. **County's Obligations.**

A. Annual Funding. Funding under this Agreement will be provided from Opioid Settlement Funds ("Opioid Funds") for the purpose of the Adult Post-Adjudicatory Drug Court ("Opioid Drug Court"), as approved by the Board and outlined in **Composite Exhibit E**. Funding for the Program will be in the County's sole discretion and is subject to annual appropriation by the Lake County Board of County Commissioners ("Board") through the County's budget process each Fiscal Year (FY). The Parties recognize that the opioid settlement allocation framework spans a total of eighteen (18) years and annual appropriation amounts may differ. The Parties hereby agree that the funding arrangement provided under this Agreement is not intended to constitute a debt for the County. Nothing herein shall be construed as pledging the full faith and credit of the County, nor obligate the County to commit ad valorem revenues to fund the Opioid Drug Court.

i. **Initial Fiscal Year Funding.** For FY 2026, running from October 1, 2025, through September 30, 2026, ("Initial Fiscal Year") the County agrees to provide funding to the Circuit the amount of **Three Hundred Seventy Five Thousand Five Hundred Fifty Dollars and XX/100 ($375,550.00)**, as approved under the Board's approved FY 2026 budget, in order for the Circuit to provide Opioid Drug Court services to the residents of Lake County, Florida.

ii. **Subsequent Fiscal Year Funding.** As provided for in Section 4.B, infra, the Circuit, the State Attorney's Office, and the Public Defender's Office, (hereinafter "Participating Offices") agree to present annually to the Board of the Opioid Drug Court's progress and proposed Budget for the upcoming Fiscal Year, following which the Board will determine and approve the amount of Opioid Funds to include in the County's budget for the upcoming Fiscal Year. No later than October 31st of each year, and annually by October 31st thereafter so long as the requisite funds are available and The Circuit has provided invoicing as outlined in Section 4.C., infra, the County shall provide annual funding to The Circuit for support services related to the Opioid Drug Court as allowed for under the Board's approved Fiscal Year Opioid Drug Court budget. The Parties understand that the annual funding amount may change and that no specific amount of Opioid Funding, beyond the Initial Fiscal Year, is guaranteed to be provided under this Agreement, however, excluding the Initial Fiscal Year, any unilateral downward departure from the prior fiscal year appropriation of more than, or equal to, ten percentage points (10%) from the average of the three (3) previous appropriations, when available, would require a finding of fact by the Board and recitation of the reasoning for the downward departure.

B. Payment of Funds.

i. Funding shall be provided to the Circuit directly and also utilized for direct payment for the Circuit contracted vendor services by County on behalf of the Circuit as provided under Section 4.C., infra.

ii. In order for County to make payment to the Circuit's vendors directly, the Circuit shall provide the County's Office of Procurement Services with the following:

a. Copies of all vendor contracts to be utilized for services;

b. A W-9 for each vendor; and

c. Any other documentation reasonably requested by County to effectuate payment to the Circuit's vendors.

iii. Pursuant to Section 5, infra, the Circuit shall provide immediate notice to County of any material changes with vendor's contracts, information, or services

C. Invoices. Invoicing provided by the Circuit shall (a) identify the submitting party with contact information, and the billing date/period; (b) itemize goods and services; (c) identify the specific Approved Uses category under Schedule B applicable to each line item; (d) identify the corresponding line item from the Opioid Drug Court Budget, which is attached hereto and incorporated herein as **Composite Exhibit E**, (e) include any relevant supporting documentation (e.g., receipts, timesheets, service logs, proof of delivery/performance); (f) include a certification, signed by an authorized representative of the

submitting party, attesting that the invoice is true and correct, and that expenditures are limited to Approved Uses; and (g) include any additional documentation reasonably requested by County. Invoices shall be submitted in the form prescribed by the County.

i. The Circuit shall submit all invoices to:

Lake County Office of Management and Budget ("Budget Office")
Post Office Box 7800
Tavares, Florida 32778-7800

ii. Upon receipt of a timely, complete, and accurate invoice from the Circuit, the Budget Office shall review the request. Upon a determination that an invoice is compliant with this Agreement, the Budget Office shall provide the invoice to the Clerk Finance Office for payment.

iii. Any invoice that is untimely, incomplete, inaccurate, or not accompanied by the necessary supporting documents will be deemed insufficient and may result in a delay or denial of payment to the Vendor by the Budget Office, and possible termination of this Agreement. County shall not be held liable or responsible for direct payment of vendor invoices that are insufficient under this Agreement, delayed, or have accrued late fees. Invoices will be paid in accordance with the Florida Local Government Prompt Payment Act, Part VII, Chapter 218, Florida Statutes.

iv. Noncompliant Invoices. If any portion of an invoice is determined by County to be noncompliant with this Agreement, the County may: (a) reject the invoice in whole or in part; (b) approve the compliant portion and deny the noncompliant portion of the invoice; or (c) hold the invoice pending receipt of requested supplemental information.

D. Employee Position.

i. When the Circuit provides appropriate notice, County shall provide one (1) full-time equivalent staff person to serve as a Court Program Specialist I, hereinafter referred to as "CPS," who will work for the Circuit to coordinate and manage the Opioid Drug Court. As the CPS will be a County employee, the CPS will not be assigned duties unrelated to the Opioid Drug Court without pre-approval of the County. The Parties acknowledge and agree that assignment of unrelated duties to the CPS may not be paid for utilizing Opioid Funds and the amount budgeted and paid by County for the CPS shall be reduced proportionately. In the event of a vacancy, the services of temporary staffing may be engaged and reimbursed from the Opioid Funds allocated by the County for the vacant position. The individual in this position will be subject to all policies and procedures of the County. The tasks outlined for the CPS position are attached hereto and incorporated herein as **Composite Exhibit E**.

ii. The hourly rate for salaries and benefits for the CPS identified in Section D.i above shall be covered under the approved Fiscal Year funding as a pass through by the County.

Section. 4. The Circuit's Obligations.

A. The Circuit Coordination Duties. The Circuit, the State Attorney's Office, and the Public Defender's Office, hereinafter referred to as "Participating Offices;" acknowledge that the Program requires the cooperation and joint coordination of the Participating Offices; the Participating Offices shall cooperate

with each other to effectively provide the Opioid Drug Court funded under this Agreement. Further, Participating Offices shall coordinate submission of any reports, plans, budgets, and any other documentation to the County as required under this Agreement for the Opioid Drug Court that involves the Participating Offices. Nothing herein prevents a Participating Office from submitting office-specific reports or certifications directly to the County. Each Participating Office shall report independent of the other, but present before the Board simultaneously.

B. Annual Update. Each Fiscal Year, the Circuit, through the Budget Office, shall coordinate a presentation to the Board of an annual update on Opioid Drug Court activities and a proposed itemized Fiscal Year budget, for consideration no later than June 30th for the upcoming Fiscal Year. The Circuit and the Participating Offices shall coordinate the annual submission of the presentation and any associated documents to the Board.

C. Receipt of Funding. The Circuit shall submit invoices to the Budget Office as outlined in Section 3.C. above, to receive funding on an as needed basis as allowed for under the Board's approved Fiscal Year budget. Funding for FY 26 shall be delayed to coincide with the start of the Opioid Drug Court. A copy of the FY 26 Opioid Drug Court Budget is attached hereto and incorporated herein as **Composite Exhibit E**. The Circuit, in coordination with the Participating Offices, shall present and approve an annual Opioid Drug Court Budget each year as part of the annual presentation to the Board.

D. Use of Funds. The Circuit shall utilize the funds provided by the County for the purpose of maintaining and operating Opioid Drug Court services and programs as set forth under the Adjudicatory Drug Court Policy & Procedure Manual as described in **Exhibit F,** attached hereto. Subject to the necessary limitation of overall participants, these services shall be made available to any individual living within Lake County who otherwise qualifies. The Circuit acknowledges and guarantees that opioid settlement funds received by or through the County, must be used solely for the Approved Purposes and Opioid Abatement Strategies identified in the governing settlement documents and incorporated exhibits attached hereto as **Exhibit C**. The Circuit shall be solely responsible for programmatic and fiscal compliance of its expenditures made with Opioid Funds under this Agreement, including ensuring that expenditures are consistent with the Approved Purposes and Opioid Abatement Strategies under the Florida opioid settlement framework and the Opioid Settlement Agreement, attached to and incorporated herein. The Circuit is solely responsible for ensuring that it does not expend funds in excess of the amounts allotted to it.

E. Notice of Funding Needs. The Circuit shall advise the County in writing no later than January 1st each and every year if an increase in funding is needed for the upcoming Fiscal Year, together with supporting documentation and an updated budget outline with numbered line items to be referenced on each invoice submitted to County. Any request by the Circuit for a budget increase shall be brought by the Budget Office before the Board for approval through the County's annual budget process. Such request shall be brought before the Board no later than June 30th for the upcoming Fiscal Year as outlined in Section 4.B. above.

F. Annual Report. The Circuit shall provide a detailed annual report of the most recent Fiscal Year, including all relevant supporting documentation, describing the Circuit's Opioid Drug Court fiscal and service information, to the Budget Office no later than June 30th each year as outlined in Section 4.B. above.

The County reserves the right to withhold or deny payment, or terminate this Agreement, if such annual report or documentation: (1) is not timely submitted per the deadlines in this Agreement; (2) is incomplete, not accompanied by the requisite supporting documentation, or is otherwise deemed by the County to be unsatisfactory or insufficiently documented; (3) indicates expenditures that are not compliant with this Agreement; or (4) is inconsistent with the information provided by the Circuit in any progress reporting required under this Agreement.

G. Sufficient Financial Resources. The Circuit accepts that payment will be made by annual funding and agrees to maintain sufficient financial resources to meet any expenses incurred throughout the Fiscal Year.

H. Confidentiality of Participant Records. The Circuit shall comply with state and federal laws regarding confidentiality of records related to participants in treatment-based drug court programs, including, but not limited to applicable provisions under HIPAA, Chapter 397, Florida Statutes; and 42 CFR part 2.

Section 5. Notices.

A. Wherever provision is made in this Agreement for the giving, service, or delivery of any notice, statement or other instrument, such notice must be in writing and will be deemed to have been duly given, served, and delivered, if delivered by hand or mailed by United States registered or certified mail, addressed as follows:

COUNTY

Lake County, Florida
Attn: County Manager
P.O. Box 7800
Tavares, Florida 32778

With a copy to:
County Attorney's Office
Post Office Box 7800
Tavares, Florida 32778

THE FIFTH JUDICIAL CIRCUIT

Trial Court Administrator
550 West Main Street
Tavares, Florida 32778

B. All Notices required, or which may be given hereunder, shall be considered properly given if (1) personally delivered, (2) sent by certified United States Mail, return receipt requested, (3) sent by Federal Express or another equivalent mail service provider.

C. The effective date of such notices shall be the date personally delivered, or if sent by certified mail, the date the notice was signed for, or if sent by a mail service provider, the date the notice was delivered by said provider.

D. Each Party may change its mailing address by giving to the other Party, by hand delivery, United States registered or certified mail, notice of election to change such address.

Section 6. Disputes, Default, and Termination.

A. Dispute Resolution. The Circuit and the County shall work together in good faith to effectuate this Agreement and resolve any disputes about their contractual relationship under this Agreement.

i. Claims by the Circuit must be made in writing in accordance with Section 5. above to the County within thirty (30) calendar days from the date the Circuit discovers the event leading to the claim, unless another provision of this Agreement sets forth a different time frame after the commencement of the event giving rise to such claim, otherwise the Circuit will be deemed to have waived the claim.

ii. The Circuit shall proceed diligently with its performance under this Agreement, regardless of any pending claim, action, suit, or administrative proceeding, unless otherwise agreed to by the County in writing.

iii. Claims by the Circuit will be resolved in the following manner: (1) Upon receiving the claim and supporting data, County will, within thirty (30) calendar days, respond to the claim in writing stating that the claim is either approved or denied. If denied, the County will specify the grounds for denial. The Circuit will then have fifteen (15) calendar days in which to provide additional supporting documentation, or to notify the County in writing that the original claim stands as is. (2) If the claim is not resolved, the County may, at its option, choose to submit the matter to mediation. A mediator will be mutually selected by the Parties in writing and each Party will pay one-half (1/2) the expense of mediation. If the County declines to mediate the dispute, the Circuit may bring an action in a court of competent jurisdiction in and for Lake County, Florida.

iv. Claims by the County against the Circuit must be made in writing with supporting data to the Circuit within thirty (30) calendar days from the date the County discovers the event leading to the claim. The Circuit shall respond in writing in accordance with Section 5. above within fifteen (15) calendar days of receipt of the claim. If the claim cannot be resolved, the County may submit the matter to mediation as set forth in (iii) above or otherwise bring an action in a court of competent jurisdiction in and for Lake County, Florida.

v. Arbitration will not be considered as a means of dispute resolution.

B. Termination for Convenience. This Agreement may be terminated without cause by either Party with thirty (30) days written notice of intent to terminate. Such written notice must be sent as provided in Section 5. above.

C. Should the Agreement be terminated during the Term of this Agreement for any reason, the Circuit shall provide the County with an accounting of all expenditures made utilizing the funds paid to the Circuit under this Agreement and shall submit all required reports and any other such documentation requested by the County.

D. Termination for Cause. A Non-breaching Party may also suspend or terminate this Agreement, in whole or in part, if the other Party breaches or materially fails to comply with any term of this Agreement, or with any of the rules, regulations or provisions referred to herein.

E. Default. A default shall consist of any use of funds for a purpose other than as authorized by this Agreement, noncompliance with any provision herein, any material breach of the Agreement, failure to comply with the audit requirements as provided herein, or failure to expend funds in a timely or proper manner. Upon the occurrence of any such default the Non-defaulting Party shall serve due notice to the Defaulting Party, at which time Defaulting Party shall have a reasonable opportunity to respond and cure. For purposes of this Agreement, a reasonable opportunity to respond and cure any default shall be ten (10) days (in the case of monetary defaults) or thirty (30) days (in the case of non-monetary defaults) from the date the Non-Defaulting Party delivers by personal service or mails written notice of such default to the Defaulting Party, hereinafter referred to as the "Cure Period." If the default is not cured to the satisfaction of the Non-Defaulting Party, the Non-Defaulting Party shall have the right, in its sole discretion, to take the following action(s):

i. Upon a written request from the Defaulting Party setting forth a reasonable basis to support the need for an additional Cure Period, the Non-Defaulting Party may in its sole discretion grant an additional Cure Period by written acknowledgment thereof; or

ii. Terminate this Agreement by written notice thereof; or

iii. Take such other action, including, but not limited to, requiring additional conditions under this Agreement; temporarily withholding cash payments pending correction of the deficiency by the Defaulting Party; disallow all or part of the cost of the activity or action not in compliance; wholly or partly suspend or terminate the current Agreement; or take other remedies that may be legally available.

iv. If the County terminates this Agreement for cause, the Circuit shall promptly return all unused funding provided to the Circuit under this Agreement by County within fourteen (14) days of the date of termination by County.

F. Costs Not Allowed After Default. Costs resulting from obligations incurred by the Circuit during a suspension or after termination of the Agreement are not allowable unless the County expressly authorizes them in the notice of suspension or termination or provides subsequent authorization in writing which shall not be withheld without good cause. Other Circuit costs during suspension or after termination, which are necessary and not reasonably avoidable, are allowed if:

i. The costs result from obligations which were properly incurred by the Circuit before the effective date of suspension or termination, and are not in anticipation of it, and, in the case of a termination, are noncancelable; and

ii. The costs would be allowed if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

G. No Limitation. Nothing contained herein shall be construed as a limitation on such other rights and remedies available to the Parties under law or in equity which may now or in the future be applicable.

Section 7. Recordkeeping and Audit Requirements.

A. Recordkeeping.

i. The Circuit shall maintain all records and accounts necessary to assure a proper accounting and monitoring of all funds provided pursuant to this Agreement, including, but not limited to, property, personnel and financial records, contractual agreements, subcontracts, proof of insurance, project administration records, records supporting exceptions to the conflict-of-interest prohibition, and any other records as are deemed necessary by the County to assure a proper accounting and monitoring of all funds provided pursuant to this Agreement.

ii. In the event the County determines in its sole discretion that such records are not being adequately maintained by the Circuit, the County may terminate this Agreement in accordance with the terms herein.

iii. With respect to all matters covered by this Agreement, records will be made available for examination, audit, inspection or copying purposes at any time during normal business hours and as often as the County may require. The Circuit will permit same to be examined and excerpts or transcriptions made or duplicated from such records, and audits made of all contracts, invoices, materials, records of personnel and of employment and other data relating to all matters covered by this Agreement. The County shall provide notice of its intent to inspect records to the Circuit at least three (3) business days in advance.

iv. Pursuant to the National Opioid Settlement, attached hereto as Exhibit C, the Parties acknowledge that statewide reporting timelines contemplate intended expenditures prior to July 1st each year to the Department of Children and Families (DCF) and require an expenditure report to be provided to DCF no later than August 31st each year, outlining expenditure reporting after fiscal year-end, and annual oversight, and agree to cooperate in providing information required to meet applicable State reporting and expectations. The County's Office of Management and Budget shall be responsible for coordinating and handling the mandatory reporting on behalf of the County and Participating Offices.

v. This Section shall survive the expiration or earlier termination of this Agreement.

B. Public Records. The County is a public entity and subject to Chapter 119, Florida Statutes. The Circuit is not a public agency as contemplated by Chapter 119, rather it is a subdivision of the Judicial Branch, a co-equal branch of government created by the Florida Constitution, and therefore subject to 2.420, Florida Rules of General Practice and Judicial Administration. Each Party acknowledges it is familiar with the rights and obligations arising from Chapter 119, Florida Statutes, and 2.420, Florida Rules of General Practice and Judicial Administration. Each Party acknowledges the Circuit is not a contractor as defined in 119.0701(1)(a), Florida Statutes. To the extent that Section 119.0701, Florida Statutes, applies to the Circuit, it shall comply with the Florida Public Records' laws, and shall:

i. Keep and maintain public records required by the County to make the payments associated with the Opioid Drug Court identified in this Agreement.

ii. Upon request from the County's custodian of public records, provide County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for by law.

iii. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of

this Agreement and following completion of this Agreement if the Circuit does not transfer the records to the County.

iv. Upon completion of this Agreement, if not already done, transfer, at no cost, to the County all public records in possession of the Circuit or keep and maintain public records required by the County to perform the services, as provided by Florida Law. If the Circuit transfers all public records to the County upon completion of this Agreement, the Circuit shall destroy any duplicate public records that are exempt, or confidential and exempt, from public records disclosure requirements, as provided by Florida Law. If the Circuit keeps and maintains public records upon completion of this Agreement, the Circuit shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of public records, in a format that is compatible with the information technology systems of the County.

IF THE CIRCUIT HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO COURT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS, AT LAKE COUNTY AT 352-343-9452, P.O. BOX 7800, TAVARES, FL 32778-7800, OR VIA EMAIL AT BUDGET@LAKECOUNTYFL.GOV.

v. Failure to comply with this subsection will be deemed a breach of this Agreement.

vi. Requests to inspect or copy public records relating to this Agreement held by the County must be made directly to the County. If the Circuit receives any such request, the Circuit shall inform the requestor to contact the County as the holder of the record. If the County does not possess the records requested, the County shall immediately notify the Circuit of such request, and the Circuit agrees to provide the records to the County or otherwise allow the records to be inspected or copied within a reasonable time, as provided for by Florida Law.

vii. The Circuit further agrees not to release any records that are statutorily confidential or otherwise exempt from disclosure as provided for in 2.420, Florida Rules of General Practice and Judicial Administration.

C. Right to Audit. The County reserves the right to require the Circuit to submit to an audit by any auditor of the County's choosing. The Circuit shall provide access to all non-exempt or confidential of its records, which relate directly to payments made or requested under this Agreement at its place of business during regular business hours. The Circuit shall retain all records pertaining to this Agreement and upon request make them available as provided by Florida Law to the County for five (5) years following expiration of the Agreement, or for such time as set forth in the JUDICIAL BRANCH RECORDS RETENTION SCHEDULE FOR ADMINISTRATIVE RECORDS appended to the Florida Rules of General Practice and Judicial Administration, whichever is longer. The Circuit agrees to provide such assistance as may be necessary to facilitate the review or audit by the County to ensure compliance with applicable accounting and financial standards.

i. If The Circuit provides technology services, The Circuit must provide Statement of Standards for Attestations Engagements (SSAE) 16 or 18 and System and Service Organization Control (SOC) reports upon request by the County. The SOC reports must be full Type II reports that include the Circuit's description of control processes, and the independent auditor's evaluation of the design and operating effectiveness of controls. The cost of the reports will be paid by The Circuit.

ii. If an audit inspection or examination pursuant to this section discloses overpricing or overcharges of any nature by the Circuit to the County in excess of one percent (1%) of the total contract billings, in addition to making adjustments for the overcharges, the reasonable actual cost of the County's audit must be reimbursed to the County by the Circuit. Any adjustments or payments which must be made as a result of any such audit or inspection of the Circuit invoices or records must be made within a reasonable amount of time, but in no event may the time exceed ninety (90) calendar days, from presentation of the County's audit findings to the Circuit.

iii. This provision is hereby considered to be included within, and applicable to, any subcontractor contract entered into by the Circuit in performance of any work under this Agreement.

Section 8. General Provisions.

A. Independent Agent. The Circuit shall perform this Agreement as an independent agent and nothing contained herein shall in any way be construed to constitute the Circuit or any assistant, representative, agent, employee, independent contractor, partner, affiliate, holding company, subsidiary, or subagent of the Circuit to be a representative, agent, subagent, or employee of the County.

i. The Circuit certifies its understanding that the County is not required to withhold any federal income tax, social security tax, state, and local tax, to secure worker's compensation insurance or employer's liability insurance of any kind, or to take any other action with respect to this insurance or taxes of the Circuit and assistant(s) of Court.

ii. In no event shall any provision of this Agreement make the County liable to any person or entity that contracts with or provides goods or services to The Circuit in connection with the services the Circuit has agreed to perform hereunder or otherwise, or for any debts or claims of any nature accruing to any person or entity against the Circuit. There is no contractual relationship, either express or implied, between the County and any person or entity supplying any work, labor, services, goods or materials to the Circuit as a result of the provisions of the services provided by the Circuit hereunder or otherwise.

B. Recapture of Funds. Subject to the conditions set forth in this Agreement, it is the intent of the Parties that the County shall recapture any funds provided under this Agreement if the Circuit is considered in default under any of the provisions in this Agreement, following the expiration of the reasonable opportunity to respond and cure any default. Further, the Circuit is liable for recapture of funds if any representation made in the reimbursement requests, reporting, or supporting documentation is at any time false or misleading in any respect, or if the Circuit is found in non-compliance with laws, rules or regulations governing the use of the Funds provided pursuant to this Agreement. The provisions of this Section shall survive the termination of this Agreement.

i. Any funds that are not expended as authorized under this Agreement must be refunded to the County within fourteen (14) days of receipt of written notice provided by the County.

ii. Any funds that are not expended within the anticipated timeframe under this Agreement are subject to recapture. If requested, a refund to the County must be made within fourteen (14) days of receipt of written notice for a refund provided by the County.

iii. The County's determination that an expenditure is eligible does not relieve the Circuit of its duty to repay the County in full for any expenditures that are later conclusively determined by the County to be ineligible expenditures or the discovery of a duplication of benefits.

iv. If requested by the County, all refunds, return of improper payments, or repayments due to the County under this Agreement are to be made payable to Lake County and mailed directly to the County pursuant **Section 5 Notice** and this Agreement.

v. The Circuit has the sole responsibility for identifying and recovering grant funds that were expended in error, disallowed, or unused. The Circuit will also immediately report all suspected fraud to the County.

C. Reversion of Assets. Within fourteen (14) days following the expiration or termination of this Agreement, The Circuit shall transfer to the County any funds on hand at the time of expiration or termination of this Agreement if the funds have not been expended on eligible costs.

D. Indemnification. Pursuant to Section 768.28, Florida Statutes, neither the County nor the Circuit waive sovereign immunity nor do the Parties agree to indemnify each other for the other Party's negligence.

E. Insurance. The Parties shall provide continuous adequate liability insurance coverage during the existence of this Agreement and any renewal(s) and extension(s). The Circuit accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the Circuit and the participants to be served under the Opioid Drug Court.

F. Sovereign Immunity. County and the Circuit expressly retain all rights, benefits, and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Nothing will be deemed as a waiver of immunity or the limitations of liability of County and the Circuit beyond any statutory limited waiver of immunity or limits of liability. Nothing will inure to the benefit of any third party for the purpose of allowing any claim against County or the Circuit, which would otherwise be barred under the law.

G. Background Checks. Parties agree to comply with state and federal laws regarding background checks as applicable to the services related to this Agreement.

H. Disclaimer of Third-Party Beneficiaries. This Agreement is solely for the benefit of the Parties and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any third party not a formal named Party hereto. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon or give any person or corporation other than the Parties any right, remedy, or claim under or by reason of this Agreement or any provisions or conditions hereto, and all of

the provisions, representations, covenants, and conditions herein contained shall inure to the sole benefit of and shall be binding upon the Parties and their respective representatives, successors, and assigns.

I. Construction. This Agreement was mutually negotiated by the Parties who have executed the same and each Party acknowledges that they had ample opportunity to seek and consult with independent legal counsel prior to executing this Agreement, and that they represent and warrant that they have sought such independent legal advice and counsel or have knowingly and voluntarily waived such right. Consequently, it is the intent of the Parties that no provision shall be more harshly construed against either Party as the drafter hereof.

J. Further Assurances. The Circuit agrees to execute and deliver all such further additional documents, instruments, conveyances, and assurances and take such further actions as may be reasonably required to carry out the provisions of this Agreement.

K. Severability. Any term, condition, covenant, or obligation which requires performance by either Party after termination of this Agreement shall remain enforceable against such Party after such termination. In the event any section, sentence, clause, or provision of this Agreement is held to be invalid, illegal, or unenforceable by a court having jurisdiction over the matter, the remainder of the Agreement shall not be affected by such determination and shall remain in full force and effect.

L. Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the Parties hereto and their respective successors and assigns.

M. Assignment. The Circuit shall not assign this Agreement or any part hereof without the prior written consent of the County and without amending or terminating this Agreement, as necessary.

N. Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original, but all taken together shall constitute one and the same instrument.

O. Governing Law and Waiver of Jury Trial. Each Party covenants and agrees that any and all legal actions arising out of or connected with this Agreement shall be instituted in the Circuit Court of the Fifth Judicial Circuit, in and for Lake County, Florida as the exclusive forum and venue for any such action and each Party further covenants and agrees that it will not institute any action in any other forum or venue and hereby consents to immediate dismissal or transfer of any such action instituted in any other forum or venue. This Agreement is entered into within, and with reference to the laws of, the State of Florida, and shall be governed, construed, and applied in accordance with those laws (excluding conflicts of law) of the State of Florida. BOTH PARTIES WAIVE ANY RIGHT THEY MAY HAVE TO A JURY TRIAL IN ANY CIVIL LITIGATION MATTER ARISING FROM THIS AGREEMENT.

P. Authorization. Each Party represents to the other that such Party has authority under all applicable laws to enter into an agreement containing such covenants and provisions, that all the procedural requirements imposed by law upon each Party for the approval and authorization of this Agreement have been properly completed, and that the persons who have executed this Agreement are duly authorized and empowered to do so.

Q. Capitalizations. Capitalized terms contained herein shall have the definition assigned. Capitalized terms contained herein that do not have the definition assigned shall have the meaning assigned in the applicable federal statute or regulation. All descriptive headings of paragraphs in this Agreement are inserted for convenience only and shall not affect the construction or interpretation hereof.

R. Estoppel/Waiver. A waiver of any performance or default by either Party shall not be construed to be a continuing waiver of other defaults or non-performance of the same provision or operate as a waiver of any subsequent default or non-performance of any of the terms, covenants, and conditions of this Agreement. The payment or acceptance of fees for any period after a default shall not be deemed a waiver of any right or acceptance of defective performance. No delay or omission by County in exercising any right or remedy available to it under the Agreement shall impair any such right or remedy or constitute a waiver or acquiescence in any the Circuit default.

S. Civil Rights Act. During the term of this Agreement the Circuit assures the County that it is in compliance with Title VII of the 1964 Civil Rights Act, as amended, and the Florida Civil Rights Act of 1992, in that the Circuit does not discriminate on the grounds of race, color, national origin, religion, sex, age, disability or marital status, in any form or manner. The Circuit understands and agrees that this Agreement is conditioned upon the veracity of this statement of assurance.

T. ADA Requirements. The Circuit shall ensure that all deliverables, including without limitation websites, web applications, mobile applications, software, electronic documents, multimedia content, digital platforms, and any related user interfaces or content made available to end users by The Circuit for use by County under this Agreement, are Accessible and comply with all aspects of both the Americans with Disabilities Act (ADA) and WCAG (Web Content Accessibility Guidelines) 2.1 Level AA, as amended. This includes, but is not limited to, providing alternative text for images, ensuring that all interactive elements are navigable via keyboard, and providing captions for all video content. The Circuit shall promptly remediate any nonconformance discovered or reported, at no additional cost to County. This duty to remediate at The Circuit's cost shall survive the termination of this Agreement. Failure to comply with the ADA, WCAG, and these requirements may result in the termination of this Agreement and The Circuit being held liable for any damages or costs incurred by County as a result of non-compliance, including reasonable attorney's fees whether suit be brought or not.

Section 9. **Entire Agreement.** This document embodies the entire agreement between the Parties, and the Parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement. No modification, amendment or alternation of the terms or conditions contained in this Agreement will be effective unless contained in a written document executed with the same formality and of equal dignity with this Agreement. This Agreement contains the following exhibits, all of which are incorporated in this Agreement:

Exhibit A ..... Florida Plan (59 pgs.)

Exhibit B ..... Resolution No. 2021-100 (2 pgs.)

Exhibit C ..... Florida Opioid Allocation and Statewide Response Agreement (49 pgs.)

Exhibit D ..... Opioid Task Force - Lake County Opioid Abatement Plan (2 pgs.)

Exhibit E (Composite) ..... FY 26 Opioid Drug Court Budget and Scope (3 pgs.)

Exhibit F ..... Administrative Order L-2025-33 (4 pgs.)

IN WITNESS THEREOF, the Parties have signed this Agreement on the respective dates under each signature: Lake County, through its Board of County Commissioners, signing by and through its Chairman, and by The Trial Court Administrator for the Fifth Judicial Circuit, signing by its duly authorized representative.

Melanie Marsh, County Attorney

EXHIBIT A

PROPOSAL
MEMORANDUM OF UNDERSTANDING

Whereas, the people of the State of Florida and its communities have been harmed by misfeasance, nonfeasance and malfeasance committed by certain entities within the Pharmaceutical Supply Chain;

Whereas, the State of Florida, through its Attorney General, and certain Local Governments, through their elected representatives and counsel, are separately engaged in litigation seeking to hold Pharmaceutical Supply Chain Participants accountable for the damage caused by their misfeasance, nonfeasance and malfeasance;

Whereas, the State of Florida and its Local Governments share a common desire to abate and alleviate the impacts of that misfeasance, nonfeasance and malfeasance throughout the State of Florida;

Whereas, it is the intent of the State of Florida and its Local Governments to use the proceeds from Settlements with Pharmaceutical Supply Chain Participants to increase the amount of funding presently spent on opioid and substance abuse education, treatment and other related programs and services, such as those identified in Exhibits A and B, and to ensure that the funds are expended in compliance with evolving evidence-based "best practices";

Whereas, the State of Florida and its Local Governments, subject to the completion of formal documents that will effectuate the Parties' agreements, enter into this Memorandum of Understanding ("MOU") relating to the allocation and use of the proceeds of Settlements described herein; and

Whereas, this MOU is a preliminary non-binding agreement between the Parties, is not legally enforceable, and only provides a basis to draft formal documents which will effectuate the Parties' agreements.

A. Definitions

As used in this MOU:

1. "Approved Purpose(s)" shall mean forward-looking strategies, programming and services used to expand the availability of treatment for individuals impacted by substance use disorders, to: (a) develop, promote, and provide evidence-based substance use prevention strategies; (b) provide substance use avoidance and awareness education; (c) decrease the oversupply of licit and illicit opioids; and (d) support recovery from addiction. Approved Purposes shall include, but are not limited to, the opioid abatement strategies listed on Exhibits A and B which are incorporated herein by reference.

2. "Local Governments" shall mean all counties, cities, towns and villages located within the geographic boundaries of the State.

3. "Managing Entities" shall mean the corporations selected by and under contract with the Florida Department of Children and Families or its successor ("DCF") to manage the

daily operational delivery of behavioral health services through a coordinated system of care. The singular "Managing Entity" shall refer to a singular of the Managing Entities.

4. "County" shall mean a political subdivision of the state established pursuant to s. 1, Art. VIII of the State Constitution.

5. "Municipalities" shall mean cities, towns, or villages of a County within the State with a Population greater than 10,000 individuals and shall also include cities, towns or villages within the State with a Population equal to or less than 10,000 individuals which filed a Complaint in this litigation against Pharmaceutical Supply Chain Participants. The singular "Municipality" shall refer to a singular of the Municipalities.

6. "Negotiating Committee" shall mean a three-member group comprised by representatives of the following: (1) the State; and (2) two representatives of Local Governments of which one representative will be from a Municipality and one shall be from a County (collectively, "Members") within the State. The State shall be represented by the Attorney General or her designee.

7. "Negotiation Class Metrics" shall mean those county and city settlement allocations which come from the official website of the Negotiation Class of counties and cities certified on September 11, 2019 by the U.S. District for the Northern District of Ohio in *In re National Prescription Opiate Litigation*, MDL No. 2804 (N.D. Ohio). The website is located at https://allocationmap.iclaimsonline.com.

8. "Opioid Funds" shall mean monetary amounts obtained through a Settlement as defined in this MOU.

9. "Opioid Related" shall have the same meaning and breadth as in the agreed Opioid Abatement Strategies attached hereto as Exhibits A or B.

10. "Parties" shall mean the State and Local Governments. The singular word "Party" shall mean either the State or Local Governments.

11. "PEC" shall mean the Plaintiffs' Executive Committee of the National Prescription Opiate Multidistrict Litigation pending in the United States District Court for the Northern District of Ohio.

12. "Pharmaceutical Supply Chain" shall mean the process and channels through which Controlled Substances are manufactured, marketed, promoted, distributed or dispensed.

13. "Pharmaceutical Supply Chain Participant" shall mean any entity that engages in, or has engaged in the manufacture, marketing, promotion, distribution or dispensing of an opioid analgesic.

14. "Population" shall refer to published U.S. Census Bureau population estimates as of July 1, 2019, released March 2020, and shall remain unchanged during the term of this MOU. These estimates can currently be found at https://www.census.gov

15. "Qualified County" shall mean a charter or non-chartered county within the State that: has a Population of at least 300,000 individuals and (a) has an opioid taskforce of which it is a member or operates in connection with its municipalities or others on a local or regional basis; (b) has an abatement plan that has been either adopted or is being utilized to respond to the opioid epidemic; (c) is currently either providing or is contracting with others to provide substance abuse prevention, recovery, and treatment services to its citizens; and (d) has or enters into an agreement with a majority of Municipalities (Majority is more than 50% of the Municipalities' total population) related to the expenditure of Opioid Funds. The Opioid Funds to be paid to a Qualified County will only include Opioid Funds for Municipalities whose claims are released by the Municipality or Opioid Funds for Municipalities whose claims are otherwise barred.

16. "SAMHSA" shall mean the U.S. Department of Health & Human Services, Substance Abuse and Mental Health Services Administration.

17. "Settlement" shall mean the negotiated resolution of legal or equitable claims against a Pharmaceutical Supply Chain Participant when that resolution has been jointly entered into by the State and Local Governments or a settlement class as described in (B)(1) below.

18. "State" shall mean the State of Florida.

B. Terms

1. **Only Abatement -** Other than funds used for the Administrative Costs and Expense Fund as hereinafter described in paragraph 6 and paragraph 9, respectively), all Opioid Funds shall be utilized for Approved Purposes. To accomplish this purpose, the State will either file a new action with Local Governments as Parties or add Local Governments to its existing action, sever settling defendants, and seek entry of a consent order or other order binding both the State, Local Governments, and Pharmaceutical Supply Chain Participant(s) ("Order"). The Order may be part of a class action settlement or similar device. The Order shall provide for continuing jurisdiction of a state court to address non-performance by any party under the Order. Any Local Government that objects to or refuses to be included under the Order or entry of documents necessary to effectuate a Settlement shall not be entitled to any Opioid Funds and its portion of Opioid Funds shall be distributed to, and for the benefit of, the other Local Governments.

2. **Avoid Claw Back and Recoupment -** Both the State and Local Governments wish to maximize any Settlement and Opioid Funds. In addition to committing to only using funds for the Expense Funds, Administrative Costs and Approved Purposes, both Parties will agree to utilize a percentage of funds for the core strategies highlighted in Exhibit A. Exhibit A contains the programs and strategies prioritized by the U.S. Department of Justice and/or the U.S. Department of Health & Human Services ("Core Strategies"). The State is trying to obtain the United States' agreement to limit or reduce the United States' ability to recover or recoup monies from the State and Local Government in exchange for prioritization of funds to certain projects. If no agreement is reached with the United States, then there will be no requirement that a percentage be utilized for Core Strategies.

3. **Distribution Scheme** - All Opioid Funds will initially go to the State, and then be distributed according to the following distribution scheme. The Opioid Funds will be divided into three funds after deducting costs of the Expense Fund detailed in paragraph 9 below:

(a) City/County Fund- The city/county fund will receive 15% of all Opioid Funds to directly benefit all Counties and Municipalities. The amounts to be distributed to each County and Municipality shall be determined by the Negotiation Class Metrics or other metrics agreed upon, in writing, by a County and a Municipality. For Local Governments that are not within the definition of County or Municipality, those Local Governments may receive that government's share of the City/County Fund under the Negotiation Class Metrics, if that government executes a release as part of a Settlement. Any Local Government that is not within the definition of County or Municipality and that does not execute a release as part of a Settlement shall have its share of the City/County Fund go to the County in which it is located.

(b) Regional Fund- The regional fund will be subdivided into two parts.

(i) The State will annually calculate the share of each County within the State of the regional fund utilizing the sliding scale in section 4 of the allocation contained in the Negotiation Class Metrics or other metrics that the Parties agree upon.

(ii) For Qualified Counties, the Qualified County's share will be paid to the Qualified County and expended on Approved Purposes, including the Core Strategies identified in Exhibit A, if applicable.

(iii) For all other Counties, the regional share for each County will be paid to the Managing Entities providing service for that County. The Managing Entities will be required to expend the monies on Approved Purposes, including the Core Strategies. The Managing Entities shall endeavor to the greatest extent possible to expend these monies on counties within the State that are non-Qualified Counties and to ensure that there are services in every County.

(c) State Fund - The remainder of Opioid Funds after deducting the costs of the Expense Fund detailed in paragraph 9, the City/County Fund and the Regional Fund will be expended by the State on Approved Purposes, including the provisions related to Core Strategies, if applicable.

(d) To the extent that Opioid Funds are not appropriated and expended in a year by the State, the State shall identify the investments where settlement funds will be deposited. Any gains, profits, or interest accrued from the deposit of the Opioid Funds to the extent that any funds are not appropriated and expended within a calendar year, shall be the sole property of the Party that was entitled to the initial deposit.

4. Regional Fund Sliding Scale- The Regional Fund shall be calculated by utilizing the following sliding scale of the Opioid Funds available in any year:

A. Years 1-6: 40%

B. Years 7-9: 35%

C. Years 10-12: 34%

D. Years 13-15: 33%

E. Years 16-18: 30%

5. Opioid Abatement Taskforce or Council - The State will create an Opioid Abatement Taskforce or Council (sometimes hereinafter "Taskforce" or "Council") to advise the Governor, the Legislature, Florida's Department of Children and Families ("DCF"), and Local Governments on the priorities that should be addressed as part of the opioid epidemic and to review how monies have been spent and the results that have been achieved with Opioid Funds.

(a) Size - The Taskforce or Council shall have ten Members equally balanced between the State and the Local Governments.

(b) Appointments Local Governments - Two Municipality representatives will be appointed by or through Florida League of Cities. Two county representatives, one from a Qualified County and one from a county within the State that is not a Qualified County, will be appointed by or through the Florida Association of Counties. The final representative will alternate every two years between being a county representative (appointed by or through Florida Association of Counties) or a Municipality representative (appointed by or through the Florida League of Cities). One Municipality representative must be from a city of less than 50,000 people. One county representative must be from a county less than 200,000 people and the other county representative must be from a county whose population exceeds 200,000 people.

(c) Appointments State -

(i) The Governor shall appoint two Members.

(ii) The Speaker of the House shall appoint one Member.

(iii) The Senate President shall appoint one Member.

(iv) The Attorney General or her designee shall be a Member.

(d) Chair - The Attorney General or designee shall be the chair of the Taskforce or Council.

(e) Term - Members will be appointed to serve a two-year term.

(f) Support - DCF shall support the Taskforce or Council and the Taskforce or Council shall be administratively housed in DCF.

(g) Meetings - The Taskforce or Council shall meet quarterly in person or virtually using communications media technology as defined in section 120.54(5)(b)(2), Florida Statutes.

(h) Reporting - The Taskforce or Council shall provide and publish a report annually no later than November 30th or the first business day after November 30th, if November 30th falls on a weekend or is otherwise not a business day. The report shall contain information on how monies were spent the previous fiscal year by the State, each of the Qualified Counties, each of the Managing Entities, and each of the Local Governments. It shall also contain recommendations to the Governor, the Legislature, and Local Governments for priorities among the Approved Purposes for how monies should be spent the coming fiscal year to respond to the opioid epidemic.

(i) Accountability - Prior to July 1st of each year, the State and each of the Local Governments shall provide information to DCF about how they intend to expend Opioid Funds in the upcoming fiscal year. The State and each of the Local Government shall report its expenditures to DCF no later than August 31st for the previous fiscal year. The Taskforce or Council will set other data sets that need to be reported to DCF to demonstrate the effectiveness of Approved Purposes. All programs and expenditures shall be audited annually in a similar fashion to SAMHSA programs. Local Governments shall respond and provide documents to any reasonable requests from the State for data or information about programs receiving Opioid Funds.

(j) Conflict of Interest - All Members shall adhere to the rules, regulations and laws of Florida including, but not limited to, Florida Statute §112.311, concerning the disclosure of conflicts of interest and recusal from discussions or votes on conflicted matters.

6. **Administrative Costs**- The State may take no more than a 5% administrative fee from the State Fund ("Administrative Costs") and any Regional Fund that it administers for counties that are not Qualified Counties. Each Qualified County may take no more than a 5% administrative fee from its share of the Regional Funds.

7. **Negotiation of Non-Multistate Settlements** - If the State begins negotiations with a Pharmaceutical Supply Chain Participant that is separate and apart from a multi-state negotiation, the State shall include Local Governments that are a part of the Negotiating Committee in such negotiations. No Settlement shall be recommended or accepted without the affirmative votes of both the State and Local Government representatives of the Negotiating Committee.

8. **Negotiation of Multistate or Local Government Settlements** - To the extent practicable and allowed by other parties to a negotiation, both Parties agree to communicate with

members of the Negotiation Committee regarding the terms of any other Pharmaceutical Supply Chain Participant Settlement.

9. **Expense Fund** - The Parties agree that in any negotiation every effort shall be made to cause Pharmaceutical Supply Chain Participants to pay costs of litigation, including attorneys' fees, in addition to any agreed to Opioid Funds in the Settlement. To the extent that a fund sufficient to pay the entirety of all contingency fee contracts for Local Governments in the State of Florida is not created as part of a Settlement by a Pharmaceutical Supply Chain Participant, the Parties agree that an additional expense fund for attorneys who represent Local Governments (herein "Expense Fund") shall be created out of the City/County fund for the purpose of paying the hard costs of a litigating Local Government and then paying attorneys' fees.

(a) The Source of Funds for the Expense Fund- Money for the Expense Fund shall be sourced exclusively from the City/County Fund.

(b) The Amount of the Expense Fund- The State recognizes the value litigating Local Governments bring to the State of Florida in connection with the Settlement because their participation increases the amount Incentive Payments due from each Pharmaceutical Supply Chain Participant. In recognition of that value, the amount of funds that shall be deposited into the Expense fund shall be contingent upon on the percentage of litigating Local Government participation in the Settlement, according to the following table:

Litigating Local Government Participation in the Settlement (by percentage of the population)	Amount that shall be paid into the Expense Fund from (and as a percentage of) the City/County fund
96 to 100%	10%
91 to 95%	7.5%
86 to 90%	5%
85%	2.5%
Less than 85%	0%

If fewer than 85% percent of the litigating Local Governments (by population) participate, then the Expense Fund shall not be funded, and this Section of the MOU shall be null and void.

(c) The Timing of Payments into the Expense Fund- Although the amount of the Expense Fund shall be calculated based on the entirety of payments due to the City/County fund over a ten to eighteen year period, the Expense Fund shall be funded entirely from payments made by Pharmaceutical Supply Chain Participants during the first two years of the Settlement. Accordingly, to offset the amounts being paid from the City/County to the Expense Fund in the first two years, Counties or Municipalities may borrow from the Regional Fund during the first two years and pay the borrowed amounts back to the Regional Fund during years three, four, and five.

For the avoidance of doubt, the following provides an illustrative example regarding the calculation of payments and amounts that may be borrowed under the terms of this MOU, consistent with the provisions of this Section:

Opioid Funds due to State of Florida and Local Governments (over 10 to 18 years):	$1,000
Litigating Local Government Participation:	100%
City/County Fund (over 10 to 18 years):	$150
Expense Fund (paid over 2 years):	$15
Amount Paid to Expense Fund in 1st year:	$7.5
Amount Paid to Expense Fund in 2nd year	$7.5
Amount that may be borrowed from Regional Fund in 1st year:	$7.5
Amount that may be borrowed from Regional Fund in 2nd year:	$7.5
Amount that must be paid back to Regional Fund in 3rd year:	$5
Amount that must be paid back to Regional Fund in 4th year:	$5
Amount that must be paid back to Regional Fund in 5th year:	$5

(d) Creation of and Jurisdiction over the Expense Fund- The Expense Fund shall be established, consistent with the provisions of this Section of the MOU, by order of the Circuit Court of the Sixth Judicial Circuit in and for Pasco County, West Pasco Division New Port Richey, Florida, in the matter of *The State of Florida, Office of the Attorney General, Department of Legal Affairs v. Purdue Pharma L.P., et al.*, Case No. 2018-CA-001438 (the "Court"). The Court shall have jurisdiction over the Expense Fund, including authority to allocate and disburse amounts from the Expense Fund and to resolve any disputes concerning the Expense Fund.

(e) Allocation of Payments to Counsel from the Expense Fund- As part of the order establishing the Expense Fund, counsel for the litigating Local Governments shall seek to have the Court appoint a third-neutral to serve as a special master for purposes of allocating the Expense Fund. Within 30 days of entry of the order appointing a special master for the Expense Fund, any counsel who intend to seek an award from the Expense Fund shall provide the copies of their contingency fee contracts to the special master. The special master shall then build a mathematical model, which shall be based on each litigating Local Government's share under the Negotiation Class Metrics and the rate set forth in their contingency contracts, to calculate a proposed award for each litigating Local Government who timely provided a copy of its contingency contract.

10. **Dispute resolution-** Any one or more of the Local Governments or the State may object to an allocation or expenditure of Opioid Funds solely on the basis that the allocation or expenditure at issue (a) is inconsistent with the Approved Purposes; (b) is inconsistent with the distribution scheme as provided in paragraph 3, or (c) violates the limitations set forth herein with respect to administrative costs or the Expense Fund. There shall be no other basis for bringing an objection to the approval of an allocation or expenditure of Opioid Funds.

Schedule A

Core Strategies

States and Qualifying Block Grantees shall choose from among the abatement strategies listed in Schedule B. However, priority shall be given to the following core abatement strategies ("**Core Strategies**")[, such that a minimum of __% of the [aggregate] state-level abatement distributions shall be spent on [one or more of] them annually].[1]

A. Naloxone or other FDA-approved drug to reverse opioid overdoses

1. Expand training for first responders, schools, community support groups and families; and

2. Increase distribution to individuals who are uninsured or whose insurance does not cover the needed service.

B. Medication-Assisted Treatment ("MAT") Distribution and other opioid-related treatment

1. Increase distribution of MAT to non-Medicaid eligible or uninsured individuals;

2. Provide education to school-based and youth-focused programs that discourage or prevent misuse;

3. Provide MAT education and awareness training to healthcare providers, EMTs, law enforcement, and other first responders; and

4. Treatment and Recovery Support Services such as residential and inpatient treatment, intensive outpatient treatment, outpatient therapy or counseling, and recovery housing that allow or integrate medication with other support services.

C. Pregnant & Postpartum Women

1. Expand Screening, Brief Intervention, and Referral to Treatment ("SBIRT") services to non-Medicaid eligible or uninsured pregnant women;

2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for women with co-occurring Opioid Use Disorder ("OUD") and other Substance Use Disorder ("SUD")/Mental Health disorders for uninsured individuals for up to 12 months postpartum; and

3. Provide comprehensive wrap-around services to individuals with Opioid Use Disorder (OUD) including housing, transportation, job placement/training, and childcare.

D. Expanding Treatment for Neonatal Abstinence Syndrome

1. Expand comprehensive evidence-based and recovery support for NAS babies;

2. Expand services for better continuum of care with infant-need dyad; and

3. Expand long-term treatment and services for medical monitoring of NAS babies and their families.

[1] As used in this Schedule A, words like "expand," "fund," "provide" or the like shall not indicate a preference for new or existing programs. Priorities will be established through the mechanisms described in the Term Sheet.

E. Expansion of Warm Hand-off Programs and Recovery Services

1. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments;

2. Expand warm hand-off services to transition to recovery services;

3. Broaden scope of recovery services to include co-occurring SUD or mental health conditions. ;

4. Provide comprehensive wrap-around services to individuals in recovery including housing, transportation, job placement/training, and childcare; and

5. Hire additional social workers or other behavioral health workers to facilitate expansions above.

F. Treatment for Incarcerated Population

1. Provide evidence-based treatment and recovery support including MAT for persons with OUD and co-occurring SUD/MH disorders within and transitioning out of the criminal justice system; and

2. Increase funding for jails to provide treatment to inmates with OUD.

G. Prevention Programs

1. Funding for media campaigns to prevent opioid use (similar to the FDA's "Real Cost" campaign to prevent youth from misusing tobacco);

2. Funding for evidence-based prevention programs in schools.;

3. Funding for medical provider education and outreach regarding best prescribing practices for opioids consistent with the 2016 CDC guidelines, including providers at hospitals (academic detailing);

4. Funding for community drug disposal programs; and

5. Funding and training for first responders to participate in pre-arrest diversion programs, post-overdose response teams, or similar strategies that connect at-risk individuals to behavioral health services and supports.

H. Expanding Syringe Service Programs

1. Provide comprehensive syringe services programs with more wrap-around services including linkage to OUD treatment, access to sterile syringes, and linkage to care and treatment of infectious diseases.

I. Evidence-based data collection and research analyzing the effectiveness of the abatement strategies within the State.

Schedule B

Approved Uses

PART ONE: TREATMENT

A. TREAT OPIOID USE DISORDER (OUD)

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:[2]

1. Expand availability of treatment for OUD and any co-occurring SUD/MH conditions, including all forms of Medication-Assisted Treatment (MAT) approved by the U.S. Food and Drug Administration.

2. Support and reimburse evidence-based services that adhere to the American Society of Addiction Medicine (ASAM) continuum of care for OUD and any co-occurring SUD/MH conditions

3. Expand telehealth to increase access to treatment for OUD and any co-occurring SUD/MH conditions, including MAT, as well as counseling, psychiatric support, and other treatment and recovery support services.

4. Improve oversight of Opioid Treatment Programs (OTPs) to assure evidence-based or evidence-informed practices such as adequate methadone dosing and low threshold approaches to treatment.

5. Support mobile intervention, treatment, and recovery services, offered by qualified professionals and service providers, such as peer recovery coaches, for persons with OUD and any co-occurring SUD/MH conditions and for persons who have experienced an opioid overdose.

6. Treatment of trauma for individuals with OUD (e.g., violence, sexual assault, human trafficking, or adverse childhood experiences) and family members (e.g., surviving family members after an overdose or overdose fatality), and training of health care personnel to identify and address such trauma.

7. Support evidence-based withdrawal management services for people with OUD and any co-occurring mental health conditions.

8. Training on MAT for health care providers, first responders, students, or other supporting professionals, such as peer recovery coaches or recovery outreach specialists, including telementoring to assist community-based providers in rural or underserved areas.

9. Support workforce development for addiction professionals who work with persons with OUD and any co-occurring SUD/MH conditions.

10. Fellowships for addiction medicine specialists for direct patient care, instructors, and clinical research for treatments.

11. Scholarships and supports for behavioral health practitioners or workers involved in addressing OUD and any co-occurring SUD or mental health conditions, including but not limited to training,

[2] As used in this Schedule B, words like "expand," "fund," "provide" or the like shall not indicate a preference for new or existing programs. Priorities will be established through the mechanisms described in the Term Sheet.

scholarships, fellowships, loan repayment programs, or other incentives for providers to work in rural or underserved areas.

12. [Intentionally Blank – to be cleaned up later for numbering]

13. Provide funding and training for clinicians to obtain a waiver under the federal Drug Addiction Treatment Act of 2000 (DATA 2000) to prescribe MAT for OUD, and provide technical assistance and professional support to clinicians who have obtained a DATA 2000 waiver.

14. Dissemination of web-based training curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service-Opioids web-based training curriculum and motivational interviewing.

15. Development and dissemination of new curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service for Medication-Assisted Treatment.

B. SUPPORT PEOPLE IN TREATMENT AND RECOVERY

Support people in treatment for or recovery from OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Provide comprehensive wrap-around services to individuals with OUD and any co-occurring SUD/MH conditions, including housing, transportation, education, job placement, job training, or childcare.

2. Provide the full continuum of care of treatment and recovery services for OUD and any co-occurring SUD/MH conditions, including supportive housing, peer support services and counseling, community navigators, case management, and connections to community-based services.

3. Provide counseling, peer-support, recovery case management and residential treatment with access to medications for those who need it to persons with OUD and any co-occurring SUD/MH conditions.

4. Provide access to housing for people with OUD and any co-occurring SUD/MH conditions, including supportive housing, recovery housing, housing assistance programs, training for housing providers, or recovery housing programs that allow or integrate FDA-approved medication with other support services.

5. Provide community support services, including social and legal services, to assist in deinstitutionalizing persons with OUD and any co-occurring SUD/MH conditions.

6. Support or expand peer-recovery centers, which may include support groups, social events, computer access, or other services for persons with OUD and any co-occurring SUD/MH conditions.

7. Provide or support transportation to treatment or recovery programs or services for persons with OUD and any co-occurring SUD/MH conditions.

8. Provide employment training or educational services for persons in treatment for or recovery from OUD and any co-occurring SUD/MH conditions.

9. Identify successful recovery programs such as physician, pilot, and college recovery programs, and provide support and technical assistance to increase the number and capacity of high-quality programs to help those in recovery.

10. Engage non-profits, faith-based communities, and community coalitions to support people in treatment and recovery and to support family members in their efforts to support the person with OUD in the family.

11. Training and development of procedures for government staff to appropriately interact and provide social and other services to individuals with or in recovery from OUD, including reducing stigma.

12. Support stigma reduction efforts regarding treatment and support for persons with OUD, including reducing the stigma on effective treatment.

13. Create or support culturally appropriate services and programs for persons with OUD and any co-occurring SUD/MH conditions, including new Americans.

14. Create and/or support recovery high schools.

15. Hire or train behavioral health workers to provide or expand any of the services or supports listed above.

C. CONNECT PEOPLE WHO NEED HELP TO THE HELP THEY NEED (CONNECTIONS TO CARE)

Provide connections to care for people who have – or at risk of developing – OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Ensure that health care providers are screening for OUD and other risk factors and know how to appropriately counsel and treat (or refer if necessary) a patient for OUD treatment.

2. Fund Screening, Brief Intervention and Referral to Treatment (SBIRT) programs to reduce the transition from use to disorders, including SBIRT services to pregnant women who are uninsured or not eligible for Medicaid.

3. Provide training and long-term implementation of SBIRT in key systems (health, schools, colleges, criminal justice, and probation), with a focus on youth and young adults when transition from misuse to opioid disorder is common.

4. Purchase automated versions of SBIRT and support ongoing costs of the technology.

5. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments.

6. Training for emergency room personnel treating opioid overdose patients on post-discharge planning, including community referrals for MAT, recovery case management or support services.

7. Support hospital programs that transition persons with OUD and any co-occurring SUD/MH conditions, or persons who have experienced an opioid overdose, into clinically-appropriate follow-up care through a bridge clinic or similar approach.

8. Support crisis stabilization centers that serve as an alternative to hospital emergency departments for persons with OUD and any co-occurring SUD/MH conditions or persons that have experienced an opioid overdose.

9. Support the work of Emergency Medical Systems, including peer support specialists, to connect individuals to treatment or other appropriate services following an opioid overdose or other opioid-related adverse event.

10. Provide funding for peer support specialists or recovery coaches in emergency departments, detox facilities, recovery centers, recovery housing, or similar settings; offer services, supports, or connections to care to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced an opioid overdose.

11. Expand warm hand-off services to transition to recovery services.

12. Create or support school-based contacts that parents can engage with to seek immediate treatment services for their child; and support prevention, intervention, treatment, and recovery programs focused on young people.

13. Develop and support best practices on addressing OUD in the workplace.

14. Support assistance programs for health care providers with OUD.

15. Engage non-profits and the faith community as a system to support outreach for treatment.

16. Support centralized call centers that provide information and connections to appropriate services and supports for persons with OUD and any co-occurring SUD/MH conditions.

D. ADDRESS THE NEEDS OF CRIMINAL-JUSTICE-INVOLVED PERSONS

Address the needs of persons with OUD and any co-occurring SUD/MH conditions who are involved in, are at risk of becoming involved in, or are transitioning out of the criminal justice system through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions, including established strategies such as:

a. Self-referral strategies such as the Angel Programs or the Police Assisted Addiction Recovery Initiative (PAARI);

b. Active outreach strategies such as the Drug Abuse Response Team (DART) model;

c. "Naloxone Plus" strategies, which work to ensure that individuals who have received naloxone to reverse the effects of an overdose are then linked to treatment programs or other appropriate services;

d. Officer prevention strategies, such as the Law Enforcement Assisted Diversion (LEAD) model;

e. Officer intervention strategies such as the Leon County, Florida Adult Civil Citation Network or the Chicago Westside Narcotics Diversion to Treatment Initiative; or

f. Co-responder and/or alternative responder models to address OUD-related 911 calls with greater SUD expertise

2. Support pre-trial services that connect individuals with OUD and any co-occurring SUD/MH conditions to evidence-informed treatment, including MAT, and related services.

3. Support treatment and recovery courts that provide evidence-based options for persons with OUD and any co-occurring SUD/MH conditions

4. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are incarcerated in jail or prison.

5. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are leaving jail or prison have recently left jail or prison, are on probation or parole, are under community corrections supervision, or are in re-entry programs or facilities.

6. Support critical time interventions (CTI), particularly for individuals living with dual-diagnosis OUD/serious mental illness, and services for individuals who face immediate risks and service needs and risks upon release from correctional settings.

7. Provide training on best practices for addressing the needs of criminal-justice-involved persons with OUD and any co-occurring SUD/MH conditions to law enforcement, correctional, or judicial personnel or to providers of treatment, recovery, harm reduction, case management, or other services offered in connection with any of the strategies described in this section.

E. ADDRESS THE NEEDS OF PREGNANT OR PARENTING WOMEN AND THEIR FAMILIES, INCLUDING BABIES WITH NEONATAL ABSTINENCE SYNDROME

Address the needs of pregnant or parenting women with OUD and any co-occurring SUD/MH conditions, and the needs of their families, including babies with neonatal abstinence syndrome (NAS), through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Support evidence-based or evidence-informed treatment, including MAT, recovery services and supports, and prevention services for pregnant women – or women who could become pregnant – who have OUD and any co-occurring SUD/MH conditions, and other measures to educate and provide support to families affected by Neonatal Abstinence Syndrome.

2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for uninsured women with OUD and any co-occurring SUD/MH conditions for up to 12 months postpartum.

3. Training for obstetricians or other healthcare personnel that work with pregnant women and their families regarding treatment of OUD and any co-occurring SUD/MH conditions.

4. Expand comprehensive evidence-based treatment and recovery support for NAS babies; expand services for better continuum of care with infant-need dyad; expand long-term treatment and services for medical monitoring of NAS babies and their families.

5. Provide training to health care providers who work with pregnant or parenting women on best practices for compliance with federal requirements that children born with Neonatal Abstinence Syndrome get referred to appropriate services and receive a plan of safe care.

6. Child and family supports for parenting women with OUD and any co-occurring SUD/MH conditions.

7. Enhanced family supports and child care services for parents with OUD and any co-occurring SUD/MH conditions.

8. Provide enhanced support for children and family members suffering trauma as a result of addiction in the family; and offer trauma-informed behavioral health treatment for adverse childhood events.

9. Offer home-based wrap-around services to persons with OUD and any co-occurring SUD/MH conditions, including but not limited to parent skills training.

10. Support for Children's Services – Fund additional positions and services, including supportive housing and other residential services, relating to children being removed from the home and/or placed in foster care due to custodial opioid use.

PART TWO: PREVENTION

F. PREVENT OVER-PRESCRIBING AND ENSURE APPROPRIATE PRESCRIBING AND DISPENSING OF OPIOIDS

Support efforts to prevent over-prescribing and ensure appropriate prescribing and dispensing of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Fund medical provider education and outreach regarding best prescribing practices for opioids consistent with Guidelines for Prescribing Opioids for Chronic Pain from the U.S. Centers for Disease Control and Prevention, including providers at hospitals (academic detailing).

2. Training for health care providers regarding safe and responsible opioid prescribing, dosing, and tapering patients off opioids.

3. Continuing Medical Education (CME) on appropriate prescribing of opioids.

4. Support for non-opioid pain treatment alternatives, including training providers to offer or refer to multi-modal, evidence-informed treatment of pain.

5. Support enhancements or improvements to Prescription Drug Monitoring Programs (PDMPs), including but not limited to improvements that:

a. Increase the number of prescribers using PDMPs;

b. Improve point-of-care decision-making by increasing the quantity, quality, or format of data available to prescribers using PDMPs, by improving the interface that prescribers use to access PDMP data, or both; or

c. Enable states to use PDMP data in support of surveillance or intervention strategies, including MAT referrals and follow-up for individuals identified within PDMP data as likely to experience OUD in a manner that complies with all relevant privacy and security laws and rules.

6. Ensuring PDMPs incorporate available overdose/naloxone deployment data, including the United States Department of Transportation's Emergency Medical Technician overdose database in a manner that complies with all relevant privacy and security laws and rules.

7. Increase electronic prescribing to prevent diversion or forgery.

8. Educate Dispensers on appropriate opioid dispensing.

G. PREVENT MISUSE OF OPIOIDS

Support efforts to discourage or prevent misuse of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Fund media campaigns to prevent opioid misuse.

2. Corrective advertising or affirmative public education campaigns based on evidence.

3. Public education relating to drug disposal.

4. Drug take-back disposal or destruction programs.

5. Fund community anti-drug coalitions that engage in drug prevention efforts.

6. Support community coalitions in implementing evidence-informed prevention, such as reduced social access and physical access, stigma reduction – including staffing, educational campaigns, support for people in treatment or recovery, or training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration (SAMHSA).

7. Engage non-profits and faith-based communities as systems to support prevention.

8. Fund evidence-based prevention programs in schools or evidence-informed school and community education programs and campaigns for students, families, school employees, school athletic programs, parent-teacher and student associations, and others.

9. School-based or youth-focused programs or strategies that have demonstrated effectiveness in preventing drug misuse and seem likely to be effective in preventing the uptake and use of opioids.

10. Create of support community-based education or intervention services for families, youth, and adolescents at risk for OUD and any co-occurring SUD/MH conditions.

11. Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills.

12. Support greater access to mental health services and supports for young people, including services and supports provided by school nurses, behavioral health workers or other school staff, to address

mental health needs in young people that (when not properly addressed) increase the risk of opioid or other drug misuse.

H. PREVENT OVERDOSE DEATHS AND OTHER HARMS (HARM REDUCTION)

Support efforts to prevent or reduce overdose deaths or other opioid-related harms through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Increase availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, individuals with OUD and their friends and family members, individuals at high risk of overdose, schools, community navigators and outreach workers, persons being released from jail or prison, or other members of the general public.

2. Public health entities provide free naloxone to anyone in the community

3. Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, community support groups, and other members of the general public.

4. Enable school nurses and other school staff to respond to opioid overdoses, and provide them with naloxone, training, and support.

5. Expand, improve, or develop data tracking software and applications for overdoses/naloxone revivals.

6. Public education relating to emergency responses to overdoses.

7. Public education relating to immunity and Good Samaritan laws.

8. Educate first responders regarding the existence and operation of immunity and Good Samaritan laws.

9. Syringe service programs and other evidence-informed programs to reduce harms associated with intravenous drug use, including supplies, staffing, space, peer support services, referrals to treatment, fentanyl checking, connections to care, and the full range of harm reduction and treatment services provided by these programs.

10. Expand access to testing and treatment for infectious diseases such as HIV and Hepatitis C resulting from intravenous opioid use.

11. Support mobile units that offer or provide referrals to harm reduction services, treatment, recovery supports, health care, or other appropriate services to persons that use opioids or persons with OUD and any co-occurring SUD/MH conditions.

12. Provide training in harm reduction strategies to health care providers, students, peer recovery coaches, recovery outreach specialists, or other professionals that provide care to persons who use opioids or persons with OUD and any co-occurring SUD/MH conditions.

13. Support screening for fentanyl in routine clinical toxicology testing.

PART THREE: OTHER STRATEGIES

I. FIRST RESPONDERS

In addition to items in sections C, D, and H relating to first responders, support the following:

1. Educate law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs.

2. Provision of wellness and support services for first responders and others who experience secondary trauma associated with opioid-related emergency events.

J. LEADERSHIP, PLANNING AND COORDINATION

Support efforts to provide leadership, planning, coordination, facilitation, training and technical assistance to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Statewide, regional, local, or community regional planning to identify root causes of addiction and overdose, goals for reducing harms related to the opioid epidemic, and areas and populations with the greatest needs for treatment intervention services; to support training and technical assistance; or to support other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

2. A dashboard to share reports, recommendations, or plans to spend opioid settlement funds; to show how opioid settlement funds have been spent; to report program or strategy outcomes; or to track, share, or visualize key opioid-related or health-related indicators and supports as identified through collaborative statewide, regional, local, or community processes.

3. Invest in infrastructure or staffing at government or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of preventing overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

4. Provide resources to staff government oversight and management of opioid abatement programs.

K. TRAINING

In addition to the training referred to throughout this document, support training to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis.

2. Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent overdoses, and treat those with OUD and any co-occurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (e.g., health care, primary care, pharmacies, PDMPs, etc.).

L. RESEARCH

Support opioid abatement research that may include, but is not limited to, the following:

1. Monitoring, surveillance, data collection, and evaluation of programs and strategies described in this opioid abatement strategy list.

2. Research non-opioid treatment of chronic pain.

3. Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders.

4. Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips.

5. Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids.

6. Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (e.g. Hawaii HOPE and Dakota 24/7).

7. Epidemiological surveillance of OUD-related behaviors in critical populations including individuals entering the criminal justice system, including but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring (ADAM) system.

8. Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.

9. Geospatial analysis of access barriers to MAT and their association with treatment engagement and treatment outcomes.

RESOLUTION NO. [INSERT]

A Resolution authorizing [City/County] (herein referred to as this "Governmental Unit") to join with the State of Florida and other local governmental units as a participant in the Florida Memorandum of Understanding and Formal Agreements implementing a Unified Plan.

WHEREAS, the [City/County] has suffered harm from the opioid epidemic;

WHEREAS, the [City/County] recognizes that the entire State of Florida has suffered harm as a result from the opioid epidemic;

WHEREAS, the State of Florida has filed an action pending in Pasco County, Florida, and a number of Florida Cities and Counties have also filed an action *In re: National Prescription Opiate Litigation*, MDL No. 2804 (N.D. Ohio) (the "Opioid Litigation") and [City/County] [is/is not] a litigating participant in that action;

WHEREAS, the State of Florida and lawyers representing certain various local governments involved in the Opioid Litigation have proposed a unified plan for the allocation and use of prospective settlement dollars from opioid related litigation;

WHEREAS, the Florida Memorandum of Understanding (the "Florida Plan") sets forth sets forth a framework of a unified plan for the proposed allocation and use of opioid settlement proceeds and it is anticipated that formal agreements implementing the Florida Plan will be entered into at a future date; and,

WHEREAS, participation in the Florida Plan by a large majority of Florida cities and counties will materially increase the amount of funds to Florida and should improve Florida's relative bargaining position during additional settlement negotiations;

WHEREAS, failure to participate in the Florida Plan will reduce funds available to the State, [City/County], and every other Florida city and county;

NOW, THEREFORE, BE IT RESOLVED BY THIS GOVERNMENTAL UNIT:

SECTION 1. That this Governmental Unit finds that participation in the Florida Plan would be in the best interest of the Governmental Unit and its citizens in that such a plan ensures that almost all of the settlement funds go to abate and resolve the opioid epidemic and each and every city and county receives funds for the harm that it has suffered.

SECTION 2. That this Governmental Unit hereby expresses its support of a unified plan for the allocation and use of opioid settlement proceeds as generally described in the Florida Plan, attached hereto as Exhibit "A."

SECTION 3. That [official name] is hereby expressly authorized to execute the Florida Plan in substantially the form contained in Exhibit "A."

SECTION 4. That [official name] is hereby authorized to execute the any formal agreements implementing a unified plan for the allocation and use of opioid settlement proceeds that is not substantially inconsistent with the Florida Plan and this Resolution.

SECTION 5. That the Clerk be and hereby is instructed to record this Resolution in the appropriate record book upon its adoption.

SECTION 6. The clerk of this Governmental Unit is hereby directed to furnish a certified copy of this Ordinance/Resolution to the Florida

[Florida League of Cities/Florida Association of Counties]

Attorney General Ashley Moody
c\o John M. Guard
The Capitol,
PL-01
Tallahassee, FL 32399-1050

SECTION 7. This Resolution shall take effect immediately upon its adoption.

Adopted this day of , _____, 2021.

(Mayor/Commissioner/etc.)

PURDUE PHARMA L.P.

ABATEMENT PLAN TERM SHEET

SUMMARY OF TERMS AND CONDITIONS

THIS TERM SHEET DOES NOT CONSTITUTE (NOR SHALL IT BE CONSTRUED AS) AN OFFER, AGREEMENT OR COMMITMENT[1]

Issue	Description
1. APPLICABILITY OF AGREEMENT	These terms (once agreed) shall apply to the allocation of value received under, and shall be incorporated into, any plan of reorganization (the "**Chapter 11 Plan**") in the chapter 11 cases of Purdue Pharma L.P. and its affiliates (collectively, "**Purdue**") pending in the U.S. Bankruptcy Court for the Southern District of New York (the "**Bankruptcy Court**") between the states, territories and the District of Columbia (each a "**State**") on the one hand, each county, city, town, parish, village, municipality that functions as a political subdivision under State law, or a governmental entity that has the authority to bring Drug Dealer Liability Act ("**DDLA Claims**") under State law (collectively, the "**Local Governments**"), and each federally recognized Native American, Native Alaskan or American Indian Tribe (each a "**Tribe**") on the other.
2. PURPOSE	Virtually all creditors and the Court itself in the Purdue bankruptcy recognize the need and value in developing a comprehensive abatement strategy to address the opioid crisis as the most effective use of the funds that can be derived from the Purdue estate (including without limitation insurance proceeds and, if included in the Chapter 11 Plan, payments by third-parties seeking releases). Because of the unique impact the crisis has had throughout all regions of the country, and as repeatedly recognized by Judge Drain, division of a substantial portion of the bankruptcy estate should occur through an established governmental structure, with the use of such funds strictly limited to abatement purposes as provided herein.[2]

[1] As a condition to participating in this abatement structure, the settlements that the states of Kentucky and Oklahoma separately entered into with Purdue must be taken into account in any allocation to them or flowing through them. Potential adjustments may include a different Government Participation Mechanism structure for the disbursement of funds to benefit Local Governments in those states or some redirection of funds, which would still be used solely for abatement purposes.

[2] *See, e.g.,* Hrg. Tr at 149:22-150:5 (Oct. 11, 2019)(' "I would hope that those public health steps, once the difficult allocation issues that the parties have addressed here, can be largely left up to the states and municipalities so that they can use their own unique knowledge about their own citizens and how to address them. It may be that some states think it's more of a law enforcement issue, i.e. interdicting illegal opioids at this point. Others may think education is more important. Others may think treatment is more important."); *id.* At 175:24-176:6 ("I also think, and again, I didn't say this lightly, that my hope in the allocation process is that there would be an understanding between the states and the municipalities and localities throughout the whole process that[,] subject to general guidelines on how the money should be used, specific ways to use it would be left up to the states and the municipalities, with guidance from the states primarily."); Hr'g Tr. At 165:3-165:14 (Nov. 19, 2019) ("I continue to believe that the states play a major role in [the allocation] process. The role I'm envisioning for them is not one where they say we get everything.

Issue	Description
	This approach recognizes that funding abatement efforts – which would benefit most creditors and the public by reducing future effects of the crisis through treatment and other programs – is a much more efficient use of limited funds than dividing thin slices among all creditors with no obligation to use it to abate the opioid crisis. Because maximizing abatement of the opioid crisis requires coordination of efforts by all levels of government, particularly when the abatement needs far exceed the available funds, this structure requires a collaborative process between each State and its Local Governments. This Term Sheet is intended to establish the mechanisms for distribution and allocation of funds to States, Local Governments and Tribes (the "**Abatement Funds**") to be incorporated into the Chapter 11 Plan and any order approving the Chapter 11 Plan (**Abatement Funds** net of the portion thereof allocated to a Tribal Abatement Fund under Section 5 hereof are referred to herein as "**Public Funds**"). The parties agree that 100% of the Public Funds distributed under the Chapter 11 Plan shall be used to abate the opioid crisis. Specifically, (i) no less than ninety five percent (95%)of the Public Funds distributed under the Chapter 11 Plan shall be used for abatement of the opioid crisis by funding opioid or substance use disorder related projects or programs that fall within the list of uses in **Schedule B** (the "**Approved Opioid Abatement Uses**"); (ii) priority shall be given to the core abatement strategies ("**Core Strategies**") as identified on **Schedule A**; and (iii) no more than five percent (5%) of the Public Funds may be used to fund expenses incurred in administering the distributions for the Approved Opioid Abatement Uses, including the process of selecting programs to receive distributions of **Public Funds** for implementing those programs and in connection with the Government Participation Mechanism[3] (**"Allowed Administrative Expenses,"** and together with the **Approved Opioid Abatement Uses**, "**Approved Uses**").[4] Notwithstanding anything in this term sheet that might imply to the contrary, projects or programs that constitute **Approved Opioid Abatement Uses** may be provided by States, State agencies, Local Governments, Local Government agencies or nongovernmental parties and funded from Public Funds.
3. GENERAL NOTES	The governmental entities maintain that the most beneficial and efficient use of limited bankruptcy funds is to dedicate as large a portion as possible to abatement programs addressing the opioid crisis. If this

I think that should be clear and I think it is clear to them. But, rather, where they act – in the best principles of federalism, for their state, the coordinator for the victims in their state."); Hr'g Tr. at 75:19-76:1 (Jan. 24, 2020) ("Even if there ultimately is an allocation here – and there's not a deal now, obviously, at this point on a plan. But if there is an allocation that leaves a substantial amount of the Debtors' value to the states and territories, one of the primary benefits of a bankruptcy case is that the plan can lock in, perhaps only in general ways, but perhaps more in specific ways, how the states use that money . . . .").

[3] Capitalized terms not defined where first used shall have the meanings later ascribed to them in this Term Sheet.

[4] Nothing in this term sheet is intended to, nor does it, limit or permit the ability of funds from the Purdue estate (other than Public Funds) to be used to pay for legal fees and expenses incurred in anticipation of or during Purdue's chapter 11 case, or once confirmed, in implementing the Chapter 11 Plan.

Issue	Description
	approach is taken, the governmental entities involved in the mediation – states, territories, tribes, counties, cities and others – would commit the Public Funds allocated to them to such future abatement, in lieu of direct payment for their claims. a. Resolution of States' and Local Governments' claims under this model presumes signoff by and support of the federal government, including an agreement that the federal government will also forego its past damages claims. Continued coordination with the federal government therefore is necessary as this model is finalized. b. This outline addresses the allocation of Abatement Funds among governmental entities to provide abatement programs to the public for the benefit of not only the governmental entities and their constituents, but also a substantial number of other creditors. The States and Local Governments welcome other, private-side creditor groups to enter discussions concerning how such creditors may participate in, contribute to and/or benefit from the government-funded abatement programs contemplated herein in lieu of direct payment on their claims for past damages. c. In addition to providing abatement services, it is understood that, if their claims are to be released in a reorganization plan, a portion of the Purdue estate will also need to be dedicated to personal injury claimants. A proposal regarding such claims is being developed separately. d. All **Public Funds** distributed from the Purdue bankruptcy estate as part of this abatement structure shall be used only for such **Approved Uses**. Compliance with these requirements shall be verified through reporting, as set out in Section 8. This outline and the terms herein are intended to apply solely to the use and allocation of Public Funds in the Purdue Chapter 11 Plan, and do not apply to the use or allocation of funds made available as the result of judgments against or settlements with any party other than those released as part of the Chapter 11 Plan.
4. DISBURSEMENT OF FUNDS	**Disbursement of Abatement Funds** The Bankruptcy Court shall appoint [a third-party administrator ("**Administrator**")] [Trustee(s)] who will perform the ministerial task of overseeing distribution of all Abatement Funds, which will consist of all assets transferred to such fund by way of the confirmed Chapter 11 Plan, and any, growth, earnings, or revenues from such assets, as well as proceeds from any future sale of such assets. The [Administrator] [Trustees] shall distribute the Abatement Fund consistent with the Chapter 11 Plan and shall provide to the Bankruptcy Court an annual report on such distributions. [Points to be addressed regarding disbursements:

Issue	Description
	• Trigger and timing for disbursements. • Insert details to show how these funds shall be distributed for abatement uses and that the funds will not flow into the state general revenue accounts (unless constitutionally required and, in that event, the funds shall still be disbursed for abatement uses as required by the terms of the document), including possible distribution to state points of contact and block grant recipients. • Possible creation of template document for Abatement Funds distribution requests. • If trust mechanism is employed, trust location and governing law.]
5. ATTORNEYS' FEES AND COSTS FUND	A separate fund will be established for attorneys' fees and litigation costs in the final bankruptcy plan. Agreement by the parties to this Abatement Plan Term Sheet is contingent upon the establishment of this fund and the details of the fund, which are subject to further negotiation, including without limitation the participants, amount, jurisdiction, oversight, and administration. Participation in an abatement program, receipt of abatement services or benefits will not affect, and specific percentages in the abatement structure received by various parties will not determine, the amount of fees and costs that may be recovered.
6. TRIBAL ABATEMENT FUNDING	a. [X%] of the **Abatement Funds** will be allocated to a Tribal Abatement Fund and these funds will not be a part of the structure involving abatement programs funded by state and local governments. b. The Tribes are working on their proposal for allocation among Tribes, which would be included as part of the overall abatement plan. c. The Tribes will use the tribal allocation of Abatement Funds for programs on the approved list of abatement strategies (see **Schedule B**) and also for culturally appropriate activities, practices, teachings or ceremonies that are, in the judgment of a tribe or tribal health organization, aimed at or supportive of remediation and abatement of the opioid crisis within a tribal community.[5] The Tribes will have a list of representative examples of such culturally appropriate abatement strategies, practices and programs which is attached as **Schedule [ ]**. The separate allocation of abatement funding and illustrative list of culturally appropriate abatement strategies recognizes that American Indian and Alaska Native Tribes and the communities they serve possess unique cultural histories, practices, wisdom, and needs that are highly relevant to the health and well-being of American Indian and Alaska Native

[5] [NTD: Discuss how private claimants will be treated under Tribal Allocation, if at all.]

Issue	Description
	people and that may play an important role in both individual and public health efforts and responses in Native communities.
7. DIVISION OF PUBLIC FUNDS	**Public Funds** are allocated among the States, the District of Columbia and Territories in the percentages set forth on **Schedule C**. Except as set forth below in section 7(C) for the District of Columbia and Territories, each State's Schedule C share shall then be allocated within the State in accordance with the following: 1. **Statewide Agreement**. Each State and its Local Governments will have until [the later of 60 days from entry of an order confirming the Chapter 11 Plan or the Effective Date of the Chapter 11 Plan][6] (the "**Agreement Date**") to file with the Bankruptcy Court an agreed-upon allocation or method for allocating the Public Funds for that State dedicated only to Approved Uses (each a "**Statewide Abatement Agreement**" or "**SAA**"). Any State and its Local Governments that have reached agreement before the Effective Date of the Chapter 11 Plan that satisfies the metric for approval as described in the immediately following paragraph shall file a notice with the Bankruptcy Court that it has adopted a binding SAA and either include the SAA with its filing or indicate where the SAA is publicly available for the SAA to be effective for the Purdue Bankruptcy. Any dispute regarding allocation within a State will be resolved as provided by the Statewide Abatement Agreement. A **Statewide Abatement Agreement** shall be agreed when it has been approved by the State and either (a) representatives[7] of its Local Governments whose aggregate Population Percentages, determined as set forth below, total more than Sixty Percent (60%), or (b) representatives of its Local Governments whose aggregate Population Percentages total more than fifty percent (50%) provided that these Local Governments also represent 15% or more of the State's counties or parishes (or, in the case of States whose counties and parishes that do not function as Local Governments, 15% of or more of the State's incorporated cities or towns), by number.[8]

[6] Should there be provision for extension of the date for filing Statewide Abatement Agreement?
[7] An authorized "representative" of local, or even State, government can differ in this Term Sheet depending on the context.
[8] All references to population in this Term Sheet shall refer to published U. S. Census Bureau population estimates as of July 1, 2019, released March 2020, and shall remain unchanged during the term of this agreement. These estimates can currently be found at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-counties-total.html

Issue	Description
	Population Percentages shall be determined as follows: For States with counties or parishes that function as Local Governments,[9] the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) 200% of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish,[10] divided by (b) 200% of the State's population. A "**Primary Incorporated Municipality**" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality The Population Percentage of each primary incorporated municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by 200% of the State's population; provided that the Population Percentage of a primary incorporated municipality that is not located within a county shall be equal to 200% of its population (including the population of any incorporated or unincorporated municipality located therein) divided by 200% of the State's population. For all States that do not have counties or parishes that function as Local Governments, the Population Percentage of each incorporated municipality (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population. The Statewide Abatement Agreement will become effective within fourteen (14) days of filing, unless otherwise ordered by the Bankruptcy Court. A State and its Local Governments may revise, supplement, or refine a Statewide Abatement Agreement by filing an amended Statewide Abatement Agreement that has been approved by the State and sufficient Local Governments to satisfy the approval standards set forth above with the Bankruptcy Court, which shall become effective within fourteen (14) days of filing, unless otherwise ordered by the Bankruptcy Court. 2. **Default Allocation Mechanism (excluding Territories and DC addressed below).** The **Public Funds** allocable to a State that is not party to a **Statewide Abatement Agreement** as defined in 7(1) above (each a "**Non-SAA State**") shall be allocated as between the State and its Local Governments to be

[9] The following states do not have counties or parishes that function as Local Governments: Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont [INSERT OTHERS]. All other States have counties or parishes that function as Local Governments.

[10] Discuss how to deal with cities and towns that straddle counties.

Issue	Description
	used only for **Approved Uses**, in accordance with this Section (B) (the "**Default Allocation Mechanism**"). a. **Regions.** Except as provided in the final sentence of this paragraph, each **Non-SAA State** shall be divided into "**Regions**" as follows: (a) each **Qualifying Block Grantee** (as defined below) shall constitute a **Region**; and (b) the balance of the State shall be divided into **Regions** (such **Regions** to be designated by the State agency with primary responsibility for substance abuse disorder services employing to the maximum extent practical, existing regions established in that State for opioid abuse treatment or similar public health purposes); such non-**Qualifying Block Grantee Regions** are referred to herein as "**Standard Regions**"). The **Non-SAA States** which have populations under 4 million and do not have existing regions described in the foregoing clause (b) shall not be required to establish **Regions**;[11] such a State that does not establish **Regions** but which does contain one or more **Qualifying Block Grantees** shall be deemed to consist of one **Region** for each **Qualifying Block Grantee** and one **Standard Region** for the balance of the State. b. **Regional Apportionment**. **Public Funds** shall be allocated to each **Non-SAA State, as defined in 7(1) above,** as (a) a **Regional Apportionment** or (b) a **Non-Regional Apportionment** based on the amount of Public Funds dispersed under a confirmed Chapter 11 Plan as follows: i. **First $1 billion** – 70% Regional Apportionment/30% Non-Regional Apportionment ii. **$1-$2.5 billion** – 64% Regional Apportionment /36% Non-Regional Apportionment iii. **$2.5-$3.5 billion** – 60% Regional Apportionment /40% Non-Regional Apportionment iv. **Above $3.5 billion** – 50% Regional Apportionment /50% Non-Regional Apportionment

[11] To the extent they are not parties to a Statewide Abatement Agreement, the following States will qualify as a Non-SAA State that does not have to establish Regions: Connecticut, Delaware, Hawai'i, Iowa, Maine, Nevada, New Hampshire, New Mexico, Rhode Island, Vermont [INSERT OTHERS].

Issue	Description
	c. **Qualifying Block Grantee.** A "**Qualifying Local Government**" means a county or parish (or in the cases of States that do not have counties or parishes that function as political subdivision, a city), that (a) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more and (b) has funded or otherwise manages an established, health care and/or treatment infrastructure (*e.g.*, health department or similar agency) to evaluate, award, manage and administer a Local Government Block Grant.[12] A **Qualifying Local Government** that elects to receive **Public Funds** through Local Government Block Grants is referred to herein as a **Qualifying Block Grantee**.[13] d. **Proportionate Shares of Regional Apportionment.** As used herein, the "**Proportionate Share**" of each **Region** in each **Non-SAA State** shall be (a) for States in which counties or parishes function as Local Governments, the aggregate shares of the counties or parishes located in such **Region** under the allocation model employed in connection with the Purdue Bankruptcy (the "**Allocation Model**"),[14] divided by the aggregate shares for all counties or parishes in the State under the **Allocation Model**; and (b) for all other States, the aggregate shares of the cities and towns in that **Region** under the **Allocation Model's** intra-county allocation formula, divided by the aggregate shares for all cities and towns[15] in the State under the **Allocation Model**. e. **Expenditure or Disbursement of Regional Apportionment.** Subject to 7(2)(i) below regarding **Allowed Administrative Expenses**, all **Regional Apportionments** shall be disbursed or expended in the form of **Local Government Block Grants** or otherwise for **Approved Opioids Abatement Uses** in the **Standard Regions** of each **Non-SAA State**.

[12] As noted in footnote 8, the population for each State shall refer to published U. S. Census Bureau population estimates as of July 1, 2019, released March 2020, and shall remain unchanged during the term of this agreement. These estimates can currently be found at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-counties-total.html

[13] [NTD: Perhaps provide for a Qualifying Political Subdivision to expand to include neighboring areas that are part of its metro area?]

[14] Need to address whether to use the Negotiation Class Allocation Model or other metric to determine Proportionate Share.

[15] Should this be all cities and towns or only primary incorporated municipalities?

Issue	Description
	f. **Qualifying Block Grantees.** Each **Qualifying Block Grantee** shall receive its **Regional Apportionment** as a block grant (a "**Local Government Block Grant**"). **Local Government Block Grants** shall be used only for **Approved Opioid Abatement Uses** by the **Qualifying Block Grantee** or for grants to organizations within its jurisdiction for **Approved Opioid Abatement Uses** and for **Allowed Administrative Expenses** in accordance with 7(2)(i) below. Where a municipality located wholly within a **Qualifying Block Grantee** would independently qualify as a block grant recipient ("**Independently Qualifying Municipality**"), the **Qualifying Block Grantee** and **Independently Qualifying Municipality** must make a substantial and good faith effort to reach agreement on use of Abatement Funds as between the qualifying jurisdictions. If the **Independently Qualifying Municipality** and the **Qualifying Block Grantee** cannot reach such an agreement on or before the **Agreement Date [or some later specified date]**, the **Qualifying Block Grantee** will receive the **Local Government Block Grant** for its full **Proportionate Share** and commit programming expenditures to the benefit of the **Independently Qualifying Municipality** in general proportion to **Proportionate Shares** (determined as provided in 7(2)(d) above) of the municipalities within the **Qualifying Block Grantee**. Notwithstanding the allocation of the Proportionate Share of each Regional Apportionment to the Qualifying Block Grantee, a Qualifying Block Grantee may choose to contribute a portion of its Proportionate Share towards a Statewide program. g. **Standard Regions.** The portions of each **Regional Apportionment** not disbursed in the form of **Local Government Block Grants** shall be expended throughout the **Standard Regions** of each **Non-SAA State** in accordance with 95%-105% of the respective **Proportionate Shares** of such **Standard Regions**. Such expenditures will be in a manner that will best address Opioid abatement within the State as determined by the State with the input, advice and recommendations of the **Government Participation Mechanism** described in Section 8 below. This regional spending requirement may be met by delivering **Approved Opioid Abatement Use** services or programs to a **Standard Region** or its residents. Delivery of such services or programs can be

Issue	Description
	accomplished directly or indirectly through many different infrastructures and approaches, including without limitation the following: i. State agencies, including local offices; ii. Local governments, including local government health departments; iii. State public hospital or health systems; iv. Health care delivery districts; v. Contracting with abatement service providers, including nonprofit and commercial entities; or vi. Awarding grants to local programs. h. **Expenditure or Disbursement of Public Funds Other Than Regional Apportionment.** All **Public Funds** allocable to a **Non-SAA State** that are not included in the State's **Regional Apportionment** shall be expended only on **Approved Uses**. The expenditure of such funds shall be at the direction of the State's lead agency (or other point of contact designated by the State) and may be expended on a statewide and/or localized manner, including in the manners described in herein. **Qualifying Block Grantees** will be eligible to participate in or receive the benefits of any such expenditures on the same basis as other **Regions.** i. **Allowed Administrative Expenses. Qualifying Block Grantees** States may use up to 5% of their Non-Regional Apportionments plus 5% of the Regional Apportionment not used to fund **Local Government Block Grants,** for **Allowed Administrative Expenses. Qualifying Block Grantees** may use up to 5% of their **Local Government Block Grants** to fund their **Allowed Administrative Expenses.** 3. **Records.** The State shall maintain records of abatement expenditures and its required reporting will include data on regional expenditures so it can be verified that the Regional Distribution mechanism guarantees are being met.[16] **Qualifying Block Grantees** shall maintain records of abatement expenditures and shall provide those records periodically to their State for inclusion in the State's required periodic reporting, and shall be subject to audit consistent with State law applicable to the granting of State funds.

[16] Additional records and reporting requirements?

Issue	Description
	(C) Allocation for Territories and the District of Columbia Only The allocation of Public Funds within a Territory or the District of Columbia will be determined by its local legislative body [within one year of the Agreement Date], unless that legislative body is not in session, in which case, the allocation of Public Funds shall be distributed pursuant to the direction of the Territory's or District of Columbia's executive, in consultation – to the extent applicable – with its Government Participation Mechanism [within ninety (90) days of the Agreement Date].[17]
8. GOVERNMENT PARTICIPATION MECHANISM	In each **Non-SAA State**, as defined in 7(1) above, there shall be a process, preferably pre-existing, whereby the State shall allocate funds under the Regional Distribution mechanism only after meaningfully consulting with its respective Local Governments. Each such State shall identify its mechanism (whether be it a council, board, committee, commission, taskforce, or other efficient and transparent structure) for consulting with its respective Local Governments (the "**Government Participation Mechanism**" or "**GPM**") in a notice filed with the Bankruptcy Court identifying what GPM has been formed and describing the participation of its Local Governments in connection therewith. States may combine these notices into one or more notices for filing with the Bankruptcy Court. These notices are reviewable by the Bankruptcy Court upon the motion of any Local Government in that State asserting that no GPM has been formed. Government Participation Mechanisms shall conform to the following: (A) ***Composition***. For each State, a. the State, on the one hand, and State's Local Governments, on the other hand, shall have equal representation on a GPM; b. Local Government representation on a GPM shall be weighted in favor of the Standard Regions but can include representation from the State's Qualifying Block Grantees; c. the GPM will be chaired by a non-voting Chairperson appointed by the State; d. Groups formed by the States' executive or legislature may be used as a GPM, provided that the group has equal representation by the State and the State's Local Governments.[18] Appointees should possess experience, expertise and education with respect to public health, substance abuse, and other related

[17] Territory and DC provisions to be discussed

[18] Additional potential terms: mechanism for state and local appointment; duration of term, reimbursement of expenses.

Issue	Description
	topics as is necessary to assure the effective functioning of the GPM. (B) ***Consensus***. Members of the GPMs should attempt to reach consensus with respect to **GPM Recommendations** and other actions of the GPM. Consensus is defined in this process as a general agreement achieved by the members that reflects, from as many members as possible, their active support, support with reservations, or willingness to abide by the decision of the other members. Consensus does not require unanimity or other set threshold and may include objectors. In all events, however, actions of a GPM shall be effective if supported by at least a majority of its Members. **GPM Recommendations** and other action shall note the existence and summarize the substance of objections where requested by the objector(s). (C) ***Proceedings***. Each GPM shall hold no fewer than four public meetings annually, to be publicized and located in a manner reasonably designed to facilitate attendance by residents throughout the State. Each GPM shall function in a manner consistent with its State's open meeting, open government or similar laws, and with the Americans with Disabilities Act. GPM members shall be subject to State conflict of interest and similar ethics in government laws. (D) ***Consultation and Discretion***. The GPM shall be a mechanism by which the State consults with community stakeholders, including Local Governments (including those not a part of the GPM), state and local public health officials and public health advocates, in connection with opioid abatement priorities and expenditure decisions for the use of Public Funds on Approved Opioid Abatement Uses.[19] (E) ***Recommendations***. A GPM shall make recommendations regarding specific opioid abatement priorities and expenditures for the use of Public Funds on Approved Opioid Abatement Uses to the State or the agency designated by a State for this purpose (**"GPM Recommendations"**). In carrying out its obligations to provide **GPM Recommendations,** a GPM may consider local, state and federal initiatives and activities related to education, prevention, treatment and services for individuals and families experiencing and affected by opioid use disorder; recommend priorities to address the State's opioid epidemic, which recommendations may be Statewide or specific to **Regions**; recommend Statewide or **Regional** funding with respect to specific programs or initiatives; recommend measurable outcomes to determine the effectiveness of funds expended for

[19] Address form of consultation with non-GPM members, public hearings, etc.

Issue	Description
	Approved Opioid Abatement Uses; monitor the level of **Allowed Administrative Expenses** expended from **Public Funds**. The goal is for a process that produces **GPM Recommendations** that are recognized as being an efficient, evidence-based approach to abatement that addresses the State's greatest needs while also including programs reflecting particularized needs in local communities. It is anticipated that such a process, particularly given the active participation of state representatives, will inform and assist the state in making decisions about the spending of the **Public Funds**. To the extent a State chooses not to follow a **GPM Recommendation**, it will make publicly available within 14 days after the decision is made a written explanation of the reasons for its decision, and allow 7 days for the GPM to respond. (F) ***Review***. Local Governments and States may object to an allocation or expenditure of **Public Funds** (whether a **Regional Apportionment** or **Non-Regional** Apportionment) solely on the basis that the allocation or expenditure at issue (i) is inconsistent with the provisions of Section 7(B)2 hereof with respect to the levels of **Regional Apportionments** and **Non-Regional** Apportionments; (ii) is inconsistent with the provisions of Section 7(B)(5) hereof with respect to the amounts of **Local Government Block Grants** or **Regional Apportionment** expenditures; (iii) is not for an **Approved Use,** or (iv) violates the limitations set forth herein with respect to **Allowed Administrative Fees**. The objector shall have the right to bring that objection to either (a) a court with jurisdiction within the applicable State ("**State Court**") or (b) the Bankruptcy Court if the Purdue chapter 11 case has not been closed; provided that nothing herein is intended to expand the scope of the Bankruptcy Court's post-confirmation jurisdiction or be deemed to be a consent to any expanded post-confirmation jurisdiction by the Bankruptcy Court (each an "**Objection**"). If an Objection is filed within fourteen (14) days of approval of an Allocation, then no funds shall be distributed on account of the aspect of the Allocation that is the subject of the Objection until the Objection is resolved or decided by the Bankruptcy Court or State Court, as applicable. There shall be no other basis for bringing an Objection to the approval of an Allocation.
8. COMPLIANCE, REPORTING, AUDIT AND ACCOUNTABILITY	At least annually, each State shall publish on the lead State Agency's website or on its Attorney General's website a report detailing for the preceding time period, respectively (i) the amount of Public Funds received, (ii) the allocation awards approved (indicating the recipient, the

Issue	Description
	amount of the allocation, the program to be funded and disbursement terms), and (iii) the amounts disbursed on approved allocations, to Qualifying Local Governments for Local Government Block Grants and Allowed Administrative Fees. At least annually, each **Qualifying Block Grantee** which has elected to take a Local Government Block Grant shall publish on its lead Agency's or Local Government's website a report detailing for the preceding time period, respectively (i) the amount of **Local Government Block Grants** received, (ii) the allocation awards approved (indicating the recipient, the amount of the grant, the program to be funded and disbursement terms), and (iii) the amounts disbursed on approved allocations. As applicable, each State or Local Government shall impose reporting requirements on each recipient to ensure that **Public Funds** are only being used for **Approved Uses**, in accordance with the terms of the allocation, and that the efficacy of the expenditure of such **Public Funds** with respect to opioids abatement can be publicly monitored and evaluated. The expenditure and disbursement of **Public Funds** shall be subject to audit by States as follows: [details of audit scope, process, output, etc.] (a) A court with jurisdiction within the applicable State ("**State Court**") or (b) the Bankruptcy Court if the Purdue chapter 11 case has not been closed shall have jurisdiction to enforce the terms of this agreement, and as applicable, a Statewide Abatement Agreement or Default Mechanism; provided that nothing herein is intended to expand the scope of the Bankruptcy Court's post-confirmation jurisdiction.

Schedule A
Core Strategies

States and Qualifying Block Grantees shall choose from among the abatement strategies listed in Schedule B. However, priority shall be given to the following core abatement strategies ("**Core Strategies**")[, such that a minimum of __% of the [aggregate] state-level abatement distributions shall be spent on [one or more of] them annually].

A. Naloxone/Narcan

1. Expand training for first responders, EMTs, law enforcement, schools, community support groups and families; and
2. Increase distribution to non-Medicaid eligible or uninsured individuals.

B. Medication Assisted Treatment ("MAT") Distribution and other opioid-related treatment

1. Increase distribution of MAT to non-Medicaid eligible or uninsured individuals;
2. Provide MAT services to youth and education to school-based and youth-focused programs that discourage or prevent misuse;
3. Provide MAT education and awareness training to healthcare providers, EMTs, law enforcement, and other first responders; and
4. Non-MAT treatment, including addition and expansion of services for managing withdrawal and related systems such as detox, residential, hospitalization, intensive outpatient, outpatient, recovery housing, and treatment facilities.

C. Pregnant & Postpartum Women

1. Expand Screening, Brief Intervention, and Referral to Treatment ("SBIRT") services to non-Medicaid eligible or uninsured pregnant women;
2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for women with co-occurring Opioid Use Disorder ("OUD") and other Substance Use Disorder ("SUD")/Mental Health disorders from 60 days postpartum to 12 months (post-Medicaid coverage); and
3. Provide comprehensive wrap-around services to individuals in recovery including housing, transportation, job placement/training, and childcare.

D. Expanding Treatment for Neonatal Abstinence Syndrome

1. Expand comprehensive evidence-based and recovery support for NAS babies;
2. Expand services for better continuum of care with infant-need dyad; and
3. Expand long-term treatment and services for medical monitoring of NAS babies and their families.

E. Expansion of Warm Hand-off Programs and Recovery Services

1. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments;
2. Expand warm hand-off services to transition to recovery services;
3. Broaden scope of recovery services to include co-occurring SUD or other polysubstance abuse problems;
4. Provide comprehensive wrap-around services to individuals in recovery including housing, transportation, job placement/training, and childcare; and
5. Hire additional social workers to facilitate expansions above.

F. Treatment for Incarcerated Population

1. Provide evidence-based treatment and recovery support including MAT for persons with OUD and co-occurring SUD/MH disorders within and transitioning out of the criminal justice system; and
2. Increase funding for jails that currently have or had detox units to treat inmates with OUD.

G. Prevention Programs

1. Funding for media campaigns to prevent opioid use (similar to the FDA's "Real Cost" campaign to prevent youth from misusing tobacco);
2. Funding for school-based prevention programs, beyond education about MAT mentioned above, including evidence-based school-wide programs;
3. Funding for medical provider education and outreach regarding best prescribing practices for opioids consistent with the 2016 CDC guidelines, including providers at hospitals (academic detailing);
4. Funding for community drug disposal programs; and
5. Funding for additional city police officers/county sheriffs to specifically address OUD and opioid-related ODs.

H. Expanding Syringe Service Programs

1. Provide comprehensive syringe exchange services programs with more wrap-around services including treatment information.

I. Evidence based data collection and research analyzing the effectiveness of the abatement strategies within the State.

Schedule B
Approved Uses[20]

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

PART ONE: TREATMENT

A. TREAT OPIOID USE DISORDER (OUD)

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Expand availability of treatment for OUD and any co-occurring SUD/MH conditions, including all forms of Medication-Assisted Treatment (MAT) approved by the U.S. Food and Drug Administration.

2. Support and reimburse services that include the full American Society of Addiction Medicine (ASAM) continuum of care for OUD and any co-occurring SUD/MH conditions, including but not limited to:
    a. Medication-Assisted Treatment (MAT);
    b. Abstinence-based treatment;
    c. Treatment, recovery, or other services provided by states, subdivisions, community health centers; non-for-profit providers; or for-profit providers;
    d. Treatment by providers that focus on OUD treatment as well as treatment by providers that offer OUD treatment along with treatment for other SUD/MH conditions; or
    e. Evidence-informed residential services programs, as noted below.

3. Expand telehealth to increase access to treatment for OUD and any co-occurring SUD/MH conditions, including MAT, as well as counseling, psychiatric support, and other treatment and recovery support services.

4. Improve oversight of Opioid Treatment Programs (OTPs) to assure evidence-based, evidence-informed, or promising practices such as adequate methadone dosing and low threshold approaches to treatment.

5. Support mobile intervention, treatment, and recovery services, offered by qualified professionals and service providers, such as peer recovery coaches, for persons with

[20] [NTD: Discuss expanded list of Approved Uses to be included. Discuss "self-executing" function based on additional information received from NCSG.]

OUD and any co-occurring SUD/MH conditions and for persons who have experienced an opioid overdose.

6. Treatment of mental health trauma resulting from the traumatic experiences of the opioid user (e.g., violence, sexual assault, human trafficking, or adverse childhood experiences) and family members (e.g., surviving family members after an overdose or overdose fatality), and training of health care personnel to identify and address such trauma.

7. Support detoxification (detox) and withdrawal management services for persons with OUD and any co-occurring SUD/MH conditions, including medical detox, referral to treatment, or connections to other services or supports.

8. Training on MAT for health care providers, students, or other supporting professionals, such as peer recovery coaches or recovery outreach specialists, including telementoring to assist community-based providers in rural or underserved areas.

9. Support workforce development for addiction professionals who work with persons with OUD and any co-occurring SUD/MH conditions.

10. Fellowships for addiction medicine specialists for direct patient care, instructors, and clinical research for treatments.

11. Scholarships and supports for certified addiction counselors and other mental and behavioral health providers involved in addressing OUD any co-occurring SUD/MH conditions, including but not limited to training, scholarships, fellowships, loan repayment programs, or other incentives for providers to work in rural or underserved areas.

12. Scholarships for persons to become certified addiction counselors, licensed alcohol and drug counselors, licensed clinical social workers, and licensed mental health counselors practicing in the SUD field, and scholarships for certified addiction counselors, licensed alcohol and drug counselors, licensed clinical social workers, and licensed mental health counselors practicing in the SUD field for continuing education and licensing fees.

13. Provide funding and training for clinicians to obtain a waiver under the federal Drug Addiction Treatment Act of 2000 (DATA 2000) to prescribe MAT for OUD, and provide technical assistance and professional support to clinicians who have obtained a DATA 2000 waiver.

14. Dissemination of web-based training curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service-Opioids web-based training curriculum and motivational interviewing.

15. Development and dissemination of new curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service for Medication-Assisted Treatment.

B. SUPPORT PEOPLE IN TREATMENT AND RECOVERY

Support people in treatment for and recovery from OUD and any co-occurring SUD/MH conditions through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Provide the full continuum of care of recovery services for OUD and any co-occurring SUD/MH conditions, including supportive housing, residential treatment, medical detox services, peer support services and counseling, community navigators, case management, and connections to community-based services.

2. Provide counseling, peer-support, recovery case management and residential treatment with access to medications for those who need it to persons with OUD and any co-occurring SUD/MH conditions.

3. Provide access to housing for people with OUD and any co-occurring SUD/MH conditions, including supportive housing, recovery housing, housing assistance programs, or training for housing providers.

4. Provide community support services, including social and legal services, to assist in deinstitutionalizing persons with OUD and any co-occurring SUD/MH conditions.

5. Support or expand peer-recovery centers, which may include support groups, social events, computer access, or other services for persons with OUD and any co-occurring SUD/MH conditions.

6. Provide or support transportation to treatment or recovery programs or services for persons with OUD and any co-occurring SUD/MH conditions.

7. Provide employment training or educational services for persons in treatment for or recovery from OUD and any co-occurring SUD/MH conditions.

8. Identify successful recovery programs such as physician, pilot, and college recovery programs, and provide support and technical assistance to increase the number and capacity of high-quality programs to help those in recovery.

9. Engage non-profits, faith-based communities, and community coalitions to support people in treatment and recovery and to support family members in their efforts to manage the opioid user in the family.

10. Training and development of procedures for government staff to appropriately interact and provide social and other services to current and recovering opioid users, including reducing stigma.

11. Support stigma reduction efforts regarding treatment and support for persons with OUD, including reducing the stigma on effective treatment.

12. Create or support culturally-appropriate services and programs for persons with OUD and any co-occurring SUD/MH conditions, including new Americans.

13. Create and/or support recovery high schools.

C. CONNECT PEOPLE WHO NEED HELP TO THE HELP THEY NEED (CONNECTIONS TO CARE)

Provide connections to care for people who have – or at risk of developing – OUD and any co-occurring SUD/MH conditions through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Ensure that health care providers are screening for OUD and other risk factors and know how to appropriately counsel and treat (or refer if necessary) a patient for OUD treatment.

2. Fund Screening, Brief Intervention and Referral to Treatment (SBIRT) programs to reduce the transition from use to disorders.

3. Provide training and long-term implementation of SBIRT in key systems (health, schools, colleges, criminal justice, and probation), with a focus on youth and young adults when transition from misuse to opioid disorder is common.

4. Purchase automated versions of SBIRT and support ongoing costs of the technology.

5. Training for emergency room personnel treating opioid overdose patients on post-discharge planning, including community referrals for MAT, recovery case management or support services.

6. Support hospital programs that transition persons with OUD and any co-occurring SUD/MH conditions, or persons who have experienced an opioid overdose, into community treatment or recovery services through a bridge clinic or similar approach.

7. Support crisis stabilization centers that serve as an alternative to hospital emergency departments for persons with OUD and any co-occurring SUD/MH conditions or persons that have experienced an opioid overdose.

8. Support the work of Emergency Medical Systems, including peer support specialists, to connect individuals to treatment or other appropriate services following an opioid overdose or other opioid-related adverse event.

9. Provide funding for peer support specialists or recovery coaches in emergency departments, detox facilities, recovery centers, recovery housing, or similar settings; offer services, supports, or connections to care to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced an opioid overdose.

10. Provide funding for peer navigators, recovery coaches, care coordinators, or care managers that offer assistance to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced on opioid overdose.

11. Create or support school-based contacts that parents can engage with to seek immediate treatment services for their child; and support prevention, intervention, treatment, and recovery programs focused on young people.

12. Develop and support best practices on addressing OUD in the workplace.

13. Support assistance programs for health care providers with OUD.

14. Engage non-profits and the faith community as a system to support outreach for treatment.

15. Support centralized call centers that provide information and connections to appropriate services and supports for persons with OUD and any co-occurring SUD/MH conditions.

16. Create or support intake and call centers to facilitate education and access to treatment, prevention, and recovery services for persons with OUD and any co-occurring SUD/MH conditions.

17. Develop or support a National Treatment Availability Clearinghouse – a multistate/nationally accessible database whereby health care providers can list locations for currently available in-patient and out-patient OUD treatment services that are accessible on a real-time basis by persons who seek treatment.

D. ADDRESS THE NEEDS OF CRIMINAL-JUSTICE-INVOLVED PERSONS

Address the needs of persons with OUD and any co-occurring SUD/MH conditions who are involved – or are at risk of becoming involved – in the criminal justice system through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions, including established strategies such as:
    a. Self-referral strategies such as the Angel Programs or the Police Assisted Addiction Recovery Initiative (PAARI);
    b. Active outreach strategies such as the Drug Abuse Response Team (DART) model;
    c. "Naloxone Plus" strategies, which work to ensure that individuals who have received naloxone to reverse the effects of an overdose are then linked to treatment programs or other appropriate services;
    d. Officer prevention strategies, such as the Law Enforcement Assisted Diversion (LEAD) model;
    e. Officer intervention strategies such as the Leon County, Florida Adult Civil Citation Network or the Chicago Westside Narcotics Diversion to Treatment Initiative; or

f. Co-responder and/or alternative responder models to address OUD-related 911 calls with greater SUD expertise and to reduce perceived barriers associated with law enforcement 911 responses.

2. Support pre-trial services that connect individuals with OUD and any co-occurring SUD/MH conditions to evidence-informed treatment, including MAT, and related services.

3. Support treatment and recovery courts for persons with OUD and any co-occurring SUD/MH conditions, but only if these courts provide referrals to evidence-informed treatment, including MAT.

4. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are incarcerated in jail or prison.

5. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are leaving jail or prison have recently left jail or prison, are on probation or parole, are under community corrections supervision, or are in re-entry programs or facilities.

6. Support critical time interventions (CTI), particularly for individuals living with dual-diagnosis OUD/serious mental illness, and services for individuals who face immediate risks and service needs and risks upon release from correctional settings.

7. Provide training on best practices for addressing the needs of criminal-justice-involved persons with OUD and any co-occurring SUD/MH conditions to law enforcement, correctional, or judicial personnel or to providers of treatment, recovery, harm reduction, case management, or other services offered in connection with any of the strategies described in this section.

E. ADDRESS THE NEEDS OF PREGNANT OR PARENTING WOMEN AND THEIR FAMILIES, INCLUDING BABIES WITH NEONATAL ABSTINENCE SYNDROME

Address the needs of pregnant or parenting women with OUD and any co-occurring SUD/MH conditions, and the needs of their families, including babies with neonatal abstinence syndrome, through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Support evidence-based, evidence-informed, or promising treatment, including MAT, recovery services and supports, and prevention services for pregnant women – or women who could become pregnant – who have OUD and any co-occurring SUD/MH conditions, and other measures educate and provide support to families affected by Neonatal Abstinence Syndrome.

2. Training for obstetricians or other healthcare personnel that work with pregnant women and their families regarding treatment of OUD and any co-occurring SUD/MH conditions.

3. Provide training to health care providers who work with pregnant or parenting women on best practices for compliance with federal requirements that children born with Neonatal Abstinence Syndrome get referred to appropriate services and receive a plan of safe care.

4. Child and family supports for parenting women with OUD and any co-occurring SUD/MH conditions.

5. Enhanced family supports and child care services for parents with OUD and any co-occurring SUD/MH conditions.

6. Provide enhanced support for children and family members suffering trauma as a result of addiction in the family; and offer trauma-informed behavioral health treatment for adverse childhood events.

7. Offer home-based wrap-around services to persons with OUD and any co-occurring SUD/MH conditions, including but not limited to parent skills training.

8. Support for Children's Services – Fund additional positions and services, including supportive housing and other residential services, relating to children being removed from the home and/or placed in foster care due to custodial opioid use.

PART TWO: PREVENTION

F. PREVENT OVER-PRESCRIBING AND ENSURE APPROPRIATE PRESCRIBING AND DISPENSING OF OPIOIDS

Support efforts to prevent over-prescribing and ensure appropriate prescribing and dispensing of opioids through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Training for health care providers regarding safe and responsible opioid prescribing, dosing, and tapering patients off opioids.

2. Academic counter-detailing to educate prescribers on appropriate opioid prescribing.

3. Continuing Medical Education (CME) on appropriate prescribing of opioids.

4. Support for non-opioid pain treatment alternatives, including training providers to offer or refer to multi-modal, evidence-informed treatment of pain.

5. Support enhancements or improvements to Prescription Drug Monitoring Programs (PDMPs), including but not limited to improvements that:
    a. Increase the number of prescribers using PDMPs;
    b. Improve point-of-care decision-making by increasing the quantity, quality, or format of data available to prescribers using PDMPs, by improving the interface that prescribers use to access PDMP data, or both; or
    c. Enable states to use PDMP data in support of surveillance or intervention strategies, including MAT referrals and follow-up for individuals identified within PDMP data as likely to experience OUD.

6. Development and implementation of a national PDMP – Fund development of a multistate/national PDMP that permits information sharing while providing appropriate safeguards on sharing of private health information, including but not limited to:
    a. Integration of PDMP data with electronic health records, overdose episodes, and decision support tools for health care providers relating to OUD.
    b. Ensuring PDMPs incorporate available overdose/naloxone deployment data, including the United States Department of Transportation's Emergency Medical Technician overdose database.

7. Increase electronic prescribing to prevent diversion or forgery.

8. Educate Dispensers on appropriate opioid dispensing.

G. PREVENT MISUSE OF OPIOIDS

Support efforts to discourage or prevent misuse of opioids through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Corrective advertising or affirmative public education campaigns based on evidence.

2. Public education relating to drug disposal.

3. Drug take-back disposal or destruction programs.

4. Fund community anti-drug coalitions that engage in drug prevention efforts.

5. Support community coalitions in implementing evidence-informed prevention, such as reduced social access and physical access, stigma reduction – including staffing, educational campaigns, support for people in treatment or recovery, or training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration (SAMHSA).

6. Engage non-profits and faith-based communities as systems to support prevention.

7. Support evidence-informed school and community education programs and campaigns for students, families, school employees, school athletic programs, parent-teacher and student associations, and others.

8. School-based or youth-focused programs or strategies that have demonstrated effectiveness in preventing drug misuse and seem likely to be effective in preventing the uptake and use of opioids.

9. Create of support community-based education or intervention services for families, youth, and adolescents at risk for OUD and any co-occurring SUD/MH conditions.

10. Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills.

11. Support greater access to mental health services and supports for young people, including services and supports provided by school nurses or other school staff, to address mental health needs in young people that (when not properly addressed) increase the risk of opioid or other drug misuse.

H. PREVENT OVERDOSE DEATHS AND OTHER HARMS (HARM REDUCTION)

Support efforts to prevent or reduce overdose deaths or other opioid-related harms through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Increase availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, opioid users, families and friends of opioid users, schools, community navigators and outreach workers, drug offenders upon release from jail/prison, or other members of the general public.

2. Public health entities provide free naloxone to anyone in the community, including but not limited to provision of intra-nasal naloxone in settings where other options are not available or allowed.

3. Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, and other members of the general public.

4. Enable school nurses and other school staff to respond to opioid overdoses, and provide them with naloxone, training, and support.

5. Expand, improve, or develop data tracking software and applications for overdoses/naloxone revivals.

6. Public education relating to emergency responses to overdoses.

7. Public education relating to immunity and Good Samaritan laws.

8. Educate first responders regarding the existence and operation of immunity and Good Samaritan laws.

9. Syringe service programs and other evidence-informed programs to reduce harms associated with intravenous drug use, including supplies, staffing, space, peer support services, referrals to treatment, fentanyl checking, connections to care, and the full range of harm reduction and treatment services provided by these programs.

10. Expand access to testing and treatment for infectious diseases such as HIV and Hepatitis C resulting from intravenous opioid use.

11. Support mobile units that offer or provide referrals to harm reduction services, treatment, recovery supports, health care, or other appropriate services to persons that use opioids or persons with OUD and any co-occurring SUD/MH conditions.

12. Provide training in harm reduction strategies to health care providers, students, peer recovery coaches, recovery outreach specialists, or other professionals that provide care to persons who use opioids or persons with OUD and any co-occurring SUD/MH conditions.

13. Support screening for fentanyl in routine clinical toxicology testing.

PART THREE: OTHER STRATEGIES

I. FIRST RESPONDERS

In addition to items C8, D1 through D7, H1, H3, and H8, support the following:

1. Law enforcement expenditures relating to the opioid epidemic.

2. Educate law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs.

3. Provision of wellness and support services for first responders and others who experience secondary trauma associated with opioid-related emergency events.

J. LEADERSHIP, PLANNING AND COORDINATION

Support efforts to provide leadership, planning, and coordination to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Community regional planning to identify goals for reducing harms related to the opioid epidemic, to identify areas and populations with the greatest needs for treatment

intervention services, or to support other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

2. A government dashboard to track key opioid-related indicators and supports as identified through collaborative community processes.

3. Invest in infrastructure or staffing at government or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of preventing overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

4. Provide resources to staff government oversight and management of opioid abatement programs.

K. TRAINING

In addition to the training referred to in items A7, A8, A9, A12, A13, A14, A15, B7, B10, C3, C5, D7, E2, E4, F1, F3, F8, G5, H3, H12, and I-2, support training to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis.

2. Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent overdoses, and treat those with OUD and any co-occurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (e.g., health care, primary care, pharmacies, PDMPs, etc.).

L. RESEARCH

Support opioid abatement research that may include, but is not limited to, the following:

a. Monitoring, surveillance, and evaluation of programs and strategies described in this opioid abatement strategy list.

b. Research non-opioid treatment of chronic pain.

c. Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders.

d. Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips.

e. Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids.

f. Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (e.g. Hawaii HOPE and Dakota 24/7).

g. Research on expanded modalities such as prescription methadone that can expand access to MAT.

h. Epidemiological surveillance of OUD-related behaviors in critical populations including individuals entering the criminal justice system, including but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring (ADAM) system.

i. Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.

j. Geospatial analysis of access barriers to MAT and their association with treatment engagement and treatment outcomes.

Schedule C
State Allocation Percentages

[TO BE INSERTED]

63779069 v1

EXHIBIT B

RESOLUTION NO. 2021-100

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF LAKE COUNTY, FLORIDA, AUTHORIZING LAKE COUNTY (HEREIN REFERRED TO AS THIS "GOVERNMENTAL UNIT") TO JOIN WITH THE STATE OF FLORIDA AND OTHER LOCAL GOVERNMENTAL UNITS AS A PARTICIPANT IN THE FLORIDA MEMORANDUM OF UNDERSTANDING AND FORMAL AGREEMENTS IMPLEMENTING A UNIFIED PLAN.

WHEREAS, Lake County has suffered harm from the opioid epidemic; and

WHEREAS, Lake County recognizes that the entire State of Florida has suffered harm as a result from the opioid epidemic; and

WHEREAS, the State of Florida has filed an action pending in Pasco County, Florida, and a number of Florida Cities and Counties have also filed an action *In re: National Prescription Opiate Litigation*, MDL No. 2804 (N.D. Ohio) (the "Opioid Litigation") and Lake County is a litigating participant in that action; and

WHEREAS, the State of Florida and lawyers representing certain various local governments involved in the Opioid Litigation have proposed a unified plan for the allocation and use of prospective settlement dollars from opioid related litigation; and

WHEREAS, the Florida Memorandum of Understanding (the "Florida Plan") sets forth a framework for a unified plan for the proposed allocation and use of opioid settlement proceeds and it is anticipated that formal agreements implementing the Florida Plan will be entered into at a future date; and

WHEREAS, participation in the Florida Plan by a large majority of Florida cities and counties will materially increase the amount of funds to Florida and should improve Florida's relative bargaining position during additional settlement negotiations; and

WHEREAS, failure to participate in the Florida Plan will reduce funds available to the State, Lake County, and every other Florida city and county.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Lake County, Florida (Governmental Unit), that Lake County supports entering into the Florida Plan.

SECTION 1. The above recitals are incorporated herein.

SECTION 2. This Governmental Unit finds that participation in the Florida Plan would be in the best interest of the Governmental Unit and its citizens in that such a plan ensures that almost all of the settlement funds go to abate and resolve the opioid epidemic and each and every city and county receives funds for the harm that it has suffered.

SECTION 3. That this Governmental Unit hereby expresses its support of a unified plan for the allocation and use of opioid settlement proceeds as generally described in the Florida Plan, attached hereto as Exhibit "A."

SECTION 4. That the Chairman of the Governmental Unit is hereby expressly authorized to execute the Florida Plan in substantially the form contained in Exhibit "A."

SECTION 5. That the Chairman of the Governmental Unit is hereby authorized to execute any formal agreements implementing a unified plan for the allocation and use of opioid settlement proceeds that is not substantially inconsistent with the Florida Plan and this Resolution.

SECTION 6. The Clerk of Court of this Governmental Unit is hereby directed to furnish a certified copy of this Resolution to the Florida Attorney General at

Attorney General Ashley Moody
c\o John M. Guard
The Capitol,
PL-01
Tallahassee, FL 32399-1050

SECTION 7. This Resolution shall take effect immediately upon its adoption.

PASSED AND ADOPTED on this day of 22nd day of June, 2021.

BOARD OF COUNTY COMMISSIONERS
LAKE COUNTY, FLORIDA

Sean M. Parks, Chairman

This 22nd day of June, 2021.

ATTEST:

Gary J. Cooney, Clerk
Board of County Commissioners
of Lake County, Florida

Approved as to form and legality:

Melanie Marsh, County Attorney

EXHIBIT C

PARTICIPATION INSTRUCTIONS

Thank you for registering your subdivision on the national settlement website and for considering participating in the proposed Settlement Agreement with McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation (collectively "Settling Distributors"). This virtual envelope contains a Participation Form including a release of claims and an Intrastate Allocation Agreement. The Participation Form in this envelope must be executed, without alteration, and submitted in order for your subdivision to be considered potentially "participating."

The sign-on period for subdivisions ends on January 2, 2022. On or after that date, the states (in consultation with the subdivisions), Janssen, and the Opioid Distributors will determine whether the subdivision participation rate is sufficient for the settlement to move forward. If the deal moves forward, your release will become effective. If it does not, it will not.

As a reminder, if you have not already started your review of the settlement documentation, detailed information about the Settlements may be found at: https://nationalopioidsettlement.com/. This national settlement website also includes links to information about how the Settlements are being implemented in your state and how settlement funds will be allocated within your state, including information about, and links to, any applicable allocation agreement or legislation. This website will be supplemented as additional documents are created. The Florida Attorney General's Office has also created a state-specific website that may be accessed here: http://www.myfloridalegal.com/opioidsettlement. If you have questions, please contact your counsel (if you have counsel on opioids matters) or the Florida Attorney General's Office at Utah Attorney General's Office at fl.opioidlitigation@myfloridalegal.com.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

Florida Subdivision Participation Form

Governmental Entity: LAKE COUNTY		State: FL
Authorized Signatory: Sean M. Parks, Chairman, Board of County Commissioners		
Address 1: PO Box 7800		
Address 2:		
City, State, Zip: Tavares	Florida	32778
Phone: 352-343-9850		
Email: mmarsh@lakecountyfl.gov		

The governmental entity identified above ("Governmental Entity"), in order to obtain and in consideration for the benefits provided to the Governmental Entity consistent with the material terms of the National Settlement Agreement with McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation ("Settling Distributors"), dated July 21, 2021 ("National Distributor Settlement"), and acting through the undersigned authorized official, hereby elects to participate in the National Distributor Settlement t, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the National Distributor Settlement, understands that all terms in this Election and Release have the meanings defined therein, and agrees that by this Participation Form, the Governmental Entity elects to participate consistent with the material terms of the National Distributor Settlement and become a Participating Subdivision as provided therein pursuant to the terms of the National Distributor Settlement or pursuant to terms consistent with the National Distributor Settlement.

2. The Governmental Entity's election to participate is specifically conditioned on participation by Litigating Subdivisions representing 95% or more of the population (combined) of Litigating Subdivisions in Florida. Should the combined population of the Litigating Subdivisions in Florida that participate be less than 95% of the population (combined) of the Litigating Subdivisions in Florida, this Election and Release shall be deemed void and no claims shall be released.

3. The Governmental Entity's execution of this Participation Agreement shall serve as the Governmental Entity's acceptance of the terms and conditions of the Florida Opioid Allocation And Statewide Response Agreement dated November 15, 2021.

4. The Governmental Entity shall, within 14 days of the Reference Date prior to the filing of the Consent Judgment, secure the dismissal with prejudice of any Released Claims that it has filed.

5. The Governmental Entity agrees to the terms of the National Distributor Settlement pertaining to Subdivisions as defined collectively therein.

6. By agreeing to the terms of the National Distributor Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.

7. The Governmental Entity agrees to use any monies it receives through the National Distributor Settlement solely for the purposes provided therein.

8. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity's state where the Consent Judgment is filed for purposes limited to that court's role as provided in, and for resolving disputes to the extent provided in, the National Distributor Settlement. If the National Distributor Settlement is finalized, the Governmental Entity likewise agrees to arbitrate before the National Arbitration Panel as provided in, and for resolving disputes to the extent otherwise provided in the National Distributor Settlement.

9. The Governmental Entity has the right to enforce the National Distributor Settlement as collectively provided therein.

10. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the National Distributor Settlement, including but not limited to, all provisions of Part XI and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the National Distributor Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The National Distributor Settlement shall be a complete bar to any Released Claim.

11. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision consistent with the National Distributor Settlement.

12. In connection with the releases provided for in the National Distributor Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the National Distributor Settlement.

13. Nothing herein is intended to modify in any way the terms of the National Distributor Settlement to which Governmental Entity hereby agrees, with the exception of the requisite Litigating Government participation level.

I swear under penalty of perjury that I have all necessary power and authorization to execute this Election and Release on behalf of the Governmental Entity

FLORIDA OPIOID ALLOCATION AND STATEWIDE RESPONSE AGREEMENT

BETWEEN

STATE OF FLORIDA DEPARTMENT OF LEGAL AFFAIRS,
OFFICE OF THE ATTORNEY GENERAL

And

CERTAIN LOCAL GOVERNMENTS IN THE STATE OF FLORIDA

This Florida Opioid Allocation and Statewide Response Agreement (the "Agreement") is entered into between the State of Florida ('State") and certain Local Governments ("Local Governments" and the State and Local Governments are jointly referred to as the "Parties" or individually as a "Party"). The Parties agree as follows:

Whereas, the people of the State and its communities have been harmed by misfeasance, nonfeasance and malfeasance committed by certain entities within the Pharmaceutical Supply Chain; and

Whereas, the State, through its Attorney General, and certain Local Governments, through their elected representatives and counsel, are separately engaged in litigation seeking to hold many of the same Pharmaceutical Supply Chain Participants accountable for the damage caused by their misfeasance, nonfeasance and malfeasance as the State; and

Whereas, certain of the Parties have separately sued Pharmaceutical Supply Chain participants for the harm caused to the citizens of both Parties and have collectively negotiated settlements with several Pharmaceutical Supply Chain Participants; and

Whereas, the Parties share a common desire to abate and alleviate the impacts of that misfeasance, nonfeasance and malfeasance throughout the State; and

Whereas, it is the intent of the State and its Local Governments to use the proceeds from any Settlements with Pharmaceutical Supply Chain Participants to increase the amount of funding presently spent on opioid and substance abuse education, treatment, prevention and other related programs and services, such as those identified in Exhibits "A" and "B," and to ensure that the funds are expended in compliance with evolving evidence-based "best practices;" and

Whereas, the State and its Local Governments enter into this Agreement and agree to the allocation and use of the proceeds of any settlement described herein

Wherefore, the Parties each agree to as follows:

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

A. Definitions

As used in this Agreement:

1. "Approved Purpose(s)" shall mean forward-looking strategies, programming and services used to expand the availability of treatment for individuals impacted by substance use disorders, to: (a) develop, promote, and provide evidence-based substance use prevention strategies; (b) provide substance use avoidance and awareness education; (c) decrease the oversupply of licit and illicit opioids; and (d) support recovery from addiction. Approved Purposes shall include, but are not limited to, the opioid abatement strategies listed in Exhibits "A" and "B" which are incorporated herein by reference.

2. "Local Governments" shall mean all counties, cities, towns and villages located within the geographic boundaries of the State.

3. "Managing Entities" shall mean the corporations selected by and under contract with the Florida Department of Children and Families or its successor ("DCF") to manage the daily operational delivery of behavioral health services through a coordinated system of care. The singular "Managing Entity" shall refer to a singular of the Managing Entities.

4. "County" shall mean a political subdivision of the state established pursuant to s. 1, Art. VIII of the State Constitution.

5. "Dependent Special District" shall mean a Special District meeting the requirements of Florida Statutes § 189.012(2).

6. "Municipalities" shall mean cities, towns, or villages located in a County within the State that either have: (a) a Population greater than 10,000 individuals; or (b) a Population equal to or less than 10,000 individuals and that has either (i) filed a lawsuit against one or more Pharmaceutical Supply Chain Participants; or (ii) executes a release in connection with a settlement with a Pharmaceutical Supply Chain participant. The singular "Municipality" shall refer to a singular city, town, or village within the definition of Municipalities.

7. "'Negotiating Committee" shall mean a three-member group comprised by representatives of the following: (1) the State; and (2) two representatives of Local Governments of which one representative will be from a Municipality and one shall be from a County (collectively, "Members") within the State. The State shall be represented by the Attorney General or her designee.

8. "Negotiation Class Metrics" shall mean those county and city settlement allocations which come from the official website of the Negotiation Class of counties and cities certified on September 11, 2019 by the U.S. District for the Northern District of Ohio in *In re National Prescription Opiate Litigation*, MDL No. 2804 (N.D. Ohio). The website is located at https://allocationmap.iclaimsonline.com.

9. "Opioid Funds" shall mean monetary amounts obtained through a Settlement.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

10. "Opioid Related" shall have the same meaning and breadth as in the agreed Opioid Abatement Strategies attached hereto as Exhibits "A" or "B."

11. "Parties" shall mean the State and Local Governments that execute this Agreement. The singular word "Party" shall mean either the State or Local Governments that executed this Agreement.

12. "PEC" shall mean the Plaintiffs' Executive Committee of the National Prescription Opiate Multidistrict Litigation pending in the United States District Court for the Northern District of Ohio.

13. "Pharmaceutical Supply Chain" shall mean the entities, processes, and channels through which Controlled Substances are manufactured, marketed, promoted, distributed or dispensed.

14. "Pharmaceutical Supply Chain Participant" shall mean any entity that engages in, or has engaged in the manufacture, marketing, promotion, distribution or dispensing of an opioid analgesic.

15. "Population" shall refer to published U.S. Census Bureau population estimates as of July 1, 2019, released March 2020, and shall remain unchanged during the term of this Agreement. These estimates can currently be found at *https://www.census.gov. For purposes of Population under the definition of Qualified County, a County's population shall be the greater of its population as of the July 1, 2019, estimates or its actual population, according to the official U.S. Census Bureau count, which was released by the U.S. Census Bureau in August 2021.*

16. "Qualified County" shall mean a charter or non-chartered County that has a Population of at least 300,000 individuals and: (a) has an opioid taskforce or other similar board, commission, council, or entity (including some existing sub-unit of a County's government responsible for substance abuse prevention, treatment, and/or recovery) of which it is a member or it operates in connection with its municipalities or others on a local or regional basis; (b) has an abatement plan that has been either adopted or is being utilized to respond to the opioid epidemic; (c) is, as of December 31, 2021, either providing or is contracting with others to provide substance abuse prevention, recovery, and/or treatment services to its citizens; and (d) has or enters into an interlocal agreement with a majority of Municipalities (Majority is more than 50% of the Municipalities' total Population) related to the expenditure of Opioid Funds. The Opioid Funds to be paid to a Qualified County will only include Opioid Funds for Municipalities whose claims are released by the Municipality or Opioid Funds for Municipalities whose claims are otherwise barred. For avoidance of doubt, the word "operate" in connection with opioid task force means to do at least one of the following activities: (1) gathers data about the nature, extent, and problems being faced in communities within that County; (2) receives and reports recommendations from other government and private entities about activities that should be undertaken to abate the opioid epidemic to a County; and/or (3) makes recommendations to a County and other public and private leaders about steps, actions, or plans that should be undertaken to abate the opioid epidemic. For avoidance of doubt, the Population calculation required by subsection (d) does not include Population in unincorporated areas.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

17. "SAMHSA" shall mean the U.S. Department of Health & Human Services, Substance Abuse and Mental Health Services Administration.

18. "Settlement" shall mean the negotiated resolution of legal or equitable claims against a Pharmaceutical Supply Chain Participant when that resolution has been jointly entered into by the State and Local Governments or a settlement class as described in (B)(1) below.

19. "State" shall mean the State of Florida.

B. Terms

1. **Only Abatement** - Other than funds used for the Administrative Costs and Expense Fund as hereinafter described or to pay obligations to the United States arising out of Medicaid or other federal programs, all Opioid Funds shall be utilized for Approved Purposes. In order to accomplish this purpose, the State will either: (a) file a new action with Local Governments as Parties; or (b) add Local Governments to its existing action, sever any settling defendants. In either type of action, the State will seek entry of a consent judgment, consent order or other order binding judgment binding both the State and Local Governments to utilize Opioid Funds for Approved Purposes ("Order") from the Circuit Court of the Sixth Judicial Circuit in and for Pasco County, West Pasco Division New Port Richey, Florida (the "Court"), except as herein provided. The Order may be part of a class action settlement or similar device. The Order shall provide for continuing jurisdiction by the Court to address non-performance by any party under the Order.

2. **Avoid Claw Back and Recoupment** - Both the State and Local Governments wish to maximize any Settlement and Opioid Funds. In addition to committing to only using funds for the Expense Funds, Administrative Costs and Approved Purposes, both Parties will agree to utilize a percentage of funds for the Core Strategies highlighted in Exhibit A. Exhibit A contains the programs and strategies prioritized by the U.S. Department of Justice and/or the U.S. Department of Health & Human Services ("Core Strategies"). The State is trying to obtain the United States' agreement to limit or reduce the United States' ability to recover or recoup monies from the State and Local Government in exchange for prioritization of funds to certain projects. If no agreement is reached with the United States, then there will be no requirement that a percentage be utilized for Core Strategies.

3. **No Benefit Unless Fully Participating** - Any Local Government that objects to or refuses to be included under the Order or refuses or fails to execute any of documents necessary to effectuate a Settlement shall not receive, directly or indirectly, any Opioid Funds and its portion of Opioid Funds shall be distributed to, and for the benefit of, the Local Governments. Funds that were a for a Municipality that does not join a Settlement will be distributed to the County where that Municipality is located. Funds that were for a County that does not join a Settlement will be distributed pro rata to Counties that join a Settlement. For avoidance of doubt, if a Local Government initially refuses to be included in or execute the documents necessary to effectuate a Settlement and subsequently effectuates such documents necessary to join a Settlement, then that Local Government will only lose those payments made under a Settlement while that Local Government was not a part of the Settlement. If a Local Government participates in a Settlement, that Local Government is thereby releasing the claims of its Dependent Special District claims, if any.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

4. **Distribution Scheme** – If a Settlement has a National Settlement Administrator or similar entity, all Opioids Funds will initially go to the Administrator to be distributed. If a Settlement does not have a National Settlement Administrator or similar entity, all Opioid Funds will initially go to the State, and then be distributed by the State as they are received from the Defendants according to the following distribution scheme. The Opioid Funds will be divided into three funds after deducting any costs of the Expense Fund detailed below. Funds due the federal government, if any, pursuant to Section B-2, will be subtracted from only the State and Regional Funds below:

(a) City/County Fund- The city/county fund will receive 15% of all Opioid Funds to directly benefit all Counties and Municipalities. The amounts to be distributed to each County and Municipality shall be determined by the Negotiation Class Metrics or other metrics agreed upon, in writing, by a County and a Municipality, which are attached to this Agreement as Exhibit "C." In the event that a Municipality has a Population less than 10,000 people and it does not execute a release or otherwise join a Settlement that Municipalities share under the Negotiation Class Metrics shall be reallocated to the County where that Municipality is located.

(b) Regional Fund- The regional fund will be subdivided into two parts.

(i) The State will annually calculate the share of each County within the State of the regional fund utilizing the sliding scale in paragraph 5 of the Agreement, and according to the Negotiation Class Metrics.

(ii) For Qualified Counties, the Qualified County's share will be paid to the Qualified County and expended on Approved Purposes, including the Core Strategies identified in Exhibit A, if applicable.

(iii) For all other Counties, the State will appropriate the regional share for each County and pay that share through DCF to the Managing Entities providing service for that County. The Managing Entities will be required to expend the monies on Approved Purposes, including the Core Strategies as directed by the Opioid Abatement Task Force or Council. The Managing Entities shall expend monies from this Regional Fund on services for the Counties within the State that are non-Qualified Counties and to ensure that there are services in every County. To the greatest extent practicable, the Managing Entities shall endeavor to expend monies in each County or for citizens of a County in the amount of the share that a County would have received if it were a Qualified County.

(c) State Fund - The remainder of Opioid Funds will be expended by the State on Approved Purposes, including the provisions related to Core Strategies, if applicable.

(d) To the extent that Opioid Funds are not appropriated and expended in a year by the State, the State shall identify the investments where settlement funds will be deposited. Any gains, profits, or interest accrued from the deposit of the Opioid Funds to the extent that any funds are not appropriated and expended within a calendar year, shall be the sole property of the Party that was entitled to the initial amount.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

(e) To the extent a County or Municipality wishes to pool, comingle, or otherwise transfer its share, in whole or part, of Opioid Funds to another County or Municipality, the comingling Municipalities may do so by written agreement. The comingling Municipalities shall provide a copy of that agreement to the State and any settlement administrator to ensure that monies are directed consistent with such agreement. The County or Municipality receiving any such Opioid Funds shall assume the responsibility for reporting how such Opioid Funds were utilized under this Agreement.

5. Regional Fund Sliding Scale- The Regional Fund shall be calculated by utilizing the following sliding scale of the Opioid Funds available in any year after deduction of Expenses and any funds due the federal government:

A. Years 1-6: 40%

B. Years 7-9: 35%

C. Years 10-12: 34%

D. Years 13-15: 33%

E. Years 16-18: 30%

6. Opioid Abatement Taskforce or Council - The State will create an Opioid Abatement Taskforce or Council (sometimes hereinafter "Taskforce" or "Council") to advise the Governor, the Legislature, DCF, and Local Governments on the priorities that should be addressed by expenditure of Opioid Funds and to review how monies have been spent and the results that have been achieved with Opioid Funds.

(a) Size - The Taskforce or Council shall have ten Members equally balanced between the State and the Local Government representatives.

(b) Appointments Local Governments - Two Municipality representatives will be appointed by or through Florida League of Cities. Two county representatives, one from a Qualified County and one from a county within the State that is not a Qualified County, will be appointed by or through the Florida Association of Counties. The final representative will alternate every two years between being a county representative (appointed by or through Florida Association of Counties) or a Municipality representative (appointed by or through the Florida League of Cities). One Municipality representative must be from a city of less than 50,000 people. One county representative must be from a county of less than 200,000 people and the other county representative must be from a county whose population exceeds 200,000 people.

(c) Appointments State -

(i) The Governor shall appoint two Members.

(ii) The Speaker of the House shall appoint one Member.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

(iii) The Senate President shall appoint one Member.

(iv) The Attorney General or her designee shall be a Member.

(d) Chair - The Attorney General or designee shall be the chair of the Taskforce or Council.

(e) Term - Members will be appointed to serve a four-year term and shall be staggered to comply with Florida Statutes § 20.052(4)(c).

(f) Support - DCF shall support the Taskforce or Council and the Taskforce or Council shall be administratively housed in DCF.

(g) Meetings - The Taskforce or Council shall meet quarterly in person or virtually using communications media technology as defined in section 120.54(5)(b)(2), Florida Statutes.

(h) Reporting - The Taskforce or Council shall provide and publish a report annually no later than November 30th or the first business day after November 30th, if November 30th falls on a weekend or is otherwise not a business day. The report shall contain information on how monies were spent the previous fiscal year by the State, each of the Qualified Counties, each of the Managing Entities, and each of the Local Governments. It shall also contain recommendations to the Governor, the Legislature, and Local Governments for priorities among the Approved Purposes or similar such uses for how monies should be spent the coming fiscal year to respond to the opioid epidemic. Prior to July 1st of each year, the State and each of the Local Governments shall provide information to DCF about how they intend to expend Opioid Funds in the upcoming fiscal year.

(i) Accountability - The State and each of the Local Governments shall report its expenditures to DCF no later than August 31st for the previous fiscal year. The Taskforce or Council will set other data sets that need to be reported to DCF to demonstrate the effectiveness of expenditures on Approved Purposes. In setting those requirements, the Taskforce or Council shall consider the Reporting Templates, Deliverables, Performance Measures, and other already utilized and existing templates and forms required by DCF from Managing Entities and suggest that similar requirements be utilized by all Parties to this Agreement.

(j) Conflict of Interest - All Members shall adhere to the rules, regulations and laws of Florida including, but not limited to, Florida Statute §112.311, concerning the disclosure of conflicts of interest and recusal from discussions or votes on conflicted matters.

7. **Administrative Costs**- The State may take no more than a 5% administrative fee from the State Fund and any Regional Fund that it administers for counties that are not Qualified Counties. Each Qualified County may take no more than a 5% administrative fee from its share of the Regional Funds. Municipalities and Counties may take no more than a 5% administrative fee from any funds that they receive or control from the City/County Fund.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

8. **Negotiation of Non-Multistate Settlements** - If the State begins negotiations with a Pharmaceutical Supply Chain Participant that is separate and apart from a multi-state negotiation, the State shall include Local Governments that are a part of the Negotiating Committee in such negotiations. No Settlement shall be recommended or accepted without the affirmative votes of both the State and Local Government representatives of the Negotiating Committee.

9. **Negotiation of Multistate or Local Government Settlements** - To the extent practicable and allowed by other parties to a negotiation, both Parties agree to communicate with members of the Negotiation Committee regarding the terms of any other Pharmaceutical Supply Chain Participant Settlement.

10. **Program Requirements**- DCF and Local Governments desire to make the most efficient and effective use of the Opioid Funds. DCF and Local Governments will work to achieve that goal by ensuring the following requirements will be minimally met by any governmental entity or provider providing services pursuant to a contract or grant of Opioid Funds:

a. In either performing services under this Agreement or contracting with a provider to provide services with the Opioid Funds under this Agreement, the State and Local Governments shall be aware of and comply with all State and Federal laws, rules, Children and Families Operating Procedures (CFOPs), and similar regulations relating to the substance abuse and treatment services.

b. The State and Local Governments shall have and follow their existing policies and practices for accounting and auditing, including policies relating to whistleblowers and avoiding fraud, waste, and abuse. The State and Local Governments shall consider additional policies and practices recommended by the Opioid Abatement Taskforce or Council. c. In any award or grant to any provider, State and Local Governments shall ensure that each provider acknowledges its awareness of its obligations under law and shall audit, supervise, or review each provider's performance routinely, at least once every year.

d. In contracting with a provider, the State and Local Governments shall set performance measures in writing for a provider.

e. The State and Local Governments shall receive and report expenditures, service utilization data, demographic information, and national outcome measures in a similar fashion as required by the 42.U.S.C. s. 300x and 42 U.S.C. s. 300x-21.

f. The State and Local Governments, that implement evidenced based practice models will participate in fidelity monitoring as prescribed and completed by the originator of the model chosen..

g. The State and Local Governments shall ensure that each year, an evaluation of the procedures and activities undertaken to comply with the requirements of this Agreement are completed.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

h. The State and Local Governments shall implement a monitoring process that will demonstrate oversight and corrective action in the case of non-compliance, for all providers that receive Opioid Funds. Monitoring shall include:

(i) Oversight of the any contractual or grant requirements;

(ii) Develop and utilize standardized monitoring tools;

(iii) Provide DCF and the Opioid Abatement Taskforce or Council with access to the monitoring reports; and

(iv) Develop and utilize the monitoring reports to create corrective action plans for providers, where necessary.

11. **Reporting and Records Requirements-** The State and Local Governments shall follow their existing reporting and records retention requirements along with considering any additional recommendations from the Opioid Abatement Taskforce or Council. Local Governments shall respond and provide documents to any reasonable requests from the State or Opioid Abatement Taskforce or Council for data or information about programs receiving Opioid Funds. The State and Local Governments shall ensure that any provider or sub-recipient of Opioid Funds at a minimum does the following:

(a) Any provider shall establish and maintain books, records and documents (including electronic storage media) sufficient to reflect all income and expenditures of Opioid Funds. Upon demand, at no additional cost to the State or Local Government, any provider will facilitate the duplication and transfer of any records or documents during the term that it receives any Opioid Funds and the required retention period for the State or Local Government. These records shall be made available at all reasonable times for inspection, review, copying, or audit by Federal, State, or other personnel duly authorized by the State or Local Government.

(b) Any provider shall retain and maintain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to the use of the Opioid Funds during the term of its receipt of Opioid Funds and retained for a period of six (6) years after its ceases to receives Opioid Funds or longer when required by law. In the event an audit is required by the State of Local Governments, records shall be retained for a minimum period of six (6) years after the audit report is issued or until resolution of any audit findings or litigation based on the terms of any award or contract.

(c) At all reasonable times for as long as records are maintained, persons duly authorized by State or Local Government auditors shall be allowed full access to and the right to examine any of the contracts and related records and documents, regardless of the form in which kept.

(d) A financial and compliance audit shall be performed annually and provided to the State.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

(e) All providers shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by The Office of the Inspector General (section 20.055, F.S.) or the State.

(f) No record may be withheld nor may any provider attempt to limit the scope of any of the foregoing inspections, reviews, copying, transfers or audits based on any claim that any record is exempt from public inspection or is confidential, proprietary or trade secret in nature; provided, however, that this provision does not limit any exemption to public inspection or copying to any such record.

12. **Expense Fund** - The Parties agree that in any negotiation every effort shall be made to cause Pharmaceutical Supply Chain Participants to pay costs of litigation, including attorneys' fees, in addition to any agreed to Opioid Funds in the Settlement. To the extent that a fund sufficient to pay the full contingent fees of Local Governments is not created as part of a Settlement by a Pharmaceutical Supply Chain Participant, the Parties agree that an additional expense fund for attorneys who represent Local Governments (herein "Expense Fund") shall be created out of the City/County fund for the purpose of paying the hard costs of a litigating Local Government and then paying attorneys' fees.

(a) The Source of Funds for the Expense Fund- Money for the Expense Fund shall be sourced exclusively from the City/County Fund.

(b) The Amount of the Expense Fund- The State recognizes the value litigating Local Governments bring to the State in connection with the Settlement because their participation increases the amount of Incentive Payments due from each Pharmaceutical Supply Chain Participant. In recognition of that value, the amount of funds that shall be deposited into the Expense Fund shall be contingent upon on the percentage of litigating Local Government participation in the Settlement, according to the following table:

Litigating Local Government Participation in the Settlement (by percentage of the population)	Amount that shall be paid into the Expense Fund from (and as a percentage of) the City/County fund
96 to 100%	10%
91 to 95%	7.5%
86 to 90%	5%
85%	2.5%
Less than 85%	0%

If fewer than 85% percent of the litigating Local Governments (by population) participate, then the Expense Fund shall not be funded, and this Section of the Agreement shall be null and void.

(c) The Timing of Payments into the Expense Fund- Although the amount of the Expense Fund shall be calculated based on the entirety of payments due to the City/County fund over a ten-to-eighteen-year period, the Expense Fund shall be funded entirely from payments made by Pharmaceutical Supply Chain Participants during the first two payments of the Settlement. Accordingly, to offset the amounts being paid from the

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

City/County Fund to the Expense Fund in the first two years, Counties or Municipalities may borrow from the Regional Fund during the first two years and pay the borrowed amounts back to the Regional Fund during years three, four, and five.

For the avoidance of doubt, the following provides an illustrative example regarding the calculation of payments and amounts that may be borrowed under the terms of this MOU, consistent with the provisions of this Section:

Opioid Funds due to State of Florida and Local Governments (over 10 to 18 years):	$1,000
Litigating Local Government Participation:	100%
City/County Fund (over 10 to 18 years):	$150
Expense Fund (paid over 2 years):	$15
Amount Paid to Expense Fund in 1st year:	$7.5
Amount Paid to Expense Fund in 2nd year	$7.5
Amount that may be borrowed from Regional Fund in 1st year:	$7.5
Amount that may be borrowed from Regional Fund in 2nd year:	$7.5
Amount that must be paid back to Regional Fund in 3rd year:	$5
Amount that must be paid back to Regional Fund in 4th year:	$5
Amount that must be paid back to Regional Fund in 5th year:	$5

(d) Creation of and Jurisdiction over the Expense Fund- The Expense Fund shall be established, consistent with the provisions of this Section of the Agreement, by order of the Court. The Court shall have jurisdiction over the Expense Fund, including authority to allocate and disburse amounts from the Expense Fund and to resolve any disputes concerning the Expense Fund.

(e) Allocation of Payments to Counsel from the Expense Fund- As part of the order establishing the Expense Fund, counsel for the litigating Local Governments shall seek to have the Court appoint a third-neutral to serve as a special master for purposes of allocating the Expense Fund. Within 30 days of entry of the order appointing a special master for the Expense Fund, any counsel who intend to seek an award from the Expense Fund shall provide the copies of their contingency fee contracts to the special master. The special master shall then build a mathematical model, which shall be based on each litigating Local Government's share under the Negotiation Class Metrics and the rate set forth in their contingency contracts, to calculate a proposed award for each litigating Local Government who timely provided a copy of its contingency contract.

13. **Dispute resolution-** Any one or more of the Local Governments or the State may object to an allocation or expenditure of Opioid Funds solely on the basis that the allocation or expenditure at issue (a) is inconsistent with the Approved Purposes; (b) is inconsistent with the distribution scheme as provided in paragraph,; (c) violates the limitations set forth herein with respect to administrative costs or the Expense Fund; or (d) to recover amounts advanced from the Regional Fund for the Expense Fund. There shall be no other basis for bringing an objection to the approval of an allocation or expenditure of Opioid Funds. In the event that there is a National Settlement Administrator or similar entity, the Local Governments sole action for non-payment of

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

amounts due from the City/County Fund shall be against the particular settling defendant and/or the National Settlement Administrator or similar entity.

C. Other Terms and Conditions

1. **Governing Law and Venue**: This Agreement will be governed by the laws of the State of Florida. Any and all litigation arising under the Agreement, unless otherwise specified in this Agreement, will be instituted in either: (a) the Court that enters the Order if the matter deals with a matter covered by the Order and the Court retains jurisdiction; or (b) the appropriate State court in Leon County, Florida.

2. **Agreement Management and Notification:** The Parties have identified the following individuals as Agreement Managers and Administrators:

a. State of Florida Agreement Manager:

Greg Slemp

PL-01, The Capitol, Tallahassee, FL 32399

850-414-3300

Greg.slemp@myfloridalegal.com

b. State of Florida Agreement Administrator

Janna Barineau

PL-01, The Capitol, Tallahassee, FL 32399

850-414-3300

Janna.barineau@myfloridalegal.com

c. Local Governments Agreement Managers and Administrators are listed on Exhibit C to this Agreement.

Changes to either the Managers or Administrators may be made by notifying the other Party in writing, without formal amendment to this Agreement.

3. **Notices**. All notices required under the Agreement will be delivered by certified mail, return receipt requested, by reputable air courier, or by personal delivery to the designee identified in paragraphs C.2., above. Either designated recipient may notify the other, in writing, if someone else is designated to receive notice.

4. **Cooperation with Inspector General:** Pursuant to section 20.055, Florida Statutes, the Parties, understand and will comply with their duty to cooperate with the Inspector General in any investigation, audit, inspection, review, or hearing.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

5. **Public Records**: The Parties will keep and maintain public records pursuant to Chapter 119, Florida Statutes and will comply will all applicable provisions of that Chapter.

6. **Modification**: This Agreement may only be modified by a written amendment between the appropriate parties. No promises or agreements made subsequent to the execution of this Agreement shall be binding unless express, reduced to writing, and signed by the Parties.

7. **Execution in Counterparts**: This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

8. **Assignment:** The rights granted in this Agreement may not be assigned or transferred by any party without the prior written approval of the other party. No party shall be permitted to delegate its responsibilities or obligations under this Agreement without the prior written approval of the other parties.

9. **Additional Documents:** The Parties agree to cooperate fully and execute any and all supplementary documents and to take all additional actions which may be reasonably necessary or appropriate to give full force and effect to the basic terms and intent of this Agreement.

10. **Captions:** The captions contained in this Agreement are for convenience only and shall in no way define, limit, extend or describe the scope of this Agreement or any part of it.

11. **Entire Agreement:** This Agreement, including any attachments, embodies the entire agreement of the parties. There are no other provisions, terms, conditions, or obligations. This Agreement supersedes all previous oral or written communications, representations or agreements on this subject.

12. **Construction:** The parties hereto hereby mutually acknowledge and represent that they have been fully advised by their respective legal counsel of their rights and responsibilities under this Agreement, that they have read, know, and understand completely the contents hereof, and that they have voluntarily executed the same. The parties hereto further hereby mutually acknowledge that they have had input into the drafting of this Agreement and that, accordingly, in any construction to be made of this Agreement, it shall not be construed for or against any party, but rather shall be given a fair and reasonable interpretation, based on the plain language of the Agreement and the expressed intent of the parties.

13. **Capacity to Execute Agreement:** The parties hereto hereby represent and warrant that the individuals signing this Agreement on their behalf are duly authorized and fully competent to do so.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

14. **Effectiveness:** This Agreement shall become effective on the date on which the last required signature is affixed to this Agreement.

IN WITNESS THEREOF, the parties hereto have caused the Agreement to be executed by their undersigned officials as duly authorized.

STATE OF FLORIDA

By: John Guard 11/15/2021 DATED

Its: Chief Deputy Attorney General

EXHIBIT A

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

Schedule A

Core Strategies

States and Qualifying Block Grantees shall choose from among the abatement strategies listed in Schedule B. However, priority shall be given to the following core abatement strategies ("**Core Strategies**")[, such that a minimum of __% of the [aggregate] state-level abatement distributions shall be spent on [one or more of] them annually].[1]

A. Naloxone or other FDA-approved drug to reverse opioid overdoses

1. Expand training for first responders, schools, community support groups and families; and

2. Increase distribution to individuals who are uninsured or whose insurance does not cover the needed service.

B. Medication-Assisted Treatment ("MAT") Distribution and other opioid-related treatment

1. Increase distribution of MAT to non-Medicaid eligible or uninsured individuals;

2. Provide education to school-based and youth-focused programs that discourage or prevent misuse;

3. Provide MAT education and awareness training to healthcare providers, EMTs, law enforcement, and other first responders; and

4. Treatment and Recovery Support Services such as residential and inpatient treatment, intensive outpatient treatment, outpatient therapy or counseling, and recovery housing that allow or integrate medication with other support services.

C. Pregnant & Postpartum Women

1. Expand Screening, Brief Intervention, and Referral to Treatment ("SBIRT") services to non-Medicaid eligible or uninsured pregnant women;

2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for women with co-occurring Opioid Use Disorder ("OUD") and other Substance Use Disorder ("SUD")/Mental Health disorders for uninsured individuals for up to 12 months postpartum; and

3. Provide comprehensive wrap-around services to individuals with Opioid Use Disorder (OUD) including housing, transportation, job placement/training, and childcare.

D. Expanding Treatment for Neonatal Abstinence Syndrome

1. Expand comprehensive evidence-based and recovery support for NAS babies;

2. Expand services for better continuum of care with infant-need dyad; and

3. Expand long-term treatment and services for medical monitoring of NAS babies and their families.

---

[1] As used in this Schedule A, words like "expand," "fund," "provide" or the like shall not indicate a preference for new or existing programs. Priorities will be established through the mechanisms described in the Term Sheet.

E. Expansion of Warm Hand-off Programs and Recovery Services

1. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments;

2. Expand warm hand-off services to transition to recovery services;

3. Broaden scope of recovery services to include co-occurring SUD or mental health conditions. ;

4. Provide comprehensive wrap-around services to individuals in recovery including housing, transportation, job placement/training, and childcare; and

5. Hire additional social workers or other behavioral health workers to facilitate expansions above.

F. Treatment for Incarcerated Population

1. Provide evidence-based treatment and recovery support including MAT for persons with OUD and co-occurring SUD/MH disorders within and transitioning out of the criminal justice system; and

2. Increase funding for jails to provide treatment to inmates with OUD.

G. Prevention Programs

1. Funding for media campaigns to prevent opioid use (similar to the FDA's "Real Cost" campaign to prevent youth from misusing tobacco);

2. Funding for evidence-based prevention programs in schools.;

3. Funding for medical provider education and outreach regarding best prescribing practices for opioids consistent with the 2016 CDC guidelines, including providers at hospitals (academic detailing);

4. Funding for community drug disposal programs; and

5. Funding and training for first responders to participate in pre-arrest diversion programs, post-overdose response teams, or similar strategies that connect at-risk individuals to behavioral health services and supports.

H. Expanding Syringe Service Programs

1. Provide comprehensive syringe services programs with more wrap-around services including linkage to OUD treatment, access to sterile syringes, and linkage to care and treatment of infectious diseases.

I. Evidence-based data collection and research analyzing the effectiveness of the abatement strategies within the State.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

EXHIBIT B

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

Schedule B

Approved Uses

PART ONE: TREATMENT

A. TREAT OPIOID USE DISORDER (OUD)

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:[2]

1. Expand availability of treatment for OUD and any co-occurring SUD/MH conditions, including all forms of Medication-Assisted Treatment (MAT) approved by the U.S. Food and Drug Administration.

2. Support and reimburse evidence-based services that adhere to the American Society of Addiction Medicine (ASAM) continuum of care for OUD and any co-occurring SUD/MH conditions

3. Expand telehealth to increase access to treatment for OUD and any co-occurring SUD/MH conditions, including MAT, as well as counseling, psychiatric support, and other treatment and recovery support services.

4. Improve oversight of Opioid Treatment Programs (OTPs) to assure evidence-based or evidence-informed practices such as adequate methadone dosing and low threshold approaches to treatment.

5. Support mobile intervention, treatment, and recovery services, offered by qualified professionals and service providers, such as peer recovery coaches, for persons with OUD and any co-occurring SUD/MH conditions and for persons who have experienced an opioid overdose.

6. Treatment of trauma for individuals with OUD (e.g., violence, sexual assault, human trafficking, or adverse childhood experiences) and family members (e.g., surviving family members after an overdose or overdose fatality), and training of health care personnel to identify and address such trauma.

7. Support evidence-based withdrawal management services for people with OUD and any co-occurring mental health conditions.

8. Training on MAT for health care providers, first responders, students, or other supporting professionals, such as peer recovery coaches or recovery outreach specialists, including telementoring to assist community-based providers in rural or underserved areas.

9. Support workforce development for addiction professionals who work with persons with OUD and any co-occurring SUD/MH conditions.

10. Fellowships for addiction medicine specialists for direct patient care, instructors, and clinical research for treatments.

11. Scholarships and supports for behavioral health practitioners or workers involved in addressing OUD and any co-occurring SUD or mental health conditions, including but not limited to training,

[2] As used in this Schedule B, words like "expand," "fund," "provide" or the like shall not indicate a preference for new or existing programs. Priorities will be established through the mechanisms described in the Term Sheet.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

scholarships, fellowships, loan repayment programs, or other incentives for providers to work in rural or underserved areas.

12. [Intentionally Blank – to be cleaned up later for numbering]

13. Provide funding and training for clinicians to obtain a waiver under the federal Drug Addiction Treatment Act of 2000 (DATA 2000) to prescribe MAT for OUD, and provide technical assistance and professional support to clinicians who have obtained a DATA 2000 waiver.

14. Dissemination of web-based training curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service-Opioids web-based training curriculum and motivational interviewing.

15. Development and dissemination of new curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service for Medication-Assisted Treatment.

B. SUPPORT PEOPLE IN TREATMENT AND RECOVERY

Support people in treatment for or recovery from OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Provide comprehensive wrap-around services to individuals with OUD and any co-occurring SUD/MH conditions, including housing, transportation, education, job placement, job training, or childcare.

2. Provide the full continuum of care of treatment and recovery services for OUD and any co-occurring SUD/MH conditions, including supportive housing, peer support services and counseling, community navigators, case management, and connections to community-based services.

3. Provide counseling, peer-support, recovery case management and residential treatment with access to medications for those who need it to persons with OUD and any co-occurring SUD/MH conditions.

4. Provide access to housing for people with OUD and any co-occurring SUD/MH conditions, including supportive housing, recovery housing, housing assistance programs, training for housing providers, or recovery housing programs that allow or integrate FDA-approved medication with other support services.

5. Provide community support services, including social and legal services, to assist in deinstitutionalizing persons with OUD and any co-occurring SUD/MH conditions.

6. Support or expand peer-recovery centers, which may include support groups, social events, computer access, or other services for persons with OUD and any co-occurring SUD/MH conditions.

7. Provide or support transportation to treatment or recovery programs or services for persons with OUD and any co-occurring SUD/MH conditions.

8. Provide employment training or educational services for persons in treatment for or recovery from OUD and any co-occurring SUD/MH conditions.

9. Identify successful recovery programs such as physician, pilot, and college recovery programs, and provide support and technical assistance to increase the number and capacity of high-quality programs to help those in recovery.

10. Engage non-profits, faith-based communities, and community coalitions to support people in treatment and recovery and to support family members in their efforts to support the person with OUD in the family.

11. Training and development of procedures for government staff to appropriately interact and provide social and other services to individuals with or in recovery from OUD, including reducing stigma.

12. Support stigma reduction efforts regarding treatment and support for persons with OUD, including reducing the stigma on effective treatment.

13. Create or support culturally appropriate services and programs for persons with OUD and any co-occurring SUD/MH conditions, including new Americans.

14. Create and/or support recovery high schools.

15. Hire or train behavioral health workers to provide or expand any of the services or supports listed above.

C. CONNECT PEOPLE WHO NEED HELP TO THE HELP THEY NEED (CONNECTIONS TO CARE)

Provide connections to care for people who have – or at risk of developing – OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Ensure that health care providers are screening for OUD and other risk factors and know how to appropriately counsel and treat (or refer if necessary) a patient for OUD treatment.

2. Fund Screening, Brief Intervention and Referral to Treatment (SBIRT) programs to reduce the transition from use to disorders, including SBIRT services to pregnant women who are uninsured or not eligible for Medicaid.

3. Provide training and long-term implementation of SBIRT in key systems (health, schools, colleges, criminal justice, and probation), with a focus on youth and young adults when transition from misuse to opioid disorder is common.

4. Purchase automated versions of SBIRT and support ongoing costs of the technology.

5. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments.

6. Training for emergency room personnel treating opioid overdose patients on post-discharge planning, including community referrals for MAT, recovery case management or support services.

7. Support hospital programs that transition persons with OUD and any co-occurring SUD/MH conditions, or persons who have experienced an opioid overdose, into clinically-appropriate follow-up care through a bridge clinic or similar approach.

8. Support crisis stabilization centers that serve as an alternative to hospital emergency departments for persons with OUD and any co-occurring SUD/MH conditions or persons that have experienced an opioid overdose.

9. Support the work of Emergency Medical Systems, including peer support specialists, to connect individuals to treatment or other appropriate services following an opioid overdose or other opioid-related adverse event.

10. Provide funding for peer support specialists or recovery coaches in emergency departments, detox facilities, recovery centers, recovery housing, or similar settings; offer services, supports, or connections to care to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced an opioid overdose.

11. Expand warm hand-off services to transition to recovery services.

12. Create or support school-based contacts that parents can engage with to seek immediate treatment services for their child; and support prevention, intervention, treatment, and recovery programs focused on young people.

13. Develop and support best practices on addressing OUD in the workplace.

14. Support assistance programs for health care providers with OUD.

15. Engage non-profits and the faith community as a system to support outreach for treatment.

16. Support centralized call centers that provide information and connections to appropriate services and supports for persons with OUD and any co-occurring SUD/MH conditions.

D. ADDRESS THE NEEDS OF CRIMINAL-JUSTICE-INVOLVED PERSONS

Address the needs of persons with OUD and any co-occurring SUD/MH conditions who are involved in, are at risk of becoming involved in, or are transitioning out of the criminal justice system through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions, including established strategies such as:

a. Self-referral strategies such as the Angel Programs or the Police Assisted Addiction Recovery Initiative (PAARI);

b. Active outreach strategies such as the Drug Abuse Response Team (DART) model;

c. “Naloxone Plus” strategies, which work to ensure that individuals who have received naloxone to reverse the effects of an overdose are then linked to treatment programs or other appropriate services;

d. Officer prevention strategies, such as the Law Enforcement Assisted Diversion (LEAD) model;

e. Officer intervention strategies such as the Leon County, Florida Adult Civil Citation Network or the Chicago Westside Narcotics Diversion to Treatment Initiative; or

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

f. Co-responder and/or alternative responder models to address OUD-related 911 calls with greater SUD expertise

2. Support pre-trial services that connect individuals with OUD and any co-occurring SUD/MH conditions to evidence-informed treatment, including MAT, and related services.

3. Support treatment and recovery courts that provide evidence-based options for persons with OUD and any co-occurring SUD/MH conditions

4. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are incarcerated in jail or prison.

5. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are leaving jail or prison have recently left jail or prison, are on probation or parole, are under community corrections supervision, or are in re-entry programs or facilities.

6. Support critical time interventions (CTI), particularly for individuals living with dual-diagnosis OUD/serious mental illness, and services for individuals who face immediate risks and service needs and risks upon release from correctional settings.

7. Provide training on best practices for addressing the needs of criminal-justice-involved persons with OUD and any co-occurring SUD/MH conditions to law enforcement, correctional, or judicial personnel or to providers of treatment, recovery, harm reduction, case management, or other services offered in connection with any of the strategies described in this section.

E. ADDRESS THE NEEDS OF PREGNANT OR PARENTING WOMEN AND THEIR FAMILIES, INCLUDING BABIES WITH NEONATAL ABSTINENCE SYNDROME

Address the needs of pregnant or parenting women with OUD and any co-occurring SUD/MH conditions, and the needs of their families, including babies with neonatal abstinence syndrome (NAS), through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Support evidence-based or evidence-informed treatment, including MAT, recovery services and supports, and prevention services for pregnant women – or women who could become pregnant – who have OUD and any co-occurring SUD/MH conditions, and other measures to educate and provide support to families affected by Neonatal Abstinence Syndrome.

2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for uninsured women with OUD and any co-occurring SUD/MH conditions for up to 12 months postpartum.

3. Training for obstetricians or other healthcare personnel that work with pregnant women and their families regarding treatment of OUD and any co-occurring SUD/MH conditions.

4. Expand comprehensive evidence-based treatment and recovery support for NAS babies; expand services for better continuum of care with infant-need dyad; expand long-term treatment and services for medical monitoring of NAS babies and their families.

5. Provide training to health care providers who work with pregnant or parenting women on best practices for compliance with federal requirements that children born with Neonatal Abstinence Syndrome get referred to appropriate services and receive a plan of safe care.

6. Child and family supports for parenting women with OUD and any co-occurring SUD/MH conditions.

7. Enhanced family supports and child care services for parents with OUD and any co-occurring SUD/MH conditions.

8. Provide enhanced support for children and family members suffering trauma as a result of addiction in the family; and offer trauma-informed behavioral health treatment for adverse childhood events.

9. Offer home-based wrap-around services to persons with OUD and any co-occurring SUD/MH conditions, including but not limited to parent skills training.

10. Support for Children's Services – Fund additional positions and services, including supportive housing and other residential services, relating to children being removed from the home and/or placed in foster care due to custodial opioid use.

PART TWO: PREVENTION

F. PREVENT OVER-PRESCRIBING AND ENSURE APPROPRIATE PRESCRIBING AND DISPENSING OF OPIOIDS

Support efforts to prevent over-prescribing and ensure appropriate prescribing and dispensing of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Fund medical provider education and outreach regarding best prescribing practices for opioids consistent with Guidelines for Prescribing Opioids for Chronic Pain from the U.S. Centers for Disease Control and Prevention, including providers at hospitals (academic detailing).

2. Training for health care providers regarding safe and responsible opioid prescribing, dosing, and tapering patients off opioids.

3. Continuing Medical Education (CME) on appropriate prescribing of opioids.

4. Support for non-opioid pain treatment alternatives, including training providers to offer or refer to multi-modal, evidence-informed treatment of pain.

5. Support enhancements or improvements to Prescription Drug Monitoring Programs (PDMPs), including but not limited to improvements that:

a. Increase the number of prescribers using PDMPs;

b. Improve point-of-care decision-making by increasing the quantity, quality, or format of data available to prescribers using PDMPs, by improving the interface that prescribers use to access PDMP data, or both; or

c. Enable states to use PDMP data in support of surveillance or intervention strategies, including MAT referrals and follow-up for individuals identified within PDMP data as likely to experience OUD in a manner that complies with all relevant privacy and security laws and rules.

6. Ensuring PDMPs incorporate available overdose/naloxone deployment data, including the United States Department of Transportation's Emergency Medical Technician overdose database in a manner that complies with all relevant privacy and security laws and rules.

7. Increase electronic prescribing to prevent diversion or forgery.

8. Educate Dispensers on appropriate opioid dispensing.

G. PREVENT MISUSE OF OPIOIDS

Support efforts to discourage or prevent misuse of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Fund media campaigns to prevent opioid misuse.

2. Corrective advertising or affirmative public education campaigns based on evidence.

3. Public education relating to drug disposal.

4. Drug take-back disposal or destruction programs.

5. Fund community anti-drug coalitions that engage in drug prevention efforts.

6. Support community coalitions in implementing evidence-informed prevention, such as reduced social access and physical access, stigma reduction – including staffing, educational campaigns, support for people in treatment or recovery, or training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration (SAMHSA).

7. Engage non-profits and faith-based communities as systems to support prevention.

8. Fund evidence-based prevention programs in schools or evidence-informed school and community education programs and campaigns for students, families, school employees, school athletic programs, parent-teacher and student associations, and others.

9. School-based or youth-focused programs or strategies that have demonstrated effectiveness in preventing drug misuse and seem likely to be effective in preventing the uptake and use of opioids.

10. Create of support community-based education or intervention services for families, youth, and adolescents at risk for OUD and any co-occurring SUD/MH conditions.

11. Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills.

12. Support greater access to mental health services and supports for young people, including services and supports provided by school nurses, behavioral health workers or other school staff, to address

mental health needs in young people that (when not properly addressed) increase the risk of opioid or other drug misuse.

H. PREVENT OVERDOSE DEATHS AND OTHER HARMS (HARM REDUCTION)

Support efforts to prevent or reduce overdose deaths or other opioid-related harms through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Increase availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, individuals with OUD and their friends and family members, individuals at high risk of overdose, schools, community navigators and outreach workers, persons being released from jail or prison, or other members of the general public.

2. Public health entities provide free naloxone to anyone in the community

3. Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, community support groups, and other members of the general public.

4. Enable school nurses and other school staff to respond to opioid overdoses, and provide them with naloxone, training, and support.

5. Expand, improve, or develop data tracking software and applications for overdoses/naloxone revivals.

6. Public education relating to emergency responses to overdoses.

7. Public education relating to immunity and Good Samaritan laws.

8. Educate first responders regarding the existence and operation of immunity and Good Samaritan laws.

9. Syringe service programs and other evidence-informed programs to reduce harms associated with intravenous drug use, including supplies, staffing, space, peer support services, referrals to treatment, fentanyl checking, connections to care, and the full range of harm reduction and treatment services provided by these programs.

10. Expand access to testing and treatment for infectious diseases such as HIV and Hepatitis C resulting from intravenous opioid use.

11. Support mobile units that offer or provide referrals to harm reduction services, treatment, recovery supports, health care, or other appropriate services to persons that use opioids or persons with OUD and any co-occurring SUD/MH conditions.

12. Provide training in harm reduction strategies to health care providers, students, peer recovery coaches, recovery outreach specialists, or other professionals that provide care to persons who use opioids or persons with OUD and any co-occurring SUD/MH conditions.

13. Support screening for fentanyl in routine clinical toxicology testing.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

PART THREE: OTHER STRATEGIES

I. FIRST RESPONDERS

In addition to items in sections C, D, and H relating to first responders, support the following:

1. Educate law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs.

2. Provision of wellness and support services for first responders and others who experience secondary trauma associated with opioid-related emergency events.

J. LEADERSHIP, PLANNING AND COORDINATION

Support efforts to provide leadership, planning, coordination, facilitation, training and technical assistance to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Statewide, regional, local, or community regional planning to identify root causes of addiction and overdose, goals for reducing harms related to the opioid epidemic, and areas and populations with the greatest needs for treatment intervention services; to support training and technical assistance; or to support other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

2. A dashboard to share reports, recommendations, or plans to spend opioid settlement funds; to show how opioid settlement funds have been spent; to report program or strategy outcomes; or to track, share, or visualize key opioid-related or health-related indicators and supports as identified through collaborative statewide, regional, local, or community processes.

3. Invest in infrastructure or staffing at government or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of preventing overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

4. Provide resources to staff government oversight and management of opioid abatement programs.

K. TRAINING

In addition to the training referred to throughout this document, support training to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis.

2. Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent overdoses, and treat those with OUD and any co-occurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (e.g., health care, primary care, pharmacies, PDMPs, etc.).

L. RESEARCH

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

Support opioid abatement research that may include, but is not limited to, the following:

1. Monitoring, surveillance, data collection, and evaluation of programs and strategies described in this opioid abatement strategy list.

2. Research non-opioid treatment of chronic pain.

3. Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders.

4. Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips.

5. Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids.

6. Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (e.g. Hawaii HOPE and Dakota 24/7).

7. Epidemiological surveillance of OUD-related behaviors in critical populations including individuals entering the criminal justice system, including but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring (ADAM) system.

8. Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.

9. Geospatial analysis of access barriers to MAT and their association with treatment engagement and treatment outcomes.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

EXHIBIT D

LAKE COUNTY
OPIOID ABATEMENT PLAN

This Lake County Opioid Abatement Plan is developed, periodically reviewed, and updated by the Lake County Opioid Task Force for the purpose of documenting the goals for opioid abuse abatement in Lake County, Florida.

WHEREAS, a local, state and national crisis arose as a result of the manufacture, distribution, and over-prescribing of opioid analgesics ("opioids") which resulted in opioid overdoses and addictions throughout municipalities, counties, states, and the nation; and,

WHEREAS, Lake County and the municipalities therein are not immune from this nationwide crisis; and,

WHEREAS, in January of 2021, a collaborative body known as the Lake County Opioid Task Force, hereinafter "Opioid Task Force," formed in Lake County in response to the alarming increase in opioid-related drug misuse and opioid-related deaths within the geographic boundaries of Lake County; and,

WHEREAS, the Opioid Task Force will continue to provide local governments with relevant information on the opioid national crises as well as information and analysis on the nature, extent, and problems in Lake County and on opioid-related programs consistent with the State MOU; and,

WHEREAS, the Opioid Task Force meets periodically to study and analyze data related to the opioid epidemic and abatement programming; and,

WHEREAS, the Opioid Task Force has developed a three-pronged approach to abate the opioid epidemic in Lake County by implementing a drug treatment court, focusing on medical services, and informing the public about opioid abuse and resources for treatment and prevention. This will be known as the Lake County Opioid Abatement Plan.

THEREFORE, Lake County's plan for opioid abatement includes the following:

1. Opioid Task Force. The Opioid Task Force's purpose is to gather data about the nature and extent of problems communities within the County face, and to receive, report, and make recommendations to the Lake County Board of County Commissioners (BCC) about activities that should be undertaken to abate the opioid epidemic.

2. Three-Part Plan. Through their research and data analysis, the Opioid Task Force has identified three key areas in which to focus opioid abatement efforts:

a. **Justice Services** – A positive correlation exists between drug abuse and crime. The creation of a drug treatment court, increasing data collection, and improving first responder training will reduce drug abuse and result in fewer crimes and less homelessness per capita.

i. Establish a Drug Treatment Court – Empirical evidence indicates drug treatment courts reduce substance abuse, hospitalizations, crime, and recidivism. Additionally, drug treatment courts have proven effective at reducing property crimes and public order offenses which strains the public safety, court, jail, probation & parole, and healthcare systems. Efforts will be taken to establish and maintain a dedicated drug treatment court in Lake County to improve the health, safety, and welfare for Lake County's residents by reducing crime and reducing taxpayer costs. The drug treatment court will be modeled after the most successful programs in the nation. The program goal is to reduce recidivism for drug related criminal offenses by sixty percent (60%) or more.

ii. Data Collection – Encourage participating agencies to enter overdose data into the High Intensity Drug Targeting Area (H.I.D.T.A.) tracking system to establish a baseline for performance measurements, identify trends, and enhance public outreach where clusters develop.

iii. Training – Offer opioid response training on best practices to law enforcement officers annually.

b. **Medical Services**. Experience indicates potential process improvements in the healthcare system beginning with the first patient contact in the field through discharge from the hospital will improve outcomes.

i. Map the healthcare opioid treatment process from initial patient contact in the field to hospital discharge.

ii. Improve the medical process by bridging any gaps in communication, information, and treatment between paramedics, treating physicians, patients, and patient families.

iii. Encourage healthcare facilities to expand the number of licensed medical professionals to become certified to provide Medication Assisted Treatment (M.A.T.) and combine the treatment with psychosocial interventions.

iv. Expand emergency peer support services currently provided by AdventHealth and L.S.F. Health Systems to all hospitals in Lake County. This program has successfully reduced overdose recidivism in the emergency room by fifty-five percent (55%).

v. Require Lake E.M.S. to enter all overdose data into the High Intensity Drug Targeting Area (H.I.D.T.A.) tracking system to establish a baseline for performance measurements, identify trends, and enhance public outreach.

vi. Require opioid treatment process best practices training for all E.M.T.s and paramedics biennially.

c. **Public Information**. Discussions with Lake County's stakeholders indicates a need for information sharing among public and private groups as well as public education about available treatment options for those impacted by opioid addiction.

i. Public Meetings – Hold three public information meetings, one in north, middle, and south Lake County, to educate the citizens about available drug treatment options for themselves or their loved ones. Education will include information about types of treatment options, locations of community groups and professional treatment facilities, the Hugh O' Connor Memorial Act, the Marchman Act, as well as others.

ii. Provider Meetings – Hold annual provider meetings for those working in the justice system and healthcare system to inform the service providers about the robust resource systems in place to locate help for their clients and patients.

iii. Software – Improve the available coordinated care networks including the "Aunt Bertha" and "Unite Us" systems by adding more providers.

iv. Brochures, Flyers, and Cards – Create treatment option informational notices and distribute them to public safety personnel to hand out while on calls regarding drug abuse or overdoses as well as places, like city halls, fueling stations, and other commercial facilities in other locations frequented by the public.

4. Obligations. Lake County and the Opioid Task Force will use its best efforts to investigate, analyze, and advise on matters related to the opioid epidemic and implement strategies with the goal of abatement. Nothing in this plan creates any legal requirements or obligations of any entity. This plan does not create any requirement that money be spent towards any activity herein and no person or entity may rely upon this plan as an indication of how money may be spent.

5. **Plan Modification**. This plan may be modified by the Lake County Opioid Task Force from time to time for any reason or no reason at all according to the needs of the County.

This plan was last updated on December 21, 2021.

EXHIBIT E (COMPOSITE)

LAKE COUNTY DRUG COURT PROPOSED YEAR ONE BUDGET

	EXPENSE TYPE	UNIT DESCRIPTION	State MOU Core Strategies (Schedule A)	State MOU Approved Uses (Schedule B)	Approx. # of units or people		TOTAL COST
1	Transportation	Uber, bus passes, sober escorts etc.	E4	B1, B7	100		$ 5,000.00
2	Training and Education	Training & travel to conferences related to Drug Court Best Practices for approved team members		D3, D7, J3, K1			$ 13,000.00
3	Office Supplies & participant incentives for behavior change	Files, stationary, cards, certificates, pens, etc.		J4			$ 3,200.00
4	Administrative cost (Salary for 1 FTE Coordinator CPS1)	Pass through Lake County BOCC - salary & benefits for 1 FTE for Court Program Specialist 1 or equivalent position salary & benefits	F1	B5, D3, J3, K1	1		$ 70,000.00
		Cost of below services based on RFI					$ -
5	Treatment Services	Biopsychosocial Assessment	F1	B2, D5	50		$ 2,250.00
6	Treatment Services	Treatment Plan & Update	F1	A1, B2, B3, D5	100		$ 6,000.00
7	Treatment Services	Individual & family therapy sessions	F1	B2, B3, D5	200		$ 12,000.00
8	Treatment Services	Outpatient group	F1	B2, D5	2000		$ 50,000.00
9	Treatment Services	IOP (hourly rate)	F1	B2, D5	1000		$ 30,000.00
10	Treatment Services	Clinical case management	F1	B2, B3, D5	20		$ 400.00
11	Treatment Services	Initial Psychiatric Assessment (MAT/Meds)	B1, B4, F1	A1, B2, D5	20		$ 6,000.00
12	Treatment Services	Medication Management Follow Up	B1, B4, F1	A1, A7, B2, D5	20		$ 3,000.00
13	Treatment Services	Residential Level 2 (long term substance abuse treatment)	B4, E4, F1	A7, B2, B3	500		$ 93,200.00
14	Treatment Services	Recovery or Life skill or Criminogenic classes	F1	B2, D5	100		$ 2,000.00
15	Drug Screens	Drug testing for participants at an average of $30 per test (some variation in cost due to number of panels, confirmation, and type) random & frequent	F1	B2, D5	2000		$ 60,000.00
16	Sober Housing	Supportive housing focused on recovery	B4, E4	B1, B2, B4	500		$ 7,500.00
17	Recovery Housing	Therapeutically supervised supportive recovery driven living environment that requires random drug testing & organized supportive classes or sessions included	B4, E4	B1, B2, B4	200		$ 10,000.00
18	Peer Recovery Coaching		E2	B2, C10	100		$ 2,000.00
		TOTAL FOR COURT ADMINISTRATION					**$ 375,550.00**
		OTHER EXPENSES					$ -
19	Housing	Temporary housing or housing not related to sober living or residential treatment - will be provided through contracted service provider/managing entity	B4, E4	B1	5		$ 25,000.00
20	Attorneys	Training & other auxiliary funding related to Treatment Courts in Lake-for State Attorney& Public Defenders office ($20,000 each)		B5, J3	2	$ 20,000.00	$ 40,000.00
		TOTAL FOR ADDITIONAL LEGAL AND HOUSING SERVICES					**$ 65,000.00**
		TOTAL REQUEST					**$ 440,550.00**

SCOPE OF WORK - Services and Tasks

TASK SERVICE ID #	TASK SERVICE TITLE	DESCRIPTION/PERFORMANCE STANDARDS/FINICAL CONSEQUENCES
1*	Operating Procedures	1.1. DESCRIPTION: Work with Program Stakeholders to establish and review operational procedures and processes for revision to maximize the efficiency and growth of the program. The procedures must address, at a minimum, the topics of: 1.1.1. Staffing and scheduling 1.1.2. Participant intake process 1.1.3. Model orders and forms 1.1.4. Case file documentation 1.1.5. Database use and inputting as required 1.1.6. Referral process 1.1.7. Case progress reviews and reporting 1.1.8. Court communication 1.1.9. Liaison services 1.1.10. Consultation services
2*	Monthly Schedule	2.1 DESCRIPTION: Draft and update the monthly schedule to include when applicable and not limited to: 2.1.1. Court dockets: dates, times, locations, cases included staff assigned to attend 2.1.2. Orientation sessions: dates, times, locations participants required to attend and staff assigned to conduct the session 2.1.3. Cases scheduled for progress review and reporting 2.1.4. Orders and forms due 2.1.5. Court requests for information due 2.1.6. Consultation sessions
3*	Maintain Databases	3.1 DESCRIPTION: Maintain and update participant data utilizing the Florida Drug Court Case Management System (FLDCCMS)
4*	Dockets & Formal Meeting Attendance	4.1 DESCRIPTION: Attend Opioid Drug Court dockets
5*	Bi-Weekly Staffings	5.1 DESCRIPTION: Manager, or designee, attend Scheduled staffings, subject to change based on the presiding judge's schedule, to: 1.1.1. Discuss the upcoming docket 1.1.2. Review outstanding cases and assignments, especially any cases with no new activity or progress for the week.
6.	Orientation Program	6.1 DESCRIPTION: Facilitate an orientation program for each incoming participant and assure that employees are able to provide this service as well. Orientation will include, but is not limited to: 1. Purpose, rules, goals and objectives of the Veterans Court Program 2. Qualifications for admission and continued participation in the Program 3. Expectations of the participant 4. Sanctions for non-cooperation, lack of progress, and failure to meet target goals.
7.	Judicial Consultation Services	7.1DESCRIPTION: Provide consultation with the Court and Court staff on issues relating to Opioid Drug Users who are not part of the Opioid Drug Court Program
8.	Liaison Services	8.1 DESCRIPTION:

		The Manager will serve as the liaison between the Court and all third parties on all Opioid Drug Court matters, coordinating all activities through the Contract Manager.

EXHIBIT F

IN THE CIRCUIT COURT OF THE FIFTH JUDICIAL CIRCUIT OF FLORIDA IN AND FOR LAKE COUNTY, FLORIDA

ADMINISTRATIVE ORDER: L-2025-33

ADMINISTRATIVE ORDER ESTABLISHING THE LAKE COUNTY ADULT POST-ADJUDICATORY DRUG COURT PILOT PROJECT

WHEREAS, Florida Law affords individuals charged with certain crimes resulting from a substance abuse problem the opportunity to treat the root cause of their engagement in the criminal justice system through problem-solving court programs; and,

WHEREAS, it has been found that specialized court dockets are beneficial to manage the criminal cases of eligible individuals and to provide referral for treatment of their substance abuse problem (a/k/a substance use disorder); and,

WHEREAS, Chapter 397.334, Florida Statutes, allows counties to fund a treatment-based drug court program for the purpose of providing persons assessed with a substance abuse problem to be processed in a manner to appropriately address the severity of the identified substance abuse problem through treatment services tailored to the individual needs of the participant; and,

WHEREAS, the establishment of a pilot program entitled; "Lake County Adult Post-Adjudicatory Drug Court Program" is to the benefit of the residents of Lake County, Florida; and,

WHEREAS, the Fifth Judicial Circuit currently receives funds to support the Lake County Adult Post Adjudicatory Drug Court Program and its participants; and

WHEREAS, the pilot program is designed to serve eligible defendants/offenders from post-adjudicatory felony cases in Lake County, including post-adjudicatory violation of probation cases, certain post-adjudicatory 3rd degree non-violent felony cases under Chapter 810, Florida Statutes; or any other felony offense that is not a forcible felony as defined in section 776.08, Florida Statutes; and,

WHEREAS, Offenders with sentencing scores of 60 points or fewer or Offenders with sentencing scores of 60 points or fewer who have violated community control or probation due to a positive or suspect drug screen – if the underlying offense occurred on or after July 1, 2009, may be eligible to participate; and,

WHEREAS, Chapter 397, Florida Statues, in its entirety, establishes the provision of substance misuse services within the State of Florida, and;

WHEREAS, Chapter 397.334(4), Florida Statute establishes that the treatment-based drug court programs shall include therapeutic jurisprudence principles and adhere to the 10 key components, recognized by the Drug Courts Program Office of the Office of Justice Programs of the United States Department of Justice and adopted by the Florida Supreme Court Treatment-Based Drug Court Steering Committee; and

WHEREAS, in the interest of judicial economy and for the efficient administration of justice,

IT IS HEREBY ORDERED that:

1. **The Lake County Adult Post-Adjudicatory Drug Court is created and established as a pilot program,** and shall be maintained subject to the availability of adequate funding or until such time that either a permanent program is established or the pilot program is no longer deemed judicially economical and/or efficiently administering justice.

2. **The Lake County Adult Post-Adjudicatory Drug Court** shall determine whether any potentially eligible case type and Offender from the other Circuit Criminal Division meets the criteria for the Offender to be referred to substance use disorder treatment and support.

3. **The Lake County Adult Post-Adjudicatory Drug Court** will limit participation in the program to no more than 10 participants. Additional participants may be added upon approval of the Lake County Administrative Judge.

4. Any application fee for a Defendant who applies for acceptance into the **Lake County Adult Post-Adjudicatory Drug Court** shall be waived. This Provision will be re-evaluated each October to ascertain the effectiveness of said waiver.

5. Any monthly participation fee for person who is accepted into the **Lake County Adult Post-Adjudicatory Drug Court** shall be waived. This provision will be reevaluated each October to ascertain the effectiveness of the waiver of the monthly participation fee.

6. There shall be no refunds of any assessed fees which have already been paid.

7. The policies and procedures of the **Lake County Adult Post-**

Adjudicatory Drug Court shall be set forth in the Policy & Procedure Manual and shall include court requirements, eligibility criteria and referral procedures and will follow the Florida Supreme Court Best Practice Standards.

8. If defendants' participation in the program is terminated for cause, the defendant shall be terminated from the drug court program and sentenced accordingly by the drug court judge. The unpaid balance of any assessed fee(s) may become a lien of record.

9. All hearings conducted pursuant to this administrative order shall be electronically recorded.

DONE and ORDERED in Chambers at Tavares, Lake County, Florida this 14th of November 2025.

James R. Baxley
Lake County Administrative
Judge

FUNDING AGREEMENT BETWEEN
LAKE COUNTY, FLORIDA AND
THE STATE ATTORNEY OF THE FIFTH JUDICIAL CIRCUIT OF FLORIDA
FOR THE OPERATION OF THE LAKE COUNTY ADULT
POST-ADJUDICATORY DRUG COURT PROGRAM

THIS AGREEMENT is made by and between Lake County, Florida, a political subdivision of the State of Florida, hereinafter "County," and William Gladson, as State Attorney of the Fifth Judicial Circuit of Florida, his successors and assigns, hereinafter "SAO," for the funding and operation of the Adult Post-Adjudicatory Drug Court, hereinafter "Opioid Drug Court," hereinafter referred to as "the Parties."

WITNESSETH:

WHEREAS, the Opioid epidemic has continued to have a significant adverse impact on the State of Florida and Lake County; and

WHEREAS, almost 100 political subdivisions within the State of Florida, including Lake County, and the State of Florida itself, filed a lawsuit against numerous entities engaged in the manufacture, marketing, promotion, distribution or dispensing of opioids; and

WHEREAS, the lawsuit is in the settlement phase and funds have been allocated to Lake County by municipalities; and

WHEREAS, Lake County receives settlement funds that must be used for Approved Purposes and Opioid Abatement Strategies identified in State agreements and exhibits attached hereto; and

WHEREAS, the opioid settlement framework contemplates an 18-year structure for allocations and distributions under the Regional Fund sliding scale identifying Years 1-6, 7-9, 10-12, 13-15, and 16-18; and

WHEREAS, Lake County has adopted resolutions and entered into formal agreements authorizing participation in the State's unified plan for allocation and use of opioid settlement proceeds; and

WHEREAS, in January of 2021, a collaborative body known as the Lake County Opioid Task Force, hereinafter "Opioid Task Force," formed in Lake County in response to the alarming increase in opioid-related drug misuse and opioid-related deaths within the geographic boundaries of Lake County; and

WHEREAS, the Florida Memorandum of Understanding, hereinafter the "Florida Plan," attached hereto as **Exhibit A**, sets forth a framework for a unified plan for the proposed allocation and use of opioid settlement proceeds; and

WHEREAS, on June 22, 2021, the Lake County Board of County Commissioners approved Resolution 2021-100, attached hereto as **Exhibit B**, authorizing Lake County to join with the State of Florida and other local governmental units as a participant in the Florida Plan and formal agreements implementing a unified plan; and

WHEREAS, on November 15, 2021, the Florida Opioid Allocation and Statewide Response Agreement was entered into between the State of Florida Department of Legal Affairs, Office of the Attorney General, and Certain Local Governments in the State of Florida, a copy of which is attached hereto as **Exhibit C**; and

WHEREAS, on December 21, 2021, the Lake County Board of County Commissioners acknowledged the establishment of the Lake County Opioid Task Force as the recommending group for the abatement of the opioid epidemic by providing relevant information and analysis on the opioid crisis within Lake County; and

WHEREAS, the Opioid Task Force has established the Lake County Opioid Abatement Plan, a copy of which is attached hereto as **Exhibit D**, for the purpose of documenting the goals for opioid abuse abatement in Lake County; and

WHEREAS, the Opioid Task Force has developed a three-pronged approach to abate the opioid epidemic in Lake County by implementing an opioid drug treatment court, focusing on medical services, and establishing a public information campaign; and

WHEREAS, Section 397.334, Florida Statutes, allows counties to fund a treatment-based drug court program for the purpose of providing persons in the justice system assessed with a substance abuse disorder to be processed in a manner appropriate to address the severity of the person's identified substance abuse disorder through treatment services tailored to the individual needs of the participant; and

WHEREAS, Administrative Order L-2025-33, attached hereto as **Exhibit F**, established a pilot program, entitled, "*Lake County Post-Adjudicatory Drug Court Program,"* (hereinafter referred to as "Opioid Drug Court"), to benefit the residents of Lake County; and

NOW THEREFORE, IN CONSIDERATION of the mutual terms, understandings, covenants, conditions, and promises hereinafter set forth, and intending to be legally bound, the Parties agree as follows:

Section 1. **Legal Findings of Fact.** The foregoing recitals are hereby adopted as legislative findings of the Board of County Commissioners and are ratified and confirmed as being true and correct and are hereby made a specific part of this Agreement upon adoption hereof.

Section 2. **Effective Date and Term.** This Agreement will become effective upon the date the last Party hereto executes it. The term of this Agreement will be a one (1) year period from October 1, 2025, to September 30, 2026. Amendments to this Agreement must be in writing and executed by authorized representatives of the Parties. Upon expiration of the initial term, and thereafter upon each renewal term, this Agreement shall automatically renew for successive periods of one (1) year unless the Opioid Drug Court is rescinded, funds have been fully expended or are no longer available, or it is otherwise terminated in accordance with this Agreement.

Section 3. **County's Obligations.**

A. Annual Funding. Funding under this Agreement will be provided from Opioid Settlement Funds ("Opioid Funds") for the purpose of the Adult Post-Adjudicatory Drug Court ("Opioid Drug Court"), as approved by the Board and outlined in **Exhibit E**. Funding for the Program will be in the County's sole discretion and is subject to annual appropriation by the Lake County Board of County Commissioners ("Board") through the County's budget process each Fiscal Year (FY). The Parties recognize that the opioid settlement allocation framework spans a total of eighteen (18) years and annual appropriation amounts may differ. The Parties hereby agree that the funding arrangement provided under this Agreement is not intended to constitute a debt for the County. Nothing herein shall be construed as pledging the full faith and credit of the County, nor obligate the County to commit ad valorem revenues to fund the Opioid Drug Court.

i. **Initial Year Funding.** For FY 26, running from October 1, 2025, through September 30, 2026, the County agrees to provide funding to SAO in the amount of **Twenty Thousand Dollars and XX/100 ($20,000.00)**, as approved under the Board's approved Fiscal Year budget, in order for SAO to provide Opioid Drug Court services to the residents of Lake County, Florida.

A lump sum payment of $20,000 for FY 26 shall be paid to SAO by County within thirty (30) days of the full execution of this Agreement for support services related to the Opioid Drug Court as allowed for under the Board's approved FY 26 Opioid Drug Court budget.

iii. **Subsequent Fiscal Year Funding.** Following the annual presentation to the Board of the Opioid Drug Court's progress and proposed Budget for the upcoming Fiscal Year by the Participating Offices, as provided for in Section 4.B., the Board will determine and approve the amount of Opioid Funds to include in the County's budget for the upcoming Fiscal Year. No later than October 31st of each year, and annually by October 31st thereafter so long as the requisite funds are available, the County shall provide annual funding to SAO as a lump sum for support services related to the Opioid Drug Court as allowed for under the Board's approved Fiscal Year Opioid Drug Court budget. The Parties understand that the annual funding amount may change and that no specific amount of Opioid Funding, beyond the Initial Fiscal Year, is guaranteed to be provided under this Agreement.

iv. The payment referenced in this Agreement is sourced from opioid settlement funds provided to and disbursed by the COUNTY and is intended for the exclusive use of the SAO, and pursuant to Section 215.22(2), Florida Statutes, qualifies for an exemption from the state appropriation and service charge references in Section 215.20, Florida Statutes.

Section. 4. **State Attorney Office Obligations.**

A. SAO Obligations.

i. The SAO shall collect and review applicants ("Applicant(s)" or "Defendant(s)") for eligibility to participate in the Opioid Drug Court program.

ii. The SAO shall attend all staffing and court sessions as scheduled.

iii. Should an Applicant not successfully complete the Opioid Drug Court program, the SAO shall be responsible for continuing to prosecute the case to completion.

B. SAO Coordination Duties. The State Attorney's Office, Court Administration, and the Public Defender's Office, hereinafter referred to as "Participating Offices," acknowledge that the Program requires the cooperation and joint coordination of the Participating Offices. The Participating Offices shall cooperate with each other to effectively provide the Opioid Drug Court funded under this Agreement. Further, Participating Offices shall coordinate submission of any reports, plans, budgets, and any other documentation to the County as required under this Agreement for the Opioid Drug Court that involves the Participating Offices. Nothing herein prevents a Participating Office from submitting office-specific reports

or certifications directly to the County. Each Participating Office shall report independent of the other, but present before the Board simultaneously.

C. Annual Update. Each Fiscal Year, SAO, through the Budget Office, shall coordinate a presentation to the Board of an annual update on Opioid Drug Court activities and a proposed itemized Fiscal Year budget, for consideration no later than June 30th for the upcoming Fiscal Year. SAO and the Participating Offices shall coordinate the annual submission of the presentation and any associated documents to the Board.

D. Receipt of Funding. SAO shall receive a lump sum payment of $20,000 from the County for Opioid Drug Court support services. Funding for FY 26 shall be delayed to coincide with the start of the Opioid Drug Court. A copy of the FY 26 Opioid Drug Court Budget is attached hereto and incorporated herein as **Exhibit E**. SAO, in coordination with PDO and Court Administration, shall present and approve an annual Opioid Drug Court Budget each year as part of the annual presentation to the Board.

E. Use of Funds. SAO shall utilize the funds provided by the County for the purpose of maintaining and operating Opioid Drug Court services and programs as set forth under the Opioid Drug Court Policy & Procedure Manual, as described in **Exhibit F**, attached hereto. These services shall be made available to any individual living within Lake County who otherwise qualifies. SAO acknowledges and guarantees that opioid settlement funds received by or through the County, must be used solely for the Approved Purposes and Opioid Abatement Strategies identified in the governing settlement documents and incorporated exhibits attached hereto as **Exhibit C**. SAO shall be solely responsible for programmatic and fiscal compliance of expenditures made with Opioid Funds under this Agreement, including ensuring that expenditures are consistent with the Approved Purposes and Opioid Abatement Strategies under the Florida opioid settlement framework and the Opioid Settlement Agreement attached hereto and incorporated herein. SAO is solely responsible for ensuring that it does not expend funds in excess of the amount allotted to it.

F. Notice of Funding Needs. SAO shall advise the County in writing no later than January 1st each and every year if an increase or additional funding is needed for the next fiscal year, together with supporting documentation and an updated budget outline with numbered line items.. Any request by SAO for a budget increase shall be brought by the Budget Office before the Board for approval through the County's annual budget process. Such request shall be brought before the Board no later than June 30th for the upcoming fiscal year as outlined in Section 4.B. above.

G. Annual Report. SAO shall provide a detailed annual report of the most recent fiscal year, including all relevant supporting documentation, describing SAO's Opioid Drug Court fiscal and service information, to the Budget Office no later than June 30th each year as outlined in Section 4.B. above.

The County reserves the right to withhold or deny payment, or terminate this Agreement, if such annual report or documentation: (1) is not timely submitted per the deadlines in this Agreement; (2) is incomplete, not accompanied by the requisite supporting documentation, or is otherwise deemed by the County to be unsatisfactory or insufficiently documented; (3) indicates expenditures that are not compliant with this Agreement; or (4) is inconsistent with the information provided by SAO in any progress reporting required under this Agreement.

H. Sufficient Financial Resources. SAO accepts that payment will be made by annual funding and agrees to maintain sufficient financial resources to meet any expenses incurred throughout the Fiscal Year.

I. Confidentiality of Participant Records. SAO shall comply with state and federal laws regarding confidentiality of records related to participants in treatment-based drug court programs, including, but not limited to applicable provisions under HIPAA, Chapter 397, Florida Statutes; and 42 CFR part 2.

Section 5. Notices.

A. Wherever provision is made in this Agreement for the giving, service, or delivery of any notice, statement or other instrument, such notice must be in writing and will be deemed to have been duly given, served, and delivered, if delivered by hand or mailed by United States registered or certified mail, addressed as follows:

COUNTY
Lake County, Florida
Attn: County Manager
P.O. Box 7800
Tavares, Florida 32778

SAO
The Fifth Judicial Circuit Office of the State Attorney
550 West Main Street
Tavares, Florida 32778

With a copy to:
County Attorney's Office
Post Office Box 7800
Tavares, Florida 32778

B. All Notices required, or which may be given hereunder, shall be considered properly given if (1) personally delivered, (2) sent by certified United States Mail, return receipt requested, (3) sent by Federal Express or another equivalent mail service provider.

C. The effective date of such notices shall be the date personally delivered, or if sent by certified mail, the date the notice was signed for, or if sent by a mail service provider, the date the notice was delivered by said provider.

D. Each Party may change its mailing address by giving to the other Party, by hand delivery, United States registered or certified mail, notice of election to change such address.

Section 6. Disputes, Default, and Termination.

A. Dispute Resolution. SAO and the County shall work together in good faith to effectuate this Agreement and resolve any disputes about their contractual relationship under this Agreement.

i. Claims by SAO must be made in writing in accordance with Section 5. above to the County within ten (10) business days from the date SAO discovers the event leading to the claim, unless another provision of this Agreement sets forth a different time frame after the commencement of the event giving rise to such claim, or otherwise SAO will be deemed to have waived the claim.

ii. SAO shall proceed diligently with its performance under this Agreement, regardless of any pending claim, action, suit, or administrative proceeding, unless otherwise agreed to by the County in writing.

iii. Claims by SAO will be resolved in the following manner: (1) Upon receiving the claim and supporting data, County will, within thirty (30) calendar days, respond to the claim in writing stating that the claim is either approved or denied. If denied, the County will specify the grounds for denial. SAO will then have fifteen (15) calendar days in which to provide additional supporting documentation, or to notify the County in writing that the original claim stands as is. (2) If the claim is not resolved, the SAO may, at its option, choose to submit the matter to mediation. A mediator will be mutually selected by the Parties in writing, and each Party will pay one-half (1/2) the expense of mediation. If the County declines to mediate the dispute, SAO may bring an action in a court of competent jurisdiction in and for Lake County, Florida.

iv. Claims by the County against SAO must be made in writing with supporting data to SAO within thirty (30) calendar days from the date the County discovers the event leading to the claim. SAO shall respond in writing in accordance with Section 5. above within fifteen (15) calendar days of receipt of the claim. If the claim cannot be resolved, the County may submit the matter to mediation as set forth in (iii) above or otherwise bring an action in a court of competent jurisdiction in and for Lake County, Florida.

v. Arbitration will not be considered as a means of dispute resolution.

B. Termination for Convenience. This Agreement may be terminated without cause by either Party with thirty (30) days written notice of intent to terminate. Such written notice must be sent as provided in Section 5. above.

C. Should the Agreement be terminated during the Term of this Agreement for any reason, SAO shall provide the County with an accounting of all expenditures made utilizing the funds paid to SAO under this Agreement and shall submit all required reports and any other such documentation requested by the County.

D. Termination for Cause. The County may also suspend or terminate this Agreement, in whole or in part, if SAO breaches or materially fails to comply with any term of this Agreement, or with any of the rules, regulations or provisions referred to herein.

E. Default. A default shall consist of any use of funds for a purpose other than as authorized by this Agreement, noncompliance with any provision herein, any material breach of the Agreement, failure to comply with the audit requirements as provided herein, or failure to expend funds in a timely or proper manner. Upon the occurrence of any such default the County shall serve due notice to SAO, at which time SAO shall have a reasonable opportunity to respond and cure. For purposes of this Agreement, a reasonable opportunity to respond and cure any default shall be ten (10) days (in the case of monetary defaults) or thirty (30) days (in the case of non-monetary defaults) from the date the County delivers by personal service, or mails written notice of such default to SAO, hereinafter referred to as the "Cure Period." If the default is not cured to the satisfaction of County, County shall have the right, in its sole discretion, to take the following action(s):

i. Upon a written request from SAO setting forth a reasonable basis to support the need for an additional Cure Period, the County may in its sole discretion grant an additional Cure Period by written acknowledgment thereof; or

ii. Terminate this Agreement by written notice thereof; or

iii. Take such other action, including, but not limited to, requiring additional conditions under this Agreement; temporarily withholding cash payments pending correction of the deficiency by SAO; disallow all or part of the cost of the activity or action not in compliance; wholly or partly suspend or terminate the current Agreement; or take other remedies that may be legally available.

iv. If the County terminates this Agreement for cause, SAO shall promptly return all unused funding provided to SAO under this Agreement by County within fourteen (14) days of the date of termination by County.

F. Costs Not Allowed After Default. Costs resulting from obligations incurred by SAO during a suspension or after termination of the Agreement are not allowable unless the County expressly authorizes them in the notice of suspension or termination or provides subsequent authorization in writing. Other SAO costs during suspension or after termination, which are necessary and not reasonably avoidable, are allowed if:

i. The costs result from obligations which were properly incurred by SAO before the effective date of suspension or termination, and are not in anticipation of it, and, in the case of a termination, are noncancelable; and

ii. The costs would be allowed if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

G. No Limitation. Nothing contained herein shall be construed as a limitation on such other rights and remedies available to the Parties under law or in equity which may now or in the future be applicable.

Section 7. Recordkeeping and Audit Requirements.

A. Recordkeeping.

i. SAO shall maintain all records and accounts necessary to assure a proper accounting and monitoring of all funds provided pursuant to this Agreement, including, but not limited to, property, personnel and financial records, contractual agreements, subcontracts, proof of insurance, project administration records, records supporting exceptions to the conflict-of-interest prohibition, and any other records as are deemed necessary by the County to assure a proper accounting and monitoring of all funds provided pursuant to this Agreement.

ii. In the event the County determines in its sole discretion that such records are not being adequately maintained by SAO, the County may terminate this Agreement in accordance with the terms herein.

iii. With respect to all matters covered by this Agreement, records will be made available for examination, audit, inspection or copying purposes at any time during normal business hours and as often as the County may require. SAO will permit same to be examined and excerpts or transcriptions made or duplicated from such records, and audits made of all contracts, invoices, materials, records of personnel and of employment and other data relating to all matters covered by this Agreement. The County shall provide notice of its intent to inspect records to SAO at least three (3) business days in advance.

iv. The Parties acknowledge that statewide reporting timelines contemplate intended expenditures prior to July 1st each year to the Department of Children and Families (DCF) and require an expenditure report to be provided to DCF no later than August 31st each year, outlining expenditure reporting after fiscal year-end, and annual audit-like oversight, and agree to cooperate in providing information required to meet applicable State reporting and audit expectations. The County's Office of Management and Budget shall be responsible for coordinating and handling the mandatory reporting on behalf of the County and Participating Offices.

v. This Section shall survive the expiration or earlier termination of this Agreement.

B. Public Records. The Parties are public entities and subject to Chapter 119, Florida Statutes. Each Party acknowledges it is familiar with the rights and obligations arising from Chapter 119, Florida Statutes. To the extent that Section 119.0701, Florida Statutes, applies to SAO, it shall comply with the Florida Public Records' laws, and shall:

i. Keep and maintain public records required by the County to perform the Projects identified in this Agreement.

ii. Upon request from the County's custodian of public records, provide County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for by law.

iii. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of this Agreement and following completion of this Agreement if SAO does not transfer the records to the County.

iv. Upon completion of this Agreement, transfer, at no cost, to the County all public records in possession of SAO to keep and maintain public records required by the County to perform the services. If SAO transfers all public records to the County upon completion of this Agreement, SAO shall destroy any duplicate public records that are exempt, or confidential and exempt, from public records disclosure requirements. If SAO keeps and maintains public records upon completion of this Agreement, SAO shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of public records, in a format that is compatible with the information technology systems of the County.

IF SAO HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO COURT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS, AT LAKE COUNTY AT 352-343-9452, P.O. BOX 7800, TAVARES, FL 32778-7800, OR VIA EMAIL AT BUDGET@LAKECOUNTYFL.GOV.

v. Failure to comply with this subsection will be deemed a breach of this Agreement and enforceable as set forth in Section 119.0701, Florida Statutes.

vi. Requests to inspect or copy public records relating to this Agreement must be made directly to the County. If SAO receives any such request, SAO shall instruct the requestor to contact the County. If the County does not possess the records requested, the County shall immediately notify SAO of such request, and SAO must provide the records to the County or otherwise allow the records to be inspected or copied within a reasonable time.

vii. SAO acknowledges that failure to provide the public records to the County within a reasonable time may be subject to penalties under Section 119.10, Florida Statutes. SAO further agrees not to release any records that are statutorily confidential or otherwise exempt from disclosure without first receiving prior written authorization from the County. SAO authorizes County to seek declaratory, injunctive, or other appropriate relief against SAO from a Circuit Court in Lake County on an expedited basis to enforce the requirements of this section.

C. Right to Audit. The County reserves the right to require SAO to submit to an audit by any auditor of the County's choosing. SAO shall provide access to all of its records, which relate directly or indirectly to this Agreement at its place of business during regular business hours. SAO shall retain all records pertaining to this Agreement and upon request make them available to the County for five (5) years following expiration of the Agreement, or for such time as set forth in the Florida Department of State, Division of Library and Information Services, General Records Schedule GS1-SL, a copy of which can be found at this link: https://dos.fl.gov/library-archives/records-management/general-records-schedules/, whichever is longer. SAO agrees to provide such assistance as may be necessary to facilitate the review or audit by the County to ensure compliance with applicable accounting and financial standards.

i. If SAO provides technology services, SAO must provide Statement of Standards for Attestations Engagements (SSAE) 16 or 18 and System and Service Organization Control (SOC) reports upon request by the County. The SOC reports must be full Type II reports that include SAO's description of control processes, and the independent auditor's evaluation of the design and operating effectiveness of controls. The cost of the reports will be paid by SAO.

ii. If an audit inspection or examination pursuant to this section discloses overpricing or overcharges of any nature by SAO to the County in excess of one percent (1%) of the total contract billings, in addition to making adjustments for the overcharges, the reasonable actual cost of the County's audit must be reimbursed to the County by SAO. Any adjustments or payments which must be made as a result of any such audit or inspection of SAO invoices or records must be made within a reasonable amount of time, but in no event may the time exceed ninety (90) calendar days, from presentation of the County's audit findings to SAO.

iii. This provision is hereby considered to be included within, and applicable to, any subcontractor contract entered into by SAO in performance of any work under this Agreement.

Section 8. General Provisions.

A. Independent Agent. SAO shall perform this Agreement as an independent agent and nothing contained herein shall in any way be construed to constitute SAO or any assistant, representative,

agent, employee, independent contractor, partner, affiliate, holding company, subsidiary, or subagent of SAO to be a representative, agent, subagent, or employee of the County.

i. SAO certifies its understanding that the County is not required to withhold any federal income tax, social security tax, state, and local tax, to secure worker's compensation insurance or employer's liability insurance of any kind, or to take any other action with respect to this insurance or taxes of SAO.

ii. In no event shall any provision of this Agreement make the County liable to any person or entity that contracts with or provides goods or services to SAO in connection with the services SAO has agreed to perform hereunder or otherwise, or for any debts or claims of any nature accruing to any person or entity against SAO. There is no contractual relationship, either express or implied, between the County and any person or entity supplying any work, labor, services, goods or materials to SAO as a result of the provision of the services provided by SAO hereunder or otherwise.

B. Recapture of Funds. Subject to the conditions set forth in this Agreement, it is the intent of the Parties that the County shall recapture any funds provided under this Agreement if SAO is considered in default under any of the provisions in this Agreement, following the expiration of the reasonable opportunity to respond and cure any default. Further, SAO is liable for recapture of funds if any representation made in the reimbursement requests, reporting, or supporting documentation is at any time false or misleading in any respect, or if SAO is found in non-compliance with laws, rules or regulations governing the use of the Funds provided pursuant to this Agreement. The provisions of this Section shall survive the termination of this Agreement.

i. Any funds that are not expended as authorized under this Agreement must be refunded to the County within fourteen (14) days of receipt of written notice provided by the County.

ii. Any funds that are not expended within the anticipated timeframe under this Agreement are subject to recapture. If requested, a refund to the County must be made within fourteen (14) days of receipt of written notice for a refund provided by the County.

iii. The County's determination that an expenditure is eligible does not relieve SAO of its duty to repay the County in full for any expenditures that are later determined by the County to be ineligible expenditures or the discovery of a duplication of benefits.

iv. If requested by the County, all refunds, return of improper payments, or repayments due to the County under this Agreement are to be made payable to Lake County and mailed directly to the County pursuant **Section 5 Notice** and this Agreement.

v. SAO has the sole responsibility for identifying and recovering grant funds that were expended in error, disallowed, or unused. SAO will also immediately report all suspected fraud to the County.

C. Reversion of Assets. Within fourteen (14) days following the expiration or termination of this Agreement, SAO shall transfer to the County any funds on hand at the time of expiration or termination of this Agreement if the funds have not been expended on eligible costs.

D. Indemnification. Pursuant to Section 768.28, Florida Statutes, neither the County nor SAO waive sovereign immunity nor do the Parties agree to indemnify each other for the other Party's negligence.

E. Insurance. The Parties shall provide continuous adequate liability insurance coverage during the existence of this Agreement and any renewal(s) and extension(s). SAO accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for SAO and the participants to be served under the Opioid Drug Court. Within five (5) business days of the execution of this Agreement, SAO shall furnish to the Lake County Office of Human Resources and Risk Management, Attention: Risk Management Coordinator at P.O. Box 7800, Tavares, Florida 32778-7800, written verification supporting both the determination and existence of such insurance coverage. Such coverage may be provided by a self-insurance program established and operated under the laws of the State of Florida.

F. Sovereign Immunity. County and SAO expressly retain all rights, benefits, and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Nothing will be deemed as a waiver of immunity or the limitations of liability of County and SAO beyond any statutory limited waiver of immunity or limits of liability. Nothing will inure to the benefit of any third party for the purpose of allowing any claim against County or SAO, which would otherwise be barred under the law.

G. Background Checks. The County shall conduct a criminal background check on the CPS hired to support the Opioid Drug Court who have direct contact with children, vulnerable persons, and as may otherwise be required by the Florida Department of Children and Family Services. In addition, SAO shall also conduct Level II background checks on all employees or volunteers. County and SAO shall continue to maintain compliance with background check requirements for service provider personnel throughout the term of this Agreement.

H. Disclaimer of Third-Party Beneficiaries. This Agreement is solely for the benefit of the Parties, and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any third party not a formal named Party hereto. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon or give any person or corporation other than the Parties any right, remedy, or claim under or by reason of this Agreement or any provisions or conditions hereto, and all of the provisions, representations, covenants, and conditions herein contained shall inure to the sole benefit of and shall be binding upon the Parties and their respective representatives, successors, and assigns.

I. Construction. This Agreement was mutually negotiated by the Parties who have executed the same and each Party acknowledge that they had ample opportunity to seek and consult with independent legal counsel prior to executing this Agreement, and that they represent and warrant that they have sought such independent legal advice and counsel or have knowingly and voluntarily waived such right. Consequently, it is the intent of the Parties that no provision shall be more harshly construed against either Party as the drafter hereof.

J. Further Assurances. SAO agrees to execute and deliver all such further additional documents, instruments, conveyances, and assurances and take such further actions as may be reasonably required to carry out the provisions of this Agreement.

K. Severability. Any term, condition, covenant, or obligation which requires performance by either Party after termination of this Agreement shall remain enforceable against such Party after such termination. In the event any section, sentence, clause, or provision of this Agreement is held to be invalid,

illegal, or unenforceable by a court having jurisdiction over the matter, the remainder of the Agreement shall not be affected by such determination and shall remain in full force and effect.

L. Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the Parties hereto and their respective successors and assigns.

M. Assignment. SAO shall not assign this Agreement or any part hereof without the prior written consent of the County and without amending or terminating this Agreement, as necessary.

N. Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original, but all taken together shall constitute one and the same instrument.

O. Governing Law and Waiver of Jury Trial. Each Party covenants and agrees that any and all legal actions arising out of or connected with this Agreement shall be instituted in the Circuit Court of the Fifth Judicial Circuit, in and for Lake County, Florida as the exclusive forum and venue for any such action and each Party further covenants and agrees that it will not institute any action in any other forum or venue and hereby consents to immediate dismissal or transfer of any such action instituted in any other forum or venue. This Agreement is entered into within, and with reference to the laws of, the State of Florida, and shall be governed, construed, and applied in accordance with those laws (excluding conflicts of law) of the State of Florida. BOTH PARTIES WAIVE ANY RIGHT THEY MAY HAVE TO A JURY TRIAL IN ANY CIVIL LITIGATION MATTER ARISING FROM THIS AGREEMENT.

P. Authorization. Each Party represents to the other that such Party has authority under all applicable laws to enter into an agreement containing such covenants and provisions, that all the procedural requirements imposed by law upon each Party for the approval and authorization of this Agreement have been properly completed, and that the persons who have executed this Agreement are duly authorized and empowered to do so.

Q. Capitalizations. Capitalized terms contained herein shall have the definition assigned. Capitalized terms contained herein that do not have the definition assigned shall have the meaning assigned in the applicable federal statute or regulation. All descriptive headings of paragraphs in this Agreement are inserted for convenience only and shall not affect the construction or interpretation hereof.

R. Estoppel/Waiver. A waiver of any performance or default by either Party shall not be construed to be a continuing waiver of other defaults or non-performance of the same provision or operate as a waiver of any subsequent default or non-performance of any of the terms, covenants, and conditions of this Agreement. The payment or acceptance of fees for any period after a default shall not be deemed a waiver of any right or acceptance of defective performance. No delay or omission by County in exercising any right or remedy available to it under the Agreement shall impair any such right or remedy or constitute a waiver or acquiescence in any SAO default.

S. Civil Rights Act. During the term of this Agreement SAO assures the County that it is in compliance with Title VII of the 1964 Civil Rights Act, as amended, and the Florida Civil Rights Act of 1992, in that SAO does not discriminate on the grounds of race, color, national origin, religion, sex, age, disability or marital status, in any form or manner. SAO understands and agrees that this Agreement is conditioned upon the veracity of this statement of assurance.

T. ADA Requirements. SAO shall ensure that all deliverables, including without limitation websites, web applications, mobile applications, software, electronic documents, multimedia content,

digital platforms, and any related user interfaces or content made available to end users by SAO for use by County under this Agreement, are Accessible and comply with all aspects of both the Americans with Disabilities Act (ADA) and WCAG (Web Content Accessibility Guidelines) 2.1 Level AA, as amended. This includes, but is not limited to, providing alternative text for images, ensuring that all interactive elements are navigable via keyboard, and providing captions for all video content. SAO shall promptly remediate any nonconformance discovered or reported, at no additional cost to County. This duty to remediate at SAO's cost shall survive the termination of this Agreement. Failure to comply with the ADA, WCAG, and these requirements may result in the termination of this Agreement and SAO being held liable for any damages or costs incurred by County as a result of non-compliance, including reasonable attorney's fees whether suit be brought or not.

Section 9. **Entire Agreement.** This document embodies the entire agreement between the Parties, and the Parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement. No modification, amendment or alternation of the terms or conditions contained in this Agreement will be effective unless contained in a written document executed with the same formality and of equal dignity with this Agreement. This Agreement contains the following exhibits, all of which are incorporated in this Agreement:

Exhibit A ..... Florida Plan (59 pgs.)

Exhibit B ..... Resolution No. 2021-100 (2 pgs.)

Exhibit C ..... Florida Opioid Allocation and Statewide Response Agreement (49 pgs.)

Exhibit D ..... Opioid Task Force - Lake County Opioid Abatement Plan (2 pgs.)

Exhibit E ..... FY 26 Opioid Drug Court (1 pg.)

Exhibit F ..... Administrative Order L-2025-33 (4 pgs.)

IN WITNESS THEREOF, the Parties have signed this Agreement on the respective dates under each signature: Lake County, through its Board of County Commissioners, signing by and through its Chairman, and by The Fifth Judicial Circuit Office of State Attorney's Office, signing by its duly authorized representative.

EXHIBIT A

PROPOSAL
MEMORANDUM OF UNDERSTANDING

Whereas, the people of the State of Florida and its communities have been harmed by misfeasance, nonfeasance and malfeasance committed by certain entities within the Pharmaceutical Supply Chain;

Whereas, the State of Florida, through its Attorney General, and certain Local Governments, through their elected representatives and counsel, are separately engaged in litigation seeking to hold Pharmaceutical Supply Chain Participants accountable for the damage caused by their misfeasance, nonfeasance and malfeasance;

Whereas, the State of Florida and its Local Governments share a common desire to abate and alleviate the impacts of that misfeasance, nonfeasance and malfeasance throughout the State of Florida;

Whereas, it is the intent of the State of Florida and its Local Governments to use the proceeds from Settlements with Pharmaceutical Supply Chain Participants to increase the amount of funding presently spent on opioid and substance abuse education, treatment and other related programs and services, such as those identified in Exhibits A and B, and to ensure that the funds are expended in compliance with evolving evidence-based "best practices";

Whereas, the State of Florida and its Local Governments, subject to the completion of formal documents that will effectuate the Parties' agreements, enter into this Memorandum of Understanding ("MOU") relating to the allocation and use of the proceeds of Settlements described herein; and

Whereas, this MOU is a preliminary non-binding agreement between the Parties, is not legally enforceable, and only provides a basis to draft formal documents which will effectuate the Parties' agreements.

A. Definitions

As used in this MOU:

1. "Approved Purpose(s)" shall mean forward-looking strategies, programming and services used to expand the availability of treatment for individuals impacted by substance use disorders, to: (a) develop, promote, and provide evidence-based substance use prevention strategies; (b) provide substance use avoidance and awareness education; (c) decrease the oversupply of licit and illicit opioids; and (d) support recovery from addiction. Approved Purposes shall include, but are not limited to, the opioid abatement strategies listed on Exhibits A and B which are incorporated herein by reference.

2. "Local Governments" shall mean all counties, cities, towns and villages located within the geographic boundaries of the State.

3. "Managing Entities" shall mean the corporations selected by and under contract with the Florida Department of Children and Families or its successor ("DCF") to manage the

daily operational delivery of behavioral health services through a coordinated system of care. The singular "Managing Entity" shall refer to a singular of the Managing Entities.

4. "County" shall mean a political subdivision of the state established pursuant to s. 1, Art. VIII of the State Constitution.

5. "Municipalities" shall mean cities, towns, or villages of a County within the State with a Population greater than 10,000 individuals and shall also include cities, towns or villages within the State with a Population equal to or less than 10,000 individuals which filed a Complaint in this litigation against Pharmaceutical Supply Chain Participants. The singular "Municipality" shall refer to a singular of the Municipalities.

6. "Negotiating Committee" shall mean a three-member group comprised by representatives of the following: (1) the State; and (2) two representatives of Local Governments of which one representative will be from a Municipality and one shall be from a County (collectively, "Members") within the State. The State shall be represented by the Attorney General or her designee.

7. "Negotiation Class Metrics" shall mean those county and city settlement allocations which come from the official website of the Negotiation Class of counties and cities certified on September 11, 2019 by the U.S. District for the Northern District of Ohio in *In re National Prescription Opiate Litigation*, MDL No. 2804 (N.D. Ohio). The website is located at https://allocationmap.iclaimsonline.com.

8. "Opioid Funds" shall mean monetary amounts obtained through a Settlement as defined in this MOU.

9. "Opioid Related" shall have the same meaning and breadth as in the agreed Opioid Abatement Strategies attached hereto as Exhibits A or B.

10. "Parties" shall mean the State and Local Governments. The singular word "Party" shall mean either the State or Local Governments.

11. "PEC" shall mean the Plaintiffs' Executive Committee of the National Prescription Opiate Multidistrict Litigation pending in the United States District Court for the Northern District of Ohio.

12. "Pharmaceutical Supply Chain" shall mean the process and channels through which Controlled Substances are manufactured, marketed, promoted, distributed or dispensed.

13. "Pharmaceutical Supply Chain Participant" shall mean any entity that engages in, or has engaged in the manufacture, marketing, promotion, distribution or dispensing of an opioid analgesic.

14. "Population" shall refer to published U.S. Census Bureau population estimates as of July 1, 2019, released March 2020, and shall remain unchanged during the term of this MOU. These estimates can currently be found at https://www.census.gov

15. "Qualified County" shall mean a charter or non-chartered county within the State that: has a Population of at least 300,000 individuals and (a) has an opioid taskforce of which it is a member or operates in connection with its municipalities or others on a local or regional basis; (b) has an abatement plan that has been either adopted or is being utilized to respond to the opioid epidemic; (c) is currently either providing or is contracting with others to provide substance abuse prevention, recovery, and treatment services to its citizens; and (d) has or enters into an agreement with a majority of Municipalities (Majority is more than 50% of the Municipalities' total population) related to the expenditure of Opioid Funds. The Opioid Funds to be paid to a Qualified County will only include Opioid Funds for Municipalities whose claims are released by the Municipality or Opioid Funds for Municipalities whose claims are otherwise barred.

16. "SAMHSA" shall mean the U.S. Department of Health & Human Services, Substance Abuse and Mental Health Services Administration.

17. "Settlement" shall mean the negotiated resolution of legal or equitable claims against a Pharmaceutical Supply Chain Participant when that resolution has been jointly entered into by the State and Local Governments or a settlement class as described in (B)(1) below.

18. "State" shall mean the State of Florida.

B. Terms

1. **Only Abatement -** Other than funds used for the Administrative Costs and Expense Fund as hereinafter described in paragraph 6 and paragraph 9, respectively), all Opioid Funds shall be utilized for Approved Purposes. To accomplish this purpose, the State will either file a new action with Local Governments as Parties or add Local Governments to its existing action, sever settling defendants, and seek entry of a consent order or other order binding both the State, Local Governments, and Pharmaceutical Supply Chain Participant(s) ("Order"). The Order may be part of a class action settlement or similar device. The Order shall provide for continuing jurisdiction of a state court to address non-performance by any party under the Order. Any Local Government that objects to or refuses to be included under the Order or entry of documents necessary to effectuate a Settlement shall not be entitled to any Opioid Funds and its portion of Opioid Funds shall be distributed to, and for the benefit of, the other Local Governments.

2. **Avoid Claw Back and Recoupment -** Both the State and Local Governments wish to maximize any Settlement and Opioid Funds. In addition to committing to only using funds for the Expense Funds, Administrative Costs and Approved Purposes, both Parties will agree to utilize a percentage of funds for the core strategies highlighted in Exhibit A. Exhibit A contains the programs and strategies prioritized by the U.S. Department of Justice and/or the U.S. Department of Health & Human Services ("Core Strategies"). The State is trying to obtain the United States' agreement to limit or reduce the United States' ability to recover or recoup monies from the State and Local Government in exchange for prioritization of funds to certain projects. If no agreement is reached with the United States, then there will be no requirement that a percentage be utilized for Core Strategies.

3. **Distribution Scheme** - All Opioid Funds will initially go to the State, and then be distributed according to the following distribution scheme. The Opioid Funds will be divided into three funds after deducting costs of the Expense Fund detailed in paragraph 9 below:

(a) City/County Fund- The city/county fund will receive 15% of all Opioid Funds to directly benefit all Counties and Municipalities. The amounts to be distributed to each County and Municipality shall be determined by the Negotiation Class Metrics or other metrics agreed upon, in writing, by a County and a Municipality. For Local Governments that are not within the definition of County or Municipality, those Local Governments may receive that government's share of the City/County Fund under the Negotiation Class Metrics, if that government executes a release as part of a Settlement. Any Local Government that is not within the definition of County or Municipality and that does not execute a release as part of a Settlement shall have its share of the City/County Fund go to the County in which it is located.

(b) Regional Fund- The regional fund will be subdivided into two parts.

(i) The State will annually calculate the share of each County within the State of the regional fund utilizing the sliding scale in section 4 of the allocation contained in the Negotiation Class Metrics or other metrics that the Parties agree upon.

(ii) For Qualified Counties, the Qualified County's share will be paid to the Qualified County and expended on Approved Purposes, including the Core Strategies identified in Exhibit A, if applicable.

(iii) For all other Counties, the regional share for each County will be paid to the Managing Entities providing service for that County. The Managing Entities will be required to expend the monies on Approved Purposes, including the Core Strategies. The Managing Entities shall endeavor to the greatest extent possible to expend these monies on counties within the State that are non-Qualified Counties and to ensure that there are services in every County.

(c) State Fund - The remainder of Opioid Funds after deducting the costs of the Expense Fund detailed in paragraph 9, the City/County Fund and the Regional Fund will be expended by the State on Approved Purposes, including the provisions related to Core Strategies, if applicable.

(d) To the extent that Opioid Funds are not appropriated and expended in a year by the State, the State shall identify the investments where settlement funds will be deposited. Any gains, profits, or interest accrued from the deposit of the Opioid Funds to the extent that any funds are not appropriated and expended within a calendar year, shall be the sole property of the Party that was entitled to the initial deposit.

4. Regional Fund Sliding Scale- The Regional Fund shall be calculated by utilizing the following sliding scale of the Opioid Funds available in any year:

A. Years 1-6: 40%

B. Years 7-9: 35%

C. Years 10-12: 34%

D. Years 13-15: 33%

E. Years 16-18: 30%

5. Opioid Abatement Taskforce or Council - The State will create an Opioid Abatement Taskforce or Council (sometimes hereinafter "Taskforce" or "Council") to advise the Governor, the Legislature, Florida's Department of Children and Families ("DCF"), and Local Governments on the priorities that should be addressed as part of the opioid epidemic and to review how monies have been spent and the results that have been achieved with Opioid Funds.

(a) Size - The Taskforce or Council shall have ten Members equally balanced between the State and the Local Governments.

(b) Appointments Local Governments - Two Municipality representatives will be appointed by or through Florida League of Cities. Two county representatives, one from a Qualified County and one from a county within the State that is not a Qualified County, will be appointed by or through the Florida Association of Counties. The final representative will alternate every two years between being a county representative (appointed by or through Florida Association of Counties) or a Municipality representative (appointed by or through the Florida League of Cities). One Municipality representative must be from a city of less than 50,000 people. One county representative must be from a county less than 200,000 people and the other county representative must be from a county whose population exceeds 200,000 people.

(c) Appointments State -

(i) The Governor shall appoint two Members.

(ii) The Speaker of the House shall appoint one Member.

(iii) The Senate President shall appoint one Member.

(iv) The Attorney General or her designee shall be a Member.

(d) Chair - The Attorney General or designee shall be the chair of the Taskforce or Council.

(e) Term - Members will be appointed to serve a two-year term.

(f) Support - DCF shall support the Taskforce or Council and the Taskforce or Council shall be administratively housed in DCF.

(g) Meetings - The Taskforce or Council shall meet quarterly in person or virtually using communications media technology as defined in section 120.54(5)(b)(2), Florida Statutes.

(h) Reporting - The Taskforce or Council shall provide and publish a report annually no later than November 30th or the first business day after November 30th, if November 30th falls on a weekend or is otherwise not a business day. The report shall contain information on how monies were spent the previous fiscal year by the State, each of the Qualified Counties, each of the Managing Entities, and each of the Local Governments. It shall also contain recommendations to the Governor, the Legislature, and Local Governments for priorities among the Approved Purposes for how monies should be spent the coming fiscal year to respond to the opioid epidemic.

(i) Accountability - Prior to July 1st of each year, the State and each of the Local Governments shall provide information to DCF about how they intend to expend Opioid Funds in the upcoming fiscal year. The State and each of the Local Government shall report its expenditures to DCF no later than August 31st for the previous fiscal year. The Taskforce or Council will set other data sets that need to be reported to DCF to demonstrate the effectiveness of Approved Purposes. All programs and expenditures shall be audited annually in a similar fashion to SAMHSA programs. Local Governments shall respond and provide documents to any reasonable requests from the State for data or information about programs receiving Opioid Funds.

(j) Conflict of Interest - All Members shall adhere to the rules, regulations and laws of Florida including, but not limited to, Florida Statute §112.311, concerning the disclosure of conflicts of interest and recusal from discussions or votes on conflicted matters.

6. **Administrative Costs**- The State may take no more than a 5% administrative fee from the State Fund ("Administrative Costs") and any Regional Fund that it administers for counties that are not Qualified Counties. Each Qualified County may take no more than a 5% administrative fee from its share of the Regional Funds.

7. **Negotiation of Non-Multistate Settlements** - If the State begins negotiations with a Pharmaceutical Supply Chain Participant that is separate and apart from a multi-state negotiation, the State shall include Local Governments that are a part of the Negotiating Committee in such negotiations. No Settlement shall be recommended or accepted without the affirmative votes of both the State and Local Government representatives of the Negotiating Committee.

8. **Negotiation of Multistate or Local Government Settlements** - To the extent practicable and allowed by other parties to a negotiation, both Parties agree to communicate with

members of the Negotiation Committee regarding the terms of any other Pharmaceutical Supply Chain Participant Settlement.

9. **Expense Fund** - The Parties agree that in any negotiation every effort shall be made to cause Pharmaceutical Supply Chain Participants to pay costs of litigation, including attorneys' fees, in addition to any agreed to Opioid Funds in the Settlement. To the extent that a fund sufficient to pay the entirety of all contingency fee contracts for Local Governments in the State of Florida is not created as part of a Settlement by a Pharmaceutical Supply Chain Participant, the Parties agree that an additional expense fund for attorneys who represent Local Governments (herein "Expense Fund") shall be created out of the City/County fund for the purpose of paying the hard costs of a litigating Local Government and then paying attorneys' fees.

(a) The Source of Funds for the Expense Fund- Money for the Expense Fund shall be sourced exclusively from the City/County Fund.

(b) The Amount of the Expense Fund- The State recognizes the value litigating Local Governments bring to the State of Florida in connection with the Settlement because their participation increases the amount Incentive Payments due from each Pharmaceutical Supply Chain Participant. In recognition of that value, the amount of funds that shall be deposited into the Expense fund shall be contingent upon on the percentage of litigating Local Government participation in the Settlement, according to the following table:

Litigating Local Government Participation in the Settlement (by percentage of the population)	Amount that shall be paid into the Expense Fund from (and as a percentage of) the City/County fund
96 to 100%	10%
91 to 95%	7.5%
86 to 90%	5%
85%	2.5%
Less than 85%	0%

If fewer than 85% percent of the litigating Local Governments (by population) participate, then the Expense Fund shall not be funded, and this Section of the MOU shall be null and void.

(c) The Timing of Payments into the Expense Fund- Although the amount of the Expense Fund shall be calculated based on the entirety of payments due to the City/County fund over a ten to eighteen year period, the Expense Fund shall be funded entirely from payments made by Pharmaceutical Supply Chain Participants during the first two years of the Settlement. Accordingly, to offset the amounts being paid from the City/County to the Expense Fund in the first two years, Counties or Municipalities may borrow from the Regional Fund during the first two years and pay the borrowed amounts back to the Regional Fund during years three, four, and five.

For the avoidance of doubt, the following provides an illustrative example regarding the calculation of payments and amounts that may be borrowed under the terms of this MOU, consistent with the provisions of this Section:

Opioid Funds due to State of Florida and Local Governments (over 10 to 18 years):	$1,000
Litigating Local Government Participation:	100%
City/County Fund (over 10 to 18 years):	$150
Expense Fund (paid over 2 years):	$15
Amount Paid to Expense Fund in 1st year:	$7.5
Amount Paid to Expense Fund in 2nd year	$7.5
Amount that may be borrowed from Regional Fund in 1st year:	$7.5
Amount that may be borrowed from Regional Fund in 2nd year:	$7.5
Amount that must be paid back to Regional Fund in 3rd year:	$5
Amount that must be paid back to Regional Fund in 4th year:	$5
Amount that must be paid back to Regional Fund in 5th year:	$5

(d) Creation of and Jurisdiction over the Expense Fund- The Expense Fund shall be established, consistent with the provisions of this Section of the MOU, by order of the Circuit Court of the Sixth Judicial Circuit in and for Pasco County, West Pasco Division New Port Richey, Florida, in the matter of *The State of Florida, Office of the Attorney General, Department of Legal Affairs v. Purdue Pharma L.P., et al.*, Case No. 2018-CA-001438 (the "Court"). The Court shall have jurisdiction over the Expense Fund, including authority to allocate and disburse amounts from the Expense Fund and to resolve any disputes concerning the Expense Fund.

(e) Allocation of Payments to Counsel from the Expense Fund- As part of the order establishing the Expense Fund, counsel for the litigating Local Governments shall seek to have the Court appoint a third-neutral to serve as a special master for purposes of allocating the Expense Fund. Within 30 days of entry of the order appointing a special master for the Expense Fund, any counsel who intend to seek an award from the Expense Fund shall provide the copies of their contingency fee contracts to the special master. The special master shall then build a mathematical model, which shall be based on each litigating Local Government's share under the Negotiation Class Metrics and the rate set forth in their contingency contracts, to calculate a proposed award for each litigating Local Government who timely provided a copy of its contingency contract.

10. **Dispute resolution-** Any one or more of the Local Governments or the State may object to an allocation or expenditure of Opioid Funds solely on the basis that the allocation or expenditure at issue (a) is inconsistent with the Approved Purposes; (b) is inconsistent with the distribution scheme as provided in paragraph 3, or (c) violates the limitations set forth herein with respect to administrative costs or the Expense Fund. There shall be no other basis for bringing an objection to the approval of an allocation or expenditure of Opioid Funds.

Schedule A

Core Strategies

States and Qualifying Block Grantees shall choose from among the abatement strategies listed in Schedule B. However, priority shall be given to the following core abatement strategies ("**Core Strategies**")[, such that a minimum of __% of the [aggregate] state-level abatement distributions shall be spent on [one or more of] them annually].[1]

A. Naloxone or other FDA-approved drug to reverse opioid overdoses

1. Expand training for first responders, schools, community support groups and families; and

2. Increase distribution to individuals who are uninsured or whose insurance does not cover the needed service.

B. Medication-Assisted Treatment ("MAT") Distribution and other opioid-related treatment

1. Increase distribution of MAT to non-Medicaid eligible or uninsured individuals;

2. Provide education to school-based and youth-focused programs that discourage or prevent misuse;

3. Provide MAT education and awareness training to healthcare providers, EMTs, law enforcement, and other first responders; and

4. Treatment and Recovery Support Services such as residential and inpatient treatment, intensive outpatient treatment, outpatient therapy or counseling, and recovery housing that allow or integrate medication with other support services.

C. Pregnant & Postpartum Women

1. Expand Screening, Brief Intervention, and Referral to Treatment ("SBIRT") services to non-Medicaid eligible or uninsured pregnant women;

2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for women with co-occurring Opioid Use Disorder ("OUD") and other Substance Use Disorder ("SUD")/Mental Health disorders for uninsured individuals for up to 12 months postpartum; and

3. Provide comprehensive wrap-around services to individuals with Opioid Use Disorder (OUD) including housing, transportation, job placement/training, and childcare.

D. Expanding Treatment for Neonatal Abstinence Syndrome

1. Expand comprehensive evidence-based and recovery support for NAS babies;

2. Expand services for better continuum of care with infant-need dyad; and

3. Expand long-term treatment and services for medical monitoring of NAS babies and their families.

[1] As used in this Schedule A, words like "expand," "fund," "provide" or the like shall not indicate a preference for new or existing programs. Priorities will be established through the mechanisms described in the Term Sheet.

E. Expansion of Warm Hand-off Programs and Recovery Services

1. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments;

2. Expand warm hand-off services to transition to recovery services;

3. Broaden scope of recovery services to include co-occurring SUD or mental health conditions. ;

4. Provide comprehensive wrap-around services to individuals in recovery including housing, transportation, job placement/training, and childcare; and

5. Hire additional social workers or other behavioral health workers to facilitate expansions above.

F. Treatment for Incarcerated Population

1. Provide evidence-based treatment and recovery support including MAT for persons with OUD and co-occurring SUD/MH disorders within and transitioning out of the criminal justice system; and

2. Increase funding for jails to provide treatment to inmates with OUD.

G. Prevention Programs

1. Funding for media campaigns to prevent opioid use (similar to the FDA's "Real Cost" campaign to prevent youth from misusing tobacco);

2. Funding for evidence-based prevention programs in schools.;

3. Funding for medical provider education and outreach regarding best prescribing practices for opioids consistent with the 2016 CDC guidelines, including providers at hospitals (academic detailing);

4. Funding for community drug disposal programs; and

5. Funding and training for first responders to participate in pre-arrest diversion programs, post-overdose response teams, or similar strategies that connect at-risk individuals to behavioral health services and supports.

H. Expanding Syringe Service Programs

1. Provide comprehensive syringe services programs with more wrap-around services including linkage to OUD treatment, access to sterile syringes, and linkage to care and treatment of infectious diseases.

I. Evidence-based data collection and research analyzing the effectiveness of the abatement strategies within the State.

Schedule B

Approved Uses

PART ONE: TREATMENT

A. TREAT OPIOID USE DISORDER (OUD)

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:[2]

1. Expand availability of treatment for OUD and any co-occurring SUD/MH conditions, including all forms of Medication-Assisted Treatment (MAT) approved by the U.S. Food and Drug Administration.

2. Support and reimburse evidence-based services that adhere to the American Society of Addiction Medicine (ASAM) continuum of care for OUD and any co-occurring SUD/MH conditions

3. Expand telehealth to increase access to treatment for OUD and any co-occurring SUD/MH conditions, including MAT, as well as counseling, psychiatric support, and other treatment and recovery support services.

4. Improve oversight of Opioid Treatment Programs (OTPs) to assure evidence-based or evidence-informed practices such as adequate methadone dosing and low threshold approaches to treatment.

5. Support mobile intervention, treatment, and recovery services, offered by qualified professionals and service providers, such as peer recovery coaches, for persons with OUD and any co-occurring SUD/MH conditions and for persons who have experienced an opioid overdose.

6. Treatment of trauma for individuals with OUD (e.g., violence, sexual assault, human trafficking, or adverse childhood experiences) and family members (e.g., surviving family members after an overdose or overdose fatality), and training of health care personnel to identify and address such trauma.

7. Support evidence-based withdrawal management services for people with OUD and any co-occurring mental health conditions.

8. Training on MAT for health care providers, first responders, students, or other supporting professionals, such as peer recovery coaches or recovery outreach specialists, including telementoring to assist community-based providers in rural or underserved areas.

9. Support workforce development for addiction professionals who work with persons with OUD and any co-occurring SUD/MH conditions.

10. Fellowships for addiction medicine specialists for direct patient care, instructors, and clinical research for treatments.

11. Scholarships and supports for behavioral health practitioners or workers involved in addressing OUD and any co-occurring SUD or mental health conditions, including but not limited to training,

[2] As used in this Schedule B, words like "expand," "fund," "provide" or the like shall not indicate a preference for new or existing programs. Priorities will be established through the mechanisms described in the Term Sheet.

scholarships, fellowships, loan repayment programs, or other incentives for providers to work in rural or underserved areas.

12. [Intentionally Blank – to be cleaned up later for numbering]

13. Provide funding and training for clinicians to obtain a waiver under the federal Drug Addiction Treatment Act of 2000 (DATA 2000) to prescribe MAT for OUD, and provide technical assistance and professional support to clinicians who have obtained a DATA 2000 waiver.

14. Dissemination of web-based training curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service-Opioids web-based training curriculum and motivational interviewing.

15. Development and dissemination of new curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service for Medication-Assisted Treatment.

B. SUPPORT PEOPLE IN TREATMENT AND RECOVERY

Support people in treatment for or recovery from OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Provide comprehensive wrap-around services to individuals with OUD and any co-occurring SUD/MH conditions, including housing, transportation, education, job placement, job training, or childcare.

2. Provide the full continuum of care of treatment and recovery services for OUD and any co-occurring SUD/MH conditions, including supportive housing, peer support services and counseling, community navigators, case management, and connections to community-based services.

3. Provide counseling, peer-support, recovery case management and residential treatment with access to medications for those who need it to persons with OUD and any co-occurring SUD/MH conditions.

4. Provide access to housing for people with OUD and any co-occurring SUD/MH conditions, including supportive housing, recovery housing, housing assistance programs, training for housing providers, or recovery housing programs that allow or integrate FDA-approved medication with other support services.

5. Provide community support services, including social and legal services, to assist in deinstitutionalizing persons with OUD and any co-occurring SUD/MH conditions.

6. Support or expand peer-recovery centers, which may include support groups, social events, computer access, or other services for persons with OUD and any co-occurring SUD/MH conditions.

7. Provide or support transportation to treatment or recovery programs or services for persons with OUD and any co-occurring SUD/MH conditions.

8. Provide employment training or educational services for persons in treatment for or recovery from OUD and any co-occurring SUD/MH conditions.

9. Identify successful recovery programs such as physician, pilot, and college recovery programs, and provide support and technical assistance to increase the number and capacity of high-quality programs to help those in recovery.

10. Engage non-profits, faith-based communities, and community coalitions to support people in treatment and recovery and to support family members in their efforts to support the person with OUD in the family.

11. Training and development of procedures for government staff to appropriately interact and provide social and other services to individuals with or in recovery from OUD, including reducing stigma.

12. Support stigma reduction efforts regarding treatment and support for persons with OUD, including reducing the stigma on effective treatment.

13. Create or support culturally appropriate services and programs for persons with OUD and any co-occurring SUD/MH conditions, including new Americans.

14. Create and/or support recovery high schools.

15. Hire or train behavioral health workers to provide or expand any of the services or supports listed above.

C. CONNECT PEOPLE WHO NEED HELP TO THE HELP THEY NEED (CONNECTIONS TO CARE)

Provide connections to care for people who have – or at risk of developing – OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Ensure that health care providers are screening for OUD and other risk factors and know how to appropriately counsel and treat (or refer if necessary) a patient for OUD treatment.

2. Fund Screening, Brief Intervention and Referral to Treatment (SBIRT) programs to reduce the transition from use to disorders, including SBIRT services to pregnant women who are uninsured or not eligible for Medicaid.

3. Provide training and long-term implementation of SBIRT in key systems (health, schools, colleges, criminal justice, and probation), with a focus on youth and young adults when transition from misuse to opioid disorder is common.

4. Purchase automated versions of SBIRT and support ongoing costs of the technology.

5. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments.

6. Training for emergency room personnel treating opioid overdose patients on post-discharge planning, including community referrals for MAT, recovery case management or support services.

7. Support hospital programs that transition persons with OUD and any co-occurring SUD/MH conditions, or persons who have experienced an opioid overdose, into clinically-appropriate follow-up care through a bridge clinic or similar approach.

8. Support crisis stabilization centers that serve as an alternative to hospital emergency departments for persons with OUD and any co-occurring SUD/MH conditions or persons that have experienced an opioid overdose.

9. Support the work of Emergency Medical Systems, including peer support specialists, to connect individuals to treatment or other appropriate services following an opioid overdose or other opioid-related adverse event.

10. Provide funding for peer support specialists or recovery coaches in emergency departments, detox facilities, recovery centers, recovery housing, or similar settings; offer services, supports, or connections to care to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced an opioid overdose.

11. Expand warm hand-off services to transition to recovery services.

12. Create or support school-based contacts that parents can engage with to seek immediate treatment services for their child; and support prevention, intervention, treatment, and recovery programs focused on young people.

13. Develop and support best practices on addressing OUD in the workplace.

14. Support assistance programs for health care providers with OUD.

15. Engage non-profits and the faith community as a system to support outreach for treatment.

16. Support centralized call centers that provide information and connections to appropriate services and supports for persons with OUD and any co-occurring SUD/MH conditions.

D. ADDRESS THE NEEDS OF CRIMINAL-JUSTICE-INVOLVED PERSONS

Address the needs of persons with OUD and any co-occurring SUD/MH conditions who are involved in, are at risk of becoming involved in, or are transitioning out of the criminal justice system through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions, including established strategies such as:

a. Self-referral strategies such as the Angel Programs or the Police Assisted Addiction Recovery Initiative (PAARI);

b. Active outreach strategies such as the Drug Abuse Response Team (DART) model;

c. "Naloxone Plus" strategies, which work to ensure that individuals who have received naloxone to reverse the effects of an overdose are then linked to treatment programs or other appropriate services;

d. Officer prevention strategies, such as the Law Enforcement Assisted Diversion (LEAD) model;

e. Officer intervention strategies such as the Leon County, Florida Adult Civil Citation Network or the Chicago Westside Narcotics Diversion to Treatment Initiative; or

f. Co-responder and/or alternative responder models to address OUD-related 911 calls with greater SUD expertise

2. Support pre-trial services that connect individuals with OUD and any co-occurring SUD/MH conditions to evidence-informed treatment, including MAT, and related services.

3. Support treatment and recovery courts that provide evidence-based options for persons with OUD and any co-occurring SUD/MH conditions

4. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are incarcerated in jail or prison.

5. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are leaving jail or prison have recently left jail or prison, are on probation or parole, are under community corrections supervision, or are in re-entry programs or facilities.

6. Support critical time interventions (CTI), particularly for individuals living with dual-diagnosis OUD/serious mental illness, and services for individuals who face immediate risks and service needs and risks upon release from correctional settings.

7. Provide training on best practices for addressing the needs of criminal-justice-involved persons with OUD and any co-occurring SUD/MH conditions to law enforcement, correctional, or judicial personnel or to providers of treatment, recovery, harm reduction, case management, or other services offered in connection with any of the strategies described in this section.

E. ADDRESS THE NEEDS OF PREGNANT OR PARENTING WOMEN AND THEIR FAMILIES, INCLUDING BABIES WITH NEONATAL ABSTINENCE SYNDROME

Address the needs of pregnant or parenting women with OUD and any co-occurring SUD/MH conditions, and the needs of their families, including babies with neonatal abstinence syndrome (NAS), through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Support evidence-based or evidence-informed treatment, including MAT, recovery services and supports, and prevention services for pregnant women – or women who could become pregnant – who have OUD and any co-occurring SUD/MH conditions, and other measures to educate and provide support to families affected by Neonatal Abstinence Syndrome.

2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for uninsured women with OUD and any co-occurring SUD/MH conditions for up to 12 months postpartum.

3. Training for obstetricians or other healthcare personnel that work with pregnant women and their families regarding treatment of OUD and any co-occurring SUD/MH conditions.

4. Expand comprehensive evidence-based treatment and recovery support for NAS babies; expand services for better continuum of care with infant-need dyad; expand long-term treatment and services for medical monitoring of NAS babies and their families.

5. Provide training to health care providers who work with pregnant or parenting women on best practices for compliance with federal requirements that children born with Neonatal Abstinence Syndrome get referred to appropriate services and receive a plan of safe care.

6. Child and family supports for parenting women with OUD and any co-occurring SUD/MH conditions.

7. Enhanced family supports and child care services for parents with OUD and any co-occurring SUD/MH conditions.

8. Provide enhanced support for children and family members suffering trauma as a result of addiction in the family; and offer trauma-informed behavioral health treatment for adverse childhood events.

9. Offer home-based wrap-around services to persons with OUD and any co-occurring SUD/MH conditions, including but not limited to parent skills training.

10. Support for Children's Services – Fund additional positions and services, including supportive housing and other residential services, relating to children being removed from the home and/or placed in foster care due to custodial opioid use.

PART TWO: PREVENTION

F. PREVENT OVER-PRESCRIBING AND ENSURE APPROPRIATE PRESCRIBING AND DISPENSING OF OPIOIDS

Support efforts to prevent over-prescribing and ensure appropriate prescribing and dispensing of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Fund medical provider education and outreach regarding best prescribing practices for opioids consistent with Guidelines for Prescribing Opioids for Chronic Pain from the U.S. Centers for Disease Control and Prevention, including providers at hospitals (academic detailing).

2. Training for health care providers regarding safe and responsible opioid prescribing, dosing, and tapering patients off opioids.

3. Continuing Medical Education (CME) on appropriate prescribing of opioids.

4. Support for non-opioid pain treatment alternatives, including training providers to offer or refer to multi-modal, evidence-informed treatment of pain.

5. Support enhancements or improvements to Prescription Drug Monitoring Programs (PDMPs), including but not limited to improvements that:

a. Increase the number of prescribers using PDMPs;

b. Improve point-of-care decision-making by increasing the quantity, quality, or format of data available to prescribers using PDMPs, by improving the interface that prescribers use to access PDMP data, or both; or

c. Enable states to use PDMP data in support of surveillance or intervention strategies, including MAT referrals and follow-up for individuals identified within PDMP data as likely to experience OUD in a manner that complies with all relevant privacy and security laws and rules.

6. Ensuring PDMPs incorporate available overdose/naloxone deployment data, including the United States Department of Transportation's Emergency Medical Technician overdose database in a manner that complies with all relevant privacy and security laws and rules.

7. Increase electronic prescribing to prevent diversion or forgery.

8. Educate Dispensers on appropriate opioid dispensing.

G. PREVENT MISUSE OF OPIOIDS

Support efforts to discourage or prevent misuse of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Fund media campaigns to prevent opioid misuse.

2. Corrective advertising or affirmative public education campaigns based on evidence.

3. Public education relating to drug disposal.

4. Drug take-back disposal or destruction programs.

5. Fund community anti-drug coalitions that engage in drug prevention efforts.

6. Support community coalitions in implementing evidence-informed prevention, such as reduced social access and physical access, stigma reduction – including staffing, educational campaigns, support for people in treatment or recovery, or training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration (SAMHSA).

7. Engage non-profits and faith-based communities as systems to support prevention.

8. Fund evidence-based prevention programs in schools or evidence-informed school and community education programs and campaigns for students, families, school employees, school athletic programs, parent-teacher and student associations, and others.

9. School-based or youth-focused programs or strategies that have demonstrated effectiveness in preventing drug misuse and seem likely to be effective in preventing the uptake and use of opioids.

10. Create of support community-based education or intervention services for families, youth, and adolescents at risk for OUD and any co-occurring SUD/MH conditions.

11. Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills.

12. Support greater access to mental health services and supports for young people, including services and supports provided by school nurses, behavioral health workers or other school staff, to address

mental health needs in young people that (when not properly addressed) increase the risk of opioid or other drug misuse.

H. PREVENT OVERDOSE DEATHS AND OTHER HARMS (HARM REDUCTION)

Support efforts to prevent or reduce overdose deaths or other opioid-related harms through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Increase availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, individuals with OUD and their friends and family members, individuals at high risk of overdose, schools, community navigators and outreach workers, persons being released from jail or prison, or other members of the general public.

2. Public health entities provide free naloxone to anyone in the community

3. Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, community support groups, and other members of the general public.

4. Enable school nurses and other school staff to respond to opioid overdoses, and provide them with naloxone, training, and support.

5. Expand, improve, or develop data tracking software and applications for overdoses/naloxone revivals.

6. Public education relating to emergency responses to overdoses.

7. Public education relating to immunity and Good Samaritan laws.

8. Educate first responders regarding the existence and operation of immunity and Good Samaritan laws.

9. Syringe service programs and other evidence-informed programs to reduce harms associated with intravenous drug use, including supplies, staffing, space, peer support services, referrals to treatment, fentanyl checking, connections to care, and the full range of harm reduction and treatment services provided by these programs.

10. Expand access to testing and treatment for infectious diseases such as HIV and Hepatitis C resulting from intravenous opioid use.

11. Support mobile units that offer or provide referrals to harm reduction services, treatment, recovery supports, health care, or other appropriate services to persons that use opioids or persons with OUD and any co-occurring SUD/MH conditions.

12. Provide training in harm reduction strategies to health care providers, students, peer recovery coaches, recovery outreach specialists, or other professionals that provide care to persons who use opioids or persons with OUD and any co-occurring SUD/MH conditions.

13. Support screening for fentanyl in routine clinical toxicology testing.

PART THREE: OTHER STRATEGIES

I. FIRST RESPONDERS

In addition to items in sections C, D, and H relating to first responders, support the following:

1. Educate law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs.

2. Provision of wellness and support services for first responders and others who experience secondary trauma associated with opioid-related emergency events.

J. LEADERSHIP, PLANNING AND COORDINATION

Support efforts to provide leadership, planning, coordination, facilitation, training and technical assistance to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Statewide, regional, local, or community regional planning to identify root causes of addiction and overdose, goals for reducing harms related to the opioid epidemic, and areas and populations with the greatest needs for treatment intervention services; to support training and technical assistance; or to support other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

2. A dashboard to share reports, recommendations, or plans to spend opioid settlement funds; to show how opioid settlement funds have been spent; to report program or strategy outcomes; or to track, share, or visualize key opioid-related or health-related indicators and supports as identified through collaborative statewide, regional, local, or community processes.

3. Invest in infrastructure or staffing at government or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of preventing overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

4. Provide resources to staff government oversight and management of opioid abatement programs.

K. TRAINING

In addition to the training referred to throughout this document, support training to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis.

2. Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent overdoses, and treat those with OUD and any co-occurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (e.g., health care, primary care, pharmacies, PDMPs, etc.).

L. RESEARCH

Support opioid abatement research that may include, but is not limited to, the following:

1. Monitoring, surveillance, data collection, and evaluation of programs and strategies described in this opioid abatement strategy list.

2. Research non-opioid treatment of chronic pain.

3. Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders.

4. Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips.

5. Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids.

6. Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (e.g. Hawaii HOPE and Dakota 24/7).

7. Epidemiological surveillance of OUD-related behaviors in critical populations including individuals entering the criminal justice system, including but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring (ADAM) system.

8. Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.

9. Geospatial analysis of access barriers to MAT and their association with treatment engagement and treatment outcomes.

RESOLUTION NO. [INSERT]

A Resolution authorizing [City/County] (herein referred to as this "Governmental Unit") to join with the State of Florida and other local governmental units as a participant in the Florida Memorandum of Understanding and Formal Agreements implementing a Unified Plan.

WHEREAS, the [City/County] has suffered harm from the opioid epidemic;

WHEREAS, the [City/County] recognizes that the entire State of Florida has suffered harm as a result from the opioid epidemic;

WHEREAS, the State of Florida has filed an action pending in Pasco County, Florida, and a number of Florida Cities and Counties have also filed an action *In re: National Prescription Opiate Litigation*, MDL No. 2804 (N.D. Ohio) (the "Opioid Litigation") and [City/County] [is/is not] a litigating participant in that action;

WHEREAS, the State of Florida and lawyers representing certain various local governments involved in the Opioid Litigation have proposed a unified plan for the allocation and use of prospective settlement dollars from opioid related litigation;

WHEREAS, the Florida Memorandum of Understanding (the "Florida Plan") sets forth sets forth a framework of a unified plan for the proposed allocation and use of opioid settlement proceeds and it is anticipated that formal agreements implementing the Florida Plan will be entered into at a future date; and,

WHEREAS, participation in the Florida Plan by a large majority of Florida cities and counties will materially increase the amount of funds to Florida and should improve Florida's relative bargaining position during additional settlement negotiations;

WHEREAS, failure to participate in the Florida Plan will reduce funds available to the State, [City/County], and every other Florida city and county;

NOW, THEREFORE, BE IT RESOLVED BY THIS GOVERNMENTAL UNIT:

SECTION 1. That this Governmental Unit finds that participation in the Florida Plan would be in the best interest of the Governmental Unit and its citizens in that such a plan ensures that almost all of the settlement funds go to abate and resolve the opioid epidemic and each and every city and county receives funds for the harm that it has suffered.

SECTION 2. That this Governmental Unit hereby expresses its support of a unified plan for the allocation and use of opioid settlement proceeds as generally described in the Florida Plan, attached hereto as Exhibit "A."

SECTION 3. That [official name] is hereby expressly authorized to execute the Florida Plan in substantially the form contained in Exhibit "A."

SECTION 4. That [official name] is hereby authorized to execute the any formal agreements implementing a unified plan for the allocation and use of opioid settlement proceeds that is not substantially inconsistent with the Florida Plan and this Resolution.

SECTION 5. That the Clerk be and hereby is instructed to record this Resolution in the appropriate record book upon its adoption.

SECTION 6. The clerk of this Governmental Unit is hereby directed to furnish a certified copy of this Ordinance/Resolution to the Florida

[Florida League of Cities/Florida Association of Counties]

Attorney General Ashley Moody
c\o John M. Guard
The Capitol,
PL-01
Tallahassee, FL 32399-1050

SECTION 7. This Resolution shall take effect immediately upon its adoption.

Adopted this day of , _____, 2021.

(Mayor/Commissioner/etc.)

PURDUE PHARMA L.P.

ABATEMENT PLAN TERM SHEET

SUMMARY OF TERMS AND CONDITIONS

THIS TERM SHEET DOES NOT CONSTITUTE (NOR SHALL IT BE CONSTRUED AS) AN OFFER, AGREEMENT OR COMMITMENT[1]

Issue	Description
1. APPLICABILITY OF AGREEMENT	These terms (once agreed) shall apply to the allocation of value received under, and shall be incorporated into, any plan of reorganization (the "**Chapter 11 Plan**") in the chapter 11 cases of Purdue Pharma L.P. and its affiliates (collectively, "**Purdue**") pending in the U.S. Bankruptcy Court for the Southern District of New York (the "**Bankruptcy Court**") between the states, territories and the District of Columbia (each a "**State**") on the one hand, each county, city, town, parish, village, municipality that functions as a political subdivision under State law, or a governmental entity that has the authority to bring Drug Dealer Liability Act ("**DDLA Claims**") under State law (collectively, the "**Local Governments**"), and each federally recognized Native American, Native Alaskan or American Indian Tribe (each a "**Tribe**") on the other.
2. PURPOSE	Virtually all creditors and the Court itself in the Purdue bankruptcy recognize the need and value in developing a comprehensive abatement strategy to address the opioid crisis as the most effective use of the funds that can be derived from the Purdue estate (including without limitation insurance proceeds and, if included in the Chapter 11 Plan, payments by third-parties seeking releases). Because of the unique impact the crisis has had throughout all regions of the country, and as repeatedly recognized by Judge Drain, division of a substantial portion of the bankruptcy estate should occur through an established governmental structure, with the use of such funds strictly limited to abatement purposes as provided herein.[2]

[1] As a condition to participating in this abatement structure, the settlements that the states of Kentucky and Oklahoma separately entered into with Purdue must be taken into account in any allocation to them or flowing through them. Potential adjustments may include a different Government Participation Mechanism structure for the disbursement of funds to benefit Local Governments in those states or some redirection of funds, which would still be used solely for abatement purposes.

[2] *See, e.g.,* Hrg. Tr at 149:22-150:5 (Oct. 11, 2019)(' "I would hope that those public health steps, once the difficult allocation issues that the parties have addressed here, can be largely left up to the states and municipalities so that they can use their own unique knowledge about their own citizens and how to address them. It may be that some states think it's more of a law enforcement issue, i.e. interdicting illegal opioids at this point. Others may think education is more important. Others may think treatment is more important."); *id.* At 175:24-176:6 ("I also think, and again, I didn't say this lightly, that my hope in the allocation process is that there would be an understanding between the states and the municipalities and localities throughout the whole process that[,] subject to general guidelines on how the money should be used, specific ways to use it would be left up to the states and the municipalities, with guidance from the states primarily."); Hr'g Tr. At 165:3-165:14 (Nov. 19, 2019) ("I continue to believe that the states play a major role in [the allocation] process. The role I'm envisioning for them is not one where they say we get everything.

Issue	Description
	This approach recognizes that funding abatement efforts – which would benefit most creditors and the public by reducing future effects of the crisis through treatment and other programs – is a much more efficient use of limited funds than dividing thin slices among all creditors with no obligation to use it to abate the opioid crisis. Because maximizing abatement of the opioid crisis requires coordination of efforts by all levels of government, particularly when the abatement needs far exceed the available funds, this structure requires a collaborative process between each State and its Local Governments. This Term Sheet is intended to establish the mechanisms for distribution and allocation of funds to States, Local Governments and Tribes (the "**Abatement Funds**") to be incorporated into the Chapter 11 Plan and any order approving the Chapter 11 Plan (**Abatement Funds** net of the portion thereof allocated to a Tribal Abatement Fund under Section 5 hereof are referred to herein as "**Public Funds**"). The parties agree that 100% of the Public Funds distributed under the Chapter 11 Plan shall be used to abate the opioid crisis. Specifically, (i) no less than ninety five percent (95%)of the Public Funds distributed under the Chapter 11 Plan shall be used for abatement of the opioid crisis by funding opioid or substance use disorder related projects or programs that fall within the list of uses in **Schedule B** (the "**Approved Opioid Abatement Uses**"); (ii) priority shall be given to the core abatement strategies ("**Core Strategies**") as identified on **Schedule A**; and (iii) no more than five percent (5%) of the Public Funds may be used to fund expenses incurred in administering the distributions for the Approved Opioid Abatement Uses, including the process of selecting programs to receive distributions of **Public Funds** for implementing those programs and in connection with the Government Participation Mechanism[3] (**"Allowed Administrative Expenses,"** and together with the **Approved Opioid Abatement Uses**, "**Approved Uses**").[4] Notwithstanding anything in this term sheet that might imply to the contrary, projects or programs that constitute **Approved Opioid Abatement Uses** may be provided by States, State agencies, Local Governments, Local Government agencies or nongovernmental parties and funded from Public Funds.
3. GENERAL NOTES	The governmental entities maintain that the most beneficial and efficient use of limited bankruptcy funds is to dedicate as large a portion as possible to abatement programs addressing the opioid crisis. If this

I think that should be clear and I think it is clear to them. But, rather, where they act – in the best principles of federalism, for their state, the coordinator for the victims in their state."); Hr'g Tr. at 75:19-76:1 (Jan. 24, 2020) ("Even if there ultimately is an allocation here – and there's not a deal now, obviously, at this point on a plan. But if there is an allocation that leaves a substantial amount of the Debtors' value to the states and territories, one of the primary benefits of a bankruptcy case is that the plan can lock in, perhaps only in general ways, but perhaps more in specific ways, how the states use that money . . . .").

[3] Capitalized terms not defined where first used shall have the meanings later ascribed to them in this Term Sheet.

[4] Nothing in this term sheet is intended to, nor does it, limit or permit the ability of funds from the Purdue estate (other than Public Funds) to be used to pay for legal fees and expenses incurred in anticipation of or during Purdue's chapter 11 case, or once confirmed, in implementing the Chapter 11 Plan.

Issue	Description
	approach is taken, the governmental entities involved in the mediation – states, territories, tribes, counties, cities and others – would commit the Public Funds allocated to them to such future abatement, in lieu of direct payment for their claims. a. Resolution of States' and Local Governments' claims under this model presumes signoff by and support of the federal government, including an agreement that the federal government will also forego its past damages claims. Continued coordination with the federal government therefore is necessary as this model is finalized. b. This outline addresses the allocation of Abatement Funds among governmental entities to provide abatement programs to the public for the benefit of not only the governmental entities and their constituents, but also a substantial number of other creditors. The States and Local Governments welcome other, private-side creditor groups to enter discussions concerning how such creditors may participate in, contribute to and/or benefit from the government-funded abatement programs contemplated herein in lieu of direct payment on their claims for past damages. c. In addition to providing abatement services, it is understood that, if their claims are to be released in a reorganization plan, a portion of the Purdue estate will also need to be dedicated to personal injury claimants. A proposal regarding such claims is being developed separately. d. All **Public Funds** distributed from the Purdue bankruptcy estate as part of this abatement structure shall be used only for such **Approved Uses**. Compliance with these requirements shall be verified through reporting, as set out in Section 8. This outline and the terms herein are intended to apply solely to the use and allocation of Public Funds in the Purdue Chapter 11 Plan, and do not apply to the use or allocation of funds made available as the result of judgments against or settlements with any party other than those released as part of the Chapter 11 Plan.
4. DISBURSEMENT OF FUNDS	**Disbursement of Abatement Funds** The Bankruptcy Court shall appoint [a third-party administrator ("**Administrator**")] [Trustee(s)] who will perform the ministerial task of overseeing distribution of all Abatement Funds, which will consist of all assets transferred to such fund by way of the confirmed Chapter 11 Plan, and any, growth, earnings, or revenues from such assets, as well as proceeds from any future sale of such assets. The [Administrator] [Trustees] shall distribute the Abatement Fund consistent with the Chapter 11 Plan and shall provide to the Bankruptcy Court an annual report on such distributions. [Points to be addressed regarding disbursements:

Issue	Description
	• Trigger and timing for disbursements. • Insert details to show how these funds shall be distributed for abatement uses and that the funds will not flow into the state general revenue accounts (unless constitutionally required and, in that event, the funds shall still be disbursed for abatement uses as required by the terms of the document), including possible distribution to state points of contact and block grant recipients. • Possible creation of template document for Abatement Funds distribution requests. • If trust mechanism is employed, trust location and governing law.]
5. ATTORNEYS' FEES AND COSTS FUND	A separate fund will be established for attorneys' fees and litigation costs in the final bankruptcy plan. Agreement by the parties to this Abatement Plan Term Sheet is contingent upon the establishment of this fund and the details of the fund, which are subject to further negotiation, including without limitation the participants, amount, jurisdiction, oversight, and administration. Participation in an abatement program, receipt of abatement services or benefits will not affect, and specific percentages in the abatement structure received by various parties will not determine, the amount of fees and costs that may be recovered.
6. TRIBAL ABATEMENT FUNDING	a. [X%] of the **Abatement Funds** will be allocated to a Tribal Abatement Fund and these funds will not be a part of the structure involving abatement programs funded by state and local governments. b. The Tribes are working on their proposal for allocation among Tribes, which would be included as part of the overall abatement plan. c. The Tribes will use the tribal allocation of Abatement Funds for programs on the approved list of abatement strategies (see **Schedule B**) and also for culturally appropriate activities, practices, teachings or ceremonies that are, in the judgment of a tribe or tribal health organization, aimed at or supportive of remediation and abatement of the opioid crisis within a tribal community.[5] The Tribes will have a list of representative examples of such culturally appropriate abatement strategies, practices and programs which is attached as **Schedule [ ]**. The separate allocation of abatement funding and illustrative list of culturally appropriate abatement strategies recognizes that American Indian and Alaska Native Tribes and the communities they serve possess unique cultural histories, practices, wisdom, and needs that are highly relevant to the health and well-being of American Indian and Alaska Native

[5] [NTD: Discuss how private claimants will be treated under Tribal Allocation, if at all.]

Issue	Description
	people and that may play an important role in both individual and public health efforts and responses in Native communities.
7. DIVISION OF PUBLIC FUNDS	**Public Funds** are allocated among the States, the District of Columbia and Territories in the percentages set forth on **Schedule C**. Except as set forth below in section 7(C) for the District of Columbia and Territories, each State's Schedule C share shall then be allocated within the State in accordance with the following: 1. **Statewide Agreement**. Each State and its Local Governments will have until [the later of 60 days from entry of an order confirming the Chapter 11 Plan or the Effective Date of the Chapter 11 Plan][6] (the "**Agreement Date**") to file with the Bankruptcy Court an agreed-upon allocation or method for allocating the Public Funds for that State dedicated only to Approved Uses (each a "**Statewide Abatement Agreement**" or "**SAA**"). Any State and its Local Governments that have reached agreement before the Effective Date of the Chapter 11 Plan that satisfies the metric for approval as described in the immediately following paragraph shall file a notice with the Bankruptcy Court that it has adopted a binding SAA and either include the SAA with its filing or indicate where the SAA is publicly available for the SAA to be effective for the Purdue Bankruptcy. Any dispute regarding allocation within a State will be resolved as provided by the Statewide Abatement Agreement. A **Statewide Abatement Agreement** shall be agreed when it has been approved by the State and either (a) representatives[7] of its Local Governments whose aggregate Population Percentages, determined as set forth below, total more than Sixty Percent (60%), or (b) representatives of its Local Governments whose aggregate Population Percentages total more than fifty percent (50%) provided that these Local Governments also represent 15% or more of the State's counties or parishes (or, in the case of States whose counties and parishes that do not function as Local Governments, 15% of or more of the State's incorporated cities or towns), by number.[8]

[6] Should there be provision for extension of the date for filing Statewide Abatement Agreement?
[7] An authorized "representative" of local, or even State, government can differ in this Term Sheet depending on the context.
[8] All references to population in this Term Sheet shall refer to published U. S. Census Bureau population estimates as of July 1, 2019, released March 2020, and shall remain unchanged during the term of this agreement. These estimates can currently be found at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-counties-total.html

Issue	Description
	Population Percentages shall be determined as follows: For States with counties or parishes that function as Local Governments,[9] the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) 200% of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish,[10] divided by (b) 200% of the State's population. A "**Primary Incorporated Municipality**" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality The Population Percentage of each primary incorporated municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by 200% of the State's population; provided that the Population Percentage of a primary incorporated municipality that is not located within a county shall be equal to 200% of its population (including the population of any incorporated or unincorporated municipality located therein) divided by 200% of the State's population. For all States that do not have counties or parishes that function as Local Governments, the Population Percentage of each incorporated municipality (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population. The Statewide Abatement Agreement will become effective within fourteen (14) days of filing, unless otherwise ordered by the Bankruptcy Court. A State and its Local Governments may revise, supplement, or refine a Statewide Abatement Agreement by filing an amended Statewide Abatement Agreement that has been approved by the State and sufficient Local Governments to satisfy the approval standards set forth above with the Bankruptcy Court, which shall become effective within fourteen (14) days of filing, unless otherwise ordered by the Bankruptcy Court. 2. **Default Allocation Mechanism (excluding Territories and DC addressed below).** The **Public Funds** allocable to a State that is not party to a **Statewide Abatement Agreement** as defined in 7(1) above (each a "**Non-SAA State**") shall be allocated as between the State and its Local Governments to be

[9] The following states do not have counties or parishes that function as Local Governments: Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont [INSERT OTHERS]. All other States have counties or parishes that function as Local Governments.

[10] Discuss how to deal with cities and towns that straddle counties.

Issue	Description
	used only for **Approved Uses**, in accordance with this Section (B) (the "**Default Allocation Mechanism**"). a. **Regions.** Except as provided in the final sentence of this paragraph, each **Non-SAA State** shall be divided into "**Regions**" as follows: (a) each **Qualifying Block Grantee** (as defined below) shall constitute a **Region**; and (b) the balance of the State shall be divided into **Regions** (such **Regions** to be designated by the State agency with primary responsibility for substance abuse disorder services employing to the maximum extent practical, existing regions established in that State for opioid abuse treatment or similar public health purposes); such non-**Qualifying Block Grantee Regions** are referred to herein as "**Standard Regions**"). The **Non-SAA States** which have populations under 4 million and do not have existing regions described in the foregoing clause (b) shall not be required to establish **Regions**;[11] such a State that does not establish **Regions** but which does contain one or more **Qualifying Block Grantees** shall be deemed to consist of one **Region** for each **Qualifying Block Grantee** and one **Standard Region** for the balance of the State. b. **Regional Apportionment**. **Public Funds** shall be allocated to each **Non-SAA State, as defined in 7(1) above,** as (a) a **Regional Apportionment** or (b) a **Non-Regional Apportionment** based on the amount of Public Funds dispersed under a confirmed Chapter 11 Plan as follows: i. **First $1 billion** – 70% Regional Apportionment/30% Non-Regional Apportionment ii. **$1-$2.5 billion** – 64% Regional Apportionment /36% Non-Regional Apportionment iii. **$2.5-$3.5 billion** – 60% Regional Apportionment /40% Non-Regional Apportionment iv. **Above $3.5 billion** – 50% Regional Apportionment /50% Non-Regional Apportionment

[11] To the extent they are not parties to a Statewide Abatement Agreement, the following States will qualify as a Non-SAA State that does not have to establish Regions: Connecticut, Delaware, Hawai'i, Iowa, Maine, Nevada, New Hampshire, New Mexico, Rhode Island, Vermont [INSERT OTHERS].

Issue	Description
	c. **Qualifying Block Grantee.** A "**Qualifying Local Government**" means a county or parish (or in the cases of States that do not have counties or parishes that function as political subdivision, a city), that (a) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more and (b) has funded or otherwise manages an established, health care and/or treatment infrastructure (*e.g.*, health department or similar agency) to evaluate, award, manage and administer a Local Government Block Grant.[12] A **Qualifying Local Government** that elects to receive **Public Funds** through Local Government Block Grants is referred to herein as a **Qualifying Block Grantee**.[13] d. **Proportionate Shares of Regional Apportionment.** As used herein, the "**Proportionate Share**" of each **Region** in each **Non-SAA State** shall be (a) for States in which counties or parishes function as Local Governments, the aggregate shares of the counties or parishes located in such **Region** under the allocation model employed in connection with the Purdue Bankruptcy (the "**Allocation Model**"),[14] divided by the aggregate shares for all counties or parishes in the State under the **Allocation Model**; and (b) for all other States, the aggregate shares of the cities and towns in that **Region** under the **Allocation Model's** intra-county allocation formula, divided by the aggregate shares for all cities and towns[15] in the State under the **Allocation Model**. e. **Expenditure or Disbursement of Regional Apportionment.** Subject to 7(2)(i) below regarding **Allowed Administrative Expenses**, all **Regional Apportionments** shall be disbursed or expended in the form of **Local Government Block Grants** or otherwise for **Approved Opioids Abatement Uses** in the **Standard Regions** of each **Non-SAA State**.

[12] As noted in footnote 8, the population for each State shall refer to published U. S. Census Bureau population estimates as of July 1, 2019, released March 2020, and shall remain unchanged during the term of this agreement. These estimates can currently be found at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-counties-total.html

[13] [NTD: Perhaps provide for a Qualifying Political Subdivision to expand to include neighboring areas that are part of its metro area?]

[14] Need to address whether to use the Negotiation Class Allocation Model or other metric to determine Proportionate Share.

[15] Should this be all cities and towns or only primary incorporated municipalities?

Issue	Description
	f. **Qualifying Block Grantees.** Each **Qualifying Block Grantee** shall receive its **Regional Apportionment** as a block grant (a "**Local Government Block Grant**"). **Local Government Block Grants** shall be used only for **Approved Opioid Abatement Uses** by the **Qualifying Block Grantee** or for grants to organizations within its jurisdiction for **Approved Opioid Abatement Uses** and for **Allowed Administrative Expenses** in accordance with 7(2)(i) below. Where a municipality located wholly within a **Qualifying Block Grantee** would independently qualify as a block grant recipient ("**Independently Qualifying Municipality**"), the **Qualifying Block Grantee** and **Independently Qualifying Municipality** must make a substantial and good faith effort to reach agreement on use of Abatement Funds as between the qualifying jurisdictions. If the **Independently Qualifying Municipality** and the **Qualifying Block Grantee** cannot reach such an agreement on or before the **Agreement Date [or some later specified date]**, the **Qualifying Block Grantee** will receive the **Local Government Block Grant** for its full **Proportionate Share** and commit programming expenditures to the benefit of the **Independently Qualifying Municipality** in general proportion to **Proportionate Shares** (determined as provided in 7(2)(d) above) of the municipalities within the **Qualifying Block Grantee**. Notwithstanding the allocation of the Proportionate Share of each Regional Apportionment to the Qualifying Block Grantee, a Qualifying Block Grantee may choose to contribute a portion of its Proportionate Share towards a Statewide program. g. **Standard Regions.** The portions of each **Regional Apportionment** not disbursed in the form of **Local Government Block Grants** shall be expended throughout the **Standard Regions** of each **Non-SAA State** in accordance with 95%-105% of the respective **Proportionate Shares** of such **Standard Regions**. Such expenditures will be in a manner that will best address Opioid abatement within the State as determined by the State with the input, advice and recommendations of the **Government Participation Mechanism** described in Section 8 below. This regional spending requirement may be met by delivering **Approved Opioid Abatement Use** services or programs to a **Standard Region** or its residents. Delivery of such services or programs can be

Issue	Description
	accomplished directly or indirectly through many different infrastructures and approaches, including without limitation the following: i. State agencies, including local offices; ii. Local governments, including local government health departments; iii. State public hospital or health systems; iv. Health care delivery districts; v. Contracting with abatement service providers, including nonprofit and commercial entities; or vi. Awarding grants to local programs. h. **Expenditure or Disbursement of Public Funds Other Than Regional Apportionment.** All **Public Funds** allocable to a **Non-SAA State** that are not included in the State's **Regional Apportionment** shall be expended only on **Approved Uses**. The expenditure of such funds shall be at the direction of the State's lead agency (or other point of contact designated by the State) and may be expended on a statewide and/or localized manner, including in the manners described in herein. **Qualifying Block Grantees** will be eligible to participate in or receive the benefits of any such expenditures on the same basis as other **Regions.** i. **Allowed Administrative Expenses. Qualifying Block Grantees** States may use up to 5% of their Non-Regional Apportionments plus 5% of the Regional Apportionment not used to fund **Local Government Block Grants,** for **Allowed Administrative Expenses. Qualifying Block Grantees** may use up to 5% of their **Local Government Block Grants** to fund their **Allowed Administrative Expenses.** 3. **Records.** The State shall maintain records of abatement expenditures and its required reporting will include data on regional expenditures so it can be verified that the Regional Distribution mechanism guarantees are being met.[16] **Qualifying Block Grantees** shall maintain records of abatement expenditures and shall provide those records periodically to their State for inclusion in the State's required periodic reporting, and shall be subject to audit consistent with State law applicable to the granting of State funds.

[16] Additional records and reporting requirements?

Issue	Description
	(C) Allocation for Territories and the District of Columbia Only The allocation of Public Funds within a Territory or the District of Columbia will be determined by its local legislative body [within one year of the Agreement Date], unless that legislative body is not in session, in which case, the allocation of Public Funds shall be distributed pursuant to the direction of the Territory's or District of Columbia's executive, in consultation – to the extent applicable – with its Government Participation Mechanism [within ninety (90) days of the Agreement Date].[17]
8. GOVERNMENT PARTICIPATION MECHANISM	In each **Non-SAA State**, as defined in 7(1) above, there shall be a process, preferably pre-existing, whereby the State shall allocate funds under the Regional Distribution mechanism only after meaningfully consulting with its respective Local Governments. Each such State shall identify its mechanism (whether be it a council, board, committee, commission, taskforce, or other efficient and transparent structure) for consulting with its respective Local Governments (the "**Government Participation Mechanism**" or "**GPM**") in a notice filed with the Bankruptcy Court identifying what GPM has been formed and describing the participation of its Local Governments in connection therewith. States may combine these notices into one or more notices for filing with the Bankruptcy Court. These notices are reviewable by the Bankruptcy Court upon the motion of any Local Government in that State asserting that no GPM has been formed. Government Participation Mechanisms shall conform to the following: (A) ***Composition***. For each State, a. the State, on the one hand, and State's Local Governments, on the other hand, shall have equal representation on a GPM; b. Local Government representation on a GPM shall be weighted in favor of the Standard Regions but can include representation from the State's Qualifying Block Grantees; c. the GPM will be chaired by a non-voting Chairperson appointed by the State; d. Groups formed by the States' executive or legislature may be used as a GPM, provided that the group has equal representation by the State and the State's Local Governments.[18] Appointees should possess experience, expertise and education with respect to public health, substance abuse, and other related

[17] Territory and DC provisions to be discussed

[18] Additional potential terms: mechanism for state and local appointment; duration of term, reimbursement of expenses.

Issue	Description
	topics as is necessary to assure the effective functioning of the GPM. (B) ***Consensus***. Members of the GPMs should attempt to reach consensus with respect to **GPM Recommendations** and other actions of the GPM. Consensus is defined in this process as a general agreement achieved by the members that reflects, from as many members as possible, their active support, support with reservations, or willingness to abide by the decision of the other members. Consensus does not require unanimity or other set threshold and may include objectors. In all events, however, actions of a GPM shall be effective if supported by at least a majority of its Members. **GPM Recommendations** and other action shall note the existence and summarize the substance of objections where requested by the objector(s). (C) ***Proceedings***. Each GPM shall hold no fewer than four public meetings annually, to be publicized and located in a manner reasonably designed to facilitate attendance by residents throughout the State. Each GPM shall function in a manner consistent with its State's open meeting, open government or similar laws, and with the Americans with Disabilities Act. GPM members shall be subject to State conflict of interest and similar ethics in government laws. (D) ***Consultation and Discretion***. The GPM shall be a mechanism by which the State consults with community stakeholders, including Local Governments (including those not a part of the GPM), state and local public health officials and public health advocates, in connection with opioid abatement priorities and expenditure decisions for the use of Public Funds on Approved Opioid Abatement Uses.[19] (E) ***Recommendations***. A GPM shall make recommendations regarding specific opioid abatement priorities and expenditures for the use of Public Funds on Approved Opioid Abatement Uses to the State or the agency designated by a State for this purpose (**"GPM Recommendations"**). In carrying out its obligations to provide **GPM Recommendations,** a GPM may consider local, state and federal initiatives and activities related to education, prevention, treatment and services for individuals and families experiencing and affected by opioid use disorder; recommend priorities to address the State's opioid epidemic, which recommendations may be Statewide or specific to **Regions**; recommend Statewide or **Regional** funding with respect to specific programs or initiatives; recommend measurable outcomes to determine the effectiveness of funds expended for

[19] Address form of consultation with non-GPM members, public hearings, etc.

Issue	Description
	Approved Opioid Abatement Uses; monitor the level of **Allowed Administrative Expenses** expended from **Public Funds**. The goal is for a process that produces **GPM Recommendations** that are recognized as being an efficient, evidence-based approach to abatement that addresses the State's greatest needs while also including programs reflecting particularized needs in local communities. It is anticipated that such a process, particularly given the active participation of state representatives, will inform and assist the state in making decisions about the spending of the **Public Funds**. To the extent a State chooses not to follow a **GPM Recommendation**, it will make publicly available within 14 days after the decision is made a written explanation of the reasons for its decision, and allow 7 days for the GPM to respond. (F) ***Review***. Local Governments and States may object to an allocation or expenditure of **Public Funds** (whether a **Regional Apportionment** or **Non-Regional** Apportionment) solely on the basis that the allocation or expenditure at issue (i) is inconsistent with the provisions of Section 7(B)2 hereof with respect to the levels of **Regional Apportionments** and **Non-Regional** Apportionments; (ii) is inconsistent with the provisions of Section 7(B)(5) hereof with respect to the amounts of **Local Government Block Grants** or **Regional Apportionment** expenditures; (iii) is not for an **Approved Use,** or (iv) violates the limitations set forth herein with respect to **Allowed Administrative Fees**. The objector shall have the right to bring that objection to either (a) a court with jurisdiction within the applicable State ("**State Court**") or (b) the Bankruptcy Court if the Purdue chapter 11 case has not been closed; provided that nothing herein is intended to expand the scope of the Bankruptcy Court's post-confirmation jurisdiction or be deemed to be a consent to any expanded post-confirmation jurisdiction by the Bankruptcy Court (each an "**Objection**"). If an Objection is filed within fourteen (14) days of approval of an Allocation, then no funds shall be distributed on account of the aspect of the Allocation that is the subject of the Objection until the Objection is resolved or decided by the Bankruptcy Court or State Court, as applicable. There shall be no other basis for bringing an Objection to the approval of an Allocation.
8. COMPLIANCE, REPORTING, AUDIT AND ACCOUNTABILITY	At least annually, each State shall publish on the lead State Agency's website or on its Attorney General's website a report detailing for the preceding time period, respectively (i) the amount of Public Funds received, (ii) the allocation awards approved (indicating the recipient, the

Issue	Description
	amount of the allocation, the program to be funded and disbursement terms), and (iii) the amounts disbursed on approved allocations, to Qualifying Local Governments for Local Government Block Grants and Allowed Administrative Fees. At least annually, each **Qualifying Block Grantee** which has elected to take a Local Government Block Grant shall publish on its lead Agency's or Local Government's website a report detailing for the preceding time period, respectively (i) the amount of **Local Government Block Grants** received, (ii) the allocation awards approved (indicating the recipient, the amount of the grant, the program to be funded and disbursement terms), and (iii) the amounts disbursed on approved allocations. As applicable, each State or Local Government shall impose reporting requirements on each recipient to ensure that **Public Funds** are only being used for **Approved Uses**, in accordance with the terms of the allocation, and that the efficacy of the expenditure of such **Public Funds** with respect to opioids abatement can be publicly monitored and evaluated. The expenditure and disbursement of **Public Funds** shall be subject to audit by States as follows: [details of audit scope, process, output, etc.] (a) A court with jurisdiction within the applicable State ("**State Court**") or (b) the Bankruptcy Court if the Purdue chapter 11 case has not been closed shall have jurisdiction to enforce the terms of this agreement, and as applicable, a Statewide Abatement Agreement or Default Mechanism; provided that nothing herein is intended to expand the scope of the Bankruptcy Court's post-confirmation jurisdiction.

Schedule A
Core Strategies

States and Qualifying Block Grantees shall choose from among the abatement strategies listed in Schedule B. However, priority shall be given to the following core abatement strategies ("**Core Strategies**")[, such that a minimum of __% of the [aggregate] state-level abatement distributions shall be spent on [one or more of] them annually].

A. Naloxone/Narcan

1. Expand training for first responders, EMTs, law enforcement, schools, community support groups and families; and
2. Increase distribution to non-Medicaid eligible or uninsured individuals.

B. Medication Assisted Treatment ("MAT") Distribution and other opioid-related treatment

1. Increase distribution of MAT to non-Medicaid eligible or uninsured individuals;
2. Provide MAT services to youth and education to school-based and youth-focused programs that discourage or prevent misuse;
3. Provide MAT education and awareness training to healthcare providers, EMTs, law enforcement, and other first responders; and
4. Non-MAT treatment, including addition and expansion of services for managing withdrawal and related systems such as detox, residential, hospitalization, intensive outpatient, outpatient, recovery housing, and treatment facilities.

C. Pregnant & Postpartum Women

1. Expand Screening, Brief Intervention, and Referral to Treatment ("SBIRT") services to non-Medicaid eligible or uninsured pregnant women;
2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for women with co-occurring Opioid Use Disorder ("OUD") and other Substance Use Disorder ("SUD")/Mental Health disorders from 60 days postpartum to 12 months (post-Medicaid coverage); and
3. Provide comprehensive wrap-around services to individuals in recovery including housing, transportation, job placement/training, and childcare.

D. Expanding Treatment for Neonatal Abstinence Syndrome

1. Expand comprehensive evidence-based and recovery support for NAS babies;
2. Expand services for better continuum of care with infant-need dyad; and
3. Expand long-term treatment and services for medical monitoring of NAS babies and their families.

E. Expansion of Warm Hand-off Programs and Recovery Services

1. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments;
2. Expand warm hand-off services to transition to recovery services;
3. Broaden scope of recovery services to include co-occurring SUD or other polysubstance abuse problems;
4. Provide comprehensive wrap-around services to individuals in recovery including housing, transportation, job placement/training, and childcare; and
5. Hire additional social workers to facilitate expansions above.

F. Treatment for Incarcerated Population

1. Provide evidence-based treatment and recovery support including MAT for persons with OUD and co-occurring SUD/MH disorders within and transitioning out of the criminal justice system; and
2. Increase funding for jails that currently have or had detox units to treat inmates with OUD.

G. Prevention Programs

1. Funding for media campaigns to prevent opioid use (similar to the FDA's "Real Cost" campaign to prevent youth from misusing tobacco);
2. Funding for school-based prevention programs, beyond education about MAT mentioned above, including evidence-based school-wide programs;
3. Funding for medical provider education and outreach regarding best prescribing practices for opioids consistent with the 2016 CDC guidelines, including providers at hospitals (academic detailing);
4. Funding for community drug disposal programs; and
5. Funding for additional city police officers/county sheriffs to specifically address OUD and opioid-related ODs.

H. Expanding Syringe Service Programs

1. Provide comprehensive syringe exchange services programs with more wrap-around services including treatment information.

I. Evidence based data collection and research analyzing the effectiveness of the abatement strategies within the State.

Schedule B
Approved Uses[20]

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

PART ONE: TREATMENT

A. TREAT OPIOID USE DISORDER (OUD)

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Expand availability of treatment for OUD and any co-occurring SUD/MH conditions, including all forms of Medication-Assisted Treatment (MAT) approved by the U.S. Food and Drug Administration.

2. Support and reimburse services that include the full American Society of Addiction Medicine (ASAM) continuum of care for OUD and any co-occurring SUD/MH conditions, including but not limited to:
    a. Medication-Assisted Treatment (MAT);
    b. Abstinence-based treatment;
    c. Treatment, recovery, or other services provided by states, subdivisions, community health centers; non-for-profit providers; or for-profit providers;
    d. Treatment by providers that focus on OUD treatment as well as treatment by providers that offer OUD treatment along with treatment for other SUD/MH conditions; or
    e. Evidence-informed residential services programs, as noted below.

3. Expand telehealth to increase access to treatment for OUD and any co-occurring SUD/MH conditions, including MAT, as well as counseling, psychiatric support, and other treatment and recovery support services.

4. Improve oversight of Opioid Treatment Programs (OTPs) to assure evidence-based, evidence-informed, or promising practices such as adequate methadone dosing and low threshold approaches to treatment.

5. Support mobile intervention, treatment, and recovery services, offered by qualified professionals and service providers, such as peer recovery coaches, for persons with

[20] [NTD: Discuss expanded list of Approved Uses to be included. Discuss "self-executing" function based on additional information received from NCSG.]

OUD and any co-occurring SUD/MH conditions and for persons who have experienced an opioid overdose.

6. Treatment of mental health trauma resulting from the traumatic experiences of the opioid user (e.g., violence, sexual assault, human trafficking, or adverse childhood experiences) and family members (e.g., surviving family members after an overdose or overdose fatality), and training of health care personnel to identify and address such trauma.

7. Support detoxification (detox) and withdrawal management services for persons with OUD and any co-occurring SUD/MH conditions, including medical detox, referral to treatment, or connections to other services or supports.

8. Training on MAT for health care providers, students, or other supporting professionals, such as peer recovery coaches or recovery outreach specialists, including telementoring to assist community-based providers in rural or underserved areas.

9. Support workforce development for addiction professionals who work with persons with OUD and any co-occurring SUD/MH conditions.

10. Fellowships for addiction medicine specialists for direct patient care, instructors, and clinical research for treatments.

11. Scholarships and supports for certified addiction counselors and other mental and behavioral health providers involved in addressing OUD any co-occurring SUD/MH conditions, including but not limited to training, scholarships, fellowships, loan repayment programs, or other incentives for providers to work in rural or underserved areas.

12. Scholarships for persons to become certified addiction counselors, licensed alcohol and drug counselors, licensed clinical social workers, and licensed mental health counselors practicing in the SUD field, and scholarships for certified addiction counselors, licensed alcohol and drug counselors, licensed clinical social workers, and licensed mental health counselors practicing in the SUD field for continuing education and licensing fees.

13. Provide funding and training for clinicians to obtain a waiver under the federal Drug Addiction Treatment Act of 2000 (DATA 2000) to prescribe MAT for OUD, and provide technical assistance and professional support to clinicians who have obtained a DATA 2000 waiver.

14. Dissemination of web-based training curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service-Opioids web-based training curriculum and motivational interviewing.

15. Development and dissemination of new curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service for Medication-Assisted Treatment.

B. SUPPORT PEOPLE IN TREATMENT AND RECOVERY

Support people in treatment for and recovery from OUD and any co-occurring SUD/MH conditions through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Provide the full continuum of care of recovery services for OUD and any co-occurring SUD/MH conditions, including supportive housing, residential treatment, medical detox services, peer support services and counseling, community navigators, case management, and connections to community-based services.

2. Provide counseling, peer-support, recovery case management and residential treatment with access to medications for those who need it to persons with OUD and any co-occurring SUD/MH conditions.

3. Provide access to housing for people with OUD and any co-occurring SUD/MH conditions, including supportive housing, recovery housing, housing assistance programs, or training for housing providers.

4. Provide community support services, including social and legal services, to assist in deinstitutionalizing persons with OUD and any co-occurring SUD/MH conditions.

5. Support or expand peer-recovery centers, which may include support groups, social events, computer access, or other services for persons with OUD and any co-occurring SUD/MH conditions.

6. Provide or support transportation to treatment or recovery programs or services for persons with OUD and any co-occurring SUD/MH conditions.

7. Provide employment training or educational services for persons in treatment for or recovery from OUD and any co-occurring SUD/MH conditions.

8. Identify successful recovery programs such as physician, pilot, and college recovery programs, and provide support and technical assistance to increase the number and capacity of high-quality programs to help those in recovery.

9. Engage non-profits, faith-based communities, and community coalitions to support people in treatment and recovery and to support family members in their efforts to manage the opioid user in the family.

10. Training and development of procedures for government staff to appropriately interact and provide social and other services to current and recovering opioid users, including reducing stigma.

11. Support stigma reduction efforts regarding treatment and support for persons with OUD, including reducing the stigma on effective treatment.

12. Create or support culturally-appropriate services and programs for persons with OUD and any co-occurring SUD/MH conditions, including new Americans.

13. Create and/or support recovery high schools.

C. CONNECT PEOPLE WHO NEED HELP TO THE HELP THEY NEED (CONNECTIONS TO CARE)

Provide connections to care for people who have – or at risk of developing – OUD and any co-occurring SUD/MH conditions through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Ensure that health care providers are screening for OUD and other risk factors and know how to appropriately counsel and treat (or refer if necessary) a patient for OUD treatment.

2. Fund Screening, Brief Intervention and Referral to Treatment (SBIRT) programs to reduce the transition from use to disorders.

3. Provide training and long-term implementation of SBIRT in key systems (health, schools, colleges, criminal justice, and probation), with a focus on youth and young adults when transition from misuse to opioid disorder is common.

4. Purchase automated versions of SBIRT and support ongoing costs of the technology.

5. Training for emergency room personnel treating opioid overdose patients on post-discharge planning, including community referrals for MAT, recovery case management or support services.

6. Support hospital programs that transition persons with OUD and any co-occurring SUD/MH conditions, or persons who have experienced an opioid overdose, into community treatment or recovery services through a bridge clinic or similar approach.

7. Support crisis stabilization centers that serve as an alternative to hospital emergency departments for persons with OUD and any co-occurring SUD/MH conditions or persons that have experienced an opioid overdose.

8. Support the work of Emergency Medical Systems, including peer support specialists, to connect individuals to treatment or other appropriate services following an opioid overdose or other opioid-related adverse event.

9. Provide funding for peer support specialists or recovery coaches in emergency departments, detox facilities, recovery centers, recovery housing, or similar settings; offer services, supports, or connections to care to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced an opioid overdose.

10. Provide funding for peer navigators, recovery coaches, care coordinators, or care managers that offer assistance to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced on opioid overdose.

11. Create or support school-based contacts that parents can engage with to seek immediate treatment services for their child; and support prevention, intervention, treatment, and recovery programs focused on young people.

12. Develop and support best practices on addressing OUD in the workplace.

13. Support assistance programs for health care providers with OUD.

14. Engage non-profits and the faith community as a system to support outreach for treatment.

15. Support centralized call centers that provide information and connections to appropriate services and supports for persons with OUD and any co-occurring SUD/MH conditions.

16. Create or support intake and call centers to facilitate education and access to treatment, prevention, and recovery services for persons with OUD and any co-occurring SUD/MH conditions.

17. Develop or support a National Treatment Availability Clearinghouse – a multistate/nationally accessible database whereby health care providers can list locations for currently available in-patient and out-patient OUD treatment services that are accessible on a real-time basis by persons who seek treatment.

D. ADDRESS THE NEEDS OF CRIMINAL-JUSTICE-INVOLVED PERSONS

Address the needs of persons with OUD and any co-occurring SUD/MH conditions who are involved – or are at risk of becoming involved – in the criminal justice system through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions, including established strategies such as:
    a. Self-referral strategies such as the Angel Programs or the Police Assisted Addiction Recovery Initiative (PAARI);
    b. Active outreach strategies such as the Drug Abuse Response Team (DART) model;
    c. "Naloxone Plus" strategies, which work to ensure that individuals who have received naloxone to reverse the effects of an overdose are then linked to treatment programs or other appropriate services;
    d. Officer prevention strategies, such as the Law Enforcement Assisted Diversion (LEAD) model;
    e. Officer intervention strategies such as the Leon County, Florida Adult Civil Citation Network or the Chicago Westside Narcotics Diversion to Treatment Initiative; or

f. Co-responder and/or alternative responder models to address OUD-related 911 calls with greater SUD expertise and to reduce perceived barriers associated with law enforcement 911 responses.

2. Support pre-trial services that connect individuals with OUD and any co-occurring SUD/MH conditions to evidence-informed treatment, including MAT, and related services.

3. Support treatment and recovery courts for persons with OUD and any co-occurring SUD/MH conditions, but only if these courts provide referrals to evidence-informed treatment, including MAT.

4. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are incarcerated in jail or prison.

5. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are leaving jail or prison have recently left jail or prison, are on probation or parole, are under community corrections supervision, or are in re-entry programs or facilities.

6. Support critical time interventions (CTI), particularly for individuals living with dual-diagnosis OUD/serious mental illness, and services for individuals who face immediate risks and service needs and risks upon release from correctional settings.

7. Provide training on best practices for addressing the needs of criminal-justice-involved persons with OUD and any co-occurring SUD/MH conditions to law enforcement, correctional, or judicial personnel or to providers of treatment, recovery, harm reduction, case management, or other services offered in connection with any of the strategies described in this section.

E. ADDRESS THE NEEDS OF PREGNANT OR PARENTING WOMEN AND THEIR FAMILIES, INCLUDING BABIES WITH NEONATAL ABSTINENCE SYNDROME

Address the needs of pregnant or parenting women with OUD and any co-occurring SUD/MH conditions, and the needs of their families, including babies with neonatal abstinence syndrome, through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Support evidence-based, evidence-informed, or promising treatment, including MAT, recovery services and supports, and prevention services for pregnant women – or women who could become pregnant – who have OUD and any co-occurring SUD/MH conditions, and other measures educate and provide support to families affected by Neonatal Abstinence Syndrome.

2. Training for obstetricians or other healthcare personnel that work with pregnant women and their families regarding treatment of OUD and any co-occurring SUD/MH conditions.

3. Provide training to health care providers who work with pregnant or parenting women on best practices for compliance with federal requirements that children born with Neonatal Abstinence Syndrome get referred to appropriate services and receive a plan of safe care.

4. Child and family supports for parenting women with OUD and any co-occurring SUD/MH conditions.

5. Enhanced family supports and child care services for parents with OUD and any co-occurring SUD/MH conditions.

6. Provide enhanced support for children and family members suffering trauma as a result of addiction in the family; and offer trauma-informed behavioral health treatment for adverse childhood events.

7. Offer home-based wrap-around services to persons with OUD and any co-occurring SUD/MH conditions, including but not limited to parent skills training.

8. Support for Children's Services – Fund additional positions and services, including supportive housing and other residential services, relating to children being removed from the home and/or placed in foster care due to custodial opioid use.

PART TWO: PREVENTION

F. PREVENT OVER-PRESCRIBING AND ENSURE APPROPRIATE PRESCRIBING AND DISPENSING OF OPIOIDS

Support efforts to prevent over-prescribing and ensure appropriate prescribing and dispensing of opioids through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Training for health care providers regarding safe and responsible opioid prescribing, dosing, and tapering patients off opioids.

2. Academic counter-detailing to educate prescribers on appropriate opioid prescribing.

3. Continuing Medical Education (CME) on appropriate prescribing of opioids.

4. Support for non-opioid pain treatment alternatives, including training providers to offer or refer to multi-modal, evidence-informed treatment of pain.

5. Support enhancements or improvements to Prescription Drug Monitoring Programs (PDMPs), including but not limited to improvements that:
    a. Increase the number of prescribers using PDMPs;
    b. Improve point-of-care decision-making by increasing the quantity, quality, or format of data available to prescribers using PDMPs, by improving the interface that prescribers use to access PDMP data, or both; or
    c. Enable states to use PDMP data in support of surveillance or intervention strategies, including MAT referrals and follow-up for individuals identified within PDMP data as likely to experience OUD.

6. Development and implementation of a national PDMP – Fund development of a multistate/national PDMP that permits information sharing while providing appropriate safeguards on sharing of private health information, including but not limited to:
    a. Integration of PDMP data with electronic health records, overdose episodes, and decision support tools for health care providers relating to OUD.
    b. Ensuring PDMPs incorporate available overdose/naloxone deployment data, including the United States Department of Transportation's Emergency Medical Technician overdose database.

7. Increase electronic prescribing to prevent diversion or forgery.

8. Educate Dispensers on appropriate opioid dispensing.

G. PREVENT MISUSE OF OPIOIDS

Support efforts to discourage or prevent misuse of opioids through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Corrective advertising or affirmative public education campaigns based on evidence.

2. Public education relating to drug disposal.

3. Drug take-back disposal or destruction programs.

4. Fund community anti-drug coalitions that engage in drug prevention efforts.

5. Support community coalitions in implementing evidence-informed prevention, such as reduced social access and physical access, stigma reduction – including staffing, educational campaigns, support for people in treatment or recovery, or training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration (SAMHSA).

6. Engage non-profits and faith-based communities as systems to support prevention.

7. Support evidence-informed school and community education programs and campaigns for students, families, school employees, school athletic programs, parent-teacher and student associations, and others.

8. School-based or youth-focused programs or strategies that have demonstrated effectiveness in preventing drug misuse and seem likely to be effective in preventing the uptake and use of opioids.

9. Create of support community-based education or intervention services for families, youth, and adolescents at risk for OUD and any co-occurring SUD/MH conditions.

10. Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills.

11. Support greater access to mental health services and supports for young people, including services and supports provided by school nurses or other school staff, to address mental health needs in young people that (when not properly addressed) increase the risk of opioid or other drug misuse.

H. PREVENT OVERDOSE DEATHS AND OTHER HARMS (HARM REDUCTION)

Support efforts to prevent or reduce overdose deaths or other opioid-related harms through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Increase availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, opioid users, families and friends of opioid users, schools, community navigators and outreach workers, drug offenders upon release from jail/prison, or other members of the general public.

2. Public health entities provide free naloxone to anyone in the community, including but not limited to provision of intra-nasal naloxone in settings where other options are not available or allowed.

3. Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, and other members of the general public.

4. Enable school nurses and other school staff to respond to opioid overdoses, and provide them with naloxone, training, and support.

5. Expand, improve, or develop data tracking software and applications for overdoses/naloxone revivals.

6. Public education relating to emergency responses to overdoses.

7. Public education relating to immunity and Good Samaritan laws.

8. Educate first responders regarding the existence and operation of immunity and Good Samaritan laws.

9. Syringe service programs and other evidence-informed programs to reduce harms associated with intravenous drug use, including supplies, staffing, space, peer support services, referrals to treatment, fentanyl checking, connections to care, and the full range of harm reduction and treatment services provided by these programs.

10. Expand access to testing and treatment for infectious diseases such as HIV and Hepatitis C resulting from intravenous opioid use.

11. Support mobile units that offer or provide referrals to harm reduction services, treatment, recovery supports, health care, or other appropriate services to persons that use opioids or persons with OUD and any co-occurring SUD/MH conditions.

12. Provide training in harm reduction strategies to health care providers, students, peer recovery coaches, recovery outreach specialists, or other professionals that provide care to persons who use opioids or persons with OUD and any co-occurring SUD/MH conditions.

13. Support screening for fentanyl in routine clinical toxicology testing.

PART THREE: OTHER STRATEGIES

I. FIRST RESPONDERS

In addition to items C8, D1 through D7, H1, H3, and H8, support the following:

1. Law enforcement expenditures relating to the opioid epidemic.

2. Educate law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs.

3. Provision of wellness and support services for first responders and others who experience secondary trauma associated with opioid-related emergency events.

J. LEADERSHIP, PLANNING AND COORDINATION

Support efforts to provide leadership, planning, and coordination to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Community regional planning to identify goals for reducing harms related to the opioid epidemic, to identify areas and populations with the greatest needs for treatment

intervention services, or to support other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

2. A government dashboard to track key opioid-related indicators and supports as identified through collaborative community processes.

3. Invest in infrastructure or staffing at government or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of preventing overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

4. Provide resources to staff government oversight and management of opioid abatement programs.

K. TRAINING

In addition to the training referred to in items A7, A8, A9, A12, A13, A14, A15, B7, B10, C3, C5, D7, E2, E4, F1, F3, F8, G5, H3, H12, and I-2, support training to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis.

2. Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent overdoses, and treat those with OUD and any co-occurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (e.g., health care, primary care, pharmacies, PDMPs, etc.).

L. RESEARCH

Support opioid abatement research that may include, but is not limited to, the following:

a. Monitoring, surveillance, and evaluation of programs and strategies described in this opioid abatement strategy list.

b. Research non-opioid treatment of chronic pain.

c. Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders.

d. Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips.

e. Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids.

f. Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (e.g. Hawaii HOPE and Dakota 24/7).

g. Research on expanded modalities such as prescription methadone that can expand access to MAT.

h. Epidemiological surveillance of OUD-related behaviors in critical populations including individuals entering the criminal justice system, including but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring (ADAM) system.

i. Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.

j. Geospatial analysis of access barriers to MAT and their association with treatment engagement and treatment outcomes.

[TO BE INSERTED]

63779069 v1

EXHIBIT B

RESOLUTION NO. 2021-100

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF LAKE COUNTY, FLORIDA, AUTHORIZING LAKE COUNTY (HEREIN REFERRED TO AS THIS "GOVERNMENTAL UNIT") TO JOIN WITH THE STATE OF FLORIDA AND OTHER LOCAL GOVERNMENTAL UNITS AS A PARTICIPANT IN THE FLORIDA MEMORANDUM OF UNDERSTANDING AND FORMAL AGREEMENTS IMPLEMENTING A UNIFIED PLAN.

WHEREAS, Lake County has suffered harm from the opioid epidemic; and

WHEREAS, Lake County recognizes that the entire State of Florida has suffered harm as a result from the opioid epidemic; and

WHEREAS, the State of Florida has filed an action pending in Pasco County, Florida, and a number of Florida Cities and Counties have also filed an action *In re: National Prescription Opiate Litigation*, MDL No. 2804 (N.D. Ohio) (the "Opioid Litigation") and Lake County is a litigating participant in that action; and

WHEREAS, the State of Florida and lawyers representing certain various local governments involved in the Opioid Litigation have proposed a unified plan for the allocation and use of prospective settlement dollars from opioid related litigation; and

WHEREAS, the Florida Memorandum of Understanding (the "Florida Plan") sets forth a framework for a unified plan for the proposed allocation and use of opioid settlement proceeds and it is anticipated that formal agreements implementing the Florida Plan will be entered into at a future date; and

WHEREAS, participation in the Florida Plan by a large majority of Florida cities and counties will materially increase the amount of funds to Florida and should improve Florida's relative bargaining position during additional settlement negotiations; and

WHEREAS, failure to participate in the Florida Plan will reduce funds available to the State, Lake County, and every other Florida city and county.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Lake County, Florida (Governmental Unit), that Lake County supports entering into the Florida Plan.

SECTION 1. The above recitals are incorporated herein.

SECTION 2. This Governmental Unit finds that participation in the Florida Plan would be in the best interest of the Governmental Unit and its citizens in that such a plan ensures that almost all of the settlement funds go to abate and resolve the opioid epidemic and each and every city and county receives funds for the harm that it has suffered.

SECTION 3. That this Governmental Unit hereby expresses its support of a unified plan for the allocation and use of opioid settlement proceeds as generally described in the Florida Plan, attached hereto as Exhibit "A."

SECTION 4. That the Chairman of the Governmental Unit is hereby expressly authorized to execute the Florida Plan in substantially the form contained in Exhibit "A."

SECTION 5. That the Chairman of the Governmental Unit is hereby authorized to execute any formal agreements implementing a unified plan for the allocation and use of opioid settlement proceeds that is not substantially inconsistent with the Florida Plan and this Resolution.

SECTION 6. The Clerk of Court of this Governmental Unit is hereby directed to furnish a certified copy of this Resolution to the Florida Attorney General at

Attorney General Ashley Moody
c\o John M. Guard
The Capitol,
PL-01
Tallahassee, FL 32399-1050

SECTION 7. This Resolution shall take effect immediately upon its adoption.

PASSED AND ADOPTED on this day of 22nd day of June, 2021.

BOARD OF COUNTY COMMISSIONERS
LAKE COUNTY, FLORIDA

Sean M. Parks, Chairman

This 22nd day of June, 2021.

ATTEST:

Gary J. Cooney, Clerk
Board of County Commissioners
of Lake County, Florida

Approved as to form and legality:

Melanie Marsh, County Attorney

EXHIBIT C

PARTICIPATION INSTRUCTIONS

Thank you for registering your subdivision on the national settlement website and for considering participating in the proposed Settlement Agreement with McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation (collectively "Settling Distributors"). This virtual envelope contains a Participation Form including a release of claims and an Intrastate Allocation Agreement. The Participation Form in this envelope must be executed, without alteration, and submitted in order for your subdivision to be considered potentially "participating."

The sign-on period for subdivisions ends on January 2, 2022. On or after that date, the states (in consultation with the subdivisions), Janssen, and the Opioid Distributors will determine whether the subdivision participation rate is sufficient for the settlement to move forward. If the deal moves forward, your release will become effective. If it does not, it will not.

As a reminder, if you have not already started your review of the settlement documentation, detailed information about the Settlements may be found at: https://nationalopioidsettlement.com/. This national settlement website also includes links to information about how the Settlements are being implemented in your state and how settlement funds will be allocated within your state, including information about, and links to, any applicable allocation agreement or legislation. This website will be supplemented as additional documents are created. The Florida Attorney General's Office has also created a state-specific website that may be accessed here: http://www.myfloridalegal.com/opioidsettlement. If you have questions, please contact your counsel (if you have counsel on opioids matters) or the Florida Attorney General's Office at Utah Attorney General's Office at fl.opioidlitigation@myfloridalegal.com.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

Florida Subdivision Participation Form

Governmental Entity: LAKE COUNTY		State: FL
Authorized Signatory: Sean M. Parks, Chairman, Board of County Commissioners		
Address 1: PO Box 7800		
Address 2:		
City, State, Zip: Tavares	Florida	32778
Phone: 352-343-9850		
Email: mmarsh@lakecountyfl.gov		

The governmental entity identified above ("Governmental Entity"), in order to obtain and in consideration for the benefits provided to the Governmental Entity consistent with the material terms of the National Settlement Agreement with McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation ("Settling Distributors"), dated July 21, 2021 ("National Distributor Settlement"), and acting through the undersigned authorized official, hereby elects to participate in the National Distributor Settlement t, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the National Distributor Settlement, understands that all terms in this Election and Release have the meanings defined therein, and agrees that by this Participation Form, the Governmental Entity elects to participate consistent with the material terms of the National Distributor Settlement and become a Participating Subdivision as provided therein pursuant to the terms of the National Distributor Settlement or pursuant to terms consistent with the National Distributor Settlement.

2. The Governmental Entity's election to participate is specifically conditioned on participation by Litigating Subdivisions representing 95% or more of the population (combined) of Litigating Subdivisions in Florida. Should the combined population of the Litigating Subdivisions in Florida that participate be less than 95% of the population (combined) of the Litigating Subdivisions in Florida, this Election and Release shall be deemed void and no claims shall be released.

3. The Governmental Entity's execution of this Participation Agreement shall serve as the Governmental Entity's acceptance of the terms and conditions of the Florida Opioid Allocation And Statewide Response Agreement dated November 15, 2021.

4. The Governmental Entity shall, within 14 days of the Reference Date prior to the filing of the Consent Judgment, secure the dismissal with prejudice of any Released Claims that it has filed.

5. The Governmental Entity agrees to the terms of the National Distributor Settlement pertaining to Subdivisions as defined collectively therein.

6. By agreeing to the terms of the National Distributor Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.

7. The Governmental Entity agrees to use any monies it receives through the National Distributor Settlement solely for the purposes provided therein.

8. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity's state where the Consent Judgment is filed for purposes limited to that court's role as provided in, and for resolving disputes to the extent provided in, the National Distributor Settlement. If the National Distributor Settlement is finalized, the Governmental Entity likewise agrees to arbitrate before the National Arbitration Panel as provided in, and for resolving disputes to the extent otherwise provided in the National Distributor Settlement.

9. The Governmental Entity has the right to enforce the National Distributor Settlement as collectively provided therein.

10. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the National Distributor Settlement, including but not limited to, all provisions of Part XI and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the National Distributor Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The National Distributor Settlement shall be a complete bar to any Released Claim.

11. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision consistent with the National Distributor Settlement.

12. In connection with the releases provided for in the National Distributor Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the National Distributor Settlement.

13. Nothing herein is intended to modify in any way the terms of the National Distributor Settlement to which Governmental Entity hereby agrees, with the exception of the requisite Litigating Government participation level.

I swear under penalty of perjury that I have all necessary power and authorization to execute this Election and Release on behalf of the Governmental Entity

FLORIDA OPIOID ALLOCATION AND STATEWIDE RESPONSE AGREEMENT

BETWEEN

STATE OF FLORIDA DEPARTMENT OF LEGAL AFFAIRS,
OFFICE OF THE ATTORNEY GENERAL

And

CERTAIN LOCAL GOVERNMENTS IN THE STATE OF FLORIDA

This Florida Opioid Allocation and Statewide Response Agreement (the "Agreement") is entered into between the State of Florida ('State") and certain Local Governments ("Local Governments" and the State and Local Governments are jointly referred to as the "Parties" or individually as a "Party"). The Parties agree as follows:

Whereas, the people of the State and its communities have been harmed by misfeasance, nonfeasance and malfeasance committed by certain entities within the Pharmaceutical Supply Chain; and

Whereas, the State, through its Attorney General, and certain Local Governments, through their elected representatives and counsel, are separately engaged in litigation seeking to hold many of the same Pharmaceutical Supply Chain Participants accountable for the damage caused by their misfeasance, nonfeasance and malfeasance as the State; and

Whereas, certain of the Parties have separately sued Pharmaceutical Supply Chain participants for the harm caused to the citizens of both Parties and have collectively negotiated settlements with several Pharmaceutical Supply Chain Participants; and

Whereas, the Parties share a common desire to abate and alleviate the impacts of that misfeasance, nonfeasance and malfeasance throughout the State; and

Whereas, it is the intent of the State and its Local Governments to use the proceeds from any Settlements with Pharmaceutical Supply Chain Participants to increase the amount of funding presently spent on opioid and substance abuse education, treatment, prevention and other related programs and services, such as those identified in Exhibits "A" and "B," and to ensure that the funds are expended in compliance with evolving evidence-based "best practices;" and

Whereas, the State and its Local Governments enter into this Agreement and agree to the allocation and use of the proceeds of any settlement described herein

Wherefore, the Parties each agree to as follows:

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

A. Definitions

As used in this Agreement:

1. "Approved Purpose(s)" shall mean forward-looking strategies, programming and services used to expand the availability of treatment for individuals impacted by substance use disorders, to: (a) develop, promote, and provide evidence-based substance use prevention strategies; (b) provide substance use avoidance and awareness education; (c) decrease the oversupply of licit and illicit opioids; and (d) support recovery from addiction. Approved Purposes shall include, but are not limited to, the opioid abatement strategies listed in Exhibits "A" and "B" which are incorporated herein by reference.

2. "Local Governments" shall mean all counties, cities, towns and villages located within the geographic boundaries of the State.

3. "Managing Entities" shall mean the corporations selected by and under contract with the Florida Department of Children and Families or its successor ("DCF") to manage the daily operational delivery of behavioral health services through a coordinated system of care. The singular "Managing Entity" shall refer to a singular of the Managing Entities.

4. "County" shall mean a political subdivision of the state established pursuant to s. 1, Art. VIII of the State Constitution.

5. "Dependent Special District" shall mean a Special District meeting the requirements of Florida Statutes § 189.012(2).

6. "Municipalities" shall mean cities, towns, or villages located in a County within the State that either have: (a) a Population greater than 10,000 individuals; or (b) a Population equal to or less than 10,000 individuals and that has either (i) filed a lawsuit against one or more Pharmaceutical Supply Chain Participants; or (ii) executes a release in connection with a settlement with a Pharmaceutical Supply Chain participant. The singular "Municipality" shall refer to a singular city, town, or village within the definition of Municipalities.

7. "'Negotiating Committee" shall mean a three-member group comprised by representatives of the following: (1) the State; and (2) two representatives of Local Governments of which one representative will be from a Municipality and one shall be from a County (collectively, "Members") within the State. The State shall be represented by the Attorney General or her designee.

8. "Negotiation Class Metrics" shall mean those county and city settlement allocations which come from the official website of the Negotiation Class of counties and cities certified on September 11, 2019 by the U.S. District for the Northern District of Ohio in *In re National Prescription Opiate Litigation*, MDL No. 2804 (N.D. Ohio). The website is located at https://allocationmap.iclaimsonline.com.

9. "Opioid Funds" shall mean monetary amounts obtained through a Settlement.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

10. "Opioid Related" shall have the same meaning and breadth as in the agreed Opioid Abatement Strategies attached hereto as Exhibits "A" or "B."

11. "Parties" shall mean the State and Local Governments that execute this Agreement. The singular word "Party" shall mean either the State or Local Governments that executed this Agreement.

12. "PEC" shall mean the Plaintiffs' Executive Committee of the National Prescription Opiate Multidistrict Litigation pending in the United States District Court for the Northern District of Ohio.

13. "Pharmaceutical Supply Chain" shall mean the entities, processes, and channels through which Controlled Substances are manufactured, marketed, promoted, distributed or dispensed.

14. "Pharmaceutical Supply Chain Participant" shall mean any entity that engages in, or has engaged in the manufacture, marketing, promotion, distribution or dispensing of an opioid analgesic.

15. "Population" shall refer to published U.S. Census Bureau population estimates as of July 1, 2019, released March 2020, and shall remain unchanged during the term of this Agreement. These estimates can currently be found at *https://www.census.gov. For purposes of Population under the definition of Qualified County, a County's population shall be the greater of its population as of the July 1, 2019, estimates or its actual population, according to the official U.S. Census Bureau count, which was released by the U.S. Census Bureau in August 2021.*

16. "Qualified County" shall mean a charter or non-chartered County that has a Population of at least 300,000 individuals and: (a) has an opioid taskforce or other similar board, commission, council, or entity (including some existing sub-unit of a County's government responsible for substance abuse prevention, treatment, and/or recovery) of which it is a member or it operates in connection with its municipalities or others on a local or regional basis; (b) has an abatement plan that has been either adopted or is being utilized to respond to the opioid epidemic; (c) is, as of December 31, 2021, either providing or is contracting with others to provide substance abuse prevention, recovery, and/or treatment services to its citizens; and (d) has or enters into an interlocal agreement with a majority of Municipalities (Majority is more than 50% of the Municipalities' total Population) related to the expenditure of Opioid Funds. The Opioid Funds to be paid to a Qualified County will only include Opioid Funds for Municipalities whose claims are released by the Municipality or Opioid Funds for Municipalities whose claims are otherwise barred. For avoidance of doubt, the word "operate" in connection with opioid task force means to do at least one of the following activities: (1) gathers data about the nature, extent, and problems being faced in communities within that County; (2) receives and reports recommendations from other government and private entities about activities that should be undertaken to abate the opioid epidemic to a County; and/or (3) makes recommendations to a County and other public and private leaders about steps, actions, or plans that should be undertaken to abate the opioid epidemic. For avoidance of doubt, the Population calculation required by subsection (d) does not include Population in unincorporated areas.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

17. "SAMHSA" shall mean the U.S. Department of Health & Human Services, Substance Abuse and Mental Health Services Administration.

18. "Settlement" shall mean the negotiated resolution of legal or equitable claims against a Pharmaceutical Supply Chain Participant when that resolution has been jointly entered into by the State and Local Governments or a settlement class as described in (B)(1) below.

19. "State" shall mean the State of Florida.

B. Terms

1. **Only Abatement** - Other than funds used for the Administrative Costs and Expense Fund as hereinafter described or to pay obligations to the United States arising out of Medicaid or other federal programs, all Opioid Funds shall be utilized for Approved Purposes. In order to accomplish this purpose, the State will either: (a) file a new action with Local Governments as Parties; or (b) add Local Governments to its existing action, sever any settling defendants. In either type of action, the State will seek entry of a consent judgment, consent order or other order binding judgment binding both the State and Local Governments to utilize Opioid Funds for Approved Purposes ("Order") from the Circuit Court of the Sixth Judicial Circuit in and for Pasco County, West Pasco Division New Port Richey, Florida (the "Court"), except as herein provided. The Order may be part of a class action settlement or similar device. The Order shall provide for continuing jurisdiction by the Court to address non-performance by any party under the Order.

2. **Avoid Claw Back and Recoupment** - Both the State and Local Governments wish to maximize any Settlement and Opioid Funds. In addition to committing to only using funds for the Expense Funds, Administrative Costs and Approved Purposes, both Parties will agree to utilize a percentage of funds for the Core Strategies highlighted in Exhibit A. Exhibit A contains the programs and strategies prioritized by the U.S. Department of Justice and/or the U.S. Department of Health & Human Services ("Core Strategies"). The State is trying to obtain the United States' agreement to limit or reduce the United States' ability to recover or recoup monies from the State and Local Government in exchange for prioritization of funds to certain projects. If no agreement is reached with the United States, then there will be no requirement that a percentage be utilized for Core Strategies.

3. **No Benefit Unless Fully Participating** - Any Local Government that objects to or refuses to be included under the Order or refuses or fails to execute any of documents necessary to effectuate a Settlement shall not receive, directly or indirectly, any Opioid Funds and its portion of Opioid Funds shall be distributed to, and for the benefit of, the Local Governments. Funds that were a for a Municipality that does not join a Settlement will be distributed to the County where that Municipality is located. Funds that were for a County that does not join a Settlement will be distributed pro rata to Counties that join a Settlement. For avoidance of doubt, if a Local Government initially refuses to be included in or execute the documents necessary to effectuate a Settlement and subsequently effectuates such documents necessary to join a Settlement, then that Local Government will only lose those payments made under a Settlement while that Local Government was not a part of the Settlement. If a Local Government participates in a Settlement, that Local Government is thereby releasing the claims of its Dependent Special District claims, if any.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

4. **Distribution Scheme** – If a Settlement has a National Settlement Administrator or similar entity, all Opioids Funds will initially go to the Administrator to be distributed. If a Settlement does not have a National Settlement Administrator or similar entity, all Opioid Funds will initially go to the State, and then be distributed by the State as they are received from the Defendants according to the following distribution scheme. The Opioid Funds will be divided into three funds after deducting any costs of the Expense Fund detailed below. Funds due the federal government, if any, pursuant to Section B-2, will be subtracted from only the State and Regional Funds below:

(a) City/County Fund- The city/county fund will receive 15% of all Opioid Funds to directly benefit all Counties and Municipalities. The amounts to be distributed to each County and Municipality shall be determined by the Negotiation Class Metrics or other metrics agreed upon, in writing, by a County and a Municipality, which are attached to this Agreement as Exhibit "C." In the event that a Municipality has a Population less than 10,000 people and it does not execute a release or otherwise join a Settlement that Municipalities share under the Negotiation Class Metrics shall be reallocated to the County where that Municipality is located.

(b) Regional Fund- The regional fund will be subdivided into two parts.

(i) The State will annually calculate the share of each County within the State of the regional fund utilizing the sliding scale in paragraph 5 of the Agreement, and according to the Negotiation Class Metrics.

(ii) For Qualified Counties, the Qualified County's share will be paid to the Qualified County and expended on Approved Purposes, including the Core Strategies identified in Exhibit A, if applicable.

(iii) For all other Counties, the State will appropriate the regional share for each County and pay that share through DCF to the Managing Entities providing service for that County. The Managing Entities will be required to expend the monies on Approved Purposes, including the Core Strategies as directed by the Opioid Abatement Task Force or Council. The Managing Entities shall expend monies from this Regional Fund on services for the Counties within the State that are non-Qualified Counties and to ensure that there are services in every County. To the greatest extent practicable, the Managing Entities shall endeavor to expend monies in each County or for citizens of a County in the amount of the share that a County would have received if it were a Qualified County.

(c) State Fund - The remainder of Opioid Funds will be expended by the State on Approved Purposes, including the provisions related to Core Strategies, if applicable.

(d) To the extent that Opioid Funds are not appropriated and expended in a year by the State, the State shall identify the investments where settlement funds will be deposited. Any gains, profits, or interest accrued from the deposit of the Opioid Funds to the extent that any funds are not appropriated and expended within a calendar year, shall be the sole property of the Party that was entitled to the initial amount.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

(e) To the extent a County or Municipality wishes to pool, comingle, or otherwise transfer its share, in whole or part, of Opioid Funds to another County or Municipality, the comingling Municipalities may do so by written agreement. The comingling Municipalities shall provide a copy of that agreement to the State and any settlement administrator to ensure that monies are directed consistent with such agreement. The County or Municipality receiving any such Opioid Funds shall assume the responsibility for reporting how such Opioid Funds were utilized under this Agreement.

5. Regional Fund Sliding Scale- The Regional Fund shall be calculated by utilizing the following sliding scale of the Opioid Funds available in any year after deduction of Expenses and any funds due the federal government:

A. Years 1-6: 40%

B. Years 7-9: 35%

C. Years 10-12: 34%

D. Years 13-15: 33%

E. Years 16-18: 30%

6. Opioid Abatement Taskforce or Council - The State will create an Opioid Abatement Taskforce or Council (sometimes hereinafter "Taskforce" or "Council") to advise the Governor, the Legislature, DCF, and Local Governments on the priorities that should be addressed by expenditure of Opioid Funds and to review how monies have been spent and the results that have been achieved with Opioid Funds.

(a) Size - The Taskforce or Council shall have ten Members equally balanced between the State and the Local Government representatives.

(b) Appointments Local Governments - Two Municipality representatives will be appointed by or through Florida League of Cities. Two county representatives, one from a Qualified County and one from a county within the State that is not a Qualified County, will be appointed by or through the Florida Association of Counties. The final representative will alternate every two years between being a county representative (appointed by or through Florida Association of Counties) or a Municipality representative (appointed by or through the Florida League of Cities). One Municipality representative must be from a city of less than 50,000 people. One county representative must be from a county of less than 200,000 people and the other county representative must be from a county whose population exceeds 200,000 people.

(c) Appointments State -

(i) The Governor shall appoint two Members.

(ii) The Speaker of the House shall appoint one Member.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

(iii) The Senate President shall appoint one Member.

(iv) The Attorney General or her designee shall be a Member.

(d) Chair - The Attorney General or designee shall be the chair of the Taskforce or Council.

(e) Term - Members will be appointed to serve a four-year term and shall be staggered to comply with Florida Statutes § 20.052(4)(c).

(f) Support - DCF shall support the Taskforce or Council and the Taskforce or Council shall be administratively housed in DCF.

(g) Meetings - The Taskforce or Council shall meet quarterly in person or virtually using communications media technology as defined in section 120.54(5)(b)(2), Florida Statutes.

(h) Reporting - The Taskforce or Council shall provide and publish a report annually no later than November 30th or the first business day after November 30th, if November 30th falls on a weekend or is otherwise not a business day. The report shall contain information on how monies were spent the previous fiscal year by the State, each of the Qualified Counties, each of the Managing Entities, and each of the Local Governments. It shall also contain recommendations to the Governor, the Legislature, and Local Governments for priorities among the Approved Purposes or similar such uses for how monies should be spent the coming fiscal year to respond to the opioid epidemic. Prior to July 1st of each year, the State and each of the Local Governments shall provide information to DCF about how they intend to expend Opioid Funds in the upcoming fiscal year.

(i) Accountability - The State and each of the Local Governments shall report its expenditures to DCF no later than August 31st for the previous fiscal year. The Taskforce or Council will set other data sets that need to be reported to DCF to demonstrate the effectiveness of expenditures on Approved Purposes. In setting those requirements, the Taskforce or Council shall consider the Reporting Templates, Deliverables, Performance Measures, and other already utilized and existing templates and forms required by DCF from Managing Entities and suggest that similar requirements be utilized by all Parties to this Agreement.

(j) Conflict of Interest - All Members shall adhere to the rules, regulations and laws of Florida including, but not limited to, Florida Statute §112.311, concerning the disclosure of conflicts of interest and recusal from discussions or votes on conflicted matters.

7. **Administrative Costs**- The State may take no more than a 5% administrative fee from the State Fund and any Regional Fund that it administers for counties that are not Qualified Counties. Each Qualified County may take no more than a 5% administrative fee from its share of the Regional Funds. Municipalities and Counties may take no more than a 5% administrative fee from any funds that they receive or control from the City/County Fund.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

8. **Negotiation of Non-Multistate Settlements** - If the State begins negotiations with a Pharmaceutical Supply Chain Participant that is separate and apart from a multi-state negotiation, the State shall include Local Governments that are a part of the Negotiating Committee in such negotiations. No Settlement shall be recommended or accepted without the affirmative votes of both the State and Local Government representatives of the Negotiating Committee.

9. **Negotiation of Multistate or Local Government Settlements** - To the extent practicable and allowed by other parties to a negotiation, both Parties agree to communicate with members of the Negotiation Committee regarding the terms of any other Pharmaceutical Supply Chain Participant Settlement.

10. **Program Requirements**- DCF and Local Governments desire to make the most efficient and effective use of the Opioid Funds. DCF and Local Governments will work to achieve that goal by ensuring the following requirements will be minimally met by any governmental entity or provider providing services pursuant to a contract or grant of Opioid Funds:

a. In either performing services under this Agreement or contracting with a provider to provide services with the Opioid Funds under this Agreement, the State and Local Governments shall be aware of and comply with all State and Federal laws, rules, Children and Families Operating Procedures (CFOPs), and similar regulations relating to the substance abuse and treatment services.

b. The State and Local Governments shall have and follow their existing policies and practices for accounting and auditing, including policies relating to whistleblowers and avoiding fraud, waste, and abuse. The State and Local Governments shall consider additional policies and practices recommended by the Opioid Abatement Taskforce or Council. c. In any award or grant to any provider, State and Local Governments shall ensure that each provider acknowledges its awareness of its obligations under law and shall audit, supervise, or review each provider's performance routinely, at least once every year.

d. In contracting with a provider, the State and Local Governments shall set performance measures in writing for a provider.

e. The State and Local Governments shall receive and report expenditures, service utilization data, demographic information, and national outcome measures in a similar fashion as required by the 42.U.S.C. s. 300x and 42 U.S.C. s. 300x-21.

f. The State and Local Governments, that implement evidenced based practice models will participate in fidelity monitoring as prescribed and completed by the originator of the model chosen..

g. The State and Local Governments shall ensure that each year, an evaluation of the procedures and activities undertaken to comply with the requirements of this Agreement are completed.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

h. The State and Local Governments shall implement a monitoring process that will demonstrate oversight and corrective action in the case of non-compliance, for all providers that receive Opioid Funds. Monitoring shall include:

(i) Oversight of the any contractual or grant requirements;

(ii) Develop and utilize standardized monitoring tools;

(iii) Provide DCF and the Opioid Abatement Taskforce or Council with access to the monitoring reports; and

(iv) Develop and utilize the monitoring reports to create corrective action plans for providers, where necessary.

11. **Reporting and Records Requirements-** The State and Local Governments shall follow their existing reporting and records retention requirements along with considering any additional recommendations from the Opioid Abatement Taskforce or Council. Local Governments shall respond and provide documents to any reasonable requests from the State or Opioid Abatement Taskforce or Council for data or information about programs receiving Opioid Funds. The State and Local Governments shall ensure that any provider or sub-recipient of Opioid Funds at a minimum does the following:

(a) Any provider shall establish and maintain books, records and documents (including electronic storage media) sufficient to reflect all income and expenditures of Opioid Funds. Upon demand, at no additional cost to the State or Local Government, any provider will facilitate the duplication and transfer of any records or documents during the term that it receives any Opioid Funds and the required retention period for the State or Local Government. These records shall be made available at all reasonable times for inspection, review, copying, or audit by Federal, State, or other personnel duly authorized by the State or Local Government.

(b) Any provider shall retain and maintain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to the use of the Opioid Funds during the term of its receipt of Opioid Funds and retained for a period of six (6) years after its ceases to receives Opioid Funds or longer when required by law. In the event an audit is required by the State of Local Governments, records shall be retained for a minimum period of six (6) years after the audit report is issued or until resolution of any audit findings or litigation based on the terms of any award or contract.

(c) At all reasonable times for as long as records are maintained, persons duly authorized by State or Local Government auditors shall be allowed full access to and the right to examine any of the contracts and related records and documents, regardless of the form in which kept.

(d) A financial and compliance audit shall be performed annually and provided to the State.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

(e) All providers shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by The Office of the Inspector General (section 20.055, F.S.) or the State.

(f) No record may be withheld nor may any provider attempt to limit the scope of any of the foregoing inspections, reviews, copying, transfers or audits based on any claim that any record is exempt from public inspection or is confidential, proprietary or trade secret in nature; provided, however, that this provision does not limit any exemption to public inspection or copying to any such record.

12. **Expense Fund** - The Parties agree that in any negotiation every effort shall be made to cause Pharmaceutical Supply Chain Participants to pay costs of litigation, including attorneys' fees, in addition to any agreed to Opioid Funds in the Settlement. To the extent that a fund sufficient to pay the full contingent fees of Local Governments is not created as part of a Settlement by a Pharmaceutical Supply Chain Participant, the Parties agree that an additional expense fund for attorneys who represent Local Governments (herein "Expense Fund") shall be created out of the City/County fund for the purpose of paying the hard costs of a litigating Local Government and then paying attorneys' fees.

(a) The Source of Funds for the Expense Fund- Money for the Expense Fund shall be sourced exclusively from the City/County Fund.

(b) The Amount of the Expense Fund- The State recognizes the value litigating Local Governments bring to the State in connection with the Settlement because their participation increases the amount of Incentive Payments due from each Pharmaceutical Supply Chain Participant. In recognition of that value, the amount of funds that shall be deposited into the Expense Fund shall be contingent upon on the percentage of litigating Local Government participation in the Settlement, according to the following table:

Litigating Local Government Participation in the Settlement (by percentage of the population)	Amount that shall be paid into the Expense Fund from (and as a percentage of) the City/County fund
96 to 100%	10%
91 to 95%	7.5%
86 to 90%	5%
85%	2.5%
Less than 85%	0%

If fewer than 85% percent of the litigating Local Governments (by population) participate, then the Expense Fund shall not be funded, and this Section of the Agreement shall be null and void.

(c) The Timing of Payments into the Expense Fund- Although the amount of the Expense Fund shall be calculated based on the entirety of payments due to the City/County fund over a ten-to-eighteen-year period, the Expense Fund shall be funded entirely from payments made by Pharmaceutical Supply Chain Participants during the first two payments of the Settlement. Accordingly, to offset the amounts being paid from the

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

City/County Fund to the Expense Fund in the first two years, Counties or Municipalities may borrow from the Regional Fund during the first two years and pay the borrowed amounts back to the Regional Fund during years three, four, and five.

For the avoidance of doubt, the following provides an illustrative example regarding the calculation of payments and amounts that may be borrowed under the terms of this MOU, consistent with the provisions of this Section:

Opioid Funds due to State of Florida and Local Governments (over 10 to 18 years):	$1,000
Litigating Local Government Participation:	100%
City/County Fund (over 10 to 18 years):	$150
Expense Fund (paid over 2 years):	$15
Amount Paid to Expense Fund in 1st year:	$7.5
Amount Paid to Expense Fund in 2nd year	$7.5
Amount that may be borrowed from Regional Fund in 1st year:	$7.5
Amount that may be borrowed from Regional Fund in 2nd year:	$7.5
Amount that must be paid back to Regional Fund in 3rd year:	$5
Amount that must be paid back to Regional Fund in 4th year:	$5
Amount that must be paid back to Regional Fund in 5th year:	$5

(d) Creation of and Jurisdiction over the Expense Fund- The Expense Fund shall be established, consistent with the provisions of this Section of the Agreement, by order of the Court. The Court shall have jurisdiction over the Expense Fund, including authority to allocate and disburse amounts from the Expense Fund and to resolve any disputes concerning the Expense Fund.

(e) Allocation of Payments to Counsel from the Expense Fund- As part of the order establishing the Expense Fund, counsel for the litigating Local Governments shall seek to have the Court appoint a third-neutral to serve as a special master for purposes of allocating the Expense Fund. Within 30 days of entry of the order appointing a special master for the Expense Fund, any counsel who intend to seek an award from the Expense Fund shall provide the copies of their contingency fee contracts to the special master. The special master shall then build a mathematical model, which shall be based on each litigating Local Government's share under the Negotiation Class Metrics and the rate set forth in their contingency contracts, to calculate a proposed award for each litigating Local Government who timely provided a copy of its contingency contract.

13. **Dispute resolution-** Any one or more of the Local Governments or the State may object to an allocation or expenditure of Opioid Funds solely on the basis that the allocation or expenditure at issue (a) is inconsistent with the Approved Purposes; (b) is inconsistent with the distribution scheme as provided in paragraph,; (c) violates the limitations set forth herein with respect to administrative costs or the Expense Fund; or (d) to recover amounts advanced from the Regional Fund for the Expense Fund. There shall be no other basis for bringing an objection to the approval of an allocation or expenditure of Opioid Funds. In the event that there is a National Settlement Administrator or similar entity, the Local Governments sole action for non-payment of

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

amounts due from the City/County Fund shall be against the particular settling defendant and/or the National Settlement Administrator or similar entity.

C. Other Terms and Conditions

1. **Governing Law and Venue**: This Agreement will be governed by the laws of the State of Florida. Any and all litigation arising under the Agreement, unless otherwise specified in this Agreement, will be instituted in either: (a) the Court that enters the Order if the matter deals with a matter covered by the Order and the Court retains jurisdiction; or (b) the appropriate State court in Leon County, Florida.

2. **Agreement Management and Notification:** The Parties have identified the following individuals as Agreement Managers and Administrators:

a. State of Florida Agreement Manager:

Greg Slemp

PL-01, The Capitol, Tallahassee, FL 32399

850-414-3300

Greg.slemp@myfloridalegal.com

b. State of Florida Agreement Administrator

Janna Barineau

PL-01, The Capitol, Tallahassee, FL 32399

850-414-3300

Janna.barineau@myfloridalegal.com

c. Local Governments Agreement Managers and Administrators are listed on Exhibit C to this Agreement.

Changes to either the Managers or Administrators may be made by notifying the other Party in writing, without formal amendment to this Agreement.

3. **Notices**. All notices required under the Agreement will be delivered by certified mail, return receipt requested, by reputable air courier, or by personal delivery to the designee identified in paragraphs C.2., above. Either designated recipient may notify the other, in writing, if someone else is designated to receive notice.

4. **Cooperation with Inspector General:** Pursuant to section 20.055, Florida Statutes, the Parties, understand and will comply with their duty to cooperate with the Inspector General in any investigation, audit, inspection, review, or hearing.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

5. **Public Records**: The Parties will keep and maintain public records pursuant to Chapter 119, Florida Statutes and will comply will all applicable provisions of that Chapter.

6. **Modification**: This Agreement may only be modified by a written amendment between the appropriate parties. No promises or agreements made subsequent to the execution of this Agreement shall be binding unless express, reduced to writing, and signed by the Parties.

7. **Execution in Counterparts**: This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

8. **Assignment:** The rights granted in this Agreement may not be assigned or transferred by any party without the prior written approval of the other party. No party shall be permitted to delegate its responsibilities or obligations under this Agreement without the prior written approval of the other parties.

9. **Additional Documents:** The Parties agree to cooperate fully and execute any and all supplementary documents and to take all additional actions which may be reasonably necessary or appropriate to give full force and effect to the basic terms and intent of this Agreement.

10. **Captions:** The captions contained in this Agreement are for convenience only and shall in no way define, limit, extend or describe the scope of this Agreement or any part of it.

11. **Entire Agreement:** This Agreement, including any attachments, embodies the entire agreement of the parties. There are no other provisions, terms, conditions, or obligations. This Agreement supersedes all previous oral or written communications, representations or agreements on this subject.

12. **Construction:** The parties hereto hereby mutually acknowledge and represent that they have been fully advised by their respective legal counsel of their rights and responsibilities under this Agreement, that they have read, know, and understand completely the contents hereof, and that they have voluntarily executed the same. The parties hereto further hereby mutually acknowledge that they have had input into the drafting of this Agreement and that, accordingly, in any construction to be made of this Agreement, it shall not be construed for or against any party, but rather shall be given a fair and reasonable interpretation, based on the plain language of the Agreement and the expressed intent of the parties.

13. **Capacity to Execute Agreement:** The parties hereto hereby represent and warrant that the individuals signing this Agreement on their behalf are duly authorized and fully competent to do so.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

14. **Effectiveness:** This Agreement shall become effective on the date on which the last required signature is affixed to this Agreement.

IN WITNESS THEREOF, the parties hereto have caused the Agreement to be executed by their undersigned officials as duly authorized.

STATE OF FLORIDA

EXHIBIT A

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

Schedule A

Core Strategies

States and Qualifying Block Grantees shall choose from among the abatement strategies listed in Schedule B. However, priority shall be given to the following core abatement strategies ("**Core Strategies**")[, such that a minimum of __% of the [aggregate] state-level abatement distributions shall be spent on [one or more of] them annually].[1]

A. Naloxone or other FDA-approved drug to reverse opioid overdoses

1. Expand training for first responders, schools, community support groups and families; and

2. Increase distribution to individuals who are uninsured or whose insurance does not cover the needed service.

B. Medication-Assisted Treatment ("MAT") Distribution and other opioid-related treatment

1. Increase distribution of MAT to non-Medicaid eligible or uninsured individuals;

2. Provide education to school-based and youth-focused programs that discourage or prevent misuse;

3. Provide MAT education and awareness training to healthcare providers, EMTs, law enforcement, and other first responders; and

4. Treatment and Recovery Support Services such as residential and inpatient treatment, intensive outpatient treatment, outpatient therapy or counseling, and recovery housing that allow or integrate medication with other support services.

C. Pregnant & Postpartum Women

1. Expand Screening, Brief Intervention, and Referral to Treatment ("SBIRT") services to non-Medicaid eligible or uninsured pregnant women;

2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for women with co-occurring Opioid Use Disorder ("OUD") and other Substance Use Disorder ("SUD")/Mental Health disorders for uninsured individuals for up to 12 months postpartum; and

3. Provide comprehensive wrap-around services to individuals with Opioid Use Disorder (OUD) including housing, transportation, job placement/training, and childcare.

D. Expanding Treatment for Neonatal Abstinence Syndrome

1. Expand comprehensive evidence-based and recovery support for NAS babies;

2. Expand services for better continuum of care with infant-need dyad; and

3. Expand long-term treatment and services for medical monitoring of NAS babies and their families.

---

[1] As used in this Schedule A, words like "expand," "fund," "provide" or the like shall not indicate a preference for new or existing programs. Priorities will be established through the mechanisms described in the Term Sheet.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

E. Expansion of Warm Hand-off Programs and Recovery Services

1. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments;

2. Expand warm hand-off services to transition to recovery services;

3. Broaden scope of recovery services to include co-occurring SUD or mental health conditions. ;

4. Provide comprehensive wrap-around services to individuals in recovery including housing, transportation, job placement/training, and childcare; and

5. Hire additional social workers or other behavioral health workers to facilitate expansions above.

F. Treatment for Incarcerated Population

1. Provide evidence-based treatment and recovery support including MAT for persons with OUD and co-occurring SUD/MH disorders within and transitioning out of the criminal justice system; and

2. Increase funding for jails to provide treatment to inmates with OUD.

G. Prevention Programs

1. Funding for media campaigns to prevent opioid use (similar to the FDA's "Real Cost" campaign to prevent youth from misusing tobacco);

2. Funding for evidence-based prevention programs in schools.;

3. Funding for medical provider education and outreach regarding best prescribing practices for opioids consistent with the 2016 CDC guidelines, including providers at hospitals (academic detailing);

4. Funding for community drug disposal programs; and

5. Funding and training for first responders to participate in pre-arrest diversion programs, post-overdose response teams, or similar strategies that connect at-risk individuals to behavioral health services and supports.

H. Expanding Syringe Service Programs

1. Provide comprehensive syringe services programs with more wrap-around services including linkage to OUD treatment, access to sterile syringes, and linkage to care and treatment of infectious diseases.

I. Evidence-based data collection and research analyzing the effectiveness of the abatement strategies within the State.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

EXHIBIT B

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

Schedule B

Approved Uses

PART ONE: TREATMENT

A. TREAT OPIOID USE DISORDER (OUD)

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:[2]

1. Expand availability of treatment for OUD and any co-occurring SUD/MH conditions, including all forms of Medication-Assisted Treatment (MAT) approved by the U.S. Food and Drug Administration.

2. Support and reimburse evidence-based services that adhere to the American Society of Addiction Medicine (ASAM) continuum of care for OUD and any co-occurring SUD/MH conditions

3. Expand telehealth to increase access to treatment for OUD and any co-occurring SUD/MH conditions, including MAT, as well as counseling, psychiatric support, and other treatment and recovery support services.

4. Improve oversight of Opioid Treatment Programs (OTPs) to assure evidence-based or evidence-informed practices such as adequate methadone dosing and low threshold approaches to treatment.

5. Support mobile intervention, treatment, and recovery services, offered by qualified professionals and service providers, such as peer recovery coaches, for persons with OUD and any co-occurring SUD/MH conditions and for persons who have experienced an opioid overdose.

6. Treatment of trauma for individuals with OUD (e.g., violence, sexual assault, human trafficking, or adverse childhood experiences) and family members (e.g., surviving family members after an overdose or overdose fatality), and training of health care personnel to identify and address such trauma.

7. Support evidence-based withdrawal management services for people with OUD and any co-occurring mental health conditions.

8. Training on MAT for health care providers, first responders, students, or other supporting professionals, such as peer recovery coaches or recovery outreach specialists, including telementoring to assist community-based providers in rural or underserved areas.

9. Support workforce development for addiction professionals who work with persons with OUD and any co-occurring SUD/MH conditions.

10. Fellowships for addiction medicine specialists for direct patient care, instructors, and clinical research for treatments.

11. Scholarships and supports for behavioral health practitioners or workers involved in addressing OUD and any co-occurring SUD or mental health conditions, including but not limited to training,

[2] As used in this Schedule B, words like "expand," "fund," "provide" or the like shall not indicate a preference for new or existing programs. Priorities will be established through the mechanisms described in the Term Sheet.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

scholarships, fellowships, loan repayment programs, or other incentives for providers to work in rural or underserved areas.

12. [Intentionally Blank – to be cleaned up later for numbering]

13. Provide funding and training for clinicians to obtain a waiver under the federal Drug Addiction Treatment Act of 2000 (DATA 2000) to prescribe MAT for OUD, and provide technical assistance and professional support to clinicians who have obtained a DATA 2000 waiver.

14. Dissemination of web-based training curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service-Opioids web-based training curriculum and motivational interviewing.

15. Development and dissemination of new curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service for Medication-Assisted Treatment.

B. SUPPORT PEOPLE IN TREATMENT AND RECOVERY

Support people in treatment for or recovery from OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Provide comprehensive wrap-around services to individuals with OUD and any co-occurring SUD/MH conditions, including housing, transportation, education, job placement, job training, or childcare.

2. Provide the full continuum of care of treatment and recovery services for OUD and any co-occurring SUD/MH conditions, including supportive housing, peer support services and counseling, community navigators, case management, and connections to community-based services.

3. Provide counseling, peer-support, recovery case management and residential treatment with access to medications for those who need it to persons with OUD and any co-occurring SUD/MH conditions.

4. Provide access to housing for people with OUD and any co-occurring SUD/MH conditions, including supportive housing, recovery housing, housing assistance programs, training for housing providers, or recovery housing programs that allow or integrate FDA-approved medication with other support services.

5. Provide community support services, including social and legal services, to assist in deinstitutionalizing persons with OUD and any co-occurring SUD/MH conditions.

6. Support or expand peer-recovery centers, which may include support groups, social events, computer access, or other services for persons with OUD and any co-occurring SUD/MH conditions.

7. Provide or support transportation to treatment or recovery programs or services for persons with OUD and any co-occurring SUD/MH conditions.

8. Provide employment training or educational services for persons in treatment for or recovery from OUD and any co-occurring SUD/MH conditions.

9. Identify successful recovery programs such as physician, pilot, and college recovery programs, and provide support and technical assistance to increase the number and capacity of high-quality programs to help those in recovery.

10. Engage non-profits, faith-based communities, and community coalitions to support people in treatment and recovery and to support family members in their efforts to support the person with OUD in the family.

11. Training and development of procedures for government staff to appropriately interact and provide social and other services to individuals with or in recovery from OUD, including reducing stigma.

12. Support stigma reduction efforts regarding treatment and support for persons with OUD, including reducing the stigma on effective treatment.

13. Create or support culturally appropriate services and programs for persons with OUD and any co-occurring SUD/MH conditions, including new Americans.

14. Create and/or support recovery high schools.

15. Hire or train behavioral health workers to provide or expand any of the services or supports listed above.

C. CONNECT PEOPLE WHO NEED HELP TO THE HELP THEY NEED (CONNECTIONS TO CARE)

Provide connections to care for people who have – or at risk of developing – OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Ensure that health care providers are screening for OUD and other risk factors and know how to appropriately counsel and treat (or refer if necessary) a patient for OUD treatment.

2. Fund Screening, Brief Intervention and Referral to Treatment (SBIRT) programs to reduce the transition from use to disorders, including SBIRT services to pregnant women who are uninsured or not eligible for Medicaid.

3. Provide training and long-term implementation of SBIRT in key systems (health, schools, colleges, criminal justice, and probation), with a focus on youth and young adults when transition from misuse to opioid disorder is common.

4. Purchase automated versions of SBIRT and support ongoing costs of the technology.

5. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments.

6. Training for emergency room personnel treating opioid overdose patients on post-discharge planning, including community referrals for MAT, recovery case management or support services.

7. Support hospital programs that transition persons with OUD and any co-occurring SUD/MH conditions, or persons who have experienced an opioid overdose, into clinically-appropriate follow-up care through a bridge clinic or similar approach.

8. Support crisis stabilization centers that serve as an alternative to hospital emergency departments for persons with OUD and any co-occurring SUD/MH conditions or persons that have experienced an opioid overdose.

9. Support the work of Emergency Medical Systems, including peer support specialists, to connect individuals to treatment or other appropriate services following an opioid overdose or other opioid-related adverse event.

10. Provide funding for peer support specialists or recovery coaches in emergency departments, detox facilities, recovery centers, recovery housing, or similar settings; offer services, supports, or connections to care to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced an opioid overdose.

11. Expand warm hand-off services to transition to recovery services.

12. Create or support school-based contacts that parents can engage with to seek immediate treatment services for their child; and support prevention, intervention, treatment, and recovery programs focused on young people.

13. Develop and support best practices on addressing OUD in the workplace.

14. Support assistance programs for health care providers with OUD.

15. Engage non-profits and the faith community as a system to support outreach for treatment.

16. Support centralized call centers that provide information and connections to appropriate services and supports for persons with OUD and any co-occurring SUD/MH conditions.

D. ADDRESS THE NEEDS OF CRIMINAL-JUSTICE-INVOLVED PERSONS

Address the needs of persons with OUD and any co-occurring SUD/MH conditions who are involved in, are at risk of becoming involved in, or are transitioning out of the criminal justice system through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions, including established strategies such as:

a. Self-referral strategies such as the Angel Programs or the Police Assisted Addiction Recovery Initiative (PAARI);

b. Active outreach strategies such as the Drug Abuse Response Team (DART) model;

c. “Naloxone Plus” strategies, which work to ensure that individuals who have received naloxone to reverse the effects of an overdose are then linked to treatment programs or other appropriate services;

d. Officer prevention strategies, such as the Law Enforcement Assisted Diversion (LEAD) model;

e. Officer intervention strategies such as the Leon County, Florida Adult Civil Citation Network or the Chicago Westside Narcotics Diversion to Treatment Initiative; or

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

f. Co-responder and/or alternative responder models to address OUD-related 911 calls with greater SUD expertise

2. Support pre-trial services that connect individuals with OUD and any co-occurring SUD/MH conditions to evidence-informed treatment, including MAT, and related services.

3. Support treatment and recovery courts that provide evidence-based options for persons with OUD and any co-occurring SUD/MH conditions

4. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are incarcerated in jail or prison.

5. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are leaving jail or prison have recently left jail or prison, are on probation or parole, are under community corrections supervision, or are in re-entry programs or facilities.

6. Support critical time interventions (CTI), particularly for individuals living with dual-diagnosis OUD/serious mental illness, and services for individuals who face immediate risks and service needs and risks upon release from correctional settings.

7. Provide training on best practices for addressing the needs of criminal-justice-involved persons with OUD and any co-occurring SUD/MH conditions to law enforcement, correctional, or judicial personnel or to providers of treatment, recovery, harm reduction, case management, or other services offered in connection with any of the strategies described in this section.

E. ADDRESS THE NEEDS OF PREGNANT OR PARENTING WOMEN AND THEIR FAMILIES, INCLUDING BABIES WITH NEONATAL ABSTINENCE SYNDROME

Address the needs of pregnant or parenting women with OUD and any co-occurring SUD/MH conditions, and the needs of their families, including babies with neonatal abstinence syndrome (NAS), through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Support evidence-based or evidence-informed treatment, including MAT, recovery services and supports, and prevention services for pregnant women – or women who could become pregnant – who have OUD and any co-occurring SUD/MH conditions, and other measures to educate and provide support to families affected by Neonatal Abstinence Syndrome.

2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for uninsured women with OUD and any co-occurring SUD/MH conditions for up to 12 months postpartum.

3. Training for obstetricians or other healthcare personnel that work with pregnant women and their families regarding treatment of OUD and any co-occurring SUD/MH conditions.

4. Expand comprehensive evidence-based treatment and recovery support for NAS babies; expand services for better continuum of care with infant-need dyad; expand long-term treatment and services for medical monitoring of NAS babies and their families.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

5. Provide training to health care providers who work with pregnant or parenting women on best practices for compliance with federal requirements that children born with Neonatal Abstinence Syndrome get referred to appropriate services and receive a plan of safe care.

6. Child and family supports for parenting women with OUD and any co-occurring SUD/MH conditions.

7. Enhanced family supports and child care services for parents with OUD and any co-occurring SUD/MH conditions.

8. Provide enhanced support for children and family members suffering trauma as a result of addiction in the family; and offer trauma-informed behavioral health treatment for adverse childhood events.

9. Offer home-based wrap-around services to persons with OUD and any co-occurring SUD/MH conditions, including but not limited to parent skills training.

10. Support for Children's Services – Fund additional positions and services, including supportive housing and other residential services, relating to children being removed from the home and/or placed in foster care due to custodial opioid use.

PART TWO: PREVENTION

F. PREVENT OVER-PRESCRIBING AND ENSURE APPROPRIATE PRESCRIBING AND DISPENSING OF OPIOIDS

Support efforts to prevent over-prescribing and ensure appropriate prescribing and dispensing of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Fund medical provider education and outreach regarding best prescribing practices for opioids consistent with Guidelines for Prescribing Opioids for Chronic Pain from the U.S. Centers for Disease Control and Prevention, including providers at hospitals (academic detailing).

2. Training for health care providers regarding safe and responsible opioid prescribing, dosing, and tapering patients off opioids.

3. Continuing Medical Education (CME) on appropriate prescribing of opioids.

4. Support for non-opioid pain treatment alternatives, including training providers to offer or refer to multi-modal, evidence-informed treatment of pain.

5. Support enhancements or improvements to Prescription Drug Monitoring Programs (PDMPs), including but not limited to improvements that:

a. Increase the number of prescribers using PDMPs;

b. Improve point-of-care decision-making by increasing the quantity, quality, or format of data available to prescribers using PDMPs, by improving the interface that prescribers use to access PDMP data, or both; or

c. Enable states to use PDMP data in support of surveillance or intervention strategies, including MAT referrals and follow-up for individuals identified within PDMP data as likely to experience OUD in a manner that complies with all relevant privacy and security laws and rules.

6. Ensuring PDMPs incorporate available overdose/naloxone deployment data, including the United States Department of Transportation's Emergency Medical Technician overdose database in a manner that complies with all relevant privacy and security laws and rules.

7. Increase electronic prescribing to prevent diversion or forgery.

8. Educate Dispensers on appropriate opioid dispensing.

G. PREVENT MISUSE OF OPIOIDS

Support efforts to discourage or prevent misuse of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Fund media campaigns to prevent opioid misuse.

2. Corrective advertising or affirmative public education campaigns based on evidence.

3. Public education relating to drug disposal.

4. Drug take-back disposal or destruction programs.

5. Fund community anti-drug coalitions that engage in drug prevention efforts.

6. Support community coalitions in implementing evidence-informed prevention, such as reduced social access and physical access, stigma reduction – including staffing, educational campaigns, support for people in treatment or recovery, or training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration (SAMHSA).

7. Engage non-profits and faith-based communities as systems to support prevention.

8. Fund evidence-based prevention programs in schools or evidence-informed school and community education programs and campaigns for students, families, school employees, school athletic programs, parent-teacher and student associations, and others.

9. School-based or youth-focused programs or strategies that have demonstrated effectiveness in preventing drug misuse and seem likely to be effective in preventing the uptake and use of opioids.

10. Create of support community-based education or intervention services for families, youth, and adolescents at risk for OUD and any co-occurring SUD/MH conditions.

11. Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills.

12. Support greater access to mental health services and supports for young people, including services and supports provided by school nurses, behavioral health workers or other school staff, to address

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

mental health needs in young people that (when not properly addressed) increase the risk of opioid or other drug misuse.

H. PREVENT OVERDOSE DEATHS AND OTHER HARMS (HARM REDUCTION)

Support efforts to prevent or reduce overdose deaths or other opioid-related harms through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Increase availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, individuals with OUD and their friends and family members, individuals at high risk of overdose, schools, community navigators and outreach workers, persons being released from jail or prison, or other members of the general public.

2. Public health entities provide free naloxone to anyone in the community

3. Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, community support groups, and other members of the general public.

4. Enable school nurses and other school staff to respond to opioid overdoses, and provide them with naloxone, training, and support.

5. Expand, improve, or develop data tracking software and applications for overdoses/naloxone revivals.

6. Public education relating to emergency responses to overdoses.

7. Public education relating to immunity and Good Samaritan laws.

8. Educate first responders regarding the existence and operation of immunity and Good Samaritan laws.

9. Syringe service programs and other evidence-informed programs to reduce harms associated with intravenous drug use, including supplies, staffing, space, peer support services, referrals to treatment, fentanyl checking, connections to care, and the full range of harm reduction and treatment services provided by these programs.

10. Expand access to testing and treatment for infectious diseases such as HIV and Hepatitis C resulting from intravenous opioid use.

11. Support mobile units that offer or provide referrals to harm reduction services, treatment, recovery supports, health care, or other appropriate services to persons that use opioids or persons with OUD and any co-occurring SUD/MH conditions.

12. Provide training in harm reduction strategies to health care providers, students, peer recovery coaches, recovery outreach specialists, or other professionals that provide care to persons who use opioids or persons with OUD and any co-occurring SUD/MH conditions.

13. Support screening for fentanyl in routine clinical toxicology testing.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

PART THREE: OTHER STRATEGIES

I. FIRST RESPONDERS

In addition to items in sections C, D, and H relating to first responders, support the following:

1. Educate law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs.

2. Provision of wellness and support services for first responders and others who experience secondary trauma associated with opioid-related emergency events.

J. LEADERSHIP, PLANNING AND COORDINATION

Support efforts to provide leadership, planning, coordination, facilitation, training and technical assistance to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Statewide, regional, local, or community regional planning to identify root causes of addiction and overdose, goals for reducing harms related to the opioid epidemic, and areas and populations with the greatest needs for treatment intervention services; to support training and technical assistance; or to support other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

2. A dashboard to share reports, recommendations, or plans to spend opioid settlement funds; to show how opioid settlement funds have been spent; to report program or strategy outcomes; or to track, share, or visualize key opioid-related or health-related indicators and supports as identified through collaborative statewide, regional, local, or community processes.

3. Invest in infrastructure or staffing at government or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of preventing overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

4. Provide resources to staff government oversight and management of opioid abatement programs.

K. TRAINING

In addition to the training referred to throughout this document, support training to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis.

2. Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent overdoses, and treat those with OUD and any co-occurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (e.g., health care, primary care, pharmacies, PDMPs, etc.).

L. RESEARCH

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

Support opioid abatement research that may include, but is not limited to, the following:

1. Monitoring, surveillance, data collection, and evaluation of programs and strategies described in this opioid abatement strategy list.

2. Research non-opioid treatment of chronic pain.

3. Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders.

4. Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips.

5. Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids.

6. Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (e.g. Hawaii HOPE and Dakota 24/7).

7. Epidemiological surveillance of OUD-related behaviors in critical populations including individuals entering the criminal justice system, including but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring (ADAM) system.

8. Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.

9. Geospatial analysis of access barriers to MAT and their association with treatment engagement and treatment outcomes.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

EXHIBIT D

LAKE COUNTY
OPIOID ABATEMENT PLAN

This Lake County Opioid Abatement Plan is developed, periodically reviewed, and updated by the Lake County Opioid Task Force for the purpose of documenting the goals for opioid abuse abatement in Lake County, Florida.

WHEREAS, a local, state and national crisis arose as a result of the manufacture, distribution, and over-prescribing of opioid analgesics ("opioids") which resulted in opioid overdoses and addictions throughout municipalities, counties, states, and the nation; and,

WHEREAS, Lake County and the municipalities therein are not immune from this nationwide crisis; and,

WHEREAS, in January of 2021, a collaborative body known as the Lake County Opioid Task Force, hereinafter "Opioid Task Force," formed in Lake County in response to the alarming increase in opioid-related drug misuse and opioid-related deaths within the geographic boundaries of Lake County; and,

WHEREAS, the Opioid Task Force will continue to provide local governments with relevant information on the opioid national crises as well as information and analysis on the nature, extent, and problems in Lake County and on opioid-related programs consistent with the State MOU; and,

WHEREAS, the Opioid Task Force meets periodically to study and analyze data related to the opioid epidemic and abatement programming; and,

WHEREAS, the Opioid Task Force has developed a three-pronged approach to abate the opioid epidemic in Lake County by implementing a drug treatment court, focusing on medical services, and informing the public about opioid abuse and resources for treatment and prevention. This will be known as the Lake County Opioid Abatement Plan.

THEREFORE, Lake County's plan for opioid abatement includes the following:

1. Opioid Task Force. The Opioid Task Force's purpose is to gather data about the nature and extent of problems communities within the County face, and to receive, report, and make recommendations to the Lake County Board of County Commissioners (BCC) about activities that should be undertaken to abate the opioid epidemic.

2. Three-Part Plan. Through their research and data analysis, the Opioid Task Force has identified three key areas in which to focus opioid abatement efforts:

a. **Justice Services** – A positive correlation exists between drug abuse and crime. The creation of a drug treatment court, increasing data collection, and improving first responder training will reduce drug abuse and result in fewer crimes and less homelessness per capita.

i. Establish a Drug Treatment Court – Empirical evidence indicates drug treatment courts reduce substance abuse, hospitalizations, crime, and recidivism. Additionally, drug treatment courts have proven effective at reducing property crimes and public order offenses which strains the public safety, court, jail, probation & parole, and healthcare systems. Efforts will be taken to establish and maintain a dedicated drug treatment court in Lake County to improve the health, safety, and welfare for Lake County's residents by reducing crime and reducing taxpayer costs. The drug treatment court will be modeled after the most successful programs in the nation. The program goal is to reduce recidivism for drug related criminal offenses by sixty percent (60%) or more.

ii. Data Collection – Encourage participating agencies to enter overdose data into the High Intensity Drug Targeting Area (H.I.D.T.A.) tracking system to establish a baseline for performance measurements, identify trends, and enhance public outreach where clusters develop.

iii. Training – Offer opioid response training on best practices to law enforcement officers annually.

b. **Medical Services**. Experience indicates potential process improvements in the healthcare system beginning with the first patient contact in the field through discharge from the hospital will improve outcomes.

i. Map the healthcare opioid treatment process from initial patient contact in the field to hospital discharge.

ii. Improve the medical process by bridging any gaps in communication, information, and treatment between paramedics, treating physicians, patients, and patient families.

iii. Encourage healthcare facilities to expand the number of licensed medical professionals to become certified to provide Medication Assisted Treatment (M.A.T.) and combine the treatment with psychosocial interventions.

iv. Expand emergency peer support services currently provided by AdventHealth and L.S.F. Health Systems to all hospitals in Lake County. This program has successfully reduced overdose recidivism in the emergency room by fifty-five percent (55%).

v. Require Lake E.M.S. to enter all overdose data into the High Intensity Drug Targeting Area (H.I.D.T.A.) tracking system to establish a baseline for performance measurements, identify trends, and enhance public outreach.

vi. Require opioid treatment process best practices training for all E.M.T.s and paramedics biennially.

c. **Public Information**. Discussions with Lake County's stakeholders indicates a need for information sharing among public and private groups as well as public education about available treatment options for those impacted by opioid addiction.

i. Public Meetings – Hold three public information meetings, one in north, middle, and south Lake County, to educate the citizens about available drug treatment options for themselves or their loved ones. Education will include information about types of treatment options, locations of community groups and professional treatment facilities, the Hugh O' Connor Memorial Act, the Marchman Act, as well as others.

ii. Provider Meetings – Hold annual provider meetings for those working in the justice system and healthcare system to inform the service providers about the robust resource systems in place to locate help for their clients and patients.

iii. Software – Improve the available coordinated care networks including the "Aunt Bertha" and "Unite Us" systems by adding more providers.

iv. Brochures, Flyers, and Cards – Create treatment option informational notices and distribute them to public safety personnel to hand out while on calls regarding drug abuse or overdoses as well as places, like city halls, fueling stations, and other commercial facilities in other locations frequented by the public.

4. Obligations. Lake County and the Opioid Task Force will use its best efforts to investigate, analyze, and advise on matters related to the opioid epidemic and implement strategies with the goal of abatement. Nothing in this plan creates any legal requirements or obligations of any entity. This plan does not create any requirement that money be spent towards any activity herein and no person or entity may rely upon this plan as an indication of how money may be spent.

5. **Plan Modification**. This plan may be modified by the Lake County Opioid Task Force from time to time for any reason or no reason at all according to the needs of the County.

This plan was last updated on December 21, 2021.

EXHIBIT E
LAKE COUNTY DRUG COURT PROPOSED YEAR ONE BUDGET

	EXPENSE TYPE	UNIT DESCRIPTION	State MOU Core Strategies (Schedule A)	State MOU Approved Uses (Schedule B)	Approx. # of units or people		TOTAL COST
1	Transportation	Uber, bus passes, sober escorts etc.	E4	B1, B7	100		$ 5,000.00
2	Training and Education	Training & travel to conferences related to Drug Court Best Practices for approved team members		D3, D7, J3, K1			$ 13,000.00
3	Office Supplies & participant incentives for behavior change	Files, stationary, cards, certificates, pens, etc.		J4			$ 3,200.00
4	Administrative cost (Salary for 1 FTE Coordinator CPS1)	Pass through Lake County BOCC - salary & benefits for 1 FTE for Court Program Specialist 1 or equivalent position salary & benefits	F1	B5, D3, J3, K1	1		$ 70,000.00
		Cost of below services based on RFI					$ -
5	Treatment Services	Biopsychosocial Assessment	F1	B2, D5	50		$ 2,250.00
6	Treatment Services	Treatment Plan & Update	F1	A1, B2, B3, D5	100		$ 6,000.00
7	Treatment Services	Individual & family therapy sessions	F1	B2, B3, D5	200		$ 12,000.00
8	Treatment Services	Outpatient group	F1	B2, D5	2000		$ 50,000.00
9	Treatment Services	IOP (hourly rate)	F1	B2, D5	1000		$ 30,000.00
10	Treatment Services	Clinical case management	F1	B2, B3, D5	20		$ 400.00
11	Treatment Services	Initial Psychiatric Assessment (MAT/Meds)	B1, B4, F1	A1, B2, D5	20		$ 6,000.00
12	Treatment Services	Medication Management Follow Up	B1, B4, F1	A1, A7, B2, D5	20		$ 3,000.00
13	Treatment Services	Residential Level 2 (long term substance abuse treatment)	B4, E4, F1	A7, B2, B3	500		$ 93,200.00
14	Treatment Services	Recovery or Life skill or Criminogenic classes	F1	B2, D5	100		$ 2,000.00
15	Drug Screens	Drug testing for participants at an average of $30 per test (some variation in cost due to number of panels, confirmation, and type) random & frequent	F1	B2, D5	2000		$ 60,000.00
16	Sober Housing	Supportive housing focused on recovery	B4, E4	B1, B2, B4	500		$ 7,500.00
17	Recovery Housing	Therapeutically supervised supportive recovery driven living environment that requires random drug testing & organized supportive classes or sessions included	B4, E4	B1, B2, B4	200		$ 10,000.00
18	Peer Recovery Coaching		E2	B2, C10	100		$ 2,000.00
		TOTAL FOR COURT ADMINISTRATION					**$ 375,550.00**
		OTHER EXPENSES					$ -
19	Housing	Temporary housing or housing not related to sober living or residential treatment - will be provided through contracted service provider/managing entity	B4, E4	B1	5		$ 25,000.00
20	Attorneys	Training & other auxiliary funding related to Treatment Courts in Lake-for State Attorney& Public Defenders office ($20,000 each)		B5, J3	2	$ 20,000.00	$ 40,000.00
		TOTAL FOR ADDITIONAL LEGAL AND HOUSING SERVICES					**$ 65,000.00**
		TOTAL REQUEST					**$ 440,550.00**

EXHIBIT F

IN THE CIRCUIT COURT OF THE FIFTH JUDICIAL CIRCUIT OF FLORIDA IN AND FOR LAKE COUNTY, FLORIDA

ADMINISTRATIVE ORDER: L-2025-33

ADMINISTRATIVE ORDER ESTABLISHING THE LAKE COUNTY ADULT POST-ADJUDICATORY DRUG COURT PILOT PROJECT

WHEREAS, Florida Law affords individuals charged with certain crimes resulting from a substance abuse problem the opportunity to treat the root cause of their engagement in the criminal justice system through problem-solving court programs; and,

WHEREAS, it has been found that specialized court dockets are beneficial to manage the criminal cases of eligible individuals and to provide referral for treatment of their substance abuse problem (a/k/a substance use disorder); and,

WHEREAS, Chapter 397.334, Florida Statutes, allows counties to fund a treatment-based drug court program for the purpose of providing persons assessed with a substance abuse problem to be processed in a manner to appropriately address the severity of the identified substance abuse problem through treatment services tailored to the individual needs of the participant; and,

WHEREAS, the establishment of a pilot program entitled; "Lake County Adult Post-Adjudicatory Drug Court Program" is to the benefit of the residents of Lake County, Florida; and,

WHEREAS, the Fifth Judicial Circuit currently receives funds to support the Lake County Adult Post Adjudicatory Drug Court Program and its participants; and

WHEREAS, the pilot program is designed to serve eligible defendants/offenders from post-adjudicatory felony cases in Lake County, including post-adjudicatory violation of probation cases, certain post-adjudicatory 3rd degree non-violent felony cases under Chapter 810, Florida Statutes; or any other felony offense that is not a forcible felony as defined in section 776.08, Florida Statutes; and,

WHEREAS, Offenders with sentencing scores of 60 points or fewer or Offenders with sentencing scores of 60 points or fewer who have violated community control or probation due to a positive or suspect drug screen – if the underlying offense occurred on or after July 1, 2009, may be eligible to participate; and,

WHEREAS, Chapter 397, Florida Statues, in its entirety, establishes the provision of substance misuse services within the State of Florida, and;

WHEREAS, Chapter 397.334(4), Florida Statute establishes that the treatment-based drug court programs shall include therapeutic jurisprudence principles and adhere to the 10 key components, recognized by the Drug Courts Program Office of the Office of Justice Programs of the United States Department of Justice and adopted by the Florida Supreme Court Treatment-Based Drug Court Steering Committee; and

WHEREAS, in the interest of judicial economy and for the efficient administration of justice,

IT IS HEREBY ORDERED that:

1. **The Lake County Adult Post-Adjudicatory Drug Court is created and established as a pilot program,** and shall be maintained subject to the availability of adequate funding or until such time that either a permanent program is established or the pilot program is no longer deemed judicially economical and/or efficiently administering justice.

2. **The Lake County Adult Post-Adjudicatory Drug Court** shall determine whether any potentially eligible case type and Offender from the other Circuit Criminal Division meets the criteria for the Offender to be referred to substance use disorder treatment and support.

3. **The Lake County Adult Post-Adjudicatory Drug Court** will limit participation in the program to no more than 10 participants. Additional participants may be added upon approval of the Lake County Administrative Judge.

4. Any application fee for a Defendant who applies for acceptance into the **Lake County Adult Post-Adjudicatory Drug Court** shall be waived. This Provision will be re-evaluated each October to ascertain the effectiveness of said waiver.

5. Any monthly participation fee for person who is accepted into the **Lake County Adult Post-Adjudicatory Drug Court** shall be waived. This provision will be reevaluated each October to ascertain the effectiveness of the waiver of the monthly participation fee.

6. There shall be no refunds of any assessed fees which have already been paid.

7. The policies and procedures of the **Lake County Adult Post-**

Adjudicatory Drug Court shall be set forth in the Policy & Procedure Manual and shall include court requirements, eligibility criteria and referral procedures and will follow the Florida Supreme Court Best Practice Standards.

8. If defendants' participation in the program is terminated for cause, the defendant shall be terminated from the drug court program and sentenced accordingly by the drug court judge. The unpaid balance of any assessed fee(s) may become a lien of record.

9. All hearings conducted pursuant to this administrative order shall be electronically recorded.

DONE and ORDERED in Chambers at Tavares, Lake County, Florida this 14th of November 2025.

James R. Baxley
Lake County Administrative
Judge

FUNDING AGREEMENT BETWEEN
LAKE COUNTY, FLORIDA AND
THE PUBLIC DEFENDER OF THE FIFTH JUDICIAL CIRCUIT OF FLORIDA
FOR THE OPERATION OF THE LAKE COUNTY ADULT
POST-ADJUDICATORY DRUG COURT PROGRAM

THIS AGREEMENT is made by and between Lake County, Florida, a political subdivision of the State of Florida, hereinafter "County," and Michael A. Graves, as Public Defender of the Fifth Judicial Circuit of Florida, his successors and assigns, hereinafter "PDO," for the funding and operation of the Adult Post-Adjudicatory Drug Court, hereinafter "Opioid Drug Court," hereinafter referred to as "the Parties."

WITNESSETH:

WHEREAS, the Opioid epidemic has continued to have a significant adverse impact on the State of Florida and Lake County; and

WHEREAS, almost 100 political subdivisions within the State of Florida, including Lake County, and the State of Florida itself, filed a lawsuit against numerous entities engaged in the manufacture, marketing, promotion, distribution or dispensing of opioids; and

WHEREAS, the lawsuit is in the settlement phase and funds have been allocated to Lake County by municipalities; and

WHEREAS, Lake County receives settlement funds that must be used for Approved Purposes and Opioid Abatement Strategies identified in State agreements and exhibits attached hereto; and

WHEREAS, the opioid settlement framework contemplates an 18-year structure for allocations and distributions under the Regional Fund sliding scale identifying Years 1-6, 7-9, 10-12, 13-15, and 16-18; and

WHEREAS, Lake County has adopted resolutions and entered into formal agreements authorizing participation in the State's unified plan for allocation and use of opioid settlement proceeds; and

WHEREAS, in January of 2021, a collaborative body known as the Lake County Opioid Task Force, hereinafter "Opioid Task Force," formed in Lake County in response to the alarming increase in opioid-related drug misuse and opioid-related deaths within the geographic boundaries of Lake County; and

WHEREAS, the Florida Memorandum of Understanding, hereinafter the "Florida Plan," attached hereto as **Exhibit A**, sets forth a framework for a unified plan for the proposed allocation and use of opioid settlement proceeds; and

WHEREAS, on June 22, 2021, the Lake County Board of County Commissioners approved Resolution 2021-100, attached hereto as **Exhibit B**, authorizing Lake County to join with the State of Florida and other local governmental units as a participant in the Florida Plan and formal agreements implementing a unified plan; and

WHEREAS, on November 15, 2021, the Florida Opioid Allocation and Statewide Response Agreement was entered into between the State of Florida Department of Legal Affairs, Office of the Attorney General, and Certain Local Governments in the State of Florida, a copy of which is attached hereto as **Exhibit C**; and

WHEREAS, on December 21, 2021, the Lake County Board of County Commissioners acknowledged the establishment of the Lake County Opioid Task Force as the recommending group for the abatement of the opioid epidemic by providing relevant information and analysis on the opioid crisis within Lake County; and

WHEREAS, the Opioid Task Force has established the Lake County Opioid Abatement Plan, a copy of which is attached hereto as **Exhibit D**, for the purpose of documenting the goals for opioid abuse abatement in Lake County; and

WHEREAS, the Opioid Task Force has developed a three-pronged approach to abate the opioid epidemic in Lake County by implementing an opioid drug treatment court, focusing on medical services, and establishing a public information campaign; and

WHEREAS, Section 397.334, Florida Statutes, allows counties to fund a treatment-based drug court program for the purpose of providing persons in the justice system assessed with a substance abuse disorder to be processed in a manner appropriate to address the severity of the person's identified substance abuse disorder through treatment services tailored to the individual needs of the participant; and

WHEREAS, Administrative Order L-2025-33, attached hereto as **Exhibit F**, established a pilot program, entitled, "*Lake County Post-Adjudicatory Drug Court Program,"* (hereinafter referred to as "Opioid Drug Court"), to benefit the residents of Lake County; and

NOW THEREFORE, IN CONSIDERATION of the mutual terms, understandings, covenants, conditions, and promises hereinafter set forth, and intending to be legally bound, the Parties agree as follows:

Section 1. **Legal Findings of Fact.** The foregoing recitals are hereby adopted as legislative findings of the Board of County Commissioners and are ratified and confirmed as being true and correct and are hereby made a specific part of this Agreement upon adoption hereof.

Section 2. **Effective Date and Term.** This Agreement will become effective upon the date the last Party hereto executes it. The term of this Agreement will be a one (1) year period from October 1, 2025, to September 30, 2026. Amendments to this Agreement must be in writing and executed by authorized representatives of the Parties. Upon expiration of the initial term, and thereafter upon each renewal term, this Agreement shall automatically renew for successive periods of one (1) year unless the Opioid Drug Court is rescinded, funds have been fully expended or are no longer available, or it is otherwise terminated in accordance with this Agreement.

Section 3. **County's Obligations.**

A. Annual Funding. Funding under this Agreement will be provided from Opioid Settlement Funds ("Opioid Funds") for the purpose of the Adult Post-Adjudicatory Drug Court ("Opioid Drug Court"), as approved by the Board and outlined in **Exhibit E**. Funding for the Program will be in the County's sole discretion and is subject to annual appropriation by the Lake County Board of County Commissioners ("Board") through the County's budget process each Fiscal Year (FY). The Parties recognize that the opioid settlement allocation framework spans a total of eighteen (18) years and annual appropriation amounts may differ. The Parties hereby agree that the funding arrangement provided under this Agreement is not intended to constitute a debt for the County. Nothing herein shall be construed as pledging the full faith and credit of the County, nor obligate the County to commit ad valorem revenues to fund the Opioid Drug Court.

i. **Initial Fiscal Year Funding.** For FY 26, running from October 1, 2025, through September 30, 2026, the County agrees to provide funding to PDO in the amount of **Twenty Thousand Dollars and XX/100 ($20,000.00)**, as approved under the Board's approved Fiscal Year budget, in order for PDO to provide Opioid Drug Court services to the residents of Lake County, Florida.

A lump sum payment of $20,000 for FY 26 shall be paid to PDO by County within thirty (30) days of the full execution of this Agreement for support services related to the Opioid Drug Court as allowed for under the Board's approved FY26 Opioid Drug Court budget.

ii. **Subsequent Fiscal Year Funding.** Following the annual presentation to the Board of the Opioid Drug Court's progress and proposed Budget for the upcoming Fiscal Year by the Participating Offices, as provided for in Section 4.B., the Board will determine and approve the amount of Opioid Funds to include in the County's budget for the upcoming Fiscal Year. No later than October 31st of each year, and annually by October 31st thereafter so long as the requisite funds are available, the County shall provide annual funding to PDO as a lump sum for support services related to the Opioid Drug Court as allowed for under the Board's approved Fiscal Year Opioid Drug Court budget. The Parties understand that the annual funding amount may change and that no specific amount of Opioid Funding, beyond the Initial Fiscal Year, is guaranteed to be provided under this Agreement.

iii. The payment referenced in this Agreement is sourced from opioid settlement funds provided to and disbursed by the COUNTY and is intended for the exclusive use of the PUBLIC DEFENDER, and pursuant to Section 215.22(2), Florida Statutes, qualifies for an exemption from the state appropriation and service charge references in Section 215.20, Florida Statutes.

Section. 4. Public Defender Office Obligations.

A. PDO Obligations.

i. The PDO represents Defendants who are sentenced to the Opioid Drug Court, which includes the following services:

a. Reviewing the status and progress of each Defendant before each court session, twice a month for approximately 18 months;

b. Attending status conferences before each court session; and

c. Advocating for the Defendant regarding any progress or sanctions (including possible incarceration).

ii. Should a Defendant be removed from the Opioid Drug Court program, which would violate their probation, the PDO (if requested or appointed) shall represent the Defendant through those proceedings.

B. PDO Coordination Duties. The Public Defender's Office, Court Administration, and the State Attorney's Office, hereinafter referred to as "Participating Offices," acknowledge that the Program requires the cooperation and joint coordination of the Participating Offices. The Participating Offices shall cooperate with each other to effectively provide the Opioid Drug Court funded under this Agreement. Further, Participating Offices shall coordinate submission of any reports, plans, budgets, and any other documentation to the County as required under this Agreement for the Opioid Drug Court that involves the Participating Offices. Nothing herein prevents a Participating Office from submitting office-specific reports or certifications directly to the County. Each Participating Office shall report independent of the other, but present before the Board simultaneously.

C. Annual Update. Each Fiscal Year, PDO, through the Budget Office, shall coordinate a presentation to the Board of an annual update on Opioid Drug Court activities and a proposed itemized Fiscal Year budget, for consideration no later than June 30th for the upcoming Fiscal Year. PDO and the Participating Offices shall coordinate the annual submission of the presentation and any associated documents to the Board.

D. Receipt of Funding. PDO shall receive a lump sum payment of $20,000 from the County for Opioid Drug Court support services. Funding for FY 26 shall be delayed to coincide with the start of the Opioid Drug Court. A copy of the FY 26 Opioid Drug Court Budget is attached hereto and incorporated herein as **Exhibit E**. PDO, in coordination with the State Attorney's Office and Court Administration, shall present and approve an annual Opioid Drug Court Budget each year as part of the annual presentation to the Board.

E. Use of Funds. PDO shall utilize the funds provided by the County for the purpose of maintaining and operating Opioid Drug Court services and programs as set forth under the Opioid Drug Court Policy & Procedure Manual, as described in **Exhibit F**, attached hereto. These services shall be made available to any individual living within Lake County who otherwise qualifies. PDO acknowledges and guarantees that opioid settlement funds received by or through the County, must be used solely for the Approved Purposes and Opioid Abatement Strategies identified in the governing settlement documents and incorporated exhibits attached hereto as **Exhibit C**. PDO shall be solely responsible for programmatic and fiscal compliance of expenditures made with Opioid Funds under this Agreement, including ensuring that expenditures are consistent with the Approved Purposes and Opioid Abatement Strategies under the Florida opioid settlement framework and the Opioid Settlement Agreement attached hereto and incorporated herein. PDO is solely responsible for ensuring that it does not expend funds in excess of the amount allotted to it.

F. Notice of Funding Needs. PDO shall advise the County in writing no later than January 1st each and every year if an increase or additional funding is needed for the next fiscal year, together with supporting documentation and an updated budget outline with numbered line items. Any request by PDO for a budget increase shall be brought by the Budget Office before the Board for approval through the County's annual budget process. Such request shall be brought before the Board no later than June 30th for the upcoming fiscal year as outlined in Section 4.B. above. County acknowledges PDO may not have a finalized budget prior to January 1st each and every year; however, PDO will make a good faith estimate as to any increases or additional funding that may be needed for the upcoming fiscal year. Upon finalization of PDO's budget, they will promptly advise County in writing pursuant to this Agreement regarding same.

G. Annual Report. PDO shall provide a detailed annual report of the most recent fiscal year, including all relevant supporting documentation, describing PDO's Opioid Drug Court fiscal and service information, to the Budget Office no later than June 30th each year as outlined in Section 4.B. above.

The County reserves the right to withhold or deny payment, or terminate this Agreement, if such annual report or documentation: (1) is not timely submitted per the deadlines in this Agreement; (2) is incomplete, not accompanied by the requisite supporting documentation, or is otherwise deemed by the County to be unsatisfactory or insufficiently documented; (3) indicates expenditures that are not compliant with this Agreement; or (4) is inconsistent with the information provided by PDO in any progress reporting required under this Agreement.

H. Sufficient Financial Resources. PDO accepts that payment will be made by annual funding and agrees to maintain sufficient financial resources to meet any expenses incurred throughout the Fiscal Year.

I. Confidentiality of Participant Records. PDO shall comply with state and federal laws regarding confidentiality of records related to participants in treatment-based drug court programs, including, but not limited to applicable provisions under HIPAA, Chapter 397, Florida Statutes; and 42 CFR part 2.

Section 5. Notices.

A. Wherever provision is made in this Agreement for the giving, service, or delivery of any notice, statement or other instrument, such notice must be in writing and will be deemed to have been duly given, served, and delivered, if delivered by hand or mailed by United States registered or certified mail, addressed as follows:

COUNTY
Lake County, Florida
Attn: County Manager
P.O. Box 7800
Tavares, Florida 32778

With a copy to:
County Attorney's Office
Post Office Box 7800
Tavares, Florida 32778

PDO
Public Defender
of the Fifth Judicial Circuit of Florida
123 North Sinclair Avenue
Post Office Box 7800
Tavares, Florida 32778

B. All Notices required, or which may be given hereunder, shall be considered properly given if (1) personally delivered, (2) sent by certified United States Mail, return receipt requested, (3) sent by Federal Express or another equivalent mail service provider.

C. The effective date of such notices shall be the date personally delivered, or if sent by certified mail, the date the notice was signed for, or if sent by a mail service provider, the date the notice was delivered by said provider.

D. Each Party may change its mailing address by giving to the other Party, by hand delivery, United States registered or certified mail, notice of election to change such address.

Section 6. Disputes, Default, and Termination.

A. Dispute Resolution. PDO and the County shall work together in good faith to effectuate this Agreement and resolve any disputes about their contractual relationship under this Agreement.

i. Claims by PDO must be made in writing in accordance with Section 5. above to the County within ten (10) business days from the date PDO discovers the event leading to the claim, unless another provision of this Agreement sets forth a different time frame after the commencement of the event giving rise to such claim, or otherwise PDO will be deemed to have waived the claim.

ii. PDO shall proceed diligently with its performance under this Agreement, regardless of any pending claim, action, suit, or administrative proceeding, unless otherwise agreed to by the County in writing.

iii. Claims by PDO will be resolved in the following manner: (1) Upon receiving the claim and supporting data, County will, within thirty (30) calendar days, respond to the claim in writing stating that the claim is either approved or denied. If denied, the County will specify the grounds for denial. PDO will then have fifteen (15) calendar days in which to provide additional supporting documentation, or to notify the County in writing that the original claim stands as is. (2) If the claim is not resolved, the PDO may, at its option, choose to submit the matter to mediation. A mediator will be mutually selected by the Parties in writing, and each Party will pay one-half (1/2) the expense of mediation. If the County declines to mediate the dispute, PDO may bring an action in a court of competent jurisdiction in and for Lake County, Florida.

iv. Claims by the County against PDO must be made in writing with supporting data to PDO within thirty (30) calendar days from the date the County discovers the event leading to the claim. PDO shall respond in writing in accordance with Section 5. above within fifteen (15) calendar days of receipt of the claim. If the claim cannot be resolved, the County may submit the matter to mediation as set forth in (iii) above or otherwise bring an action in a court of competent jurisdiction in and for Lake County, Florida.

v. Arbitration will not be considered as a means of dispute resolution.

B. Termination for Convenience. This Agreement may be terminated without cause by either Party with thirty (30) days written notice of intent to terminate. Such written notice must be sent as provided in Section 5. above.

C. Should the Agreement be terminated during the Term of this Agreement for any reason, PDO shall provide the County with an accounting of all expenditures made utilizing the funds paid to PDO under this Agreement and shall submit all required reports and any other such documentation requested by the County.

D. Termination for Cause. The County may also suspend or terminate this Agreement, in whole or in part, if PDO breaches or materially fails to comply with any term of this Agreement, or with any of the rules, regulations or provisions referred to herein.

E. Default. A default shall consist of any use of funds for a purpose other than as authorized by this Agreement, noncompliance with any provision herein, any material breach of the Agreement, failure to comply with the audit requirements as provided herein, or failure to expend funds in a timely or proper manner. Upon the occurrence of any such default the County shall serve due notice to PDO, at which time PDO shall have a reasonable opportunity to respond and cure. For purposes of this Agreement, a reasonable opportunity to respond and cure any default shall be ten (10) days (in the case of monetary defaults) or thirty (30) days (in the case of non-monetary defaults) from the date the County delivers by personal service, or mails written notice of such default to PDO, hereinafter referred to as the "Cure Period." If the default is not cured to the satisfaction of County, County shall have the right, in its sole discretion, to take the following action(s):

i. Upon a written request from PDO setting forth a reasonable basis to support the need for an additional Cure Period, the County may in its sole discretion grant an additional Cure Period by written acknowledgment thereof; or

ii. Terminate this Agreement by written notice thereof; or

iii. Take such other action, including, but not limited to, requiring additional conditions under this Agreement; temporarily withholding cash payments pending correction of the deficiency by PDO; disallow all or part of the cost of the activity or action not in compliance; wholly or partly suspend or terminate the current Agreement; or take other remedies that may be legally available.

iv. If the County terminates this Agreement for cause, PDO shall promptly return all unused funding provided to PDO under this Agreement by the County within fourteen (14) days of the date of termination by County.

F. Costs Not Allowed After Default. Costs resulting from obligations incurred by PDO during a suspension or after termination of the Agreement are not allowable unless the County expressly authorizes them in the notice of suspension or termination or provides subsequent authorization in writing. Other PDO costs during suspension or after termination, which are necessary and not reasonably avoidable, are allowed if:

i. The costs result from obligations which were properly incurred by PDO before the effective date of suspension or termination, and are not in anticipation of it, and, in the case of a termination, are noncancelable; and

ii. The costs would be allowed if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

G. No Limitation. Nothing contained herein shall be construed as a limitation on such other rights and remedies available to the Parties under law or in equity which may now or in the future be applicable.

Section 7. Recordkeeping and Audit Requirements.

A. Recordkeeping.

i. PDO shall maintain all records and accounts necessary to assure a proper accounting and monitoring of all funds provided pursuant to this Agreement, including, but not limited to, property, personnel and financial records, contractual agreements, subcontracts, proof of insurance, project administration records, records supporting exceptions to the conflict-of-interest prohibition, and any other records as are deemed necessary by the County to assure a proper accounting and monitoring of all funds provided pursuant to this Agreement.

ii. In the event the County determines in its sole discretion that such records are not being adequately maintained by PDO, the County may terminate this Agreement in accordance with the terms herein.

iii. With respect to all matters covered by this Agreement, records will be made available for examination, audit, inspection or copying purposes at any time during normal business hours and as often as the County may require; however, that records protected by the Health Insurance Portability and Accountability Act (HIPAA) as may be amended from time to time, attorney-client privileged materials, and attorney work product are expressly excluded from such availability. PDO will permit same to be examined and excerpts or transcriptions made or duplicated from such records, and audits made of all contracts, invoices, materials, records of personnel and of employment and other data relating to all matters covered by this Agreement. The County shall provide notice of its intent to inspect records to PDO at least three (3) business days in advance.

iv. Pursuant to the National Opioid Settlement, attached hereto as **Exhibit C**, the Parties acknowledge that statewide reporting timelines contemplate intended expenditures prior to July 1st each year to the Department of Children and Families (DCF) and require an expenditure report to be provided to DCF no later than August 31st each year, outlining expenditure reporting after fiscal year-end, and annual oversight, and agree to cooperate in providing information required to meet applicable State reporting and expectations. The County's Office of Management and Budget shall be responsible for coordinating and handling the mandatory reporting on behalf of the County and Participating Offices.

v. This Section shall survive the expiration or earlier termination of this Agreement.

B. Public Records. The Parties are public entities and subject to Chapter 119, Florida Statutes. Each Party acknowledges it is familiar with the rights and obligations arising from Chapter 119, Florida Statutes. The PDO shall comply with the Florida Public Records' laws, and shall:

i. Keep and maintain public records required by the County to perform the Projects identified in this Agreement.

ii. Upon request from the County's custodian of public records, provide County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for by law.

iii. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of this Agreement. This obligation remains in effect for the duration of this Agreement and continues thereafter unless such records are transferred to the County.

iv. Upon completion of this Agreement, transfer, at no cost, to the County all public records in possession of PDO to keep and maintain public records required by the County to perform the services. If PDO transfers all public records to the County upon completion of this Agreement, PDO shall destroy any duplicate public records that are exempt, or confidential and exempt, from public records disclosure requirements. If PDO keeps and maintains public records upon completion of this Agreement, PDO shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of public records, in a format that is compatible with the information technology systems of the County. The Parties acknowledge that PDO personnel funding is currently managed via physical paper documentation and is not stored electronically. Only the portion of PDO personnel salary funded by this Agreement would be subject to this provision. Any records classified as attorney-client privileged materials or attorney work product would be exempt from this provision.

IF PDO HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO COURT'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS, AT LAKE COUNTY AT 352-343-9452, P.O. BOX 7800, TAVARES, FL 32778-7800, OR VIA EMAIL AT BUDGET@LAKECOUNTYFL.GOV.

v. Failure to comply with this subsection will be deemed a breach of this Agreement and enforceable as set forth in Section 119.0701, Florida Statutes.

vi. Requests to inspect or copy public records relating to this Agreement must be made directly to the County. If PDO receives any such request, PDO shall instruct the requestor to contact the County. If the County does not possess the records requested, the County shall immediately notify PDO of such request, and PDO must provide the records to the County or otherwise allow the records to be inspected or copied within a reasonable time.

vii. PDO acknowledges that failure to provide the public records to the County within a reasonable time may be subject to penalties under Section 119.10, Florida Statutes. PDO further agrees not to release any records that are statutorily confidential or otherwise exempt from disclosure. PDO authorizes County to seek declaratory, injunctive, or other appropriate relief against PDO from a Circuit Court in Lake County, Florida, on an expedited basis to enforce the requirements of this section.

C. Right to Audit. The County reserves the right to require PDO to submit to an audit by any auditor of the County's choosing. PDO shall provide access to all of its records directly related to funds provided under this Agreement at its place of business during regular business hours with the exception of any attorney-client privileged documents and attorney work product. PDO shall retain all records pertaining to this Agreement and upon request make them available to the County for five (5) years following expiration of the Agreement, or for such time as set forth in the Florida Department of State, Division of Library and Information Services, General Records Schedule GS1-SL, a copy of which can be found at this link: https://dos.fl.gov/library-archives/records-management/general-records-schedules/, whichever is

longer. PDO agrees to provide such assistance as may be necessary to facilitate the review or audit by the County to ensure compliance with applicable accounting and financial standards.

i. If an audit inspection or examination pursuant to this section discloses overpricing or overcharges of any nature by PDO to the County in excess of one percent (1%) of the total contract billings, in addition to making adjustments for the overcharges, the reasonable actual cost of the County's audit must be reimbursed to the County by PDO. Any adjustments or payments which must be made as a result of any such audit or inspection of PDO invoices or records must be made within a reasonable amount of time, but in no event may the time exceed ninety (90) calendar days, from presentation of the County's audit findings to PDO.

ii. This provision is hereby considered to be included within, and applicable to, any subcontractor contract entered into by PDO in performance of any work under this Agreement.

Section 8. General Provisions.

A. Independent Agent. PDO shall perform this Agreement as an independent agent and nothing contained herein shall in any way be construed to constitute PDO or any assistant, representative, agent, employee, independent contractor, partner, affiliate, holding company, subsidiary, or subagent of PDO to be a representative, agent, subagent, or employee of the County.

i. PDO shall be solely responsible for all personnel-related expenses incurred in connection with the performance of this Agreement. PDO understands and agrees that any adjustments to compensation provided to Assistant Public Defenders to support the additional duties associated with the Opioid Drug Court program, including associated taxes, retirement contributions, and any other employee benefits, shall be paid from the funds allocated under this Agreement and not from any additional County funding.

ii. In no event shall any provision of this Agreement make the County liable to any person or entity that contracts with or provides goods or services to PDO in connection with the services PDO has agreed to perform hereunder or otherwise, or for any debts or claims of any nature accruing to any person or entity against PDO. There is no contractual relationship, either express or implied, between the County and any person or entity supplying any work, labor, services, goods or materials to PDO as a result of the provision of the services provided by PDO hereunder or otherwise.

B. Recapture of Funds. Subject to the conditions set forth in this Agreement, it is the intent of the Parties that the County shall recapture any funds provided under this Agreement if PDO is considered in default under any of the provisions in this Agreement, following the expiration of the reasonable opportunity to respond and cure any default. Further, PDO is liable for recapture of funds if any representation made in the reimbursement requests, reporting, or supporting documentation is at any time false or misleading in any respect, or if PDO is found in non-compliance with laws, rules or regulations governing the use of the Funds provided pursuant to this Agreement. The provisions of this Section shall survive the termination of this Agreement.

i. Any funds that are not expended as authorized under this Agreement must be refunded to the County within fourteen (14) days of receipt of written notice provided by the County.

ii. Any funds that are not expended within the anticipated timeframe under this Agreement are subject to recapture. If requested, a refund to the County must be made within fourteen (14) days of receipt of written notice for a refund provided by the County.

iii. The County's determination that an expenditure is eligible does not relieve PDO of its duty to repay the County in full for any expenditures that are later determined by the County to be ineligible expenditures or the discovery of a duplication of benefits.

iv. If requested by the County, all refunds, return of improper payments, or repayments due to the County under this Agreement are to be made payable to Lake County and mailed directly to the County pursuant **Section 5, Notice** and this Agreement.

v. PDO has the sole responsibility for identifying and recovering grant funds that were expended in error, disallowed, or unused. PDO will also immediately report all suspected fraud to the County.

C. Reversion of Assets. Within fourteen (14) days following the expiration or termination of this Agreement, PDO shall transfer to the County any funds on hand at the time of expiration or termination of this Agreement if the funds have not been expended on eligible costs.

D. Indemnification. Pursuant to Section 768.28, Florida Statutes, neither the County nor PDO waive sovereign immunity nor do the Parties agree to indemnify each other for the other Party's negligence.

E. Insurance. The Parties shall provide continuous adequate liability insurance coverage during the existence of this Agreement and any renewal(s) and extension(s). PDO accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for PDO and the participants to be served under the Opioid Drug Court. Within five (5) business days of the execution of this Agreement, PDO shall furnish to the Lake County Office of Human Resources and Risk Management, Attention: Risk Management Coordinator at P.O. Box 7800, Tavares, Florida 32778-7800, written verification supporting both the determination and existence of such insurance coverage. Such coverage may be provided by a self-insurance program established and operated under the laws of the State of Florida.

F. Sovereign Immunity. County and PDO expressly retain all rights, benefits, and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Nothing will be deemed as a waiver of immunity or the limitations of liability of County and PDO beyond any statutory limited waiver of immunity or limits of liability. Nothing will inure to the benefit of any third party for the purpose of allowing any claim against County or PDO, which would otherwise be barred under the law.

G. Background Checks. Parties agree to comply with state and federal laws regarding background checks as applicable to the services related to this Agreement.

H. Disclaimer of Third-Party Beneficiaries. This Agreement is solely for the benefit of the Parties, and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any third party not a formal named Party hereto. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon or give any person or corporation other than the Parties any right, remedy, or claim under or by reason of this Agreement or any provisions or conditions hereto, and all of the provisions, representations, covenants, and conditions herein contained shall inure to the sole benefit of and shall be binding upon the Parties and their respective representatives, successors, and assigns.

I. Construction. This Agreement was mutually negotiated by the Parties who have executed the same and each Party acknowledge that they had ample opportunity to seek and consult with independent legal counsel prior to executing this Agreement, and that they represent and warrant that they have sought such independent legal advice and counsel or have knowingly and voluntarily waived such right. Consequently, it is the intent of the Parties that no provision shall be more harshly construed against either Party as the drafter hereof.

J. Further Assurances. PDO agrees to execute and deliver all such further additional documents, instruments, conveyances, and assurances and take such further actions as may be reasonably required to carry out the provisions of this Agreement.

K. Severability. Any term, condition, covenant, or obligation which requires performance by either Party after termination of this Agreement shall remain enforceable against such Party after such termination. In the event any section, sentence, clause, or provision of this Agreement is held to be invalid, illegal, or unenforceable by a court having jurisdiction over the matter, the remainder of the Agreement shall not be affected by such determination and shall remain in full force and effect.

L. Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of the Parties hereto and their respective successors and assigns.

M. Assignment. PDO shall not assign this Agreement or any part hereof without the prior written consent of the County and without amending or terminating this Agreement, as necessary.

N. Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original, but all taken together shall constitute one and the same instrument.

O. Governing Law and Waiver of Jury Trial. Each Party covenants and agrees that any and all legal actions arising out of or connected with this Agreement shall be instituted in the Circuit Court of the Fifth Judicial Circuit, in and for Lake County, Florida as the exclusive forum and venue for any such action and each Party further covenants and agrees that it will not institute any action in any other forum or venue and hereby consents to immediate dismissal or transfer of any such action instituted in any other forum or venue. This Agreement is entered into within, and with reference to the laws of, the State of Florida, and shall be governed, construed, and applied in accordance with those laws (excluding conflicts of law) of the State of Florida. BOTH PARTIES WAIVE ANY RIGHT THEY MAY HAVE TO A JURY TRIAL IN ANY CIVIL LITIGATION MATTER ARISING FROM THIS AGREEMENT.

P. Authorization. Each Party represents to the other that such Party has authority under all applicable laws to enter into an agreement containing such covenants and provisions, that all the procedural requirements imposed by law upon each Party for the approval and authorization of this Agreement have been properly completed, and that the persons who have executed this Agreement are duly authorized and empowered to do so.

Q. Capitalizations. Capitalized terms contained herein shall have the definition assigned. Capitalized terms contained herein that do not have the definition assigned shall have the meaning assigned in the applicable federal statute or regulation. All descriptive headings of paragraphs in this Agreement are inserted for convenience only and shall not affect the construction or interpretation hereof.

R. Estoppel/Waiver. A waiver of any performance or default by either Party shall not be construed to be a continuing waiver of other defaults or non-performance of the same provision or operate

as a waiver of any subsequent default or non-performance of any of the terms, covenants, and conditions of this Agreement. The payment or acceptance of fees for any period after a default shall not be deemed a waiver of any right or acceptance of defective performance. No delay or omission by County in exercising any right or remedy available to it under the Agreement shall impair any such right or remedy or constitute a waiver or acquiescence in any PDO default.

S. Civil Rights Act. During the term of this Agreement PDO assures the County that it is in compliance with Title VII of the 1964 Civil Rights Act, as amended, and the Florida Civil Rights Act of 1992, in that PDO does not discriminate on the grounds of race, color, national origin, religion, sex, age, disability or marital status, in any form or manner. PDO understands and agrees that this Agreement is conditioned upon the veracity of this statement of assurance.

T. ADA Requirements. PDO shall ensure that all deliverables provided under this Agreement, as applicable, are Accessible and comply with all aspects of both the Americans with Disabilities Act (ADA) and WCAG (Web Content Accessibility Guidelines) 2.1 Level AA, as amended. Failure to comply with the ADA, WCAG, and these requirements may result in the termination of this Agreement and PDO being held liable for any damages or costs incurred by County as a result of non-compliance, including reasonable attorney's fees whether suit be brought or not.

Section 9. Entire Agreement. This document embodies the entire agreement between the Parties, and the Parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement. No modification, amendment or alternation of the terms or conditions contained in this Agreement will be effective unless contained in a written document executed with the same formality and of equal dignity with this Agreement. This Agreement contains the following exhibits, all of which are incorporated in this Agreement:

Exhibit A ..... Florida Plan (59 pgs.)

Exhibit B ..... Resolution No. 2021-100 (2 pgs.)

Exhibit C ..... Florida Opioid Allocation and Statewide Response Agreement (49 pgs.)

Exhibit D ..... Opioid Task Force - Lake County Opioid Abatement Plan (2 pgs.)

Exhibit E ..... FY 26 Opioid Drug Court Budget (1 pg.)

Exhibit F ..... Administrative Order L-2025-33 (4 pgs.)

IN WITNESS THEREOF, the Parties have signed this Agreement on the respective dates under each signature: Lake County, through its Board of County Commissioners, signing by and through its Chairman, and by The Fifth Judicial Circuit Office of the Public Defender, signing by its duly authorized representative.

EXHIBIT A

PROPOSAL
MEMORANDUM OF UNDERSTANDING

Whereas, the people of the State of Florida and its communities have been harmed by misfeasance, nonfeasance and malfeasance committed by certain entities within the Pharmaceutical Supply Chain;

Whereas, the State of Florida, through its Attorney General, and certain Local Governments, through their elected representatives and counsel, are separately engaged in litigation seeking to hold Pharmaceutical Supply Chain Participants accountable for the damage caused by their misfeasance, nonfeasance and malfeasance;

Whereas, the State of Florida and its Local Governments share a common desire to abate and alleviate the impacts of that misfeasance, nonfeasance and malfeasance throughout the State of Florida;

Whereas, it is the intent of the State of Florida and its Local Governments to use the proceeds from Settlements with Pharmaceutical Supply Chain Participants to increase the amount of funding presently spent on opioid and substance abuse education, treatment and other related programs and services, such as those identified in Exhibits A and B, and to ensure that the funds are expended in compliance with evolving evidence-based "best practices";

Whereas, the State of Florida and its Local Governments, subject to the completion of formal documents that will effectuate the Parties' agreements, enter into this Memorandum of Understanding ("MOU") relating to the allocation and use of the proceeds of Settlements described herein; and

Whereas, this MOU is a preliminary non-binding agreement between the Parties, is not legally enforceable, and only provides a basis to draft formal documents which will effectuate the Parties' agreements.

A. Definitions

As used in this MOU:

1. "Approved Purpose(s)" shall mean forward-looking strategies, programming and services used to expand the availability of treatment for individuals impacted by substance use disorders, to: (a) develop, promote, and provide evidence-based substance use prevention strategies; (b) provide substance use avoidance and awareness education; (c) decrease the oversupply of licit and illicit opioids; and (d) support recovery from addiction. Approved Purposes shall include, but are not limited to, the opioid abatement strategies listed on Exhibits A and B which are incorporated herein by reference.

2. "Local Governments" shall mean all counties, cities, towns and villages located within the geographic boundaries of the State.

3. "Managing Entities" shall mean the corporations selected by and under contract with the Florida Department of Children and Families or its successor ("DCF") to manage the

daily operational delivery of behavioral health services through a coordinated system of care. The singular "Managing Entity" shall refer to a singular of the Managing Entities.

4. "County" shall mean a political subdivision of the state established pursuant to s. 1, Art. VIII of the State Constitution.

5. "Municipalities" shall mean cities, towns, or villages of a County within the State with a Population greater than 10,000 individuals and shall also include cities, towns or villages within the State with a Population equal to or less than 10,000 individuals which filed a Complaint in this litigation against Pharmaceutical Supply Chain Participants. The singular "Municipality" shall refer to a singular of the Municipalities.

6. "Negotiating Committee" shall mean a three-member group comprised by representatives of the following: (1) the State; and (2) two representatives of Local Governments of which one representative will be from a Municipality and one shall be from a County (collectively, "Members") within the State. The State shall be represented by the Attorney General or her designee.

7. "Negotiation Class Metrics" shall mean those county and city settlement allocations which come from the official website of the Negotiation Class of counties and cities certified on September 11, 2019 by the U.S. District for the Northern District of Ohio in *In re National Prescription Opiate Litigation*, MDL No. 2804 (N.D. Ohio). The website is located at https://allocationmap.iclaimsonline.com.

8. "Opioid Funds" shall mean monetary amounts obtained through a Settlement as defined in this MOU.

9. "Opioid Related" shall have the same meaning and breadth as in the agreed Opioid Abatement Strategies attached hereto as Exhibits A or B.

10. "Parties" shall mean the State and Local Governments. The singular word "Party" shall mean either the State or Local Governments.

11. "PEC" shall mean the Plaintiffs' Executive Committee of the National Prescription Opiate Multidistrict Litigation pending in the United States District Court for the Northern District of Ohio.

12. "Pharmaceutical Supply Chain" shall mean the process and channels through which Controlled Substances are manufactured, marketed, promoted, distributed or dispensed.

13. "Pharmaceutical Supply Chain Participant" shall mean any entity that engages in, or has engaged in the manufacture, marketing, promotion, distribution or dispensing of an opioid analgesic.

14. "Population" shall refer to published U.S. Census Bureau population estimates as of July 1, 2019, released March 2020, and shall remain unchanged during the term of this MOU. These estimates can currently be found at https://www.census.gov

15. "Qualified County" shall mean a charter or non-chartered county within the State that: has a Population of at least 300,000 individuals and (a) has an opioid taskforce of which it is a member or operates in connection with its municipalities or others on a local or regional basis; (b) has an abatement plan that has been either adopted or is being utilized to respond to the opioid epidemic; (c) is currently either providing or is contracting with others to provide substance abuse prevention, recovery, and treatment services to its citizens; and (d) has or enters into an agreement with a majority of Municipalities (Majority is more than 50% of the Municipalities' total population) related to the expenditure of Opioid Funds. The Opioid Funds to be paid to a Qualified County will only include Opioid Funds for Municipalities whose claims are released by the Municipality or Opioid Funds for Municipalities whose claims are otherwise barred.

16. "SAMHSA" shall mean the U.S. Department of Health & Human Services, Substance Abuse and Mental Health Services Administration.

17. "Settlement" shall mean the negotiated resolution of legal or equitable claims against a Pharmaceutical Supply Chain Participant when that resolution has been jointly entered into by the State and Local Governments or a settlement class as described in (B)(1) below.

18. "State" shall mean the State of Florida.

B. Terms

1. **Only Abatement -** Other than funds used for the Administrative Costs and Expense Fund as hereinafter described in paragraph 6 and paragraph 9, respectively), all Opioid Funds shall be utilized for Approved Purposes. To accomplish this purpose, the State will either file a new action with Local Governments as Parties or add Local Governments to its existing action, sever settling defendants, and seek entry of a consent order or other order binding both the State, Local Governments, and Pharmaceutical Supply Chain Participant(s) ("Order"). The Order may be part of a class action settlement or similar device. The Order shall provide for continuing jurisdiction of a state court to address non-performance by any party under the Order. Any Local Government that objects to or refuses to be included under the Order or entry of documents necessary to effectuate a Settlement shall not be entitled to any Opioid Funds and its portion of Opioid Funds shall be distributed to, and for the benefit of, the other Local Governments.

2. **Avoid Claw Back and Recoupment -** Both the State and Local Governments wish to maximize any Settlement and Opioid Funds. In addition to committing to only using funds for the Expense Funds, Administrative Costs and Approved Purposes, both Parties will agree to utilize a percentage of funds for the core strategies highlighted in Exhibit A. Exhibit A contains the programs and strategies prioritized by the U.S. Department of Justice and/or the U.S. Department of Health & Human Services ("Core Strategies"). The State is trying to obtain the United States' agreement to limit or reduce the United States' ability to recover or recoup monies from the State and Local Government in exchange for prioritization of funds to certain projects. If no agreement is reached with the United States, then there will be no requirement that a percentage be utilized for Core Strategies.

3. **Distribution Scheme** - All Opioid Funds will initially go to the State, and then be distributed according to the following distribution scheme. The Opioid Funds will be divided into three funds after deducting costs of the Expense Fund detailed in paragraph 9 below:

(a) City/County Fund- The city/county fund will receive 15% of all Opioid Funds to directly benefit all Counties and Municipalities. The amounts to be distributed to each County and Municipality shall be determined by the Negotiation Class Metrics or other metrics agreed upon, in writing, by a County and a Municipality. For Local Governments that are not within the definition of County or Municipality, those Local Governments may receive that government's share of the City/County Fund under the Negotiation Class Metrics, if that government executes a release as part of a Settlement. Any Local Government that is not within the definition of County or Municipality and that does not execute a release as part of a Settlement shall have its share of the City/County Fund go to the County in which it is located.

(b) Regional Fund- The regional fund will be subdivided into two parts.

(i) The State will annually calculate the share of each County within the State of the regional fund utilizing the sliding scale in section 4 of the allocation contained in the Negotiation Class Metrics or other metrics that the Parties agree upon.

(ii) For Qualified Counties, the Qualified County's share will be paid to the Qualified County and expended on Approved Purposes, including the Core Strategies identified in Exhibit A, if applicable.

(iii) For all other Counties, the regional share for each County will be paid to the Managing Entities providing service for that County. The Managing Entities will be required to expend the monies on Approved Purposes, including the Core Strategies. The Managing Entities shall endeavor to the greatest extent possible to expend these monies on counties within the State that are non-Qualified Counties and to ensure that there are services in every County.

(c) State Fund - The remainder of Opioid Funds after deducting the costs of the Expense Fund detailed in paragraph 9, the City/County Fund and the Regional Fund will be expended by the State on Approved Purposes, including the provisions related to Core Strategies, if applicable.

(d) To the extent that Opioid Funds are not appropriated and expended in a year by the State, the State shall identify the investments where settlement funds will be deposited. Any gains, profits, or interest accrued from the deposit of the Opioid Funds to the extent that any funds are not appropriated and expended within a calendar year, shall be the sole property of the Party that was entitled to the initial deposit.

4. Regional Fund Sliding Scale- The Regional Fund shall be calculated by utilizing the following sliding scale of the Opioid Funds available in any year:

A. Years 1-6: 40%

B. Years 7-9: 35%

C. Years 10-12: 34%

D. Years 13-15: 33%

E. Years 16-18: 30%

5. Opioid Abatement Taskforce or Council - The State will create an Opioid Abatement Taskforce or Council (sometimes hereinafter "Taskforce" or "Council") to advise the Governor, the Legislature, Florida's Department of Children and Families ("DCF"), and Local Governments on the priorities that should be addressed as part of the opioid epidemic and to review how monies have been spent and the results that have been achieved with Opioid Funds.

(a) Size - The Taskforce or Council shall have ten Members equally balanced between the State and the Local Governments.

(b) Appointments Local Governments - Two Municipality representatives will be appointed by or through Florida League of Cities. Two county representatives, one from a Qualified County and one from a county within the State that is not a Qualified County, will be appointed by or through the Florida Association of Counties. The final representative will alternate every two years between being a county representative (appointed by or through Florida Association of Counties) or a Municipality representative (appointed by or through the Florida League of Cities). One Municipality representative must be from a city of less than 50,000 people. One county representative must be from a county less than 200,000 people and the other county representative must be from a county whose population exceeds 200,000 people.

(c) Appointments State -

(i) The Governor shall appoint two Members.

(ii) The Speaker of the House shall appoint one Member.

(iii) The Senate President shall appoint one Member.

(iv) The Attorney General or her designee shall be a Member.

(d) Chair - The Attorney General or designee shall be the chair of the Taskforce or Council.

(e) Term - Members will be appointed to serve a two-year term.

(f) Support - DCF shall support the Taskforce or Council and the Taskforce or Council shall be administratively housed in DCF.

(g) Meetings - The Taskforce or Council shall meet quarterly in person or virtually using communications media technology as defined in section 120.54(5)(b)(2), Florida Statutes.

(h) Reporting - The Taskforce or Council shall provide and publish a report annually no later than November 30th or the first business day after November 30th, if November 30th falls on a weekend or is otherwise not a business day. The report shall contain information on how monies were spent the previous fiscal year by the State, each of the Qualified Counties, each of the Managing Entities, and each of the Local Governments. It shall also contain recommendations to the Governor, the Legislature, and Local Governments for priorities among the Approved Purposes for how monies should be spent the coming fiscal year to respond to the opioid epidemic.

(i) Accountability - Prior to July 1st of each year, the State and each of the Local Governments shall provide information to DCF about how they intend to expend Opioid Funds in the upcoming fiscal year. The State and each of the Local Government shall report its expenditures to DCF no later than August 31st for the previous fiscal year. The Taskforce or Council will set other data sets that need to be reported to DCF to demonstrate the effectiveness of Approved Purposes. All programs and expenditures shall be audited annually in a similar fashion to SAMHSA programs. Local Governments shall respond and provide documents to any reasonable requests from the State for data or information about programs receiving Opioid Funds.

(j) Conflict of Interest - All Members shall adhere to the rules, regulations and laws of Florida including, but not limited to, Florida Statute §112.311, concerning the disclosure of conflicts of interest and recusal from discussions or votes on conflicted matters.

6. **Administrative Costs**- The State may take no more than a 5% administrative fee from the State Fund ("Administrative Costs") and any Regional Fund that it administers for counties that are not Qualified Counties. Each Qualified County may take no more than a 5% administrative fee from its share of the Regional Funds.

7. **Negotiation of Non-Multistate Settlements** - If the State begins negotiations with a Pharmaceutical Supply Chain Participant that is separate and apart from a multi-state negotiation, the State shall include Local Governments that are a part of the Negotiating Committee in such negotiations. No Settlement shall be recommended or accepted without the affirmative votes of both the State and Local Government representatives of the Negotiating Committee.

8. **Negotiation of Multistate or Local Government Settlements** - To the extent practicable and allowed by other parties to a negotiation, both Parties agree to communicate with

members of the Negotiation Committee regarding the terms of any other Pharmaceutical Supply Chain Participant Settlement.

9. **Expense Fund** - The Parties agree that in any negotiation every effort shall be made to cause Pharmaceutical Supply Chain Participants to pay costs of litigation, including attorneys' fees, in addition to any agreed to Opioid Funds in the Settlement. To the extent that a fund sufficient to pay the entirety of all contingency fee contracts for Local Governments in the State of Florida is not created as part of a Settlement by a Pharmaceutical Supply Chain Participant, the Parties agree that an additional expense fund for attorneys who represent Local Governments (herein "Expense Fund") shall be created out of the City/County fund for the purpose of paying the hard costs of a litigating Local Government and then paying attorneys' fees.

(a) The Source of Funds for the Expense Fund- Money for the Expense Fund shall be sourced exclusively from the City/County Fund.

(b) The Amount of the Expense Fund- The State recognizes the value litigating Local Governments bring to the State of Florida in connection with the Settlement because their participation increases the amount Incentive Payments due from each Pharmaceutical Supply Chain Participant. In recognition of that value, the amount of funds that shall be deposited into the Expense fund shall be contingent upon on the percentage of litigating Local Government participation in the Settlement, according to the following table:

Litigating Local Government Participation in the Settlement (by percentage of the population)	Amount that shall be paid into the Expense Fund from (and as a percentage of) the City/County fund
96 to 100%	10%
91 to 95%	7.5%
86 to 90%	5%
85%	2.5%
Less than 85%	0%

If fewer than 85% percent of the litigating Local Governments (by population) participate, then the Expense Fund shall not be funded, and this Section of the MOU shall be null and void.

(c) The Timing of Payments into the Expense Fund- Although the amount of the Expense Fund shall be calculated based on the entirety of payments due to the City/County fund over a ten to eighteen year period, the Expense Fund shall be funded entirely from payments made by Pharmaceutical Supply Chain Participants during the first two years of the Settlement. Accordingly, to offset the amounts being paid from the City/County to the Expense Fund in the first two years, Counties or Municipalities may borrow from the Regional Fund during the first two years and pay the borrowed amounts back to the Regional Fund during years three, four, and five.

For the avoidance of doubt, the following provides an illustrative example regarding the calculation of payments and amounts that may be borrowed under the terms of this MOU, consistent with the provisions of this Section:

Opioid Funds due to State of Florida and Local Governments (over 10 to 18 years):	$1,000
Litigating Local Government Participation:	100%
City/County Fund (over 10 to 18 years):	$150
Expense Fund (paid over 2 years):	$15
Amount Paid to Expense Fund in 1st year:	$7.5
Amount Paid to Expense Fund in 2nd year	$7.5
Amount that may be borrowed from Regional Fund in 1st year:	$7.5
Amount that may be borrowed from Regional Fund in 2nd year:	$7.5
Amount that must be paid back to Regional Fund in 3rd year:	$5
Amount that must be paid back to Regional Fund in 4th year:	$5
Amount that must be paid back to Regional Fund in 5th year:	$5

(d) Creation of and Jurisdiction over the Expense Fund- The Expense Fund shall be established, consistent with the provisions of this Section of the MOU, by order of the Circuit Court of the Sixth Judicial Circuit in and for Pasco County, West Pasco Division New Port Richey, Florida, in the matter of *The State of Florida, Office of the Attorney General, Department of Legal Affairs v. Purdue Pharma L.P., et al.*, Case No. 2018-CA-001438 (the "Court"). The Court shall have jurisdiction over the Expense Fund, including authority to allocate and disburse amounts from the Expense Fund and to resolve any disputes concerning the Expense Fund.

(e) Allocation of Payments to Counsel from the Expense Fund- As part of the order establishing the Expense Fund, counsel for the litigating Local Governments shall seek to have the Court appoint a third-neutral to serve as a special master for purposes of allocating the Expense Fund. Within 30 days of entry of the order appointing a special master for the Expense Fund, any counsel who intend to seek an award from the Expense Fund shall provide the copies of their contingency fee contracts to the special master. The special master shall then build a mathematical model, which shall be based on each litigating Local Government's share under the Negotiation Class Metrics and the rate set forth in their contingency contracts, to calculate a proposed award for each litigating Local Government who timely provided a copy of its contingency contract.

10. **Dispute resolution-** Any one or more of the Local Governments or the State may object to an allocation or expenditure of Opioid Funds solely on the basis that the allocation or expenditure at issue (a) is inconsistent with the Approved Purposes; (b) is inconsistent with the distribution scheme as provided in paragraph 3, or (c) violates the limitations set forth herein with respect to administrative costs or the Expense Fund. There shall be no other basis for bringing an objection to the approval of an allocation or expenditure of Opioid Funds.

Schedule A

Core Strategies

States and Qualifying Block Grantees shall choose from among the abatement strategies listed in Schedule B. However, priority shall be given to the following core abatement strategies ("**Core Strategies**")[, such that a minimum of __% of the [aggregate] state-level abatement distributions shall be spent on [one or more of] them annually].[1]

A. Naloxone or other FDA-approved drug to reverse opioid overdoses

1. Expand training for first responders, schools, community support groups and families; and

2. Increase distribution to individuals who are uninsured or whose insurance does not cover the needed service.

B. Medication-Assisted Treatment ("MAT") Distribution and other opioid-related treatment

1. Increase distribution of MAT to non-Medicaid eligible or uninsured individuals;

2. Provide education to school-based and youth-focused programs that discourage or prevent misuse;

3. Provide MAT education and awareness training to healthcare providers, EMTs, law enforcement, and other first responders; and

4. Treatment and Recovery Support Services such as residential and inpatient treatment, intensive outpatient treatment, outpatient therapy or counseling, and recovery housing that allow or integrate medication with other support services.

C. Pregnant & Postpartum Women

1. Expand Screening, Brief Intervention, and Referral to Treatment ("SBIRT") services to non-Medicaid eligible or uninsured pregnant women;

2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for women with co-occurring Opioid Use Disorder ("OUD") and other Substance Use Disorder ("SUD")/Mental Health disorders for uninsured individuals for up to 12 months postpartum; and

3. Provide comprehensive wrap-around services to individuals with Opioid Use Disorder (OUD) including housing, transportation, job placement/training, and childcare.

D. Expanding Treatment for Neonatal Abstinence Syndrome

1. Expand comprehensive evidence-based and recovery support for NAS babies;

2. Expand services for better continuum of care with infant-need dyad; and

3. Expand long-term treatment and services for medical monitoring of NAS babies and their families.

[1] As used in this Schedule A, words like "expand," "fund," "provide" or the like shall not indicate a preference for new or existing programs. Priorities will be established through the mechanisms described in the Term Sheet.

E. Expansion of Warm Hand-off Programs and Recovery Services

1. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments;

2. Expand warm hand-off services to transition to recovery services;

3. Broaden scope of recovery services to include co-occurring SUD or mental health conditions. ;

4. Provide comprehensive wrap-around services to individuals in recovery including housing, transportation, job placement/training, and childcare; and

5. Hire additional social workers or other behavioral health workers to facilitate expansions above.

F. Treatment for Incarcerated Population

1. Provide evidence-based treatment and recovery support including MAT for persons with OUD and co-occurring SUD/MH disorders within and transitioning out of the criminal justice system; and

2. Increase funding for jails to provide treatment to inmates with OUD.

G. Prevention Programs

1. Funding for media campaigns to prevent opioid use (similar to the FDA's "Real Cost" campaign to prevent youth from misusing tobacco);

2. Funding for evidence-based prevention programs in schools.;

3. Funding for medical provider education and outreach regarding best prescribing practices for opioids consistent with the 2016 CDC guidelines, including providers at hospitals (academic detailing);

4. Funding for community drug disposal programs; and

5. Funding and training for first responders to participate in pre-arrest diversion programs, post-overdose response teams, or similar strategies that connect at-risk individuals to behavioral health services and supports.

H. Expanding Syringe Service Programs

1. Provide comprehensive syringe services programs with more wrap-around services including linkage to OUD treatment, access to sterile syringes, and linkage to care and treatment of infectious diseases.

I. Evidence-based data collection and research analyzing the effectiveness of the abatement strategies within the State.

Schedule B

Approved Uses

PART ONE: TREATMENT

A. TREAT OPIOID USE DISORDER (OUD)

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:[2]

1. Expand availability of treatment for OUD and any co-occurring SUD/MH conditions, including all forms of Medication-Assisted Treatment (MAT) approved by the U.S. Food and Drug Administration.

2. Support and reimburse evidence-based services that adhere to the American Society of Addiction Medicine (ASAM) continuum of care for OUD and any co-occurring SUD/MH conditions

3. Expand telehealth to increase access to treatment for OUD and any co-occurring SUD/MH conditions, including MAT, as well as counseling, psychiatric support, and other treatment and recovery support services.

4. Improve oversight of Opioid Treatment Programs (OTPs) to assure evidence-based or evidence-informed practices such as adequate methadone dosing and low threshold approaches to treatment.

5. Support mobile intervention, treatment, and recovery services, offered by qualified professionals and service providers, such as peer recovery coaches, for persons with OUD and any co-occurring SUD/MH conditions and for persons who have experienced an opioid overdose.

6. Treatment of trauma for individuals with OUD (e.g., violence, sexual assault, human trafficking, or adverse childhood experiences) and family members (e.g., surviving family members after an overdose or overdose fatality), and training of health care personnel to identify and address such trauma.

7. Support evidence-based withdrawal management services for people with OUD and any co-occurring mental health conditions.

8. Training on MAT for health care providers, first responders, students, or other supporting professionals, such as peer recovery coaches or recovery outreach specialists, including telementoring to assist community-based providers in rural or underserved areas.

9. Support workforce development for addiction professionals who work with persons with OUD and any co-occurring SUD/MH conditions.

10. Fellowships for addiction medicine specialists for direct patient care, instructors, and clinical research for treatments.

11. Scholarships and supports for behavioral health practitioners or workers involved in addressing OUD and any co-occurring SUD or mental health conditions, including but not limited to training,

[2] As used in this Schedule B, words like "expand," "fund," "provide" or the like shall not indicate a preference for new or existing programs. Priorities will be established through the mechanisms described in the Term Sheet.

scholarships, fellowships, loan repayment programs, or other incentives for providers to work in rural or underserved areas.

12. [Intentionally Blank – to be cleaned up later for numbering]

13. Provide funding and training for clinicians to obtain a waiver under the federal Drug Addiction Treatment Act of 2000 (DATA 2000) to prescribe MAT for OUD, and provide technical assistance and professional support to clinicians who have obtained a DATA 2000 waiver.

14. Dissemination of web-based training curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service-Opioids web-based training curriculum and motivational interviewing.

15. Development and dissemination of new curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service for Medication-Assisted Treatment.

B. SUPPORT PEOPLE IN TREATMENT AND RECOVERY

Support people in treatment for or recovery from OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Provide comprehensive wrap-around services to individuals with OUD and any co-occurring SUD/MH conditions, including housing, transportation, education, job placement, job training, or childcare.

2. Provide the full continuum of care of treatment and recovery services for OUD and any co-occurring SUD/MH conditions, including supportive housing, peer support services and counseling, community navigators, case management, and connections to community-based services.

3. Provide counseling, peer-support, recovery case management and residential treatment with access to medications for those who need it to persons with OUD and any co-occurring SUD/MH conditions.

4. Provide access to housing for people with OUD and any co-occurring SUD/MH conditions, including supportive housing, recovery housing, housing assistance programs, training for housing providers, or recovery housing programs that allow or integrate FDA-approved medication with other support services.

5. Provide community support services, including social and legal services, to assist in deinstitutionalizing persons with OUD and any co-occurring SUD/MH conditions.

6. Support or expand peer-recovery centers, which may include support groups, social events, computer access, or other services for persons with OUD and any co-occurring SUD/MH conditions.

7. Provide or support transportation to treatment or recovery programs or services for persons with OUD and any co-occurring SUD/MH conditions.

8. Provide employment training or educational services for persons in treatment for or recovery from OUD and any co-occurring SUD/MH conditions.

9. Identify successful recovery programs such as physician, pilot, and college recovery programs, and provide support and technical assistance to increase the number and capacity of high-quality programs to help those in recovery.

10. Engage non-profits, faith-based communities, and community coalitions to support people in treatment and recovery and to support family members in their efforts to support the person with OUD in the family.

11. Training and development of procedures for government staff to appropriately interact and provide social and other services to individuals with or in recovery from OUD, including reducing stigma.

12. Support stigma reduction efforts regarding treatment and support for persons with OUD, including reducing the stigma on effective treatment.

13. Create or support culturally appropriate services and programs for persons with OUD and any co-occurring SUD/MH conditions, including new Americans.

14. Create and/or support recovery high schools.

15. Hire or train behavioral health workers to provide or expand any of the services or supports listed above.

C. CONNECT PEOPLE WHO NEED HELP TO THE HELP THEY NEED (CONNECTIONS TO CARE)

Provide connections to care for people who have – or at risk of developing – OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Ensure that health care providers are screening for OUD and other risk factors and know how to appropriately counsel and treat (or refer if necessary) a patient for OUD treatment.

2. Fund Screening, Brief Intervention and Referral to Treatment (SBIRT) programs to reduce the transition from use to disorders, including SBIRT services to pregnant women who are uninsured or not eligible for Medicaid.

3. Provide training and long-term implementation of SBIRT in key systems (health, schools, colleges, criminal justice, and probation), with a focus on youth and young adults when transition from misuse to opioid disorder is common.

4. Purchase automated versions of SBIRT and support ongoing costs of the technology.

5. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments.

6. Training for emergency room personnel treating opioid overdose patients on post-discharge planning, including community referrals for MAT, recovery case management or support services.

7. Support hospital programs that transition persons with OUD and any co-occurring SUD/MH conditions, or persons who have experienced an opioid overdose, into clinically-appropriate follow-up care through a bridge clinic or similar approach.

8. Support crisis stabilization centers that serve as an alternative to hospital emergency departments for persons with OUD and any co-occurring SUD/MH conditions or persons that have experienced an opioid overdose.

9. Support the work of Emergency Medical Systems, including peer support specialists, to connect individuals to treatment or other appropriate services following an opioid overdose or other opioid-related adverse event.

10. Provide funding for peer support specialists or recovery coaches in emergency departments, detox facilities, recovery centers, recovery housing, or similar settings; offer services, supports, or connections to care to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced an opioid overdose.

11. Expand warm hand-off services to transition to recovery services.

12. Create or support school-based contacts that parents can engage with to seek immediate treatment services for their child; and support prevention, intervention, treatment, and recovery programs focused on young people.

13. Develop and support best practices on addressing OUD in the workplace.

14. Support assistance programs for health care providers with OUD.

15. Engage non-profits and the faith community as a system to support outreach for treatment.

16. Support centralized call centers that provide information and connections to appropriate services and supports for persons with OUD and any co-occurring SUD/MH conditions.

D. ADDRESS THE NEEDS OF CRIMINAL-JUSTICE-INVOLVED PERSONS

Address the needs of persons with OUD and any co-occurring SUD/MH conditions who are involved in, are at risk of becoming involved in, or are transitioning out of the criminal justice system through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions, including established strategies such as:

a. Self-referral strategies such as the Angel Programs or the Police Assisted Addiction Recovery Initiative (PAARI);

b. Active outreach strategies such as the Drug Abuse Response Team (DART) model;

c. "Naloxone Plus" strategies, which work to ensure that individuals who have received naloxone to reverse the effects of an overdose are then linked to treatment programs or other appropriate services;

d. Officer prevention strategies, such as the Law Enforcement Assisted Diversion (LEAD) model;

e. Officer intervention strategies such as the Leon County, Florida Adult Civil Citation Network or the Chicago Westside Narcotics Diversion to Treatment Initiative; or

f. Co-responder and/or alternative responder models to address OUD-related 911 calls with greater SUD expertise

2. Support pre-trial services that connect individuals with OUD and any co-occurring SUD/MH conditions to evidence-informed treatment, including MAT, and related services.

3. Support treatment and recovery courts that provide evidence-based options for persons with OUD and any co-occurring SUD/MH conditions

4. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are incarcerated in jail or prison.

5. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are leaving jail or prison have recently left jail or prison, are on probation or parole, are under community corrections supervision, or are in re-entry programs or facilities.

6. Support critical time interventions (CTI), particularly for individuals living with dual-diagnosis OUD/serious mental illness, and services for individuals who face immediate risks and service needs and risks upon release from correctional settings.

7. Provide training on best practices for addressing the needs of criminal-justice-involved persons with OUD and any co-occurring SUD/MH conditions to law enforcement, correctional, or judicial personnel or to providers of treatment, recovery, harm reduction, case management, or other services offered in connection with any of the strategies described in this section.

E. ADDRESS THE NEEDS OF PREGNANT OR PARENTING WOMEN AND THEIR FAMILIES, INCLUDING BABIES WITH NEONATAL ABSTINENCE SYNDROME

Address the needs of pregnant or parenting women with OUD and any co-occurring SUD/MH conditions, and the needs of their families, including babies with neonatal abstinence syndrome (NAS), through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Support evidence-based or evidence-informed treatment, including MAT, recovery services and supports, and prevention services for pregnant women – or women who could become pregnant – who have OUD and any co-occurring SUD/MH conditions, and other measures to educate and provide support to families affected by Neonatal Abstinence Syndrome.

2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for uninsured women with OUD and any co-occurring SUD/MH conditions for up to 12 months postpartum.

3. Training for obstetricians or other healthcare personnel that work with pregnant women and their families regarding treatment of OUD and any co-occurring SUD/MH conditions.

4. Expand comprehensive evidence-based treatment and recovery support for NAS babies; expand services for better continuum of care with infant-need dyad; expand long-term treatment and services for medical monitoring of NAS babies and their families.

5. Provide training to health care providers who work with pregnant or parenting women on best practices for compliance with federal requirements that children born with Neonatal Abstinence Syndrome get referred to appropriate services and receive a plan of safe care.

6. Child and family supports for parenting women with OUD and any co-occurring SUD/MH conditions.

7. Enhanced family supports and child care services for parents with OUD and any co-occurring SUD/MH conditions.

8. Provide enhanced support for children and family members suffering trauma as a result of addiction in the family; and offer trauma-informed behavioral health treatment for adverse childhood events.

9. Offer home-based wrap-around services to persons with OUD and any co-occurring SUD/MH conditions, including but not limited to parent skills training.

10. Support for Children's Services – Fund additional positions and services, including supportive housing and other residential services, relating to children being removed from the home and/or placed in foster care due to custodial opioid use.

PART TWO: PREVENTION

F. PREVENT OVER-PRESCRIBING AND ENSURE APPROPRIATE PRESCRIBING AND DISPENSING OF OPIOIDS

Support efforts to prevent over-prescribing and ensure appropriate prescribing and dispensing of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Fund medical provider education and outreach regarding best prescribing practices for opioids consistent with Guidelines for Prescribing Opioids for Chronic Pain from the U.S. Centers for Disease Control and Prevention, including providers at hospitals (academic detailing).

2. Training for health care providers regarding safe and responsible opioid prescribing, dosing, and tapering patients off opioids.

3. Continuing Medical Education (CME) on appropriate prescribing of opioids.

4. Support for non-opioid pain treatment alternatives, including training providers to offer or refer to multi-modal, evidence-informed treatment of pain.

5. Support enhancements or improvements to Prescription Drug Monitoring Programs (PDMPs), including but not limited to improvements that:

a. Increase the number of prescribers using PDMPs;

b. Improve point-of-care decision-making by increasing the quantity, quality, or format of data available to prescribers using PDMPs, by improving the interface that prescribers use to access PDMP data, or both; or

c. Enable states to use PDMP data in support of surveillance or intervention strategies, including MAT referrals and follow-up for individuals identified within PDMP data as likely to experience OUD in a manner that complies with all relevant privacy and security laws and rules.

6. Ensuring PDMPs incorporate available overdose/naloxone deployment data, including the United States Department of Transportation's Emergency Medical Technician overdose database in a manner that complies with all relevant privacy and security laws and rules.

7. Increase electronic prescribing to prevent diversion or forgery.

8. Educate Dispensers on appropriate opioid dispensing.

G. PREVENT MISUSE OF OPIOIDS

Support efforts to discourage or prevent misuse of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Fund media campaigns to prevent opioid misuse.

2. Corrective advertising or affirmative public education campaigns based on evidence.

3. Public education relating to drug disposal.

4. Drug take-back disposal or destruction programs.

5. Fund community anti-drug coalitions that engage in drug prevention efforts.

6. Support community coalitions in implementing evidence-informed prevention, such as reduced social access and physical access, stigma reduction – including staffing, educational campaigns, support for people in treatment or recovery, or training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration (SAMHSA).

7. Engage non-profits and faith-based communities as systems to support prevention.

8. Fund evidence-based prevention programs in schools or evidence-informed school and community education programs and campaigns for students, families, school employees, school athletic programs, parent-teacher and student associations, and others.

9. School-based or youth-focused programs or strategies that have demonstrated effectiveness in preventing drug misuse and seem likely to be effective in preventing the uptake and use of opioids.

10. Create of support community-based education or intervention services for families, youth, and adolescents at risk for OUD and any co-occurring SUD/MH conditions.

11. Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills.

12. Support greater access to mental health services and supports for young people, including services and supports provided by school nurses, behavioral health workers or other school staff, to address

mental health needs in young people that (when not properly addressed) increase the risk of opioid or other drug misuse.

H. PREVENT OVERDOSE DEATHS AND OTHER HARMS (HARM REDUCTION)

Support efforts to prevent or reduce overdose deaths or other opioid-related harms through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Increase availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, individuals with OUD and their friends and family members, individuals at high risk of overdose, schools, community navigators and outreach workers, persons being released from jail or prison, or other members of the general public.

2. Public health entities provide free naloxone to anyone in the community

3. Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, community support groups, and other members of the general public.

4. Enable school nurses and other school staff to respond to opioid overdoses, and provide them with naloxone, training, and support.

5. Expand, improve, or develop data tracking software and applications for overdoses/naloxone revivals.

6. Public education relating to emergency responses to overdoses.

7. Public education relating to immunity and Good Samaritan laws.

8. Educate first responders regarding the existence and operation of immunity and Good Samaritan laws.

9. Syringe service programs and other evidence-informed programs to reduce harms associated with intravenous drug use, including supplies, staffing, space, peer support services, referrals to treatment, fentanyl checking, connections to care, and the full range of harm reduction and treatment services provided by these programs.

10. Expand access to testing and treatment for infectious diseases such as HIV and Hepatitis C resulting from intravenous opioid use.

11. Support mobile units that offer or provide referrals to harm reduction services, treatment, recovery supports, health care, or other appropriate services to persons that use opioids or persons with OUD and any co-occurring SUD/MH conditions.

12. Provide training in harm reduction strategies to health care providers, students, peer recovery coaches, recovery outreach specialists, or other professionals that provide care to persons who use opioids or persons with OUD and any co-occurring SUD/MH conditions.

13. Support screening for fentanyl in routine clinical toxicology testing.

PART THREE: OTHER STRATEGIES

I. FIRST RESPONDERS

In addition to items in sections C, D, and H relating to first responders, support the following:

1. Educate law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs.

2. Provision of wellness and support services for first responders and others who experience secondary trauma associated with opioid-related emergency events.

J. LEADERSHIP, PLANNING AND COORDINATION

Support efforts to provide leadership, planning, coordination, facilitation, training and technical assistance to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Statewide, regional, local, or community regional planning to identify root causes of addiction and overdose, goals for reducing harms related to the opioid epidemic, and areas and populations with the greatest needs for treatment intervention services; to support training and technical assistance; or to support other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

2. A dashboard to share reports, recommendations, or plans to spend opioid settlement funds; to show how opioid settlement funds have been spent; to report program or strategy outcomes; or to track, share, or visualize key opioid-related or health-related indicators and supports as identified through collaborative statewide, regional, local, or community processes.

3. Invest in infrastructure or staffing at government or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of preventing overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

4. Provide resources to staff government oversight and management of opioid abatement programs.

K. TRAINING

In addition to the training referred to throughout this document, support training to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis.

2. Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent overdoses, and treat those with OUD and any co-occurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (e.g., health care, primary care, pharmacies, PDMPs, etc.).

L. RESEARCH

Support opioid abatement research that may include, but is not limited to, the following:

1. Monitoring, surveillance, data collection, and evaluation of programs and strategies described in this opioid abatement strategy list.

2. Research non-opioid treatment of chronic pain.

3. Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders.

4. Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips.

5. Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids.

6. Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (e.g. Hawaii HOPE and Dakota 24/7).

7. Epidemiological surveillance of OUD-related behaviors in critical populations including individuals entering the criminal justice system, including but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring (ADAM) system.

8. Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.

9. Geospatial analysis of access barriers to MAT and their association with treatment engagement and treatment outcomes.

RESOLUTION NO. [INSERT]

A Resolution authorizing [City/County] (herein referred to as this "Governmental Unit") to join with the State of Florida and other local governmental units as a participant in the Florida Memorandum of Understanding and Formal Agreements implementing a Unified Plan.

WHEREAS, the [City/County] has suffered harm from the opioid epidemic;

WHEREAS, the [City/County] recognizes that the entire State of Florida has suffered harm as a result from the opioid epidemic;

WHEREAS, the State of Florida has filed an action pending in Pasco County, Florida, and a number of Florida Cities and Counties have also filed an action *In re: National Prescription Opiate Litigation*, MDL No. 2804 (N.D. Ohio) (the "Opioid Litigation") and [City/County] [is/is not] a litigating participant in that action;

WHEREAS, the State of Florida and lawyers representing certain various local governments involved in the Opioid Litigation have proposed a unified plan for the allocation and use of prospective settlement dollars from opioid related litigation;

WHEREAS, the Florida Memorandum of Understanding (the "Florida Plan") sets forth sets forth a framework of a unified plan for the proposed allocation and use of opioid settlement proceeds and it is anticipated that formal agreements implementing the Florida Plan will be entered into at a future date; and,

WHEREAS, participation in the Florida Plan by a large majority of Florida cities and counties will materially increase the amount of funds to Florida and should improve Florida's relative bargaining position during additional settlement negotiations;

WHEREAS, failure to participate in the Florida Plan will reduce funds available to the State, [City/County], and every other Florida city and county;

NOW, THEREFORE, BE IT RESOLVED BY THIS GOVERNMENTAL UNIT:

SECTION 1. That this Governmental Unit finds that participation in the Florida Plan would be in the best interest of the Governmental Unit and its citizens in that such a plan ensures that almost all of the settlement funds go to abate and resolve the opioid epidemic and each and every city and county receives funds for the harm that it has suffered.

SECTION 2. That this Governmental Unit hereby expresses its support of a unified plan for the allocation and use of opioid settlement proceeds as generally described in the Florida Plan, attached hereto as Exhibit "A."

SECTION 3. That [official name] is hereby expressly authorized to execute the Florida Plan in substantially the form contained in Exhibit "A."

SECTION 4. That [official name] is hereby authorized to execute the any formal agreements implementing a unified plan for the allocation and use of opioid settlement proceeds that is not substantially inconsistent with the Florida Plan and this Resolution.

SECTION 5. That the Clerk be and hereby is instructed to record this Resolution in the appropriate record book upon its adoption.

SECTION 6. The clerk of this Governmental Unit is hereby directed to furnish a certified copy of this Ordinance/Resolution to the Florida

[Florida League of Cities/Florida Association of Counties]

Attorney General Ashley Moody
c\o John M. Guard
The Capitol,
PL-01
Tallahassee, FL 32399-1050

SECTION 7. This Resolution shall take effect immediately upon its adoption.

Adopted this day of , _____, 2021.

(Mayor/Commissioner/etc.)

PURDUE PHARMA L.P.

ABATEMENT PLAN TERM SHEET

SUMMARY OF TERMS AND CONDITIONS

THIS TERM SHEET DOES NOT CONSTITUTE (NOR SHALL IT BE CONSTRUED AS) AN OFFER, AGREEMENT OR COMMITMENT[1]

Issue	Description
1. APPLICABILITY OF AGREEMENT	These terms (once agreed) shall apply to the allocation of value received under, and shall be incorporated into, any plan of reorganization (the "**Chapter 11 Plan**") in the chapter 11 cases of Purdue Pharma L.P. and its affiliates (collectively, "**Purdue**") pending in the U.S. Bankruptcy Court for the Southern District of New York (the "**Bankruptcy Court**") between the states, territories and the District of Columbia (each a "**State**") on the one hand, each county, city, town, parish, village, municipality that functions as a political subdivision under State law, or a governmental entity that has the authority to bring Drug Dealer Liability Act ("**DDLA Claims**") under State law (collectively, the "**Local Governments**"), and each federally recognized Native American, Native Alaskan or American Indian Tribe (each a "**Tribe**") on the other.
2. PURPOSE	Virtually all creditors and the Court itself in the Purdue bankruptcy recognize the need and value in developing a comprehensive abatement strategy to address the opioid crisis as the most effective use of the funds that can be derived from the Purdue estate (including without limitation insurance proceeds and, if included in the Chapter 11 Plan, payments by third-parties seeking releases). Because of the unique impact the crisis has had throughout all regions of the country, and as repeatedly recognized by Judge Drain, division of a substantial portion of the bankruptcy estate should occur through an established governmental structure, with the use of such funds strictly limited to abatement purposes as provided herein.[2]

[1] As a condition to participating in this abatement structure, the settlements that the states of Kentucky and Oklahoma separately entered into with Purdue must be taken into account in any allocation to them or flowing through them. Potential adjustments may include a different Government Participation Mechanism structure for the disbursement of funds to benefit Local Governments in those states or some redirection of funds, which would still be used solely for abatement purposes.

[2] *See, e.g.,* Hrg. Tr at 149:22-150:5 (Oct. 11, 2019)(' "I would hope that those public health steps, once the difficult allocation issues that the parties have addressed here, can be largely left up to the states and municipalities so that they can use their own unique knowledge about their own citizens and how to address them. It may be that some states think it's more of a law enforcement issue, i.e. interdicting illegal opioids at this point. Others may think education is more important. Others may think treatment is more important."); *id.* At 175:24-176:6 ("I also think, and again, I didn't say this lightly, that my hope in the allocation process is that there would be an understanding between the states and the municipalities and localities throughout the whole process that[,] subject to general guidelines on how the money should be used, specific ways to use it would be left up to the states and the municipalities, with guidance from the states primarily."); Hr'g Tr. At 165:3-165:14 (Nov. 19, 2019) ("I continue to believe that the states play a major role in [the allocation] process. The role I'm envisioning for them is not one where they say we get everything.

Issue	Description
	This approach recognizes that funding abatement efforts – which would benefit most creditors and the public by reducing future effects of the crisis through treatment and other programs – is a much more efficient use of limited funds than dividing thin slices among all creditors with no obligation to use it to abate the opioid crisis. Because maximizing abatement of the opioid crisis requires coordination of efforts by all levels of government, particularly when the abatement needs far exceed the available funds, this structure requires a collaborative process between each State and its Local Governments. This Term Sheet is intended to establish the mechanisms for distribution and allocation of funds to States, Local Governments and Tribes (the "**Abatement Funds**") to be incorporated into the Chapter 11 Plan and any order approving the Chapter 11 Plan (**Abatement Funds** net of the portion thereof allocated to a Tribal Abatement Fund under Section 5 hereof are referred to herein as "**Public Funds**"). The parties agree that 100% of the Public Funds distributed under the Chapter 11 Plan shall be used to abate the opioid crisis. Specifically, (i) no less than ninety five percent (95%)of the Public Funds distributed under the Chapter 11 Plan shall be used for abatement of the opioid crisis by funding opioid or substance use disorder related projects or programs that fall within the list of uses in **Schedule B** (the "**Approved Opioid Abatement Uses**"); (ii) priority shall be given to the core abatement strategies ("**Core Strategies**") as identified on **Schedule A**; and (iii) no more than five percent (5%) of the Public Funds may be used to fund expenses incurred in administering the distributions for the Approved Opioid Abatement Uses, including the process of selecting programs to receive distributions of **Public Funds** for implementing those programs and in connection with the Government Participation Mechanism[3] (**"Allowed Administrative Expenses,"** and together with the **Approved Opioid Abatement Uses**, "**Approved Uses**").[4] Notwithstanding anything in this term sheet that might imply to the contrary, projects or programs that constitute **Approved Opioid Abatement Uses** may be provided by States, State agencies, Local Governments, Local Government agencies or nongovernmental parties and funded from Public Funds.
3. GENERAL NOTES	The governmental entities maintain that the most beneficial and efficient use of limited bankruptcy funds is to dedicate as large a portion as possible to abatement programs addressing the opioid crisis. If this

I think that should be clear and I think it is clear to them. But, rather, where they act – in the best principles of federalism, for their state, the coordinator for the victims in their state."); Hr'g Tr. at 75:19-76:1 (Jan. 24, 2020) ("Even if there ultimately is an allocation here – and there's not a deal now, obviously, at this point on a plan. But if there is an allocation that leaves a substantial amount of the Debtors' value to the states and territories, one of the primary benefits of a bankruptcy case is that the plan can lock in, perhaps only in general ways, but perhaps more in specific ways, how the states use that money . . . .").

[3] Capitalized terms not defined where first used shall have the meanings later ascribed to them in this Term Sheet.

[4] Nothing in this term sheet is intended to, nor does it, limit or permit the ability of funds from the Purdue estate (other than Public Funds) to be used to pay for legal fees and expenses incurred in anticipation of or during Purdue's chapter 11 case, or once confirmed, in implementing the Chapter 11 Plan.

Issue	Description
	approach is taken, the governmental entities involved in the mediation – states, territories, tribes, counties, cities and others – would commit the Public Funds allocated to them to such future abatement, in lieu of direct payment for their claims. a. Resolution of States' and Local Governments' claims under this model presumes signoff by and support of the federal government, including an agreement that the federal government will also forego its past damages claims. Continued coordination with the federal government therefore is necessary as this model is finalized. b. This outline addresses the allocation of Abatement Funds among governmental entities to provide abatement programs to the public for the benefit of not only the governmental entities and their constituents, but also a substantial number of other creditors. The States and Local Governments welcome other, private-side creditor groups to enter discussions concerning how such creditors may participate in, contribute to and/or benefit from the government-funded abatement programs contemplated herein in lieu of direct payment on their claims for past damages. c. In addition to providing abatement services, it is understood that, if their claims are to be released in a reorganization plan, a portion of the Purdue estate will also need to be dedicated to personal injury claimants. A proposal regarding such claims is being developed separately. d. All **Public Funds** distributed from the Purdue bankruptcy estate as part of this abatement structure shall be used only for such **Approved Uses**. Compliance with these requirements shall be verified through reporting, as set out in Section 8. This outline and the terms herein are intended to apply solely to the use and allocation of Public Funds in the Purdue Chapter 11 Plan, and do not apply to the use or allocation of funds made available as the result of judgments against or settlements with any party other than those released as part of the Chapter 11 Plan.
4. DISBURSEMENT OF FUNDS	**Disbursement of Abatement Funds** The Bankruptcy Court shall appoint [a third-party administrator ("**Administrator**")] [Trustee(s)] who will perform the ministerial task of overseeing distribution of all Abatement Funds, which will consist of all assets transferred to such fund by way of the confirmed Chapter 11 Plan, and any, growth, earnings, or revenues from such assets, as well as proceeds from any future sale of such assets. The [Administrator] [Trustees] shall distribute the Abatement Fund consistent with the Chapter 11 Plan and shall provide to the Bankruptcy Court an annual report on such distributions. [Points to be addressed regarding disbursements:

Issue	Description
	• Trigger and timing for disbursements. • Insert details to show how these funds shall be distributed for abatement uses and that the funds will not flow into the state general revenue accounts (unless constitutionally required and, in that event, the funds shall still be disbursed for abatement uses as required by the terms of the document), including possible distribution to state points of contact and block grant recipients. • Possible creation of template document for Abatement Funds distribution requests. • If trust mechanism is employed, trust location and governing law.]
5. ATTORNEYS' FEES AND COSTS FUND	A separate fund will be established for attorneys' fees and litigation costs in the final bankruptcy plan. Agreement by the parties to this Abatement Plan Term Sheet is contingent upon the establishment of this fund and the details of the fund, which are subject to further negotiation, including without limitation the participants, amount, jurisdiction, oversight, and administration. Participation in an abatement program, receipt of abatement services or benefits will not affect, and specific percentages in the abatement structure received by various parties will not determine, the amount of fees and costs that may be recovered.
6. TRIBAL ABATEMENT FUNDING	a. [X%] of the **Abatement Funds** will be allocated to a Tribal Abatement Fund and these funds will not be a part of the structure involving abatement programs funded by state and local governments. b. The Tribes are working on their proposal for allocation among Tribes, which would be included as part of the overall abatement plan. c. The Tribes will use the tribal allocation of Abatement Funds for programs on the approved list of abatement strategies (see **Schedule B**) and also for culturally appropriate activities, practices, teachings or ceremonies that are, in the judgment of a tribe or tribal health organization, aimed at or supportive of remediation and abatement of the opioid crisis within a tribal community.[5] The Tribes will have a list of representative examples of such culturally appropriate abatement strategies, practices and programs which is attached as **Schedule [ ]**. The separate allocation of abatement funding and illustrative list of culturally appropriate abatement strategies recognizes that American Indian and Alaska Native Tribes and the communities they serve possess unique cultural histories, practices, wisdom, and needs that are highly relevant to the health and well-being of American Indian and Alaska Native

[5] [NTD: Discuss how private claimants will be treated under Tribal Allocation, if at all.]

Issue	Description
	people and that may play an important role in both individual and public health efforts and responses in Native communities.
7. DIVISION OF PUBLIC FUNDS	**Public Funds** are allocated among the States, the District of Columbia and Territories in the percentages set forth on **Schedule C**. Except as set forth below in section 7(C) for the District of Columbia and Territories, each State's Schedule C share shall then be allocated within the State in accordance with the following: 1. **Statewide Agreement**. Each State and its Local Governments will have until [the later of 60 days from entry of an order confirming the Chapter 11 Plan or the Effective Date of the Chapter 11 Plan][6] (the "**Agreement Date**") to file with the Bankruptcy Court an agreed-upon allocation or method for allocating the Public Funds for that State dedicated only to Approved Uses (each a "**Statewide Abatement Agreement**" or "**SAA**"). Any State and its Local Governments that have reached agreement before the Effective Date of the Chapter 11 Plan that satisfies the metric for approval as described in the immediately following paragraph shall file a notice with the Bankruptcy Court that it has adopted a binding SAA and either include the SAA with its filing or indicate where the SAA is publicly available for the SAA to be effective for the Purdue Bankruptcy. Any dispute regarding allocation within a State will be resolved as provided by the Statewide Abatement Agreement. A **Statewide Abatement Agreement** shall be agreed when it has been approved by the State and either (a) representatives[7] of its Local Governments whose aggregate Population Percentages, determined as set forth below, total more than Sixty Percent (60%), or (b) representatives of its Local Governments whose aggregate Population Percentages total more than fifty percent (50%) provided that these Local Governments also represent 15% or more of the State's counties or parishes (or, in the case of States whose counties and parishes that do not function as Local Governments, 15% of or more of the State's incorporated cities or towns), by number.[8]

[6] Should there be provision for extension of the date for filing Statewide Abatement Agreement?
[7] An authorized "representative" of local, or even State, government can differ in this Term Sheet depending on the context.
[8] All references to population in this Term Sheet shall refer to published U. S. Census Bureau population estimates as of July 1, 2019, released March 2020, and shall remain unchanged during the term of this agreement. These estimates can currently be found at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-counties-total.html

Issue	Description
	Population Percentages shall be determined as follows: For States with counties or parishes that function as Local Governments,[9] the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) 200% of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish,[10] divided by (b) 200% of the State's population. A "**Primary Incorporated Municipality**" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality The Population Percentage of each primary incorporated municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by 200% of the State's population; provided that the Population Percentage of a primary incorporated municipality that is not located within a county shall be equal to 200% of its population (including the population of any incorporated or unincorporated municipality located therein) divided by 200% of the State's population. For all States that do not have counties or parishes that function as Local Governments, the Population Percentage of each incorporated municipality (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population. The Statewide Abatement Agreement will become effective within fourteen (14) days of filing, unless otherwise ordered by the Bankruptcy Court. A State and its Local Governments may revise, supplement, or refine a Statewide Abatement Agreement by filing an amended Statewide Abatement Agreement that has been approved by the State and sufficient Local Governments to satisfy the approval standards set forth above with the Bankruptcy Court, which shall become effective within fourteen (14) days of filing, unless otherwise ordered by the Bankruptcy Court. 2. **Default Allocation Mechanism (excluding Territories and DC addressed below).** The **Public Funds** allocable to a State that is not party to a **Statewide Abatement Agreement** as defined in 7(1) above (each a "**Non-SAA State**") shall be allocated as between the State and its Local Governments to be

[9] The following states do not have counties or parishes that function as Local Governments: Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont [INSERT OTHERS]. All other States have counties or parishes that function as Local Governments.

[10] Discuss how to deal with cities and towns that straddle counties.

Issue	Description
	used only for **Approved Uses**, in accordance with this Section (B) (the "**Default Allocation Mechanism**"). a. **Regions.** Except as provided in the final sentence of this paragraph, each **Non-SAA State** shall be divided into "**Regions**" as follows: (a) each **Qualifying Block Grantee** (as defined below) shall constitute a **Region**; and (b) the balance of the State shall be divided into **Regions** (such **Regions** to be designated by the State agency with primary responsibility for substance abuse disorder services employing to the maximum extent practical, existing regions established in that State for opioid abuse treatment or similar public health purposes); such non-**Qualifying Block Grantee Regions** are referred to herein as "**Standard Regions**"). The **Non-SAA States** which have populations under 4 million and do not have existing regions described in the foregoing clause (b) shall not be required to establish **Regions**;[11] such a State that does not establish **Regions** but which does contain one or more **Qualifying Block Grantees** shall be deemed to consist of one **Region** for each **Qualifying Block Grantee** and one **Standard Region** for the balance of the State. b. **Regional Apportionment**. **Public Funds** shall be allocated to each **Non-SAA State, as defined in 7(1) above,** as (a) a **Regional Apportionment** or (b) a **Non-Regional Apportionment** based on the amount of Public Funds dispersed under a confirmed Chapter 11 Plan as follows: i. **First $1 billion** – 70% Regional Apportionment/30% Non-Regional Apportionment ii. **$1-$2.5 billion** – 64% Regional Apportionment /36% Non-Regional Apportionment iii. **$2.5-$3.5 billion** – 60% Regional Apportionment /40% Non-Regional Apportionment iv. **Above $3.5 billion** – 50% Regional Apportionment /50% Non-Regional Apportionment

[11] To the extent they are not parties to a Statewide Abatement Agreement, the following States will qualify as a Non-SAA State that does not have to establish Regions: Connecticut, Delaware, Hawai'i, Iowa, Maine, Nevada, New Hampshire, New Mexico, Rhode Island, Vermont [INSERT OTHERS].

Issue	Description
	c. **Qualifying Block Grantee.** A "**Qualifying Local Government**" means a county or parish (or in the cases of States that do not have counties or parishes that function as political subdivision, a city), that (a) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more and (b) has funded or otherwise manages an established, health care and/or treatment infrastructure (*e.g.*, health department or similar agency) to evaluate, award, manage and administer a Local Government Block Grant.[12] A **Qualifying Local Government** that elects to receive **Public Funds** through Local Government Block Grants is referred to herein as a **Qualifying Block Grantee**.[13] d. **Proportionate Shares of Regional Apportionment.** As used herein, the "**Proportionate Share**" of each **Region** in each **Non-SAA State** shall be (a) for States in which counties or parishes function as Local Governments, the aggregate shares of the counties or parishes located in such **Region** under the allocation model employed in connection with the Purdue Bankruptcy (the "**Allocation Model**"),[14] divided by the aggregate shares for all counties or parishes in the State under the **Allocation Model**; and (b) for all other States, the aggregate shares of the cities and towns in that **Region** under the **Allocation Model's** intra-county allocation formula, divided by the aggregate shares for all cities and towns[15] in the State under the **Allocation Model**. e. **Expenditure or Disbursement of Regional Apportionment.** Subject to 7(2)(i) below regarding **Allowed Administrative Expenses**, all **Regional Apportionments** shall be disbursed or expended in the form of **Local Government Block Grants** or otherwise for **Approved Opioids Abatement Uses** in the **Standard Regions** of each **Non-SAA State**.

[12] As noted in footnote 8, the population for each State shall refer to published U. S. Census Bureau population estimates as of July 1, 2019, released March 2020, and shall remain unchanged during the term of this agreement. These estimates can currently be found at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-counties-total.html

[13] [NTD: Perhaps provide for a Qualifying Political Subdivision to expand to include neighboring areas that are part of its metro area?]

[14] Need to address whether to use the Negotiation Class Allocation Model or other metric to determine Proportionate Share.

[15] Should this be all cities and towns or only primary incorporated municipalities?

Issue	Description
	f. **Qualifying Block Grantees.** Each **Qualifying Block Grantee** shall receive its **Regional Apportionment** as a block grant (a "**Local Government Block Grant**"). **Local Government Block Grants** shall be used only for **Approved Opioid Abatement Uses** by the **Qualifying Block Grantee** or for grants to organizations within its jurisdiction for **Approved Opioid Abatement Uses** and for **Allowed Administrative Expenses** in accordance with 7(2)(i) below. Where a municipality located wholly within a **Qualifying Block Grantee** would independently qualify as a block grant recipient ("**Independently Qualifying Municipality**"), the **Qualifying Block Grantee** and **Independently Qualifying Municipality** must make a substantial and good faith effort to reach agreement on use of Abatement Funds as between the qualifying jurisdictions. If the **Independently Qualifying Municipality** and the **Qualifying Block Grantee** cannot reach such an agreement on or before the **Agreement Date [or some later specified date]**, the **Qualifying Block Grantee** will receive the **Local Government Block Grant** for its full **Proportionate Share** and commit programming expenditures to the benefit of the **Independently Qualifying Municipality** in general proportion to **Proportionate Shares** (determined as provided in 7(2)(d) above) of the municipalities within the **Qualifying Block Grantee**. Notwithstanding the allocation of the Proportionate Share of each Regional Apportionment to the Qualifying Block Grantee, a Qualifying Block Grantee may choose to contribute a portion of its Proportionate Share towards a Statewide program. g. **Standard Regions.** The portions of each **Regional Apportionment** not disbursed in the form of **Local Government Block Grants** shall be expended throughout the **Standard Regions** of each **Non-SAA State** in accordance with 95%-105% of the respective **Proportionate Shares** of such **Standard Regions**. Such expenditures will be in a manner that will best address Opioid abatement within the State as determined by the State with the input, advice and recommendations of the **Government Participation Mechanism** described in Section 8 below. This regional spending requirement may be met by delivering **Approved Opioid Abatement Use** services or programs to a **Standard Region** or its residents. Delivery of such services or programs can be

Issue	Description
	accomplished directly or indirectly through many different infrastructures and approaches, including without limitation the following: i. State agencies, including local offices; ii. Local governments, including local government health departments; iii. State public hospital or health systems; iv. Health care delivery districts; v. Contracting with abatement service providers, including nonprofit and commercial entities; or vi. Awarding grants to local programs. h. **Expenditure or Disbursement of Public Funds Other Than Regional Apportionment.** All **Public Funds** allocable to a **Non-SAA State** that are not included in the State's **Regional Apportionment** shall be expended only on **Approved Uses**. The expenditure of such funds shall be at the direction of the State's lead agency (or other point of contact designated by the State) and may be expended on a statewide and/or localized manner, including in the manners described in herein. **Qualifying Block Grantees** will be eligible to participate in or receive the benefits of any such expenditures on the same basis as other **Regions.** i. **Allowed Administrative Expenses. Qualifying Block Grantees** States may use up to 5% of their Non-Regional Apportionments plus 5% of the Regional Apportionment not used to fund **Local Government Block Grants,** for **Allowed Administrative Expenses. Qualifying Block Grantees** may use up to 5% of their **Local Government Block Grants** to fund their **Allowed Administrative Expenses.** 3. **Records.** The State shall maintain records of abatement expenditures and its required reporting will include data on regional expenditures so it can be verified that the Regional Distribution mechanism guarantees are being met.[16] **Qualifying Block Grantees** shall maintain records of abatement expenditures and shall provide those records periodically to their State for inclusion in the State's required periodic reporting, and shall be subject to audit consistent with State law applicable to the granting of State funds.

[16] Additional records and reporting requirements?

Issue	Description
	(C) Allocation for Territories and the District of Columbia Only The allocation of Public Funds within a Territory or the District of Columbia will be determined by its local legislative body [within one year of the Agreement Date], unless that legislative body is not in session, in which case, the allocation of Public Funds shall be distributed pursuant to the direction of the Territory's or District of Columbia's executive, in consultation – to the extent applicable – with its Government Participation Mechanism [within ninety (90) days of the Agreement Date].[17]
8. GOVERNMENT PARTICIPATION MECHANISM	In each **Non-SAA State**, as defined in 7(1) above, there shall be a process, preferably pre-existing, whereby the State shall allocate funds under the Regional Distribution mechanism only after meaningfully consulting with its respective Local Governments. Each such State shall identify its mechanism (whether be it a council, board, committee, commission, taskforce, or other efficient and transparent structure) for consulting with its respective Local Governments (the "**Government Participation Mechanism**" or "**GPM**") in a notice filed with the Bankruptcy Court identifying what GPM has been formed and describing the participation of its Local Governments in connection therewith. States may combine these notices into one or more notices for filing with the Bankruptcy Court. These notices are reviewable by the Bankruptcy Court upon the motion of any Local Government in that State asserting that no GPM has been formed. Government Participation Mechanisms shall conform to the following: (A) ***Composition***. For each State, a. the State, on the one hand, and State's Local Governments, on the other hand, shall have equal representation on a GPM; b. Local Government representation on a GPM shall be weighted in favor of the Standard Regions but can include representation from the State's Qualifying Block Grantees; c. the GPM will be chaired by a non-voting Chairperson appointed by the State; d. Groups formed by the States' executive or legislature may be used as a GPM, provided that the group has equal representation by the State and the State's Local Governments.[18] Appointees should possess experience, expertise and education with respect to public health, substance abuse, and other related

[17] Territory and DC provisions to be discussed

[18] Additional potential terms: mechanism for state and local appointment; duration of term, reimbursement of expenses.

Issue	Description
	topics as is necessary to assure the effective functioning of the GPM. (B) ***Consensus***. Members of the GPMs should attempt to reach consensus with respect to **GPM Recommendations** and other actions of the GPM. Consensus is defined in this process as a general agreement achieved by the members that reflects, from as many members as possible, their active support, support with reservations, or willingness to abide by the decision of the other members. Consensus does not require unanimity or other set threshold and may include objectors. In all events, however, actions of a GPM shall be effective if supported by at least a majority of its Members. **GPM Recommendations** and other action shall note the existence and summarize the substance of objections where requested by the objector(s). (C) ***Proceedings***. Each GPM shall hold no fewer than four public meetings annually, to be publicized and located in a manner reasonably designed to facilitate attendance by residents throughout the State. Each GPM shall function in a manner consistent with its State's open meeting, open government or similar laws, and with the Americans with Disabilities Act. GPM members shall be subject to State conflict of interest and similar ethics in government laws. (D) ***Consultation and Discretion***. The GPM shall be a mechanism by which the State consults with community stakeholders, including Local Governments (including those not a part of the GPM), state and local public health officials and public health advocates, in connection with opioid abatement priorities and expenditure decisions for the use of Public Funds on Approved Opioid Abatement Uses.[19] (E) ***Recommendations***. A GPM shall make recommendations regarding specific opioid abatement priorities and expenditures for the use of Public Funds on Approved Opioid Abatement Uses to the State or the agency designated by a State for this purpose (**"GPM Recommendations"**). In carrying out its obligations to provide **GPM Recommendations,** a GPM may consider local, state and federal initiatives and activities related to education, prevention, treatment and services for individuals and families experiencing and affected by opioid use disorder; recommend priorities to address the State's opioid epidemic, which recommendations may be Statewide or specific to **Regions**; recommend Statewide or **Regional** funding with respect to specific programs or initiatives; recommend measurable outcomes to determine the effectiveness of funds expended for

[19] Address form of consultation with non-GPM members, public hearings, etc.

Issue	Description
	Approved Opioid Abatement Uses; monitor the level of **Allowed Administrative Expenses** expended from **Public Funds**. The goal is for a process that produces **GPM Recommendations** that are recognized as being an efficient, evidence-based approach to abatement that addresses the State's greatest needs while also including programs reflecting particularized needs in local communities. It is anticipated that such a process, particularly given the active participation of state representatives, will inform and assist the state in making decisions about the spending of the **Public Funds**. To the extent a State chooses not to follow a **GPM Recommendation**, it will make publicly available within 14 days after the decision is made a written explanation of the reasons for its decision, and allow 7 days for the GPM to respond. (F) ***Review***. Local Governments and States may object to an allocation or expenditure of **Public Funds** (whether a **Regional Apportionment** or **Non-Regional** Apportionment) solely on the basis that the allocation or expenditure at issue (i) is inconsistent with the provisions of Section 7(B)2 hereof with respect to the levels of **Regional Apportionments** and **Non-Regional** Apportionments; (ii) is inconsistent with the provisions of Section 7(B)(5) hereof with respect to the amounts of **Local Government Block Grants** or **Regional Apportionment** expenditures; (iii) is not for an **Approved Use,** or (iv) violates the limitations set forth herein with respect to **Allowed Administrative Fees**. The objector shall have the right to bring that objection to either (a) a court with jurisdiction within the applicable State ("**State Court**") or (b) the Bankruptcy Court if the Purdue chapter 11 case has not been closed; provided that nothing herein is intended to expand the scope of the Bankruptcy Court's post-confirmation jurisdiction or be deemed to be a consent to any expanded post-confirmation jurisdiction by the Bankruptcy Court (each an "**Objection**"). If an Objection is filed within fourteen (14) days of approval of an Allocation, then no funds shall be distributed on account of the aspect of the Allocation that is the subject of the Objection until the Objection is resolved or decided by the Bankruptcy Court or State Court, as applicable. There shall be no other basis for bringing an Objection to the approval of an Allocation.
8. COMPLIANCE, REPORTING, AUDIT AND ACCOUNTABILITY	At least annually, each State shall publish on the lead State Agency's website or on its Attorney General's website a report detailing for the preceding time period, respectively (i) the amount of Public Funds received, (ii) the allocation awards approved (indicating the recipient, the

Issue	Description
	amount of the allocation, the program to be funded and disbursement terms), and (iii) the amounts disbursed on approved allocations, to Qualifying Local Governments for Local Government Block Grants and Allowed Administrative Fees. At least annually, each **Qualifying Block Grantee** which has elected to take a Local Government Block Grant shall publish on its lead Agency's or Local Government's website a report detailing for the preceding time period, respectively (i) the amount of **Local Government Block Grants** received, (ii) the allocation awards approved (indicating the recipient, the amount of the grant, the program to be funded and disbursement terms), and (iii) the amounts disbursed on approved allocations. As applicable, each State or Local Government shall impose reporting requirements on each recipient to ensure that **Public Funds** are only being used for **Approved Uses**, in accordance with the terms of the allocation, and that the efficacy of the expenditure of such **Public Funds** with respect to opioids abatement can be publicly monitored and evaluated. The expenditure and disbursement of **Public Funds** shall be subject to audit by States as follows: [details of audit scope, process, output, etc.] (a) A court with jurisdiction within the applicable State ("**State Court**") or (b) the Bankruptcy Court if the Purdue chapter 11 case has not been closed shall have jurisdiction to enforce the terms of this agreement, and as applicable, a Statewide Abatement Agreement or Default Mechanism; provided that nothing herein is intended to expand the scope of the Bankruptcy Court's post-confirmation jurisdiction.

Schedule A
Core Strategies

States and Qualifying Block Grantees shall choose from among the abatement strategies listed in Schedule B. However, priority shall be given to the following core abatement strategies ("**Core Strategies**")[, such that a minimum of __% of the [aggregate] state-level abatement distributions shall be spent on [one or more of] them annually].

A. Naloxone/Narcan

1. Expand training for first responders, EMTs, law enforcement, schools, community support groups and families; and
2. Increase distribution to non-Medicaid eligible or uninsured individuals.

B. Medication Assisted Treatment ("MAT") Distribution and other opioid-related treatment

1. Increase distribution of MAT to non-Medicaid eligible or uninsured individuals;
2. Provide MAT services to youth and education to school-based and youth-focused programs that discourage or prevent misuse;
3. Provide MAT education and awareness training to healthcare providers, EMTs, law enforcement, and other first responders; and
4. Non-MAT treatment, including addition and expansion of services for managing withdrawal and related systems such as detox, residential, hospitalization, intensive outpatient, outpatient, recovery housing, and treatment facilities.

C. Pregnant & Postpartum Women

1. Expand Screening, Brief Intervention, and Referral to Treatment ("SBIRT") services to non-Medicaid eligible or uninsured pregnant women;
2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for women with co-occurring Opioid Use Disorder ("OUD") and other Substance Use Disorder ("SUD")/Mental Health disorders from 60 days postpartum to 12 months (post-Medicaid coverage); and
3. Provide comprehensive wrap-around services to individuals in recovery including housing, transportation, job placement/training, and childcare.

D. Expanding Treatment for Neonatal Abstinence Syndrome

1. Expand comprehensive evidence-based and recovery support for NAS babies;
2. Expand services for better continuum of care with infant-need dyad; and
3. Expand long-term treatment and services for medical monitoring of NAS babies and their families.

E. Expansion of Warm Hand-off Programs and Recovery Services

1. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments;
2. Expand warm hand-off services to transition to recovery services;
3. Broaden scope of recovery services to include co-occurring SUD or other polysubstance abuse problems;
4. Provide comprehensive wrap-around services to individuals in recovery including housing, transportation, job placement/training, and childcare; and
5. Hire additional social workers to facilitate expansions above.

F. Treatment for Incarcerated Population

1. Provide evidence-based treatment and recovery support including MAT for persons with OUD and co-occurring SUD/MH disorders within and transitioning out of the criminal justice system; and
2. Increase funding for jails that currently have or had detox units to treat inmates with OUD.

G. Prevention Programs

1. Funding for media campaigns to prevent opioid use (similar to the FDA's "Real Cost" campaign to prevent youth from misusing tobacco);
2. Funding for school-based prevention programs, beyond education about MAT mentioned above, including evidence-based school-wide programs;
3. Funding for medical provider education and outreach regarding best prescribing practices for opioids consistent with the 2016 CDC guidelines, including providers at hospitals (academic detailing);
4. Funding for community drug disposal programs; and
5. Funding for additional city police officers/county sheriffs to specifically address OUD and opioid-related ODs.

H. Expanding Syringe Service Programs

1. Provide comprehensive syringe exchange services programs with more wrap-around services including treatment information.

I. Evidence based data collection and research analyzing the effectiveness of the abatement strategies within the State.

Schedule B
Approved Uses[20]

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

PART ONE: TREATMENT

A. TREAT OPIOID USE DISORDER (OUD)

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Expand availability of treatment for OUD and any co-occurring SUD/MH conditions, including all forms of Medication-Assisted Treatment (MAT) approved by the U.S. Food and Drug Administration.

2. Support and reimburse services that include the full American Society of Addiction Medicine (ASAM) continuum of care for OUD and any co-occurring SUD/MH conditions, including but not limited to:
    a. Medication-Assisted Treatment (MAT);
    b. Abstinence-based treatment;
    c. Treatment, recovery, or other services provided by states, subdivisions, community health centers; non-for-profit providers; or for-profit providers;
    d. Treatment by providers that focus on OUD treatment as well as treatment by providers that offer OUD treatment along with treatment for other SUD/MH conditions; or
    e. Evidence-informed residential services programs, as noted below.

3. Expand telehealth to increase access to treatment for OUD and any co-occurring SUD/MH conditions, including MAT, as well as counseling, psychiatric support, and other treatment and recovery support services.

4. Improve oversight of Opioid Treatment Programs (OTPs) to assure evidence-based, evidence-informed, or promising practices such as adequate methadone dosing and low threshold approaches to treatment.

5. Support mobile intervention, treatment, and recovery services, offered by qualified professionals and service providers, such as peer recovery coaches, for persons with

[20] [NTD: Discuss expanded list of Approved Uses to be included. Discuss "self-executing" function based on additional information received from NCSG.]

OUD and any co-occurring SUD/MH conditions and for persons who have experienced an opioid overdose.

6. Treatment of mental health trauma resulting from the traumatic experiences of the opioid user (e.g., violence, sexual assault, human trafficking, or adverse childhood experiences) and family members (e.g., surviving family members after an overdose or overdose fatality), and training of health care personnel to identify and address such trauma.

7. Support detoxification (detox) and withdrawal management services for persons with OUD and any co-occurring SUD/MH conditions, including medical detox, referral to treatment, or connections to other services or supports.

8. Training on MAT for health care providers, students, or other supporting professionals, such as peer recovery coaches or recovery outreach specialists, including telementoring to assist community-based providers in rural or underserved areas.

9. Support workforce development for addiction professionals who work with persons with OUD and any co-occurring SUD/MH conditions.

10. Fellowships for addiction medicine specialists for direct patient care, instructors, and clinical research for treatments.

11. Scholarships and supports for certified addiction counselors and other mental and behavioral health providers involved in addressing OUD any co-occurring SUD/MH conditions, including but not limited to training, scholarships, fellowships, loan repayment programs, or other incentives for providers to work in rural or underserved areas.

12. Scholarships for persons to become certified addiction counselors, licensed alcohol and drug counselors, licensed clinical social workers, and licensed mental health counselors practicing in the SUD field, and scholarships for certified addiction counselors, licensed alcohol and drug counselors, licensed clinical social workers, and licensed mental health counselors practicing in the SUD field for continuing education and licensing fees.

13. Provide funding and training for clinicians to obtain a waiver under the federal Drug Addiction Treatment Act of 2000 (DATA 2000) to prescribe MAT for OUD, and provide technical assistance and professional support to clinicians who have obtained a DATA 2000 waiver.

14. Dissemination of web-based training curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service-Opioids web-based training curriculum and motivational interviewing.

15. Development and dissemination of new curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service for Medication-Assisted Treatment.

B. SUPPORT PEOPLE IN TREATMENT AND RECOVERY

Support people in treatment for and recovery from OUD and any co-occurring SUD/MH conditions through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Provide the full continuum of care of recovery services for OUD and any co-occurring SUD/MH conditions, including supportive housing, residential treatment, medical detox services, peer support services and counseling, community navigators, case management, and connections to community-based services.

2. Provide counseling, peer-support, recovery case management and residential treatment with access to medications for those who need it to persons with OUD and any co-occurring SUD/MH conditions.

3. Provide access to housing for people with OUD and any co-occurring SUD/MH conditions, including supportive housing, recovery housing, housing assistance programs, or training for housing providers.

4. Provide community support services, including social and legal services, to assist in deinstitutionalizing persons with OUD and any co-occurring SUD/MH conditions.

5. Support or expand peer-recovery centers, which may include support groups, social events, computer access, or other services for persons with OUD and any co-occurring SUD/MH conditions.

6. Provide or support transportation to treatment or recovery programs or services for persons with OUD and any co-occurring SUD/MH conditions.

7. Provide employment training or educational services for persons in treatment for or recovery from OUD and any co-occurring SUD/MH conditions.

8. Identify successful recovery programs such as physician, pilot, and college recovery programs, and provide support and technical assistance to increase the number and capacity of high-quality programs to help those in recovery.

9. Engage non-profits, faith-based communities, and community coalitions to support people in treatment and recovery and to support family members in their efforts to manage the opioid user in the family.

10. Training and development of procedures for government staff to appropriately interact and provide social and other services to current and recovering opioid users, including reducing stigma.

11. Support stigma reduction efforts regarding treatment and support for persons with OUD, including reducing the stigma on effective treatment.

12. Create or support culturally-appropriate services and programs for persons with OUD and any co-occurring SUD/MH conditions, including new Americans.

13. Create and/or support recovery high schools.

C. CONNECT PEOPLE WHO NEED HELP TO THE HELP THEY NEED (CONNECTIONS TO CARE)

Provide connections to care for people who have – or at risk of developing – OUD and any co-occurring SUD/MH conditions through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Ensure that health care providers are screening for OUD and other risk factors and know how to appropriately counsel and treat (or refer if necessary) a patient for OUD treatment.

2. Fund Screening, Brief Intervention and Referral to Treatment (SBIRT) programs to reduce the transition from use to disorders.

3. Provide training and long-term implementation of SBIRT in key systems (health, schools, colleges, criminal justice, and probation), with a focus on youth and young adults when transition from misuse to opioid disorder is common.

4. Purchase automated versions of SBIRT and support ongoing costs of the technology.

5. Training for emergency room personnel treating opioid overdose patients on post-discharge planning, including community referrals for MAT, recovery case management or support services.

6. Support hospital programs that transition persons with OUD and any co-occurring SUD/MH conditions, or persons who have experienced an opioid overdose, into community treatment or recovery services through a bridge clinic or similar approach.

7. Support crisis stabilization centers that serve as an alternative to hospital emergency departments for persons with OUD and any co-occurring SUD/MH conditions or persons that have experienced an opioid overdose.

8. Support the work of Emergency Medical Systems, including peer support specialists, to connect individuals to treatment or other appropriate services following an opioid overdose or other opioid-related adverse event.

9. Provide funding for peer support specialists or recovery coaches in emergency departments, detox facilities, recovery centers, recovery housing, or similar settings; offer services, supports, or connections to care to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced an opioid overdose.

10. Provide funding for peer navigators, recovery coaches, care coordinators, or care managers that offer assistance to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced on opioid overdose.

11. Create or support school-based contacts that parents can engage with to seek immediate treatment services for their child; and support prevention, intervention, treatment, and recovery programs focused on young people.

12. Develop and support best practices on addressing OUD in the workplace.

13. Support assistance programs for health care providers with OUD.

14. Engage non-profits and the faith community as a system to support outreach for treatment.

15. Support centralized call centers that provide information and connections to appropriate services and supports for persons with OUD and any co-occurring SUD/MH conditions.

16. Create or support intake and call centers to facilitate education and access to treatment, prevention, and recovery services for persons with OUD and any co-occurring SUD/MH conditions.

17. Develop or support a National Treatment Availability Clearinghouse – a multistate/nationally accessible database whereby health care providers can list locations for currently available in-patient and out-patient OUD treatment services that are accessible on a real-time basis by persons who seek treatment.

D. ADDRESS THE NEEDS OF CRIMINAL-JUSTICE-INVOLVED PERSONS

Address the needs of persons with OUD and any co-occurring SUD/MH conditions who are involved – or are at risk of becoming involved – in the criminal justice system through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions, including established strategies such as:
    a. Self-referral strategies such as the Angel Programs or the Police Assisted Addiction Recovery Initiative (PAARI);
    b. Active outreach strategies such as the Drug Abuse Response Team (DART) model;
    c. "Naloxone Plus" strategies, which work to ensure that individuals who have received naloxone to reverse the effects of an overdose are then linked to treatment programs or other appropriate services;
    d. Officer prevention strategies, such as the Law Enforcement Assisted Diversion (LEAD) model;
    e. Officer intervention strategies such as the Leon County, Florida Adult Civil Citation Network or the Chicago Westside Narcotics Diversion to Treatment Initiative; or

f. Co-responder and/or alternative responder models to address OUD-related 911 calls with greater SUD expertise and to reduce perceived barriers associated with law enforcement 911 responses.

2. Support pre-trial services that connect individuals with OUD and any co-occurring SUD/MH conditions to evidence-informed treatment, including MAT, and related services.

3. Support treatment and recovery courts for persons with OUD and any co-occurring SUD/MH conditions, but only if these courts provide referrals to evidence-informed treatment, including MAT.

4. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are incarcerated in jail or prison.

5. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are leaving jail or prison have recently left jail or prison, are on probation or parole, are under community corrections supervision, or are in re-entry programs or facilities.

6. Support critical time interventions (CTI), particularly for individuals living with dual-diagnosis OUD/serious mental illness, and services for individuals who face immediate risks and service needs and risks upon release from correctional settings.

7. Provide training on best practices for addressing the needs of criminal-justice-involved persons with OUD and any co-occurring SUD/MH conditions to law enforcement, correctional, or judicial personnel or to providers of treatment, recovery, harm reduction, case management, or other services offered in connection with any of the strategies described in this section.

E. ADDRESS THE NEEDS OF PREGNANT OR PARENTING WOMEN AND THEIR FAMILIES, INCLUDING BABIES WITH NEONATAL ABSTINENCE SYNDROME

Address the needs of pregnant or parenting women with OUD and any co-occurring SUD/MH conditions, and the needs of their families, including babies with neonatal abstinence syndrome, through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Support evidence-based, evidence-informed, or promising treatment, including MAT, recovery services and supports, and prevention services for pregnant women – or women who could become pregnant – who have OUD and any co-occurring SUD/MH conditions, and other measures educate and provide support to families affected by Neonatal Abstinence Syndrome.

2. Training for obstetricians or other healthcare personnel that work with pregnant women and their families regarding treatment of OUD and any co-occurring SUD/MH conditions.

3. Provide training to health care providers who work with pregnant or parenting women on best practices for compliance with federal requirements that children born with Neonatal Abstinence Syndrome get referred to appropriate services and receive a plan of safe care.

4. Child and family supports for parenting women with OUD and any co-occurring SUD/MH conditions.

5. Enhanced family supports and child care services for parents with OUD and any co-occurring SUD/MH conditions.

6. Provide enhanced support for children and family members suffering trauma as a result of addiction in the family; and offer trauma-informed behavioral health treatment for adverse childhood events.

7. Offer home-based wrap-around services to persons with OUD and any co-occurring SUD/MH conditions, including but not limited to parent skills training.

8. Support for Children's Services – Fund additional positions and services, including supportive housing and other residential services, relating to children being removed from the home and/or placed in foster care due to custodial opioid use.

PART TWO: PREVENTION

F. PREVENT OVER-PRESCRIBING AND ENSURE APPROPRIATE PRESCRIBING AND DISPENSING OF OPIOIDS

Support efforts to prevent over-prescribing and ensure appropriate prescribing and dispensing of opioids through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Training for health care providers regarding safe and responsible opioid prescribing, dosing, and tapering patients off opioids.

2. Academic counter-detailing to educate prescribers on appropriate opioid prescribing.

3. Continuing Medical Education (CME) on appropriate prescribing of opioids.

4. Support for non-opioid pain treatment alternatives, including training providers to offer or refer to multi-modal, evidence-informed treatment of pain.

5. Support enhancements or improvements to Prescription Drug Monitoring Programs (PDMPs), including but not limited to improvements that:
    a. Increase the number of prescribers using PDMPs;
    b. Improve point-of-care decision-making by increasing the quantity, quality, or format of data available to prescribers using PDMPs, by improving the interface that prescribers use to access PDMP data, or both; or
    c. Enable states to use PDMP data in support of surveillance or intervention strategies, including MAT referrals and follow-up for individuals identified within PDMP data as likely to experience OUD.

6. Development and implementation of a national PDMP – Fund development of a multistate/national PDMP that permits information sharing while providing appropriate safeguards on sharing of private health information, including but not limited to:
    a. Integration of PDMP data with electronic health records, overdose episodes, and decision support tools for health care providers relating to OUD.
    b. Ensuring PDMPs incorporate available overdose/naloxone deployment data, including the United States Department of Transportation's Emergency Medical Technician overdose database.

7. Increase electronic prescribing to prevent diversion or forgery.

8. Educate Dispensers on appropriate opioid dispensing.

G. PREVENT MISUSE OF OPIOIDS

Support efforts to discourage or prevent misuse of opioids through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Corrective advertising or affirmative public education campaigns based on evidence.

2. Public education relating to drug disposal.

3. Drug take-back disposal or destruction programs.

4. Fund community anti-drug coalitions that engage in drug prevention efforts.

5. Support community coalitions in implementing evidence-informed prevention, such as reduced social access and physical access, stigma reduction – including staffing, educational campaigns, support for people in treatment or recovery, or training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration (SAMHSA).

6. Engage non-profits and faith-based communities as systems to support prevention.

7. Support evidence-informed school and community education programs and campaigns for students, families, school employees, school athletic programs, parent-teacher and student associations, and others.

8. School-based or youth-focused programs or strategies that have demonstrated effectiveness in preventing drug misuse and seem likely to be effective in preventing the uptake and use of opioids.

9. Create of support community-based education or intervention services for families, youth, and adolescents at risk for OUD and any co-occurring SUD/MH conditions.

10. Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills.

11. Support greater access to mental health services and supports for young people, including services and supports provided by school nurses or other school staff, to address mental health needs in young people that (when not properly addressed) increase the risk of opioid or other drug misuse.

H. PREVENT OVERDOSE DEATHS AND OTHER HARMS (HARM REDUCTION)

Support efforts to prevent or reduce overdose deaths or other opioid-related harms through evidence-based, evidence-informed, or promising programs or strategies that may include, but are not limited to, the following:

1. Increase availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, opioid users, families and friends of opioid users, schools, community navigators and outreach workers, drug offenders upon release from jail/prison, or other members of the general public.

2. Public health entities provide free naloxone to anyone in the community, including but not limited to provision of intra-nasal naloxone in settings where other options are not available or allowed.

3. Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, and other members of the general public.

4. Enable school nurses and other school staff to respond to opioid overdoses, and provide them with naloxone, training, and support.

5. Expand, improve, or develop data tracking software and applications for overdoses/naloxone revivals.

6. Public education relating to emergency responses to overdoses.

7. Public education relating to immunity and Good Samaritan laws.

8. Educate first responders regarding the existence and operation of immunity and Good Samaritan laws.

9. Syringe service programs and other evidence-informed programs to reduce harms associated with intravenous drug use, including supplies, staffing, space, peer support services, referrals to treatment, fentanyl checking, connections to care, and the full range of harm reduction and treatment services provided by these programs.

10. Expand access to testing and treatment for infectious diseases such as HIV and Hepatitis C resulting from intravenous opioid use.

11. Support mobile units that offer or provide referrals to harm reduction services, treatment, recovery supports, health care, or other appropriate services to persons that use opioids or persons with OUD and any co-occurring SUD/MH conditions.

12. Provide training in harm reduction strategies to health care providers, students, peer recovery coaches, recovery outreach specialists, or other professionals that provide care to persons who use opioids or persons with OUD and any co-occurring SUD/MH conditions.

13. Support screening for fentanyl in routine clinical toxicology testing.

PART THREE: OTHER STRATEGIES

I. FIRST RESPONDERS

In addition to items C8, D1 through D7, H1, H3, and H8, support the following:

1. Law enforcement expenditures relating to the opioid epidemic.

2. Educate law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs.

3. Provision of wellness and support services for first responders and others who experience secondary trauma associated with opioid-related emergency events.

J. LEADERSHIP, PLANNING AND COORDINATION

Support efforts to provide leadership, planning, and coordination to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Community regional planning to identify goals for reducing harms related to the opioid epidemic, to identify areas and populations with the greatest needs for treatment

intervention services, or to support other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

2. A government dashboard to track key opioid-related indicators and supports as identified through collaborative community processes.

3. Invest in infrastructure or staffing at government or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of preventing overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

4. Provide resources to staff government oversight and management of opioid abatement programs.

K. TRAINING

In addition to the training referred to in items A7, A8, A9, A12, A13, A14, A15, B7, B10, C3, C5, D7, E2, E4, F1, F3, F8, G5, H3, H12, and I-2, support training to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis.

2. Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent overdoses, and treat those with OUD and any co-occurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (e.g., health care, primary care, pharmacies, PDMPs, etc.).

L. RESEARCH

Support opioid abatement research that may include, but is not limited to, the following:

a. Monitoring, surveillance, and evaluation of programs and strategies described in this opioid abatement strategy list.

b. Research non-opioid treatment of chronic pain.

c. Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders.

d. Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips.

e. Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids.

f. Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (e.g. Hawaii HOPE and Dakota 24/7).

g. Research on expanded modalities such as prescription methadone that can expand access to MAT.

h. Epidemiological surveillance of OUD-related behaviors in critical populations including individuals entering the criminal justice system, including but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring (ADAM) system.

i. Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.

j. Geospatial analysis of access barriers to MAT and their association with treatment engagement and treatment outcomes.

DO NOT COPY

Schedule C
State Allocation Percentages

[TO BE INSERTED]

63779069 v1

EXHIBIT B

RESOLUTION NO. 2021-100

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF LAKE COUNTY, FLORIDA, AUTHORIZING LAKE COUNTY (HEREIN REFERRED TO AS THIS "GOVERNMENTAL UNIT") TO JOIN WITH THE STATE OF FLORIDA AND OTHER LOCAL GOVERNMENTAL UNITS AS A PARTICIPANT IN THE FLORIDA MEMORANDUM OF UNDERSTANDING AND FORMAL AGREEMENTS IMPLEMENTING A UNIFIED PLAN.

WHEREAS, Lake County has suffered harm from the opioid epidemic; and

WHEREAS, Lake County recognizes that the entire State of Florida has suffered harm as a result from the opioid epidemic; and

WHEREAS, the State of Florida has filed an action pending in Pasco County, Florida, and a number of Florida Cities and Counties have also filed an action *In re: National Prescription Opiate Litigation*, MDL No. 2804 (N.D. Ohio) (the "Opioid Litigation") and Lake County is a litigating participant in that action; and

WHEREAS, the State of Florida and lawyers representing certain various local governments involved in the Opioid Litigation have proposed a unified plan for the allocation and use of prospective settlement dollars from opioid related litigation; and

WHEREAS, the Florida Memorandum of Understanding (the "Florida Plan") sets forth a framework for a unified plan for the proposed allocation and use of opioid settlement proceeds and it is anticipated that formal agreements implementing the Florida Plan will be entered into at a future date; and

WHEREAS, participation in the Florida Plan by a large majority of Florida cities and counties will materially increase the amount of funds to Florida and should improve Florida's relative bargaining position during additional settlement negotiations; and

WHEREAS, failure to participate in the Florida Plan will reduce funds available to the State, Lake County, and every other Florida city and county.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Lake County, Florida (Governmental Unit), that Lake County supports entering into the Florida Plan.

SECTION 1. The above recitals are incorporated herein.

SECTION 2. This Governmental Unit finds that participation in the Florida Plan would be in the best interest of the Governmental Unit and its citizens in that such a plan ensures that almost all of the settlement funds go to abate and resolve the opioid epidemic and each and every city and county receives funds for the harm that it has suffered.

SECTION 3. That this Governmental Unit hereby expresses its support of a unified plan for the allocation and use of opioid settlement proceeds as generally described in the Florida Plan, attached hereto as Exhibit "A."

SECTION 4. That the Chairman of the Governmental Unit is hereby expressly authorized to execute the Florida Plan in substantially the form contained in Exhibit "A."

SECTION 5. That the Chairman of the Governmental Unit is hereby authorized to execute any formal agreements implementing a unified plan for the allocation and use of opioid settlement proceeds that is not substantially inconsistent with the Florida Plan and this Resolution.

SECTION 6. The Clerk of Court of this Governmental Unit is hereby directed to furnish a certified copy of this Resolution to the Florida Attorney General at

Attorney General Ashley Moody
c\o John M. Guard
The Capitol,
PL-01
Tallahassee, FL 32399-1050

SECTION 7. This Resolution shall take effect immediately upon its adoption.

PASSED AND ADOPTED on this day of 22nd day of June, 2021.

BOARD OF COUNTY COMMISSIONERS
LAKE COUNTY, FLORIDA

Sean M. Parks, Chairman

This 22nd day of June, 2021.

ATTEST:

Gary J. Cooney, Clerk
Board of County Commissioners
of Lake County, Florida

Approved as to form and legality:

Melanie Marsh, County Attorney

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

EXHIBIT C

PARTICIPATION INSTRUCTIONS

Thank you for registering your subdivision on the national settlement website and for considering participating in the proposed Settlement Agreement with McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation (collectively "Settling Distributors"). This virtual envelope contains a Participation Form including a release of claims and an Intrastate Allocation Agreement. The Participation Form in this envelope must be executed, without alteration, and submitted in order for your subdivision to be considered potentially "participating."

The sign-on period for subdivisions ends on January 2, 2022. On or after that date, the states (in consultation with the subdivisions), Janssen, and the Opioid Distributors will determine whether the subdivision participation rate is sufficient for the settlement to move forward. If the deal moves forward, your release will become effective. If it does not, it will not.

As a reminder, if you have not already started your review of the settlement documentation, detailed information about the Settlements may be found at: https://nationalopioidsettlement.com/. This national settlement website also includes links to information about how the Settlements are being implemented in your state and how settlement funds will be allocated within your state, including information about, and links to, any applicable allocation agreement or legislation. This website will be supplemented as additional documents are created. The Florida Attorney General's Office has also created a state-specific website that may be accessed here: http://www.myfloridalegal.com/opioidsettlement. If you have questions, please contact your counsel (if you have counsel on opioids matters) or the Florida Attorney General's Office at Utah Attorney General's Office at fl.opioidlitigation@myfloridalegal.com.

Florida Subdivision Participation Form

Governmental Entity: LAKE COUNTY		State: FL
Authorized Signatory: Sean M. Parks, Chairman, Board of County Commissioners		
Address 1: PO Box 7800		
Address 2:		
City, State, Zip: Tavares	Florida	32778
Phone: 352-343-9850		
Email: mmarsh@lakecountyfl.gov		

The governmental entity identified above ("Governmental Entity"), in order to obtain and in consideration for the benefits provided to the Governmental Entity consistent with the material terms of the National Settlement Agreement with McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation ("Settling Distributors"), dated July 21, 2021 ("National Distributor Settlement"), and acting through the undersigned authorized official, hereby elects to participate in the National Distributor Settlement t, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the National Distributor Settlement, understands that all terms in this Election and Release have the meanings defined therein, and agrees that by this Participation Form, the Governmental Entity elects to participate consistent with the material terms of the National Distributor Settlement and become a Participating Subdivision as provided therein pursuant to the terms of the National Distributor Settlement or pursuant to terms consistent with the National Distributor Settlement.

2. The Governmental Entity's election to participate is specifically conditioned on participation by Litigating Subdivisions representing 95% or more of the population (combined) of Litigating Subdivisions in Florida. Should the combined population of the Litigating Subdivisions in Florida that participate be less than 95% of the population (combined) of the Litigating Subdivisions in Florida, this Election and Release shall be deemed void and no claims shall be released.

3. The Governmental Entity's execution of this Participation Agreement shall serve as the Governmental Entity's acceptance of the terms and conditions of the Florida Opioid Allocation And Statewide Response Agreement dated November 15, 2021.

4. The Governmental Entity shall, within 14 days of the Reference Date prior to the filing of the Consent Judgment, secure the dismissal with prejudice of any Released Claims that it has filed.

5. The Governmental Entity agrees to the terms of the National Distributor Settlement pertaining to Subdivisions as defined collectively therein.

6. By agreeing to the terms of the National Distributor Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.

7. The Governmental Entity agrees to use any monies it receives through the National Distributor Settlement solely for the purposes provided therein.

8. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity's state where the Consent Judgment is filed for purposes limited to that court's role as provided in, and for resolving disputes to the extent provided in, the National Distributor Settlement. If the National Distributor Settlement is finalized, the Governmental Entity likewise agrees to arbitrate before the National Arbitration Panel as provided in, and for resolving disputes to the extent otherwise provided in the National Distributor Settlement.

9. The Governmental Entity has the right to enforce the National Distributor Settlement as collectively provided therein.

10. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the National Distributor Settlement, including but not limited to, all provisions of Part XI and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the National Distributor Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The National Distributor Settlement shall be a complete bar to any Released Claim.

11. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision consistent with the National Distributor Settlement.

12. In connection with the releases provided for in the National Distributor Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the National Distributor Settlement.

13. Nothing herein is intended to modify in any way the terms of the National Distributor Settlement to which Governmental Entity hereby agrees, with the exception of the requisite Litigating Government participation level.

I swear under penalty of perjury that I have all necessary power and authorization to execute this Election and Release on behalf of the Governmental Entity

FLORIDA OPIOID ALLOCATION AND STATEWIDE RESPONSE AGREEMENT

BETWEEN

STATE OF FLORIDA DEPARTMENT OF LEGAL AFFAIRS,
OFFICE OF THE ATTORNEY GENERAL

And

CERTAIN LOCAL GOVERNMENTS IN THE STATE OF FLORIDA

This Florida Opioid Allocation and Statewide Response Agreement (the "Agreement") is entered into between the State of Florida ('State") and certain Local Governments ("Local Governments" and the State and Local Governments are jointly referred to as the "Parties" or individually as a "Party"). The Parties agree as follows:

Whereas, the people of the State and its communities have been harmed by misfeasance, nonfeasance and malfeasance committed by certain entities within the Pharmaceutical Supply Chain; and

Whereas, the State, through its Attorney General, and certain Local Governments, through their elected representatives and counsel, are separately engaged in litigation seeking to hold many of the same Pharmaceutical Supply Chain Participants accountable for the damage caused by their misfeasance, nonfeasance and malfeasance as the State; and

Whereas, certain of the Parties have separately sued Pharmaceutical Supply Chain participants for the harm caused to the citizens of both Parties and have collectively negotiated settlements with several Pharmaceutical Supply Chain Participants; and

Whereas, the Parties share a common desire to abate and alleviate the impacts of that misfeasance, nonfeasance and malfeasance throughout the State; and

Whereas, it is the intent of the State and its Local Governments to use the proceeds from any Settlements with Pharmaceutical Supply Chain Participants to increase the amount of funding presently spent on opioid and substance abuse education, treatment, prevention and other related programs and services, such as those identified in Exhibits "A" and "B," and to ensure that the funds are expended in compliance with evolving evidence-based "best practices;" and

Whereas, the State and its Local Governments enter into this Agreement and agree to the allocation and use of the proceeds of any settlement described herein

Wherefore, the Parties each agree to as follows:

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

A. Definitions

As used in this Agreement:

1. "Approved Purpose(s)" shall mean forward-looking strategies, programming and services used to expand the availability of treatment for individuals impacted by substance use disorders, to: (a) develop, promote, and provide evidence-based substance use prevention strategies; (b) provide substance use avoidance and awareness education; (c) decrease the oversupply of licit and illicit opioids; and (d) support recovery from addiction. Approved Purposes shall include, but are not limited to, the opioid abatement strategies listed in Exhibits "A" and "B" which are incorporated herein by reference.

2. "Local Governments" shall mean all counties, cities, towns and villages located within the geographic boundaries of the State.

3. "Managing Entities" shall mean the corporations selected by and under contract with the Florida Department of Children and Families or its successor ("DCF") to manage the daily operational delivery of behavioral health services through a coordinated system of care. The singular "Managing Entity" shall refer to a singular of the Managing Entities.

4. "County" shall mean a political subdivision of the state established pursuant to s. 1, Art. VIII of the State Constitution.

5. "Dependent Special District" shall mean a Special District meeting the requirements of Florida Statutes § 189.012(2).

6. "Municipalities" shall mean cities, towns, or villages located in a County within the State that either have: (a) a Population greater than 10,000 individuals; or (b) a Population equal to or less than 10,000 individuals and that has either (i) filed a lawsuit against one or more Pharmaceutical Supply Chain Participants; or (ii) executes a release in connection with a settlement with a Pharmaceutical Supply Chain participant. The singular "Municipality" shall refer to a singular city, town, or village within the definition of Municipalities.

7. "'Negotiating Committee" shall mean a three-member group comprised by representatives of the following: (1) the State; and (2) two representatives of Local Governments of which one representative will be from a Municipality and one shall be from a County (collectively, "Members") within the State. The State shall be represented by the Attorney General or her designee.

8. "Negotiation Class Metrics" shall mean those county and city settlement allocations which come from the official website of the Negotiation Class of counties and cities certified on September 11, 2019 by the U.S. District for the Northern District of Ohio in *In re National Prescription Opiate Litigation*, MDL No. 2804 (N.D. Ohio). The website is located at https://allocationmap.iclaimsonline.com.

9. "Opioid Funds" shall mean monetary amounts obtained through a Settlement.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

10. "Opioid Related" shall have the same meaning and breadth as in the agreed Opioid Abatement Strategies attached hereto as Exhibits "A" or "B."

11. "Parties" shall mean the State and Local Governments that execute this Agreement. The singular word "Party" shall mean either the State or Local Governments that executed this Agreement.

12. "PEC" shall mean the Plaintiffs' Executive Committee of the National Prescription Opiate Multidistrict Litigation pending in the United States District Court for the Northern District of Ohio.

13. "Pharmaceutical Supply Chain" shall mean the entities, processes, and channels through which Controlled Substances are manufactured, marketed, promoted, distributed or dispensed.

14. "Pharmaceutical Supply Chain Participant" shall mean any entity that engages in, or has engaged in the manufacture, marketing, promotion, distribution or dispensing of an opioid analgesic.

15. "Population" shall refer to published U.S. Census Bureau population estimates as of July 1, 2019, released March 2020, and shall remain unchanged during the term of this Agreement. These estimates can currently be found at *https://www.census.gov. For purposes of Population under the definition of Qualified County, a County's population shall be the greater of its population as of the July 1, 2019, estimates or its actual population, according to the official U.S. Census Bureau count, which was released by the U.S. Census Bureau in August 2021.*

16. "Qualified County" shall mean a charter or non-chartered County that has a Population of at least 300,000 individuals and: (a) has an opioid taskforce or other similar board, commission, council, or entity (including some existing sub-unit of a County's government responsible for substance abuse prevention, treatment, and/or recovery) of which it is a member or it operates in connection with its municipalities or others on a local or regional basis; (b) has an abatement plan that has been either adopted or is being utilized to respond to the opioid epidemic; (c) is, as of December 31, 2021, either providing or is contracting with others to provide substance abuse prevention, recovery, and/or treatment services to its citizens; and (d) has or enters into an interlocal agreement with a majority of Municipalities (Majority is more than 50% of the Municipalities' total Population) related to the expenditure of Opioid Funds. The Opioid Funds to be paid to a Qualified County will only include Opioid Funds for Municipalities whose claims are released by the Municipality or Opioid Funds for Municipalities whose claims are otherwise barred. For avoidance of doubt, the word "operate" in connection with opioid task force means to do at least one of the following activities: (1) gathers data about the nature, extent, and problems being faced in communities within that County; (2) receives and reports recommendations from other government and private entities about activities that should be undertaken to abate the opioid epidemic to a County; and/or (3) makes recommendations to a County and other public and private leaders about steps, actions, or plans that should be undertaken to abate the opioid epidemic. For avoidance of doubt, the Population calculation required by subsection (d) does not include Population in unincorporated areas.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

17. "SAMHSA" shall mean the U.S. Department of Health & Human Services, Substance Abuse and Mental Health Services Administration.

18. "Settlement" shall mean the negotiated resolution of legal or equitable claims against a Pharmaceutical Supply Chain Participant when that resolution has been jointly entered into by the State and Local Governments or a settlement class as described in (B)(1) below.

19. "State" shall mean the State of Florida.

B. Terms

1. **Only Abatement** - Other than funds used for the Administrative Costs and Expense Fund as hereinafter described or to pay obligations to the United States arising out of Medicaid or other federal programs, all Opioid Funds shall be utilized for Approved Purposes. In order to accomplish this purpose, the State will either: (a) file a new action with Local Governments as Parties; or (b) add Local Governments to its existing action, sever any settling defendants. In either type of action, the State will seek entry of a consent judgment, consent order or other order binding judgment binding both the State and Local Governments to utilize Opioid Funds for Approved Purposes ("Order") from the Circuit Court of the Sixth Judicial Circuit in and for Pasco County, West Pasco Division New Port Richey, Florida (the "Court"), except as herein provided. The Order may be part of a class action settlement or similar device. The Order shall provide for continuing jurisdiction by the Court to address non-performance by any party under the Order.

2. **Avoid Claw Back and Recoupment** - Both the State and Local Governments wish to maximize any Settlement and Opioid Funds. In addition to committing to only using funds for the Expense Funds, Administrative Costs and Approved Purposes, both Parties will agree to utilize a percentage of funds for the Core Strategies highlighted in Exhibit A. Exhibit A contains the programs and strategies prioritized by the U.S. Department of Justice and/or the U.S. Department of Health & Human Services ("Core Strategies"). The State is trying to obtain the United States' agreement to limit or reduce the United States' ability to recover or recoup monies from the State and Local Government in exchange for prioritization of funds to certain projects. If no agreement is reached with the United States, then there will be no requirement that a percentage be utilized for Core Strategies.

3. **No Benefit Unless Fully Participating** - Any Local Government that objects to or refuses to be included under the Order or refuses or fails to execute any of documents necessary to effectuate a Settlement shall not receive, directly or indirectly, any Opioid Funds and its portion of Opioid Funds shall be distributed to, and for the benefit of, the Local Governments. Funds that were a for a Municipality that does not join a Settlement will be distributed to the County where that Municipality is located. Funds that were for a County that does not join a Settlement will be distributed pro rata to Counties that join a Settlement. For avoidance of doubt, if a Local Government initially refuses to be included in or execute the documents necessary to effectuate a Settlement and subsequently effectuates such documents necessary to join a Settlement, then that Local Government will only lose those payments made under a Settlement while that Local Government was not a part of the Settlement. If a Local Government participates in a Settlement, that Local Government is thereby releasing the claims of its Dependent Special District claims, if any.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

4. **Distribution Scheme** – If a Settlement has a National Settlement Administrator or similar entity, all Opioids Funds will initially go to the Administrator to be distributed. If a Settlement does not have a National Settlement Administrator or similar entity, all Opioid Funds will initially go to the State, and then be distributed by the State as they are received from the Defendants according to the following distribution scheme. The Opioid Funds will be divided into three funds after deducting any costs of the Expense Fund detailed below. Funds due the federal government, if any, pursuant to Section B-2, will be subtracted from only the State and Regional Funds below:

(a) City/County Fund- The city/county fund will receive 15% of all Opioid Funds to directly benefit all Counties and Municipalities. The amounts to be distributed to each County and Municipality shall be determined by the Negotiation Class Metrics or other metrics agreed upon, in writing, by a County and a Municipality, which are attached to this Agreement as Exhibit "C." In the event that a Municipality has a Population less than 10,000 people and it does not execute a release or otherwise join a Settlement that Municipalities share under the Negotiation Class Metrics shall be reallocated to the County where that Municipality is located.

(b) Regional Fund- The regional fund will be subdivided into two parts.

(i) The State will annually calculate the share of each County within the State of the regional fund utilizing the sliding scale in paragraph 5 of the Agreement, and according to the Negotiation Class Metrics.

(ii) For Qualified Counties, the Qualified County's share will be paid to the Qualified County and expended on Approved Purposes, including the Core Strategies identified in Exhibit A, if applicable.

(iii) For all other Counties, the State will appropriate the regional share for each County and pay that share through DCF to the Managing Entities providing service for that County. The Managing Entities will be required to expend the monies on Approved Purposes, including the Core Strategies as directed by the Opioid Abatement Task Force or Council. The Managing Entities shall expend monies from this Regional Fund on services for the Counties within the State that are non-Qualified Counties and to ensure that there are services in every County. To the greatest extent practicable, the Managing Entities shall endeavor to expend monies in each County or for citizens of a County in the amount of the share that a County would have received if it were a Qualified County.

(c) State Fund - The remainder of Opioid Funds will be expended by the State on Approved Purposes, including the provisions related to Core Strategies, if applicable.

(d) To the extent that Opioid Funds are not appropriated and expended in a year by the State, the State shall identify the investments where settlement funds will be deposited. Any gains, profits, or interest accrued from the deposit of the Opioid Funds to the extent that any funds are not appropriated and expended within a calendar year, shall be the sole property of the Party that was entitled to the initial amount.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

(e) To the extent a County or Municipality wishes to pool, comingle, or otherwise transfer its share, in whole or part, of Opioid Funds to another County or Municipality, the comingling Municipalities may do so by written agreement. The comingling Municipalities shall provide a copy of that agreement to the State and any settlement administrator to ensure that monies are directed consistent with such agreement. The County or Municipality receiving any such Opioid Funds shall assume the responsibility for reporting how such Opioid Funds were utilized under this Agreement.

5. Regional Fund Sliding Scale- The Regional Fund shall be calculated by utilizing the following sliding scale of the Opioid Funds available in any year after deduction of Expenses and any funds due the federal government:

A. Years 1-6: 40%

B. Years 7-9: 35%

C. Years 10-12: 34%

D. Years 13-15: 33%

E. Years 16-18: 30%

6. Opioid Abatement Taskforce or Council - The State will create an Opioid Abatement Taskforce or Council (sometimes hereinafter "Taskforce" or "Council") to advise the Governor, the Legislature, DCF, and Local Governments on the priorities that should be addressed by expenditure of Opioid Funds and to review how monies have been spent and the results that have been achieved with Opioid Funds.

(a) Size - The Taskforce or Council shall have ten Members equally balanced between the State and the Local Government representatives.

(b) Appointments Local Governments - Two Municipality representatives will be appointed by or through Florida League of Cities. Two county representatives, one from a Qualified County and one from a county within the State that is not a Qualified County, will be appointed by or through the Florida Association of Counties. The final representative will alternate every two years between being a county representative (appointed by or through Florida Association of Counties) or a Municipality representative (appointed by or through the Florida League of Cities). One Municipality representative must be from a city of less than 50,000 people. One county representative must be from a county of less than 200,000 people and the other county representative must be from a county whose population exceeds 200,000 people.

(c) Appointments State -

(i) The Governor shall appoint two Members.

(ii) The Speaker of the House shall appoint one Member.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

(iii) The Senate President shall appoint one Member.

(iv) The Attorney General or her designee shall be a Member.

(d) Chair - The Attorney General or designee shall be the chair of the Taskforce or Council.

(e) Term - Members will be appointed to serve a four-year term and shall be staggered to comply with Florida Statutes § 20.052(4)(c).

(f) Support - DCF shall support the Taskforce or Council and the Taskforce or Council shall be administratively housed in DCF.

(g) Meetings - The Taskforce or Council shall meet quarterly in person or virtually using communications media technology as defined in section 120.54(5)(b)(2), Florida Statutes.

(h) Reporting - The Taskforce or Council shall provide and publish a report annually no later than November 30th or the first business day after November 30th, if November 30th falls on a weekend or is otherwise not a business day. The report shall contain information on how monies were spent the previous fiscal year by the State, each of the Qualified Counties, each of the Managing Entities, and each of the Local Governments. It shall also contain recommendations to the Governor, the Legislature, and Local Governments for priorities among the Approved Purposes or similar such uses for how monies should be spent the coming fiscal year to respond to the opioid epidemic. Prior to July 1st of each year, the State and each of the Local Governments shall provide information to DCF about how they intend to expend Opioid Funds in the upcoming fiscal year.

(i) Accountability - The State and each of the Local Governments shall report its expenditures to DCF no later than August 31st for the previous fiscal year. The Taskforce or Council will set other data sets that need to be reported to DCF to demonstrate the effectiveness of expenditures on Approved Purposes. In setting those requirements, the Taskforce or Council shall consider the Reporting Templates, Deliverables, Performance Measures, and other already utilized and existing templates and forms required by DCF from Managing Entities and suggest that similar requirements be utilized by all Parties to this Agreement.

(j) Conflict of Interest - All Members shall adhere to the rules, regulations and laws of Florida including, but not limited to, Florida Statute §112.311, concerning the disclosure of conflicts of interest and recusal from discussions or votes on conflicted matters.

7. **Administrative Costs**- The State may take no more than a 5% administrative fee from the State Fund and any Regional Fund that it administers for counties that are not Qualified Counties. Each Qualified County may take no more than a 5% administrative fee from its share of the Regional Funds. Municipalities and Counties may take no more than a 5% administrative fee from any funds that they receive or control from the City/County Fund.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

8. **Negotiation of Non-Multistate Settlements** - If the State begins negotiations with a Pharmaceutical Supply Chain Participant that is separate and apart from a multi-state negotiation, the State shall include Local Governments that are a part of the Negotiating Committee in such negotiations. No Settlement shall be recommended or accepted without the affirmative votes of both the State and Local Government representatives of the Negotiating Committee.

9. **Negotiation of Multistate or Local Government Settlements** - To the extent practicable and allowed by other parties to a negotiation, both Parties agree to communicate with members of the Negotiation Committee regarding the terms of any other Pharmaceutical Supply Chain Participant Settlement.

10. **Program Requirements**- DCF and Local Governments desire to make the most efficient and effective use of the Opioid Funds. DCF and Local Governments will work to achieve that goal by ensuring the following requirements will be minimally met by any governmental entity or provider providing services pursuant to a contract or grant of Opioid Funds:

a. In either performing services under this Agreement or contracting with a provider to provide services with the Opioid Funds under this Agreement, the State and Local Governments shall be aware of and comply with all State and Federal laws, rules, Children and Families Operating Procedures (CFOPs), and similar regulations relating to the substance abuse and treatment services.

b. The State and Local Governments shall have and follow their existing policies and practices for accounting and auditing, including policies relating to whistleblowers and avoiding fraud, waste, and abuse. The State and Local Governments shall consider additional policies and practices recommended by the Opioid Abatement Taskforce or Council. c. In any award or grant to any provider, State and Local Governments shall ensure that each provider acknowledges its awareness of its obligations under law and shall audit, supervise, or review each provider's performance routinely, at least once every year.

d. In contracting with a provider, the State and Local Governments shall set performance measures in writing for a provider.

e. The State and Local Governments shall receive and report expenditures, service utilization data, demographic information, and national outcome measures in a similar fashion as required by the 42.U.S.C. s. 300x and 42 U.S.C. s. 300x-21.

f. The State and Local Governments, that implement evidenced based practice models will participate in fidelity monitoring as prescribed and completed by the originator of the model chosen..

g. The State and Local Governments shall ensure that each year, an evaluation of the procedures and activities undertaken to comply with the requirements of this Agreement are completed.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

h. The State and Local Governments shall implement a monitoring process that will demonstrate oversight and corrective action in the case of non-compliance, for all providers that receive Opioid Funds. Monitoring shall include:

(i) Oversight of the any contractual or grant requirements;

(ii) Develop and utilize standardized monitoring tools;

(iii) Provide DCF and the Opioid Abatement Taskforce or Council with access to the monitoring reports; and

(iv) Develop and utilize the monitoring reports to create corrective action plans for providers, where necessary.

11. **Reporting and Records Requirements-** The State and Local Governments shall follow their existing reporting and records retention requirements along with considering any additional recommendations from the Opioid Abatement Taskforce or Council. Local Governments shall respond and provide documents to any reasonable requests from the State or Opioid Abatement Taskforce or Council for data or information about programs receiving Opioid Funds. The State and Local Governments shall ensure that any provider or sub-recipient of Opioid Funds at a minimum does the following:

(a) Any provider shall establish and maintain books, records and documents (including electronic storage media) sufficient to reflect all income and expenditures of Opioid Funds. Upon demand, at no additional cost to the State or Local Government, any provider will facilitate the duplication and transfer of any records or documents during the term that it receives any Opioid Funds and the required retention period for the State or Local Government. These records shall be made available at all reasonable times for inspection, review, copying, or audit by Federal, State, or other personnel duly authorized by the State or Local Government.

(b) Any provider shall retain and maintain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to the use of the Opioid Funds during the term of its receipt of Opioid Funds and retained for a period of six (6) years after its ceases to receives Opioid Funds or longer when required by law. In the event an audit is required by the State of Local Governments, records shall be retained for a minimum period of six (6) years after the audit report is issued or until resolution of any audit findings or litigation based on the terms of any award or contract.

(c) At all reasonable times for as long as records are maintained, persons duly authorized by State or Local Government auditors shall be allowed full access to and the right to examine any of the contracts and related records and documents, regardless of the form in which kept.

(d) A financial and compliance audit shall be performed annually and provided to the State.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

(e) All providers shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by The Office of the Inspector General (section 20.055, F.S.) or the State.

(f) No record may be withheld nor may any provider attempt to limit the scope of any of the foregoing inspections, reviews, copying, transfers or audits based on any claim that any record is exempt from public inspection or is confidential, proprietary or trade secret in nature; provided, however, that this provision does not limit any exemption to public inspection or copying to any such record.

12. **Expense Fund** - The Parties agree that in any negotiation every effort shall be made to cause Pharmaceutical Supply Chain Participants to pay costs of litigation, including attorneys' fees, in addition to any agreed to Opioid Funds in the Settlement. To the extent that a fund sufficient to pay the full contingent fees of Local Governments is not created as part of a Settlement by a Pharmaceutical Supply Chain Participant, the Parties agree that an additional expense fund for attorneys who represent Local Governments (herein "Expense Fund") shall be created out of the City/County fund for the purpose of paying the hard costs of a litigating Local Government and then paying attorneys' fees.

(a) The Source of Funds for the Expense Fund- Money for the Expense Fund shall be sourced exclusively from the City/County Fund.

(b) The Amount of the Expense Fund- The State recognizes the value litigating Local Governments bring to the State in connection with the Settlement because their participation increases the amount of Incentive Payments due from each Pharmaceutical Supply Chain Participant. In recognition of that value, the amount of funds that shall be deposited into the Expense Fund shall be contingent upon on the percentage of litigating Local Government participation in the Settlement, according to the following table:

Litigating Local Government Participation in the Settlement (by percentage of the population)	Amount that shall be paid into the Expense Fund from (and as a percentage of) the City/County fund
96 to 100%	10%
91 to 95%	7.5%
86 to 90%	5%
85%	2.5%
Less than 85%	0%

If fewer than 85% percent of the litigating Local Governments (by population) participate, then the Expense Fund shall not be funded, and this Section of the Agreement shall be null and void.

(c) The Timing of Payments into the Expense Fund- Although the amount of the Expense Fund shall be calculated based on the entirety of payments due to the City/County fund over a ten-to-eighteen-year period, the Expense Fund shall be funded entirely from payments made by Pharmaceutical Supply Chain Participants during the first two payments of the Settlement. Accordingly, to offset the amounts being paid from the

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

City/County Fund to the Expense Fund in the first two years, Counties or Municipalities may borrow from the Regional Fund during the first two years and pay the borrowed amounts back to the Regional Fund during years three, four, and five.

For the avoidance of doubt, the following provides an illustrative example regarding the calculation of payments and amounts that may be borrowed under the terms of this MOU, consistent with the provisions of this Section:

Opioid Funds due to State of Florida and Local Governments (over 10 to 18 years):	$1,000
Litigating Local Government Participation:	100%
City/County Fund (over 10 to 18 years):	$150
Expense Fund (paid over 2 years):	$15
Amount Paid to Expense Fund in 1st year:	$7.5
Amount Paid to Expense Fund in 2nd year	$7.5
Amount that may be borrowed from Regional Fund in 1st year:	$7.5
Amount that may be borrowed from Regional Fund in 2nd year:	$7.5
Amount that must be paid back to Regional Fund in 3rd year:	$5
Amount that must be paid back to Regional Fund in 4th year:	$5
Amount that must be paid back to Regional Fund in 5th year:	$5

(d) Creation of and Jurisdiction over the Expense Fund- The Expense Fund shall be established, consistent with the provisions of this Section of the Agreement, by order of the Court. The Court shall have jurisdiction over the Expense Fund, including authority to allocate and disburse amounts from the Expense Fund and to resolve any disputes concerning the Expense Fund.

(e) Allocation of Payments to Counsel from the Expense Fund- As part of the order establishing the Expense Fund, counsel for the litigating Local Governments shall seek to have the Court appoint a third-neutral to serve as a special master for purposes of allocating the Expense Fund. Within 30 days of entry of the order appointing a special master for the Expense Fund, any counsel who intend to seek an award from the Expense Fund shall provide the copies of their contingency fee contracts to the special master. The special master shall then build a mathematical model, which shall be based on each litigating Local Government's share under the Negotiation Class Metrics and the rate set forth in their contingency contracts, to calculate a proposed award for each litigating Local Government who timely provided a copy of its contingency contract.

13. **Dispute resolution-** Any one or more of the Local Governments or the State may object to an allocation or expenditure of Opioid Funds solely on the basis that the allocation or expenditure at issue (a) is inconsistent with the Approved Purposes; (b) is inconsistent with the distribution scheme as provided in paragraph,; (c) violates the limitations set forth herein with respect to administrative costs or the Expense Fund; or (d) to recover amounts advanced from the Regional Fund for the Expense Fund. There shall be no other basis for bringing an objection to the approval of an allocation or expenditure of Opioid Funds. In the event that there is a National Settlement Administrator or similar entity, the Local Governments sole action for non-payment of

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

amounts due from the City/County Fund shall be against the particular settling defendant and/or the National Settlement Administrator or similar entity.

C. Other Terms and Conditions

1. **Governing Law and Venue**: This Agreement will be governed by the laws of the State of Florida. Any and all litigation arising under the Agreement, unless otherwise specified in this Agreement, will be instituted in either: (a) the Court that enters the Order if the matter deals with a matter covered by the Order and the Court retains jurisdiction; or (b) the appropriate State court in Leon County, Florida.

2. **Agreement Management and Notification:** The Parties have identified the following individuals as Agreement Managers and Administrators:

a. State of Florida Agreement Manager:

Greg Slemp

PL-01, The Capitol, Tallahassee, FL 32399

850-414-3300

Greg.slemp@myfloridalegal.com

b. State of Florida Agreement Administrator

Janna Barineau

PL-01, The Capitol, Tallahassee, FL 32399

850-414-3300

Janna.barineau@myfloridalegal.com

c. Local Governments Agreement Managers and Administrators are listed on Exhibit C to this Agreement.

Changes to either the Managers or Administrators may be made by notifying the other Party in writing, without formal amendment to this Agreement.

3. **Notices**. All notices required under the Agreement will be delivered by certified mail, return receipt requested, by reputable air courier, or by personal delivery to the designee identified in paragraphs C.2., above. Either designated recipient may notify the other, in writing, if someone else is designated to receive notice.

4. **Cooperation with Inspector General:** Pursuant to section 20.055, Florida Statutes, the Parties, understand and will comply with their duty to cooperate with the Inspector General in any investigation, audit, inspection, review, or hearing.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

5. **Public Records**: The Parties will keep and maintain public records pursuant to Chapter 119, Florida Statutes and will comply will all applicable provisions of that Chapter.

6. **Modification**: This Agreement may only be modified by a written amendment between the appropriate parties. No promises or agreements made subsequent to the execution of this Agreement shall be binding unless express, reduced to writing, and signed by the Parties.

7. **Execution in Counterparts**: This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

8. **Assignment:** The rights granted in this Agreement may not be assigned or transferred by any party without the prior written approval of the other party. No party shall be permitted to delegate its responsibilities or obligations under this Agreement without the prior written approval of the other parties.

9. **Additional Documents:** The Parties agree to cooperate fully and execute any and all supplementary documents and to take all additional actions which may be reasonably necessary or appropriate to give full force and effect to the basic terms and intent of this Agreement.

10. **Captions:** The captions contained in this Agreement are for convenience only and shall in no way define, limit, extend or describe the scope of this Agreement or any part of it.

11. **Entire Agreement:** This Agreement, including any attachments, embodies the entire agreement of the parties. There are no other provisions, terms, conditions, or obligations. This Agreement supersedes all previous oral or written communications, representations or agreements on this subject.

12. **Construction:** The parties hereto hereby mutually acknowledge and represent that they have been fully advised by their respective legal counsel of their rights and responsibilities under this Agreement, that they have read, know, and understand completely the contents hereof, and that they have voluntarily executed the same. The parties hereto further hereby mutually acknowledge that they have had input into the drafting of this Agreement and that, accordingly, in any construction to be made of this Agreement, it shall not be construed for or against any party, but rather shall be given a fair and reasonable interpretation, based on the plain language of the Agreement and the expressed intent of the parties.

13. **Capacity to Execute Agreement:** The parties hereto hereby represent and warrant that the individuals signing this Agreement on their behalf are duly authorized and fully competent to do so.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

14. **Effectiveness:** This Agreement shall become effective on the date on which the last required signature is affixed to this Agreement.

IN WITNESS THEREOF, the parties hereto have caused the Agreement to be executed by their undersigned officials as duly authorized.

STATE OF FLORIDA

11/15/2021

EXHIBIT A

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

Schedule A

Core Strategies

States and Qualifying Block Grantees shall choose from among the abatement strategies listed in Schedule B. However, priority shall be given to the following core abatement strategies ("**Core Strategies**")[, such that a minimum of __% of the [aggregate] state-level abatement distributions shall be spent on [one or more of] them annually].[1]

A. Naloxone or other FDA-approved drug to reverse opioid overdoses

1. Expand training for first responders, schools, community support groups and families; and

2. Increase distribution to individuals who are uninsured or whose insurance does not cover the needed service.

B. Medication-Assisted Treatment ("MAT") Distribution and other opioid-related treatment

1. Increase distribution of MAT to non-Medicaid eligible or uninsured individuals;

2. Provide education to school-based and youth-focused programs that discourage or prevent misuse;

3. Provide MAT education and awareness training to healthcare providers, EMTs, law enforcement, and other first responders; and

4. Treatment and Recovery Support Services such as residential and inpatient treatment, intensive outpatient treatment, outpatient therapy or counseling, and recovery housing that allow or integrate medication with other support services.

C. Pregnant & Postpartum Women

1. Expand Screening, Brief Intervention, and Referral to Treatment ("SBIRT") services to non-Medicaid eligible or uninsured pregnant women;

2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for women with co-occurring Opioid Use Disorder ("OUD") and other Substance Use Disorder ("SUD")/Mental Health disorders for uninsured individuals for up to 12 months postpartum; and

3. Provide comprehensive wrap-around services to individuals with Opioid Use Disorder (OUD) including housing, transportation, job placement/training, and childcare.

D. Expanding Treatment for Neonatal Abstinence Syndrome

1. Expand comprehensive evidence-based and recovery support for NAS babies;

2. Expand services for better continuum of care with infant-need dyad; and

3. Expand long-term treatment and services for medical monitoring of NAS babies and their families.

---

[1] As used in this Schedule A, words like "expand," "fund," "provide" or the like shall not indicate a preference for new or existing programs. Priorities will be established through the mechanisms described in the Term Sheet.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

E. Expansion of Warm Hand-off Programs and Recovery Services

1. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments;

2. Expand warm hand-off services to transition to recovery services;

3. Broaden scope of recovery services to include co-occurring SUD or mental health conditions. ;

4. Provide comprehensive wrap-around services to individuals in recovery including housing, transportation, job placement/training, and childcare; and

5. Hire additional social workers or other behavioral health workers to facilitate expansions above.

F. Treatment for Incarcerated Population

1. Provide evidence-based treatment and recovery support including MAT for persons with OUD and co-occurring SUD/MH disorders within and transitioning out of the criminal justice system; and

2. Increase funding for jails to provide treatment to inmates with OUD.

G. Prevention Programs

1. Funding for media campaigns to prevent opioid use (similar to the FDA's "Real Cost" campaign to prevent youth from misusing tobacco);

2. Funding for evidence-based prevention programs in schools.;

3. Funding for medical provider education and outreach regarding best prescribing practices for opioids consistent with the 2016 CDC guidelines, including providers at hospitals (academic detailing);

4. Funding for community drug disposal programs; and

5. Funding and training for first responders to participate in pre-arrest diversion programs, post-overdose response teams, or similar strategies that connect at-risk individuals to behavioral health services and supports.

H. Expanding Syringe Service Programs

1. Provide comprehensive syringe services programs with more wrap-around services including linkage to OUD treatment, access to sterile syringes, and linkage to care and treatment of infectious diseases.

I. Evidence-based data collection and research analyzing the effectiveness of the abatement strategies within the State.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

EXHIBIT B

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

Schedule B

Approved Uses

PART ONE: TREATMENT

A. TREAT OPIOID USE DISORDER (OUD)

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:[2]

1. Expand availability of treatment for OUD and any co-occurring SUD/MH conditions, including all forms of Medication-Assisted Treatment (MAT) approved by the U.S. Food and Drug Administration.

2. Support and reimburse evidence-based services that adhere to the American Society of Addiction Medicine (ASAM) continuum of care for OUD and any co-occurring SUD/MH conditions

3. Expand telehealth to increase access to treatment for OUD and any co-occurring SUD/MH conditions, including MAT, as well as counseling, psychiatric support, and other treatment and recovery support services.

4. Improve oversight of Opioid Treatment Programs (OTPs) to assure evidence-based or evidence-informed practices such as adequate methadone dosing and low threshold approaches to treatment.

5. Support mobile intervention, treatment, and recovery services, offered by qualified professionals and service providers, such as peer recovery coaches, for persons with OUD and any co-occurring SUD/MH conditions and for persons who have experienced an opioid overdose.

6. Treatment of trauma for individuals with OUD (e.g., violence, sexual assault, human trafficking, or adverse childhood experiences) and family members (e.g., surviving family members after an overdose or overdose fatality), and training of health care personnel to identify and address such trauma.

7. Support evidence-based withdrawal management services for people with OUD and any co-occurring mental health conditions.

8. Training on MAT for health care providers, first responders, students, or other supporting professionals, such as peer recovery coaches or recovery outreach specialists, including telementoring to assist community-based providers in rural or underserved areas.

9. Support workforce development for addiction professionals who work with persons with OUD and any co-occurring SUD/MH conditions.

10. Fellowships for addiction medicine specialists for direct patient care, instructors, and clinical research for treatments.

11. Scholarships and supports for behavioral health practitioners or workers involved in addressing OUD and any co-occurring SUD or mental health conditions, including but not limited to training,

[2] As used in this Schedule B, words like “expand,” “fund,” “provide” or the like shall not indicate a preference for new or existing programs. Priorities will be established through the mechanisms described in the Term Sheet.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

scholarships, fellowships, loan repayment programs, or other incentives for providers to work in rural or underserved areas.

12. [Intentionally Blank – to be cleaned up later for numbering]

13. Provide funding and training for clinicians to obtain a waiver under the federal Drug Addiction Treatment Act of 2000 (DATA 2000) to prescribe MAT for OUD, and provide technical assistance and professional support to clinicians who have obtained a DATA 2000 waiver.

14. Dissemination of web-based training curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service-Opioids web-based training curriculum and motivational interviewing.

15. Development and dissemination of new curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service for Medication-Assisted Treatment.

B. SUPPORT PEOPLE IN TREATMENT AND RECOVERY

Support people in treatment for or recovery from OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Provide comprehensive wrap-around services to individuals with OUD and any co-occurring SUD/MH conditions, including housing, transportation, education, job placement, job training, or childcare.

2. Provide the full continuum of care of treatment and recovery services for OUD and any co-occurring SUD/MH conditions, including supportive housing, peer support services and counseling, community navigators, case management, and connections to community-based services.

3. Provide counseling, peer-support, recovery case management and residential treatment with access to medications for those who need it to persons with OUD and any co-occurring SUD/MH conditions.

4. Provide access to housing for people with OUD and any co-occurring SUD/MH conditions, including supportive housing, recovery housing, housing assistance programs, training for housing providers, or recovery housing programs that allow or integrate FDA-approved medication with other support services.

5. Provide community support services, including social and legal services, to assist in deinstitutionalizing persons with OUD and any co-occurring SUD/MH conditions.

6. Support or expand peer-recovery centers, which may include support groups, social events, computer access, or other services for persons with OUD and any co-occurring SUD/MH conditions.

7. Provide or support transportation to treatment or recovery programs or services for persons with OUD and any co-occurring SUD/MH conditions.

8. Provide employment training or educational services for persons in treatment for or recovery from OUD and any co-occurring SUD/MH conditions.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

9. Identify successful recovery programs such as physician, pilot, and college recovery programs, and provide support and technical assistance to increase the number and capacity of high-quality programs to help those in recovery.

10. Engage non-profits, faith-based communities, and community coalitions to support people in treatment and recovery and to support family members in their efforts to support the person with OUD in the family.

11. Training and development of procedures for government staff to appropriately interact and provide social and other services to individuals with or in recovery from OUD, including reducing stigma.

12. Support stigma reduction efforts regarding treatment and support for persons with OUD, including reducing the stigma on effective treatment.

13. Create or support culturally appropriate services and programs for persons with OUD and any co-occurring SUD/MH conditions, including new Americans.

14. Create and/or support recovery high schools.

15. Hire or train behavioral health workers to provide or expand any of the services or supports listed above.

C. CONNECT PEOPLE WHO NEED HELP TO THE HELP THEY NEED (CONNECTIONS TO CARE)

Provide connections to care for people who have – or at risk of developing – OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Ensure that health care providers are screening for OUD and other risk factors and know how to appropriately counsel and treat (or refer if necessary) a patient for OUD treatment.

2. Fund Screening, Brief Intervention and Referral to Treatment (SBIRT) programs to reduce the transition from use to disorders, including SBIRT services to pregnant women who are uninsured or not eligible for Medicaid.

3. Provide training and long-term implementation of SBIRT in key systems (health, schools, colleges, criminal justice, and probation), with a focus on youth and young adults when transition from misuse to opioid disorder is common.

4. Purchase automated versions of SBIRT and support ongoing costs of the technology.

5. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments.

6. Training for emergency room personnel treating opioid overdose patients on post-discharge planning, including community referrals for MAT, recovery case management or support services.

7. Support hospital programs that transition persons with OUD and any co-occurring SUD/MH conditions, or persons who have experienced an opioid overdose, into clinically-appropriate follow-up care through a bridge clinic or similar approach.

8. Support crisis stabilization centers that serve as an alternative to hospital emergency departments for persons with OUD and any co-occurring SUD/MH conditions or persons that have experienced an opioid overdose.

9. Support the work of Emergency Medical Systems, including peer support specialists, to connect individuals to treatment or other appropriate services following an opioid overdose or other opioid-related adverse event.

10. Provide funding for peer support specialists or recovery coaches in emergency departments, detox facilities, recovery centers, recovery housing, or similar settings; offer services, supports, or connections to care to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced an opioid overdose.

11. Expand warm hand-off services to transition to recovery services.

12. Create or support school-based contacts that parents can engage with to seek immediate treatment services for their child; and support prevention, intervention, treatment, and recovery programs focused on young people.

13. Develop and support best practices on addressing OUD in the workplace.

14. Support assistance programs for health care providers with OUD.

15. Engage non-profits and the faith community as a system to support outreach for treatment.

16. Support centralized call centers that provide information and connections to appropriate services and supports for persons with OUD and any co-occurring SUD/MH conditions.

D. ADDRESS THE NEEDS OF CRIMINAL-JUSTICE-INVOLVED PERSONS

Address the needs of persons with OUD and any co-occurring SUD/MH conditions who are involved in, are at risk of becoming involved in, or are transitioning out of the criminal justice system through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions, including established strategies such as:

a. Self-referral strategies such as the Angel Programs or the Police Assisted Addiction Recovery Initiative (PAARI);

b. Active outreach strategies such as the Drug Abuse Response Team (DART) model;

c. “Naloxone Plus” strategies, which work to ensure that individuals who have received naloxone to reverse the effects of an overdose are then linked to treatment programs or other appropriate services;

d. Officer prevention strategies, such as the Law Enforcement Assisted Diversion (LEAD) model;

e. Officer intervention strategies such as the Leon County, Florida Adult Civil Citation Network or the Chicago Westside Narcotics Diversion to Treatment Initiative; or

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

f. Co-responder and/or alternative responder models to address OUD-related 911 calls with greater SUD expertise

2. Support pre-trial services that connect individuals with OUD and any co-occurring SUD/MH conditions to evidence-informed treatment, including MAT, and related services.

3. Support treatment and recovery courts that provide evidence-based options for persons with OUD and any co-occurring SUD/MH conditions

4. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are incarcerated in jail or prison.

5. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are leaving jail or prison have recently left jail or prison, are on probation or parole, are under community corrections supervision, or are in re-entry programs or facilities.

6. Support critical time interventions (CTI), particularly for individuals living with dual-diagnosis OUD/serious mental illness, and services for individuals who face immediate risks and service needs and risks upon release from correctional settings.

7. Provide training on best practices for addressing the needs of criminal-justice-involved persons with OUD and any co-occurring SUD/MH conditions to law enforcement, correctional, or judicial personnel or to providers of treatment, recovery, harm reduction, case management, or other services offered in connection with any of the strategies described in this section.

E. ADDRESS THE NEEDS OF PREGNANT OR PARENTING WOMEN AND THEIR FAMILIES, INCLUDING BABIES WITH NEONATAL ABSTINENCE SYNDROME

Address the needs of pregnant or parenting women with OUD and any co-occurring SUD/MH conditions, and the needs of their families, including babies with neonatal abstinence syndrome (NAS), through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Support evidence-based or evidence-informed treatment, including MAT, recovery services and supports, and prevention services for pregnant women – or women who could become pregnant – who have OUD and any co-occurring SUD/MH conditions, and other measures to educate and provide support to families affected by Neonatal Abstinence Syndrome.

2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for uninsured women with OUD and any co-occurring SUD/MH conditions for up to 12 months postpartum.

3. Training for obstetricians or other healthcare personnel that work with pregnant women and their families regarding treatment of OUD and any co-occurring SUD/MH conditions.

4. Expand comprehensive evidence-based treatment and recovery support for NAS babies; expand services for better continuum of care with infant-need dyad; expand long-term treatment and services for medical monitoring of NAS babies and their families.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

5. Provide training to health care providers who work with pregnant or parenting women on best practices for compliance with federal requirements that children born with Neonatal Abstinence Syndrome get referred to appropriate services and receive a plan of safe care.

6. Child and family supports for parenting women with OUD and any co-occurring SUD/MH conditions.

7. Enhanced family supports and child care services for parents with OUD and any co-occurring SUD/MH conditions.

8. Provide enhanced support for children and family members suffering trauma as a result of addiction in the family; and offer trauma-informed behavioral health treatment for adverse childhood events.

9. Offer home-based wrap-around services to persons with OUD and any co-occurring SUD/MH conditions, including but not limited to parent skills training.

10. Support for Children's Services – Fund additional positions and services, including supportive housing and other residential services, relating to children being removed from the home and/or placed in foster care due to custodial opioid use.

PART TWO: PREVENTION

F. PREVENT OVER-PRESCRIBING AND ENSURE APPROPRIATE PRESCRIBING AND DISPENSING OF OPIOIDS

Support efforts to prevent over-prescribing and ensure appropriate prescribing and dispensing of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Fund medical provider education and outreach regarding best prescribing practices for opioids consistent with Guidelines for Prescribing Opioids for Chronic Pain from the U.S. Centers for Disease Control and Prevention, including providers at hospitals (academic detailing).

2. Training for health care providers regarding safe and responsible opioid prescribing, dosing, and tapering patients off opioids.

3. Continuing Medical Education (CME) on appropriate prescribing of opioids.

4. Support for non-opioid pain treatment alternatives, including training providers to offer or refer to multi-modal, evidence-informed treatment of pain.

5. Support enhancements or improvements to Prescription Drug Monitoring Programs (PDMPs), including but not limited to improvements that:

a. Increase the number of prescribers using PDMPs;

b. Improve point-of-care decision-making by increasing the quantity, quality, or format of data available to prescribers using PDMPs, by improving the interface that prescribers use to access PDMP data, or both; or

c. Enable states to use PDMP data in support of surveillance or intervention strategies, including MAT referrals and follow-up for individuals identified within PDMP data as likely to experience OUD in a manner that complies with all relevant privacy and security laws and rules.

6. Ensuring PDMPs incorporate available overdose/naloxone deployment data, including the United States Department of Transportation's Emergency Medical Technician overdose database in a manner that complies with all relevant privacy and security laws and rules.

7. Increase electronic prescribing to prevent diversion or forgery.

8. Educate Dispensers on appropriate opioid dispensing.

G. PREVENT MISUSE OF OPIOIDS

Support efforts to discourage or prevent misuse of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Fund media campaigns to prevent opioid misuse.

2. Corrective advertising or affirmative public education campaigns based on evidence.

3. Public education relating to drug disposal.

4. Drug take-back disposal or destruction programs.

5. Fund community anti-drug coalitions that engage in drug prevention efforts.

6. Support community coalitions in implementing evidence-informed prevention, such as reduced social access and physical access, stigma reduction – including staffing, educational campaigns, support for people in treatment or recovery, or training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration (SAMHSA).

7. Engage non-profits and faith-based communities as systems to support prevention.

8. Fund evidence-based prevention programs in schools or evidence-informed school and community education programs and campaigns for students, families, school employees, school athletic programs, parent-teacher and student associations, and others.

9. School-based or youth-focused programs or strategies that have demonstrated effectiveness in preventing drug misuse and seem likely to be effective in preventing the uptake and use of opioids.

10. Create of support community-based education or intervention services for families, youth, and adolescents at risk for OUD and any co-occurring SUD/MH conditions.

11. Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills.

12. Support greater access to mental health services and supports for young people, including services and supports provided by school nurses, behavioral health workers or other school staff, to address

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

mental health needs in young people that (when not properly addressed) increase the risk of opioid or other drug misuse.

H. PREVENT OVERDOSE DEATHS AND OTHER HARMS (HARM REDUCTION)

Support efforts to prevent or reduce overdose deaths or other opioid-related harms through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Increase availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, individuals with OUD and their friends and family members, individuals at high risk of overdose, schools, community navigators and outreach workers, persons being released from jail or prison, or other members of the general public.

2. Public health entities provide free naloxone to anyone in the community

3. Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, community support groups, and other members of the general public.

4. Enable school nurses and other school staff to respond to opioid overdoses, and provide them with naloxone, training, and support.

5. Expand, improve, or develop data tracking software and applications for overdoses/naloxone revivals.

6. Public education relating to emergency responses to overdoses.

7. Public education relating to immunity and Good Samaritan laws.

8. Educate first responders regarding the existence and operation of immunity and Good Samaritan laws.

9. Syringe service programs and other evidence-informed programs to reduce harms associated with intravenous drug use, including supplies, staffing, space, peer support services, referrals to treatment, fentanyl checking, connections to care, and the full range of harm reduction and treatment services provided by these programs.

10. Expand access to testing and treatment for infectious diseases such as HIV and Hepatitis C resulting from intravenous opioid use.

11. Support mobile units that offer or provide referrals to harm reduction services, treatment, recovery supports, health care, or other appropriate services to persons that use opioids or persons with OUD and any co-occurring SUD/MH conditions.

12. Provide training in harm reduction strategies to health care providers, students, peer recovery coaches, recovery outreach specialists, or other professionals that provide care to persons who use opioids or persons with OUD and any co-occurring SUD/MH conditions.

13. Support screening for fentanyl in routine clinical toxicology testing.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

PART THREE: OTHER STRATEGIES

I. FIRST RESPONDERS

In addition to items in sections C, D, and H relating to first responders, support the following:

1. Educate law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs.

2. Provision of wellness and support services for first responders and others who experience secondary trauma associated with opioid-related emergency events.

J. LEADERSHIP, PLANNING AND COORDINATION

Support efforts to provide leadership, planning, coordination, facilitation, training and technical assistance to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Statewide, regional, local, or community regional planning to identify root causes of addiction and overdose, goals for reducing harms related to the opioid epidemic, and areas and populations with the greatest needs for treatment intervention services; to support training and technical assistance; or to support other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

2. A dashboard to share reports, recommendations, or plans to spend opioid settlement funds; to show how opioid settlement funds have been spent; to report program or strategy outcomes; or to track, share, or visualize key opioid-related or health-related indicators and supports as identified through collaborative statewide, regional, local, or community processes.

3. Invest in infrastructure or staffing at government or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of preventing overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list.

4. Provide resources to staff government oversight and management of opioid abatement programs.

K. TRAINING

In addition to the training referred to throughout this document, support training to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis.

2. Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent overdoses, and treat those with OUD and any co-occurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (e.g., health care, primary care, pharmacies, PDMPs, etc.).

L. RESEARCH

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

Support opioid abatement research that may include, but is not limited to, the following:

1. Monitoring, surveillance, data collection, and evaluation of programs and strategies described in this opioid abatement strategy list.

2. Research non-opioid treatment of chronic pain.

3. Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders.

4. Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips.

5. Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids.

6. Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (e.g. Hawaii HOPE and Dakota 24/7).

7. Epidemiological surveillance of OUD-related behaviors in critical populations including individuals entering the criminal justice system, including but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring (ADAM) system.

8. Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.

9. Geospatial analysis of access barriers to MAT and their association with treatment engagement and treatment outcomes.

DocuSign Envelope ID: D94BD0A2-61CA-4995-B825-2DBDF836BFFE

LAKE COUNTY
OPIOID ABATEMENT PLAN

This Lake County Opioid Abatement Plan is developed, periodically reviewed, and updated by the Lake County Opioid Task Force for the purpose of documenting the goals for opioid abuse abatement in Lake County, Florida.

WHEREAS, a local, state and national crisis arose as a result of the manufacture, distribution, and over-prescribing of opioid analgesics ("opioids") which resulted in opioid overdoses and addictions throughout municipalities, counties, states, and the nation; and,

WHEREAS, Lake County and the municipalities therein are not immune from this nationwide crisis; and,

WHEREAS, in January of 2021, a collaborative body known as the Lake County Opioid Task Force, hereinafter "Opioid Task Force," formed in Lake County in response to the alarming increase in opioid-related drug misuse and opioid-related deaths within the geographic boundaries of Lake County; and,

WHEREAS, the Opioid Task Force will continue to provide local governments with relevant information on the opioid national crises as well as information and analysis on the nature, extent, and problems in Lake County and on opioid-related programs consistent with the State MOU; and,

WHEREAS, the Opioid Task Force meets periodically to study and analyze data related to the opioid epidemic and abatement programming; and,

WHEREAS, the Opioid Task Force has developed a three-pronged approach to abate the opioid epidemic in Lake County by implementing a drug treatment court, focusing on medical services, and informing the public about opioid abuse and resources for treatment and prevention. This will be known as the Lake County Opioid Abatement Plan.

THEREFORE, Lake County's plan for opioid abatement includes the following:

1. Opioid Task Force. The Opioid Task Force's purpose is to gather data about the nature and extent of problems communities within the County face, and to receive, report, and make recommendations to the Lake County Board of County Commissioners (BCC) about activities that should be undertaken to abate the opioid epidemic.

2. Three-Part Plan. Through their research and data analysis, the Opioid Task Force has identified three key areas in which to focus opioid abatement efforts:

a. **Justice Services** – A positive correlation exists between drug abuse and crime. The creation of a drug treatment court, increasing data collection, and improving first responder training will reduce drug abuse and result in fewer crimes and less homelessness per capita.

i. Establish a Drug Treatment Court – Empirical evidence indicates drug treatment courts reduce substance abuse, hospitalizations, crime, and recidivism. Additionally, drug treatment courts have proven effective at reducing property crimes and public order offenses which strains the public safety, court, jail, probation & parole, and healthcare systems. Efforts will be taken to establish and maintain a dedicated drug treatment court in Lake County to improve the health, safety, and welfare for Lake County's residents by reducing crime and reducing taxpayer costs. The drug treatment court will be modeled after the most successful programs in the nation. The program goal is to reduce recidivism for drug related criminal offenses by sixty percent (60%) or more.

ii. Data Collection – Encourage participating agencies to enter overdose data into the High Intensity Drug Targeting Area (H.I.D.T.A.) tracking system to establish a baseline for performance measurements, identify trends, and enhance public outreach where clusters develop.

iii. Training – Offer opioid response training on best practices to law enforcement officers annually.

b. **Medical Services**. Experience indicates potential process improvements in the healthcare system beginning with the first patient contact in the field through discharge from the hospital will improve outcomes.

i. Map the healthcare opioid treatment process from initial patient contact in the field to hospital discharge.

ii. Improve the medical process by bridging any gaps in communication, information, and treatment between paramedics, treating physicians, patients, and patient families.

iii. Encourage healthcare facilities to expand the number of licensed medical professionals to become certified to provide Medication Assisted Treatment (M.A.T.) and combine the treatment with psychosocial interventions.

iv. Expand emergency peer support services currently provided by AdventHealth and L.S.F. Health Systems to all hospitals in Lake County. This program has successfully reduced overdose recidivism in the emergency room by fifty-five percent (55%).

v. Require Lake E.M.S. to enter all overdose data into the High Intensity Drug Targeting Area (H.I.D.T.A.) tracking system to establish a baseline for performance measurements, identify trends, and enhance public outreach.

vi. Require opioid treatment process best practices training for all E.M.T.s and paramedics biennially.

c. **Public Information**. Discussions with Lake County's stakeholders indicates a need for information sharing among public and private groups as well as public education about available treatment options for those impacted by opioid addiction.

i. Public Meetings – Hold three public information meetings, one in north, middle, and south Lake County, to educate the citizens about available drug treatment options for themselves or their loved ones. Education will include information about types of treatment options, locations of community groups and professional treatment facilities, the Hugh O' Connor Memorial Act, the Marchman Act, as well as others.

ii. Provider Meetings – Hold annual provider meetings for those working in the justice system and healthcare system to inform the service providers about the robust resource systems in place to locate help for their clients and patients.

iii. Software – Improve the available coordinated care networks including the "Aunt Bertha" and "Unite Us" systems by adding more providers.

iv. Brochures, Flyers, and Cards – Create treatment option informational notices and distribute them to public safety personnel to hand out while on calls regarding drug abuse or overdoses as well as places, like city halls, fueling stations, and other commercial facilities in other locations frequented by the public.

4. Obligations. Lake County and the Opioid Task Force will use its best efforts to investigate, analyze, and advise on matters related to the opioid epidemic and implement strategies with the goal of abatement. Nothing in this plan creates any legal requirements or obligations of any entity. This plan does not create any requirement that money be spent towards any activity herein and no person or entity may rely upon this plan as an indication of how money may be spent.

5. **Plan Modification**. This plan may be modified by the Lake County Opioid Task Force from time to time for any reason or no reason at all according to the needs of the County.

This plan was last updated on December 21, 2021.

EXHIBIT E
LAKE COUNTY DRUG COURT PROPOSED YEAR ONE BUDGET

	EXPENSE TYPE	UNIT DESCRIPTION	State MOU Core Strategies (Schedule A)	State MOU Approved Uses (Schedule B)	Approx. # of units or people		TOTAL COST
1	Transportation	Uber, bus passes, sober escorts etc.	E4	B1, B7	100		$ 5,000.00
2	Training and Education	Training & travel to conferences related to Drug Court Best Practices for approved team members		D3, D7, J3, K1			$ 13,000.00
3	Office Supplies & participant incentives for behavior change	Files, stationary, cards, certificates, pens, etc.		J4			$ 3,200.00
4	Administrative cost (Salary for 1 FTE Coordinator CPS1)	Pass through Lake County BOCC - salary & benefits for 1 FTE for Court Program Specialist 1 or equivalent position salary & benefits	F1	B5, D3, J3, K1	1		$ 70,000.00
		Cost of below services based on RFI					$ -
5	Treatment Services	Biopsychosocial Assessment	F1	B2, D5	50		$ 2,250.00
6	Treatment Services	Treatment Plan & Update	F1	A1, B2, B3, D5	100		$ 6,000.00
7	Treatment Services	Individual & family therapy sessions	F1	B2, B3, D5	200		$ 12,000.00
8	Treatment Services	Outpatient group	F1	B2, D5	2000		$ 50,000.00
9	Treatment Services	IOP (hourly rate)	F1	B2, D5	1000		$ 30,000.00
10	Treatment Services	Clinical case management	F1	B2, B3, D5	20		$ 400.00
11	Treatment Services	Initial Psychiatric Assessment (MAT/Meds)	B1, B4, F1	A1, B2, D5	20		$ 6,000.00
12	Treatment Services	Medication Management Follow Up	B1, B4, F1	A1, A7, B2, D5	20		$ 3,000.00
13	Treatment Services	Residential Level 2 (long term substance abuse treatment)	B4, E4, F1	A7, B2, B3	500		$ 93,200.00
14	Treatment Services	Recovery or Life skill or Criminogenic classes	F1	B2, D5	100		$ 2,000.00
15	Drug Screens	Drug testing for participants at an average of $30 per test (some variation in cost due to number of panels, confirmation, and type) random & frequent	F1	B2, D5	2000		$ 60,000.00
16	Sober Housing	Supportive housing focused on recovery	B4, E4	B1, B2, B4	500		$ 7,500.00
17	Recovery Housing	Therapeutically supervised supportive recovery driven living environment that requires random drug testing & organized supportive classes or sessions included	B4, E4	B1, B2, B4	200		$ 10,000.00
18	Peer Recovery Coaching		E2	B2, C10	100		$ 2,000.00
		TOTAL FOR COURT ADMINISTRATION					**$ 375,550.00**
		OTHER EXPENSES					$ -
19	Housing	Temporary housing or housing not related to sober living or residential treatment - will be provided through contracted service provider/managing entity	B4, E4	B1	5		$ 25,000.00
20	Attorneys	Training & other auxiliary funding related to Treatment Courts in Lake-for State Attorney& Public Defenders office ($20,000 each)		B5, J3	2	$ 20,000.00	$ 40,000.00
		TOTAL FOR ADDITIONAL LEGAL AND HOUSING SERVICES					**$ 65,000.00**
		TOTAL REQUEST					**$ 440,550.00**

EXHIBIT F

IN THE CIRCUIT COURT OF THE FIFTH JUDICIAL CIRCUIT OF FLORIDA IN AND FOR LAKE COUNTY, FLORIDA

ADMINISTRATIVE ORDER: L-2025-33

ADMINISTRATIVE ORDER ESTABLISHING THE LAKE COUNTY ADULT POST-ADJUDICATORY DRUG COURT PILOT PROJECT

WHEREAS, Florida Law affords individuals charged with certain crimes resulting from a substance abuse problem the opportunity to treat the root cause of their engagement in the criminal justice system through problem-solving court programs; and,

WHEREAS, it has been found that specialized court dockets are beneficial to manage the criminal cases of eligible individuals and to provide referral for treatment of their substance abuse problem (a/k/a substance use disorder); and,

WHEREAS, Chapter 397.334, Florida Statutes, allows counties to fund a treatment-based drug court program for the purpose of providing persons assessed with a substance abuse problem to be processed in a manner to appropriately address the severity of the identified substance abuse problem through treatment services tailored to the individual needs of the participant; and,

WHEREAS, the establishment of a pilot program entitled; "Lake County Adult Post-Adjudicatory Drug Court Program" is to the benefit of the residents of Lake County, Florida; and,

WHEREAS, the Fifth Judicial Circuit currently receives funds to support the Lake County Adult Post Adjudicatory Drug Court Program and its participants; and

WHEREAS, the pilot program is designed to serve eligible defendants/offenders from post-adjudicatory felony cases in Lake County, including post-adjudicatory violation of probation cases, certain post-adjudicatory 3rd degree non-violent felony cases under Chapter 810, Florida Statutes; or any other felony offense that is not a forcible felony as defined in section 776.08, Florida Statutes; and,

WHEREAS, Offenders with sentencing scores of 60 points or fewer or Offenders with sentencing scores of 60 points or fewer who have violated community control or probation due to a positive or suspect drug screen – if the underlying offense occurred on or after July 1, 2009, may be eligible to participate; and,

WHEREAS, Chapter 397, Florida Statues, in its entirety, establishes the provision of substance misuse services within the State of Florida, and;

WHEREAS, Chapter 397.334(4), Florida Statute establishes that the treatment-based drug court programs shall include therapeutic jurisprudence principles and adhere to the 10 key components, recognized by the Drug Courts Program Office of the Office of Justice Programs of the United States Department of Justice and adopted by the Florida Supreme Court Treatment-Based Drug Court Steering Committee; and

WHEREAS, in the interest of judicial economy and for the efficient administration of justice,

IT IS HEREBY ORDERED that:

1. **The Lake County Adult Post-Adjudicatory Drug Court is created and established as a pilot program,** and shall be maintained subject to the availability of adequate funding or until such time that either a permanent program is established or the pilot program is no longer deemed judicially economical and/or efficiently administering justice.

2. **The Lake County Adult Post-Adjudicatory Drug Court** shall determine whether any potentially eligible case type and Offender from the other Circuit Criminal Division meets the criteria for the Offender to be referred to substance use disorder treatment and support.

3. **The Lake County Adult Post-Adjudicatory Drug Court** will limit participation in the program to no more than 10 participants. Additional participants may be added upon approval of the Lake County Administrative Judge.

4. Any application fee for a Defendant who applies for acceptance into the **Lake County Adult Post-Adjudicatory Drug Court** shall be waived. This Provision will be re-evaluated each October to ascertain the effectiveness of said waiver.

5. Any monthly participation fee for person who is accepted into the **Lake County Adult Post-Adjudicatory Drug Court** shall be waived. This provision will be reevaluated each October to ascertain the effectiveness of the waiver of the monthly participation fee.

6. There shall be no refunds of any assessed fees which have already been paid.

7. The policies and procedures of the **Lake County Adult Post-**

Adjudicatory Drug Court shall be set forth in the Policy & Procedure Manual and shall include court requirements, eligibility criteria and referral procedures and will follow the Florida Supreme Court Best Practice Standards.

8. If defendants' participation in the program is terminated for cause, the defendant shall be terminated from the drug court program and sentenced accordingly by the drug court judge. The unpaid balance of any assessed fee(s) may become a lien of record.

9. All hearings conducted pursuant to this administrative order shall be electronically recorded.

DONE and ORDERED in Chambers at Tavares, Lake County, Florida this 14th of November 2025.

James R. Baxley
Lake County Administrative Judge

---

RECOMMENDATION/REQUIRED ACTION: Approve

Recommend approval of the First Amendment to the Community Development Block Grant (CDBG) Program Subreceipient Agreement with the City of Eustis, for the Coolidge Street Improvement Project.

The estimated fiscal impact is $400,000 (expenditure) and is within, and will not exceed, the Fiscal Year 2026 Budget. Commission District 4.

BACKGROUND SUMMARY: On September 24, 2024, the Board of County Commissioners (Board) approved and entered into a Subrecipient Agreement with the City of Eustis for a Community Development Block Grant (CDBG) for Fiscal Year 2024-25 in the amount of $400,000 for the completion of roadway, sewage and drainage infrastructure on Coolidge Street.

An extension has been requested to provide the subrecipient additional time to complete the project and provide reimbursement to the subrecipient for eligible project costs.

FIRST AMENDMENT TO
COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PROGRAM
SUBRECIPIENT AGREEMENT BETWEEN
LAKE COUNTY, FLORIDA, AND
THE CITY OF EUSTIS, FLORIDA, FOR
THE COOLIDGE STREET IMPROVEMENT PROJECT
CDBG FY 2024-2025

This First Amendment to Subrecipient Agreement ("First Amendment") is made and entered into by and between **LAKE COUNTY, FLORIDA**, a political subdivision of the State of Florida, hereinafter referred to as the "**County**," by and through its Board of County Commissioners, and **CITY OF EUSTIS, FLORIDA**, a municipal corporation pursuant to the Laws of Florida, by and through its City Council, hereinafter referred to as the "**Subrecipient**" (each a "Party" and collectively referred to as the "Parties").

WITNESSETH:

WHEREAS, the County applied for and has been awarded a Community Development Block Grant (CDBG) from the United States Department of Housing and Urban Development (HUD) under Title I of the Housing and Community Development Act of 1974, as amended (HCD Act), Public Law 93-383, which provides for the development, establishment, and administration of projects to benefit low- and moderate-income families, aid in elimination of slums or blight, and to meet urgent community development needs according to HUD regulations; and

WHEREAS, said HUD allows the County to develop partnerships with other governmental agencies and non-profit corporations to administer and implement projects that are eligible for CDBG funding; and

WHEREAS, HUD, as the Federal Awarding Agency of CDBG funds, has provided eligible uses of CDBG funds in 24 C.F.R. § 570.208; and

WHEREAS, the Subrecipient applied for and was awarded a share of the FY 2024-2025 CDBG entitlement for Subrecipient's Coolidge Street Improvement Project (hereinafter the "CDBG Project"); and

WHEREAS, the Parties entered into a Community Development Block Grant (CDBG) Program Subrecipient Agreement on September 24, 2024, governing the provision of funds from CDBG FY 2024-2025 to Subrecipient for the completion of the Project ("Agreement"); and

WHEREAS, the Parties now desire to amend the Agreement to provide Subrecipient additional time to complete the Project and provide reimbursement to Subrecipient for eligible project costs.

NOW THEREFORE, in consideration of the mutual covenants, promises and representations contained herein, the Parties agree as follows:

1. **Legal Findings of Fact.** The foregoing recitals are hereby adopted as legislative findings of the Board of County Commissioners and are ratified and confirmed as being true and correct and are hereby made a specific part of this First Amendment upon adoption hereof.

2. **Amendment.** The Agreement is hereby amended as follows:

A. Section III, ***Time of Performance,*** is hereby amended to extend the time for Project completion to March 31, 2027, as follows:

III. TIME OF PERFORMANCE

1. This Agreement shall be effective the later of October 1, 2024, or the date this Agreement is signed by the County, ("Effective Date") and will remain in effect ~~for eighteen (18) months following the Effective Date~~ through March 31, 2027.

2. Subrecipient shall commence the CDBG Project immediately following the Effective Date. The CDBG Project shall be completed ~~within eighteen (18) months from the Effective Date of this Agreement~~ no later than March 31, 2027.

3. Effect of Amendment. All other provisions of the Agreement will remain in full force and effect unless otherwise formally amended by the Parties. To the extent this First Amendment conflicts with the Agreement, this First Amendment will govern.

IN WITNESS WHEREOF, the parties have signed this First Amendment through their authorized representatives on the dates under each signature.

BOARD OF COUNTY COMMISSIONERS
LAKE COUNTY, FLORIDA
OFFICE OF THE COUNTY MANAGER
AGENDA ITEM COVER SHEET

DATE: 03/25/2026
MEETING DATE: 4/28/2026
TO: Jennifer Barker, County Manager
ITEM TYPE: Consent Item
THRU:
ITEM ID: 42839
Jill Brown, Office of Transit Director
BY: Amy Bradford, Paratransit Coordinator
SUBJECT: FDOT Section 5311 Off Cycle Capital Grant

RECOMMENDATION/REQUIRED ACTION: Approve
Adopt

Recommend approval:
1. Of the Florida Department of Transportation Section 5311 Off Cycle Capital Grant Agreement for Federal Fiscal Year 2025 and State Fiscal Year 2026; and
2. To adopt the Unanticipated Revenue Resolution to accept and appropriate $732,768 for the FDOT Section 5311 Off Cycle Capital Grant Agreement for Fiscal Year 2026; and
3. To procure vehicles under the State's bid list through FDOT's Transit Research Inspection Procurement Services (TRIPS) program.

The fiscal impact is $732,768 (revenue/expenditure - 100 percent grant funded).

BACKGROUND SUMMARY: The Florida Department of Transportation (FDOT) administers the state's allocation of the Federal Section 5311 Grant Program for non-urbanized area formula funding, authorized by Title 49, United States Code, to provide capital funding for public transit services in rural areas.

FDOT announced that they have additional Federal Fiscal Year (FFY) 2025 funding available through the Section 5311 grant program. This funding is separate from the regularly scheduled FFY 2026 grant cycle for operating and capital projects. The Board approved the Office of Transit Service to apply to replace four older paratransit buses on November 18, 2025.

FDOT has awarded the Section 5311 Off Cycle Grant with four new 23' Turtle Top paratransit buses for a cost of $183,192 each for a grant total of $732,768. The FDOT 5311 Off Cycle Capital Grant is funded eighty percent by the Federal Transit Administration, and twenty percent will utilize Toll Revenue Credit. Adopting the Unanticipated Revenue Resolution (URR) will allocate the funding in Fiscal Year 2026 Budget.

Fiscal Impact: The fiscal impact is $732,768 (revenue/expenditure - 100 percent grant funded).

CFDA Title:	Formula Grants for Rural Areas				
CSFA Number:	20.509				
CSFA Title:	Formula Grants for Rural				

THIS PUBLIC TRANSPORTATION GRANT AGREEMENT ("Agreement") is entered into _____, by and between the State of Florida, Department of Transportation, ("Department"), and Lake County Board of County Commissioners, ("Agency"). The Department and the Agency are sometimes referred to in this Agreement as a "Party" and collectively as the "Parties."

NOW, THEREFORE, in consideration of the mutual benefits to be derived from joint participation on the Project, the Parties agree to the following:

1. **Authority.** The Agency, by Resolution or other form of official authorization, a copy of which is attached as **Exhibit "D", Agency Resolution** and made a part of this Agreement, has authorized its officers to execute this Agreement on its behalf. The Department has the authority pursuant to Section(s) 341.051, Florida Statutes, to enter into this Agreement.

2. **Purpose of Agreement.** The purpose of this Agreement is to provide for the Department's participation in Section 5311 Capital Assistance as identified in Exhibit A of this agreement or as amended, as further described in **Exhibit "A", Project Description and Responsibilities**, attached and incorporated into this Agreement ("Project"), to provide Department financial assistance to the Agency, state the terms and conditions upon which Department funds will be provided, and to set forth the manner in which the Project will be undertaken and completed.

3. **Program Area.** For identification purposes only, this Agreement is implemented as part of the Department program area selected below (select all programs that apply):

   Aviation
   Seaports
   X **Transit**
   Intermodal
   Rail Crossing Closure
   Match to Direct Federal Funding (Aviation or Transit)
   (Note: Section 15 and Exhibit G do not apply to federally matched funding)
   Other

4. **Exhibits.** The following Exhibits are attached and incorporated into this Agreement:

   X Exhibit A: Project Description and Responsibilities
   X Exhibit B: Schedule of Financial Assistance
   *Exhibit B1: Deferred Reimbursement Financial Provisions
   *Exhibit B2: Advance Payment Financial Provisions
   X *Exhibit B3: Alternative Advanced Pay (Transit Bus Program)
   *Exhibit C: Terms and Conditions of Construction
   X Exhibit D: Agency Resolution
   X Exhibit E: Program Specific Terms and Conditions

X Exhibit E1: Prohibition Based on Health Care Choices
X Exhibit E2: Exterior Vehicle Wrap, Tinting, Paint, Marketing and Advertising (Transit)

Exhibit E3: Geoengineering and Weather Modification Reporting (Aviation)
X Exhibit E4: Energy Policy Goals Reporting
X Exhibit F: Contract Payment Requirements
*Exhibit G: Audit Requirements for Awards of State Financial Assistance
X *Exhibit H: Audit Requirements for Awards of Federal Financial Assistance
X *Exhibit I: Certification of Disbursement of Payment to Vehicle and/or Equipment Vendor
*Additional Exhibit(s):

*Indicates that the Exhibit is only attached and incorporated if applicable box is selected.

5. **Time.** Unless specified otherwise, all references to "days" within this Agreement refer to calendar days.

6. **Term of Agreement.** This Agreement shall commence upon full execution by both Parties ("Effective Date") and continue through June 30, 2028. If the Agency does not complete the Project within this time period, this Agreement will expire unless an extension of the time period is requested by the Agency and granted in writing by the Department prior to the expiration of this Agreement. Expiration of this Agreement will be considered termination of the Project. The cost of any work performed prior to the Effective Date or after the expiration date of this Agreement will not be reimbursed by the Department.

   a. If this box is checked the following provision applies:

   Unless terminated earlier, work on the Project shall commence no later than the day of , or within days of the issuance of the Notice to Proceed for the construction phase of the Project (if the Project involves construction), whichever date is earlier. The Department shall have the option to immediately terminate this Agreement should the Agency fail to meet the above-required dates.

7. **Amendments, Extensions, and Assignment.** This Agreement may be amended or extended upon mutual written agreement of the Parties. This Agreement shall not be renewed. This Agreement shall not be assigned, transferred, or otherwise encumbered by the Agency under any circumstances without the prior written consent of the Department.

8. **Termination or Suspension of Project.** The Department may, by written notice to the Agency, suspend any or all of the Department's obligations under this Agreement for the Agency's failure to comply with applicable law or the terms of this Agreement until such time as the event or condition resulting in such suspension has ceased or been corrected.

   a. Notwithstanding any other provision of this Agreement, if the Department intends to terminate the Agreement, the Department shall notify the Agency of such termination in writing at least thirty (30) days prior to the termination of the Agreement, with instructions to the effective date of termination or specify the stage of work at which the Agreement is to be terminated.

   b. The Parties to this Agreement may terminate this Agreement when its continuation would not produce beneficial results commensurate with the further expenditure of funds. In this event, the Parties shall agree upon the termination conditions.

   c. If the Agreement is terminated before performance is completed, the Agency shall be paid only for that work satisfactorily performed for which costs can be substantiated. Such payment, however, may not exceed the equivalent percentage of the Department's maximum financial assistance. If any portion of the Project is located on the Department's right-of-way, then all work in progress on the Department right-of-way will become the property of the Department and will be turned over promptly by the Agency.

d. In the event the Agency fails to perform or honor the requirements and provisions of this Agreement, the Agency shall promptly refund in full to the Department within thirty (30) days of the termination of the Agreement any funds that were determined by the Department to have been expended in violation of the Agreement.

e. The Department reserves the right to unilaterally cancel this Agreement for failure by the Agency to comply with the Public Records provisions of Chapter 119, Florida Statutes.

9. Project Cost:

a. The estimated total cost of the Project is $732,768. This amount is based upon **Exhibit "B", Schedule of Financial Assistance**. The timeline for deliverables and distribution of estimated amounts between deliverables within a grant phase, as outlined in **Exhibit "B", Schedule of Financial Assistance**, may be modified by mutual written agreement of the Parties and does not require execution of an **Amendment to the Public Transportation Grant Agreement**. The timeline for deliverables and distribution of estimated amounts between grant phases requires an amendment executed by both Parties in the same form as this Agreement.

b. The Department agrees to participate in the Project cost up to the maximum amount of $732,768 and, the Department's participation in the Project shall not exceed 100.00% of the total eligible cost of the Project, and as more fully described in **Exhibit "B", Schedule of Financial Assistance**. The Agency agrees to bear all expenses in excess of the amount of the Department's participation and any cost overruns or deficits involved.

10. Compensation and Payment:

a. Eligible Cost. The Department shall reimburse the Agency for allowable costs incurred as described in **Exhibit "A"**, **Project Description and Responsibilities**, and as set forth in **Exhibit "B", Schedule of Financial Assistance**.

b. Deliverables. The Agency shall provide quantifiable, measurable, and verifiable units of deliverables. Each deliverable must specify the required minimum level of service to be performed and the criteria for evaluating successful completion. The Project and the quantifiable, measurable, and verifiable units of deliverables are described more fully in **Exhibit "A", Project Description and Responsibilities**. Modifications to the deliverables in **Exhibit "A", Project Description and Responsibilities** requires a formal written amendment.

c. Invoicing. Invoices shall be submitted no more often than monthly by the Agency in detail sufficient for a proper pre-audit and post-audit, based on the quantifiable, measurable, and verifiable deliverables as established in **Exhibit "A", Project Description and Responsibilities**. Deliverables and costs incurred must be received and approved by the Department prior to reimbursement. Requests for reimbursement by the Agency shall include an invoice, progress report, and supporting documentation for the deliverables being billed that are acceptable to the Department. The Agency shall use the format for the invoice and progress report that is approved by the Department.

d. Supporting Documentation. Supporting documentation must establish that the deliverables were received and accepted in writing by the Agency and must also establish that the required minimum standards or level of service to be performed based on the criteria for evaluating successful completion as specified in **Exhibit "A", Project Description and Responsibilities** has been met. All costs invoiced shall be supported by properly executed payrolls, time records, invoices, contracts, or vouchers evidencing in proper detail the nature and propriety of charges as described in **Exhibit "F", Contract Payment Requirements**.

e. Travel Expenses. The selected provision below is controlling regarding travel expenses:

X Travel expenses are NOT eligible for reimbursement under this Agreement.

Travel expenses ARE eligible for reimbursement under this Agreement. Bills for travel expenses specifically authorized in this Agreement shall be submitted on the Department's Contractor Travel Form No. 300-000-06 and will be paid in accordance with Section 112.061, Florida Statutes, and the most current version of the Department's Disbursement Handbook for Employees and Managers.

f. **Financial Consequences.** Payment shall be made only after receipt and approval of deliverables and costs incurred unless advance payments are authorized by the Chief Financial Officer of the State of Florida under Chapters 215 and 216, Florida Statutes, or the Department's Comptroller under Section 334.044(29), Florida Statutes. If the Department determines that the performance of the Agency is unsatisfactory, the Department shall notify the Agency of the deficiency to be corrected, which correction shall be made within a time-frame to be specified by the Department. The Agency shall, within thirty (30) days after notice from the Department, provide the Department with a corrective action plan describing how the Agency will address all issues of contract non-performance, unacceptable performance, failure to meet the minimum performance levels, deliverable deficiencies, or contract non-compliance. If the corrective action plan is unacceptable to the Department, the Agency will not be reimbursed. If the deficiency is subsequently resolved, the Agency may bill the Department for the amount that was previously not reimbursed during the next billing period. If the Agency is unable to resolve the deficiency, the funds shall be forfeited at the end of the Agreement's term.

g. **Invoice Processing.** An Agency receiving financial assistance from the Department should be aware of the following time frames. Inspection or verification and approval of deliverables shall take no longer than 20 days from the Department's receipt of the invoice. The Department has 20 days to deliver a request for payment (voucher) to the Department of Financial Services. The 20 days are measured from the latter of the date the invoice is received or the deliverables are received, inspected or verified, and approved.

If a payment is not available within 40 days, a separate interest penalty at a rate as established pursuant to Section 55.03(1), Florida Statutes, will be due and payable, in addition to the invoice amount, to the Agency. Interest penalties of less than one (1) dollar will not be enforced unless the Agency requests payment. Invoices that have to be returned to an Agency because of Agency preparation errors will result in a delay in the payment. The invoice payment requirements do not start until a properly completed invoice is provided to the Department.

A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this individual include acting as an advocate for Agency who may be experiencing problems in obtaining timely payment(s) from a state agency. The Vendor Ombudsman may be contacted at (850) 413-5516.

h. **Records Retention.** The Agency shall maintain an accounting system or separate accounts to ensure funds and projects are tracked separately. Records of costs incurred under the terms of this Agreement shall be maintained and made available upon request to the Department at all times during the period of this Agreement and for five years after final payment is made. Copies of these records shall be furnished to the Department upon request. Records of costs incurred include the Agency's general accounting records and the Project records, together with supporting documents and records, of the Contractor and all subcontractors performing work on the Project, and all other records of the Contractor and subcontractors considered necessary by the Department for a proper audit of costs.

i. **Progress Reports.** Upon request, the Agency agrees to provide progress reports to the Department in the standard format used by the Department and at intervals established by the Department. The Department will be entitled at all times to be advised, at its request, as to the status of the Project and of details thereof.

j. **Submission of Other Documents.** The Agency shall submit to the Department such data, reports, records, contracts, and other documents relating to the Project as the Department may require as listed in **Exhibit "E", Program Specific Terms and Conditions** attached to and incorporated into this Agreement.

k. **Offsets for Claims.** If, after Project completion, any claim is made by the Department resulting from an audit or for work or services performed pursuant to this Agreement, the Department may offset such amount from payments due for work or services done under any agreement that it has with the Agency owing such amount if, upon written demand, payment of the amount is not made within 60 days to the Department. Offsetting any amount pursuant to this paragraph shall not be considered a breach of contract by the Department.

l. **Final Invoice.** The Agency must submit the final invoice on the Project to the Department within 120 days after the completion of the Project. Invoices submitted after the 120-day time period may not be paid.

m. **Department's Performance and Payment Contingent Upon Annual Appropriation by the Legislature.** The Department's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. If the Department's funding for this Project is in multiple fiscal years, a notice of availability of funds from the Department's project manager must be received prior to costs being incurred by the Agency. See **Exhibit "B", Schedule of Financial Assistance** for funding levels by fiscal year. Project costs utilizing any fiscal year funds are not eligible for reimbursement if incurred prior to funds approval being received. The Department will notify the Agency, in writing, when funds are available.

n. **Limits on Contracts Exceeding $25,000 and Term more than 1 Year.** In the event this Agreement is in excess of $25,000 and has a term for a period of more than one year, the provisions of Section 339.135(6)(a), Florida Statutes, are hereby incorporated:

> "The Department, during any fiscal year, shall not expend money, incur any liability, or enter into any contract which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such contract. The Department shall require a statement from the comptroller of the Department that funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding 1 year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years; and this paragraph shall be incorporated verbatim in all contracts of the Department which are for an amount in excess of $25,000 and which have a term for a period of more than 1 year."

o. **Agency Obligation to Refund Department.** Any Project funds made available by the Department pursuant to this Agreement that are determined by the Department to have been expended by the Agency in violation of this Agreement or any other applicable law or regulation shall be promptly refunded in full to the Department. Acceptance by the Department of any documentation or certifications, mandatory or otherwise permitted, that the Agency files

shall not constitute a waiver of the Department's rights as the funding agency to verify all information at a later date by audit or investigation.

p. **Non-Eligible Costs.** In determining the amount of the payment, the Department will exclude all Project costs incurred by the Agency prior to the execution of this Agreement, costs incurred after the expiration of the Agreement, costs that are not provided for in **Exhibit "A"**, **Project Description and Responsibilities**, and as set forth in **Exhibit "B", Schedule of Financial Assistance**, costs agreed to be borne by the Agency or its contractors and subcontractors for not meeting the Project commencement and final invoice time lines, and costs attributable to goods or services received under a contract or other arrangement that has not been approved in writing by the Department. Specific unallowable costs may be listed in **Exhibit "A"**, **Project Description and Responsibilities.**

11. **General Requirements.** The Agency shall complete the Project with all practical dispatch in a sound, economical, and efficient manner, and in accordance with the provisions in this Agreement and all applicable laws.

a. **Necessary Permits Certification.** The Agency shall certify to the Department that the Agency's design consultant and/or construction contractor has secured the necessary permits.

b. **Right-of-Way Certification.** If the Project involves construction, then the Agency shall provide to the Department certification and a copy of appropriate documentation substantiating that all required right-of-way necessary for the Project has been obtained. Certification is required prior to authorization for advertisement for or solicitation of bids for construction of the Project, even if no right-of-way is required.

c. **Notification Requirements When Performing Construction on Department's Right-of-Way.** In the event the cost of the Project is greater than $250,000.00, and the Project involves construction on the Department's right-of-way, the Agency shall provide the Department with written notification of either its intent to:

i. Require the construction work of the Project that is on the Department's right-of-way to be performed by a Department prequalified contractor, or

ii. Construct the Project utilizing existing Agency employees, if the Agency can complete said Project within the time frame set forth in this Agreement.

d. If this box is checked, then the Agency is permitted to utilize its own forces and the following provision applies: **Use of Agency Workforce.** In the event the Agency proceeds with any phase of the Project utilizing its own forces, the Agency will only be reimbursed for direct costs (this excludes general overhead).

e. If this box is checked, then the Agency is permitted to utilize **Indirect Costs: Reimbursement for Indirect Program Expenses** (select one):

i. Agency has selected to seek reimbursement from the Department for actual indirect expenses (no rate).

ii. Agency has selected to apply a de minimus rate of 15% to modified total direct costs. Note: The de minimus rate is available only to entities that have never had a negotiated indirect cost rate. When selected, the de minimus rate must be used consistently for all federal awards until such time the agency chooses to negotiate a rate. A cost policy statement and de minimis certification form must be submitted to the Department for review and approval.

iii. Agency has selected to apply a state or federally approved indirect cost rate. A federally approved rate agreement or indirect cost allocation plan (ICAP) must be submitted annually.

f. **Agency Compliance with Laws, Rules, and Regulations, Guidelines, and Standards.** The Agency shall comply and require its contractors and subcontractors to comply with all terms and conditions of this Agreement and all federal, state, and local laws and regulations applicable to this Project.

g. **Claims and Requests for Additional Work.** The Agency shall have the sole responsibility for resolving claims and requests for additional work for the Project. The Agency will make best efforts to obtain the Department's input in its decisions. The Department is not obligated to reimburse for claims or requests for additional work.

12. **Contracts of the Agency:**

a. **Approval of Third Party Contracts.** The Department specifically reserves the right to review and approve any and all third party contracts with respect to the Project before the Agency executes or obligates itself in any manner requiring the disbursement of Department funds, including consultant and purchase of commodities contracts, or amendments thereto. If the Department chooses to review and approve third party contracts for this Project and the Agency fails to obtain such approval, that shall be sufficient cause for nonpayment by the Department. The Department specifically reserves unto itself the right to review the qualifications of any consultant or contractor and to approve or disapprove the employment of the same. If Federal Transit Administration (FTA) funds are used in the Project, the Department must exercise the right to third party contract review.

b. **Procurement of Commodities or Contractual Services.** It is understood and agreed by the Parties hereto that participation by the Department in a project with the Agency, where said project involves the purchase of commodities or contractual services where purchases or costs exceed the Threshold Amount for CATEGORY TWO per Section 287.017, Florida Statutes, is contingent on the Agency complying in full with the provisions of Section 287.057, Florida Statutes. The Agency's Authorized Official shall certify to the Department that the Agency's purchase of commodities or contractual services has been accomplished in compliance with Section 287.057, Florida Statutes. It shall be the sole responsibility of the Agency to ensure that any obligations made in accordance with this Section comply with the current threshold limits. Contracts, purchase orders, task orders, construction change orders, or any other agreement that would result in exceeding the current budget contained in **Exhibit "B", Schedule of Financial Assistance**, or that is not consistent with the Project description and scope of services contained in **Exhibit "A", Project Description and Responsibilities** must be approved by the Department prior to Agency execution. Failure to obtain such approval, and subsequent execution of an amendment to the Agreement if required, shall be sufficient cause for nonpayment by the Department, in accordance with this Agreement.

c. **Consultants' Competitive Negotiation Act.** It is understood and agreed by the Parties to this Agreement that participation by the Department in a project with the Agency, where said project involves a consultant contract for professional services, is contingent on the Agency's full compliance with provisions of Section 287.055, Florida Statutes, Consultants' Competitive Negotiation Act. In all cases, the Agency's Authorized Official shall certify to the Department that selection has been accomplished in compliance with the Consultants' Competitive Negotiation Act.

d. **Disadvantaged Business Enterprise (DBE) Policy and Obligation.** It is the policy of the Department that DBEs, as defined in 49 C.F.R. Part 26, as amended, shall have the opportunity to participate in the performance of contracts financed in whole or in part with Department funds under this Agreement. The DBE requirements of applicable federal and

state laws and regulations apply to this Agreement. The Agency and its contractors agree to ensure that DBEs have the opportunity to participate in the performance of this Agreement. In this regard, all recipients and contractors shall take all necessary and reasonable steps in accordance with applicable federal and state laws and regulations to ensure that the DBEs have the opportunity to compete for and perform contracts. The Agency and its contractors and subcontractors shall not discriminate on the basis of race, color, national origin or sex in the award and performance of contracts, entered pursuant to this Agreement.

13. **Maintenance Obligations**. In the event the Project includes construction or the acquisition of commodities then the following provisions are incorporated into this Agreement:

    a. The Agency agrees to accept all future maintenance and other attendant costs occurring after completion of the Project for all improvements constructed or commodities acquired as part of the Project. The terms of this provision shall survive the termination of this Agreement.

14. **Sale, Transfer, or Disposal of Department-funded Property:**

    a. The Agency will not sell or otherwise transfer or dispose of any part of its title or other interests in real property, facilities, or equipment funded in any part by the Department under this Agreement without prior written approval by the Department.

    b. If a sale, transfer, or disposal by the Agency of all or a portion of Department-funded real property, facilities, or equipment is approved by the Department, the following provisions will apply:

        i. The Agency shall reimburse the Department a proportional amount of the proceeds of the sale of any Department-funded property.

        ii. The proportional amount shall be determined on the basis of the ratio of the Department funding of the development or acquisition of the property multiplied against the sale amount, and shall be remitted to the Department within ninety (90) days of closing of sale.

        iii. Sale of property developed or acquired with Department funds shall be at market value as determined by appraisal or public bidding process, and the contract and process for sale must be approved in advance by the Department.

        iv. If any portion of the proceeds from the sale to the Agency are non-cash considerations, reimbursement to the Department shall include a proportional amount based on the value of the non-cash considerations.

    c. The terms of provisions “a” and “b” above shall survive the termination of this Agreement.

        i. The terms shall remain in full force and effect throughout the useful life of facilities developed, equipment acquired, or Project items installed within a facility, but shall not exceed twenty (20) years from the effective date of this Agreement.

        ii. There shall be no limit on the duration of the terms with respect to real property acquired with Department funds.

15. **Single Audit.** The administration of Federal or State resources awarded through the Department to the Agency by this Agreement may be subject to audits and/or monitoring by the Department. The following requirements do not limit the authority of the Department to conduct or arrange for the conduct of additional audits or evaluations of Federal awards or State financial assistance or limit the authority of any state agency inspector general, the State of Florida Auditor General, or any other state official. The Agency shall comply with all audit and audit reporting requirements as specified below.

Federal Funded:

a. In addition to reviews of audits conducted in accordance with 2 CFR Part 200, Subpart F – Audit Requirements, monitoring procedures may include but not be limited to on-site visits by Department staff and/or other procedures, including reviewing any required performance and financial reports, following up, ensuring corrective action, and issuing management decisions on weaknesses found through audits when those findings pertain to Federal awards provided through the Department by this Agreement. By entering into this Agreement, the Agency agrees to comply and cooperate fully with any monitoring procedures/processes deemed appropriate by the Department. The Agency further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Department, State of Florida Chief Financial Officer (CFO), or State of Florida Auditor General.

b. The Agency, a non-Federal entity as defined by 2 CFR Part 200, Subpart F – Audit Requirements, as a subrecipient of a Federal award awarded by the Department through this Agreement, is subject to the following requirements:

i. In the event the Agency expends a total amount of Federal awards equal to or in excess of the threshold established by 2 CFR Part 200, Subpart F – Audit Requirements, the Agency must have a Federal single or program-specific audit conducted for such fiscal year in accordance with the provisions of 2 CFR Part 200, Subpart F – Audit Requirements. **Exhibit "H", Audit Requirements for Awards of Federal Financial Assistance**, to this Agreement provides the required Federal award identification information needed by the Agency to further comply with the requirements of 2 CFR Part 200, Subpart F – Audit Requirements. In determining Federal awards expended in a fiscal year, the Agency must consider all sources of Federal awards based on when the activity related to the Federal award occurs, including the Federal award provided through the Department by this Agreement. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by 2 CFR Part 200, Subpart F – Audit Requirements. An audit conducted by the State of Florida Auditor General in accordance with the provisions of 2 CFR Part 200, Subpart F – Audit Requirements, will meet the requirements of this part.

ii. In connection with the audit requirements, the Agency shall fulfill the requirements relative to the auditee responsibilities as provided in 2 CFR Part 200, Subpart F – Audit Requirements.

iii. In the event the Agency expends less than the threshold established by 2 CFR Part 200, Subpart F – Audit Requirements, in Federal awards, the Agency is exempt from Federal audit requirements for that fiscal year. However, the Agency must provide a single audit exemption statement to the Department at FDOTSingleAudit@dot.state.fl.us no later than nine months after the end of the Agency's audit period for each applicable audit year. In the event the Agency expends less than the threshold established by 2 CFR Part 200, Subpart F – Audit Requirements, in Federal awards in a fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F – Audit Requirements, the cost of the audit must be paid from non-Federal resources (*i.e.*, the cost of such an audit must be paid from the Agency's resources obtained from other than Federal entities).

iv. The Agency must electronically submit to the Federal Audit Clearinghouse (FAC) at https://harvester.census.gov/facweb/ the audit reporting package as required by 2 CFR Part 200, Subpart F – Audit Requirements, within the earlier of 30 calendar days after receipt of the auditor's report(s) or nine months after the end of the audit period.

The FAC is the repository of record for audits required by 2 CFR Part 200, Subpart F – Audit Requirements. However, the Department requires a copy of the audit reporting package also be submitted to FDOTSingleAudit@dot.state.fl.us within the earlier of 30 calendar days after receipt of the auditor's report(s) or nine months after the end of the audit period as required by 2 CFR Part 200, Subpart F – Audit Requirements.

v. Within six months of acceptance of the audit report by the FAC, the Department will review the Agency's audit reporting package, including corrective action plans and management letters, to the extent necessary to determine whether timely and appropriate action on all deficiencies has been taken pertaining to the Federal award provided through the Department by this Agreement. If the Agency fails to have an audit conducted in accordance with 2 CFR Part 200, Subpart F – Audit Requirements, the Department may impose additional conditions to remedy noncompliance. If the Department determines that noncompliance cannot be remedied by imposing additional conditions, the Department may take appropriate actions to enforce compliance, which actions may include but not be limited to the following:

1. Temporarily withhold cash payments pending correction of the deficiency by the Agency or more severe enforcement action by the Department;
2. Disallow (deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance;
3. Wholly or partly suspend or terminate the Federal award;
4. Initiate suspension or debarment proceedings as authorized under 2 C.F.R. Part 180 and Federal awarding agency regulations (or in the case of the Department, recommend such a proceeding be initiated by the Federal awarding agency);
5. Withhold further Federal awards for the Project or program;
6. Take other remedies that may be legally available.

vi. As a condition of receiving this Federal award, the Agency shall permit the Department or its designee, the CFO, or State of Florida Auditor General access to the Agency's records, including financial statements, the independent auditor's working papers, and project records as necessary. Records related to unresolved audit findings, appeals, or litigation shall be retained until the action is complete or the dispute is resolved.

vii. The Department's contact information for requirements under this part is as follows:

Office of Comptroller, MS 24
605 Suwannee Street
Tallahassee, Florida 32399-0450
FDOTSingleAudit@dot.state.fl.us

State Funded:

a. In addition to reviews of audits conducted in accordance with Section 215.97, Florida Statutes, monitoring procedures to monitor the Agency's use of state financial assistance may include but not be limited to on-site visits by Department staff and/or other procedures, including reviewing any required performance and financial reports, following up, ensuring corrective action, and issuing management decisions on weaknesses found through audits when those findings pertain to state financial assistance awarded through the Department by this Agreement. By entering into this Agreement, the Agency agrees to comply and cooperate fully with any monitoring procedures/processes deemed appropriate by the Department. The Agency further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Department, the Department of Financial Services (DFS), or State of Florida Auditor General.

b. The Agency, a "nonstate entity" as defined by Section 215.97, Florida Statutes, as a recipient of state financial assistance awarded by the Department through this Agreement, is subject to the following requirements:

i. In the event the Agency meets the audit threshold requirements established by Section 215.97, Florida Statutes, the Agency must have a State single or project-specific audit conducted for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. **Exhibit "G", Audit Requirements for Awards of State Financial Assistance,** to this Agreement indicates state financial assistance awarded through the Department by this Agreement needed by the Agency to further comply with the requirements of Section 215.97, Florida Statutes. In determining the state financial assistance expended in a fiscal year, the Agency shall consider all sources of state financial assistance, including state financial assistance received from the Department by this Agreement, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

ii. In connection with the audit requirements, the Agency shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2)(e), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

iii. In the event the Agency does not meet the audit threshold requirements established by Section 215.97, Florida Statutes, the Agency is exempt for such fiscal year from the state single audit requirements of Section 215.97, Florida Statutes. However, the Agency must provide a single audit exemption statement to the Department at FDOTSingleAudit@dot.state.fl.us no later than nine months after the end of the Agency's audit period for each applicable audit year. In the event the Agency does not meet the audit threshold requirements established by Section 215.97, Florida Statutes, in a fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the Agency's resources (*i.e.*, the cost of such an audit must be paid from the Agency's resources obtained from other than State entities).

iv. In accordance with Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, copies of financial reporting packages required by this Agreement shall be submitted to:

Florida Department of Transportation
Office of Comptroller, MS 24
605 Suwannee Street
Tallahassee, Florida 32399-0405
FDOTSingleAudit@dot.state.fl.us

And

State of Florida Auditor General
Local Government Audits/342
111 West Madison Street, Room 401
Tallahassee, FL 32399-1450
Email: flaudgen_localgovt@aud.state.fl.us

v. Any copies of financial reporting packages, reports, or other information required to be submitted to the Department shall be submitted timely in accordance with Section 215.97, Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

vi. The Agency, when submitting financial reporting packages to the Department for audits done in accordance with Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, should indicate the date the reporting package was delivered to the Agency in correspondence accompanying the reporting package.

vii. Upon receipt, and within six months, the Department will review the Agency's financial reporting package, including corrective action plans and management letters, to the extent necessary to determine whether timely and appropriate corrective action on all deficiencies has been taken pertaining to the state financial assistance provided through the Department by this Agreement. If the Agency fails to have an audit conducted consistent with Section 215.97, Florida Statutes, the Department may take appropriate corrective action to enforce compliance.

viii. As a condition of receiving state financial assistance, the Agency shall permit the Department or its designee, DFS, or the Auditor General access to the Agency's records, including financial statements, the independent auditor's working papers, and project records as necessary. Records related to unresolved audit findings, appeals, or litigation shall be retained until the action is complete or the dispute is resolved.

c. The Agency shall retain sufficient records demonstrating its compliance with the terms of this Agreement for a period of five years from the date the audit report is issued and shall allow the Department or its designee, DFS, or State of Florida Auditor General access to such records upon request. The Agency shall ensure that the audit working papers are made available to the Department or its designee, DFS, or State of Florida Auditor General upon request for a period of five years from the date the audit report is issued, unless extended in writing by the Department.

16. **Notices and Approvals.** Notices and approvals referenced in this Agreement must be obtained in writing from the Parties' respective Administrators or their designees.

17. **Restrictions, Prohibitions, Controls and Labor Provisions:**

a. **Convicted Vendor List.** A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity; may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

b. **Discriminatory Vendor List.** In accordance with Section 287.134, Florida Statutes, an entity or affiliate who has been placed on the Discriminatory Vendor List, kept by the Florida Department of Management Services, may not submit a bid on a contract to provide goods or services to a public entity; may not submit a bid on a contract with a public entity for the

construction or repair of a public building or public work; may not submit bids on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.

c. **Non-Responsible Contractors.** An entity or affiliate who has had its Certificate of Qualification suspended, revoked, denied, or have further been determined by the Department to be a non-responsible contractor, may not submit a bid or perform work for the construction or repair of a public building or public work on a contract with the Agency.

d. **Prohibition on Using Funds for Lobbying.** No funds received pursuant to this Agreement may be expended for lobbying the Florida Legislature, judicial branch, or any state agency, in accordance with Section 216.347, Florida Statutes.

e. **Unauthorized Aliens.** The Department shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If the contractor knowingly employs unauthorized aliens, such violation will be cause for unilateral cancellation of this Agreement.

f. **Procurement of Construction Services.** If the Project is procured pursuant to Chapter 255, Florida Statutes, for construction services and at the time of the competitive solicitation for the Project, 50 percent or more of the cost of the Project is to be paid from state-appropriated funds, then the Agency must comply with the requirements of Section 255.0991, Florida Statutes.

g. **E-Verify.** The Agency shall:

   i. Utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the Agency during the term of the contract; and

   ii. Expressly require any subcontractors performing work or providing services pursuant to the state contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the contract term.

h. **Projects with Non-profit Organizations.** Pursuant to Section 216.1366. Florida Statutes, if the Agency is a nonprofit organization as defined in Section 215.97(2)(m), Florida Statutes, the Agency shall provide documentation to indicate the amount of state funds:

   i. Allocated to be used during the full term of this Agreement for remuneration to any member of the board of directors or an officer of the Agency

   ii. Allocated under each payment by the Department to be used for remuneration of any member of the board of directors or an officer of the Agency. The documentation must indicate the amounts and recipients of the remuneration.

Such information will be posted by the Department to the Florida Accountability Contract Tracking System maintained pursuant to Section 215.985, F.S., and must additionally be posted to the Agency's website, if the Agency is a non-profit organization and maintains a website. The Agency shall utilize the Department's Form 350-090-19, Compensation to Non-Profits Using State Funds, for purposes of documenting the compensation. The subject Form is required for every contract for services executed, amended, or extended on or after July 1, 2023, with non-profit organizations.

Pursuant to Section 216.1366, F.S., the term:

i. "Officer" means a chief executive officer, chief financial officer, chief operating officer, or any other position performing and equivalent function.
ii. "Remuneration" means all compensation earned by or awarded to personnel, whether paid or accrued, regardless of contingency, including bonuses, accrued paid time off, severance payments, incentive payments, contributions to a retirement plan or in-kind payments, reimbursements, or allowances for moving expenses, vehicles and other transportation, telephone services, medical services, housing and meals.
iii. "State Funds" means funds paid from the General Revenue Fund or any state trust fund, funds allocated by the Federal Government and distributed by the state, or funds appropriated by the Federal Government and distributed by the state, or funds appropriated by the state for distribution through any grant program. The term does not include funds used for the Medicaid program.

i. Design Services and Construction Engineering and Inspection Services. If the Project is wholly or partially funded by the Department and administered by a local governmental entity, except for a seaport listed in Section 311.09, Florida Statutes, or an airport as defined in Section 332.004, Florida Statutes, the entity performing design and construction engineering and inspection services may not be the same entity.

18. Indemnification and Insurance:

a. It is specifically agreed between the Parties executing this Agreement that it is not intended by any of the provisions of any part of this Agreement to create in the public or any member thereof, a third party beneficiary under this Agreement, or to authorize anyone not a party to this Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Agreement. The Agency guarantees the payment of all just claims for materials, supplies, tools, or labor and other just claims against the Agency or any subcontractor, in connection with this Agreement. Additionally, the Agency shall indemnify, defend, and hold harmless the State of Florida, Department of Transportation, including the Department's officers and employees, from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorney's fees, to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of the Agency and persons employed or utilized by the Agency in the performance of this Agreement. This indemnification shall survive the termination of this Agreement. Additionally, the Agency agrees to include the following indemnification in all contracts with contractors/subcontractors and consultants/subconsultants who perform work in connection with this Agreement:

"To the fullest extent permitted by law, the Agency's contractor/consultant shall indemnify, defend, and hold harmless the Agency and the State of Florida, Department of Transportation, including the Department's officers and employees, from liabilities, damages, losses and costs, including, but not limited to, reasonable attorney's fees, to the extent caused by the negligence, recklessness or intentional wrongful misconduct of the contractor/consultant and persons employed or utilized by the contractor/consultant in the performance of this Agreement.

This indemnification shall survive the termination of this Agreement."

b. The Agency shall provide Workers' Compensation Insurance in accordance with Florida's Workers' Compensation law for all employees. If subletting any of the work, ensure that the subcontractor(s) and subconsultant(s) have Workers' Compensation Insurance for their employees in accordance with Florida's Workers' Compensation law. If using "leased employees" or employees obtained through professional employer organizations ("PEO's"), ensure that such employees are covered by Workers' Compensation Insurance through the

PEO's or other leasing entities. Ensure that any equipment rental agreements that include operators or other personnel who are employees of independent contractors, sole proprietorships, or partners are covered by insurance required under Florida's Workers' Compensation law.

c. If the Agency elects to self-perform the Project, then the Agency may self-insure. If the Agency elects to hire a contractor or consultant to perform the Project, then the Agency shall carry, or cause its contractor or consultant to carry, Commercial General Liability insurance providing continuous coverage for all work or operations performed under this Agreement. Such insurance shall be no more restrictive than that provided by the latest occurrence form edition of the standard Commercial General Liability Coverage Form (ISO Form CG 00 01) as filed for use in the State of Florida. The Agency shall cause, or cause its contractor or consultant to cause, the Department to be made an Additional Insured as to such insurance. Such coverage shall be on an "occurrence" basis and shall include Products/Completed Operations coverage. The coverage afforded to the Department as an Additional Insured shall be primary as to any other available insurance and shall not be more restrictive than the coverage afforded to the Named Insured. The limits of coverage shall not be less than $1,000,000 for each occurrence and not less than a $5,000,000 annual general aggregate, inclusive of amounts provided by an umbrella or excess policy. The limits of coverage described herein shall apply fully to the work or operations performed under the Agreement, and may not be shared with or diminished by claims unrelated to the Agreement. The policy/ies and coverage described herein may be subject to a deductible and such deductibles shall be paid by the Named Insured. No policy/ies or coverage described herein may contain or be subject to a Retention or a Self-Insured Retention unless the Agency is a state agency or subdivision of the State of Florida that elects to self-perform the Project. Prior to the execution of the Agreement, and at all renewal periods which occur prior to final acceptance of the work, the Department shall be provided with an ACORD Certificate of Liability Insurance reflecting the coverage described herein. The Department shall be notified in writing within ten days of any cancellation, notice of cancellation, lapse, renewal, or proposed change to any policy or coverage described herein. The Department's approval or failure to disapprove any policy/ies, coverage, or ACORD Certificates shall not relieve or excuse any obligation to procure and maintain the insurance required herein, nor serve as a waiver of any rights or defenses the Department may have.

d. When the Agreement includes the construction of a railroad grade crossing, railroad overpass or underpass structure, or any other work or operations within the limits of the railroad right-of-way, including any encroachments thereon from work or operations in the vicinity of the railroad right-of-way, the Agency shall, or cause its contractor to, in addition to the insurance coverage required above, procure and maintain Railroad Protective Liability Coverage (ISO Form CG 00 35) where the railroad is the Named Insured and where the limits are not less than $2,000,000 combined single limit for bodily injury and/or property damage per occurrence, and with an annual aggregate limit of not less than $6,000,000. The railroad shall also be added along with the Department as an Additional Insured on the policy/ies procured pursuant to the paragraph above. Prior to the execution of the Agreement, and at all renewal periods which occur prior to final acceptance of the work, both the Department and the railroad shall be provided with an ACORD Certificate of Liability Insurance reflecting the coverage described herein. The insurance described herein shall be maintained through final acceptance of the work. Both the Department and the railroad shall be notified in writing within ten days of any cancellation, notice of cancellation, renewal, or proposed change to any policy or coverage described herein. The Department's approval or failure to disapprove any policy/ies, coverage, or ACORD Certificates shall not relieve or excuse any obligation to procure and maintain the insurance required herein, nor serve as a waiver of any rights the Department may have.

e. When the Agreement involves work on or in the vicinity of utility-owned property or facilities, the utility shall be added along with the Department as an Additional Insured on the Commercial General Liability policy/ies procured above.

19. Miscellaneous:

a. **Environmental Regulations.** The Agency will be solely responsible for compliance with all applicable environmental regulations and for any liability arising from non-compliance with these regulations, and will reimburse the Department for any loss incurred in connection therewith.

b. **Non-Admission of Liability.** In no event shall the making by the Department of any payment to the Agency constitute or be construed as a waiver by the Department of any breach of covenant or any default which may then exist on the part of the Agency and the making of such payment by the Department, while any such breach or default shall exist, shall in no way impair or prejudice any right or remedy available to the Department with respect to such breach or default.

c. **Severability.** If any provision of this Agreement is held invalid, the remainder of this Agreement shall not be affected. In such an instance, the remainder would then continue to conform to the terms and requirements of applicable law.

d. **Agency not an agent of Department.** The Agency and the Department agree that the Agency, its employees, contractors, subcontractors, consultants, and subconsultants are not agents of the Department as a result of this Agreement.

e. **Bonus or Commission.** By execution of the Agreement, the Agency represents that it has not paid and, also agrees not to pay, any bonus or commission for the purpose of obtaining an approval of its application for the financing hereunder.

f. **Non-Contravention of State Law.** Nothing in the Agreement shall require the Agency to observe or enforce compliance with any provision or perform any act or do any other thing in contravention of any applicable state law. If any of the provisions of the Agreement violate any applicable state law, the Agency will at once notify the Department in writing so that appropriate changes and modifications may be made by the Department and the Agency to the end that the Agency may proceed as soon as possible with the Project.

g. **Execution of Agreement.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which shall constitute the same Agreement. A facsimile or electronic transmission of this Agreement with a signature on behalf of a party will be legal and binding on such party.

h. **Federal Award Identification Number (FAIN).** If the FAIN is not available prior to execution of the Agreement, the Department may unilaterally add the FAIN to the Agreement without approval of the Agency and without an amendment to the Agreement. If this occurs, an updated Agreement that includes the FAIN will be provided to the Agency and uploaded to the Department of Financial Services' Florida Accountability Contract Tracking System (FACTS).

i. **Inspector General Cooperation.** The Agency agrees to comply with Section 20.055(5), Florida Statutes, and to incorporate in all subcontracts the obligation to comply with Section 20.055(5), Florida Statutes.

j. **Law, Forum, and Venue.** This Agreement shall be governed by and construed in accordance with the laws of the State of Florida. In the event of a conflict between any portion of the contract and Florida law, the laws of Florida shall prevail. The Agency agrees to waive forum

and venue and that the Department shall determine the forum and venue in which any dispute under this Agreement is decided.

IN WITNESS WHEREOF, the Parties have executed this Agreement on the day and year written above.

EXHIBIT A

Project Description and Responsibilities

A. Project Description (description of Agency's project to provide context, description of project components funded via this Agreement (if not the entire project)): This agreement provides FTA Section 5311 FFY25/SFY26 off-cycle capital funds for the capital purchase as identified in the Agency's application on file with the Department.

B. Project Location (limits, city, county): Lake County, FL
☐ Illustration/graphic/map of project area is applicable and attached to this Exhibit A.

C. Project Scope (allowable costs: describe project components, improvement type/service type, approximate timeline, project schedule, project size): This agreement provides Federal Transit Administration (FTA) Section 5311 FFY25/SFY26 off-cycle Capital Assistance related to purchasing the capital item(s) listed below in the amount not to exceed that identified in Exhibit B of the agreement or as amended.
(4) BUS REPLACEMENT UNDER 30'
The agency is responsible for purchasing the awarded equipment in accordance with the Procurement Guidance for Transit Agencies Handbook, FTA C 4220.1G, Third Party Contracting Guidance, and FDOT's Vehicle Satisfactory Continuing Control Guidance. If the appropriate procurement procedures in this handbook are not followed, the agency will not be eligible for reimbursement.
The agency will also provide procurement documentation prior to the purchase of project equipment and will submit to the Department documentation of purchase, delivery, and/or installation for all items.
The match for this agreement is being covered by Toll Revenue Credits (TRCs). However, if actual costs are greater than the estimated total cost, it will be the responsibility of the agency to provide the difference. If actual costs are less than the estimated total cost, the difference will remain in the Department's general program fund and will be used to advance any remaining grant requests.
The agency will ensure that Exhibit I – Certification of Disbursement of Payment to Vehicle and/or Equipment Vendor is fully completed and provided to the Department in accordance with the provisions detailed in Exhibit I.

D. Deliverable(s): The agency will provide appropriate documentation to support the costs being billed.

The project scope identifies the ultimate project deliverables. Deliverables for requisition, payment and invoice purposes will be the incremental progress made toward completion of project scope elements. Supporting documentation will be quantifiable, measurable, and verifiable, to allow for a determination of the amount of incremental progress that has been made, and provide evidence that the payment requested is commensurate with the accomplished incremental progress and costs incurred by the Agency.

E. Unallowable Costs (including but not limited to): Any costs not specifically outlined in the project description and scope will not be eligible for reimbursement.

F. Transit Operating Grant Requirements (Transit Only):

Transit Operating Grants billed as an operational subsidy will require an expenditure detail report from the Agency that matches the invoice period. The expenditure detail, along with the progress report, will be the required deliverables for Transit Operating Grants. Operating grants may be issued for a term not to exceed three years from execution. The original grant agreement will include funding for year one. Funding for years two and three will be added by amendment as long as the grantee has submitted all invoices on schedule and the project deliverables for the year have been met.

EXHIBIT B

Schedule of Financial Assistance

FUNDS AWARDED TO THE AGENCY AND REQUIRED MATCHING FUNDS PURSUANT TO THIS AGREEMENT CONSIST OF THE FOLLOWING:

A. Fund Type and Fiscal Year:

Financial Management Number	Fund Type	FLAIR Category	State Fiscal Year	Object Code	CSFA/ CFDA Number	CSFA/CFDA Title or Funding Source Description	Funding Amount
458197-1-94-25 458197-2-94-25	DU DU	088774 088774	2025 2025	780000 780000	20.509 20.509	Formula Grants for Rural Areas Formula Grants for Rural Areas	$366,384.00 $366,384.00
	Total Financial Assistance						$732,768.00

B. Estimate of Project Costs by Grant Phase:

Phases*	State	Local	Federal	Totals	State %	Local %	Federal %
Land Acquisition	$0.00	$0.00	$0.00	$0.00	0.00	0.00	0.00
Planning	$0.00	$0.00	$0.00	$0.00	0.00	0.00	0.00
Environmental/ Design/ Construction	$0.00	$0.00	$0.00	$0.00	0.00	0.00	0.00
Capital Equipment/ Preventative Maintenance	$0.00	$0.00	$732,768.00	$732,768.00	0.00	0.00	100.00
Match to Direct Federal Funding	$0.00	$0.00	$0.00	$0.00	0.00	0.00	0.00
Mobility Management (Transit Only)	$0.00	$0.00	$0.00	$0.00	0.00	0.00	0.00
Totals	$0.00	$0.00	$732,768.00	$732,768.00			

*Shifting items between these grant phases requires execution of an Amendment to the Public Transportation Grant Agreement.

Scope Code and/or Activity Line Item (ALI) (Transit Only)	11.12.04:111-00
Common Name/UZA Name (Transit Only)	

BUDGET/COST ANALYSIS CERTIFICATION AS REQUIRED BY SECTION 216.3475, FLORIDA STATUTES:

I certify that the cost for each line item budget category (grant phase) has been evaluated and determined to be allowable, reasonable, and necessary as required by Section 216.3475, Florida Statutes. Documentation is on file evidencing the methodology used and the conclusions reached.

ALTERNATIVE ADVANCE PAY FOR FEDERAL TRANSIT ADMINISTRATION (FTA) SECTION 5310, 5311, 5339 PROGRAMS AND FDOT STATE FUNDED PROGRAMS FOR PUBLIC TRANSIT

1. The Agency must submit its invoice to the Department within 5 business days of the receipt of the invoice from the Vendor. The invoiced amount to the Department for transit related vehicles and/or equipment eligible under the FTA's Section 5310, 5311 and 5339 programs or FDOT State Funded Programs for Public Transit cannot exceed the Department's participation amount on Item 9 (b) of this agreement.

2. All invoices submitted to the Department must provide complete documentation, including a copy of the Vendor's invoice(s) and proof of vehicle and/or equipment delivery and acceptance by the Agency, to substantiate the cost on the invoice.

3. The Agency must certify on each invoice that the costs from the vendor are valid and have been incurred by the Vendor.

4. Within twenty (20) business days of receipt of payment from the Department, the following actions must be completed:

a. The Agency must submit their payment to the vendor.
b. Complete Exhibit I - Certification of Disbursement of Payment to Vehicle and/or Equipment Vendor.

Note: Exhibit I – Certification of Disbursement of Payment to Vehicle and/or Equipment Vendor will be initiated by the Department through DocuSign at the time payment from the Department has been made to the Agency. The DocuSign will be routed to the Agency and the Vendor. Each party will acknowledge the certification where applicable.

*This Exhibit is for use only when purchasing transit related vehicles and/or program eligible equipment. Must have preapproval from the Department of Financial Services (DFS).

AGENCY RESOLUTION

PLEASE SEE ATTACHED

LAKE COUNTY, FL

REAL FLORIDA · REAL CLOSE

RESOLUTION NO. 2025 - 140

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF LAKE COUNTY, FLORIDA; AUTHORIZING THE SIGNING AND THE SUBMISSION OF GRANT APPLICATIONS AND SUPPORTING DOCUMENTS AND ASSURANCES TO THE FLORIDA DEPARTMENT OF TRANSPORTATION, THE ACCEPTANCE OF GRANT AWARDS FROM THE FLORIDA DEPARTMENT OF TRANSPORTATION, AND EXPENDITURE OF GRANT FUNDS PURSUANT TO GRANT AWARDS.

WHEREAS, the Lake County Board of County Commissioners has the authority to apply for and accept grants, make purchases, and expend funds, pursuant to grant awards made by the Florida Department of Transportation as authorized by Chapter 341, Florida Statutes, and by the Federal Transit Administration, as authorized by Chapter 53; Title 49, United States Code.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Lake County, Florida as follows:

Section 1. Legal Findings. The foregoing recitals are hereby adopted as legislative findings of the Board of County Commissioners and are ratified and confirmed as being true and correct and are hereby made a specific part of this Resolution upon adoption hereof.

Section 2. Application. This Resolution applies to the Federal Program under Title 49, United States Code Section 5311.

Section 3. Submission. The submission of grant applications, supporting documents, and assurances to the Florida Department of Transportation is hereby approved.

Section 4. Authorization. Jill M. Brown, Transit Services Director, or her designee is authorized to sign all grant applications, certifications, assurances, reimbursement invoices, warranties, agreements, and any other required documents; purchase equipment and vehicles, and expend grant funds pursuant to a grant award after acceptance of the grant by the Board of County Commissioners, unless specifically rescinded. However, Melanie Marsh, County Attorney, is the only person authorized to submit certifications and assurances that are required to be submitted by an authorized attorney of Lake County as a grant applicant.

Section 5. Severability. If any section, sentence, clause, or phrase of this Resolution is held to be invalid or unconstitutional by any court of competent jurisdiction, the holding will in no way affect the validity of the remaining portions of this Resolution.

Section 6. Effective Date. This Resolution will take effect upon approval by the Lake County Board of County Commissioners.

PASSED AND ADOPTED this 18th day of November, 2025.

BOARD OF COUNTY COMMISSIONERS
OF LAKE COUNTY, FLORIDA

Leslie Campione, Chairman

This 18th day of November, 2025.

EXHIBIT E
PROGRAM SPECIFIC TERMS AND CONDITIONS – TRANSIT

(Section 5311: Formula Grants for Rural Areas)

This exhibit forms an integral part of the Agreement between the Department and the Agency.

The Agency, as the "subrecipient", shall comply with all applicable federal laws, regulations, and requirements, and should follow applicable federal guidance as outlined in the current FTA Master Agreement and 2 CFR Part 200, including but not limited to:

1. **Conformance with Enabling Legislation.** This Agreement is in conformance with Section 5311 of the Federal Transit Act of 1991, as amended (49 U.S.C. 5311) and Section 341.051(1)(a), F.S.

2. **Alcohol Misuse and Prohibited Drug Use.** The Agency shall establish and implement anti-drug and alcohol misuse prevention programs in accordance with the terms of 49 CFR 655, 49 U.S.C. 5331, and 49 CFR 40.

3. **Adherence to Certifications and Assurances.** The Agency shall ensure adherence with all federally required certifications and assurances made in its application to the Department for Section 5311 funds.

4. **FTA Compliance.** The Agency shall at all times comply with all applicable Federal Transit Administration ("FTA") regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Master Agreement between the Department and FTA, as they may be amended or promulgated from time to time during the term of this contract. Failure to comply shall constitute a material breach of this contract.

5. **Nondiscrimination.** The Agency agrees to comply with all applicable requirements imposed by or issued pursuant to 49 U.S.C. 5332, 49 CFR 21, 42 U.S.C. 2000(d) and (e), 42 U.S.C. 6102, 42 U.S.C. 12132, and 42 U.S.C. § 12132. The agency also understands that this assurance extends to its entire facility and to facilities operated in connection with the project.

6. **Seat Belt Use.** The Agency agrees to implement Executive Order No. 13043, "Increasing Seat Belt Use in the United States," 23 U.S.C. § 402.

7. **Distracted Driving.** The Agency agrees to comply with Executive Order No. 13513, "Federal Leadership on Reducing Text Messaging While Driving," 23 U.S.C. § 402 note and U.S. DOT Order 902.10, "Text Messaging While Driving and the U.S. DOT Special Provision pertaining to Distracted Driving.

8. **Charter Service.** The Section 5311 subrecipient agrees to comply with 49 U.S.C. 5323(d), (g) and (r) and 49 CFR 604 and any other federal Charter Service regulations, which provide that recipients and subrecipients of FTA assistance are prohibited from providing charter service using federally funded equipment or facilities if there is at least one private charter operator willing and able to provide the service, except under one of the exceptions at 49 CFR 604.9. Any charter service provided under one of the exceptions must be "incidental," i.e., it must not interfere with or detract from the provision of mass transportation.

9. **School Bus Operations.** Pursuant to 69 U.S.C. 5323(f) and 49 CFR 605, the Agency of FTA assistance may not engage in school bus operations exclusively for the transportation of students and school personnel in competition with private school bus operators unless qualified under specified exemptions. When operating exclusive school bus service under an allowable exemption, subrecipients may not use federally funded equipment, vehicles, or facilities.

10. **Disadvantaged Business Enterprises (DBE).** This grant is subject to the requirements of Title 49, Code of Federal Regulations, Part 26, Participation by Disadvantaged Business Enterprises in Department of

Transportation Financial Assistance Programs. The Agency must complete biannual DBE reports and submit them to the Department by May 1 and November 1 annually.

11. **Buy America.** The Agency agrees to comply with Buy America requirements outlined in 49 U.S.C. 5323(j) and 49 CFR 661, if using the funds granted under this Agreement for rolling stock purchases. The recipient also agrees to comply with the pre-award and post-delivery requirements outlined in 49 CFR 661.12.

12. **Clean Air and Water Pollution Acts.** The Agency agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act (33 U.S.C. §§ 1251 – 1388) as amended, if the agreement exceeds $150,000.

13. **Anti-Lobbying.** The Agency agrees to comply with the requirements pursuant to Byrd Anti-Lobbying Amendment, 31 U.S.C. 1352(b)(5), U.S. DOT regulations, "New Restrictions on Lobbying," 49 CFR Part 20, to the extent consistent with 31 U.S.C. § 1352, as amended and other applicable federal laws, regulations, requirements, and guidance prohibiting the use of federal assistance for any activity concerning legislation or appropriations designed to influence the U.S. Congress or a state legislature.

14. **Bonding Requirements.** If this Agreement is for a construction project over $250,000 the recipient must adhere to FTA's bonding requirements 2 CFR 200.326 as outlined in the Best Practices Procurement Manual.

15. **Solid Wastes.** Where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000, the Agency agrees to comply with all the requirement of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, 49 U.S.C. 6962, as amended, including but not limited to the regulatory provisions of 40 CFR 247, and Executive Order 12873, as they apply to the procurement of the items designated in Subpart B of 40 CFR 247. Sample language can be found in the Department's "Procurement Guidance for Transit Agencies."

16. **Employee Protections (Davis-Bacon and Copeland Anti-Kickback).** The Agency agrees to comply with the Davis-Bacon and Copeland Anti-Kickback Acts as codified at 40 U.S.C. 3141 et seq. and 18 U.S.C. 874 for any agreement exceeding $2,000. Sample language can be found in the Department's "Procurement Guidance for Transit Agencies."

17. **Employee Relations (Contract Work Hours and Safety Standards).** For any contract over $100,000, the Agency agrees to comply with the Contract Work Hours and Safety Standards Act, codified at 40 U.S.C. 3701 et seq.

18. **Breaches and Dispute Resolution.** The Agency agrees to include "Breaches and Dispute Resolution" language in all third-party agreements in compliance with 2 CFR 200 and FTA Circular 4220.1E or subsequent revisions.

19. **Transit Employee Protective Agreements.** The Agency agrees to comply with the Transit Employee Protective Agreements as codified in 49 U.S.C. 5333 and 29 CFR 215.

20. **Compliance with FTA Terms and Conditions.** The Agency shall not perform any act, fail to perform any act, or refuse to comply with any Department requests which would cause the 5311 subrecipient to be in violation of the FTA terms and conditions.

21. **Annual Safety Certification.** In accordance with Section 341.061, F.S., and Rule 14-90, Florida Administrative Code, the Agency shall submit, and the Department shall have on file, an annual safety certification stating that the Agency has adopted and is complying with its adopted System Safety and Security Program Plan, and has performed annual safety inspections of all buses operated.

22. **Budget/Cost Analysis.** The Agency will assist the Department by providing accurate information for the Department to create a budget/cost analysis in accordance with Section 216.3475, F.S.

23. **Non-Urban Area.** The Agency will provide the methodology for determining the non-urban area portion of their

service prior to submitting the first invoice. The Agency will submit an updated methodology once per year.

24. **Public Body Non-CTC Recipients.** An Agency may receive 5311 funds when the Community Transportation Coordinator (CTC) in the county is a private-for-profit entity. When the Agency accepts the 5311 funding, enters into a contract/PTGA with the Department, and the contracts with the CTC to provide rural general public transportation in the same service area in which the CTC is providing non-sponsored trips for the Commission for the Transportation Disadvantaged (CTD), then the non-sponsored human service transportation grant funds will be considered as eligible match for the 5311 funds. The Agency will be responsible for ensuring that the CTC meets all the requirements associated with the federal funds. The Agency will be responsible for ensuring that all dollars provided as match were for public transportation eligible trips. The Agency must keep financial records that substantiate the eligibility for the match being provided and make that documentation available to the Department on request.

25. **Transit Vehicle Inventory Management.** The Agency will follow the Department's Transit Vehicle Inventory Management Procedure (725-030-025i), which outlines the requirements for continuing management control, inventory transfer and disposal actions. This procedure pertains ONLY to capital procurements of rolling stock using the FTA Section 5310, Section 5311 or Section 5339 programs as the funding source, or where the Department participates in 50% or more of the public transit vehicle's purchase price. This may include vehicles purchased under the State Transit Block Grant Program, State Transit Corridor Program, State Transit Service Development Program, or other applicable Department programs.

26. **Delivery of Service Performance Requirements.** The Agency shall maintain in their System Safety Program Plan (SSPP) Operational and Safety requirements. Consistent with F.S. 341.061(2)(c), the Department has the authority to conduct a review of the system. Any adverse findings and any corrective actions must be addressed. If at any time, continued operation of the system, or a portion thereof, poses an immediate danger to public safety, the system operator shall suspend affected system service until corrective action is taken. If the system operator fails to take corrective action or fails to suspend service when immediate danger to the public exists, the Department may require the affected system service to be suspended.

27. **Reporting of Complaints, Grievances, and Resolutions.** The Agency must have an identified complaint and grievance process on file and must report to the Department on a quarterly basis all reported complaints, grievances, and resolutions.

28. **Agreements with contractors or subcontractors**. Pursuant to Section 341.041, F.S., the above Delivery of Service Performance Requirement and Reporting of Complaints, Grievances, and Resolutions, must be included in any agreement between the Agency and such entity's contractors or subcontractors that provide paratransit services.

29. **Build America, Buy America Act (BABA).** For all construction contracts, the Agency agrees to comply with the Build America, Buy America Act (BABA) requirements in the Infrastructure Investment and Jobs Act, Pub. L. No. 117-58, div. G §§ 70901-27, as implemented at 2 CFR Part 184.

30. **Special EEO Provision for Construction.** For all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3, the Agency agrees to comply with the requirements of 41 CFR 60-1.4(b). These regulations prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity, national origin, or for inquiring about, discussing or disclosing compensation. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity or national origin.

31. **Veterans Preference.** For all construction contracts, as provided in 49 U.S.C. § 5325(k), to the extent practicable, the Agency will give a hiring preference to veterans, as defined in 5 U.S.C. § 2108.

32. **Project Management Plan.** For all major capital projects, the Agency agrees to develop a project management plan that details their strategies to control the Project scope, budget, schedule and quality, in compliance with 49 CFR 633.

33. **Seismic Safety.** For construction contracts of new or existing buildings, the agency agrees to comply with the Earthquake Hazards Reduction Act of 1977, as amended, 42 U.S.C. § 7701, et seq., and U.S. DOT regulations, “Seismic Safety,” 49 CFR Part 41, specifically, 49 C.F.R. § 41.117.

34. **Construction Plans and Specifications.** For all construction contracts, the Agency agrees to comply with all applicable statutes, regulations, and requirements, and follow FTA guidance in the development and implementation of construction plans and specifications, including drafting, review, and approval, for the Award.

35. **Review of Technical Plans and Specifications.** For all construction contracts, the agency agrees to permit FTA and/or the State to review, as deemed necessary by FTA and/or the State, the technical plans and specifications.

36. **Engineering Supervision at Construction Sites.** For all construction contracts, the Agency agrees to provide and maintain competent and adequate engineering supervision at the construction site to ensure that the completed work conforms to the plans and specifications and that the intent of the scope of the Project is carried out.

Exhibit E1

PROGRAM SPECIFIC TERMS AND CONDITIONS

(Prohibition on Discrimination Based on Health Care Choices)

This exhibit forms an integral part of the Agreement between the Department and the Agency.

1. **Statutory Reference.** Section 339.08, F.S. and Section 381.00316, F.S.

2. **Statutory Compliance.** Pursuant to Section 339.08, F.S., the Department may not expend state funds to support a project or program of certain entities if the entity is found to be in violation of Section 381.00316, F.S. The Department shall withhold state funds until the entity is found to be in compliance with Section 381.00316, F.S. This shall apply to any of the following entities:

    a. A public transit provider as defined in s. 341.031(1), F.S.;
    b. An authority created pursuant to chapter 343, F.S., chapter 348, F.S., or chapter 349, F.S.; c. A public-use airport as defined in s. 332.004, F.S.; or
    d. A port listed in s. 311.09(1), F.S.

- End of Exhibit E1 -

Exhibit E2

PROGRAM SPECIFIC TERMS AND CONDITIONS – TRANSIT

(Exterior Vehicle Wrap, Tinting, Paint, Marketing, and Advertising)

This exhibit forms an integral part of the Agreement between the Department and the Agency.

1. **Statutory Reference.** Section 341.051(8), F.S. and Section 316.2954, F.S.

2. **Statutory Compliance.** In accordance with Section 341.051(8), F.S., as a condition of receiving funds from the Department, a public transit provider may not expend Department funds for marketing or advertising activities, including any wrap, tinting, paint, or other medium displayed, attached, or affixed on a motor vehicle owned, leased, or operated by the public transit provider. Such vehicles on which department funds are expended are limited to exterior vehicle wrap, tinting, paint, marketing, and advertising displaying:

    a. a brand or logo of the public transit provider,
    b. the official seal of the jurisdictional governmental entity, or
    c. a state agency public service announcement.

3. **Window Tinting Requirements.** Any new wrap, tinting, paint, medium or advertisement on the passenger windows of a vehicle used by a public transit provider may not be darker than the legally allowed tinting requirements provided in Section 316.2954, F.S.

- End of Exhibit E2 -

EXHIBIT E4
PROGRAM SPECIFIC TERMS AND CONDITIONS
(Energy Policy Goals Reporting)

This exhibit forms an integral part of the Agreement between the Department and the Agency.

1. **Statutory Reference.** Section 339.135(2)(c)4, F.S. and Section 377.601(3), F.S.

2. **Statutory Compliance.** Pursuant to Section 339.135(2)(c)4, F.S., the Department shall submit a report identifying any agencies listed below that have adopted or promoted energy policy goals inconsistent with the State of Florida energy policy set forth in Section 377.601(3), F.S. to the legislative appropriation committees:

    a. A public transit provider as defined in s. 341.031(1), F.S.;
    b. An authority created pursuant to chapter 343, F.S., chapter 348, F.S., or chapter 349, F.S.;
    c. A public-use airport as defined in s. 332.004, F.S.; or
    d. A port listed in s. 311.09(1), F.S.

3. **Agency Reporting Requirements.** As a condition of receiving state funds from the Department, the Agency shall certify in the section below whether the Agency has adopted or promoted energy policy goals inconsistent with the State of Florida energy policy set forth in Section 377.601(3), F.S.:

    The Agency HAS ☐ / HAS NOT ☐ adopted or promoted energy policy goals inconsistent with the energy policy of the State of Florida set forth in Section 377.601(3), F.S.

EXHIBIT F

Contract Payment Requirements
Florida Department of Financial Services, Reference Guide for State Expenditures
Cost Reimbursement Contracts

Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.). Supporting documentation shall be submitted for each amount for which reimbursement is being claimed indicating that the item has been paid. Documentation for each amount for which reimbursement is being claimed must indicate that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved agreement budget may be reimbursed. These expenditures must be allowable (pursuant to law) and directly related to the services being provided.

Listed below are types and examples of supporting documentation for cost reimbursement agreements:

(1) Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.

(2) Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.

(3) Travel: Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher or electronic means.

(4) Other direct costs: Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using State funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with Department of Management Services Rule 60A-1.017, Florida Administrative Code, regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in Section 273.02, Florida Statutes, for subsequent transfer to the State.

(5) In-house charges: Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log which shows the units times the rate being charged. The rates must be reasonable.

(6) Indirect costs: If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown.

Contracts between state agencies, and/or contracts between universities may submit alternative documentation to substantiate the reimbursement request that may be in the form of FLAIR reports or other detailed reports.

The Florida Department of Financial Services, online Reference Guide for State Expenditures can be found at this web address: https://myfloridacfo.com/docs-sf/accounting-and-auditing-libraries/manuals/agencies/reference-guide-for-state-expenditures.pdf?sfvrsn=b4cc3337_6

PUBLIC TRANSPORTATION GRANT AGREEMENT ADDENDUM

THIS PUBLIC TRANSPORTATION GRANT AGREEMENT ADDENDUM ("Addendum") is made and entered into by and between the State of Florida Department of Transportation ("Department") and Lake County Board of County Comm. County, Florida ("Agency").

-RECITALS-

1. The terms and provisions set forth in this Addendum are incorporated in and made part of the Public Transportation Grant Agreement, Financial Project Number: 458197-1-94-25 & 458197-2-94-25 ("Grant Agreement") executed contemporaneously; and

2. This Addendum shall be merged into and made part of the Grant Agreement and both documents shall be collectively referred to herein as the "Agreement"; and

3. The sole purpose of this Addendum is to revise the indemnification provision of the Grant Agreement; and

4. In the event of any conflict or inconsistency between the Grant Agreement and this Addendum, the provisions of this Addendum shall control.

NOW THEREFORE, with full knowledge and understanding of the laws governing the subject matter of this Agreement, and in consideration of the recitals and the mutual covenants and conditions contained in this Agreement, the parties, intending to be legally bound hereby, acknowledge and agree as follows:

1. RECITALS AND EXHIBITS

The above recitals are specifically incorporated by reference and made part of this Addendum.

2. EFFECTIVE DATE

The "Effective Date" of this Agreement shall be the date the last of the parties to be charged executes the Agreement.

3. INDEMNIFICATION AND INSURANCE

The parties specifically agree that Paragraph18, subsection a. of the Grant Agreement is stricken in its entirety and replaced with the following:

a. It is specifically agreed between the Parties executing this Agreement that it is not intended by any of the provisions of any part of this Agreement to create in the public or any member thereof, a third party beneficiary under this Agreement, or to authorize anyone not a party to this Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Agreement. The Agency guarantees the payment of all just claims for materials, supplies, tools, or labor and other just claims against the Agency or any subcontractor, in connection with this Agreement. Additionally, to the extent permitted by law and as limited by and pursuant to the provisions of Section 768.28, Florida Statutes, the Agency shall indemnify and hold harmless the State of Florida, Department of Transportation, including the Department's officers and employees, from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorney's fees, to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of the Agency and persons employed or utilized by the Agency in the performance of this Agreement. This indemnification shall survive the termination of this Agreement. Nothing contained in this paragraph is intended to nor shall it constitute a waiver of the State of Florida and the Agency's sovereign immunity. Additionally, the Agency agrees to including the following indemnification in all contracts with contractors/subcontractors and consultants/subconsultants who perform work in connection with this Agreement:

"To the fullest extent permitted by law, Agency's contractor/consultant shall indemnify and hold harmless the Agency and the State of Florida, Department of Transportation, including the Department's officers and employees, from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fees, to the extent caused by the negligence, recklessness, or intentional wrongful conduct of the contractor/consultant and other persons employed or utilized by the contractor/consultant in the performance of this Agreement."

This indemnification shall survive the termination of this Agreement."

All other terms and conditions of the Grant Agreement shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, intending to be legally bound hereby, the parties hereby execute this Addendum, consisting of two (2) pages, exclusive of exhibits.

RESOLUTION NO. 2026 - _____

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF LAKE COUNTY, FLORIDA, AMENDING THE TRANSIT FUND IN ORDER TO RECEIVE UNANTICIPATED REVENUE FOR FISCAL YEAR 2025-2026 IN THE AMOUNT OF $732,768 FROM THE FLORIDA DEPARTMENT OF TRANSPORTATION FOR THE SECTION 5311 CAPITAL GRANT AND PROVIDE APPROPRIATIONS FOR THE DISBURSEMENT OF THESE FUNDS.

WHEREAS, Chapter 129, Florida Statutes, Section 129.06 (2) (d) authorizes the appropriation and expenditure of unanticipated revenue through an amendment to the Budget by adoption of a Resolution; and

WHEREAS, the Board of County Commissioners of Lake County has received $732,768 in unanticipated revenue to be received into the Transit Fund for fiscal year 2025-2026; and

WHEREAS, an amendment to the fiscal year 2025-2026 Lake County Budget is required to provide for the receipt and for appropriations of those receipts:

NOW THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Lake County, Florida, that:

Section 1. Amendment of the Budget. The Transit Fund is hereby amended to increase the total budget for Fiscal Year 2025-2026 to include the unanticipated revenue and new appropriations as follows:

OFFICE OF THE COUNTY MANAGER
AGENDA ITEM COVER SHEET

DATE: 04/06/2026
TO: Jennifer Barker, County Manager
THRU:
Angela Harrold, Office of Parks & Water Resources Operations Director
BY: Bill Ponko, Senior Procurement Agent
SUBJECT: Multi-Family Detached Housing

MEETING DATE: 4/28/2026
ITEM TYPE: Consent Item
ITEM ID: 42875

RECOMMENDATION/REQUIRED ACTION: Approve

Recommend approval:
1. Of Contract 26-902 with Nichols Contracting, Inc. (Columbia, MD - Orlando Office) for construction of Multi-Family Detached Housing;
2. To authorize the County Manager to execute the final negotiated contract; and
3. To authorize the Office of Procurement Services to execute all supporting documentation.

The fiscal impact is $4,997,878.84 (expenditure) and is within, and will not exceed, the Fiscal Year 2026 Budget. Commission District 3.

BACKGROUND SUMMARY: The Office of Procurement Services, in coordination with the Office of Facilities Management, issued Request for Proposal (RFP) 26-902 for the turnkey construction of a multi-family detached housing project including all labor, materials, equipment, surveying, permits, inspections, and all other incidentals to complete all necessary work, all in accordance with RFP 26-902, which shall be funded by the American Rescue Plan Act (ARPA), Coronavirus State & Local Fiscal Recovery Funds (SLFRF). The services will provide 100 percent turnkey land development services and construction of twenty-one (21) residential dwelling units for the proposed County’s Residential Village development located at 28123 County Road 561, Tavares, FL 32778.

Three submissions were received as shown on the attached respondent sheet. Evaluation of responses was conducted via formal Selection Committee (SC) procedures. The SC summary memos reflect technical factors and pricing were evaluated in compliance with the criteria within the RFP. Based on the County's needs and in its best interests, the recommendation is to award to the overall best market value response provided by Nichols Contracting, Inc.

Fiscal Impact: $4,997,878.84 (expenditure)

Lake County Office of Procurement Services
RFP 26-902: Multi-Family Detached Housing
RFP Selection Committee Meeting Minutes
Procurement Representative: Bill Ponko, Senior Procurement Agent

March 23, 2026, Begin Time: 8:30 AM

- Bill Ponko
  - Stated this is a public meeting
    1. Stated members of the public may listen, but not take part in discussions
  - Identified the solicitation
  - Stated this is a federally funded project, funding through The American Rescue Plan Act (ARPA) and Coronavirus State and Local Fiscal Recovery Funds (SLFRF)
  - Solicitation was a Request for Proposals
  - Noted:
    1. Three (3) Addenda were posted, with Addendum No.1 and No.2 required to be turned in.
    2. During the routine Solicitation Posting audit, it was identified that an addendum was posted briefly in error, inadvertently extending the submission deadline to March 19, 2026. This system error was discovered on March 18, 2026.

  - Took roll of the Selection Committee (SC) members (alphabetically):
    1. Maria AbdoulKarim, Office of Housing & Community Services
    2. Sean Beaudet, Office of Parks & Trails
    3. Blake Livingston, Office of Facilities Management

  - Noted the three (3) firms providing proposals were (alphabetically):
    1. Faden Builders, Inc.
    2. JT2 EC Corporation
    3. Nichols Contracting, Inc.

  - The method of selection will be based upon the vendor's ability to perform via the written criteria, Section 7, on pages 3-4 of the RFP.
  - Noted electronic copies of the proposals were distributed to the SC, by Procurement.
  - Noted scoring sheets were distributed to the committee prior to the meeting
  - Noted Conflict of Interest Statements were also distributed to the SC prior to the meeting, and all were returned with no issues.

- Selection Committee:
  - Provided their analysis for each firm.

- Selection Committee:
  Recommended award to award to Nichols Contracting, Inc. the provided review of the proposal by Facilities did not discover anomalies and acceptable references performed by Procurement. If any issues are discovered and not resolved with

Nichols Contracting, Inc., the SC recommended going to the second-place firm, Faden Builders, Inc.

❖ Final Ranking
1. Nichols Contracting, Inc.
2. Faden Builders, Inc.
3. JT2 EC Corporation

❖ Bill Ponko:
- Stated that a meeting will be set up between Nichols Contracting, Inc. and the County to review the proposal and project expectations.
- Stated that Procurement Services will begin to facilitate the processing of the award recommendation.

❖ Meeting Adjourn

AGREEMENT BETWEEN
LAKE COUNTY, FLORIDA, AND
NICHOLS CONTRACTING, INC., FOR
MULTI-FAMILY DETACHED HOUSING PROJECT DEVELOPMENT & CONSTRUCTION SERVICES

(ARPA-SLFRF FUNDED)

ITB # 26-902

This is an Agreement between Lake County, Florida, a political subdivision of the State of Florida (the COUNTY), by and through its Board of County Commissioners, and Nichols Contracting, Inc., a foreign profit corporation authorized to do business in the state of Florida, its successors and/or assigns (the CONTRACTOR), (each a "Party" and collectively, the "Parties").

WITNESSETH:

WHEREAS, the COUNTY publicly submitted an Invitation to Bid (ITB) #26-902 seeking firms or individuals qualified to provide development and construction services for a multi-family detached housing project in Lake County, which shall be funded in part by a American Rescue Plan Act (ARPA) State and Local Fiscal Recovery Funds (SLFRF) funds from the U.S. Department of Treasury, ("Grant") and this Agreement shall be subject to the ARPA-SLFRF required terms and conditions within the Grant; and

WHEREAS, the CONTRACTOR desires to perform such services subject to the terms of this Agreement; and

WHEREAS, the provision of such services will benefit the Parties and the residents of Lake County, Florida.

NOW, THEREFORE, IN CONSIDERATION of the mutual terms, understandings, conditions, promises, covenants, and payment set forth in this Agreement, and intending to be legally bound, the Parties hereby agree as follows:

ARTICLE 1. LEGAL FINDINGS.

1.1 The foregoing recitals are hereby adopted as legislative findings of the Board of County Commissioners and are ratified and confirmed as being true and correct and are hereby made a specific part of this Agreement upon adoption hereof.

ARTICLE 2. PURPOSE.

2.1 **Purpose.** The purpose of this Agreement is for the CONTRACTOR to provide 100% turn-key land development and residential construction for a twenty-one (21) unit multi-family detached transitional housing project located at 28123 County Road 561, Tavares, FL 32778, and related services (the "Service" or "Project").

ARTICLE 3. SCOPE OF SERVICES.

3.1 On the terms and conditions set forth in this Agreement, the COUNTY hereby engages the CONTRACTOR and CONTRACTOR agrees to provide all labor, materials, and equipment to complete the Service in accordance with the Scope of Services, including all addenda, completed Submittal Forms, and CONTRACTOR'S proposed solution, attached hereto and incorporated herein as **Composite Exhibits A1 and A2,** respectively, as well as all Project permits, drawings, plans and specifications, as set forth herein. It is understood that the Scope of Services may be modified by change order as the Service progresses, but to be effective and binding, any such change order must be in writing, executed by the Parties, and in accordance with the COUNTY'S Purchasing Policies and Procedures and the terms of this Agreement. A copy of these policies and procedures will be made available to the CONTRACTOR upon request.

3.2 The Service consists of the completion all site work and construction of twenty-one (21) residential dwelling units for COUNTY'S multi-family detached transitional housing project ("Service" or "Project").

3.3 The Parties acknowledge that this is project specific agreement and that all work contracted for under this Agreement **shall achieve Final Completion on or before Monday, December 14, 2026.**

CONTRACTOR AND COUNTY ACKNOWLEDGE THAT DUE TO FEDERAL FUNDING, TIME IS OF THE ESSENCE IN COMPLETING THE WORK UNDER THIS CONTRACT.

CONTRACTOR SHALL ACHIEVE SUBSTANTIAL COMPLETION NO LATER THAN THIRTY (30) CALENDAR DAYS PRIOR TO DECEMBER 14, 2026.

ALL WORK PROVIDED UNDER THIS AGREEMENT MUST BE COMPLETED BEFORE MONDAY, DECEMBER 14, 2026, AND FINAL PAYMENT APPLICATIONS MUST BE RECEIVED BY FRIDAY, DECEMBER 18, 2026, IN ALIGNMENT WITH COUNTY PROCESSING REQUIREMENTS.

FAILURE TO MEET THE DEADLINES WILL RESULT IN LOSS OF FEDERAL FUNDING.

The Substantial Completion Date and Final Completion Dates assume change orders that are typical during a project of this size and complexity.

COUNTY and CONTRACTOR agree to cooperate in good faith to support project schedules and timely completion of the Project.

3.4 This Agreement will become effective upon both Parties signing this Agreement (the "**Effective Date**"). The Service will commence upon issuance of the Notice to Proceed by the COUNTY to the CONTRACTOR following the Effective Date. This Agreement shall remain in effect until such time as the services acquired in conjunction with the Service and this Agreement have been delivered and accepted by the COUNTY.

3.5 The terms and conditions of this Agreement shall remain in effect until completion of all express- and implied-warranty periods. The COUNTY reserves the right to negotiate for additional services/items similar in nature not known at the time of solicitation.

3.6 All work must be performed in accordance with good commercial practice. The work schedule and completion dates must be adhered to by the CONTRACTOR except in such cases where the completion date will be delayed due to acts of God, strikes, or other causes beyond the control of the CONTRACTOR. In these cases, the CONTRACTOR shall notify the COUNTY of the delays in advance of the original completion date so that a revised delivery schedule can be appropriately considered by the COUNTY. No additional days will be granted to the CONTRACTOR for rain delays; however, CONTRACTOR may request in writing for the COUNTY consider an adjustment of the contract period on a case-by-case basis to account for delays caused by the effects of inclement weather events but only when such an event causes the CONTRACTOR to be able to work less than fifty percent (50%) of a scheduled work day and only when such delays are not the result of CONTRACTOR'S failure to perform or neglect. CONTRACTOR must strictly comply with all claim submission requirements and other requirements of the Contract Documents related to time extensions. No additional compensation will be made for delays caused by or related to the effects of weather.

3.7 The CONTRACTOR will be solely responsible for obtaining all necessary approvals and permits to complete the Service, except as expressly excluded in Exhibits A1 and A2.

3.8 In the event any conflict between any drawings and specifications contained within this Agreement, the following will govern:

A. Addenda will supersede all other contract documents to the extent specified in the addenda. Subsequent addenda will supersede prior addenda only to the extent specified in subsequent addenda.

B. 100% plans will supersede earlier versions of plans incorporated herein without further action by the Parties. Final approved plans, stamped by the permitting authority, supersede earlier versions of plans without further action of the Parties.

3.9 **Plans and Specifications.** The construction plans and specifications provided in the solicitation process are specifically incorporated herein as **Composite Exhibit B** and included by reference as a material term and condition of this Agreement. The Service shall be rendered in strict conformity with the construction plans and specifications, including any plans and specifications developed or provided by CONTRACTOR and approved by COUNTY as part of this Service. If applicable, any 100% plans or specifications provided by COUNTY shall supersede the documents listed below without the need for amendment to this Agreement. Plans to be developed and submitted by CONTRACTOR after the Effective Date of this Agreement shall be incorporated as part of the Contract Documents upon approval by the COUNTY without the need for amendment to the Agreement.

A. **Composite Exhibit B** includes the following:

1. *Construction Plans for Multi-Family Detached Housing,* dated March 2026, prepared by Halff, for Lake County (14 pages) (Referenced as "Exhibit K" in the solicitation materials).

2. *Geotechnical Investigation, Proposed Stormwater Retention Areas and Paved Parking/Drive Area, Transitional Housing Project, 28123 CR 561, Tavares, Lake County, Florida,* dated March 27, 2025, prepared by Andreyev Engineering, Inc., for Lake County (13 pages) (Referenced as "Exhibit O" in the solicitation materials).

3. *Code Minimum Landscape Plans for Multi-Family Detached Housing,* dated February 2026, prepared by Halff, for Lake County (9 pages) (Referenced as "Exhibit P" in the solicitation materials).

4. *St. Johns River Water Management District Environmental Resource Permit and Technical Staff Report for Permit No. 42209-4, Multi-Family Detached Housing,* issued March 2, 2026 (20 pages).

5. *Phase I Environmental Site Assessment Report – 3.2 Acre Lake County Property, 28123 CR 561, Tavares, Lake County, Florida,* dated July 17, 2024, prepared by Ardaman & Associates, Inc., for Lake County (351 pages).

6. *Offsite Utility Plans, to be provided.*

7. *Photometric Plan, to be provided.*

The Parties hereto recognize that due to the time sensitive nature of this project, final project plans are forthcoming and shall be promptly provided to CONTRACTOR upon final approval; CONTRACTOR agrees that it is fully aware of the nature and scope of the plans to be provided by the COUNTY having bearing on the scope of work to be performed under this Agreement, whether or not directly referenced in this section, and acknowledges that it has incorporated project cost and time considerations into its proposal.

3.10 Lands for Work and Access Thereto. CONTRACTOR hereby represents to COUNTY that it is fully aware of the limits of land for access to the work site and for the site proper. No storage or equipment shall take place on private property unless the CONTRACTOR has a letter from the landowner authorizing the CONTRACTOR to do so. CONTRACTOR is responsible for obtaining any required temporary use permits prior to utilizing the private property. A copy of the letter shall be provided to the COUNTY. The CONTRACTOR shall supply the Project Manager any such letter before the equipment is placed there. The CONTRACTOR shall obtain from landowner any environmental permits and use permits, as applicable, and supply a copy thereof to the COUNTY.

The CONTRACTOR shall, absent written permission from a private property owner, confine all storage of materials, equipment, and the operations of workers to the project site and land and areas identified in and permitted by the contract documents. The CONTRACTOR shall assume full responsibility for any damage to any such land or area or to the owner or occupant thereof, or any land or areas contiguous thereto, resulting from the performance of the work. At the completion of the work, the CONTRACTOR shall remove all debris, rubbish, and waste materials from and about the project site, as well as all tools, appliances, equipment, machinery, and surface materials and shall leave the project site clean. All service and supply operations shall be conducted outside the clear zone unless the CONTRACTOR has proper authorization and traffic control. No supply vehicles shall enter the median for any purpose. No service vehicles shall enter the median except when necessary to repair or remove inoperable equipment.

3.11 Drawings/Plans. If at any time the CONTRACTOR is supplied by the COUNTY or produces building drawings/documentation for construction or any other purpose, the CONTRACTOR shall not share, distribute, display, or in any other way transmit a copy of these plans without the consent of the COUNTY. If there is a need to allow another individual to view the plans, a written request (email is

allowed) shall be submitted to the COUNTY'S Project Manager. A written response (email is allowed) from the COUNTY must be obtained before the plans can be released for viewing.

3.12 Grant Funding.

A. In the event any part of this Agreement or the Service, is to be funded by Federal, State, or other local agency monies, the CONTRACTOR hereby agrees to cooperate with the COUNTY in order to assure compliance with all requirements of the funding entity applicable to the use of the monies, including providing access to and the right to examine relevant documents related to the Service and as specifically required by the Federal or State granting agency. CONTRACTOR is advised that payments under this Agreement may be withheld pending completion and submission of all required forms and documents required of CONTRACTOR pursuant to the grant funding requirements.

B. THIS AGREEMENT IS FUNDED UNDER A GRANT FROM THE U.S. TREASURY DEPARTMENT UNDER THE AMERICAN RESCUE PLAN ACT (ARPA) STATE AND LOCAL FISCAL RECOVERY FUNDS (SLFRF) ("GRANT"); CONTRACTOR MUST COMPLY WITH ALL FEDERAL GRANT REQUIREMENTS IN PROVIDING SERVICES UNDER THIS AGREEMENT. CONTRACTOR'S attention is called to the flow-down requirements within the Grant's Terms and Conditions, which are attached hereto and incorporated herein as **Exhibit C**.

ARTICLE 4. PAYMENT.

4.1 The COUNTY shall pay, and the CONTRACTOR shall accept as full and complete payment for the timely and complete performance of its obligations under this Agreement, compensation as provided in the Pricing Schedule, which is attached hereto and incorporated herein by reference as **Exhibit D**. The total cost of the Project will **not exceed Four Million Nine Hundred Ninety-Seven Thousand Eight Hundred Seventy-Eight and 84/100 Dollars ($4,997,878.84).** Retainage shall be released as set forth in Section 218.735, Florida Statutes.

A fixed lump sum price represents the CONTRACTOR'S bid, including all applicable taxes, materials, labor, tools, equipment, supervision, transportation, fuel, permits, inspections, licenses, management and overhead, and all incidentals necessary to provide a complete, turn-key service, unless a duly authorized change order has been issued in accordance with the COUNTY'S purchasing policies and procedures.

Any hourly rate quoted will be deemed to provide full compensation to the CONTRACTOR for labor, supervision, equipment use, travel time, and all other costs associated with providing the services needed to satisfactorily complete all work provided. This rate is assumed to be at straight-time for all labor, except as otherwise noted.

Other than the fees and rates set forth in **Exhibit D**, CONTRACTOR shall not be entitled to payment for any expenses, fees, or other costs it may incur at any time and in any connection with its performance hereunder.

4.2 Retainage. A retention of funds equal to five percent (5%) will be withheld from each invoice in accordance with Section 218.735, Florida Statutes. Retainage will be released in accordance with Section 218.735, Florida Statutes, and as provided in **Article 6.19**, *Acceptance of Work and Final Payment*, of this Agreement.

4.3 Invoicing.

A. The CONTRACTOR shall submit invoices to the COUNTY no later than the thirtieth (30th) day beyond the date the work was completed and accepted by the COUNTY. Invoices are to be submitted to the Office of Facilities Management at FacilitiesInvoices@LakeCountyFL.gov, unless directed otherwise by the Project Manager. Under no circumstances shall the invoices be submitted to COUNTY in advance of the delivery and acceptance of the work.

B. All invoices shall be accompanied by PDF documentation of the work completed and invoiced including, but not limited to: service tickets, suppliers' invoices, purchase orders, time sheets, approved proposals, and any other pertinent backup documentation requested by the COUNTY in COUNTY'S discretion. All invoices must contain the solicitation number, date, and location of delivery or service, purchase order number, confirmation of acceptance of the goods or services by the appropriate COUNTY representative, and a detailed description of services provided, and a calculation for the five percent (5%) retainage to be withheld.

C. If subcontractors are utilized, a copy of the subcontractor invoice to CONTRACTOR shall accompany the invoice submitted to COUNTY. Within five (5) calendar days after award of any subcontract, CONTRACTOR shall deliver to COUNTY a statement setting forth the name and address of the subcontractor, a summary of the work subcontracted and a copy of the subcontract.

4.4 Progress Payments. The CONTRACTOR may receive periodic payments on a thirty (30) day interval for Service tasks completed during that period by the CONTRACTOR and approved by the COUNTY'S Project Manager. Retention of funds will be held in accordance with Section 218.735, Florida Statutes. In order for the COUNTY to provide payment, the CONTRACTOR shall submit a fully documented invoice that provides the basic information set forth below. Each invoice must contain such detail and be backed up with whatever supporting information the COUNTY reasonably requests and must at a minimum state:

A. The total Construction Price for the Service.

B. The amount due for properly provided labor, materials and equipment properly incorporated into the Service; and with respect to amounts invoiced for materials or equipment necessary for the Service and properly stored at the Site (or elsewhere if offsite storage is approved in writing by the COUNTY), be accompanied by written proof that the COUNTY has title to such materials or equipment and that such material and equipment is fully insured against loss or damage.

C. A breakdown of the various parts of the Service as related to the Pricing Sheet as shown on **Exhibit D**.

D. The value of the various parts of the Service performed;

E. Previously invoiced amounts and credit payments made;

F. The total amount due, less any agreed retainage;

G. Submit a current schedule with every pay application; and

H. A lien waiver and other documentation verifying the CONTRACTOR'S payment to subcontractors and suppliers as the COUNTY may reasonably request.

I. Include CONTRACTOR'S Payment Affidavit, attached hereto and incorporated herein as part of **Exhibit E (Composite).**

Without limitation, at any stage of the Service, the COUNTY may require that the CONTRACTOR provide a lien waiver **executed by the CONTRACTOR; each Subcontractor having provided Notice to COUNTY; and any other Subcontractor, Laborer, Materialman, or person or entity providing labor, materials or services; as may reasonably by required by the COUNTY, which such release and waiver of lien must relate to the work which is the subject of the Application for Payment.**

4.5 The COUNTY shall make payment on all undisputed invoices in accordance with the Florida Prompt Payment Act, Part VII, Chapter 218, Florida Statutes. The COUNTY will not make payment on partial delivery of supplies, services, or materials.

4.6 Payment/Performance Bond Requirements. Pursuant to Section 255.05, Florida Statutes, CONTRACTOR must provide a Performance and Payment Bond or irrevocable letter of credit in an amount that represents ***100%*** of the contract price. The Performance and Payment Bond Form supplied by the COUNTY will be the only acceptable form for these bonds. No other form will be accepted. Bond information and forms are attached hereto and incorporated herein as **Exhibit F.** In the event the CONTRACTOR defaults on the construction, the COUNTY shall utilize the Payment and Performance bond or letter of credit to complete the work.

4.7 Payment Procedures.

A. The COUNTY will review the CONTRACTOR'S applications for payment, including such accompanying data, information and schedules as the Service requires, to determine the amounts due to the CONTRACTOR and, based upon such review, together with its inspections of the Service, will authorize payment by the COUNTY to the CONTRACTOR in writing. Such authorization will constitute the CONTRACTOR'S certification to the COUNTY that:

1. The Service described in the CONTRACTOR'S invoice has progressed to the level indicated;

2. The Service has been performed in accordance with the Agreement;

3. All necessary and appropriate lien waivers have been submitted; and

4. The amount requested is currently due and owing to the CONTRACTOR.

B. In the case of unit price work, the CONTRACTOR'S recommendations for payment will constitute final determination of quantities and classifications of such work.

C. Payments will be deemed timely if postmarked on or before the payment date defined in this Agreement or any other payment due date stated in this **Article 4**.

D. COUNTY may withhold all or part of an application for payment to the extent reasonably necessary to protect the COUNTY if in the COUNTY'S opinion the representations to the COUNTY required by this section cannot be made. If the COUNTY is unable to certify payment in the amount of the application, the COUNTY will notify the CONTRACTOR as provided for in this Agreement. If the CONTRACTOR and the COUNTY cannot agree on a revised amount, the COUNTY will promptly authorize payment for the amount which the CONTRACTOR is able to make such representations to the COUNTY. The COUNTY may also withhold payment or, because of subsequently discovered evidence, may nullify the whole or part of an application for payment previously issued, to such extent as may be necessary in the COUNTY'S opinion to protect the COUNTY from loss for which the CONTRACTOR is responsible, including loss resulting from its acts and omissions, because of:

1. Defective Work not remedied;

2. Third-party claims filed or reasonable evidence indicating probable filing of such claims unless security acceptable to the COUNTY is provided by the CONTRACTOR;

3. Failure of the CONTRACTOR to make payments properly to subcontractors for labor, materials, or equipment;

4. Reasonable evidence that the Service cannot be completed for the unpaid balance of the contract price;

5. Damage to the COUNTY or other contractor;

6. Reasonable evidence that the Service will not be completed within dates established in this Agreement, and that the unpaid balance would not be adequate to cover liquidated damages for the anticipated delay; or

7. Persistent failure to carry out the Service in accordance with this Agreement.

4.8 <u>County's Right to Refuse Payment</u>. The COUNTY'S approval of the CONTRACTOR'S invoice will not preclude the COUNTY from exercising any of its remedies under this Agreement. These remedies include, without limitation, the COUNTY'S right to withhold all or part of any payment (including Final Payment). In the event of a dispute, payment will be made on or before the payment date for amounts not in dispute, subject to any setoffs claimed by the COUNTY. The COUNTY will have the right to refuse to make payment and, if necessary, may demand the return of a portion or all the amount previously paid to the CONTRACTOR to the extent due to:

A. The CONTRACTOR'S failure to perform the Work in compliance with the requirements of this Agreement or any other agreement between the Parties.

B. The CONTRACTOR'S failure to correctly and accurately represent the Service performed in a payment request, or otherwise.

C. The CONTRACTOR'S performance of the Service at a rate or in a manner that, in the COUNTY'S reasonable opinion, is likely to result in the Service being inexcusably delayed.

D. The CONTRACTOR'S failure to use funds previously paid the COUNTY, to pay the CONTRACTOR'S Service-related obligations including, but not limited to, the CONTRACTOR'S subcontractors, materialmen, and suppliers.

E. Claims made against the COUNTY or its property.

F. Loss caused by the CONTRACTOR'S subcontractors, or suppliers and not paid by insurance or covered by bonds provided by CONTRACTOR.

G. The CONTRACTOR'S failure or refusal to perform any of its obligations to the COUNTY.

4.9 Contractor's Right to Refuse Performance for Non-Payment. If within the time set forth in Section 218.735, Florida Statutes, the COUNTY, without cause or basis under this Agreement, fails to pay the CONTRACTOR any amounts then due and payable to the CONTRACTOR will have the right, in addition to all other rights and remedies contained in this Agreement, to send the COUNTY an overdue notice. If the payment request is not rejected within four (4) business days after delivery of the overdue notice, the payment request or invoice shall be deemed accepted, except for any portion of the payment request or invoice that is fraudulent or misleading.

4.10 Improper Payment Requests and Invoice Disputes. Improper payment requests or invoices submitted by the CONTRACTOR shall be resolved as provided for in the Florida Local Government Prompt Payment Act, Section 218.76, Florida Statutes.

4.11 Correction of Past Payments. All prior payments, whether based on estimates or otherwise, may be corrected and adjusted in any subsequent payment and will be corrected and adjusted in the final payment. If any invoice contains a defect or impropriety which would prevent payment by the payment date, the COUNTY shall notify the CONTRACTOR in writing of such defect or impropriety in accordance with Section 218.735, Florida Statutes. Any disputed amounts determined by the COUNTY to be payable to the CONTRACTOR will be due in the time frames set forth in Section 218.735, Florida Statutes, from the date the dispute is resolved.

4.12 Interest on Outstanding Amounts Due. To the extent allowed by Chapter 218, Florida Statutes, interest will accrue on amounts owed by the COUNTY to the CONTRACTOR which remain unpaid for the time specified in the statutes. CONTRACTOR must invoice COUNTY for any interest accrued in order to receive the interest payment.

No interest will accrue when payment is delayed because of a dispute between the COUNTY and the CONTRACTOR, or a dispute as to the accuracy or completeness of any request for payment received. This exception to the accrual of interest will apply only to that portion of a delayed payment which is the subject of the dispute and will apply only for the duration of such disagreement.

4.13 Invoice Warranties and Guarantees. The CONTRACTOR expressly warrants and guarantees to the COUNTY that:

A. Title to all goods, products, materials, equipment, and systems covered by an invoice will pass to the COUNTY either by incorporation into the Service, or upon receipt of payment by the CONTRACTOR, whichever occurs last.

B. All goods, products, materials, equipment, and systems covered by an invoice are free and clear of liens, claims, security interests or encumbrances.

C. No goods, products, materials, equipment, or systems covered by an invoice have been acquired by the CONTRACTOR, or its subcontractors or suppliers, subject to an agreement under which an interest or an encumbrance is retained by the seller or otherwise imposed by the CONTRACTOR, or its subcontractors or suppliers.

4.14 Contractor's Signature. The signature of the CONTRACTOR on any invoice constitutes the CONTRACTOR'S certification to the COUNTY that (i) the CONTRACTOR'S services listed in the invoice have progressed to the level indicated and have been performed as required by this Agreement; (ii) the CONTRACTOR has paid its subcontractors and suppliers their proportional share of all previous payments received from the COUNTY; and (iii) the amount requested is currently due and owing.

4.15 Taxes. The CONTRACTOR shall incorporate into the Pricing Sheet, and pay, all sales, consumer, use and similar taxes for goods, products, materials, equipment, and systems incorporated into the Service which were legally required at the time of execution of this Agreement, whether yet effective or merely scheduled to go into effect. The CONTRACTOR shall secure, defend, protect, hold harmless, and indemnify the COUNTY from and against all liability, loss, claims, demands, suits, costs, fees and expenses (including actual fees and expenses of attorneys, expert witnesses, and other consultants) relating to any taxes assessed or imposed upon, incurred by or asserted against the COUNTY by any taxing authority with respect to such taxes. The CONTRACTOR shall cooperate with and assist the COUNTY in securing qualified refunds of any sales or use tax paid by the COUNTY or CONTRACTOR on goods, products, materials, equipment, or systems. Any refund secured must be paid to the COUNTY.

4.16 Compensation of Contractor's Subcontractors and Suppliers. Upon receipt of payment from the COUNTY, the CONTRACTOR shall pay each of its subcontractors and suppliers out of the amount received by the CONTRACTOR on account of such subcontractor's or supplier's portion of the Service, the amount to which each entity is entitled, reflecting percentages retained from payments to the CONTRACTOR on account of such entity's portion of the Service. CONTRACTOR shall comply with the timeframes set forth in Section 218.735(6), Florida Statutes, for remitting payment to subcontractors. The COUNTY will have no obligation to pay, and will not be responsible for payments to, the CONTRACTOR'S subcontractors or suppliers. However, the COUNTY reserves the right, but has no duty, to make payment jointly to the CONTRACTOR and to any of its subcontractors or suppliers if the COUNTY becomes aware that the CONTRACTOR fails to pay or unreasonably withholds payment from one or more of those entities. Such joint check procedure, if employed by the COUNTY, will create no rights in favor of any person or entity beyond the right of the named payees to payment of the check and will not be deemed to commit the COUNTY to repeat the procedure in the future.

4.17 Final Payment.

A. Prior to being entitled to receive final payment, and as a condition precedent, the CONTRACTOR must achieve Final Completion of the Service and provide documents needed for final payment. CONTRACTOR shall submit the *Contractors Final Payment Affidavit*, attached hereto as part of **Composite Exhibit E**, as part of CONTRACTOR'S final payment request.

B. In order for both Parties herein to close their books and records, the CONTRACTOR will clearly state "**final invoice**" on the CONTRACTOR'S final/last billing to the COUNTY. This certifies that all services have been properly performed and all charges and costs have been invoiced to the COUNTY. Since this account will thereupon be closed, any other further charges if not properly included in this final invoice are waived by the CONTRACTOR. CONTRACTOR'S failure to indicate final payment shall not bar the COUNTY from closing its account and nor shall it be used as a waiver of COUNTY'S rights or CONTRACTOR'S obligations under this Agreement.

ARTICLE 5. COUNTY RESPONSIBILITIES.

5.1 Project Manager. The COUNTY shall designate a COUNTY staff member or representative to act as COUNTY'S Project Manager. It is agreed to by the Parties that the COUNTY'S Project Manager will decide all questions, difficulties, or disputes, of whatever nature, which may arise relative to the interpretation of the plans, construction, prosecution and fulfillment of the Scope of Services, and as to the character, quality, amount, and value of any work done, and materials furnished, under or by reason of this Agreement. The COUNTY'S Project Manager may appoint representatives as desired that will be authorized to inspect all work done and all materials furnished.

5.2 The COUNTY shall pay in accordance with the provisions set forth in this Agreement.

5.3 The COUNTY retains the right to inspect all work to verify compliance with the contract documents. Such inspection may extend to all or any part of the work and to the manufacture, preparation, or fabrication of the materials to be used.

ARTICLE 6. FACILITIES PROVISIONS.

6.1 Licenses and Permits. CONTRACTOR will be solely responsible for obtaining all necessary approvals and permits to complete the service, unless specifically agreed otherwise in the Scope of Services. The CONTRACTOR shall remain appropriately licensed throughout the course of the Service and maintain at least the minimum thresholds of education and professional experience required to perform the services required under this Agreement. If the CONTRACTOR employs the services of a subcontractor, the CONTRACTOR shall ensure that any subcontractor is appropriately licensed throughout the course of the Service. Failure to maintain all required licenses will entitle the COUNTY, at its option, to terminate this Agreement. Damages, penalties, or fines imposed on the COUNTY or CONTRACTOR for failure to obtain required licenses, permits, inspections, or other fees, or inspections, will be borne by the CONTRACTOR.

6.2 Existing Conditions. The CONTRACTOR acknowledges that it has sufficient understanding of the nature and location of the work; the general and local conditions including, but not limited to, those bearing upon transportation, disposal, handling and storage of materials; availability of labor, water, electric power, and roads; and uncertainties of weather or similar physical conditions at the site; the character of equipment and facilities needed preliminary to and during the completion of the Service. The CONTRACTOR further acknowledges that the CONTRACTOR has satisfied itself as to the character, quality and quantity of surface and subsurface materials, obstacles, and conditions of the site. Any failure by the CONTRACTOR to acquaint itself with any aspect of the work or with any of the applicable conditions will not relieve the CONTRACTOR from responsibility for adequately evaluating the difficulty or cost of successfully performing the work required, nor will it be considered a basis for any claim for additional time or compensation. The COUNTY assumes no responsibility for any conclusions or

interpretations made by the CONTRACTOR on the basis of the information made available by the COUNTY. The COUNTY also assumes no responsibility for any understanding or representations made by its officers or agents during or prior to the execution of this Agreement, unless such understanding or interpretations are made in writing and incorporated in this Agreement by reference.

6.3 Intent of the Contract Documents.

A. For purposes of this Agreement, the term "contract documents" includes all bid documents, drawings, the Scope of Work, attachments to this Agreement, and provisions within this Agreement, along with any change orders or amendments to this Agreement.

B. It is the intent of the contract documents to describe a functionally complete Service which defines the Scope of Work. Any work, materials, or equipment that may reasonably be inferred from the contract documents as being required to produce the intended result must be supplied whether or not specifically called for. When words which have a well-known technical or trade meaning are used to describe work, material or equipment, such words must be interpreted in accordance with that meaning. Reference to standard specifications, manuals or codes of any technical society, organization or association or to the laws or regulations of any governmental authority having jurisdiction over the Service, whether such reference be specified or by implication, will mean the latest standard specification, manual, code, law or regulation in effect at the time the work performed, unless specifically stated otherwise in this Agreement.

C. The contract documents and all referenced standards cited in the contract documents are essential parts of the contract requirements. A requirement occurring in one is binding as though occurring in all.

D. Drawings and specifications are intended to agree and be mutually complete. Any item not contained within the drawings, but are contained in the specifications, or vice-versa, must be provided and executed as shown in either the drawing or specification at no extra costs to the COUNTY. Should anything not included in either the drawing or the specifications be necessary for the proper construction and operation of the Service as specified in this Agreement, or should any error or disagreement between the specifications and drawings exist or appear to exist, the CONTRACTOR may not derive any unjust benefit, or use such disagreement counter to the best interests of the COUNTY. The CONTRACTOR shall immediately notify the COUNTY'S Project Manager of any discrepancy and await the Project Manager's direction before proceeding with the work in question.

6.4 Errors and Omissions. The CONTRACTOR shall not take advantage of any apparent error or omission in the contract documents. If any error or omission appears in the contract documents, the CONTRACTOR shall immediately notify the COUNTY in writing of such errors or omissions. In the event the CONTRACTOR knows or should have known of any error or omission and failed to provide such notification, the CONTRACTOR will be deemed to have waived any claim for increased time or compensation the CONTRACTOR may have had and the CONTRACTOR will be responsible for the results and the costs of rectifying any such error or omission.

6.5 Rentals. Should CONTRACTOR need to rent equipment to complete the assigned work, prior approval from the Project Manager shall be required. The cost of the rental shall be indicated on the estimate and the invoice. CONTRACTOR shall be allowed to assess a percentage of up to fifteen percent (15%) over

the cost of the rental. A copy of the rental invoice to CONTRACTOR shall accompany the invoice being submitted to COUNTY. **There will be no allowance for rental if it is reasonably ascertained that the equipment is needed to complete the work as outlined in the scope of work and was not included in the original estimate.**

6.6 Contractor Personnel.

A. The CONTRACTOR shall ensure that all personnel are competent, careful and reliable. All personnel must have sufficient skill and experience to perform their assigned task properly and satisfactorily and to operate any equipment involved and must make due and proper effort to execute the work in the manner prescribed in the contract documents.

B. When the COUNTY determines that any person is incompetent, unfaithful, intemperate, disorderly, or insubordinate, such person will be immediately discharged from the Service and will not again be employed on the Service without the written consent of the COUNTY. Should the CONTRACTOR fail to remove such person or persons, the COUNTY may withhold all payments which are or may become due or may suspend the work with approval of the COUNTY until such orders are complied with.

C. E-Verify. CONTRACTOR shall utilize the U.S. Department of Homeland Security's E-Verify system in accordance with the terms governing use of the system to confirm the employment eligibility of all new persons hired by CONTRACTOR during the term of this Agreement. CONTRACTOR shall include in all contracts with subcontractors performing work pursuant to any contract arising from this Agreement an express requirement that the subcontractors utilize the U.S. Department of Homeland Security's E-Verify system in accordance with the terms governing use of the system to confirm the employment eligibility of all new employees hired by the subcontractors during the term of the Agreement.

D. Superintendent. The CONTRACTOR shall at all times have at the Service site as its agent a competent superintendent capable and thoroughly experienced in the type of work being performed, who will receive instructions from the COUNTY. The superintendent shall supervise all trades, direct all Service activities, establish and maintain installation schedules, and provide the COUNTY'S Project Manager with progress reports as requested. The superintendent shall have full authority to execute the orders or directions of the COUNTY, and if applicable to promptly supply any materials, tools, equipment, labor and incidentals which may be required. Such superintendent must be furnished regardless of the amount of work sublet. The CONTRACTOR'S superintendent shall speak, write, and understand English and shall be on the job site during all working hours.

E. No alcoholic beverages or drugs are permitted on any COUNTY properties. Evidence of alcoholic beverages or drug use by an individual will result in immediate termination from the job site.

F. Dress Code & Identification. The CONTRACTOR shall maintain a dress code for their employees with a minimum of shirts, pants, and work shoes/boots, in decent condition, at all times while the work is being performed. Additionally, there may be times in which the COUNTY will require all workers on a particular individual Service to wear ID badges. The COUNTY shall supply the ID badges. If ID badges are necessary, the CONTRACTOR will ensure that all workers employed for that particular Service, whether employed by the CONTRACTOR or a subcontractor, are scheduled, prior to assignment, for an appointment during the COUNTY'S normal working hours with the COUNTY'S Project Manager, to process and receive ID badges. All new workers must be assigned an ID badge prior to starting work for

that Service. The CONTRACTOR shall be aware that it may take up to one (1) week to receive ID badges after required information has been received and pictures have been taken.

G. Documentation. If required by the COUNTY for the Service, the CONTRACTOR shall provide the COUNTY'S Project Manager with all requested documentation for all personnel, subcontractors, and representatives of the CONTRACTOR that will be utilized for the Service. Documentation must be provided within five (5) working days of the request and must be submitted electronically in PDF format. This information must also be provided when new personnel, subcontractors, and representatives of the CONTRACTOR are hired at any time during the contract period for the Service. The information supplied will be used to run background checks and to provide identification badging, proximity cards, and keys. All documentation required below must be supplied in one (1) PDF attachment that must be titled with the company's name, the person's name, and the person's birthdate.

Example: *ACME Plumbing - John H. Smith - 10/10/96*.

The documentation must include the following: (1) full name; (2) address; (3) email address; (4) telephone number; (5) copy valid of driver's license, State of Florida identification card, passport, and/ or work visa; (6) a current, clear, color photo (head shot) taken with a plain background; (7) building names and addresses of the facilities where the individual will be working; and (8) any additional information that may be requested by the Lake County Sheriff's Office.

H. Criminal Justice Information Services (CJIS). When advised by the COUNTY'S Project Manager, the CONTRACTOR'S personnel, subcontractors, and representatives will be required to complete an online training class that includes testing in order to have access to some secure areas of COUNTY facilities. Finger printing may also be required and will be performed by the Lake County Sheriff's Office at no expense to the CONTRACTOR.

I. Background Checks. Background checks may be performed by the Lake County Sheriff's Office for projects or services being done at the Lake County Courthouse at no expense to CONTRACTOR. On sites other than the Lake County Courthouse, all personnel, subcontractors, and representatives of CONTRACTOR will be required to submit to the Florida Department of Law Enforcement for a "Certified Background Check." CONTRACTOR will be responsible for all costs associated with the "Certified Background Check." A copy of the "Certified Background Check" will be supplied to COUNTY Project Manager prior to any work starting. COUNTY Project Manager will notify CONTRACTOR electronically of approved and denied background checks. Reasons for denials will not be provided.

J. Identification Badging / Proximity Cards / Keys.

1. The CONTRACTOR'S personnel, subcontractors, and representatives that are approved to work in restricted areas will receive an identification badge which will also act as a proximity card.

2. All approved personnel, subcontractors, and representatives of the CONTRACTOR will be issued identification badges and will be required to wear them at all times while on the COUNTY'S property. At no time will personnel, subcontractors, and representatives of the CONTRACTOR be allowed to work on the COUNTY'S property prior to being given

approval by the Facilities Maintenance Division Manager and the assignment of a CONTRACTOR identification badge.

3. For facilities that do not have proximity card readers, keys will be issued to approved personnel, subcontractors, and representatives of the CONTRACTOR.

4. The Facilities Maintenance Division Manager will notify the CONTRACTOR by email that identification badges, proximity cards, and keys are ready for pickup, and will have the CONTRACTOR complete release forms and then distribute them to the CONTRACTOR for disbursement to their personnel, subcontractors, and representatives. The COUNTY'S Project Manager must be copied on the email.

K. Lost/Stolen/Damaged Identification Badges / Proximity Cards / Keys.

1. In the event that an identification badge, proximity card or key is lost, stolen or damaged, the CONTRACTOR shall immediately email the Facilities Maintenance Division Manager and the COUNTY'S Project Manager.

2. Personnel, subcontractors, and representatives of the CONTRACTOR must be temporarily substituted by the CONTRACTOR with a suitable replacement until the CONTRACTOR has obtained a new identification badge/proximity card.

3. The CONTRACTOR will be assessed a $25.00 fee for each lost, stolen, or damaged card and key in order to reimburse costs incurred by the COUNTY. All fees due will be deducted from the CONTRACTOR'S next invoice.

L. Reports. The CONTRACTOR shall provide an initial report within thirty (30) business days of the start date and then annually for all employees currently being utilized for the Service. All additions and changes must be highlighted in yellow. The COUNTY'S Project Manager will provide a standardized Excel form at contract initiation that will be used. Reports must be provided for the duration of the Service. Reports must be delivered electronically in PDF format to the Lake County Sheriff's Office Representative, the Facilities Maintenance Division Manager, and the COUNTY'S Project Manager. Reports must include the following information: (1) individual's name, birthdate, and driver's license number; (2) identification badge/proximity card number; (3) all facilities where the employee works; (4) all facilities accessible by proximity card or key; (5) the date the identification badge/proximity card was issued; (6) dates of subsequently issued identification badges/proximity cards due to loss, theft, or damage; (7) the date that the individual left employment of the CONTRACTOR; and (8) the date the identification badge/proximity card was returned.

M. Worker Dismissal / Leave Reporting.

1. The CONTRACTOR shall immediately email the Facilities Maintenance Division Manager and the COUNTY'S Project Manager upon the dismissal or permanent leave of any personnel, subcontractors, and representatives of the CONTRACTOR that are utilized for projects or services for the COUNTY.

2. The CONTRACTOR shall contact the Facilities Maintenance Division Manager to arrange to drop off identification badges, proximity cards, and keys of a dismissed workers within three (3) working days of dismissal or leave.

N. Service Completion.

1. At the completion of the Service, the CONTRACTOR shall, within three (3) business days, arrange to meet with the Facilities Maintenance Division Manager to return all identification badges, proximity cards, and keys.

2. The CONTRACTOR will be assessed a $25.00 fee for each missing identification badge, proximity card, and key in order to reimburse costs incurred by the COUNTY. All fees due will be deducted from the CONTRACTOR'S final invoice.

O. State Funding – Employment of State Residents. CONTRACTOR acknowledges and agrees that, in accordance with Section 255.099, Florida Statutes, if contract assigned to CONTRACTOR is being supported in whole or in part by State funding, CONTRACTOR will give preference to the employment of state residents in the performance of the work if state residents have substantially equal qualifications to those of non-residents. If CONTRACTOR is required to employ state residents, CONTRACTOR will contact the Department of Economic Opportunity to post the employment needs in the State's job bank system. However, in work involving the expenditure of federal aid funds, this section may not be enforced in such a manner that would conflict with or be contrary to federal law prescribing a labor preference to honorably discharged soldiers, sailors, or marines, or prohibiting as unlawful any other preference or discrimination among the citizens of the United States.

6.7 Subcontractors.

A. CONTRACTOR will be fully responsible to the COUNTY for the acts and omissions of the CONTRACTOR'S subcontractors and of persons either directly or indirectly employed by them.

B. All subcontractors, for as long as the subcontractor is working on the job site, must have at least one supervisor/foreman on the job site that speaks and understands English.

C. CONTRACTOR shall cause its subcontractors and suppliers to comply with the Service schedule and applicable sub-schedules.

D. CONTRACTOR shall include with the final invoice a completed *Contractor's Final Payment Affidavit*, a copy of which is attached and incorporated by reference as **Exhibit E**. The invoice will not be processed without the form.

E. Subcontracting without the prior consent of COUNTY may result in termination of the Agreement for default.

6.8 Completion of the Scope of Services. The CONTRACTOR shall give the work the attention necessary to assure the scheduled progress and shall cooperate fully with the COUNTY and with other contractors on the job site. All work must be done in accordance with the contract documents. When not specifically identified in the technical specifications, such materials and equipment must be of a suitable

type and grade for the purpose. All material, workmanship, and equipment will be subject to the inspection and approval of the COUNTY.

6.9 Emergencies. Dependent on COUNTY need, the CONTRACTOR must have a responsible person available at, or reasonably near, the Service on a twenty-four (24) hour basis, seven (7) days a week, who may be contacted in emergencies and in cases where immediate action must be taken to maintain traffic or to handle any other problem that might arise. The CONTRACTOR'S responsible person for supervision of emergencies must speak and understand, both verbally and in writing, the English language. The CONTRACTOR shall submit to the COUNTY'S Project Manager, the phone numbers and names of personnel designated to be contacted in cases of emergencies. Included in this list must be a twenty-four (24) hour contact phone number for all subcontractors, if any, performing work under this Agreement. This list must contain the name of their supervisors responsible for work pertaining to this Agreement.

In the event of an emergency affecting the safety or protection of persons, or the work or property at a Service site or adjacent to a Service site, the CONTRACTOR, without special instruction or authorization from the COUNTY, is obligated to act to prevent threatened damage, injury, or loss. The CONTRACTOR shall contact the COUNTY as soon as possible by telephone and with written notice as soon as feasible after the emergency, but no later than twenty-four (24) hours after the occurrence of the emergency, if the CONTRACTOR believes that any significant changes in the work or variations from the contract documents has occurred. If the COUNTY determines that a change in the contract documents is required because of the action taken in response to an emergency, a change order request will be issued to document the consequences of the changes or variations. If the CONTRACTOR fails to provide written notice within the twenty-four (24) hour limitation noted above, the CONTRACTOR will be deemed to have waived any right it otherwise may have had to seek an adjustment to the contract amount or an extension to the contract time.

6.10 Safety.

A. The CONTRACTOR shall initiate, maintain, and supervise all safety precautions and programs in connection with the work, and shall comply with all requirements of the Occupational Safety and Health Administration (OSHA) and any other industry, Federal, State or local government standards, including the National Institute of Occupational Safety Hazards (NIOSH), and the National Fire Protection Association (NFPA). The CONTRACTOR shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury or loss to, persons or property. The CONTRACTOR shall be aware that while working for the COUNTY, representatives from agencies such as OSHA are invitees and need not have warrants or permission to enter the work site. Any fines levied by the above-mentioned authorities for failure to comply with these requirements will be borne solely by the CONTRACTOR.

B. The CONTRACTOR certifies that all material, equipment, etc. to be used in an individual Service meets all OSHA requirements. The CONTRACTOR further certifies that if any of the material, equipment, etc. is found to be deficient in any OSHA requirement in effect on the date of delivery, all costs necessary to bring the material, equipment, etc. into compliance with these requirements will be borne by the CONTRACTOR. All standard equipment, work operations, safety equipment, personal protective equipment, and lighting required or mandated by State, Federal, OSHA, or Americans with Disabilities Act (ADA) regulations must be provided and used by the CONTRACTOR and its employees.

C. All safety devices installed by the manufacturer on equipment utilized by the CONTRACTOR on the jobsite must be in place and in proper working order at all times. If the COUNTY determines that equipment is deficient in safety devices, the CONTRACTOR will be notified immediately. The CONTRACTOR shall immediately repair or remove the equipment from service until the deficiency is corrected to the satisfaction of the COUNTY.

D. The COUNTY may periodically monitor the work site for safety. Should there be safety or health violations, the COUNTY will have the authority, but not the duty, to require the CONTRACTOR to correct the violation in an expeditious manner. If there is any situation that is deemed unsafe by the COUNTY, the Service will be shut down immediately upon notice and will not resume work until the unsafe condition has been remedied. CONTRACTOR shall receive no additional compensation, no extension of time, and shall not be entitled to reimbursement of any demobilization costs, remobilization costs, or other out-of-pocket expenses incurred as a result of such work stoppage. If the violation is not corrected within a reasonable time, COUNTY may in its sole discretion declare CONTRACTOR to be in default of this Agreement.

E. Should the work site be in a hazardous area, the COUNTY shall take reasonable actions to furnish the CONTRACTOR with information concerning hazards such as the types or the identification of known toxic material, machine hazards, Safety Data Sheets, or any other information that would assist the CONTRACTOR in the planning of a safe work site. The CONTRACTOR retains the ultimate responsibility to ensure all work is performed in a manner consistent with all applicable safety standards and directives. The CONTRACTOR retains the ultimate responsibility to ensure all work is performed in a manner consistent with all applicable safety standards and directives. **CONTRACTOR is solely responsible for ensuring safety related to any additional or unique hazards due to the nature and location of the work.**

F. The CONTRACTOR shall erect and maintain, as required by existing conditions and contract performance, safeguards for safety and protection such as barricades, danger signs, a construction fence, and other warnings against hazardous conditions.

G. The CONTRACTOR shall remove all surplus material and debris from the Service site at the end of each workday. All costs associated with clean-up and debris removal must be included in the lump sum price stated elsewhere in this Agreement. The CONTRACTOR shall leave the site clean and neat. All work must be cleaned up prior to the next day of business. At no time may the specified work interfere with the regular operating hours of Lake County.

H. CONTRACTOR must have sufficient and Service appropriate supplies on-site for clean-up. At no time may the CONTRACTOR use COUNTY cleaning supplies or equipment. Upon final completion, the CONTRACTOR shall thoroughly clean-up all areas where work has been involved as mutually agreed with the COUNTY'S Project Manager. **If at any time the CONTRACTOR fails to clean up the work area to acceptable levels, the COUNTY may retain outside cleaning services and the actual costs for this service will be deducted from the CONTRACTOR'S final payment with the minimum cost of $50.00 to offset the COUNTY'S time for securing services to properly clean and inspect the site.**

I. The CONTRACTOR shall confine all equipment, materials and operations to the Service site and areas identified in the agreement documents. The CONTRACTOR shall assume all responsibility for any damage to any such area resulting from the performance of the work.

J. Hazardous Materials. CONTRACTOR is responsible for notifying the COUNTY of any hazardous materials used on the work site and providing the COUNTY a copy of the Safety Data Sheets (SDS). Any spillage of hazardous chemicals or wastes by the CONTRACTOR will be reported immediately to the COUNTY and cleaned up in accordance with all State and Federal Regulations. The cost of cleanup of any spillage of hazardous chemicals or wastes caused by CONTRACTOR will be the sole responsibility of CONTRACTOR and the COUNTY will share no responsibility of these costs. A copy of the complete report showing compliance with local, state, and federal agencies will be given to the COUNTY. If any hazardous chemicals or conditions are discovered during the normal operation, it is the responsibility of CONTRACTOR to immediately contact the COUNTY with a description and location of the condition. The SDS must meet the requirements of 29 CFR 1910.1200(g), and include the following information:

- Section 1: Identification;
- Section 2: Hazard(s) identification;
- Section 3: Composition/information on ingredients;
- Section 4: First-aid measures;
- Section 5: Fire-fighting measures;
- Section 6: Accidental release measures;
- Section 7: Handling and storage;
- Section 8: Exposure controls / personal protection;
- Section 9: Physical and chemical properties;
- Section 10: Stability and reactivity;
- Section 11: Toxicological information;
- Section 12: Ecological information;
- Section 13: Disposal considerations;
- Section 14: Transport information;
- Section 15: Regulatory information; and
- Section 16: Other information, including date of preparation or last revision.

The CONTRACTOR shall designate a competent person in its organization whose duty will be the prevention of accidents. This person must be literate and able to communicate fully in the English language because of the necessity to read job instructions and signs, as well as the need for conversing with management personnel. This person will be the CONTRACTOR'S superintendent unless otherwise designated in writing to the COUNTY'S Project Manager. All communications to the superintendent will be as binding as if given to the CONTRACTOR.

6.11 Underground Utilities. Any required digging or subsurface work will be done in accordance with Chapter 556, Florida Statutes. It will be the responsibility of CONTRACTOR to have all underground utilities located before any work begins (Sunshine State One Call 1-800-432-4770). The repairs of any damaged underground utilities because of the work being performed by CONTRACTOR will be the responsibility of CONTRACTOR. The proper utility company will be contacted immediately to expedite the repairs if damage has occurred. CONTRACTOR will notify the COUNTY and provide a written explanation of the incident within two days of the damage to any underground utilities.

6.12 Maintenance of Traffic.

A. In the event that any of the work is conducted within any public right of way, the CONTRACTOR shall provide proper Maintenance of Traffic (MOT). Unless otherwise specified, the standard specifications to be used for the Service will be the strictest and latest edition as promulgated by the Florida Department of Transportation (FDOT) or the Federal Highway Administration (FHWA).

B. Maintenance of traffic will be the responsibility of the CONTRACTOR, is part of the CONTRACTOR'S proposal price, and must conform to FDOT'S most current editions and supplements of Standard Specifications for Road and Bridge Construction, Roadway and Traffic Design Standards, Manual or Uniform Minimum Standards for Design, Construction and Maintenance for Streets and Highways, or the Federal Highway Administration (FHWA) Manual on Uniform Traffic Control Devices (MUTCD), as applicable. These documents can be ordered from FDOT, Maps and Publications Department, 605 Suwannee Street, Tallahassee, Florida, 32399-0450, or by going to the FDOT website at: https://www.fdot.gov/publications/publications.shtm.

C. All costs associated with MOT must be included in the CONTRACTOR'S proposal price. No separate line items for MOT will be included in the cost estimate. If the CONTRACTOR does not comply with all of the FDOT and the FHWA standards (i.e., signs, qualified flaggers, and barricades), the COUNTY reserves the right to direct the CONTRACTOR to cease operation until deficiencies are corrected. In addition, no road closures will be allowed except in the case of emergencies.

D. If the CONTRACTOR feels that assistance from an off-duty police officer is needed, it will be the responsibility of the CONTRACTOR, at the CONTRACTOR'S sole cost and expense, to hire and pay for this service.

E. All lane closures must have the prior approval of the COUNTY.

F. These requirements are to be considered a minimum and the CONTRACTOR'S compliance will in no way relieve the CONTRACTOR of final responsibility for providing adequate traffic control devices for the protection of the public and the CONTRACTOR'S employees throughout the work area.

G. The use of public roads and streets by the CONTRACTOR must provide minimal inconvenience to the public and traffic. Furthermore, if the CONTRACTOR is utilizing a road by driving slow moving equipment, the operator must allow no more than three (3) vehicles to be backed up behind them at any time before pulling to the side to let traffic pass.

6.13 General Inspection Requirements.

A. The CONTRACTOR shall furnish the COUNTY with every reasonable accommodation for ascertaining whether the work performed and materials used are in accordance with the requirements and intent of the contract documents. If the COUNTY so requests, the CONTRACTOR shall, at any time before final acceptance of the work, remove or uncover such portions of the finished work as may be directed. After examination, the CONTRACTOR shall restore the uncovered portions of the work to the standard required by the specifications. Should the work so exposed or examined prove unacceptable in the opinion of the COUNTY, the uncovering or removal, and the replacing of the covering or making good of

the parts removed, will be at the CONTRACTOR'S expense. However, should the work thus exposed or examined prove acceptable in the opinion of the COUNTY, the uncovering or removing and the replacing or the covering or making good of the parts removed, will be paid for as unforeseen work.

B. If the COUNTY should, at any point before, during, or after, completion of construction activities, fail to reject defective work or materials, whether from lack of discovery of such defect or for any other reason, such initial failure to reject will in no way prevent the COUNTY'S later rejection when such defect is discovered, nor obligate the COUNTY to final acceptance or payment, and the CONTRACTOR will make no claim for losses suffered due to any necessary removals or repairs of such defects.

C. If, during or prior to construction operations, the COUNTY rejects any portion of the work on the grounds that the work or materials are defective, the COUNTY shall give the CONTRACTOR notice of the defect, which notice may be confirmed in writing. The CONTRACTOR will then have seven (7) calendar days from the date the notice is given to correct the defective condition. If the CONTRACTOR fails to correct the deficiency within the seven (7) calendar days after receipt of the notice, the COUNTY may take any action necessary, including correcting the deficient work utilizing another CONTRACTOR, returning any non-compliant goods to the CONTRACTOR at the CONTRACTOR'S expense or terminating the contract. The CONTRACTOR may not assess any additional charges for any conforming action taken by the COUNTY. The COUNTY will not be responsible to pay for any product or service that does not conform to the contract specifications.

D. Should the CONTRACTOR fail to remove and renew any defective materials used or work performed, or to make any necessary corrections in an acceptable manner and in accordance with the contract requirements, within the time indicated in writing, the COUNTY will have the authority to cause the unacceptable or defective materials or work to be corrected as necessary at the CONTRACTOR'S expense. Any expense incurred by the COUNTY, whether direct, indirect or consequential, in making these repairs, removals, or renewals will be paid for out of any monies due or which may become due to the CONTRACTOR. A change order will be issued, incorporating the necessary revisions to the contract documents, including an appropriate decrease to the contract amount. Such costs will include, but not be limited to, costs of repair and replacement of work destroyed or damaged by correction, removal or replacement of the CONTRACTOR'S defective work and additional compensation due the COUNTY. The CONTRACTOR will not be allowed an extension of the contract time because of any delay in performance of the Service attributable to the exercise by the COUNTY of the COUNTY'S rights and remedies under this Agreement. If the CONTRACTOR fails to honor the change order, the COUNTY may terminate this Agreement for default.

E. All work performed and all materials furnished must be in conformity with the tolerances indicated in the specifications. In the event the COUNTY'S Project Manager finds the materials or the finished product in which the materials are used are not in conformity with the specifications, the COUNTY'S Project Manager will then make a determination if the work will be accepted and remain in place. In this event, the COUNTY'S Project Manager will document the basis of acceptance by a Change Order that will provide for an appropriate deduction as needed in the contract price for such work or materials as the COUNTY'S Project Manager deems necessary to conform to the determination based on the COUNTY'S Project Manager's professional judgment.

F. When the United States Government or the State of Florida is to pay a portion of the cost of construction, the work will be subject to such inspection by Federal or State representatives as deemed

necessary, but such inspections will in no case make the United States Government or the State of Florida a party to this contract.

6.14 Service Materials and Storage.

A. Unless otherwise specified within the contract documents, all materials to be used to complete the Service, except where recycled content is specifically requested, must be new, unused, of recent manufacture, and suitable for its intended purpose. All goods must be assembled, fully serviced and ready for operation when delivered. In the event any of the materials supplied by the CONTRACTOR are found to be defective or do not conform to specifications: (1) the materials may be returned to the CONTRACTOR at the CONTRACTOR'S expense and this Agreement may be terminated or (2) the COUNTY may require the CONTRACTOR to replace the materials at the CONTRACTOR'S expense.

B. Materials must be placed to permit easy access for proper inspection and identification of each shipment. Any material which has deteriorated, become damaged, or is otherwise unfit for use, as determined by the COUNTY, must not be used for the Service, and must be removed from the site by the CONTRACTOR at the CONTRACTOR'S expense. Until incorporated into the work, materials will be the sole responsibility of the CONTRACTOR and the CONTRACTOR will not be paid for such materials until incorporated into the work. If any chemicals, materials or products containing toxic substances are to be used at any time, the CONTRACTOR shall furnish a Material Safety Data Sheet to the COUNTY prior to commencing such use.

C. When not specifically identified in the technical specifications, materials and equipment must be of a suitable type and grade for the purpose which they are used.

D. All unusable materials and debris must be removed from the premises by the CONTRACTOR at the end of each workday and disposed of in an appropriate manner.

6.15 Time for Completion and Extensions.

A. A written Notice to Proceed is required for the CONTRACTOR to schedule or begin work. Purchase Orders will be issued for Services to the CONTRACTOR. Issuance of a Purchase Order is not a directive to begin work unless otherwise specified. Email notice is acceptable.

B. The CONTRACTOR shall diligently pursue the completion of the work and coordinate the work being done on the Service by its subcontractors and material suppliers, as well as coordinate the CONTRACTOR'S work with the work of other contractors so that the CONTRACTOR'S work or the work of others will not be delayed or impaired. The CONTRACTOR will be solely responsible for all construction means, methods, techniques, sequences, and procedures, as well as coordination of all portions of the work under the contract documents. The time for completion requirements are contained in **Article 3.3** above.

C. Should the CONTRACTOR be obstructed or delayed in the completion of the work as a result of unforeseeable causes beyond the control of the CONTRACTOR, and not due to the CONTRACTOR'S fault or neglect, the CONTRACTOR shall notify the COUNTY in writing within twenty-four (24) hours after the commencement of such delay, stating the cause or causes of the delay, or be deemed to have waived any right which the CONTRACTOR may have had to request a time extension.

D. If the CONTRACTOR complies with the twenty-four (24) hour notice requirement, the COUNTY will ascertain the facts and the extent of the delay being claimed and recommend an extension to the contract time when, in the COUNTY'S sole judgment, the findings of fact justify such an extension. The CONTRACTOR shall cooperate with the COUNTY'S investigation of the delays by providing any schedules, correspondence or other data that may be required to complete the findings of fact. Extensions to the contract time may be granted only for those delays which impact the CONTRACTOR'S construction schedule. Extensions of contract time, if approved by the COUNTY, must be authorized by written change order.

6.16 Changes in the Scope of Work/Services. When it is determined that it is in the best interest of COUNTY, changes in the Scope of Work may be made by written Change Order, executed by both Parties. The value of such extra work or change will be determined by the contract unit values, if applicable unit values are set forth in this Agreement. The amount of the change will be computed from such values and added to or deducted from the contract price.

A. COUNTY Initiated Change Orders.

1. COUNTY in its sole and absolute discretion may, at any time, request CONTRACTOR to prepare a quote and written Change Order, in accordance with the COUNTY'S Purchasing Policy and Procedures, to increase or decrease the scope of the work. COUNTY will make a formal written request for a quote and Change Order describing the changes to be addressed by the Change Order. CONTRACTOR shall provide COUNTY a quote and written Change Order within ten (10) business days from COUNTY'S written request, which shall include an itemized list of quantities, units, and pricing, including overall cost impact to the project, individually and in conjunction with all other changes made; a description of the impact on the project schedule and completion date, individually and in conjunction with all other changes made; and confirmation of COUNTY'S written request for Change Order. COUNTY will process COUNTY-initiated Change Orders in accordance with section 218.755, Florida Statutes.

2. If COUNTY and CONTRACTOR are unable to agree on the change order for a COUNTY requested change, CONTRACTOR shall, nevertheless, promptly perform the change if directed in writing by COUNTY to do so. If the CONTRACTOR disagrees with COUNTY'S adjustment determination, CONTRACTOR must make a claim pursuant to the Claims and Disputes section in this Agreement, or else be deemed to have waived any claim on this matter CONTRACTOR might have otherwise had.

B. CONTRACTOR Initiated Change Orders.

1. For CONTRACTOR requested changes in work, including requests for extensions of time, CONTRACTOR must first seek approval from the COUNTY Project Manager to prepare and submit a Change Order for COUNTY consideration. CONTRACTOR shall not submit a request for Change Order without first seeking Project Manager approval; any Change Order submitted without prior written approval will not be considered by COUNTY.

2. Change Orders requested by the CONTRACTOR shall include, at minimum: (1) a description of and justification for the requested change; (2) itemized list of quantities, units, and pricing, along with the overall cost impact to the Project, individually and in conjunction with all

other changes made; (3) a statement of the contractual basis for the requested change; (4) a description of the impact on the project schedule and completion date, individually and in conjunction with all other changes made during the course of the Service; and (5) confirmation that the COUNTY Project Manager approved CONTRACTOR'S request to submit a Change Order for consideration. The COUNTY reserves the right to reject and/or request additional information from CONTRACTOR in support of its request for a Change Order.

3. CONTRACTOR must obtain written approval through a Change Order executed by both Parties before proceeding with any work described in the Change Order; both the COUNTY and the CONTRACTOR must execute the change order for the order to become effective. CONTRACTOR will not be compensated for any work performed without a duly executed Change Order for any CONTRACTOR requested Change Order.

C. For work not contemplated by the original Agreement where the COUNTY'S Project Manager determines CONTRACTOR is best suited to complete the work, CONTRACTOR may complete the work under a time-and-materials agreement, as provided herein. CONTRACTOR'S quote to complete the additional work will be limited to: (i) the CONTRACTOR'S reasonable direct material costs and reasonable actual equipment costs as a result of the change and (ii) direct labor hours charged at fixed hourly rates that reflect wages, general and administrative expenses, and profit. In such case, the CONTRACTOR will keep and present to the COUNTY an itemized accounting together with appropriate supporting data for the total cost incurred. In the event such changed work is performed by a subcontractor, additional work will be limited to: (i) the subcontractor's reasonable direct material costs and reasonable actual equipment costs as a result of the change and (ii) direct labor hours charged at fixed hourly rates that reflect wages, general, and administrative expenses, and profit. CONTRACTOR may charge appropriate reasonable direct hourly costs related to overseeing and subcontracting the work. All compensation due the CONTRACTOR and any subcontractor or sub-subcontractor for field and home office overhead is included in the markups listed above. Payment to CONTRACTOR will be limited to the amount quoted by the CONTRACTOR for the additional work, which the CONTRACTOR exceeds at its own risk.

D. The COUNTY will not be liable to the CONTRACTOR for any increased compensation in the absence of a written change order executed in accordance with the COUNTY policy. The payment authorized by such a duly executed Change Order will represent full and complete compensation to the CONTRACTOR for labor, materials, incidental expenses, overhead, profit, impact costs, and time associated with the work authorized by such Change Order.

E. Execution by the CONTRACTOR of a properly authorized change order will be considered a waiver of all claims or requests for additional time or compensation for any activities prior to the time of execution related to items included in the change order. If a Change Order is approved by the COUNTY with the number of additional Contract days listed as "to be determined" or "TBD," then TBD shall be treated as zero (0) additional days approved.

F. Upon receipt of an approved change order, changes in the Scope of Services must be promptly performed. All changes in work must be performed under the terms and conditions of this Agreement.

G. Change orders will not be issued for incidental items or tasks that should have been reasonably construed to be part of the Project by the CONTRACTOR.

6.17 Sales Tax Recovery Program. In accordance with Section 212.08(6), Florida Statutes, and Rule 12A-1.094, Florida Administrative Code, the COUNTY is tax exempt when it purchases tangible personal property for use in public works projects, subject to certain restrictions. In the event this project is declared a sales tax recovery project by the COUNTY, the following procedures will apply:

A. The COUNTY, through its Project Manager, shall determine whether the COUNTY will directly purchase certain materials required for the work.

B. If requested by the Project Manager, the CONTRACTOR shall prepare a list of proposed items that may be desirable for COUNTY direct purchasing. Proposed items will be items that are purchased in a single order from a single vendor with a value greater than $10,000. Upon reviewing this list, the COUNTY will determine whether it will directly purchase certain materials. The COUNTY shall notify the CONTRACTOR in writing of the specific materials which are intended to be purchased.

C. Within ten (10) calendar days from receipt of the written notice described in the preceding paragraph, the CONTRACTOR shall advise the COUNTY in writing of: (a) the date upon which the materials must be on-site according to the construction schedule approved at that time, (b) the date that the CONTRACTOR directs that the COUNTY place the order for the described materials, (c) the location to which the materials are to be delivered, and (d) any other particular details of the order which the CONTRACTOR requests that the COUNTY include in the Purchase Order to the vendor.

D. The COUNTY may, but is not required to, provide the CONTRACTOR with the proposed Purchase Order for the materials. In that case, the CONTRACTOR shall review the Purchase Order for compliance with the construction documents, including, without limitation, the plans, specifications, and construction schedule. Within five (5) calendar days from the receipt of the proposed Purchase Order, the CONTRACTOR shall provide the COUNTY with written approval of the Purchase Order or shall provide written revisions to the Purchase Order, in order that the materials and the delivery will comply with the Construction Documents, including, without limitation, the plans, specifications and Construction Schedule.

E. The COUNTY will place the Order for the materials with the vendor.

F. The COUNTY will take title to those materials directly from the vendor and will bear the risk of loss or damage to the materials which are delivered by the vendor through the time that the materials are delivered to the location designated by the CONTRACTOR. After the materials are delivered to the location designated by the CONTRACTOR, the CONTRACTOR will have full responsibility for their storage, protection, risk-of-loss, and installation pursuant to the construction documents, including, without limitation, the Project plans, specifications, and construction schedule.

G. The vendor will invoice the COUNTY directly for the materials purchased from the vendor. The COUNTY shall pay the invoices for the materials directly, presenting its sales tax exemption certificate to each vendor at the time of payment.

With respect to the materials specifically designated by this section, the CONTRACTOR will be relieved only of its responsibilities to place the order for the subject materials, to pay for the materials and to insure the materials against loss through the date that they are delivered to the location designated by the CONTRACTOR. Otherwise, nothing in this Agreement will revise or modify the CONTRACTOR'S

responsibilities set forth in this Agreement, including, without limitation, the responsibility to schedule the timely ordering and delivery of the materials purchased under this Agreement, the management of the materials once delivered or the incorporation of the materials into the Service, as provided in the construction documents, including, without limitation, the plans, specifications and construction schedule.

THE PURPOSE OF THE SALES TAX RECOVERY PROGRAM IS TO ACHIEVE COST SAVINGS FOR THE COUNTY. THE COST OF ANY MATERIALS PURCHASED THROUGH THE SALES TAX RECOVERY PROGRAM WILL BE DEDUCTED FROM THE CONTRACT AMOUNT. ALL SAVINGS REALIZED BY THE SALES TAX RECOVERY PROGRAM WILL INURE TO THE BENEFIT OF THE COUNTY. IT IS THE CONTRACTOR'S RESPONSIBILITY TO ADJUST ANY SUBCONTRACTS ACCORDINGLY.

The COUNTY and CONTRACTOR shall execute a written change order described in this Agreement and approved in accordance with the COUNTY'S policy and the Change Order will become a part of the contract documents as provided in this Agreement. The CONTRACTOR'S fee will be calculated on the basis that the CONTRACTOR, rather than the COUNTY, procured the materials. Therefore, for purpose of calculating the fee, the total of subcontractor and supplier costs will include payments made by the COUNTY under this program. The calculation of the fee in this manner will provide, among other things, specific supplemental consideration for the provisions of this Article.

6.18 Claims and Disputes.

A. Claims by the CONTRACTOR must be made in writing to the COUNTY within two (2) business days, unless another provision of this Agreement sets forth a different time frame, after the commencement of the event giving rise to such claim or the CONTRACTOR will be deemed to have waived the claim. All claims will be priced in accordance with the section in this document entitled "Changes in the Scope of Services."

B. The CONTRACTOR shall proceed diligently with its performance as directed by the COUNTY, regardless of any pending claim, action, suit, or administrative proceeding, unless otherwise agreed to by the COUNTY in writing. The COUNTY shall continue to make payments on the undisputed portion of the Agreement in accordance with the contract documents during the pendency of any claim.

C. Claims by the CONTRACTOR will be resolved in the following manner: (1) Upon receiving the claim and supporting data, the COUNTY will within fifteen (15) calendar days respond to the claim in writing stating that the claim is either approved or denied. If denied, the COUNTY will specify the grounds for denial. The CONTRACTOR will then have fifteen (15) calendar days in which to provide additional supporting documentation, or to notify the COUNTY that the original claim stands as is. (2) If the claim is not resolved, the COUNTY may, at its option, choose to submit the matter to mediation. A mediator will be mutually selected by the Parties and each Party will pay one-half (1/2) the expense of mediation. If the COUNTY declines to mediate the dispute, the CONTRACTOR may bring an action in a court of competent jurisdiction in and for Lake County, Florida.

D. Claims by the COUNTY against the CONTRACTOR must be made in writing to the CONTRACTOR as soon as the event leading to the claim is discovered by the COUNTY. Written supporting data will be submitted to the CONTRACTOR. All claims will be priced in accordance with the provisions of the section in this document entitled "Changes in the Scope of Services." The

CONTRACTOR shall respond in writing within fifteen (15) calendar days of receipt of the claim. If the claim cannot be resolved, the COUNTY may submit the matter to mediation as set forth above.

E. Arbitration will not be considered as a means of dispute resolution.

F. NO CLAIM FOR DAMAGES OR ANY CLAIM OTHER THAN FOR AN EXTENSION OF TIME MAY BE MADE OR ASSERTED AGAINST THE COUNTY BY REASON OF ANY DELAYS. No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the work will relieve the CONTRACTOR of its duty to perform or give rise to any right to damages or additional compensation from the COUNTY. The CONTRACTOR expressly acknowledges and agrees that the CONTRACTOR will receive no damages for delay. However, this provision will not preclude recovery or damages by the CONTRACTOR for hindrances or delays due solely to fraud, bad faith, or active interference on the part of the COUNTY. Otherwise, the CONTRACTOR will be entitled to extensions of the contract time as the sole and exclusive remedy for such resulting delay, in accordance with and to the extent specifically provided above.

6.19 Acceptance of the Work and Final Payment.

A. The work delivered and services rendered under this Agreement will remain the property of the CONTRACTOR and will not be deemed complete until a physical inspection and actual usage of the Service is accepted by the COUNTY and will be in compliance with the terms of this Agreement, fully in accord with the specifications and of the highest quality. Any goods or services purchased under this Agreement may be tested/inspected for compliance with the specifications listed.

B. Maintenance of Work. The CONTRACTOR shall maintain all work in as-new condition until the final inspection is completed and the work is accepted by the COUNTY. All insurance must be maintained until final acceptance by the COUNTY.

C. Substantial Completion.

1. Substantial Completion is the point at which the work (or a designated portion of the work the COUNTY has agreed to accept expressly under this Agreement), is sufficiently complete consistent with the requirements of the Contract Documents to enable the COUNTY to take possession of, occupy, or use the Project (or such designated portion, if applicable), in all respects for its intended use without significant disruption from the completion of any remaining work. Substantial Completion will not be achieved until:

i. All Project systems included in the work (or that designated portion, if applicable) are operational as designed and scheduled, and where required by the Contract Documents, have been inspected and commissioned;

ii. COUNTY'S personnel have received the requisite number of operational manuals and all instruction and training in the use of such systems as required by the Contract Documents;

iii. All required governmental inspections and approvals associated with the use and occupancy of the Project including, without limitation, a certificate of occupancy for such use are obtained and provided to the COUNTY;

iv. All utilities have been connected and are in working order, if applicable to the specific project;

v. All final finishes specified in the Contract Documents are in place; and

vi. The Project (or designated portion, if applicable) has been fully cleaned and cleared of any debris and is readily accessible, operable, and usable for its intended purpose.

2. The CONTRACTOR will notify the COUNTY'S Project Manager in writing when it considers Substantial Completion of the Work (or such designated portion(s) the COUNTY has agreed to accept) to be achieved. After receiving such notice, the COUNTY'S Project Manager and, if applicable, COUNTY'S Architect or Representative, will schedule an inspection of the Work or such designated portion to determine if Substantial Completion has been achieved. CONTRACTOR and COUNTY'S Project Manager and, if applicable, COUNTY'S Architect or Representative, will jointly conduct the Substantial Completion inspection.

i. If the COUNTY determines that Substantial Completion **has not been achieved**, the COUNTY'S Project Manager and, if applicable, COUNTY'S Architect or Representative, will provide CONTRACTOR with a list of items to be completed or corrected to enable the COUNTY to take possession of, occupy, or use the Project (or a designated portion), for its intended use without significant disruption. CONTRACTOR will promptly perform such work and notify the COUNTY'S Project Manager upon completion in writing and request the COUNTY to schedule another Substantial Completion inspection.

ii. If the COUNTY determines that Substantial Completion **has been achieved**, the COUNTY'S Project Manager and, if applicable, COUNTY'S Architect or Representative, will promptly notify the CONTRACTOR. The COUNTY shall provide CONTRACTOR with a Certificate of Substantial Completion which shall include a single list of items required to render the Service complete, pursuant to Section 218.735(7), Florida Statutes. COUNTY will prepare and deliver to CONTRACTOR the Certificate of Substantial Completion and single list of items within thirty (30) calendar days following the Substantial Completion inspection. The single list will be delivered by the COUNTY to the CONTRACTOR within five (5) days after the list of items has been developed and reviewed.

The failure by the COUNTY to include any corrective work or pending items on the list does not alter CONTRACTOR'S responsibility for completing the Service pursuant to the Contract Documents. All items that require correction under the Agreement and that are identified after the preparation and delivery of the list remain the obligation of CONTRACTOR. The CONTRACTOR shall correct all deficiencies before final acceptance and payment of retainage is made.

3. The Certificate of Substantial Completion will establish the date of Substantial Completion for the Work or such designated portion and:

i. Include a single list of all items to be completed or corrected and identify the time for completion or correction. Unless otherwise agreed, all items must be completed within

thirty (30) calendar days of Substantial Completion Date. The failure to include an item on the list does not alter the CONTRACTOR'S responsibility to complete all Work as required by the Contract Documents.

ii. Identify any other conditions to be completed prior to Final Completion.

iii. Must be signed and accepted by the CONTRACTOR and COUNTY'S Project Manager.

4. Within twenty (20) business days after the COUNTY and CONTRACTOR sign and accept the Certificate of Substantial Completion, the COUNTY will pay CONTRACTOR the remaining contract balance that includes all retainage previously withheld by the COUNTY less an amount equal to 150 percent (150%) of the estimated cost to complete the items on the list. CONTRACTOR must provide COUNTY a proper payment application in order to receive payment.

D. Final Inspection. When all materials have been furnished, all work has been performed, and the construction contemplated by this Agreement has reached Final Completion, including completion of all items identified in the single list of items provided in the Certificate of Substantial Completion, CONTRACTOR shall request a final inspection by the COUNTY in writing. The COUNTY, or the COUNTY'S representative, shall make the final inspection within five (5) business days of receipt of notification from the CONTRACTOR that the Service is ready.

E. Final Invoice. When the work provided for under this Agreement has been completely performed by the CONTRACTOR a final invoice/payment application will be prepared by the CONTRACTOR and submitted with a Final Payment Affidavit to the COUNTY'S Project Manager. The amount of this invoice, less any sums that may have been deducted or retained under the provisions of this Agreement, will be paid to the CONTRACTOR in accordance with **Article 4** of this Agreement, and after the CONTRACTOR has agreed in writing to accept the balance due, as determined by the COUNTY, as full settlement of the account under the Agreement and of all claims in connection with the invoice. Occupancy by the COUNTY alone does not constitute final acceptance.

F. Final Completion and Final Acceptance. Final Completion must be within thirty (30) days after the COUNTY'S issuance of a Certificate of Substantial Completion. Final Completion shall be achieved when all materials have been furnished, all work has been performed, and all the construction contemplated by this Agreement is completed to the COUNTY'S satisfaction. If the COUNTY fails to provide the list as provided for in paragraph C of this section, the time for completion will be extended by the number of days the COUNTY exceeded the delivery date. COUNTY will re-inspect to verify completion of the list of items provided to CONTRACTOR for final acceptance. An eighty-dollar ($80.00) re-inspection fee will be applied for the third inspection and any required re-inspection. The COUNTY may exclude the CONTRACTOR from those portions of the work designated as complete after the inspection; provided, however, that the CONTRACTOR will have reasonable access for the time allotted by the COUNTY to complete or correct items identified in the Final Inspection punch list.

G. Release of Retained Funds. As set forth in Section 218.735, Florida Statutes, upon completion and acceptance by the COUNTY of all items on the list of items provided for in paragraph C of this section, CONTRACTOR may submit a payment request for all remaining retainage withheld for the project, or phase of project, as applicable. If a good faith dispute exists as to whether one or more of the items identified in the list have been completed pursuant to the Agreement, COUNTY may continue to

withhold up to 150 percent (150%) of the total costs to complete such items. CONTRACTOR shall submit CONTRACTOR'S Final Payment Affidavit with the request for payment.

H. Waiver of Claims. The CONTRACTOR'S acceptance of final payment will constitute a full waiver of any and all claims by the CONTRACTOR against the COUNTY arising out of this Agreement or otherwise related to the Service, except those previously made in writing and identified by the CONTRACTOR as unsettled at the time the final estimate is prepared. Neither the acceptance of the work nor payment by the COUNTY will be deemed a waiver of the COUNTY'S rights to enforce any continuing obligations of the CONTRACTOR or to the recovery of damages for defective work not discovered by the COUNTY at the time of final inspection.

I. Termination of Contractor's Responsibilities. This Agreement will be considered complete when all work has been completed and accepted by the COUNTY and all warranty periods have expired. The CONTRACTOR will then be released from further obligation except as set forth in this Agreement.

J. Recovery Rights Subsequent to Final Payment. The COUNTY reserves the right, should an error be discovered in the invoice, or should proof of defective work or materials used by or on the part of the CONTRACTOR be discovered after the final payment has been made, to claim and recover from the CONTRACTOR by process of law, such sums as may be sufficient to correct the error or make good the defects in the work and materials, including any fees or costs associated with the additional services of the COUNTY.

6.20 Warranties.

A. All warranties express and implied, must be made available to the COUNTY for goods and services furnished under this Agreement. All goods furnished must be fully guaranteed by the CONTRACTOR against factory defects and workmanship. They will be covered by the most favorable commercial warranty given for comparable quantities of products or services and the rights and remedies provided herein will be in addition to the warranty and do not limit any right afforded to the COUNTY by any other provision of a solicitation. CONTRACTOR shall correct any and all apparent and latent defects that may occur within the manufacturer's standard warranty period at no expense to the COUNTY. Any special conditions within the Scope of Work supersede the manufacturer's standard warranty where such conditions are most favorable to the COUNTY.

B. All warranties will begin on the date of the COUNTY'S acceptance and will last for a period of twelve (12) months unless otherwise specified in the Scope of Services, plans, or specifications. The CONTRACTOR shall obtain and assign to the COUNTY all express warranties given to the CONTRACTOR or any subcontractors by any material suppliers, equipment, or fixtures to be incorporated into the Service.

C. The CONTRACTOR warrants to the COUNTY that any materials and equipment furnished under the contract documents will be new unless otherwise specified, and that all work will be of good quality, free from defects and in conformance with the contract documents. The CONTRACTOR further warrants to the COUNTY that all materials and equipment furnished under the contract documents will be applied, installed, connected, erected, used, cleaned, and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers, or processors except as otherwise

provided for the Agreement documents. This warranty requirement will remain in force for the full period identified above, regardless of whether the CONTRACTOR is still under contract at the time of the defect. These warranties are in addition to those implied warranties to which the COUNTY is entitled as a matter of law.

D. If sod is used as part of an individual Service, it will be warranted to be free of noxious and invasive weeds, disease, and insects. If pests or noxious weeds manifest themselves within sixty (60) days of placement of the sod, CONTRACTOR will treat the affected areas. The process for treating these areas will be approved by the COUNTY. If the sod does not meet any of the required specifications, CONTRACTOR will be responsible to replace it at no expense to the COUNTY. It will be the responsibility of CONTRACTOR to ensure the sod is sufficiently established as described as specified in the Scope of Services, plans, or specifications. This will include watering the sod on a regular basis as needed to keep it alive until established. Established will be considered as being sufficiently rooted, as determined by the COUNTY Project Manager, into the surface that it was installed. If the sod dies or does not become established CONTRACTOR will be responsible for the replacement at no cost to the COUNTY.

E. CONTRACTOR will be responsible for promptly correcting all apparent and latent deficiencies or defects in work, regardless of the project completion status, at no cost to the COUNTY, within five (5) calendar days after the COUNTY notifies CONTRACTOR of such deficiency either verbally or in writing. If CONTRACTOR fails to honor the warranty or fails to correct or replace the defective work or items within the period specified, the COUNTY may, at its discretion, notify CONTRACTOR in writing that CONTRACTOR may be debarred as a COUNTY vendor, and become subject to contractual default if the corrections or replacements are not completed to the satisfaction of the COUNTY within five (5) calendar days of receipt of the notice. If CONTRACTOR fails to satisfy the warranty within the period specified in the notice, the COUNTY may (a) place CONTRACTOR in default of its agreement and (b) procure the products or services from another source and charge CONTRACTOR for any additional costs that are incurred by the COUNTY for this work or items, either through a deduction from the final payment, a credit memorandum, or through invoicing. If the CONTRACTOR fails to honor this invoice or credit memo, the COUNTY may terminate the contract for default.

6.21 Liquidated Damages. Intentionally Omitted. The Parties agree that Liquidated Damages will not apply to this Agreement; any reference to Liquidated Damages in the Exhibits shall be disregarded.

6.22 Sanitation. If the Service does not involve interior work, the CONTRACTOR shall provide and maintain adequate sanitary conveniences for the use of persons employed for the Service. These conveniences will be maintained at all times without nuisance, and their use must be strictly enforced. The location of these conveniences will be subject to the COUNTY'S Project Manager's approval. All such facilities will be installed and maintained in accordance with applicable Federal, State, and local laws.

6.23 Submittals and Equal Products.

A. Submittals of products required for the Service assigned to the CONTRACTOR under this Agreement, must be supplied to the COUNTY for pre-approval prior to the start of the work. These documents must be provided to the COUNTY at least one (1) week before the installation.

B. If a product or service requested by the COUNTY for the Service has been identified in the specifications by a brand name, and has not been notated as a "No Substitute," item, such identification is

intended to be descriptive and not restrictive, and is to indicate the quality and characteristics of product or service that will be acceptable. If the CONTRACTOR offers an alternate product or service for consideration, such product must be clearly identified by the CONTRACTOR to the COUNTY. The COUNTY shall make a determination whether the alternate meets the salient characteristics of the specifications. An alternate product will not be considered for any item notated "No Substitute."

C. Unless the CONTRACTOR clearly indicates in its response that it is proposing an alternate product, the response will be considered as offering the same brand name referenced in the specifications. If the CONTRACTOR proposes to furnish an alternate product or service, the brand name of the product or service to be furnished must be clearly identified. A formal submittal for the alternate/shop drawings must be submitted. The evaluation of the alternate and the determination as to acceptability of the alternate product or service will be the responsibility of the COUNTY and will be based upon information furnished by the CONTRACTOR. The COUNTY will not be responsible for locating or securing any information which is not included in the CONTRACTOR'S response. To ensure that sufficient information is available, the CONTRACTOR will furnish as part of the bid or proposal all descriptive material by providing the manufacturer specification sheets so the COUNTY can make an informed determination whether the product offered meets the salient characteristics required by the specifications. Failure to do so will require the use of the specified products.

6.24 Fees. The following is a list of fees that may be assessed to CONTRACTOR during the term of this Agreement. These fees are assessed to help offset the additional costs associated with the COUNTY'S labor and vehicle usage required for unnecessary inspections or missed appointments. The $80.00 fee shown below is a re-inspection fee for uncorrected workmanship. The fee will be applied to the third inspection and for any subsequent inspections. Any re-inspection fee charged to the COUNTY by other agencies having jurisdiction over the Service, will additionally be charged back to CONTRACTOR. The fees, if any, will be deducted from the final invoices.

Missing scheduled appointments	$70.00 each occurrence
Failure to respond to emergency calls	$250.00 per day
Late to emergency calls	$36.00 per hour
Inspected unacceptable workmanship	$80.00 each inspection
Failure to provide any and all required documentation or reports	$75.00 per day
Failure to pass all inspecting authority re-inspections (within 30 days of initial inspection)	$250.00 per day

6.25 Accuracy. The CONTRACTOR is responsible for the professional quality, technical accuracy, timely completion, and coordination of all the services furnished under this Agreement. The CONTRACTOR shall, without additional compensation, correct or revise any errors, omissions, or other deficiencies resulting from the services provided in this Agreement.

6.26 Business Hours of Operation. Unless otherwise specified in the technical specifications, all work performed must be accomplished between the hours of 8:00 A.M. and 5:00 P.M., Monday through Friday, and no work may be performed on Saturdays, Sundays, or COUNTY Holidays, unless permission to work has been requested in writing by the CONTRACTOR and approval, in writing, has been granted by the COUNTY. Request for permission to work must be received by the COUNTY no less than two (2) days prior to the requested workday. The exception to this pre-approval requirement would be in the case of an

emergency in which the emergency specification as outlined in General Terms and Conditions, Section 3, Emergencies, would apply. COUNTY Holidays are as follows: New Year's Day; Martin Luther King, Jr. Day; Presidents' Day; Memorial Day; Independence Day; Labor Day; Veteran's Day; Thanksgiving Day; Day after Thanksgiving; Christmas Eve, and Christmas Day.

Special schedules may be established, if necessary, because of problems with noise or similar difficulties affecting other COUNTY facilities, COUNTY operations, or citizens in homes or buildings/rooms adjacent to the work being completed. When the CONTRACTOR requests and is approved for Saturday, Sunday or Holiday work, the COUNTY may assess the CONTRACTOR the sum of Two Hundred Fifty and 00/100 Dollars ($250.00) per COUNTY staff member per day for each Saturday, Sunday, or recognized Holiday worked or planned to work. These fees will be deducted from the final invoice.

6.27 Protection of Property. All existing structures, utilities, services, roads, trees, shrubbery and property in which the COUNTY has an interest must be protected against damage or interrupted services at all times by the CONTRACTOR during the term of this contract, and the CONTRACTOR will be held responsible for repairing or replacing damaged property to the satisfaction of the COUNTY which is damaged by reason of the CONTRACTOR'S operation on the property. In the event the CONTRACTOR fails to comply with these requirements, the COUNTY reserves the right to secure the required services and charge the costs of such services back to the CONTRACTOR. All items damaged as a result of CONTRACTOR or subcontractor operations belonging to third parties, such as, but not limited to: sidewalks, irrigation, curbs, pipes, drains, water mains, pavement, mailboxes, turf, signs, or other property must either be repaired or replaced by the CONTRACTOR, at the CONTRACTOR'S expense, in a manner prescribed by, and at the sole satisfaction of the COUNTY.

Furthermore, the CONTRACTOR shall repair or replace any portion of any of the COUNTY'S facility, whether interior or exterior, damaged by reason of the CONTRACTOR'S operation within the property. In the event the CONTRACTOR fails to comply with these requirements, the COUNTY reserves the right to secure the required services and charge the costs of such services back to the CONTRACTOR. All items within a facility belonging to third parties, or to commissioners, officers, employees, lessees, invitees, or agents of the COUNTY including, but not limited to, personal items and furniture, must either be repaired or replaced by the CONTRACTOR, at the CONTRACTOR'S expense, in a manner prescribed by, and at the sole satisfaction of the COUNTY. The CONTRACTOR shall re-grade and re-sod any areas that are disturbed by the CONTRACTOR during the course of the work being completed.

6.28 Risk of Loss. The CONTRACTOR assumes the risk of loss of damage to the COUNTY'S property during possession of such property by the CONTRACTOR, and until delivery to and acceptance of that property to the COUNTY. The CONTRACTOR shall immediately repair, replace or make good on the loss or damage without cost to the COUNTY, whether the loss or damage results from acts or omissions, negligent or otherwise, of the CONTRACTOR or a third party.

6.29 Accident Notification. If in the course of completing work as part of this Agreement there is any accident, including accidents which involve the public, the CONTRACTOR shall as soon as possible inform the COUNTY of the incident by telephone. The CONTRACTOR shall follow up in writing within two (2) business days of the incident. If law enforcement was involved and has written a report, the CONTRACTOR shall forward a copy of the report to the COUNTY.

ARTICLE 7. GENERAL TERMS AND CONDITIONS.

7.1 Termination.

A. Termination for Convenience. This Agreement may be terminated by the COUNTY upon thirty (30) calendar days' written notice to the CONTRACTOR; but if any work, service or task under this Agreement is in progress but not completed on the date of termination, then this Agreement may be extended upon written approval of the COUNTY until the work, service, or task is completed and accepted. In the event this Agreement is terminated or cancelled upon the request and for the convenience of the COUNTY with the required thirty (30) calendar days' written notice, the COUNTY will reimburse the CONTRACTOR for actual work satisfactorily completed.

B. Termination for Cause. This Agreement may be terminated by the COUNTY due to the CONTRACTOR'S breach of a material term of this Agreement, but only after the COUNTY has provided CONTRACTOR with ten (10) calendar days' written notice for the CONTRACTOR to cure the breach and the CONTRACTOR'S failure to cure the breach within that ten (10) day time period; but, if any work, service or task under this Agreement is in progress but not completed on the date of termination, then this Agreement may be extended upon written approval of the COUNTY until the work, service, or task is completed and accepted.

C. Termination Due to Unavailability of Funds in Succeeding Fiscal Years. When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year, this Agreement will be terminated and the CONTRACTOR will be reimbursed for services satisfactorily performed and the reasonable value of any non-recurring costs incurred but not amortized in the price of the supplies or services/tasks delivered under this Agreement.

7.2 Assignment of Agreement. This Agreement shall not be assigned or sublet except with the written consent of the Lake County Procurement Services Director. No such consent shall be construed as making the COUNTY a party to the assignment or subcontract or subjecting the COUNTY to liability of any kind to any assignee or subcontractor. No assignment or subcontract shall under any circumstances relieve CONTRACTOR of liability and obligations under this Agreement and all transactions with the COUNTY must be through CONTRACTOR. In the event CONTRACTOR is acquired in whole or in part by another entity, including any takeovers effectuated by a stock buyout, or similar acquisition process, CONTRACTOR shall notify the COUNTY immediately, and in no case more than thirty (30) days after to the effective date of the acquisition. The COUNTY shall have the option of terminating this Agreement in the event the acquiring entity does not meet with the COUNTY'S approval. Any acquisition or hostile takeover may result in termination of this Agreement for cause. Any acquisition or hostile takeover may result in termination of this Agreement for cause. Failure to submit timely notification to the COUNTY may result in a material breach of this Agreement and termination by the COUNTY or assessment of a processing fee.

7.3 Insurance. Insurance requirements shall be as set forth in the attached **Exhibit G.**

7.4 Indemnification. To the extent permitted by law, the CONTRACTOR shall indemnify and hold harmless the COUNTY and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the COUNTY or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or

proceedings of any kind or nature arising out of, relating to or resulting from the performance of the Contract by the CONTRACTOR or its employees, agents, servants, partners, principals, or subcontractors. The CONTRACTOR shall pay all claims and losses in connection with those claims and losses, and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the COUNTY, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may be incurred. The CONTRACTOR expressly understands and agrees that any insurance protection required by the Contract or otherwise provided by the CONTRACTOR will in no way limit the responsibility to indemnify, keep and hold harmless and defend the COUNTY or its officers, employees, agents, and instrumentalities in this Agreement. This indemnification obligation shall not be construed to negate, abridge, or reduce any other rights or remedies which otherwise may be available to an indemnified party or person described in this paragraph or be deemed to affect the rights, privileges, and immunities of the COUNTY as set forth in Section 768.28, Florida Statutes.

7.5 Non-Collusion. CONTRACTOR, by entering into this Agreement, further certifies that the offer made during the solicitation process, the prices provided to the COUNTY were arrived at independently, without collusion, communication, or agreement, for the purpose of restricting competition with any other consultant, bidder, or potential bidder, and in good faith and not pursuant to any agreement or discussion with, or inducement from, any firm or person to submit a complementary bid. No attempts were made to solicit, cause, or introduce any other firm or person to refrain from bidding on this project, or to submit a bid higher than the bid of this firm, or any intentionally high or non-competitive bid or other form of complementary bid. Should the COUNTY, at any time during the term of this Agreement, become aware of collusive acts by the CONTRACTOR in submitting their bid, the COUNTY reserves the right to terminate this Agreement without cost or penalty to the COUNTY.

7.6 Prohibition against contingent fees. CONTRACTOR, by entering this Agreement, warrants that they have not employed or retained any company or person, other than a bona fide employee working solely for the CONTRACTOR, to solicit or secure this Agreement and that they have not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the CONTRACTOR, any consideration contingent upon or resulting from the award or making of this Agreement.

7.7 Contracting with County Employees. Any COUNTY employee or immediate family member seeking to contract with the COUNTY shall seek a conflict-of-interest opinion from the County Attorney prior to submittal of a Proposal. The affected employee shall disclose the employee's assigned function within the COUNTY and interest or the interest of his or her immediate family in the proposed contract and the nature of the intended contract. Failure to disclose any conflicts of interest may result in termination of this Agreement.

7.8 Conflict of Interest. The CONTRACTOR agrees that it will not engage in any action that would create a conflict of interest in the performance of its obligations pursuant to this Agreement, or which would violate or cause others to violate the provisions of Part III, Chapter 112, Florida Statutes, relating to ethics in government. Further, the CONTRACTOR hereby certifies that no officer, agent, or employee of the COUNTY has any material interest either directly or indirectly in the business of the CONTRACTOR conducted here and that no such person may have any such interest at any time during the term of this Agreement unless approved by the COUNTY.

7.9 State Registration Requirements. CONTRACTOR shall be registered with the Florida Department of State in accordance with the provisions of the Florida Business Corporation Act, Chapter 607, Florida Statutes.

7.10 Contractor as Prime. CONTRACTOR shall act as the prime contractor for all required items and services and shall assume full responsibility for the procurement and maintenance of such items and services. CONTRACTOR shall be considered the sole point of contact regarding all stipulations, including payment of all charges and meeting all requirements of this Agreement. All sub-contractors will be subject to advance review by the COUNTY in terms of competency, security concerns, and compliance with applicable laws. No change in subcontractors shall be made without the consent of the COUNTY. CONTRACTOR shall be responsible for all insurance, professional certifications, licenses, permits and related matters for any and all subcontractors. Even if the subcontractor is self-insured, the COUNTY may require the CONTRACTOR to provide any insurance certificates required by the work to be performed.

7.11 Subcontracting. CONTRACTOR shall not subcontract any portion of the work without the prior written consent of the COUNTY. Subcontracting without the prior consent of the COUNTY may result in termination of the Agreement for default.

7.12 Disadvantaged Businesses. The COUNTY has adopted policies which assure and encourage the full participation of Disadvantaged Business Enterprises (DBE) in the provision of goods and services. The COUNTY encourages joint ventures between majority-owned firms and qualified disadvantaged/minority/women-owned firms.

7.13 Additional Services & Non-Exclusivity. Services not specifically identified in this Agreement may be added to the Agreement upon execution of a written amendment. The COUNTY reserves the right to award any additional services to the CONTRACTOR or to acquire the items from another vendor through a separate solicitation. COUNTY reserves the right to perform, or cause to be performed, all or any of the work and services described in this Agreement in the manner deemed to represent its best interests. In no case will the COUNTY be liable for billings in excess of the quantity of goods or services provided under the Agreement.

7.14 Other Departments. Intentionally Omitted.

7.15 Other Agencies. Intentionally Omitted.

7.16 Warranties. See **Article 6**.

7.17 Deficiencies in Work. See **Article 6**.

7.18 County is Tax Exempt. When purchasing on a direct basis, the COUNTY is generally exempt from Federal Excise Taxes and all State of Florida sales and use taxes (85-8013874700C-1). Visit Lake County Tax Exemption Certificate page to print a copy of the certificate. (https://bccnet.lakecountyfl.gov/documents/finance/forms/Tax_Exemption_Form.pdf). Except for items specifically identified by the CONTRACTOR and accepted by the COUNTY for direct COUNTY purchase under the Sales Tax Recovery Program, CONTRACTOR is not exempt from paying sales tax to its suppliers for materials to fulfill contractual obligations with the COUNTY, nor will CONTRACTOR be authorized to use any of the County's Tax Exemptions in securing such materials.

7.19 Shipping Terms, FOB Destination. The F.O.B. point for any product ordered will be F.O.B.: DESTINATION – Inside Delivery, FREIGHT ALLOWED. The COUTNY will not consider any Proposal showing a F.O.B. point other than F.O.B.: DESTINATION – Inside Delivery

7.20 Acceptance of Goods or Services. The work delivered and services rendered under this Agreement will remain the property of the CONTRACTOR will remain the property of the CONTRACTOR and will not be deemed complete until a physical inspection and actual usage of the products or services is accepted by the COUNTY and is in compliance with this Agreement.

Any goods or services purchased under this Agreement may be tested/inspected for compliance with specifications. In the event that any aspect of the goods or services provided is found to be defective or does not conform to the specifications, the COUNTY reserves the right to terminate this Agreement or initiate corrective action on the part of the CONTRACTOR, to include return of any non-compliant goods to the CONTRACTOR at CONTRACTOR'S expense, requiring the CONTRACTOR to either provide a direct replacement for the item, or a full credit for the returned item. CONTRACTOR shall not assess any additional charges for any conforming action taken by the COUNTY under this clause. COUNTY will not be responsible to pay for any product or service that does not conform to the Agreement specifications. In addition, any defective product or service or any product or service not delivered or performed by the date specified in a purchase order or Agreement, may be procured by the COUNTY on the open market, and any increase in cost may be charged against the CONTRACTOR. Any cost incurred by the COUNTY in any re-procurement, plus any increased product or service cost, will be withheld from any monies owed to the CONTRACTOR by the COUNTY for any Contract or financial obligation.

7.21 Estimated Quantities. CONTRACTOR acknowledges that any estimated quantities or dollar amounts provided by COUNTY as part of the COUNTY'S solicitation for services provided under this Agreement are for guidance only and are not part of this Agreement; COUNTY makes no express or implied guarantees as to quantities or dollar value that will be used during the Contract period and is not obligated to purchase any goods or services under this Agreement. In no event will the COUNTY be liable for payments in excess of the amount due for quantities of goods or services actually ordered.

7.22 Additional Locations. Intentionally Omitted.

7.23 Similar or Ancillary Items. While the COUNTY has listed all major items which are utilized by COUNTY departments in conjunction with their operations, there may be similar or ancillary items that must be purchased by the COUNTY during the term of this Agreement. Under these circumstances, a COUNTY representative will contact the CONTRACTOR to obtain a price quote for the similar or ancillary items. The COUNTY reserves the right to award these ancillary items to the CONTRACTOR, another vendor based on the lowest price quoted, or to acquire the items through a separate solicitation.

7.24 Accuracy. See **Article 6**.

7.25 Safety. See **Article 6**.

7.26 Safety Data Sheets. See **Article 6**.

7.27 Tobacco Products. Tobacco use, including both smoke and smokeless tobacco, is prohibited on COUNTY owned property.

7.28 Cleanup. See **Article 6**.

7.29 Protection of Property. See **Article 6**.

7.30 Certificate of Competency, Licensure, Permits, and Fees.

A. CONTRACTOR shall, at the time it submits any offer to COUNTY in response to a solicitation and for the duration of this Agreement hold a valid Certificate of Competency or appropriate current license issued by the State or County Examining Board qualifying CONTRACTOR to perform the Service under this Agreement. If work for other trades is required and such work will be performed by subcontractors hired by CONTRACTOR, CONTRACTOR shall provide COUNTY each subcontractor's applicable Certificate of Competency/license.

B. CONTRACTOR will be solely responsible for obtaining all necessary approvals and permits to complete the service, unless specifically agreed otherwise in the Scope of Services. The CONTRACTOR shall remain appropriately licensed throughout the course of the Service. If the CONTRACTOR employs the services of a subcontractor, the CONTRACTOR shall ensure that any subcontractor is appropriately licensed throughout the course of the Service. Failure to maintain all required licenses will entitle the COUNTY, at its option, to terminate this Agreement. Damages, penalties, or fines imposed on the COUNTY or CONTRACTOR for failure to obtain required licenses, permits, inspections, or other fees, or inspections, will be borne by the CONTRACTOR.

C. CONTRACTOR shall maintain sufficient financial support and organization to ensure satisfactory delivery of the Services provided under this Agreement. In the event CONTRACTOR subcontracts any part of its work or will obtain the goods specifically offered under this Agreement from another source of supply, CONTRACTOR is responsible for verifying the competency of its subcontractor or supplier.

7.31 Truth in Negotiation Certificate. For contracts awarded under the Consultant's Competitive Negotiation Act, under Section 287.055, Florida Statutes, for all lump-sum or cost-plus fixed fee agreements exceeding the threshold amount provided for in Section 287.017 for Category Four, CONTRACTOR must execute a truth in negotiation certificate stating that the wage rates and other factual unit costs are accurate, complete, and current, at the time of contracting. Any agreement requiring this certificate shall contain a provision that the original agreement price and any additions shall be adjusted to exclude any significant sums by which the COUNTY determines the Agreement price was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs. All such Agreement adjustments shall be made within one (1) year following the end of the Agreement.

7.32 Independent Contractor. The CONTRACTOR, and all its employees, agree that they will be acting as independent contractors and will not be considered or deemed to be an agent, employee, joint venturer, or partner of the COUNTY. The CONTRACTOR will have no authority to contract for or bind the COUNTY in any manner and shall not represent itself as an agent of the COUNTY or as otherwise authorized to act for or on behalf of the COUNTY.

7.33 Responsibility as Employer. See **Article 6**.

7.34 Retaining Other Contractors. Nothing in this Agreement will be deemed to preclude the COUNTY from retaining the services of other persons or entities undertaking the same or similar services as those undertaken by the CONTRACTOR or from independently developing or acquiring materials or programs that are similar to, or competitive with, the services provided under this Agreement. Nothing in this Agreement will be deemed to preclude the COUNTY from retaining the services of other persons or entities undertaking the same or similar services as those undertaken by the CONTRACTOR or from independently developing or acquiring materials or programs that are similar to, or competitive with, the services provided under this Agreement.

7.35 Minimum Wage. The wage rate paid to all laborers, mechanics, and apprentices employed by the CONTRACTOR for the work under the Agreement may not be less than the prevailing wage rates for similar classifications of work as established by the Federal government and enforced by the U.S. Department of Labor, Wages and Hours Division, and Florida's Minimum Wage requirements in Article X, Section 24(f) of the Florida Constitution and enforced by the Florida Legislature by statute or the State Agency for Workforce Innovation by rule, whichever is higher.

7.36 Price Redeterminations. Intentionally Omitted.

7.37 Fraud, misrepresentation, and material misstatements. Any individual, corporation, or other entity that attempts to meet its contractual obligations with the COUNTY through fraud, misrepresentation or material misstatement, may be debarred for up to five (5) years. The COUNTY as a further sanction may terminate or cancel any other contracts with such individual, corporation, or entity. Such individual or entity will be responsible for all direct or indirect costs associated with termination or cancellation, including attorney's fees.

7.38 Right to Audit. The COUNTY reserves the right to require the CONTRACTOR to submit to an audit by any auditor of the COUNTY'S choosing. The CONTRACTOR shall provide access to all of its records, which relate directly or indirectly to this Agreement at its place of business during regular business hours. The CONTRACTOR shall retain all records pertaining to this Agreement and upon request make them available to the COUNTY for ten (10) years following expiration of the Agreement, or for such time as set forth in the Florida Department of State, Division of Library and Information Services, General Records Schedule GS1-SL, a copy of which can be found at: https://dos.fl.gov/library-archives/records-management/general-records-schedules/, whichever is longer. The CONTRACTOR agrees to provide such assistance as may be necessary to facilitate the review or audit by the COUNTY to ensure compliance with applicable accounting and financial standards.

A. If the CONTRACTOR provides technology services, the CONTRACTOR must provide Statement of Standards for Attestations Engagements (SSAE) 16 or 18 and System and Service Organization Control (SOC) reports upon request by the COUNTY. The SOC reports must be full Type II reports that include the CONTRACTOR'S description of control processes, and the independent auditor's evaluation of the design and operating effectiveness of controls. The cost of the reports will be paid by the CONTRACTOR.

B. If an audit inspection or examination pursuant to this section discloses overpricing or overcharges of any nature by the CONTRACTOR to the COUNTY in excess of one percent (1%) of the total contract billings, in addition to making adjustments for the overcharges, the reasonable actual cost of the COUNTY'S audit must be reimbursed to the COUNTY by the CONTRACTOR. Any adjustments or

payments which must be made as a result of any such audit or inspection of the CONTRACTOR'S invoices or records must be made within a reasonable amount of time, but in no event may the time exceed ninety (90) calendar days, from presentation of the COUNTY'S audit findings to the CONTRACTOR.

C. This provision is hereby considered to be included within, and applicable to, any subcontractor contract entered into by the CONTRACTOR in performance of any work under this Agreement.

7.39 Public Records.

A. All electronic files, audio and video recordings, and all papers pertaining to any activity performed by the CONTRACTOR for or on behalf of the COUNTY will be the property of the COUNTY and will be turned over to the COUNTY upon request. In accordance with Chapter 119, Florida Statutes, each file and all papers pertaining to any activities performed for or on behalf of the COUNTY are public records available for inspection by any person even if the file or paper resides in the CONTRACTOR'S office or facility. The CONTRACTOR will maintain the files and papers for not less than ten (10) complete calendar years after the Service has been completed or terminated, or in accordance with any grant requirements, whichever is longer. Prior to the close out of this Agreement, the CONTRACTOR will appoint a records custodian to handle any records request and provide the custodian's name and telephone numbers to the COUNTY'S Project Manager.

B. Pursuant to Section 119.0701, Florida Statutes, CONTRACTOR will comply with the Florida Public Records' laws, and will:

1. Keep and maintain public records required by the COUNTY to perform the services identified herein.

2. Upon request from the COUNTY'S custodian of public records, provide the COUNTY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for by law.

3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the CONTRACTOR does not transfer the records to the COUNTY.

4. Upon completion of this Agreement, transfer, at no cost, to the COUNTY all public records in possession of the CONTRACTOR or keep and maintain public records required by the COUNTY to perform the service. If CONTRACTOR transfers all public records to the COUNTY upon completion of the contract, CONTRACTOR will destroy any duplicate public records that are exempt, or confidential and exempt, from public records disclosure requirements. If CONTRACTOR keeps and maintains public records upon completion of the Agreement, CONTRACTOR will meet all applicable requirements for retaining public records. All records stored electronically must be provided to the COUNTY, upon request from the COUNTY'S custodian of public records, in a format that is compatible with the information technology systems of the COUNTY.

C. IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT LAKE COUNTY OFFICE OF PROCUREMENT SERVICES, 315 WEST MAIN STREET, P.O. BOX 7800, TAVARES, FL 32778 OR AT 352-343-9424 OR VIA EMAIL AT PURCHASING@LAKECOUNTYFL.GOV.

D. Failure to comply with this subsection will be deemed a breach of the Agreement and enforceable as set forth in Section 119.0701, Florida Statutes.

E. Unless otherwise provided, CONTRACTOR shall maintain substantiating records as required by the State of Florida, General Records Schedule GS1-SL ("Schedule") for State and Local Government Agencies. If CONTRACTOR receives notification of a dispute or the commencement of litigation regarding the Project within the time specified in the Schedule, the CONTRACTOR shall continue to maintain all service records until final resolution of the dispute or litigation.

7.40 Confidential and/or Exempt Information. The Service includes building plans, blueprints, drawings, and/or diagrams which are exempt from disclosure pursuant to Section 119.071(3), Florida Statutes. CONTRACTOR must maintain the confidential and/or exempt nature of all confidential and/or exempt documents received under this Service. Upon completion of the Service, CONTRACTOR will return to COUNTY all confidential and/or exempt project documents including, but not limited to, designs, files, photos, reports, maps, drawings, specifications, schematics, diagrams, shop drawings, construction documents and electronic files. CONTRACTOR will provide written certification to COUNTY that all documents designated as confidential and/or exempt have been returned to the COUNTY or destroyed. CONTRACTOR shall be responsible for ensuring that confidential and/or exempt information is provided to its subcontractors only when necessary to complete the Service and shall be responsible for ensuring that confidential and/or exempt information provided to its subcontractors is handled in a manner that preserves its confidentiality and/or exempt information nature. CONTRACTOR shall ensure that all materials provided to subcontractors are returned as required under this provision. CONTRACTOR must include confidentiality provisions no less stringent than those herein in its agreements with subcontractors

7.41 Copyrights. Any copyright derived from this Agreement will belong to the author. The author and the CONTRACTOR shall expressly assign to the COUNTY nonexclusive, royalty free rights to use any and all information provided by the CONTRACTOR in any deliverable or report for the COUNTY'S use which may include publishing in COUNTY documents and distribution as the COUNTY deems to be in its best interests. If anything included in any deliverable limits the rights of the COUNTY to use the information, the deliverable will be considered defective and not acceptable and the CONTRACTOR will not be eligible for any compensation.

The COUNTY owns and retains all proprietary rights in its logos, trademarks, trade names, and copyrighted images (Intellectual Property). As such, nothing in any solicitation permits or shall be construed as

authorizing Vendor or Contractor to use or display COUNTY'S Intellectual Property. The COUNTY Use of any COUNTY Intellectual Property requires express written consent from the COUNTY.

7.42 Sovereign Immunity. COUNTY expressly retains all rights, benefits, and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Nothing will be deemed as a waiver of immunity or the limitations of liability of COUNTY beyond any statutory limited waiver of immunity or limits of liability. Nothing will inure to the benefit of any third party for the purpose of allowing any claim against COUNTY, which would otherwise be barred under the law.

7.43 Compliance with Federal Standards. All items to be purchased under this Agreement must be in accordance with all governmental standards to include, but not be limited to, those issued by the Occupational Safety and Health Administration (OSHA), the National Institute of Occupational Safety Hazards (NIOSH), and the National Fire Protection Association (NFPA), and per Project specifications.

7.44 Force Majeure. The Parties will exercise every reasonable effort to meet their respective obligations under this Agreement, but will not be liable for delays resulting from force majeure or other causes beyond their reasonable control, including, but not limited to, compliance with any Government law or regulation, acts of nature, acts or omissions of the other Party, Government acts or omissions, fires, strikes, national disasters, wars, riots, transportation problems and any other cause whatsoever beyond the reasonable control of the Parties. Any such cause will extend the performance of the delayed obligation to the extent of the delay so incurred.

7.45 Claims and Disputes. See **Article 6**.

7.46 Return of Materials. Upon the request of the COUNTY, but in any event upon termination of this Agreement, the CONTRACTOR shall surrender to the COUNTY all memoranda, notes, records, drawings, manuals, computer software, and other documents or materials pertaining to the services under this Agreement, that were furnished to the CONTRACTOR by the COUNTY pursuant to this Agreement.

7.47 Public Entity Crimes. Pursuant to Section 287.133, Florida Statutes, a person or affiliate who has been placed on the convicted vendor list following a conviction of a public entity crime may not be awarded or perform work as a CONTRACTOR, supplier, subcontractor, or consultant under a contract with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for Category Two for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

7.48 Florida Convicted/Suspended Vendor Lists. By executing this Agreement CONTRACTOR affirms that it is not currently listed on the Florida Department of Management Services Convicted Vendor (Section 287.133, Florida Statutes) or Suspended Vendor (Section 287.1351, Florida Statutes) Lists.

7.49 Discriminatory Vendor List (State funded projects). As provided by Section 287.134, Florida Statutes, a contractor who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity. By entering into this Agreement, CONTRACTOR affirms that CONTRACTOR is not on the Discriminatory Vendor List and will ensure

that any subcontractors retained for performance under this Agreement are not listed on the Discriminatory Vendor List.

7.50 Antitrust Violator Vendor List (State funded projects). As provided by Section 287.137, Florida Statutes, a contractor who has been placed on the antitrust violator vendor list following a conviction or being held civilly liable for an antitrust violation may not submit a bid, proposal, or reply for any new contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply for a new contract with a public entity for the construction or repair of a public building or public work; may not submit a bid, proposal, or reply on new leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a new contract with a public entity; and may not transact new business with a public entity. By entering into this Agreement, CONTRACTOR affirms that CONTRACTOR is not on the Antitrust Violator Vendor List and will ensure that any subcontractors retained for performance under this Agreement are not listed on the Antitrust Violator Vendor List.

7.51 Foreign gifts and contracts. Pursuant to Section 286.101, Florida Statutes, CONTRACTOR shall disclose to the COUNTY any current or prior interest of, any contract with, or any grant or gift received by a foreign country of concern if such interest, contract, or grant or gift (1) had a value of $50,000 or more and (2) such interest existed at any time or such contract or grant or gift was received or in force at any time during the previous five (5) years. Foreign country of concern is defined in Section 286.101(1)(b), Florida Statutes, as the People's Republic of China, the Russian Federation, the Islamic Republic of Iran, the Democratic People's Republic of Korea, the Republic of Cuba, the Venezuelan regime of Nicolás Maduro, or the Syrian Arab Republic, including any agency of or any other entity under significant control of such foreign country of concern. CONTRACTOR'S disclosure must include the amount of the contract or grant or gift or the value of the interest disclosed, the applicable foreign country of concern and, if applicable, the date of termination of the contract or interest, the date of receipt of the grant of gift, and the name of the agent or controlled entity that is the source or interest holder. The COUNTY may request records relevant to a reasonable suspicion that a disclosure has not been made and the CONTRACTOR shall provide the required records within thirty (30) days of the COUNTY making such request, or at a later time as agreed to by the Parties.

7.52 Contracting with foreign entities of concern. Pursuant to Section 287.138, Florida Statues, for contracts where CONTRACTOR may have access to personal identifying information, CONTRACTOR certifies to the COUNTY by submitting its bid that (1) it is not owned by a government of a foreign country of concern; (2) a government of a foreign country of concern does not have a controlling interest in CONTRACTOR; and (3) it is not organized under the law of nor has its principal place of business in a foreign country of concern. For the purposes of this section, foreign country of concern means the People's Republic of China, the Russian Federation, the Islamic Republic of Iran, the Democratic People's Republic of Korea, the Republic of Cuba, the Venezuelan regime of Nicolás Maduro, or the Syrian Arab Republic, including any agency of or any other entity of significant control of such foreign country of concern, as defined in Section 287.138(1)(c), Florida Statutes.

7.53 Social, political, or ideological interests. Per Section 287.05701, Florida Statutes, the COUNTY will not request documentation of or consider a vendor's social, political, or ideological interests when determining if the vendor is a responsible vendor.

7.54 Compliance with Human Trafficking Laws. Per Section 787.06, Florida Statutes, the Florida Legislature has enacted laws to prevent and prosecute human trafficking. CONTRACTOR agrees to comply with laws related to human trafficking and has provided the COUNTY with a signed affidavit, attached hereto as part of **Composite Exhibit A** affirming compliance with human trafficking laws.

7.55 Certification Regarding Scrutinized Companies. By executing this Agreement, CONTRACTOR hereby certifies that, pursuant to Section 287.135, Florida Statutes, it is not listed on the Scrutinized Companies that Boycott Israel and is not participating in a boycott of Israel. The CONTRACTOR understands that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorneys' fees, and costs. The CONTRACTOR further understands that any contract with the COUNTY for goods or services may be terminated at the option of the COUNTY if the CONTRACTOR is found to have submitted a false certification or has been listed on the Scrutinized Companies that Boycott Israel list or is participating in a boycott of Israel.

The CONTRACTOR, by entering this Agreement, hereby certifies that, pursuant to Section 287.135, Florida Statutes, it is not listed on the Scrutinized Companies with activities in the Iran Petroleum Energy Sector List, or the Scrutinized Companies with Activities in Sudan List, is not listed on the Scrutinized Companies that Boycott Israel and is not participating in a boycott of Israel, and is not engaged in business operations in Cuba or Syria. The CONTRACTOR understands that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorneys' fees, and costs. The CONTRACTOR further understands that any contract with the COUNTY for goods or services of $1 million or more may be terminated at the option of the COUNTY if the CONTRACTOR is found to have submitted a false certification or has been listed on the Scrutinized Companies with activities in the Iran Petroleum Energy Sector List or the Scrutinized Companies with Activities in Sudan List, is listed on the Scrutinized Companies that Boycott Israel list or is participating in a boycott of Israel, or is engaged in business operations in Cuba or Syria.

7.56 Anti-Trafficking Related Activities. The U.S. Government has adopted a policy prohibiting trafficking in persons including the trafficking-related activities listed below. These prohibitions specifically apply to some federally funded contracts and prohibit CONTRACTOR, CONTRACTOR'S employees, and their agents from: engaging in severe forms of trafficking in persons during the period of performance of the contract; procuring commercial sex acts during the period of performance of the contract; using forced labor in the performance of the Agreement; destroying, concealing, confiscating, or otherwise denying access by an employee to the employee's identity or immigration documents, such as passports or drivers' licenses, regardless of issuing authority; using misleading or fraudulent practices during the recruitment of employees; charging employees or potential employees recruitment fees; failing to provide return transportation or paying for the cost of return transportation upon the end of employment for certain employees; providing or arranging housing that fails to meet the host country housing and safety standards; or failing to provide an employment contract, recruitment agreement, or other required work documents in writing, as required by law or contract.

7.57 State Forest Products. Pursuant to Section 255.20(3), Florida Statutes, contracts for the construction of public works, such as public bridges, buildings, and other structures, must utilize lumber, timber, and other forest products produced and manufactured in this state, if wood is a component of the public work, and if such products are available and their price, fitness, and quality are equal. This requirement does not apply: (i) to plywood specified for monolithic concrete forms; (ii) if the structural or

service requirements for timber for a particular job cannot be supplied by native species; (iii) if the construction is financed in whole or in part from federal funds with the requirement that there be no restrictions as to species or place of manufacture; or (iv) to transportation projects for which federal aid funds are available.

ARTICLE 8. FEDERAL FUNDING PROVISIONS.

The Service provided under this Agreement is funded by American Rescue Plan Act (ARPA) Coronavirus State and Local Fiscal Recovery Funds (SLFRF) from the U.S. Department of the Treasury (Treasury) ("Grant") and requires that certain terms and conditions be incorporated into the solicitation and subsequent contract. CONTRACTOR acknowledges and agrees to adhere to the specific requirements of the Treasury and Grant.

Additionally, because the Project will receive HUD Home funds in the form of HOME Project-Based Vouchers (PBV's), HUD requires that certain terms and conditions be incorporated into the solicitation and subsequent contract.

CONTRACTOR acknowledges and agrees to adhere to the specific requirements of the Treasury, HUD, and Grant. Where there is an apparent conflict between Treasury, HUD, and Grant terms, the most restrictive requirement shall apply to CONTRACTOR.

8.1 The following federal terms and conditions are attached hereto and incorporated herein by reference:

- ARPA-SLFRF Related Contract Clauses and the COUNTY'S Grant, attached hereto and incorporated herein as **Exhibit H** and **Exhibit C**, respectively.

- HUD Related Contract Clauses, attached hereto and incorporated herein as **Exhibit I**, as well as **Exhibits J through N**, pertaining to compliance with HUD required contract clauses.

8.2 **Federal Funding Layering Rule.** When multiple federal funding sources apply to a single project, the most restrictive applicable federal labor standard governs the project scope to which the funding applies.

8.3 **Davis-Bacon Requirements.** Contractor is responsible for ensuring that Davis-Bacon reporting and compliance obligations are met and shall coordinate with County to ensure that labor standards interview requirements are met.

8.4 CONTRACTOR is responsible for determining what, if any, flow-down requirements exist for its subcontractors and for ensuring such flow-down requirements are met.

ARTICLE 9. MISCELLANEOUS PROVISIONS.

9.1 **Governing Law, Venue, and Waiver of Jury Trial.** This Agreement is made under, and in all respects shall be interpreted, construed, and governed by and in accordance with, the laws of the State of Florida. Venue for any legal action resulting from this Agreement shall lie in Lake County, Florida. THE CONTRACTOR, BY ENTERING INTO THIS AGREEMENT, KNOWINGLY AND VOLUNTARILY WAIVES ANY RIGHT IT MAY HAVE TO A JURY TRIAL IN ANY CIVIL LITIGATION MATTER ARISING FROM OR RELATING TO THIS AGREEMENT.

9.2 **Captions.** The captions utilized in this Agreement are for the purposes of identification only and do not control or affect the meaning or construction of any of the provisions of this Agreement.

9.3 This Agreement will be binding upon and will inure to the benefit of each of the Parties and of their respective successors and permitted assigns.

9.4 This Agreement may not be amended, released, discharged, rescinded or abandoned, except by a written instrument duly executed by each of the Parties.

9.5 **No Waiver.** The failure of any Party at any time to enforce any of the provisions of this Agreement will in no way constitute or be construed as a waiver of such provision or of any other provision of this Agreement, nor in any way affect the validity of, or the right to enforce, each and every provision of this Agreement.

9.6 **Civil Rights Act.** During the term of this Agreement the CONTRACTOR assures the COUNTY that it is in compliance with Title VII of the 1964 Civil Rights Act, as amended, and the Florida Civil Rights Act of 1992, in that the CONTRACTOR does not on the grounds of race, color, national origin, religion, sex, age, disability or marital status, discriminate in any form or manner against the CONTRACTOR'S employees or applicants for employment. The CONTRACTOR understands and agrees that this Agreement is conditioned upon the veracity of this statement of assurance.

9.7 **Compliance with Applicable Laws.** The CONTRACTOR must at all times comply with all Federal, State and local laws, rules and regulations.

9.8 **Construction of Agreement.** The Parties intend this Agreement to be construed without regard to any presumption or rule requiring construction or interpretation against the Party drafting an instrument or causing any instrument to be drafted.

9.9 **Negation of Agent or Employee Status.** The employees of the CONTRACTOR will be considered at all times its employees and not an employee or agent of the COUNTY. The CONTRACTOR will provide employees capable of performing the work as required. The COUNTY may require the CONTRACTOR to remove any employee it deems unacceptable.

9.10 **Severability.** The invalidity or unenforceability of any particular provision of this Agreement will not affect the other provisions of this Agreement, and this Agreement must be construed in all respects as if such invalid or unenforceable provisions were omitted.

9.11 **Notices.** Wherever provision is made in this Agreement for the giving, service, or delivery of any notice, statement or other instrument, such notice must be in writing and will be deemed to have been duly given, served, and delivered, if delivered by hand or mailed by United States registered or certified mail, addressed as follows:

If to CONTRACTOR:
Nichols Contracting, Inc.
9190 Red Branch Road
Suite 200
Columbia, Maryland 21045

If to COUNTY:
Lake County Manager
315 West Main Street
P.O. Box 7800
Tavares, Florida, 32778

With a Copy to:
Lake County Attorney
315 West Main Street, Suite 335
P.O. Box 7800
Tavares, Florida 32778

A. All Notices required, or which may be given hereunder, shall be considered properly given if (1) personally delivered, (2) sent by certified United States Mail, return receipt requested, (3) sent by Federal Express or other equivalent overnight letter delivery company.

B. The effective date of such notices shall be the date personally delivered, or if sent by certified mail, the date the notice was signed for, or if sent by overnight letter delivery company, the date the notice was delivered by the overnight letter delivery company.

C. Each party may change its mailing address by giving to the other party, by hand delivery, United States registered or certified mail, notice of election to change such address.

ARTICLE 10. SCOPE OF AGREEMENT.

10.1 This Agreement is intended by the Parties to be the final expression of their Agreement, and it constitutes the full and entire understanding between the Parties with respect to the subject of this Agreement, notwithstanding any representations, statements, or agreements to the contrary previously made. Any items not covered under this Agreement will need to be added via written addendum, and pricing negotiated based on final specifications.

10.2 This Agreement includes the following exhibits, all of which are incorporated in this Agreement:

Exhibit A1 (Composite) ..... Scope of Services, Addenda, and Submittal Forms, and Contractor's Proposed Solution (36 pages).
Exhibit A2 (Composite) ..... Contractor's Vendor Profile, Specifications, and Proposed Solution (Revised) (42 pages)
Exhibit B (Composite)..... Project Plans and Specifications (407 pages).
Exhibit C ..... SLFRF Grant Agreement (6 pages)
Exhibit D ..... Pricing Sheet (Revised) (1 page).
Exhibit E (Composite)..... Contractor's Payment Affidavit and Final Payment Affidavit (2 pages).

Exhibit F .....Performance and Payment Bond (7 pages).
Exhibit G .....Insurance Requirements (2 pages).
Exhibit H .....ARPA Required Contract Clauses (9 pages)
Exhibit I.....HUD Required Contract Clauses (
Exhibit J.....Davis Bacon Requirements 29 CFR 5.5 (12 pages)
Exhibit K .....Davis Bacon Wage Act Posters (2 pages).
Exhibit L.....Davis Bacon Wage Determination (11 pages).
Exhibit M.....WHD Weekly Payroll Submittal Form and Certification (OMB Form No. 1235-0008) (2 pages).
Exhibit N .....Section 3 Certification (2 pages).
Exhibit O .....Concrete Pre-Pour Inspection Form (1 page).

IN WITNESS WHEREOF, the Parties have made and executed this Agreement on the respective dates under each signature: the COUNTY through its Board of County Commissioners, signing by and through its Chairman; and by the CONTRACTOR through its duly authorized representative.

EXHIBIT A – SCOPE OF WORK v2.4.26 **26-902**
MULTI-FAMILY DETACHED HOUSING

Federally-Funded Grant Award #: SLT-3284

This project is funded through the American Rescue Plan Act (ARPA), Coronavirus State & Local Fiscal Recovery Funds (SLFRF). Contractor and subcontractors shall comply with the terms of the Grant Agreement.

1. CONTRACTOR RESPONSIBILITIES

Contractor shall:

1.1. Be licensed and fully competent in all aspects of land development and residential construction in a safe manner.

1.1.1. Employ only skilled, qualified workers.

1.1.2. Be responsible for any needed maintenance of traffic.

1.2. Provide all-inclusive quotes to provide 100% turnkey land development services and construction of twenty-one (21) residential dwelling units for the proposed County's Residential Village development located at 28123 County Road 561, Tavares, FL 32778, as described in the *Multi-Family Detached Housing Lake County* Construction Plans, prepared by Halff, for Lake County, including all off-site work required for connection of the development to city water and sewer services.

1.2.1. Include all required labor, materials, equipment, manufacturer's installation documentation, components/devices, transportation, fuel, supervision, surveying, permits, inspections, and all other incidentals necessary to complete all necessary work in accordance with all parts of this solicitation and bid documents provided.

1.2.2. Include costs for general housekeeping and work area clean up.

1.2.3. Include travel time.

1.2.4. Change orders shall not be issued for incidental items or tasks that should have been reasonably construed to be part of the project by the Contractor.

1.3. Provide all plans, engineering, and other requirements for eighteen (18) single-bedroom residential dwelling units and three (3) two-bedroom ADA compliant residential dwelling units, including 100% turnkey installation of the residential dwelling units, in ready-to-lease condition, per the minimum requirements set forth herein. Design to include concrete slab and footing to support proposed dwelling units structure.

1.4. Complete all work as specified in signed and sealed construction documents.

1.5. Obtain licenses, permits, and fees (including inspection fees) as required to comply with all laws, ordinances, regulations, and code requirements applicable to complete the project.

1.6. Be responsible for inspections, penalties, fees, or fines for project.

1.7. Enforce safety regulations and maintain a clean and safe work environment.

1.8. Be responsible for damages caused as the result of completing project.

1.9. Furnish all tools and equipment, including, but not limited to, site clearing and grading equipment, cranes, lift trucks, boom trucks, cherry pickers, or any other tool or equipment needed to complete the project timely.

1.10. Provide and maintain sanitary facilities, dumpsters, trash cans, storage containers, and any other equipment needed during construction.

1.11. Be responsible for scheduling, leading, and documenting project progress meetings with the architect of record and county representatives.

1.12. Attend any additional meetings scheduled by the county representatives to review topics related to the Project.

1.13. Create and maintain an up to-date project construction schedule.

1.14. Document activities, prepare, and distribute construction daily reports.

1.15. Produce and maintain to-date submittal, and Request for Information (RFI) logs.

1.16. Produce a valid schedule of values prior to project commencement.

1.17. Produce punch lists and address punch items in a timely manner as required by the county representative.

1.18. Document all changes and product information needed to file drawing revisions (red-line drawings).

1.19. Obtain all closeout permits, certificates of occupancy, and documentation needed as requested by the owner.

2. SCOPE OF WORK:

2.1. Contractor is responsible for locating/identifying all utilities before starting construction; refer to *Utilities* section below for additional requirements. Contractor must take every precaution to avoid damage to any underground utilities. Contractor will be responsible for any damage caused to the existing utilities. In the event that Contractor or any of its subcontractors damage an existing utility, the Contractor will be responsible for the repair and must repair the same at its own cost.

2.2. All existing utilities (water/sewer, electrical, telephone, cable, etc.) service connections, interruptions, or relocations shall be coordinated by Contractor in advance with field representatives of each respective utility.

2.3. No tree burning allowed. Contractor will be responsible for removing and disposing of existing trees in a legal and proper manner as necessary for the construction of the proposed improvements.

2.4. Contractor shall be responsible for providing all necessary clean fill material, grading, and compaction to level site area before construction of proposed improvements.

2.5. The Contractor will be responsible for planning and providing perimeter site fencing and signage to ensure the safety and security of the site from the public.

2.6. Contractor is responsible for the installation of silt fencing for entire perimeter of working area prior to starting any construction activity and stabilized construction access. Contractor shall be responsible for installing inlet protection as required and maintaining all erosion and sediment control BMPs for the duration of the project.

2.7. Contractor must provide compaction test results demonstrating that subgrade has been compacted to 98% AASHTO T-180 prior to pouring concrete and construction of asphalt driveway and parking.

2.8. Contractor must obtain Lake County Facilities Management staff inspection approval prior to pouring concrete. Contractors shall submit the *Concrete Pad, Sidewalk & Ribbon Curb Pre-Pour Inspection/Approval Form,* included as part of the bid documents, to the Office of Parks and Water Resources, Facilities Management for approval a minimum two (2) days before pouring concrete. This inspection is in addition to inspection by the Building Inspector.

2.9. All concrete sidewalks shall be a minimum of 6" thick (not 5 ½" or 5 ¾"). Wire mesh shall be mounted on chairs.

2.10. Contractor is responsible for debris/trash management and must provide a dumpster or remove all construction debris/discarded materials/trash daily. No discarded construction material shall be dumped or remain on site unless contained within a dumpster provided by the Contractor. Dumpsters shall be maintained to prevent overflow of debris.

2.11. Contractor responsible for re-grading and re-sodding all areas impacted by construction of the proposed improvements. Contractor shall provide all sod required. No grass seeding allowed.

2.12. Lake County Parks and Water Resources, Facilities Management will be providing the Building Permit (Plan Review Only) for the proposed improvements, however, the Office of Building Services has indicated Contractor will be required to complete a Building Permit Application prior to issuance of this Permit. In addition, the Contractor and any subcontractors must be added to the building permit and pay all related permit and inspection cost/fees for the required work included under this solicitation. Refer to *Permit Requirements* section below for additional requirements.

2.13. Contractor will be required to provide a timeline/work schedule and a detailed cost breakdown (schedule of values) at the preconstruction meeting for review which shall be the base for all payment applications.

2.14. Contractor shall provide 100% turn-key construction of eighteen (18) single-bedroom residential dwelling units and three (3) two-bedroom, ADA compliant residential dwelling units, including all engineering, permitting, and other requirements for the project, which shall meet the minimum requirements specified herein.

2.15. Dwelling Units Minimum Requirements:

2.15.1. Units provided shall fit within the building envelopes provided in the site plans and should have the following minimum square footage:

2.15.1.1. Single-bedroom (1 bedroom/1 bath) – 600 sq-ft

2.15.1.2. Two-bedroom (2 bedroom /1 bath) (ADA compliant) – 700 sq-ft

2.15.2. Bedrooms shall include a closet, ceiling fan, and smoke & carbon monoxide detector.

2.15.3. Bathrooms shall include at minimum a toilet, bathroom vanity with sink, mirror, shower, towel rack, toilet-paper holder, and exhaust fan vented to the exterior. Shower walls and floor shall be provided with Porcelain Tile, color to be selected by Lake County staff.

2.15.4. Kitchen shall include a kitchen sink with garbage disposal, kitchen hood with vent to the exterior, range 240-volt electrical connection, range, water valve connection for refrigerator, refrigerator with external water/ice dispenser, dishwasher, and kitchen

cabinets with solid surface countertop (color/finish to be selected by Lake County staff).

2.15.5. Living Room with ceiling fan. Cable TV and internet connections shall be provided.

2.15.6. Laundry Room with washer/dryer combo, including washing machine outlet box with hot/cold water/hammer arrestors and drain connections, 120-volt and 240-volt electrical connections.

2.15.7. Flooring: All areas shall be provided with waterproof laminate flooring except for the bathroom which shall be provided with Porcelain Tile. Color to be selected by Lake County staff. Waterproof laminate flooring shall be installed over moisture barrier underlayment.

2.15.8. Lighting system is required for all interior areas and exterior front area of the dwelling units. All interior and exterior lighting fixtures shall be LED.

2.15.9. Water heater.

2.15.10. Electrical systems include all necessary electrical components but not limited to electrical meter and panel, main and circuit breakers, electrical outlets, light switches, conduits and wiring.

2.15.11. Central heating, ventilation, and air conditioning systems (HVAC) system with digital programable thermostat.

2.15.12. Ceiling height minimum is eight (8) feet.

2.15.13. NFPA 13D compliant residential fire sprinkler system.

2.15.14. Roofing: Contractor to furnish and install all roofing materials including accessories and incidental work required to provide a complete and watertight roofing system. Roofing must be installed in strict accordance with the manufacturer's specification and all applicable Standards. Roofing shall be certified to be manufactured and installed for compliance with the Florida Building Code.

Roof Color: Sierra Tan (Standard Color).

Vapor Barrier: Peel and stick self-sealing and self-adhering membrane minimum 40 mil thick.

Warranty: Contractor shall provide a manufacturer's written full non-prorated warranty, covering roofing, flashing and trim, all of which shall be products of the roofing manufacturer. The warranty coverage shall include all flashings, penetrations, underlayment, field applied gutter material, and edge details as part of the weathertightness warranty. Contractor shall also provide a workmanship guarantee, on the roofing installation and components.

2.15.15. Modular Building Manufacturer: Exterior and interior walls including roof framing may be all steel framing by a Certified Modular Manufacturer.

2.15.16. Dwelling including unit design/construction shall be in compliance with the Florida Building Code latest edition and all applicable local and Federal codes.

Contractor shall provide and submit engineering drawings per above dwelling unit requirements for review/approval to the Office of Parks and Water Resources, Facilities Management before

proceeding to apply for building permits. Dwelling unit drawings must be signed/sealed by a professional engineer.

2.16. Construction includes but is not limited to; permitting, site preparation; clearing and grubbing; demolition and removal of the existing asphalt driveway aprons, removal of existing chain-link fence and PVC fence (east and south side of property only), grading; construction of temporary gravel construction entrance; construction of stormwater system, including installation of concrete storm drain piping and mitered end sections (MES), inlets, flared end sections (FES), swales, yard drains, weir and retention ponds; construction of asphalt driveway and parking; installation of signs; construction of concrete curbs; installation of ADA detectable warning mats; pavement markings (thermoplastic), construction of dumpster enclosure, bus shelter, mail kiosk, bike racks, installation of vinyl fence, and installation of silt fencing.

2.17. Contractor shall be responsible for National Pollutant Discharge Elimination System (NPDES) permit compliance, including preparation of Stormwater Pollution Prevention Plans (SWPPP), site inspection and documentation, and installation and maintenance of appropriate Best Management Practices (BMPs), including silt fence, inlet protection, etc.

2.18. Water Service: Consisting in the connection to the existing watermain, master meter with backflow preventer device, fire hydrants, water main and water service lines, gate valves, including all necessary components to provide water service to the proposed dwelling units under this bid.

2.19. Sewer: Installation of offsite force main and connection to existing City of Tavares offsite lift station, construction of a lift station including fencing/gate and connection to the proposed sanitary sewer system, installation of sanitary manholes, sanitary sewer lines, cleanouts, including all necessary components to provide sanitary sewer service to the proposed dwelling units under this bid. Installation of force main crossing County Road 561 by directional boring only.

2.20. Electrical Service: Contractor to furnish and install a turn-key electrical system including but not limited to installation of transformer pads, distribution panels, installation of electrical conduits, conductors and electrical panels including all necessary electrical components to provide power service to proposed dwelling units, lift station, and site lighting.

2.21. SECO Energy: Removal of existing lighting poles. Contractor responsible for coordinating all work with SECO Energy.

2.22. Final Payment: A Certificate of Occupancy/Completion issued by the Office Building Services, (352) 343-9653, must be provided on or before submittal of the final payment application.

3. ACCEPTANCE

Lake County will review all work to determine compliance prior to final acceptance of the work. Any work not installed in accordance with the plans and specifications and rejected by Lake County must be removed and replaced at the Contractor's expense.

4. CLEANING

Perform cleaning during installation of the work and upon completion of the work. Remove from site all excess materials, soil, debris, and equipment. Any spoils created from this work must become the property of the Contractor and must be disposed of in a legal and proper manner.

5. FIELD CONDITIONS

It is the responsibility of the Contractor to verify all site conditions before they submit their bid. Verify and coordinate all work to field locations and dimensions. Contractor is responsible for the installation of temporary construction fencing and signage to safely enclose the work area along with silt fencing for entire perimeter of site work.

6. INSTALLATION

Installation must be in accordance with the terms and conditions in this Invitation to Bid, construction documents provided and as stated in the Scope of Work.

All work must meet all applicable Federal, State, and local building codes and must be performed by qualified licensed contractors in their respective areas (electrical, mechanical, plumbing, fire, etc.). The Contractor must complete all work per the Construction Documents, including the associated specifications.

7. LEAD TIME

Any long lead item must be ordered within one (1) week of issuance of project purchase order. Proof of purchase will be required.

8. PERMIT REQUIREMENTS

Contractor is responsible for obtaining all necessary building permits and inspection approvals and paying all related costs/fees for the work included under this solicitation. Contractor is responsible for obtaining directly from the engineering firm at his own expense, if needed, any necessary engineering drawings (CAD drawings, signed/sealed electronic plans or hard copies). Contractor must provide copies of all permits obtained by Contractor to Parks and Water Resources, Facilities Management prior to the start of construction. Contractor responsible for installing a Permit Posting Box Unit. Approved plans and permits must be available on site for the inspector. For questions regarding building permits and review process please contact the Office Building Services at (352) 343-9653.

9. PRODUCT HANDLING

Contractor is responsible for the proper packaging, shipping, handling and storage of materials to be incorporated in the work, so as to ensure the preservation of the quality and fitness of the materials for proper installation as required by the contract documents. Products are to be delivered to the site in the manufacturer's container or packaging. Contractor shall provide the following: storage containers for material as necessary; sufficient manpower and equipment necessary to off load equipment/materials at jobsite per scheduled deliveries; and dumpsters for cardboard waste and packing debris. Contractor must store materials in a secure, weather-protected area and provide adequate security to protect delivered and stored products from theft, vandalism, or damage during the installation. Contractor is responsible for the return of all damaged products to manufacturer and the replacement of damaged items.

10. PROPERTY REPLACEMENT

Property at the site, including turf (rubber, sod), concrete pavement, asphalt, lime rock path, and fencing removed or relocated during the course of construction and any damage due to the work performed by Contractor, must be reinstalled, repaired or replaced before final payment is made.

11. SAFETY PRECAUTIONS

Contractor shall be responsible for initiating, maintaining, and supervising all safety-related precautions in connection with the work throughout the contract term. Contractor must erect and maintain all reasonable safeguards for safety and protection, including posting danger signs and other warning signs against hazards. It is the responsibility of the Contractor to provide a safe environment for Contractor's employees, subcontractors, and all other users, including County staff, and must monitor and maintain fencing/barricades to ensure continued safety.

12. USE OF SITE

The Contractor must confine its operations at the site to areas permitted by law, ordinances, and permits. The Contractor must not unreasonably encumber the site with materials, equipment, or trailers. The Contractor shall not cause the site entrance to be blocked or otherwise prevent reasonable access to the site, other working and parking areas, completed portions of the work and/or properties, or storage areas. The Contractor will be given 24-hour notice by the County to remove or relocate any materials, equipment, or trailers improperly placed on the site. If Contractor fails to remove or relocate the items within the 24-hours provided, the County will remove the items at the Contractor's expense.

13. UTILITIES

Contractor is responsible for making appropriate contact to ensure utility locations have been marked prior to excavation and trenching. Call 811 before you dig (www.Sunshine811.com). The Contractor must protect all utilities (including irrigation) encountered while performing its work. The Contractor must exercise due care when excavating around utilities and must restore any damaged utilities, at its own expense, to the same condition or better as existed prior to start of work.

14. VENDOR SUBMITTAL

Submit product data/specifications and shop drawings electronically to Parks and Water Resources, Facilities Management for review and approval for all items of work. All submittals are to be approved by the engineer/architect and/or Parks and Water Resources, Facilities Management prior to delivering materials to job site and installation.

15. AS-BUILT DRAWINGS

One (1) complete set of As-Built Drawings (signed/sealed by a licensed professional) in hard copy and electronic format along with operation and maintenance manuals (if applicable) shall be supplied to the County upon completion of the work and before submitting final payment application.

16. WARRANTY AND GUARANTEES

Contractor must furnish Parks and Water Resources, Facilities Management with a signed minimum one (1) year warranty and maintenance program covering all systems from the date of final acceptance of the project by Lake County. The Contractor is responsible for securing warranties and guarantees for any materials, equipment, or fixtures to be incorporated into the project.

17. WORKMANSHIP

17.1. All furnishings described in this solicitation must be installed by qualified tradesman. All installation work and materials to be per manufacturer's specifications, or as directed by the County's Representative.

17.2. All work and materials are subject to the approval of the County.

17.3. All products must be inspected by the County for damage and chipped or marred finish. Contractor must replace any damaged or rejected products at no additional cost to the County. The County's representative may at the County's option authorize acceptance of chipped or scratched painted surfaces repaired by Contractor at his own risk.

18. LIQUIDATED DAMAGES

18.1. Contractor understands that due to the federal funding source, time is of the essence in the completion of the work described herein.

18.2. Substantial Completion: The date of substantial completion of work or designated portion thereof is the actual date certified by the County (Owner) or designated authorized representative, when the construction services are sufficiently complete, in accordance with all stated terms and conditions set forth in the solicitation. The County's authorized representative may authorize the release of the following upon receipt and acceptance.

The date of substantial completion may include but is not limited to the following:

- Approval and Receipt of Occupancy Permits by Fire Marshall;
- All materials and equipment installed;
- Landscaping and site work complete;
- HVAC test and balance complete and all certificates submitted to County;
- All systems in-place, functional and displayed to County's authorized representative or designee. All systems signed off by the County or County's authorized representative or designee;
- Cleaning and removal of debris from premises;
- Receipt of manuals and/or warranty certificates/information by the County;
- Draft record documents submitted to County/or authorized representative or designee; and
- Training and on-site demonstrations complete.

18.3. Final Completion: County and Contractor agree time is the essence for the completion of this project. The Contract time shall begin with issuance of a Notice to Proceed (NTP) indicating the start date to the Contractor by the County. Final Completion shall be 30 calendar days after Substantial Completion.

The date of final completion may include but is not limited to the following:

- Work is complete and in accordance with the Contract Documents and is ready for final inspection.
- Completion and approved Operation and Maintenance manuals have been submitted.

- Record Drawings reflecting "as built" conditions are complete and acceptable to the Architect-Engineer.
- All required Project Close-out Documentation is complete.
- Full Occupancy Permit from the Department for Housing, Buildings and Construction has been obtained.

All additional materials required by the specifications have been delivered to the Using Agency. E.g., spare parts, ceiling tiles, floor title, etc.

18.4. Liquidated Damages: Time is of the essence in the work provided for in these construction documents and there will be, on the part of the County, considerable monetary damage in the event the work is not completed within the time fixed for the completion of the contract, or within the time to which such completion may be extended by consent of the County. Inasmuch as the actual damages for such delay is impossible to exactly determine, the bidder agrees that he/she and his/her surety shall be liable for and shall pay to the County the following liquidated damages:

For failure of the Contractor to achieve final completion of the Work within the time set forth in the contract between County and contractor; liquidated damages shall be in accordance with the following schedule:

CONTRACT AMOUNT	LIQUIDATED DAMAGES PER CALENDAR DAY
$10,000 to $100,000	$100
$100,000 to $499,999	$250 + 0.05% of contract amount exceeding $100,000
$500,000 to $999,999	$450 + 0.04% of contract amount exceeding $500,000
$1,000,000 to $1,999,999	$650 + 0.03% of contract amount exceeding $1,000,000
$2,000,000 to $5,999,999	$950 + 0.02% of contract amount exceeding $2,000,000
$6,000,000 and Greater	$1,750 + 0.01% of contract amount exceeding $6,000,000

18.5. For the purpose of computing liquidated damages only, no deduction shall be made from the Contract amount for County Direct/Contractor Assisted Purchase of Project Related Material and Equipment. If the project has multiple phased substantial completion dates, liquidated damages for each phase shall be computed based on the contract amount allotted to each phase by the schedule of values.

19. EQUAL" PRODUCT CAN BE CONSIDERED UPON RECEIPT OF SPECIFIED DATA

19.1. Vendors must submit any equivalent request two (2) weeks prior to bid opening. Failure to submit timely will make equivalent submittal non-responsive.

19.2. The manufacturer's name, brand name and/or model number information contained in this solicitation are being used for the sole purpose of establishing the minimum requirement of level of quality, standard of performance, and design and is in no way intended to prohibit the offer of another manufacturer's items of equal material unless otherwise indicated elsewhere in this solicitation.

19.3. This specific solicitation requires submission of the following documentation to enable County evaluation of "equal" products:

_____: Product Information Sheets
_____: Product Samples with Initial Offer
_____: Product Samples Upon Specific Request

_____: Product labels
_____: Performance Test Results

19.4. If an "equal" product may be considered by the County in accordance with this solicitation, the unit shall be equal in quality and standards of performance to the item specified in the solicitation. Where an "or equal" item is offered, and product information sheets are required, the initial offer must be accompanied with a complete set of product information sheets (such as factory specifications, standard manufacturer information sheets, catalogues, and brochures), and if required, a copy of performance test results of the unit offered as an equal. For product information submittals, all supporting documentation submitted by the vendor must in total meet the required specifications set forth in this solicitation. Where the standard product literature submitted with the offer provides information that does not comply with the specifications, the vendor shall state, in an official letter on corporate letterhead as part of their initial offer, the differences between the item they are specifically offering, and the equipment described by the standard product literature, to substantiate compliance to all of the specifications set forth in this solicitation. In such cases, any offer submitted with standard product literature but without the letter explaining compliance will result in the rejection of the offer for not meeting the solicitation specifications.

19.5. If samples of all "or equal" items bid are required for evaluation, such items are to be provided at no cost to the County, and should be submitted with the initial offer, or at the time of specific request. Failure to meet this requirement may result in your offer being rejected.

19.6. For "equal" products to be evaluated based on submission of product labels, the initial offer should be accompanied with labels indicating the specification and ingredients for each "or equal" item offered. Failure to meet this requirement may result in your offer being rejected.

19.7. The County shall be sole judge of equivalence, based on the best interests of the County, and its decision in this regard shall be final. Items labeled "No Substitute" on the County's Bid/Proposal Submission Form are the only products that will be accepted under this solicitation.

[*End of Exhibit A*.]

ADDENDUM NO. 1 **26-902**

LAKE COUNTY, FL
REAL FLORIDA · REAL CLOSE
Office of Procurement Services
P.O. Box 7800 • 315 W. Main St., Suite 416 • Tavares, FL 32778

SOLICTATION: Multi-Family Detached Housing 03/04/2026

Vendors are responsible for the receiving and acknowledging all solicitation addenda. An electronically signed copy of each addendum must be submitted along with the solicitation response. Failure to acknowledge any addendum may result in the submission being disqualified from award consideration.

THIS ADDENDUM DOES NOT ALTER THE PROPOSAL SUBMISSION DEADLINE.

QUESTIONS/RESPONSES

1. Will the project be awarded based on value or cost? Can you please expand on this? We would like clarification.
   Response: Award will be based on a cost-benefit analysis.

2. Is a bid bond required?
   Response: No.

3. Is there any known soil mitigation?
   Response: There is no known soil mitigation anticipated.

4. Is there an electrical branching layout?
   Response: No, dwelling unit electrical drawings must be provided by contractor. Refer to Exhibit A - Scope of Work, section 2.15.16 indicating:

   "Contractor shall provide and submit engineering drawings per above dwelling unit requirements for review/approval to the Office of Parks and Water Resources, Facilities Management before proceeding to apply for building permits. Dwelling unit drawings must be signed/sealed by a professional engineer".

   *Note: The required Engineering Drawings shall include architectural, mechanical, plumbing, electrical and structural.

5. Is there any ongoing coordination with the local utility companies?
   Response: Yes.

6. What are the requirements for Telecommunications?
   Response: Refer to Exhibit A - Scope of Work, section 2.15 Dwelling Units Minimum Requirements, subsection 2.15.5 indicating: "Cable TV and internet connections shall be provided".

7. Please provide clarity on MWBE- are the numbers a goal, or a requirement?
   Response: MWBE data is for reporting purposes only.

Docusign Envelope ID: C90F3E20-F3E1-4B3C-8142-89B96AC38384

8. Section 1.1.1- Separate Builders Risk Policy for this project for the full budgeted amount is required? Can this be waived?
   Response: No.

9. With respect to Professional Liability, please confirm this is a requirement, it's not clear in section 1.1.2: Professional Liability and Specialty Insurance (medical malpractice, engineers, architect, consultant, environmental, pollution, errors and omissions, etc.) as applicable, with minimum limits of $1,000,000 and annual aggregate of $2,000,000.
   Response: Confirmed.

10. Will the County require a specification book? Or will a performance spec on sheets suffice?
    Response: A performance specification on sheets will suffice.

11. What is the cap for liquidated damages?
    Response: Liquidated Damages will be as set forth in the following table:

Service/Project Amount	Daily Charge (Per Calendar Day)
$5,000 and under	$25
Over $5,000 but less than $10,000	$65
$10,000 or more but less than $20,000	$91
$20,000 or more but less than $30,000	$121
$30,000 or more but less than $40,000	$166
$40,000 or more but less than $50,000	$228
$50,001 or more	$250

12. What is the ETA on revised Civil Drawings?
    Response: Refer to attached revised Exhibit K - Engineered Drawings dated 3-4-2026. Additional revisions to add force main details and any other minor forthcoming revisions.

13. Is Landscaping and Irrigation required? If so, please indicate irrigation water source.
    Response: Yes, Landscaping and Irrigation required. Please refer to the Landscape & Irrigation Plans dated 3-4-2026. Irrigation water source will be City of Tavares existing water main on County Road 561.

14. Please provide Geotech Report.
    Response: Please refer to Exhibit O - Geotechnical Investigation.

15. Please confirm existing fire hydrant is sufficient for project.
    Response: There are 3 new proposed fire hydrants for the project. Refer to Utility & Fire Plan sheet C-600 included in the revised Exhibit K - Engineered Drawings dated 3-4-2026.

16. Please provide the specifics for the Entry Fire Gate.
    Response: Refer to Geometry Plan sheet C-400 included in the attached revised Exhibit K – Engineered Drawings dated 3-4-2026, specifically note indicating New Proposed Swing Gate With 'CLICK2ENTER'. In addition, refer to Utility & Fire Plan sheet C-600, Utility Notes #24.

17. Please provide details of crossings between underground utilities located on and off site as indicated on civil drawings.

Docusign Envelope ID: C90F3E20-F3E1-4B3C-8142-89B96AC38384

Response: Refer to General Details sheets C-700 and C-801, and Wastewater Details sheet C-901 included in the attached revised Exhibit K - Engineered Drawings dated 3-4-2026.

18. Are all water and electrical meters at each property to be owners' cost?
Response: Lake County will pay directly to the Utility Companies any required water and/or electrical meter cost/fee for each dwelling unit, site lighting system and lift station. Change Orders will not be issued for any Utility Company cost/fee.

19. Provide grading elevations for sidewalk and paving.
Response: Refer to Grading & Drainage Plan sheet C-500 included in the attached revised Exhibit K - Engineered Drawings dated 3-4-2026.

20. Sheet C700 denotes 4" sidewalks and scope of work document say 6". Please confirm. All concrete sidewalks shall be a minimum of 6" thick (not 5 ½" or 5 ¾"). Wire mesh shall be mounted on chairs.
Response: Refer to Exhibit A - Scope of Work, section 2.9. In addition, refer to Exhibit A - Scope of Work section 2.8 and Exhibit L - Concrete Pre-pour Inspections for additional requirements.

21. Is a dumpster a part of scope? If so, are there specs?
Response: Yes, refer to Exhibit A - Scope of Work, section 2.16 indicating "construction of dumpster enclosure". Dumpster Enclosure location shown in Geometry Plan sheet C-400, detail added to sheet C-700 General Details, refer to attached revised Exhibit K - Engineered Drawings dated 3-4-2026.

*Note: Dumpster Enclosure walls shall be constructed with split face block.

22. Provide water source for irrigation.
Response: Irrigation water source will be City of Tavares existing water main on County Road 561.

ADDITIONAL INFORMATION

1. Exhibit K – Engineered Drawings has been replaced with Exhibit K – Engineered Drawings (Revised 3-4-26).

2. Exhibit O – Geotechnical Investigation has been added to the solicitation documents.

3. Exhibit P – Landscape and Irrigation Plans (3-4-2026) has been added to the solicitation documents.

ADDENDUM NO. 2 **26-902**

LAKE COUNTY, FL
REAL FLORIDA • REAL CLOSE
Office of Procurement Services
P.O. Box 7800 • 315 W. Main St., Suite 416 • Tavares, FL 32778

SOLICTATION: Multi-Family Detached Housing 03/10/2026

Vendors are responsible for the receiving and acknowledging all solicitation addenda. An electronically signed copy of this addendum should be submitted along with the solicitation response.

THIS ADDENDUM DOES NOT ALTER THE PROPOSAL SUBMISSION DEADLINE.

QUESTIONS/RESPONSES

1. Is any portion of the project site located within a FEMA flood zone?
   Response: No.

2. Will this project be subject to County impact fees, utility connection fees, or building permit fees?
   Response: See Exhibit A – Scope of Work, Section 1.5.

3. Can the County confirm that primary access to the project site will be via the existing stub-out road connecting to County Road 561?
   Response: Confirmed.

4. Are any off-site roadway improvements anticipated on County Road 561 (e.g., turn lanes, signalization, widening, etc.)?
   Response: This need is not listed in the solicitation documents.

5. Has the County completed a geotechnical report for the site? If so, will it be shared with proposers?
   Response: See Exhibit O – Geotechnical Investigation.

6. Please confirm the status and capacity of water, sanitary sewer, stormwater outfall, and electric service.
   Response: Confirmed and there is ongoing coordination with the local utility companies, as noted in No.1 Addendum, Question 5.

7. Are utility extensions or off-site improvements anticipated, and if so, who is responsible?
   Response: Please refer to Exhibit K – Engineered Drawings.

8. Exhibit L references concrete pre-pour inspections. Please confirm whether alternative foundation systems (e.g., engineered pier, helical, or other code-compliant systems) will be considered, or whether cast-in-place concrete foundations are mandatory.
   Response: Vendors may provide alternative foundation systems, however approval of each system will be at the discretion of the County.

9. Please confirm that factory-built modular housing constructed in accordance with Florida Building Code and applicable HUD/Davis-Bacon requirements is acceptable under this solicitation.
   Response: Confirmed.

10. Modular manufacturers typically require front-loaded material procurement and factory mobilization. Will the County consider a payment schedule that includes an upfront mobilization payment in the range of 40–50% tied to material procurement and production commencement, subject to appropriate performance security?
    Response: No.

11. Does the County anticipate issuing a single release of units, or multiple phased task orders over time?
    Response: Single release of units.

12. What is the County's target timeline for notice to proceed and full project completion?
    Response: A Notice to Proceed will be issued upon successful filing of the Performance and Payment Bond, with a completion date of December 1, 2026.

13. Please confirm the applicable wage determination and whether Davis-Bacon applies to all off-site modular fabrication activities or only on-site work.
    Response: The Davis-Bacon Act applies to all off-site modular fabrication activities. This includes any construction, alteration, or repair activities that are part of a federally funded or assisted project.

14. Attachment requirements reference Section 3. Please clarify the target participation levels, if any.
    Response: N/A

15. Attachment requirements reference Section 3. Please clarify the reporting expectations
    Response: The Contractor is required to submit Section 3 Worker Certification forms and documentation to HUD. The Contractor must report Section 3 Worker certification at the completion of the project.

16. Attachment requirements reference Section 3. Please clarify whether off-site manufacturing labor counts toward Section 3 goals
    Response: Off-site manufacturing labor can count toward Section 3 goals, provided that the worker meets the eligibility criteria for Section 3 certification. Specifically, labor hours spent on contracts can contribute to the overall goals of 25% of total labor hours worked by Section 3 workers and 5% by Targeted Section 3 workers. The Contractor shall maintain documentation and compliance with the regulations to ensure that off-site manufacturing labor is recognized in their Section 3 efforts

The undersigned hereby declares that Nichols Contracting, Inc. has reviewed and accepts all specifications, terms, and conditions outlined in this Solicitation and affirms compliance with all legal requirements necessary to conduct business with the County, and to provide **MULTI-FAMILY DETACHED HOUSING** specified. Submittals were advertised to be submitted by 3:00 P.M. Eastern time on the date indicated in the Solicitation or any subsequent addenda. Furthermore, the undersigned confirms they are duly authorized to execute this document, as well as any related contracts or transactions resulting from the award of this Solicitation.

1.0 TERM OF CONTRACT

Contract will commence upon the related Notice to Proceed. The Contract shall remain in effect until completion of both the expressed and implied warranty periods. The County reserves the right to negotiate for additional services or items of a similar nature that were not known or anticipated at the time of solicitation.

2.0 PAYMENT

Contractor shall email FacilitiesInvoices@LakeCountyFL.gov an accurate invoice within 30 calendar days after delivery. Invoices shall reference: Lake County BCC purchase/task order, delivery date, delivery location, and corresponding packing slip or delivery ticket signed by a County representative at the time of acceptance. Failure to submit invoices in the prescribed manner will delay payment.

Payments will be tendered in accordance with the Florida Prompt Payment Act, Part VII, Chapter 218, Florida Statutes.

All pricing will be FOB Destination unless otherwise specified in this solicitation document. Pricing submitted will remain valid for a ninety (90) day period.

3.0 CERTIFICATION REGARDING SITE VISITATION

Has the Vendor attended the non-mandatory pre-bid conference or has the Vendor completed a scheduled site visit? YES

4.0 CERTIFICATION REGARDING LAKE COUNTY TERMS AND CONDITIONS

I certify that I have reviewed the General Terms and Conditions for Lake County Florida and accept the Lake County General Terms and Conditions dated 5/6/21 as written including the Proprietary/Confidential Information section. YES

The Contractor hereby certifies that, pursuant to Section 287.135, Florida Statutes, it or its subcontractors is not listed on the Scrutinized Companies that Boycott Israel and is not participating in a boycott of Israel. The Contractor understands that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorneys' fees, and costs. The Contractor further understands that any contract with the County for goods or services may be terminated at the option of the County if the Contractor is found to have submitted a false certification or has been listed on the Scrutinized Companies that Boycott Israel list or is participating in a boycott of Israel.

For purchases of $1 million or more:

By submitting a response to any solicitation, the Contractor hereby certifies that, pursuant to Section 287.135,Florida Statutes, it orits subcontractors are not listed on the Scrutinized Companies with activities in the Iran Petroleum Energy Sector List, or the Scrutinized Companies with Activities in Sudan List, is not listed on the Scrutinized Companies that Boycott Israel and is not participating in a boycott of Israel, and is not engaged in business operations in Cuba or Syria. The Contractor understands that pursuant to Section 287.135, Florida Statutes, the submission of

a false certification may subject it to civil penalties, attorneys' fees, and costs. The Contractor further understands that any contract with the County for goods or services of $1 million or more may be terminated at the option of the County if the Contractor is found to have submitted a false certification or it or its subcontractors have been listed on the Scrutinized Companies with activities in the Iran Petroleum Energy Sector List or the Scrutinized Companies with Activities in Sudan List, is listed on the Scrutinized Companies that Boycott Israel list or is participating in a boycott of Israel, or is engaged in business operations in Cuba or Syria.

Failure to acknowledge may result in Submittal being deemed non-responsive.

5.0 CERTIFICATION REGARDING FELONY CONVICTION

Has any officer, director, or an executive performing equivalent duties, of the bidding entity been convicted of a felony during the past ten (10) years? NO

6.0 CONFLICT OF INTEREST DISCLOSURE CERTIFICATION

Except as listed below, no employee, officer, or agent of the firm has any conflicts of interest, real or apparent, due to ownership, other clients, contracts, or interests associated with this project; and, this Submittal is made without prior understanding, agreement, or connection with any corporation, firm, or person submitting a proposal for the same services, and is in all respects fair and without collusion or fraud. No conflicts of interest.

7.0 CERTIFICATION REGARDING BACKGROUND CHECKS

Under any County Contract involving Contractor or subcontractor personnel working in proximity to minors, the Vendor hereby confirms that all such personnel will have successfully completed an initial Certified Background Check, as well as subsequent annual checks, conducted by Contractor at no additional cost to County. The Vendor agrees to comply fully with all applicable Florida Statutes governing background investigations. The County reserves the right to request and review any related records, with or without cause, and to require the immediate replacement of any Contractor employee found to be in violation of these requirements. Furthermore,the Contractor shall indemnify and hold the County harmless from any liability arising from the actions of such personnel.Additional requirements may apply as specified within any particular contract award. YES

8.0 DISADVANTAGED BUSINESS ENTERPRISE PROGRAM

The County does not set specific goals for minority set-asides; however, participation by both minority and non-minority qualified firms is strongly encouraged. If your firm is classified as a minority-owned business or holds certification from the State of Florida, Office of Supplier Diversity, (OSD) as a Certified Minority Business Enterprise (CMBE), please indicate the appropriate classification(s) not applicable not applicable
and enter OSD Certification Number Click or tap here to enter text.
and enter effective date Click or tap to enter a date. to date Click or tap to enter a date.

9.0 ANTITRUST VIOLATOR VENDOR LISTS

A person or affiliated entity listed on the antitrust violator vendor list due to a conviction or civil liability for an antitrust violation is prohibited from submitting bids, proposals, or responses for any new contracts to provide goods or services to a public entity. This restriction also applies to new contracts involving the construction or repair of a public building or public works, new leases of real property to a public entity, and includes being awarded or performing work as a contractor, supplier, subcontractor, or consultant under any such new contract. Furthermore, such persons or affiliates are barred from transacting any new business with a public entity.

10.0 FEDERAL FUNDING REQUIREMENT

10.1 A contract award expected to equal or exceed $25,000 or a contract award at any tier for a federally required audit (irrespective of the contract amount) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. part 180. The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Recipients, contractors, and subcontractors (at any level) that enter into covered transactions are required to verify that the entity (as well as its principals and affiliates) with which they propose to contract or subcontract is not excluded or disqualified.This is done by: (a) checking the SAM exclusions; (b) collecting a certification from that person; or (c) adding a clause or condition to the contract or subcontract.

Registration or search can be conducted here: SAM Directory and Registration website

ATTACHMENT – 4 NON-COLLUSION DECLARATION 26-902

I, Tyler Nichols, hereby declare that I am
(NAME)

Vice- President of Nichols Contracting, Inc.
(TITLE) (FIRM)

of Columbia, Maryland
(CITY AND STATE)

and that I am the person responsible within my firm for the final decision as to the price(s) and amount of this Bid on this Project.

I further declare that:

1. The price(s) and amount of this bid have been arrived at independently, without collusion, communication or agreement, for the purpose of restricting competition with any other contractor, bidder, or potential bidder.

2. Neither the price(s) nor the amount of this bid have been disclosed to any other firm or person who is a bidder or potential bidder on this project, and will not be so disclosed prior to the bid opening.

3. No attempt has been made or will be made to solicit, cause, or introduce any other firm or person to refrain from bidding on this project, or to submit a bid higher than the bid of this firm, or any intentionally high or non-competitive bid or other form of complementary bid.

4. The bid of my firm is made in good faith and not pursuant to any agreement or discussion with, or inducement from, any firm or person to submit a complementary bid.

5. My firm has not offered or entered into a subcontract or agreement regarding the purchase of materials or services from any firm or person, or offered, promised, or paid cash or anything of value to any firm or person, whether in connection with this or any other project, in consideration for an agreement or promise by any firm or person to refrain from bidding or to submit a complementary bid on this project.

6. My firm has not accepted or been promised any subcontract or agreement regarding the sale of materials or services to any firm or person, and has not been promised or paid cash or anything of value by any firm or person, whether in connection with this or any other project, in consideration for my firm's submitted a complementary bid, or agreeing to do so, on this project.

7. I have made a diligent inquiry of all members, officers, employees, and agents of my firm with responsibilities relating to the preparation, approval, or submission of my firm's bid on this project and have been advised by each of them that they have not participated in any communication, consultation, discussion, agreement, collusion, act, or other conduct inconsistent with any of the statements or representations made in this Declaration.

8. I affirm that the firm has informed the County in writing of all convictions of the firm, its affiliates, and all directors, officers, and employees of the firm for violation of state or federal anti-trust laws with respect to a public contract or for violation of any state or federal law involving fraud, bribery, collusion, conspiracy, or material misrepresentation with respect to a public contract. This includes

disclosure of the names of current employees of the firm or affiliates who were convicted of contract crimes while in the employ of another company.

I declare under penalty of perjury that the foregoing is true and correct.

Applicant Name

Program/Activity Receiving Federal Grant Funding

Acting on behalf of the above named Applicant as its Authorized Official, I make the following certifications and agreements to the Department of Housing and Urban Development (HUD) regarding the sites listed below:

I certify that the above named Applicant will or will continue to provide a drug-free workplace by:

a. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the Applicant's workplace and specifying the actions that will be taken against employees for violation of such prohibition.

b. Establishing an on-going drug-free awareness program to inform employees ---

(1) The dangers of drug abuse in the workplace;

(2) The Applicant's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

c. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph a.;

d. Notifying the employee in the statement required by paragraph a. that, as a condition of employment under the grant, the employee will ---

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

e. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph d.(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federalagency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

f. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph d.(2), with respect to any employee who is so convicted ---

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

g. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs a. thru f.

2. Sites for Work Performance. The Applicant shall list (on separate pages) the site(s) for the performance of work done in connection with the HUD funding of the program/activity shown above: Place of Performance shall include the street address, city, county, State, and zip code. Identify each sheet with the Applicant name and address and the program/activity receiving grant funding.)

Check here if there are workplaces on file that are not identified on the attached sheets.

I/We, the undersigned, certify under penalty of perjury that the information provided above is true and correct.
WARNING: Anyone who knowingly submits a false claim or makes a false statement is subject to criminal and/or civil penalties, including confinement for up to 5 years, fines, and civil and administrative penalties. (18 U.S.C. §§ 287, 1001, 1010, 1012, 1014; 31 U.S.C. §3729, 3802).

CERTIFICATION DEBARMENT AND SUSPENSION

THE QUOTER HEREBY CERTIFIES THAT:

a. The resulting contract is a covered transaction for purposes of 2 C.F.R. 180 and 2 C.F.R. 3000. As such, the vendor is required to verify that none of the vendor, its principals (defined at 2 C.F.R. 80.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. 180.940) or disqualified (defined at 2 C.F.R. 180.935).

b. The vendor must comply with 2 C.F.R. 180 subpart C and 2 C.F.R. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

c. This certification is a material representation of fact relied upon by County (subgrantee). If it is later determined that the bidder did not comply with 2 C.F.R. 180, subpart C and 2 C.F.R. 3000, subpart C, in addition to remedies available to County, the Federal Government may pursue available remedies, including but not limited to suspension and/ or debarment.

d. The bidder agrees to comply with the requirements of 2 C.F.R. 180, subpart C and 2 C.F.R. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder further agrees to include a provision requiring such compliance in its lower tier covered transactions.

CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Statement for Loan Guarantees and Loan Insurance

The undersigned states, to the best of his or her knowledge and belief, that:

If any funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this commitment providing for the United States to insure or guarantee a loan, the undersigned shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions. Submission of this statement is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required statement shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

BUILD AMERICA, BUY AMERICA ACT (BABAA) SELF-CERTIFICATION.

(To be submitted with each bid or offer for which BABAA applies.)

The undersigned [CONTRACTOR] certifies, to the best of their knowledge, that:

The Build America, Buy America Act (BABAA) requires that no federal financial assistance for "infrastructure" projects is provided "unless all of the iron, steel, manufactured products, and construction materials used in the project are produced in the United States." Section 70914 of Public Law No. 117-58, §§ 70901-52.

The undersigned certifies that for the Lake County Multi-Family Detached Housing (project name) that the iron, steel, manufactured products, and construction materials used in this contract are in full compliance with the BABAA requirements including

1. All iron and steel used in the project are produced in the United States. This means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

2. All manufactured products purchased with Federal financial assistance must be produced in the United States. For a manufactured product to be considered produced in the United States, the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55% of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation.

3. All construction materials are manufactured in the United States. This means that all manufacturing processes for the construction material occurred in the United States.

The Contractor, Nichols Contracting, Inc., certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 et seq., apply to this certification and disclosure, if any.

Re: RFP No. 26-902 – Lake County Multi-Family Detached Housing

Dear Evaluation Committee Members:

Nichols Contracting, Inc. is pleased to submit this proposal in response to Lake County's Request for Proposal (RFP) No. 26-902 for the Lake County Multi-Family Detached Housing project. As the Offeror, Nichols Contracting, Inc. will serve as the contracting entity responsible for delivering construction services should we be selected for this project.

Nichols Contracting, Inc. is a licensed, full-service general contractor with more than three decades of experience delivering construction and renovation projects for public agencies, local governments, and institutional clients. Our firm provides comprehensive general contracting services including project management, subcontractor procurement and coordination, cost control, scheduling, quality assurance, and site safety management.

Our team has extensive experience delivering public sector and multi-famil

y
construction projects that require disciplined project controls, strong trade partner coordination, and proactive communication with owners and stakeholders. We approach every project with a structured management process that emphasizes early planning, detailed scheduling, and continuous oversight of subcontractor performance to ensure work is completed safely, efficiently, and in accordance with project specifications.

Nichols Contracting maintains long-standing relationships with qualified subcontractors and suppliers, allowing us to assemble experienced project teams and maintain reliable workforce capacity throughout the duration of construction. Our project managers and field supervisors closely monitor progress, manage quality control, and ensure that all work is performed in compliance with applicable codes, contract requirements, and safety standards.
Through this approach, Nichols Contracting consistently delivers projects that meet or exceed owner expectations for schedule,budget, and workmanship. We are confident in our ability to provide Lake County with responsive service, transparent

communication, and dependable construction management throughout the life of the project.

This proposal is submitted by an authorized representative of Nichols Contracting, Inc., whowillserve as theprimary point of contact for this procurement. All information provided herein is true and accurate to the best of our knowledge, and Nichols Contracting, Inc. is fully prepared to meet the requirements outlined in the solicitation.

Thank you for your consideration. We appreciate the opportunity to submitour proposal and look forward to the possibility of partnering with Lake County on this important project.

Sincerely,

Nichols Contracting, Inc.

UNDERSTANDING OF THE PROJECT

Our team developed a comprehensive understanding of the project through detailed review of all technical, regulatory, operational, and community-driven requirements. From the outset, we evaluated both the hard project criteria and the broader compliance framework, including certified payroll under Davis-Bacon, Buy America requirements, inspection coordination, and federal reporting obligations.

We also assessed the physical environment and surrounding context, including site location, adjacency to active community uses such as the nearby gun range, and exposure to regional weather conditions. These factors informed our understanding of key priorities, including durability, acoustic performance, safety, energy efficiency, and long-term operational reliability.

Through our review, we identified that the project requires a balanced approach that delivers both technical performance and meaningful community value. We recognized theimportance of developing a structure capable of resisting severe weather events, achievingstrong an STC rating of 59 for resident comfort, complying with NFPA 13 fire protection requirements, and strong energy performance with R32 exterior walls through improved envelope design and high-efficiency systems.

Our team also identified early that disciplined civil sequencing, infrastructure coordination, and procurement planning will be critical to maintaining overall schedule performance. We understand that site development — including sidewalks, underground utilities, grading, and building pad preparation — must be strategically sequenced to support uninterrupted vertical construction while maintaining site safety and efficient logistics flow.

Based on our evaluation, we recognize the importance of sequencing civil operations with an early focus on establishing building pads to enable vertical construction to commencewithout delay. This approach allows concurrent progress across scopes while minimizing disruption and improving overall productivity.

We further identified long-lead infrastructure components, including the lift station, as key schedule drivers. These items have already been incorporated into our detailed project schedule with procurement durations aligned to fabrication and approval timelines. Our review also confirmed that major building components, including the prefabricated panel system, can be delivered within approximately three weeks following final shop drawing approval, supporting schedule continuity while maintaining flexibility for customization.

Finally, we recognized the broader opportunity for this project to positively impact the surrounding community. As part of our early efforts, we initiated outreach to local contractors and vendors located within close proximity to the project site to support workforce participation and local economic involvement.

Contractor Profile

Nichols Contracting, Inc.

Nichols Contracting, Inc. (NCI) is an established general contracting firm with more than 35 years of experience delivering construction, renovation, and on-call construction services for public sector clients. Founded in 1991, the firm has built a strong reputation for reliability, responsiveness, and quality project delivery across K-12 school systems, higher education campuses, local governments, state agencies, and federal facilities.

Headquartered in Columbia, Maryland, with a Florida office located in Royal Palm Beach, NCI actively performs work throughout Florida, Maryland, Virginia, and Washington, D.C. The firm has extensive experience operating under Job Order Contracting (JOC), Indefinite Delivery/Indefinite Quantity (IDIQ), Multi-Award Task Order Contracts (MATOC), and other on-call construction programs. This experience allows NCI to successfully manage multiple concurrent task orders while maintaining strict adherence to safety standards, schedule requirements, and budget controls.

Nichols Contracting operates as a full-service general contractor supported by a centralized management and administrative structure designed to ensure efficient project delivery and consistent quality assurance. Core operational functions include executive management, project management and field operations, preconstruction and estimating, safety and quality control, and accounting and procurement support. This integrated structure enables the firm to respond quickly to client needs, coordinate multiple active projects, and maintain a high level of performance across all assignments.

The company is privately owned and led by experienced construction professionals committed to delivering dependable results for public owners. Ownership is held by Fred A. Nichols, President and majority owner, and Tyler Nichols, Vice President and Chief Operating Officer. Their leadership emphasizes disciplined project management, strong client communication, and long-term partnerships with public agencies.

Nichols Contracting is financially stable, well-capitalized, and strategically focused on continued growth within the public construction sector. The firm is actively expanding its portfolio of K-12 school district, municipal, and government contracts, with particular focus on Florida. NCI's operational model prioritizes rapid response to client needs, competitive pricing under JOC frameworks, self-performance where practical, and the consistent delivery of safe, high-quality construction services.

Nichols Contracting, Inc. is a corporation organized under the laws of the State of Maryland and maintains all required registrations, insurance coverage, and compliance documentation necessary to perform work for public agencies.

NICHOLS CONTRACTING

Personal Experience Summary
Greg Van Haute

Greg Van Haute brings extensive experience in the planning, preconstruction, and construction of large-scale multifamily residential communities throughout Florida. His portfolio includes the successful delivery of mid-rise, garden-style, and wood-frame residential developments totaling well over **1,600 residential units** and **more than $160 million in construction value**. These projects include market-rate apartment communities, mixed-use developments, and major renovation projects requiring complex coordination, structural construction expertise, and multi-phase project delivery.

Greg's experience spans a wide range of construction methods including **wood-frame multifamily, conventional concrete construction, post-tension mid-rise structures, tunnel form construction, and major structural rehabilitation projects**. His work includes developments ranging from large multi-building apartment communities to mid-rise urban projects with integrated parking structures and amenity facilities.

Among his notable projects is the **East Tampa development**, a 354-unit wood-frame apartment community in Tampa valued at approximately $70 million and scheduled for completion in 2025. Greg also contributed to the **Waterside Apartments in Homestead**, a $47 million concrete conventional multifamily development consisting of 254 residential units completed in 2024.

Additional multifamily developments include the **Slate Apartments in Allapattah**, a $19 million mid-rise residential project with an integrated post-tension parking structure; **Lucida Apartments in Miami Lakes**, a 108-unit concrete walk-up community; and **The Plaza at Lyric in Miami**, a 158-unit mid-rise development with structured parking. These projects demonstrate Greg's experience managing complex urban residential construction requiring careful coordination of structural systems, site logistics, and multi-phase development sequencing.

Greg has also managed major renovation and repositioning projects such as **The Landings in Homestead**, a $12 million redevelopment involving full structural rehabilitation of an existing 101-unit residential community. His experience also includes large garden-style communities such as **Monterra Apartments in Cooper City (300 units)** and **Azura Apartments in Miami (252 units)** constructed using tunnel form construction techniques.

Through these projects, Greg has demonstrated the ability to oversee multifamily developments from preconstruction through completion while coordinating complex structural systems, managing construction teams, and maintaining strict adherence to schedule, budget, and quality standards.

Greg Van Haute

Project Executive - Vice President of Florida Operations

FIRM:
Nichols Contracting, Inc.

YEARS OF CONSTRUCTION EXPERIENCE:
21years

TIME WITH NICHOLS:
1year

EDUCATION:
Florida Community College in Jacksonville

CERTIFICATIONS:
OSHA 30-Hour Construction Safety & Health
Crisis Management Certification
Florida Certified General Contractor

Greg Van Haute will serve as the Project Executive for the Palm Beach Shooting Sports Complex project, providing senior-level oversight and accountability from preconstruction through project closeout. With over 20 years of experience delivering large-scale commercial and multifamily construction projects, he will be responsible for executive management of cost, schedule, quality, and risk; oversight of the project management and field teams; and serving as Nichols Contracting's primary executive point of contact with the Owner. In this role, Mr. Van Haute will ensure adherence to contract requirements, proactive issue resolution, and alignment of project execution with Owner goals, while leveraging standardized processes, construction technology, and proven leadership to support on-time, on-budget delivery.

RELEVANT EXPERIENCE

East Tampa Apartments – Tampa, FL
General Contractor | 354 Units | $69M
Executive oversight of a large-scale wood-frame multifamily development, including schedule control, budgeting, subcontractor coordination, and delivery oversight.

Vista Sur Apartments – FL
General Contractor | 226 Units + Commercial Storefront | $45M
Oversaw construction of a mid-rise multifamily project with integrated commercial space, coordinating complex logistics, sequencing, and stakeholder engagement.

Slate Apartments – FL
General Contractor | 100 Units | $20M
Executive leadership for a mid-rise, post-tension concrete building with structured parking, emphasizing cost control, quality assurance, and schedule adherence.

Lucida Apartments – FL
General Contractor | 150 Units | $15M
Provided executive oversight for a concrete walk-up multifamily development, ensuring compliance with design intent, budget, and delivery milestones.

Landing Apartments (Structural Retrofit & Full Rehabilitation) – FL
General Contractor | $12M
Led structural retrofit and full rehabilitation of an existing multifamily complex, coordinating construction sequencing in an occupied environment.

Lake Shore Apartments (CapEx Rehabilitation) – FL
General Contractor | 192 Units | $8.5M
Executive oversight of interior and exterior capital improvement upgrades, focusing on asset revitalization, phasing, and long-term durability.

Greg Van Haute

Project Executive - Vice President of Florida Operations

Altis Little Havana – Miami, FL
Interior Construction Oversight | 224 Units | $48M
Supported interior construction and turnover coordination on a large, multi-story residential project.

Azura Apartments – FL
Project Manager | 240 Units | $28M
Managed garden-style, tunnel-form construction with structured coordination of trades and schedule-critical activities.

Allapattah Trace Apartments – FL
Project Manager | 110 Units | $14.5M
Oversaw mid-rise, post-tension construction with integrated parking garage and complex logistics

PRECONSTRUCTION & LOGISTICS LEADERSHIP

In addition to project execution, Mr. Van Haute has led preconstruction and logistics planning for numerous developments, including:

- **Capri Place Apartments:** 189 units (mid-rise with parking garage)
- **Park View Apartments:** BIM coordination, MEP conflict resolution
- **Clearwater High-Rise:** Constructability and logistics feasibility
- **Residence at Lake Worth:** Structural method selection and civil coordination

PREVIOUS EMPLOYMENT

Citrus Construction (A Richman Company) – Miramar, FL

Executive Vice President / Qualifier | 2022 – Present
Vice President / Qualifier | 2021– 2022
Senior Project Manager / Qualifier | 2019 – 2021

- Led the establishment and growth of Citrus Construction into a fully operational, process-driven general contractor
- Developed company-wide operational procedures, financial reporting systems, safety protocols, and construction standards
- Oversaw preconstruction efforts including conceptual design support and feasibility studies
- Implemented standardized materials, direct procurement strategies, and Lean construction methodologies
- Provided executive oversight to ensure projects were delivered on time, within budget, and to quality standards
- Actively engaged in project execution to anticipate challenges and remove roadblocks

4Ward Path – Port St. Lucie, FL

Managing Partner | 2017 – 2019

- Provided construction consulting services to developers focused on constructability, cost optimization, and logistics
- Conducted plan reviews and coordination between owners, architects, engineers, and contractors
- Developed strategies to improve scheduling efficiency and procurement performance

Greg Van Haute

Project Executive - Vice President of Florida Operations

First Florida Construction – Multiple Locations, FL

Project Manager / Superintendent | 2005 – 2017

- Managed multifamily residential projects across Florida from preconstruction through closeout
- Led contract negotiations, scheduling, subcontractor coordination, and quality control
- Advanced from Superintendent to Project Manager, overseeing increasingly complex projects

Colin McLean

Project Superintendent

FIRM:
Nichols Contracting, Inc.

YEARS OF CONSTRUCTION EXPERIENCE:
8 years

TIME WITH NICHOLS:
1year

CERTIFICATIONS/LICENSES:
State Journeyman License, Harford County Electrical Apprenticeship Program
Master Electrical License, Maryland Board of Electricians

Colin McLean is an Electrical Project Superintendent with hands-on field leadership experience overseeing commercial, industrial, and specialty electrical construction projects. His background includes supervision of elevator modernization work, ground-up electrical installations, service upgrades, generators, and fire alarm systems. Mr. McLean brings strong coordination skills across multiple trades, a safety-first approach, and working knowledge of scheduling, resource allocation, and quality control, supporting efficient execution of complex electrical scopes within active facilities.

RELEVANT EXPERIENCE

- Electrical field supervision for commercial and industrial construction projects
- Coordination of electricians, general contractors, HVAC, elevator technicians, and building representatives
- Oversight of elevator modernization electrical scopes, including machine rooms, hoistways, and cab systems
- Scheduling, manpower planning, and daily work coordination
- Enforcement of safety protocols including PPE, lockout/tagout, fall protection, and rigging requirements
- Experience with Procore for documentation and coordination
- Familiarity with NEC requirements and local jurisdictional codes

Previous Employment

Summit VT Solutions – Rosedale, MD

Superintendent | May 2025 – Present

- Oversees elevator modernization projects involving machine room upgrades, hoistway work, cab electrical systems, and associated building work
- Coordinates multiple trades and building stakeholders to maintain schedule and safety compliance
- Manages daily field operations, sequencing, and resource allocation

JPS Electrical Services – Darlington, MD

Foreman | August 2021– April 2025

- Managed electrical projects of varying size and complexity with crews ranging from 1to 30 personnel
- Performed and supervised work across industrial, commercial, telecommunications, fire alarm, and mixed-use facilities
- Executed ground-up construction, remodels, service upgrades, generator installations, and troubleshooting
- Led weekly jobsite safety meetings and prepared change orders

Colin McLean

Project Superintendent- Electrical

Summit VT Solutions – Rosedale, MD

Apprentice / Lead Mechanic | June 2019 – August 2021

- Progressed rapidly from apprentice to lead mechanic role on commercial elevator modernization projects
- Independently managed large electrical scopes with minimal supervisio
- Trained and mentored new mechanics

Benfield Electric – Aberdeen, MD

Electrical Apprentice | June 2018 – June 2019

- Installed electrical systems for apartments, parking garages, and retail facilities
- Read and interpreted blueprints and schematics to complete work to specification

Nick Keslar, CSP

Safety Director

Environmental, Social, & Governance (ESG) and Sustainability for Safety Professionals (ASSP)
Beyond Compliance: A Healthier Workplace is a Safer Workplace (ASSP)
Managing Psychosocial Risks in the Workplace During Pandemics and other Crises (ASSP)
Pandemic Challenges: How to Return to Work Safely (ASSP)

NicK is a seasoned safety leader with over a decade of progressive experience in construction and heavy civil environments. As Nichols Contracting's newly appointed Safety Director, Nick brings a results-driven approach to building proactive safety cultures, reducing workplace incidents, and elevating training and compliance across the organization. Nick's leadership history spans roles from Regional Safety Coordinator to Director of Operations and Training, during which he successfully implemented organization-wide safety systems, led cross-functional teams, and introduced industry-first initiatives in fall protection, hazard mitigation, and ergonomic safety solutions. His practical expertise is supported by a strong foundation in data-driven safety program development, risk analysis, and hands-on coaching, making him a pivotal asset in driving Nichols' commitment to a safe and high-performing workplace.

RELEVANT EXPERIENCE

Fort Smallwood Park Phase II | Pasadena, MD

This project involved demolition, site development, new construction, and historic restoration for Eastern Beach Improvements. The scope included clearing existing structures, constructing a 3,987 SF Comfort Station/Concession Stand, a 5,200 SF Maintenance Building with secured yard and parking, new well and water treatment facilities, septic fields, and IT infrastructure. In addition, restored historic beachfront concession stand and completed a 120-space asphalt parking lot with accessible spaces, ensuring effective stormwater management throughout the project.

Elk Neck State Park | North East, MD

This project involves multiple sites throughout the park and site improvements at each location. At one location the work includes construction of a picnic pavilion with fireplace, a comfort station and picnic amenities. A rustic cabin is being restored to serve as an interpretive exterior experience. The existing comfort station will receive upgrades to the mechanical systems and building enclosures to provide year round use. Eight historic cabins will be selectively demolished with some elements salvage for use in restoration of the interpretative cabin. Eight new cabins will be built in place of the historic structures. The project also includes renovations to five shower buildings.

Eugene Simpson Stadium Park | Alexandria, VA

Comprehensive park redevelopment involving demolition of existing facilities and reconstruction of athletic fields, courts, plazas, pathways, lighting, parking, and park entrances. The project includes installation of synthetic turf and irrigation systems, construction of new dugouts, bleachers, batting cages, press boxes, concession and storage facilities, expanded parking, shaded gathering areas, and native landscaping, along with implementation of stormwater management, green infrastructure, and coordinated public utility upgrades.

South Germantown Adventure Playground | Germantown, MD

Renovated an existing playground within South Germantown Recreational Park to create multi-age play areas, a nature play zone, fitness area, and open lawn, while preserving and reinstalling existing play sculptures. The project included

construction of ADA-compliant walkways, ramps, terraces, retaining walls, picnic areas, and site amenities, along with installation of new utilities, site lighting, safety surfacing, and turf. Work was completed with a strong emphasis on environmental stewardship, including tree preservation, grading, drainage, and stormwater management.

Seattle Seawall | Seattle, WA
Safety Coordinator/Manager for Geotechnical Contractor. Jet grouting to ensure stability of the seawall along the Peugeot Sound. Led safety initiatives, incident investigations, trainings, and mentored onsite safety personnel. Developed project safety plan. Project encompassed approximately 500,000 SF. $80M

California High Speed Rail | Bakersfield, CA
Safety Manager for Geotechnical Contractor. Drilled shafts for numerous rail bridge foundations. Developed project safety plan. Conducted incident investigations and through safety audits. Coordinated with HSR and the owner. Developed confined space entry plans and conducted training. Encompassed several miles. $75M

Manchester | San Diego, CA
Safety Manager for Geotechnical Contractor. Installed sheet piling both for the private owner and Navy Southwest Headquarters. Developed project safety plans, directly oversaw safety for shoring operations, conducted incident investigations, led safety committee meetings, and mitigated noise exposure to the public. Project encompassed 90,000 SF. $60M

Death Star – 111 Mass. Ave. | Washington, DC
Safety Director for GC. Demolition and renovation of a Georgetown University Law School building involving scaffolding, heavy equipment operations, pipefitters, elevator technicians, riggers, crane operations, two tower cranes, and laborers. I reviewed subcontractor safety submittals, conducted site orientations, incident investigations, participated in safety walks with the management team. Project encompassed 60,000 SF. $160M.

Morgan State Slope Stabilization | Baltimore, MD
Safety Director. Tree removal, grading, excavating, soil nails, shotcrete and erosion control. Developed fall protection and rescue plans. Conducted site safety audits. Trained and mentored dedicated site safety professionals. Led morning safety briefs. Reviewed and advised on incident investigations and corrective actions. Project encompassed 30,000 SF. $30M

PREVIOUS EMPLOYMENT

October 2023 to June 2025 **Brown Safety Consulting**
DIRECTOR OF OPERATIONS AND TRAINING
As Director of Operations and Training, Nick led the onboarding, development, and mentorship of internal staff while designing and implementing targeted safety training programs. He managed safety retention services, serving as Safety Director for CMI Inc. and CNE Construction, and conducted comprehensive site safety audits to coach field leadership and crews. Nick developed and evaluated safety management systems and project-specific safety programs, using data analysis to enhance effectiveness and reduce risk. He also created and assessed Job Hazard Analyses (JHAs) and maintained strong client relationships, ensuring safety standards were consistently upheld across all operations.

January 2020 to September 2023 **Keller**
DIVISIONAL HSEQ TRAINING MANAGER, HSEQ MANAGER
As Divisional HSEQ Training Manager (2021 to 2023), developed and continually reviewed HSEQ training curriculum for the North America division including Fall Protection, Material Handling, Crane Safety, and Qualified Rigger to meet adult learning needs. Evaluated and coached trainers on effective teaching methods. Assessed

training needs to improve performance gaps and compliance.Participated in safety leadership calls with HSEQ Directors and convinced them to adopt leading edge fall protection, fall rescue ladders, and women's fall harnesses across North America. Analyzed leading and lagging indicators and proposed innovative solutions as the HSEQ Representative for Keller NA and Global Soil Mix Product Team and Keller NA Rigid Inclusion Product Team and presented on North American and global webinars.

As HSEQ Manager (2020 to 2021), managed and developed seven site-based HSEQ Coordinators across the US. Assessed standards for gaps and led HSEQ standard reviews. Managed HSEQ prequalification sites (ISNET, Avetta, ComplyWorks, Construct Secure). Safety Representative for Keller NA and Global Soil Mix Product Team and Keller NA Rigid Inclusion Product Team. Managed and developed three HSEQ Coordinators in the West Business Unit. Developed and provided a wide array of training to Keller employees including material handling, rigging and fall protection. Researched cement delivery systems and convinced management to invest in bulk delivery systems to eliminate the need to manually handle and break cement bags. Ensured proper resources are allocated to incident investigations. Led the development of the HSEQ System Manual. Safety Representative for Keller NA and Global Soil Mix Product Teams.

September 2012 to December 2019 **Hayward Baker Inc.**
HSEQ MANAGER, REGIONAL SAFETY COORDINATOR
As HSEQ Manager (2017–2019), led regional safety and ergonomic initiatives by collaborating with engineering to design and retrofit drill rig safety systems, implementing advanced fall protection and rescue programs, and integrating equipment selection into project safety planning. Championed equipment modifications to reduce ergonomic and pinch-point hazards, investigated incidents and near misses, led root-cause analyses, and advised leadership on safety performance metrics. Developed task-specific procedures, training programs, and state-specific pre-excavation checklists, resulting in a 50% reduction in utility strikes and compaction grouting incidents, and a 25% reduction in hand injuries

As Regional Safety Coordinator (2012 to 2017), collaborated with engineering to design a fall protection system for batch plant trucks. Collaborated with third-party experts to design and install a secured rope grab system for emergency repair of a landslide. Conducted jobsite inspections and implemented corrective actions. Managed Toolbox Talk program for Keller NA. Managed standardized JHA development. Developed and provided a wide array of training to HBI employees. Collaboratively reviewed and enforced company safety policies. Investigated all incidents and near misses.

May 2012 to August 2012 **ArcelorMittal**
ASSOCIATE ENGINEER INTERNSHIP
Conducted noise dosimetry testing and developed and reviewed JSAs with employees. Participated in accident investigations and safety committee meetings. Revised and implemented confined space training. Collaboratively developed an emergency action plan and trained department managers.

January 2011 to May 2012 **ARC**
FACILITY SUPERVISOR

MEMBERSHIPS
Member of American Society of Safety Professionals (ASSP)

Luis D'Angelo Bofill is an experienced Superintendent with over 10 years of field leadership experience overseeing commercial, residential, aviation, municipal, and historic renovation projects throughout South Florida and nationwide. His background includes ground-up construction, complex interior buildouts, and renovations within occupied and high-security environments. Mr. Bofill is bilingual (English/Spanish) and is recognized for his strong coordination skills, proactive problem-solving, and ability to maintain schedules, safety, and quality on fast-paced, multi-trade projects.

RELEVANT EXPERIENCE:

- Supervision of ground-up, renovation, and historic restoration projects up to $48 million
- Extensive experience coordinating subcontractors across all trades, including structural, architectural, MEP, and interiors
- Management of construction activities in occupied facilities and high-security environments
- Preparation of daily reports, two-week look-ahead schedules, and coordination meetings
- Strong collaboration with inspectors, city officials, and owners to maintain compliance and approvals
- Proven ability to resolve conflicts, mitigate schedule impacts, and proactively identify design or coordination issues
- Commitment to jobsite safety, quality control, and schedule adherence

PREVIOUS EXPERIENCE

T&G Constructor

Superintendent | December 2021– December 2024

- Supervised full renovation of a 4-story, 72,245 SF historic church building in Brickell, FL ($16M)
- Coordinated preservation of historic architectural elements while integrating modern finishes and code-compliant life safety upgrades
- Managed construction of new stair towers, interior renovations, and specialty finishes

Altman GleneWinkel Construction

Superintendent | March 2020 – December 2021

- Supervised interior construction of an 8-story, 224-unit residential building in Miami, FL ($48M)
- Held responsibility for completion and turnover of 130 residential units
- Led subcontractor coordination meetings and resolved architectural and MEP conflicts

Big Dog Construction

Superintendent | July 2019 – March 2020

Luis Bofill
Superintendent

- Supervised work at Fort Lauderdale-Hollywood International Airport (Terminal 4 CBIS/CBRA Expansion)
- Coordinated HVAC, plumbing, and drywall subcontractors within confined, active airport operations
- Also managed municipal interior renovations at Coconut Creek City Hall, completing the project ahead of schedule

NV2A Construction

Superintendent | November 2017 – July 2019

- Supervised construction of a 29-story, LEED Platinum high-rise commercial development (709,503 SF)
- Managed daily site operations, deliveries, subcontractor coordination, and safety compliance

Ambiance Construction

Traveling Superintendent | February 2016 – October 2017

- Supervised nationwide retail construction projects for major brands
- Delivered fast-track projects ranging from $460K to $800K across multiple states

JASON TUCKER

PROJECT SUPERINTENDENT – ELECTRICAL

FIRM:
Nichols Contracting, Inc.

YEARS OF CONSTRUCTION EXPERIENCE:
15 years

REGISTRATIONS/ CERTIFICATIONS:

Jason Tucker is an Electrical Project Superintendent with extensive field leadership experience overseeing commercial, multifamily, and residential electrical construction projects. His background includes supervision of large multifamily developments, commercial tenant build-outs, electrical service operations, and installations ranging from low-voltage systems to 480V distribution.

Mr. Tucker brings strong coordination skills across multiple trades, with experience in scheduling, manpower planning, material procurement, and quality control. He has successfully managed electrical crews, coordinated with general contractors and building representatives, and maintained production schedules while ensuring installation quality and safety compliance.

RELEVANT EXPERIENCE:

- Electrical field supervision for commercial, multifamily, and residential construction projects
- Coordination of electricians, subcontractors, and general contractors
- Scheduling, manpower planning, and daily work coordination
- Estimating and oversight of electrical service and installation work
- Material procurement, project planning, and work sequencing
- Quality control of electrical installations and field troubleshooting
- Installation of commercial power distribution systems up to 480V
- Experience with low-voltage systems including fire alarm, data, and CCTV
- Blueprint interpretation and electrical system layout from rough-in through completion

WORK EXPERIENCE

Nichols Contracting, Inc. - FL

Superintendent | January 2026 - Present

- Directs daily field operations, supervising subcontractors and coordinating site activities to ensure projects were completed safely, on schedule, and in accordance with plans and specifications
- Monitors construction progress, conducts site inspections, and enforces safety and quality standards.
- Coordinates with project managers, engineers, and clients to resolve field issues, manage changes, and maintain project documentation.
- Plans work activities, manages materials and equipment, and maintains daily reports to support efficient project execution.

Electrik Pros – Miami, FL

Electrical Service Manager | February 2024 - January 2026

- Managed electrical service operations including estimating, scheduling, and project coordination

- Oversaw installation quality and project completion timelines
- Maintained client coordination and resolved field issues to ensure project success

KnR Electrical Services – Vero Beach, FL
Electrical Superintendent | November 2020 - February 2024
- Supervised electrical installation for a large multifamily residential development
- Coordinated manpower, scheduling, and material procurement to maintain project progress
- Served as field liaison with the general contractor and project stakeholders

Jason Tucker LLC – Royal Palm Beach, FL
Owner / Operator | October 2018 - November 2020
- Managed multiple electrical subcontracting projects including commercial office and restaurant build-outs
- Coordinated material procurement, scheduling, and project completion documentation

AES Lighting and Electrical – Lake Worth, FL
Foreman Electrician | November 2017 - October 2018
- Led electrical installation for a commercial project supporting utility infrastructure upgrades

Coral Electric – Boynton Beach, FL
Electrician / Foreman | October 2015 - November 2017
- Supervised commercial construction, tenant build-outs, and restaurant electrical systems

Sea Spray Electrical – FL
Electrician / Foreman | April 2015 - October 2015
- Performed commercial electrical installations including remodels and new construction

Atlantic Electric – West Palm Beach, FL
Electrician / Foreman | December 2013 - April 2015
- Installed electrical systems for retail and mall build-out projects

Wellington Electric – Wellington, FL
Electrician / Foreman | April 2013 - November 2013
- Oversaw residential electrical construction including new homes and remodels

Carpenter Electric – West Palm Beach, FL
Electrical Apprentice | August 2012 - March 2013

Tri-City Electric – West Palm Beach, FL
Electrical Apprentice | June 2012 - July 2012

Newkirk Electric – Okeechobee, FL
Electrical Apprentice | March 2011 - December 2011

13. MCA Site Development- Site Work

Final agreement pending qualification and contract terms.

NICHOLS CONTRACTING

MASTER PROJECT QUALIFICATIONS — FINAL MASTER LIST

DIVISION 01 — GENERAL CONDITIONS / ADMINISTRATION

Project Delivery

- Contractor to provide full turnkey delivery of twenty-one (21) residential dwelling units including all off-site utility work and land development.
- Contractor responsible for all labor, materials, equipment, supervision, transportation, fuel, surveying, permits, inspections, and incidentals necessary for complete project delivery.
- Scopes may be subject to breakout of owner's request.
- Price is based on known existing utilities
- Permit fees included in proposal as $17,000.00.
- Site permits are the responsibility of Owner.
- Pricing excludes Tree Removal Permit..
- Pricing excludes FDOT Right-of-Way Permit for CR561 to be obtained by others
- Excluded from Contractor's scope are any gopher tortoise–related survey, monitoring, handling, relocation, mitigation, impacts, or damages, along with any unforeseen or concealed site conditions.

Schedule Basis

- The project schedule is driven by the contract duration commencing from Notice to Proceed (NTP).
- NTP is assumed issued upon execution of the Prime Contract and readiness of required site-related permits for pickup upon Contractor and subcontractor notification to the AHJ.
- The schedule assumes timely coordination with Lake County and its consultants, including the civil engineer of record.
- RFI responses assumed within forty-eight (48) hours.
- Submittal and shop drawing reviews assumed within seven (7) calendar days.
- Building drawing reviews assumed within fourteen (14) calendar days.
- Additional County inspections not tied to Building Department reviews shall align with the approved construction schedule.

Project Staffing

- Contractor will provide a dedicated full-time Project Superintendent assigned exclusively to this project for the duration of construction.

Project Administration

- Contractor to provide construction schedule, daily reports, RFI log, submittal log, schedule of values, meeting documentation, redlines, as-builts, warranties, manuals, and closeout documentation.

Fees & Third-Party Responsibilities

- Fees associated with utilities, site, off-site work, and landscaping are the responsibility of Lake County.
- Release of documentation required by telecommunications providers and power utilities remains the responsibility of Lake County.

Security / Theft / Vandalism (Time Only)

- Schedule assumes reasonable site protection including fencing, camera monitoring, and secured storage containers when practicable.
- Delays caused by theft or vandalism despite reasonable protection measures shall not be Contractor responsibility from a time standpoint and may warrant schedule adjustment.

Long Lead Procurement

- Long-lead items assume timely release of deposits and approvals consistent with schedule sequencing.

DIVISION 02 — EXISTING CONDITIONS / SITEWORK / CIVIL

- The schedule assumes site and subsurface conditions consistent with the Contract Documents and available geotechnical information.
- Sequencing assumes no unknown utilities or unforeseen conflicts beyond those indicated.
- Locate, verify, and protect all utilities prior to construction; repair any damage at Contractor expense.
- Removal and disposal of trees; burning prohibited.
- Demolition/removal of existing asphalt driveway aprons and fencing as indicated.
- Provide clearing, grubbing, grading, clean fill, and compaction to prepare site.
- Scope includes erosion control, silt fencing, inlet protection, and BMP maintenance for duration of construction.
- Offsite work including force main construction and directional boring assumes durations consistent with municipal processes.
- Civil materials assume standard manufacturer lead times and agency coordination durations.
- Proposal included the installation of Bahia sod.

DIVISION 03 — CONCRETE

- Includes slabs, footings, sidewalks, curbs, dumpster pad, and related structural components per Contract Documents.
- Sidewalks minimum six (6) inches thick with reinforcing on chairs.
- Concrete operations assume timely County inspections and testing availability.
- Sequencing assumes uninterrupted progression following civil completion.
- SOG to be 2000 to 2500 PSF Monolithick slab 16" depth at residential dwellings.
- Thickend Edge Footing to be TDE: 20" deep x 12" wide w/1#5s cont.

DIVISION 05 — METALS

• Includes miscellaneous metals, supports, embeds, and coordination framing as required.
• Fabrication durations assume standard shop lead times.

DIVISION 06 — STRUCTURAL (PREFAB NGO PANEL SYSTEM)
• Structural scope is based on prefabricated NGO panel construction aligned with Contractor means and methods.
• System rated for wind loads up to 185 MPH.
• Manufacturer data (insulation values, STC rating, fire/mold resistance) to be submitted per submittal process.
• Includes engineered slab/footing design, wood roof trusses, and interior metal framing as required.
• Any requested changes post-award may result in schedule/cost adjustment.
• Proposal includes the selection of exterior Hardie board or Aluminum siding.

DIVISION 07 — BUILDING ENVELOPE / ROOFING
• Roofing installed per Contract Documents and manufacturer requirements.
• Shingle selection per project scope and County selection.
• Includes underlayment, flashing, trim, and vapor barrier systems as required.
• Manufacturer and workmanship warranties included.
• Proposal includes Supply and install 2 Ply's of code approved D226 Type II synthetic felt to entire wood deck.

DIVISION 08 — OPENINGS
• Includes impact-rated windows and exterior doors per Contract Documents.
• Lead times assume standard manufacturer durations.
• 4'4" x 5" white, vinyl, non- impact single hung windows with grids
• 72" x 72" sliding glass doors
• 3'0 x 6'8" 20 min fire rated, six panel, pre-hung fiberglass doors, composite frames, bored twice for lock set, bored for peep hole, weather strips, threshold
• 3'0"x 6'8" hollow core, pre hung swing doors and bifold doors, bored for privacy or passage according to plans hole, weather strips, threshold

---

DIVISION 09 — FINISHES
• Finishes per Contractor proposal and Contract Documents.
• Includes tile floors and shower walls in bathrooms; glued-down LVT flooring; quartz countertops (2CM); cabinets with plywood backing at wet areas; sinks; mirrors; accessories; and paint systems.
• Includes LED lighting with ceiling fans in living areas and bathrooms.
• Modifications may impact cost and schedule.

DIVISION 10 — SPECIALTIES
• Includes signage, accessories, mail kiosks, bike racks, dumpster enclosure, and bus shelter per Contract Documents.
• No spec provided for Bus Shelter. Allowance of $20,000 included in estimate.

DIVISION 21 — FIRE SUPPRESSION
• Includes NFPA 13D compliant residential fire sprinkler systems for all dwelling units.
• Systems assume connection in accordance with approved design and applicable codes.
• Installation assumes timely permitting, inspection scheduling, and approval coordination.
• Per post bid meeting Fire Protection to be removed from project scope at a credit of $94,800.

DIVISION 22 — PLUMBING
• Includes domestic water, sanitary sewer, fixtures, and systems per Contract Documents.
• Includes energy-efficient fixtures and tankless water heaters.
• Includes laundry box assemblies and full fixture installation.
• Utility connection fees excluded.

DIVISION 23 — HVAC
• Includes central HVAC systems and controls per Contract Documents.
• Includes exhaust ventilation systems.
• Commissioning assumes timely inspections and agency approvals.
• Split system to consist of AHU and Compressor with ductwork, thermostat, and air distribution devices.
Pricing includes kitchen hood vent.

DIVISION 26 — ELECTRICAL
• Includes power distribution, lighting, site lighting, smoke detectors, carbon monoxide detectors, and related systems per Contract Documents.

• Includes Ceiling Fans in living areas and bedrooms.
• Utility connection fees excluded.
• Assumed secondary feeder to be no more than 15 ft in length from Transformer to Meter.

Utility Allowance

• Allowance of $85,000 included for underground telecom and power utilities.
• Includes conduit installation and transformer pads.
• Unused allowance returned via deductive change order.

DIVISION 31 / 32 / 33 — EXTERIOR IMPROVEMENTS & UTILITIES

• Includes storm drainage systems, sanitary systems, water distribution, paving, striping, landscaping, and restoration.
• Includes lift station, force main, directional boring under County Road 561, and full utility coordination.
• Landscaping assumes standard plant availability and seasonal installation durations.

•Pricing for onsite force main includes 2"plug valve to Lift Station.
•Offsite Force Main along CR561 (Approx 1945 LF) with 6" Tee / 6x2 Reducer / Flush Port to be included as an allowance of $168,884.
•Additionally, work associated with Offsite Force Main to include open cut driveways and new backflow preventer. Add $13,200
• Directional Drill for proposed Force Main under CR 561 to be 8" DR11 HDPE in lieu of 6" FM in 12" Casing. Credit $4,000

CLOSEOUT & PUNCHLIST

• Punchlist and closeout sequencing based on industry standards for multi-family production construction.
• Final acceptance assumes reasonable inspection durations and coordination with County staff.
• Final payment contingent upon Certificate of Occupancy/Completion.

VALUE-ADDED PROJECT FEATURES

PERFORMANCE • COMPLIANCE • DURABILITY • RESIDENT EXPERIENCE

KEY DIFFERENTIATORS INCLUDED

DESIGNED TO REDUCE RISK, IMPROVE PERFORMANCE, AND ENHANCE LONG-TERM VALUE

COMPLIANCE & DELIVERY

- BAA-compliant materials where applicable
- Davis-Bacon certified payroll compliance
- Dedicated third-party compliance consultant
- Site-specific custom design approach

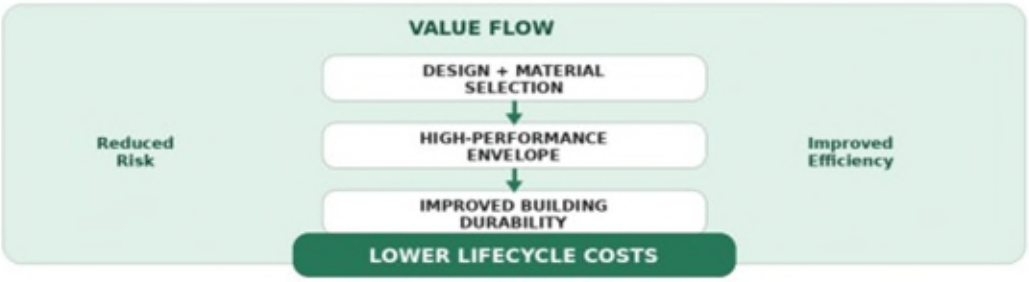
STRUCTURE & ENVELOPE

- MGO structural panel system
- High wind-load resistance vs. wood framing
- Strong fire rating performance
- Enhanced sound attenuation and thermal efficiency

OPENINGS & EXTERIOR

- Impact-rated hurricane windows
- Eliminates need for shutters
- Fiber cement (Hardie) siding
- Reduced maintenance vs. vinyl systems

VALUE FLOW



WATERPROOFING SYSTEMS

- ZIP liquid flash and seam tape system
- QuickFlash penetration flashing
- RedGard waterproofing at showers
- Reduced water intrusion risk

INTERIOR FINISHES

- 12 mil laminate flooring
- 3 CM quartz countertops
- Reinforced cabinets in wet areas
- Improved durability and lifecycle value

SYSTEM PERFORMANCE

- High-SEER HVAC systems
- Energy-efficient plumbing fixtures
- Instant hot water systems
- NFPA-compliant sprinkler system

RESIDENT EXPERIENCE

- Open floor plans with work niche
- Combo washer/dryer units
- USB combination receptacles
- Modern livability enhancements

INTERIOR STRUCTURAL SYSTEMS

- Interior metal stud framing
- Noncombustible construction approach
- Improved dimensional stability
- Enhanced fire performance

BEFORE IMPLEMENTATION:

- ✓ Coordinate with design team
- ✓ Confirm engineered system ratings
- ✓ Integrate into final construction documents

• No spec provided for Bus Shelter. Allowance of $20,000 included in estimate.

DIVISION 21 — FIRE SUPPRESSION
• Includes NFPA 13D compliant residential fire sprinkler systems for all dwelling units.
• Systems assume connection in accordance with approved design and applicable codes.
• Installation assumes timely permitting, inspection scheduling, and approval coordination.
• Per post bid meeting Fire Protection to be removed from project scope at a credit of $94,800.

DIVISION 22 — PLUMBING
• Includes domestic water, sanitary sewer, fixtures, and systems per Contract Documents.
• Includes energy-efficient fixtures and tankless water heaters.
• Includes laundry box assemblies and full fixture installation.
• Utility connection fees excluded.

DIVISION 23 — HVAC
• Includes central HVAC systems and controls per Contract Documents.
• Includes exhaust ventilation systems.
• Commissioning assumes timely inspections and agency approvals.
• Split system to consist of AHU and Compressor with ductwork, thermostat, and air distribution devices.
Pricing includes kitchen hood vent.

DIVISION 26 — ELECTRICAL
• Includes power distribution, lighting, site lighting, smoke detectors, carbon monoxide detectors, and related systems per Contract Documents.
• Includes Ceiling Fans in living areas and bedrooms.
• Utility connection fees excluded.
• Assumed secondary feeder to be no more than 15 ft in length from Transformer to Meter.
Utility Allowance
• Allowance of $85,000 included for underground telecom and power utilities.

• Includes conduit installation and transformer pads.
• Unused allowance returned via deductive change order.

DIVISION 31 / 32 / 33 — EXTERIOR IMPROVEMENTS & UTILITIES

• Includes storm drainage systems, sanitary systems, water distribution, paving, striping, landscaping, and restoration.
• Includes lift station, force main, directional boring under County Road 561, and full utility coordination.
• Landscaping assumes standard plant availability and seasonal installation durations.

•Pricing for onsite force main includes 2"plug valve to Lift Station.
•Offsite Force Main along CR561 (Approx 1945 LF) with 6" Tee / 6x2 Reducer / Flush Port to be included as an allowance of $168,884.
•Additionally, work associated with Offsite Force Main to include open cut driveways and new backflow preventer. Add $13,200
• Directional Drill for proposed Force Main under CR 561 to be 8" DR11 HDPE in lieu of 6" FM in 12" Casing. Credit $4,000

CLOSEOUT & PUNCHLIST

• Punchlist and closeout sequencing based on industry standards for multi-family production construction.
• Final acceptance assumes reasonable inspection durations and coordination with County staff.
• Final payment contingent upon Certificate of Occupancy/Completion.

PAPERWORK REDUCTION ACT NOTICE
The information collected will be used for the U.S. Government to process requests for support. The estimated burden associated with this collection of information is 15 minutes per response. Comments concerning the accuracy of this burden estimate and suggestions for reducing this burden should be directed to the Office of Privacy, Transparency and Records, Department of the Treasury, 1500 Pennsylvania Ave., N.W., Washington, D.C. 20220. DO NOT send the form to this address. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid control number assigned by OMB.

U.S. DEPARTMENT OF THE TREASURY
CORONAVIRUS STATE FISCAL RECOVERY FUND
AWARD TERMS AND CONDITIONS

1. Use of Funds.

a. Recipient understands and agrees that the funds disbursed under this award may only be used in compliance with sections 602(c) and 603(c) of the Social Security Act (the Act) and Treasury's regulations implementing that section and guidance.

b. Recipient will determine prior to engaging in any project using this assistance that it has the institutional, managerial, and financial capability to ensure proper planning, management, and completion of such project.

2. Period of Performance. The period of performance for this award begins on the date hereof and ends on December 31, 2026. As set forth in Treasury's implementing regulations, Recipient may use award funds to cover eligible costs incurred during the period that begins on March 3, 2021 and ends on December 31, 2024.

3. Reporting. Recipient agrees to comply with any reporting obligations established by Treasury, as it relates to this award.

4. Maintenance of and Access to Records

a. Recipient shall maintain records and financial documents sufficient to evidence compliance with sections 602(c) and 603(c), Treasury's regulations implementing those sections, and guidance regarding the eligible uses of funds.

b. The Treasury Office of Inspector General and the Government Accountability Office, or their authorized representatives, shall have the right of access to records (electronic and otherwise) of Recipient in order to conduct audits or other investigations.

c. Records shall be maintained by Recipient for a period of five (5) years after all funds have been expended or returned to Treasury, whichever is later.

5. Pre-award Costs. Pre-award costs, as defined in 2 C.F.R. § 200.458, may not be paid with funding from this award.

6. Administrative Costs. Recipient may use funds provided under this award to cover both direct and indirect costs.

7. Cost Sharing. Cost sharing or matching funds are not required to be provided by Recipient.

8. Conflicts of Interest. Recipient understands and agrees it must maintain a conflict of interest policy consistent with 2 C.F.R. § 200.318(c) and that such conflict of interest policy is applicable to each activity funded under this award. Recipient and subrecipients must disclose in writing to Treasury or the pass-through entity, as appropriate, any potential conflict of interest affecting the awarded funds in accordance with 2 C.F.R. § 200.112.

9. Compliance with Applicable Law and Regulations.

a. Recipient agrees to comply with the requirements of sections 602 and 603 of the Act, regulations adopted by Treasury pursuant to sections 602(f) and 603(f) of the Act, and guidance issued by Treasury regarding the foregoing. Recipient also agrees to comply with all other applicable federal statutes, regulations, and executive orders, and Recipient shall provide for such compliance by other parties in any agreements it enters into with other parties relating to this award.

b. Federal regulations applicable to this award include, without limitation, the following:

i. Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. Part 200, other than such provisions as Treasury may determine are inapplicable to this Award and subject to such exceptions as may be otherwise provided by Treasury. Subpart F – Audit Requirements of the Uniform Guidance, implementing the Single Audit Act, shall apply to this award.

ii. Universal Identifier and System for Award Management (SAM), 2 C.F.R. Part 25, pursuant to which the award term set forth in Appendix A to 2 C.F.R. Part 25 is hereby incorporated by reference.

iii. Reporting Subaward and Executive Compensation Information, 2 C.F.R. Part 170, pursuant to which the award term set forth in Appendix A to 2 C.F.R. Part 170 is hereby incorporated by reference.

iv. OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement), 2 C.F.R. Part 180, including the requirement to include a term or condition in all lower tier covered transactions (contracts and subcontracts described in 2 C.F.R. Part 180, subpart B) that the award is subject to 2 C.F.R. Part 180 and Treasury's implementing regulation at 31 C.F.R. Part 19.

v. Recipient Integrity and Performance Matters, pursuant to which the award term set forth in 2 C.F.R. Part 200, Appendix XII to Part 200 is hereby incorporated by reference.

vi. Governmentwide Requirements for Drug-Free Workplace, 31 C.F.R. Part 20.

vii. New Restrictions on Lobbying, 31 C.F.R. Part 21.

viii. Uniform Relocation Assistance and Real Property Acquisitions Act of 1970 (42 U.S.C. §§ 4601-4655) and implementing regulations.

ix. Generally applicable federal environmental laws and regulations.

c. Statutes and regulations prohibiting discrimination applicable to this award, include, without limitation, the following:

i. Title VI of the Civil Rights Act of 1964 (42 U.S.C. §§ 2000d et seq.) and Treasury's implementing regulations at 31 C.F.R. Part 22, which prohibit discrimination on the basis of race, color, or national origin under programs or activities receiving federal financial assistance;

ii. The Fair Housing Act, Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§ 3601 et seq.), which prohibits discrimination in housing on the basis of race, color, religion, national origin, sex, familial status, or disability;

iii. Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794), which prohibits discrimination on the basis of disability under any program or activity receiving federal financial assistance;

iv. The Age Discrimination Act of 1975, as amended (42 U.S.C. §§ 6101 et seq.), and Treasury's implementing regulations at 31 C.F.R. Part 23, which prohibit discrimination on the basis of age in programs or activities receiving federal financial assistance; and

v. Title II of the Americans with Disabilities Act of 1990, as amended (42 U.S.C. §§ 12101 et seq.), which prohibits discrimination on the basis of disability under programs, activities, and services provided or made available by state and local governments or instrumentalities or agencies thereto.

10. Remedial Actions. In the event of Recipient's noncompliance with sections 602 and 603 of the Act, other applicable laws, Treasury's implementing regulations, guidance, or any reporting or other program requirements, Treasury may impose additional conditions on the receipt of a subsequent tranche of future award funds, if any, or take other available remedies as set forth in 2 C.F.R. § 200.339. In the case of a violation of sections 602(c) or 603(c) of the Act regarding the use of funds, previous payments shall be subject to recoupment as provided in sections 602(e) and 603(e) of the Act.

11. Hatch Act. Recipient agrees to comply, as applicable, with requirements of the Hatch Act (5 U.S.C. §§ 1501-1508 and 7324-7328), which limit certain political activities of State or local government employees whose principal employment is in connection with an activity financed in whole or in part by this federal assistance.

12. False Statements. Recipient understands that making false statements or claims in connection with this award is a violation of federal law and may result in criminal, civil, or administrative sanctions, including fines, imprisonment, civil damages and penalties, debarment from participating in federal awards or contracts, and/or any other remedy available by law.

13. Publications. Any publications produced with funds from this award must display the following language: "This project [is being] [was] supported, in whole or in part, by federal award number [enter project FAIN] awarded to Lake County Board of County Commissioners by the U.S. Department of the Treasury."

14. Debts Owed the Federal Government.

a. Any funds paid to Recipient (1) in excess of the amount to which Recipient is finally determined to be authorized to retain under the terms of this award; (2) that are determined by the Treasury Office of Inspector General to have been misused; or (3) that are determined by Treasury to be subject to a repayment obligation pursuant to sections 602(e) and 603(e) of the Act and have not been repaid by Recipient shall constitute a debt to the federal government.

b. Any debts determined to be owed the federal government must be paid promptly by Recipient. A debt is delinquent if it has not been paid by the date specified in Treasury's initial written demand for payment, unless other satisfactory arrangements have been made or if the Recipient knowingly or improperly retains funds that are a debt as defined in paragraph 14(a). Treasury will take any actions available to it to collect such a debt.

15. Disclaimer.

a. The United States expressly disclaims any and all responsibility or liability to Recipient or third persons for the actions of Recipient or third persons resulting in death, bodily injury, property damages, or any other losses resulting in any way from the performance of this award or any other losses resulting in any way from the performance of this award or any contract, or subcontract under this award.

b. The acceptance of this award by Recipient does not in any way establish an agency relationship between the United States and Recipient.

16. Protections for Whistleblowers.

a. In accordance with 41 U.S.C. § 4712, Recipient may not discharge, demote, or otherwise discriminate against an employee in reprisal for disclosing to any of the list of persons or entities provided below, information that the employee reasonably believes is evidence of gross mismanagement of a federal contract or grant, a gross waste of federal funds, an abuse of authority relating to a federal contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal contract (including the competition for or negotiation of a contract) or grant.

b. The list of persons and entities referenced in the paragraph above includes the following:

   i. A member of Congress or a representative of a committee of Congress;

   ii. An Inspector General;

   iii. The Government Accountability Office;

   iv. A Treasury employee responsible for contract or grant oversight or management;

   v. An authorized official of the Department of Justice or other law enforcement agency;

   vi. A court or grand jury; or

   vii. A management official or other employee of Recipient, contractor, or subcontractor who has the responsibility to investigate, discover, or address misconduct.

c. Recipient shall inform its employees in writing of the rights and remedies provided under this section, in the predominant native language of the workforce.

17. Increasing Seat Belt Use in the United States. Pursuant to Executive Order 13043, 62 FR 19217 (Apr. 18, 1997), Recipient should encourage its contractors to adopt and enforce on-the-job seat belt policies and programs for their employees when operating company-owned, rented or personally owned vehicles.

18. Reducing Text Messaging While Driving. Pursuant to Executive Order 13513, 74 FR 51225 (Oct. 6, 2009), Recipient should encourage its employees, subrecipients, and contractors to adopt and enforce policies that ban text messaging while driving, and Recipient should establish workplace safety policies to decrease accidents caused by distracted drivers.

OMB Approved No. 1505-0271
Expiration Date: 11/30/2021

ASSURANCE OF COMPLIANCE WITH CIVIL RIGHTS REQUIREMENTS

ASSURANCE OF COMPLIANCE WITH TITLE VI OF THE
CIVIL RIGHTS ACT OF 1964

As a condition of receipt of federal financial assistance from the Department of the Treasury, the Lake County Board of County Commissioners (hereinafter referred to as "the Recipient") provides the assurances stated herein. The federal financial assistance may include federal grants, loans and contracts to provide assistance to the recipient's beneficiaries, the use or rent of Federal land or property at below market value, Federal training, a loan of Federal personnel, subsidies, and other arrangements with the intention of providing assistance. Federal financial assistance does not encompass contracts of guarantee or insurance, regulated programs, licenses, procurement contracts by the Federal government at market value, or programs that provide direct benefits. This assurance applies to all federal financial assistance from or funds made available through the Department of the Treasury, including any assistance that the Recipient may request in the future.

The Civil Rights Restoration Act of 1987 provides that the provisions of this assurance apply to all of the recipient's programs, services and activities, so long as any portion of the recipient's program(s) is federally assisted in the manner proscribed above.

1. Recipient ensures its current and future compliance with Title VI of the Civil Rights Act of 1964, as amended, which prohibits exclusion from participation, denial of the benefits of, or subjection to discrimination under programs and activities receiving federal funds, of any person in the United States on the ground of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury Title VI regulations at 31 CFR Part 22 and other pertinent executive orders such as Executive Order 13166; directives; circulars; policies; memoranda and/or guidance documents.

2. Recipient acknowledges that Executive Order 13166, "Improving Access to Services for Persons with Limited English Proficiency," seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have Limited English proficiency (LEP). Recipient understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Department of the Treasury's implementing regulations. Accordingly, Recipient shall initiate reasonable steps, or comply with the Department of the Treasury's directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. Recipient understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in the Recipient's programs, services, and activities.

3. Recipient agrees to consider the need for language services for LEP persons during development of applicable budgets and when conducting programs, services and activities. As a resource, the Department of the Treasury has published its LEP guidance at 70 FR 6067. For more information on LEP, please visit http://www.lep.gov.

4. Recipient acknowledges and agrees that compliance with this assurance constitutes a condition of continued receipt of federal financial assistance and is binding upon Recipient and Recipient's successors, transferees and assignees for the period in which such assistance is provided.

5. Recipient acknowledges and agrees that it must require any sub-grantees, contractors, subcontractors, successors, transferees, and assignees to comply with assurances 1-4 above, and agrees to incorporate the following language in every contract or agreement subject to Title VI and its regulations between the Recipient and the Recipient's sub-grantees, contractors, subcontractors, successors, transferees, and assignees:

   The sub-grantee, contractor, subcontractor, successor, transferee, and assignee shall comply with Title VI of the Civil Rights Act of 1964, which prohibits recipients of federal financial assistance from excluding from a program or activity, denying benefits of, or otherwise discriminating against a person on the basis of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, which are herein incorporated by reference and made a part of this contract (or agreement). Title VI also includes protection to persons with "Limited English Proficiency" in any program or activity receiving federal financial assistance, 42 U.S.C. § 2000d et seq., as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, and herein incorporated by reference and made a part of this contract or agreement.

6. Recipient understands and agrees that if any real property or structure is provided or improved with the aid of federal financial assistance by the Department of the Treasury, this assurance obligates the Recipient, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structure is used for a purpose for which the federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any

personal property is provided, this assurance obligates the Recipient for the period during which it retains ownership or possession of the property;

7. Recipient shall cooperate in any enforcement or compliance review activities by the Department of the Treasury of the aforementioned obligations. Enforcement may include investigation, arbitration, mediation, litigation, and monitoring of any settlement agreements that may result from these actions. That is, the Recipient shall comply with information requests, on-site compliance reviews, and reporting requirements.
8. Recipient shall maintain a complaint log and inform the Department of the Treasury of any complaints of discrimination on the grounds of race, color, or national origin, and limited English proficiency covered by Title VI of the Civil Rights Act of 1964 and implementing regulations and provide, upon request, a list of all such reviews or proceedings based on the complaint, pending or completed, including outcome. Recipient also must inform the Department of the Treasury if Recipient has received no complaints under Title VI..
9. Recipient must provide documentation of an administrative agency's or court's findings of non-compliance of Title VI and efforts to address the non-compliance, including any voluntary compliance or other agreements between the Recipient and the administrative agency that made the finding. If the Recipient settles a case or matter alleging such discrimination, the Recipient must provide documentation of the settlement. If Recipient has not been the subject of any court or administrative agency finding of discrimination, please so state.
10. If the Recipient makes sub-awards to other agencies or other entities, the Recipient is responsible for ensuring that sub-recipients also comply with Title VI and other applicable authorities covered in this document State agencies that make sub-awards must have in place standard grant assurances and review procedures to demonstrate that that they are effectively monitoring the civil rights compliance of sub-recipients.

The United States of America has the right to seek judicial enforcement of the terms of this assurances document and nothing in this document alters or limits the federal enforcement measures that the United States may take in order to address violations of this document or applicable federal law.

Under penalty of perjury, the undersigned official(s) certifies that he/she has read and understood its obligations as herein described, that any information submitted in conjunction with this assurance document is accurate and complete, and that the Recipient is in compliance with the aforementioned nondiscrimination requirements.

PERFORMANCE/PAYMENT BOND

Award Recommended Vendor (ARV) shall execute and deliver to County a Performance and Payment Bond in an amount representing 100% of Contract price. The County's Performance and Payment Bond Form shall be the only acceptable form. Completed form must be delivered to County within fifteen (15) calendar days after formal notice of award. Failure to deliver the Performance and Payment Bond as directed will result in ARV being declared in default of contractual terms and conditions. ARV shall surrender the associated proposal bond (if any). No bid submissions will be accepted from ARV for the following twelve (12) month period.

A. Bonds shall be written through Surety Insurers (Surety) listed on Sunbiz.org as surety, with the management and financial strength qualifications according to the latest edition of Best's Insurance Guide, published by A.M. Best Company, Oldwick, New Jersey:

Bond Amount	Best Rating
500,001 to 1,500,000	B V
1,500,001 to 2,500,000	A VI
2,500,001 to 5,000,000	A VII
5,000,001 to 10,000,000	A VIII
Over 10,000,000	A IX

B. Contracts under $500,000, bond provisions of Section 287.0935, Florida Statutes apply.

C. Contracts over $500,000, provisions of Section B apply plus Surety must be on the Treasury List for the last three consecutive years or hold a valid Certificate of Authority of at least 1.5 million dollars and be on the current Treasury List. Surety must be in the current Surety Bonds - List of Certified Companies (treasury.gov) published by US Department of the Treasury. Bond amount must not exceed underwriting limitations shown in the List.

D. Surety Bonds guaranteed through U.S. Government Small Business Administration or Contractors Training and Development Inc. will be acceptable.

E. An irrevocable letter of credit or a cash bond in the form of a certified cashier's check written to the Board of County Commissioners will be acceptable. Interest will accrue to County if funds are held by County.

F. The attorney-in-fact or other officer signing a contract bond for a Surety must include a certified copy of power of attorney authorizing the officer to do so. Contract bond must be counter signed by Surety's resident Florida agent.

AWARD RECOMMENDED VENDOR INSTRUCTIONS

Upon award, completed original County approved Performance/Payment bond forms shall be submitted to Lake County Procurement Services for bond recording. Bond(s) will be acceptable to County if the following exists:

A. Surety is licensed to do business in the State of Florida;

B. Surety holds a Certificate of Authority authorizing it to write surety bonds in this State;

C. Surety has twice the minimum surplus and capital requirements required by the Florida Insurance Code at the time the invitation to bid is issued;

D. Surety is otherwise in compliance with the Florida Insurance Code;

E. Surety has a current rating of A or A- as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc., if the bid exceeds $500,000.; and

F. Surety holds a currently valid Certificate of Authority issued by the United States Department of Treasury under 31 U.S.C. Section 9304.

Performance/Payment Bond recording fee is ten dollars ($10.00) for first page and eight dollars and fifty cents ($8.50) for each additional page. Submit a check made payable to Gary J. Cooney, Clerk of the Court.

Surety Address 2 _____
Surety Phone _____

(hereinafter called the "Surety"), whose principal address and telephone number is as stated above, a surety insurer chartered and existing under the laws of the State of _____and authorized to do business in the State of Florida; are held and firmly bound unto Lake County Board of County Commissioners, Lake County, Florida (hereinafter called the "Obligee"), whose principal address is P.O. Box 7800, Tavares, Florida 32778, and whose principal telephone number is (352) 343-9800, in the sum of

_____
_____ ($_____) for payment of which we bind ourselves, our heirs, our legal representatives, our successors and our assignees, jointly and severally.

WHEREAS, Principal has entered into a contract with Obligee for _____ Contract No. _____ in accordance with drawings and specifications, which contract is incorporated herein by reference and made a part hereof, and is referred to as the Contract.

NOW THEREFORE, THE CONDITION OF THIS BOND are such that if Principal:

1. Fully, promptly, and faithfully performs the Contract at the times and in the manner prescribed in the Contract, including all obligations imposed by the Contract documents, specifications, and changes orders;

2. Pays Obligee any and all losses, damages, costs and attorneys' fees, including appellate proceedings, that Obligee sustains because of any default by Principal under the Contract, including, but not limited to, all delay damages, whether liquidated or actual, incurred by Obligee;

3. Performs the guarantee of all work and materials furnished under the Contract for the time specified in the Contract; and

4. Promptly make all payments to all persons defined in Section 713.01, Florida Statutes, as amended, whose claims derive directly or indirectly from the prosecution of the work provided for in the Contract;

then this bond shall be void; otherwise it remains in full force and effect.

BOND NO. _____

The Surety, for value received, hereby stipulates and agrees that no changes, extensions of time, alterations or additions to the terms of the Contract or other work to be performed hereunder, or the specifications referred to therein shall in any way affect Surety's obligation under this bond, and it does hereby waive notice of any such changes, extensions of time, alterations or additions to the terms of the Contract or to work or to the specifications.

This instrument shall be construed in all respects as a statutory bond. It is expressly understood the time provisions and statute of limitations under Section 255.05, Florida Statutes, as amended, shall apply to this bond.

By execution of this bond, the Surety acknowledges that it has read the Surety qualifications and obligations imposed by the Contract and hereby satisfies those conditions.

The parties agree that this public performance bond and any claims instituted under this bond shall be governed by the laws, rules and regulations of the State of Florida and venue shall be in a court of competent jurisdiction in and for Lake County, Florida.

IN WITNESS WHEREOF, the above bounded parties have executed this instrument on the day and year below mentioned, the name of each party being affixed and these presents duly signed by its/their undersigned representative(s), pursuant to authority of its governing body.

for payment of which we bind ourselves, our heirs, our legal representatives, our successors and our assignees, jointly and severally.

WHEREAS, Principal and Obligee as Owner have reached a mutual agreement for _____ (hereinafter referred to as the "Contract") which conditions and provisions as are further described in the aforementioned Contract, which said Contract being made a part of this Bond by this reference for the purpose of perfecting this Bond.

NOW THEREFORE, THE CONDITIONS OF THIS BOND are such that if Principal:

1. Shall promptly make payments to all claimants as defined in Section 255.05(1), Florida Statutes, as amended, supplying the Principal with labor, materials or supplies, as used directly or indirectly by the Principal in the prosecution of the work provided for in the Contract; and

2. Shall pay the Obligee for all losses, damages, expenses, costs and attorneys' fees, including those resulting from appellate proceedings, that the Obligee sustains because of a default by the Principal in contravention to the Contract in regard to payment for such labor, materials, or supplies furnished to the Principal;

then this bond shall be void; otherwise this Bond remains in full force and effect.

BOND NO. _____

BE IT FURTHER KNOWN AND AGREED TO BY THE PARTIES THAT:

1. Any changes in or under the Contract and compliance or noncompliance with any formalities connected with the said Contract or alterations which may be made in the terms of the said Contract, or in the work to be done under it, or the giving by the Obligee of any extension of time for the performance of the said Contract, or any other forbearance on the part of the Obligee or Principal to the other, shall not in any way release the Principal and the Surety, or either of them, their heirs, personal representatives, successors or assigns from liability hereunder, notice to the Surety of any such changes, alterations, extensions or forbearance being hereby waived.

2. Certain claimants seeking the protection of this Bond must timely comply with the strict requirements set forth in Section 255.05, Florida Statutes, as amended, and as otherwise provided by law.

3. The Provisions of this bond are subject to the limitations of Section 255.05(2), Florida Statutes, as amended.

By execution of this bond, the Surety acknowledges that it has read the Surety qualifications and obligations imposed by the Contract and hereby satisfies those conditions.

The parties agree that this public bond and any claims instituted under this bond shall be governed by the laws, rules and regulations of the State of Florida and venue shall be in a court of competent jurisdiction in and for Lake County, Florida.

IN WITNESS WHEREOF, the above bounded parties have executed this instrument on the day and year below mentioned, the name of each party being affixed and these presents duly signed by its/their undersigned representative(s), pursuant to authority of its governing body.

1. INSURANCE COVERAGE

1.1. CONTRACTOR will purchase and maintain at all times during the term of this Contract, without cost or expense to the COUNTY, policies of insurance as indicated below, with a company or companies authorized to do business in the State of Florida, and which are acceptable to the COUNTY, insuring the CONTRACTOR against any and all claims, demands, or causes of action, for injuries received or damage to property relating to the performance of duties, services, or obligations of the CONTRACTOR under the terms and provisions of the Contract.

1.2. An original certificate of insurance, indicating that CONTRACTOR has coverage in accordance with the requirements of this section must be received and accepted by the COUNTY prior to contract execution or before any work begins. It will be furnished by CONTRACTOR to the COUNTY'S Project Manager and Procurement Services Director within five (5) working days of such request.

1.3. The parties agree that the policies of insurance and confirming certificates of insurance will insure the CONTRACTOR in accordance with the following minimum limits:

1.3.1. Commercial General Liability Insurance on forms no more restrictive than the latest edition of the Occurrence Form Commercial General Liability policy (CG 00 01) of the Insurance Services Office or equivalent without restrictive endorsements, with the following minimum limits and coverage:

Each Occurrence/General Aggregate	$1,000,000/2,000,000
Products-Completed Operations	$2,000,000
Personal & Adv. Injury	$1,000,000
Fire Damage	$50,000
Medical Expense	$5,000
Contractual Liability	Included

1.3.2. Automobile Liability Insurance, including owned, non-owned, and hired autos with the minimum Combined Single Limit of $1,000,000

1.3.3. Workers' Compensation Insurance based on proper reporting of classification codes and payroll amounts in accordance with Chapter 440, Florida Statutes, and any other applicable law requiring workers' compensation (Federal, maritime, etc.). Employers Liability with the following minimum limits and coverage:

Each Accident	$1,000,000
Disease-Each Employer	$1,000,000
Disease-Policy Limit	$1,000,000

1.3.4. A separate Builders Risk policy for this project for the full budgeted amount will be required.

1.3.5. Professional Liability and Specialty Insurance (medical malpractice, engineers, architect, consultant, environmental, pollution, errors and omissions, etc.) as applicable, with minimum limits of $1,000,000 and annual aggregate of $2,000,000.

2. ADDITIONAL INSURED / CERTIFICATE REQUIREMENTS

2.1. Lake County, a Political Subdivision of the State of Florida, and the Board of County Commissioners, will be named as additional insured as their interest may appear on all applicable policies. Certificates of insurance must identify the solicitation number in the Description of Operations section on the Certificate.

2.2. Certificate holder must be:
LAKE COUNTY, A POLITICAL SUBDIVISION OF THE STATE OF FLORIDA, AND THE BOARD OF COUNTY COMMISSIONERS.

P.O. BOX 7800
TAVARES, FL 32778-7800

3. POLICY PROVISIONS

Certificates of Insurance must evidence the following:

3.1. A waiver of subrogation in favor of the COUNTY.

3.2. Coverage that is primary and noncontributory to any insurance or self-insurance maintained by the COUNTY.

3.3. Inclusion of a Cross Liability or Severability of Interests provision.

3.4. No requirement for the COUNTY to pay any premiums or assessments.

4. **POLICY ENDORSEMENTS**

4.1. CONTRACTOR must provide copies of all policy endorsements reflecting the required coverage, including documentation that lists Lake County as an additional insured and incorporates all required provisions including Waiver of Subrogation.

4.2. Contracts cannot be completed without this required insurance documentation. A Certificate of Insurance (COI) alone will not be accepted in lieu of the policy endorsements.

5. RENEWAL AND CONTINUOUS COVERAGE

5.1. CONTRACTOR shall maintain all required insurance coverage continuously throughout the term of the Contract, including any extensions or renewals.

5.2. Updated Certificates of Insurance, along with all relevant policy endorsements, must be submitted to the COUNTY no later than ten (10) calendar days before the expiration of any current insurance policy.

5.3. Failure to maintain continuous coverage may be considered a material breach of this Contract and grounds for immediate suspension or termination.

6. NOTICE OF CANCELLATION, NON-RENEWAL, OR MATERIAL CHANGE

6.1. CONTRACTOR or its insurer shall provide written notice to the COUNTY of cancellation, non-renewal, material restriction, or material change to any required insurance policy at least thirty (30) calendar days prior to the effective date of such action.

6.2. Notices shall be sent to the COUNTY's Project Manager and Procurement Services Director.

6.3. In the event of cancellation or non-renewal, CONTRACTOR shall immediately procure replacement coverage meeting or exceeding all required limits and conditions.

7. ADDITIONAL DOCUMENTATION REQUIREMENTS

7.1. Upon request by the COUNTY, CONTRACTOR shall provide complete copies of any insurance policies, endorsements, or other documentation necessary to verify compliance with the insurance requirements of this Contract.

7.2. CONTRACTOR shall fully cooperate with the COUNTY by providing prompt and comprehensive responses to all documentation requests.

7.3. Failure to provide the requested documentation may be considered as a material breach of the Contract.

7.4. CONTRACTOR shall be responsible for the actions and insurance coverage of all subcontractors. Each subcontractor shall provide the COUNTY with Certificates of Insurance demonstrating coverage and terms that meet the requirements established by the CONTRACTOR.

[End of Exhibit B.]

EXHIBIT H

ARPA Federal Funding Provisions.

The Service under this Agreement is funded by American Rescue Plan Act (ARPA) Coronavirus State and Local Fiscal Recovery Funds (SLFRF) from the U.S. Department of the Treasury (Treasury). CONTRACTOR agrees to comply with any additional specific requirements of a Federal Awarding Agency, at the time a federal funding source is identified. The following contract provisions are required by Appendix II to 2 C.F.R, Part 200 ("Uniform Guidance"). During the performance of this Agreement, the CONTRACTOR agrees as follows:

8.1 Compliance with the Contract Work Hours and Safety Standards Act.

1. Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

2. Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section the CONTRACTOR and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of $10.00 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (l) of this section.

3. Withholding for unpaid wages and liquidated damages. The COUNTY shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the CONTRACTOR or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.

4. Subcontracts. The CONTRACTOR or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor

shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section.

8.2 Clean Air Act.

1. The CONTRACTOR agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.

2. The CONTRACTOR agrees to report each violation to the COUNTY and understands and agrees that the COUNTY will, in turn, report each violation as required to assure notification to the State of Florida, Federal Awarding Agency, and the appropriate Environmental Protection Agency Regional Office.

3. The CONTRACTOR agrees to include these requirements in each subcontract exceeding $100,000 financed in whole or in part with Federal assistance.

8.3 Federal Water Pollution Control Act.

1. The CONTRACTOR agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.

2. The CONTRACTOR agrees to report each violation to the COUNTY and understands and agrees that the COUNTY will, in turn, report each violation as required to assure notification to the State of Florida, Federal Awarding Agency, and the appropriate Environmental Protection Agency Regional Office.

3. The CONTRACTOR agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by the Treasury.

8.4 Suspension and Debarment.

1. This Agreement is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the CONTRACTOR is required to verify that none of the CONTRACTOR, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

2. The CONTRACTOR must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

3. This certification is a material representation of fact relied upon by the COUNTY. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the State of Florida and, the Federal

Government may pursue available remedies, including but not limited to suspension and/or debarment.

4. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. I80, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

8.5 Byrd Anti-Lobbying Amendment. Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient. CONTRACTOR's certification has been made part of this agreement.

8.6 Procurement of Recovered Materials.

1. In the performance of this Agreement, the CONTRACTOR shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired-

i. Competitively within a timeframe providing for compliance with the contract performance schedule;

ii. Meeting contract performance requirements; or

iii. At a reasonable price.

2. Information about this requirement, along with the list of EPA-designate items, is available at EPA's Comprehensive Procurement Guidelines web site, Comprehensive Procurement Guideline (CPG) Program | US EPA

8.7 Access to Records.

The following access to records requirements apply to this Agreement:

1. The CONTRACTOR agrees to provide the COUNTY, the State of Florida, the Federal Awarding Agency Administrator, the Comptroller General of the United States, or any of their authorized representatives' access to any books, documents, papers, and records of the CONTRACTOR which are directly pertinent to this Agreement for the purposes of making audits, examinations, excerpts, and transcriptions.

2. The CONTRACTOR agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

3. The CONTRACTOR agrees to provide the Federal Awarding Agency Administrator or his authorized representatives' access to construction or other work sites pertaining to the work being completed under the agreement.

8.8 Federal Awarding Agency Seal, Logo, and Flags. The CONTRACTOR shall not use the Federal Awarding Agency's seal(s), logos, crests, or reproductions of flags or likenesses of agency officials without specific Federal Awarding Agency preapproval.

8.9 Compliance with Federal Law, Regulations, and Executive Orders. This is an acknowledgement that Federal financial assistance will be used to fund the contract. The CONTRACTOR will comply will all applicable federal law, regulations, executive orders, Federal Awarding Agency policies, procedures, and directives.

8.10 No Obligation by Federal Government. The Federal Government is not a party to this Agreement and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the agreement.

8.11 Program Fraud and False or Fraudulent Statements or Related Acts. The CONTRACTOR acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the CONTRACTOR's actions pertaining to this Agreement.

8.12 Prohibition on Contracting for Covered Telecommunications Equipment or Services.

1. Definitions. As used in this clause, the terms backhaul; covered foreign country; covered telecommunications equipment or services; interconnection arrangements; roaming; substantial or essential component; and telecommunications equipment or services have the meaning as defined in FEMA Policy 405-143-1, Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services (Interim), as used in this clause.

2. Prohibitions.

A. Section 889(b) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019, Pub. L. No. 115-232, and 2 C.F.R. § 200.216 prohibit the head of an executive agency on or after August13, 2020, from obligating or expending grant, cooperative agreement, loan, or loan guarantee funds on certain telecommunications products or from certain entities for national security reasons.

B. Unless an exception in paragraph 3 of this clause applies, the CONTRACTOR and its subcontractors may not use grant, cooperative agreement, loan, or loan guarantee funds from the Federal Emergency Management Agency to:

i. Procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;

ii. Enter into, extend, or renew a contract to procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;

iii. Enter into, extend, or renew contracts with entities that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system; or

iv. Provide, as part of its performance of this Agreement, subcontract, or other contractual instrument, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

3. Exceptions.

A. This clause does not prohibit contractors from providing:

i. A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

ii. Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles.

B. By necessary implication and regulation, the prohibitions also do not apply to:

i. Covered telecommunications equipment or services that:

1. Are not used as a substantial or essential component of any system; and

2. Are not used as critical technology of any system.

ii. Other telecommunications equipment or services that are not considered covered telecommunications equipment or services.

4. Reporting requirement.

A. In the event the contractor identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during contract performance, or the CONTRACTOR is notified of such by a subcontractor at any tier or by any other source, the contractor shall report the information in paragraph 4.b of this clause to the recipient or subrecipient, unless elsewhere in this contract are established procedures for reporting the information.

B. The CONTRACTOR shall report the following information pursuant to paragraph 4.a of this clause:

i. Within one business day from the date of such identification or notification: The contract number; the order number(s), if applicable; supplier name; supplier unique entity identifier (if known); supplier Commercial and Government Entity (CAGE) code (if known); brand; model number (original equipment manufacturer number, manufacturer part number, or wholesaler number); item description; and any readily available information about mitigation actions undertaken or recommended.

ii. Within ten (10) business days of submitting the information in paragraph 4.b.i of this clause: Any further available information about mitigation actions undertaken or recommended. In addition, the contractor shall describe the efforts it undertook to prevent use or submission of covered telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services.

5. Subcontracts. The CONTRACTOR shall insert the substance of this clause, including this paragraph 5, in all subcontracts and other contractual instruments.

8.13 Davis Bacon Act and Copeland Anti-Kickback Act Compliance. If required by a Federal Awarding Agency, Contractor agrees to comply with the requirements of 40 U.S.C. 3141–3144, and 3146–3148, as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). If applicable, contractors are required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. A copy of the current prevailing wage determination issued by the Department of Labor will be provided for in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

If required by a Federal Awarding Agency, CONTRACTOR agrees to comply with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole

or in Part by Loans or Grants from the United States"). CONTRACTOR is prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The CONTRACTOR and the COUNTY must report all suspected or reported violations to the Federal awarding agency.

8.14 Domestic Preferences for Procurement.

A. As appropriate and to the extent consistent with law, the CONTRACTOR should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products).

B. For the purposes of this section: "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

8.15 Statutes and regulations prohibiting discrimination applicable to this award, include, without limitation, the following.

A. Title VI of the Civil Rights Act of 1964 (42 U.S.C. §§ 2000d et seq.) and Treasury's implementing regulations at 31 C.F.R. Part 22, which prohibit discrimination on the basis of race, color, or national origin under programs or activities receiving federal financial assistance;

B. The Fair Housing Act, Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§ 3601 et seq.), which prohibits discrimination in housing on the basis of race, color, religion, national origin, sex, familial status, or disability;

C. Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794), which prohibits discrimination on the basis of disability under any program or activity receiving federal financial assistance;

D. The Age Discrimination Act of 1975, as amended (42 U.S.C. §§ 6101 et seq.), and Treasury's implementing regulations at 31 C.F.R. Part 23, which prohibit discrimination on the basis of age in programs or activities receiving federal financial assistance; and

E. Title II of the Americans with Disabilities Act of 1990, as amended (42 U.S.C. §§ 12101 et seq.), which prohibits discrimination on the basis of disability under programs, activities, and services provided or made available by state and local governments or instrumentalities or agencies thereto.

8.16 Hatch Act. CONTRACTOR agrees to comply, as applicable, with requirements of the Hatch Act (5 U.S.C. §§ 1501-1508 and 7324-7328), which limit certain political activities of State or local

government employees whose principal employment is in connection with an activity financed in whole or in part by this federal assistance.

8.17 Publications. Any publications produced with funds from this award must display the following language: "This project [is being] [was] supported, in whole or in part, by federal award number [enter project FAIN] awarded to Lake County Board of County Commissioners by the U.S. Department of the Treasury."

8.18 Protections for Whistleblowers.

A. In accordance with 41 U.S.C. § 4712, CONTRACTOR may not discharge, demote, or otherwise discriminate against an employee in reprisal for disclosing to any of the list of persons or entities provided below, information that the employee reasonably believes is evidence of gross mismanagement of a federal contract or grant, a gross waste of federal funds, an abuse of authority relating to a federal contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal contract (including the competition for or negotiation of a contract) or grant.

B. The list of persons and entities referenced in the paragraph above includes the following:

i. A member of Congress or a representative of a committee of Congress;

ii. An Inspector General;

iii. The Government Accountability Office;

iv. A Treasury employee responsible for contract or grant oversight or management;

v. An authorized official of the Department of Justice or other law enforcement agency;

vi. A court or grand jury; or

vii. A management official or other employee of Recipient, contractor, or subcontractor who has the responsibility to investigate, discover, or address misconduct.

C. CONTRACTOR shall inform its employees in writing of the rights and remedies provided under this section, in the predominant native language of the workforce.

8.19 Increasing Seat Belt Use in the United States. Pursuant to Executive Order 13043, 62 FR 19217 (Apr. 18, 1997), Recipient should encourage its contractors to adopt and enforce on-the-job seat belt policies and programs for their employees when operating company-owned, rented or personally owned vehicles.

8.20 Reducing Text Messaging While Driving. Pursuant to Executive Order 13513, 74 FR 51225 (Oct. 6, 2009), Recipient should encourage its employees, subrecipients, and contractors to adopt and enforce policies that ban text messaging while driving, and Recipient should establish workplace safety policies to decrease accidents caused by distracted drivers.

EXHIBIT I

FEDERAL FUNDING PROVISIONS (HUD) 26-902

The U.S. Department of Housing and Urban Development (HUD) requires that the following terms and conditions be incorporated in this solicitation and subsequent contract. By submitting a Proposal in response to this solicitation, the Contractor acknowledges and agrees to adhere to the specific requirements of these clauses.

1.1 Access to Records. The following access to records requirements apply to this Agreement:

A. Contractor agrees to provide Lake County BCC, the HUD Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of Contractor which are directly pertinent to this Agreement for the purposes of making audits, examinations, excerpts, and transcriptions.

B. Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

C. Contractor agrees to provide the HUD Administrator or his authorized representatives' access to construction or other work sites pertaining to the work being completed under the Agreement.

D. Contractor agrees to retain records for the longer of the time required by HUD or by the State of Florida, as set forth in the Florida Department of State, Division of Library and Information Services, General Records Schedule GS1-SL, a copy of which can be found at this link: https://dos.fl.gov/library-archives/records-management/general-records-schedules/.

1.2 Additional Services. The County shall perform a cost or price analysis as required by 2 C.F.R. 200.324, prior to the issuance of a contract modification/amendment for Additional Services. Such Additional Services shall be within the general scope of services covered by this Agreement.

1.3 Contract Adjustment. Notwithstanding any other term or condition of this Agreement, any settlement or equitable adjustment due to termination, suspension or delays by the Owner shall be negotiated based on the cost principles stated at 48 C.F.R. Subpart 31.2, and conform to the Agreement pricing provisions of 2 C.F.R. 200.324.

1.4 Federal Labor Standards Provisions. (Davis-Bacon Act, Copeland Act, and Contract Work Hours & Safety Standards Act). The Project to which the construction work covered by this Agreement pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

1.5 Copeland Anti-Kickback Act and Davis Bacon Act.

A. All transactions regarding this Agreement shall be done in compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) and the requirements of 29 C.F.R. Part 5, as may be applicable. The Contractor shall comply with 40 U.S.C. 3141-3144 and 3146-3148 and the requirements of 29 C.F.R. Part 5, as applicable. Contractor shall pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. Additionally, Contractors are required to pay wages not less than once a week. The Contractor must include the provisions of 29 C.F.R. Part 5.5(a)(1)-(10) in full in any subcontracts entered into for the completion of this agreement.

B. The Contractor shall comply with 18 U.S.C. 874, 40 U.S.C. 3145, and the requirements of 29 C.F.R. Part 3 as may be applicable, which are incorporated by reference into this Agreement. The Contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the Federal awarding agency may, by appropriate instruction require, and also a clause requiring subcontractors to include these clauses in any lower tier subcontracts. The prime Contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with all of these contract clauses. A breach of

contract clauses above may be grounds for termination of the Agreement, and for debarment as a Contractor and subcontractor as provided in 29 C.F.R. 5.12.

1.6 Davis Bacon and Related Acts Provisions, 29 CFR § 5.5.

A. The Project or Program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

B. A copy of the most current Federal Regulations is attached hereto and incorporated herein as Exhibit J.

C. The wage determination (including any additional classifications and wage rates conformed under paragraph (a)(1)(iii) of this section) and **the Davis-Bacon poster (WH–1321) shall be posted at all times by the CONTRACTOR and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.** A copy of the Davis-Bacon Poster and Davis-Bacon Wage determination are included as **Exhibits K and L.**

D. Payrolls and basic records.

1. Payrolls and basic records relating thereto shall be maintained by the CONTRACTOR during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work (or under the United States Housing Act of 1937, or under the Housing Act of 1949, in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the CONTRACTOR shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. CONTRACTORS employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

2. The CONTRACTOR shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the COUNTY for submittal to DOE. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead, the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH–347 is available for this purpose from the Wage and Hour Division

Web site at https://www.dol.gov/agencies/whd/forms/wh347 or its successor site. A copy of the required payroll form has been included as **Exhibit M**. The prime CONTRACTOR is responsible for the submission of copies of payrolls by all subcontractors. CONTRACTORS and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to DOE, or its designee, if the agency is a party to the contract, but if the agency is not such a party, the CONTRACTOR will submit them to the applicant, sponsor, or owner, as the case may be, for transmission to the DOE, or its designee, the CONTRACTOR, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a prime CONTRACTOR to require a subcontractor to provide addresses and social security numbers to the prime CONTRACTOR for its own records, without weekly submission to DOE, or its designee.

3. Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the CONTRACTOR or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and **shall certify the following**:

i. That the payroll for the payroll period contains the information required to be provided under § 5.5 (a)(3)(ii) of Regulations, 29 CFR part 5, the appropriate information is being maintained under § 5.5 (a)(3)(i) of Regulations, 29 CFR part 5, and that such information is correct and complete;

ii. That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;

iii. That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

4. The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH–347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(B) of this section. (See **Exhibit M**.)

5. The falsification of any of the above certifications may subject the CONTRACTOR or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

E. 6. The CONTRACTOR or subcontractor shall make the records required under paragraph (a)(3)(i) of this section available for inspection, copying, or transcription by authorized representatives DOE, or its designee, or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the CONTRACTOR or subcontractor fails to submit the required records or to make them available, DOE, or its designee, may, after written notice to the CONTRACTOR, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the

required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

1.7 Contract Work Hours and Safety Standards Act (CWHSSA) Provisions, 29 C.FR § 5.5(b). (contracts in excess of $100,000). A copy of the most current Federal Regulations is attached hereto and incorporated herein as **Exhibit G.**

1.8 Health and Safety. The provisions of this section are applicable where the amount of the prime contract exceeds $100,000.

A. No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

B. The Contractor shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, (Public Law 91- 54, 83 Stat 96). 40 U.S.C. 3701 et seq.

C. The Contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. The Contractor shall take such action with respect to any subcontractor as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.

1.9 Contract Work Hours and Safety Standards Act (40 U.S.C. 327 et. seq.). The Contractor, if the Agreement is in excess of $2,000, and any its subcontractors, shall comply with Section 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor Regulations contained in 29 C.F.R. Part 5.

Under Section 103 of the Act, the Contractor and any of their subcontractors, shall be required to compute the wages of every mechanic and laborer on the basis of a standard work week of forty (40) hours. Work in excess of the standard work week is permissible, provided the worker is compensated at a rate not less than one and one-half (1 ½) times the basic rate of pay for all hours worked in excess of forty (40) hours in any week. Section 5 of the Federal Labor Standards Provisions, as shown in below sets forth in detail the Section 103 requirements.

Section 107 of the Act provides that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous to his health and safety, as determined under construction, safety and health standards promulgated by the Secretary of Labor.

These requirements do not apply to the purchase of supplies or materials or articles ordinarily available on the open market.

1.10 Clean Air and Clean Water Acts.

A. Clean Air Act. This Agreement is subject to the requirements of the Clean Air Act, as amended, 42 U.S.C. 1857 et. seq., and the regulations of the Environmental Protection Agency with respect thereto, at 40 C.F.R. Part 15, as amended from time to time.

The Contractor and any of its subcontractors for work funded under the Agreement which is in excess of one-hundred thousand ($100,000) dollars agree to the following requirements:

1. A stipulation by the Contractor or subcontractors that any facility to be utilized in the performance of any nonexempt contract or subcontract is not listed on the List of Violating Facilities issued by the Environmental Protection Agency (EPA) pursuant to 40 C.F.R. Part 15.20.

2. Agreement by the Contractor to comply with all the requirements of Section 114 of the Clean Air Act, as amended (42 U.S.C. 1857c-8) and (33 U.S.C. 1318) relating to the inspection, monitoring, entry reports and information as well as all other requirements specified in said Section 114 and Section 308, and all regulations, and guidelines issued thereunder.

3. A stipulation that as a condition for the award of the contract prompt notice will be given of any notification received from the Director, Office of Federal Activities, EPA, indicating that a facility utilized or to be utilized for the Agreement is under consideration to be listed on the EPA List of Violating Facilities.

4. Agreement by the Contractor that he/she will include or cause to be included the criteria and requirements in paragraph (1) through (4) of this section in every nonexempt subcontract and requiring that the Contractor will take such action as the Government may direct as a means of enforcing such provision.

B. Federal Water Pollution Control Act. The Contractor shall comply with all applicable standards, orders, and regulations issued pursuant to the Federal Water Pollution Control Act, 33 U.S.C., Section 1251, *et seq.* The Contractor shall report each violation to the County, which will report each violation as required to HUD and the appropriate EPA Regional Office. The Contractor shall include these requirements in each subcontract exceeding $100,000 financed in whole or in part with Federal assistance provided by HUD under this Agreement.

C. In no event shall any amount of the assistance provided under this Agreement be utilized with respect to a facility which has given rise to a conviction under Section 113(c)(1) of the Clean Air Act or Section 309(c)of the Federal Water Pollution Control Act.

1.11 Energy Conservation Provisions. Contractors must recognize mandatory standards and policies relating to energy efficiency contained in the Cost-Effective Energy Conservation Measures.

1.12 Debarment and Suspension. A contract award (see 2 C.F.R. 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R .180 that implement Executive Orders 12549 (3 C.F.R. part 1986 Comp., p. 189) and 12689 (3 C.F.R. part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Use www.SAM.gov. Contractor's certification regarding debarment, suspension, ineligibility, and voluntary exclusion is a material representation upon which the contract award is based.

A. This Agreement is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the Contractor is required to verify that none of the Contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

B. The Contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

C. This certification is a material representation of fact relied upon by the County. If it is later determined that the Contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the State of Florida and, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

D. The Contractor agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, while this offer is valid and throughout the period of any contract that may arise from this offer. The Contractor further agrees to include a provision requiring such compliance in its lower tier covered transactions.

1.13 Byrd Anti-Lobbying Amendment. Contractor has executed the certification regarding lobbying, and such is considered attached to and incorporated within this Agreement. Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. Section 1352 and as implemented at 24 C.F.R. part 87. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

1.14 Procurement of Recovered Materials. In performance of this Agreement, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired: (a) Competitively within a timeframe providing for compliance with the Agreement performance schedule; (b) Meeting Agreement performance requirements; or (c) At a reasonable price. Information about this requirement and the list of EPA designated items is available at EPA's Comprehensive Procurement Guidelines web site, https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program#products. The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.

1.15 Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment.

A. Definitions. As used in this clause, the terms backhaul; covered foreign country; covered telecommunications equipment or services; interconnection arrangements; roaming; substantial or essential component; and telecommunications equipment or services have the meaning as defined in FEMA Policy 405-143-1, Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services (Interim), as used in this clause.

B. Prohibitions.

1. Section 889(b) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019, Pub. L. No. 115-232, and 2 C.F.R. § 200.216 prohibit the head of an executive agency on or after August13, 2020, from obligating or expending grant, cooperative agreement, loan, or loan guarantee funds on certain telecommunications products or from certain entities for national security reasons.

2. Unless an exception in paragraph D of this clause applies, the Contractor and its subcontractors may not use grant, cooperative agreement, loan, or loan guarantee funds from the Federal Emergency Management Agency to:

i. Procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
ii. Enter into, extend, or renew a contract to procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
iii. Enter into, extend, or renew contracts with entities that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system; or
iv. Provide, as part of its performance of this , subcontract, or other contractual instrument, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

D. Exceptions.

1. This clause does not prohibit Contractors from providing:

i. A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

ii. Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles.

2. By necessary implication and regulation, the prohibitions also do not apply to:

i. Covered telecommunications equipment or services that:

1. Are not used as a substantial or essential component of any system; and

2. Are not used as critical technology of any system.

ii. Other telecommunications equipment or services that are not considered covered telecommunications equipment or services.

E. Reporting requirement.

1. In the event the Contractor identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during contract performance, or the Contractor is notified of such by a subcontractor at any tier or by any other source, the Contractor shall report the information in paragraph D.2 of this clause to the recipient or subrecipient, unless elsewhere in this Agreement are established procedures for reporting the information.

2. The Contractor shall report the following information pursuant to paragraph E.1 of this clause:

i. Within one business day from the date of such identification or notification: The contract number; the order number(s), if applicable; supplier name; supplier unique entity identifier (if known); supplier Commercial and Government Entity (CAGE) code (if known); brand; model number (original equipment manufacturer number, manufacturer part number, or wholesaler number); item description; and any readily available information about mitigation actions undertaken or recommended.

ii. Within ten (10) business days of submitting the information in paragraph E.2.i of this clause: Any further available information about mitigation actions undertaken or recommended. In addition, the Contractor shall describe the efforts it undertook to prevent use or submission of covered telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services.

F. Subcontracts. The Contractor shall insert the substance of this clause, including this paragraph F, in all subcontracts and other contractual instruments.

1.16 Domestic Preferences for Procurements. As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award.

For purposes of this section: (1) "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. (2) "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

1.17 2 C.F.R. 200.471 Telecommunication costs and video surveillance costs. Costs incurred for telecommunications and video surveillance services or equipment such as phones, internet, video surveillance, cloud servers are allowable except for the following circumstances: Obligating or expending covered telecommunications and video surveillance services or equipment or services as described in § 200.216 to: (1) Procure or obtain, extend or renew a contract to procure or obtain; (2) Enter into a contract (or extend or renew a contract) to procure; or (3) Obtain the equipment, services, or systems.

1.18 Build America Buy America. Contractor shall comply with the Build America, Buy America Act Section 70912, enacted as part of the Infrastructure Investment and Jobs Act (IIJA). Pub. L. 117-58. The Act establishes domestic content procurement preference for infrastructure projects. (1) All iron and steel used in the project are produced in the United States. This means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. (2) All manufactured products used in the project are produced in the United States. This means the manufactured product was manufactured in the United States, and the cost of the components of the manufactured product that are

mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation. (3) All construction materials are manufactured in the United States. This means that all manufacturing processes for the construction material occurred in the United States.

The BABAA domestic preference requirements are applicable to infrastructure projects funded under subject Federal financial assistance program awards. The term "infrastructure" is construed broadly and descriptions provided in paragraph (c) of 2 CFR §184.4 are illustrative and not exhaustive. When determining if a particular project of a type not listed in the description in paragraph (c) constitutes "infrastructure," Federal agencies consider whether the project will serve a public function, including whether the project is publicly owned and operated, privately operated on behalf of the public, or is a place of public accommodation, as opposed to a project that is privately owned and not open to the public.

Examples of HUD projects that are considered infrastructure projects, according to BABA, include, but are not limited to: rehabilitation, maintenance, and reconstruction of buildings and real property, including housing; and construction and repair of public facilities and improvements, such as water, sewer, or other utilities, roads, bridges, sidewalks, homeless shelters, or broadband infrastructure.

CONTRACTORS and their subcontractors who apply or bid for an award for an infrastructure project subject to the domestic preference requirement in the Build America, Buy America Act shall file the required certification to COUNTY with each bid or offer for an infrastructure project, unless a domestic preference requirement is waived by the Federal Awarding Agency. CONTRACTORS and subcontractors certify that no federal financial assistance funding for infrastructure projects will be provided unless all the iron, steel, manufactured projects, and construction materials used in the project are produced in the United States. BABAA, Pub. L. No. 117-58, §§ 70901-52. CONTRACTORS and subcontractors shall also disclose any use of federal financial assistance for infrastructure projects that does not ensure compliance with BABAA domestic preference requirements. Such disclosures shall be forwarded to the COUNTY who, in turn, will forward the disclosures to the Federal Awarding Agency; subrecipients will forward disclosures to the pass-through entity, who will, in turn, forward the disclosures to the Federal Awarding Agency.

For Federally assisted programs subject to BABAA, contractors and subcontractors must sign and submit the following certification to the next tier (e.g., subcontractors submit to the contractor; contractors submit to the recipient or subrecipient) each bid or offer for an infrastructure project that has not been waived by a BABAA waiver:

BUILD AMERICA, BUY AMERICA ACT (BABAA) SELF-CERTIFICATION.

(To be submitted with each bid or offer for which BABAA applies.)

The undersigned [CONTRACTOR] certifies, to the best of their knowledge, that:

The Build America, Buy America Act (BABAA) requires that no federal financial assistance for "infrastructure" projects is provided "unless all of the iron, steel, manufactured products, and construction materials used in the project are produced in the United States." Section 70914 of Public Law No. 117-58, §§ 70901-52.
The undersigned certifies that for the _____ (project name) that the iron, steel, manufactured products, and construction materials used in this contract are in full compliance with the BABAA requirements including

1. All iron and steel used in the project are produced in the United States. This means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

2. All manufactured products purchased with Federal financial assistance must be produced in the United States. For a manufactured product to be considered produced in the United States, the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55% of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation.

3. All construction materials are manufactured in the United States. This means that all manufacturing processes for the construction material occurred in the United States.

The Contractor, _____, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 et seq., apply to this certification and disclosure, if any.

1.19 Federal Participation. The Federal Government is not a party to this Agreement and is not subject to any obligations or liabilities to the non-Federal entity, Contractor, or any other party pertaining to any matter resulting from the Agreement.

1.20 Compliance with Federal Law, Regulations, and Executive Orders. The Contractor will comply will all applicable federal law, regulations, executive orders, HUD policies, procedures, and directives.

1.21 HUD Agency Seal, Logo, and Flags. The Contractor shall not use the HUD's seal(s), logos, crests, or reproductions of flags or likenesses of agency officials without specific HUD preapproval.

1.22 Program Fraud and False or Fraudulent Statements or Related Acts. The Contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the Contractor's actions pertaining to this Agreement.

1.23 Civil Rights. The Contractor shall comply with the Florida Civil Rights Act of 1992; the Architectural Barriers Act of 1968 (42 U.S.C. 4151-57) and implementing regulations at 24 C.F.R. § 570.614; the Americans with Disabilities Act of 1990 and all implementing regulations; the Fair Housing Act (42 U.S.C. 3601–19) and implementing regulations at 24 C.F.R. part 100 et seq.; Executive Order 11063, as amended by Executive Order 12259 (3 C.F.R., 1959–1963 Comp., p. 652 and 3 C.F.R., 1980 Comp., p. 307) (Equal Opportunity in Housing Programs) and implementing regulations at 24 C.F.R. part 107; title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4) (Nondiscrimination in Federally Assisted Programs) and implementing regulations at 24 C.F.R. part 1; the Age Discrimination Act of 1975 (42 U.S.C. 6101–6107) and implementing regulations at 24 C.F.R. part 146; Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and implementing regulations at part 8 of this title; title II of the Americans with Disabilities Act, 42 U.S.C. 12101 et seq.; 24 C.F.R. part 8; Executive Order 11625, as amended by Executive Order 12007 (3 C.F.R., 1971–1975 Comp., p. 616 and 3 C.F.R., 1977 Comp., p. 139) (Minority Business Enterprises); Executive Order 12432 (3 C.F.R., 1983 Comp., p. 198) (Minority Business Enterprise Development); and Executive Order 12138, as amended by Executive Order 12608 (3 C.F.R., 1977 Comp., p. 393 and 3 C.F.R., 1987 Comp., p. 245) (Women's Business Enterprise); as required by 24 C.F.R. § 5.015, except as may be otherwise noted by HUD under the program providing the respective funding under this Agreement or as otherwise inconsistent with statutes authorizing certain HUD programs.

1.24 Section 3 of the Housing and Urban Development Act of 1968 Compliance. This Agreement is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1801 u) as amended. Every applicant, recipient, contracting party, contractor and subcontractor shall incorporate, or cause to be incorporated, in all contracts for work in connection with a Section 3 covered project, the following clause (referred to as a Section 3 clause):

A. The work to be performed under this Agreement is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

B. The parties to this Agreement agree to comply with HUD's regulations in 24 C.F.R. part 75, which implement Section 3. As evidenced by their execution of this Agreement, the parties to this Agreement certify that they are under no contractual or other impediment that would prevent them from complying with the part 75 regulations.

C. The Contractor agrees to post copies of a notice advising workers of the Contractor's commitments under Section 3 in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. Said notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

D. The Contractor agrees to provide written notice of employment and contracting opportunities to all known Section 3 Workers and Section 3 Businesses.

E. The Contractor agrees to hire, to the greatest extent feasible, Section 3 workers as new hires, or provide written justification to the recipient that is consistent with 24 C.F.R. Part 75, describing why it was unable to meet minimum numerical hiring goals, despite its efforts to comply with the provisions of this clause.

F. The Contractor agrees to attempt to recruit from within the grantee's service area to fill employment opportunities generated by Section 3 covered assistance through local advertising media, signs placed at the proposed site for the project, and community organizations and public or private institutions operating within or serving the project area and providing preference for these opportunities in the following order: Section 3 Residents residing in the service area or neighborhood in which the Section 3 covered project is located (Targeted Section 3 Workers); Participants in YouthBuild Programs, and Other Section 3 Residents.

G. The Contractor agrees to maintain records documenting Section 3 residents that were hired to work on previous Section 3 covered projects or activities that were retained by the Contractor for subsequent Section 3 covered projects or activities.

H. The Contractor agrees to include compliance with Section 3 requirements in every subcontract for Section 3 projects as defined in 24 C.F.R. part 75, and agrees to take appropriate action, as provided in an applicable provision of the subcontract upon a finding that the subcontractor is in violation of the regulations in 24 C.F.R. part 75. The Contractor will not subcontract with any subcontractor where the Contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 C.F.R. part 75.

I. The Contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the Contractor is selected but before the Agreement is executed, and (2) with persons other than those to whom the regulations of 24 C.F.R. part 75 require employment opportunities to be directed, were not filled to circumvent the Contractor's obligations under 24 C.F.R. part 75.

J. The Contractor will certify that they have followed prioritization of effort in 24 C.F.R. part 75.19 for all employment and training opportunities. The Contractor will further certify that it meets or exceeds the applicable Section3 benchmarks, defined in 24 C.F.R. Part 75.23, and if not, shall describe in detail the qualitative efforts it has taken to pursue low- and very low- income persons for economic opportunities.

K. Noncompliance with HUD's regulations in 24 C.F.R. part 75 may result in sanctions, termination of this Agreement for default, and debarment or suspension from future HUD assisted contracts.

L. Contractor shall sign and provide to the County the Section 3 Certification of Intent to Comply included as Exhibit N.

M. If Contractor is claiming Section 3 Business Status, a Section 3 Business Certification must be submitted to County. Any workers seeking to claim Section 3 Worker preferences in training and employment must certify eligibility by residency and household income and submit a Section 3 Worker Certification to Contractor, who must provide this documentation to the County. **Certification statements have been included as Exhibit N.**

1.25 Restrictive Drawings and Specifications. In accordance with 2 C.F.R. 200.319 and agreements between the County and HUD, the Design Professional shall not require the use of materials, products or services that unduly restrict competition.

1.26 Section 109 of the Housing and Community Development Act of 1974. No person in the United States shall on the grounds of race, color, national origin, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with funds made available under this Title.

1.27 Age Discrimination Act of 1975. No person in the United States shall be on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

1.28 Section 504 of the Rehabilitation Act of 1973. No qualified individual with handicaps shall, solely on the basis of handicaps, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance.

1.29 Lead Based Paint Requirements. Title IV of the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4831) prohibits the use of lead- based paint in residential structures constructed or rehabilitated with Federal Assistance in any form.

1.30 Drug-Free Workplace. Subrecipient shall comply with the applicable provisions of the Drug-Free Workplace Act of 1988 (41 U.S.C. 701, et seq.) and HUD's implementing regulations at 2 C.F.R. part 2429.

Editorial Note: Nomenclature changes to subpart A of part 5 appear at 61 FR 19984, May 3, 1996.

§ 5.5 Contract provisions and related matters.

(a) ***Required contract clauses.*** The Agency head will cause or require the contracting officer to require the contracting officer to insert in full, or (for contracts covered by the Federal Acquisition Regulation (48 CFR chapter 1)) by reference, in any contract in excess of $2,000 which is entered into for the actual construction, alteration and/or repair, including painting and decorating, of a public building or public work, or building or work financed in whole or in part from Federal funds or in accordance with guarantees of a Federal agency or financed from funds obtained by pledge of any contract of a Federal agency to make a loan, grant or annual contribution (except where a different meaning is expressly indicated), and which is subject to the labor standards provisions of any of the laws referenced by § 5.1, the following clauses (or any modifications thereof to meet the particular needs of the agency, *Provided,* That such modifications are first approved by the Department of Labor):

(1) ***Minimum wages*** —

(i) ***Wage rates and fringe benefits.*** All laborers and mechanics employed or working upon the site of the work (or otherwise working in construction or development of the project under a development statute), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of basic hourly wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. As provided in paragraphs (d) and (e) of this section, the appropriate wage determinations are effective by operation of law even if they have not been attached to the contract. Contributions made or costs reasonably anticipated for bona fide fringe benefits under the Davis-Bacon Act (40 U.S.C. 3141(2)(B)) on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (a)(1)(v) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred

during such weekly period. Such laborers and mechanics must be paid the appropriate wage rate and fringe benefits on the wage determination for the classification(s) of work actually performed, without regard to skill, except as provided in paragraph (a)(4) of this section. Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: *Provided,* That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classifications and wage rates conformed under paragraph (a)(1)(iii) of this section) and the Davis-Bacon poster (WH-1321) must be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii) ***Frequently recurring classifications.***

(A) In addition to wage and fringe benefit rates that have been determined to be prevailing under the procedures set forth in 29 CFR part 1, a wage determination may contain, pursuant to § 1.3(f), wage and fringe benefit rates for classifications of laborers and mechanics for which conformance requests are regularly submitted pursuant to paragraph (a)(1)(iii) of this section, provided that:

(*1*) The work performed by the classification is not performed by a classification in the wage determination for which a prevailing wage rate has been determined;

(*2*) The classification is used in the area by the construction industry; and

(*3*) The wage rate for the classification bears a reasonable relationship to the prevailing wage rates contained in the wage determination.

(B) The Administrator will establish wage rates for such classifications in accordance with paragraph (a)(1)(iii)(A)(*3*) of this section. Work performed in such a classification must be paid at no less than the wage and fringe benefit rate listed on the wage determination for such classification.

(iii) ***Conformance.***

(A) The contracting officer must require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract be classified in conformance with the wage determination. Conformance of an additional classification and wage rate and fringe benefits is appropriate only when the following criteria have been met:

(*1*) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(*2*) The classification is used in the area by the construction industry; and

(*3*) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) The conformance process may not be used to split, subdivide, or otherwise avoid application of classifications listed in the wage determination.

(C) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a

report of the action taken will be sent by the contracting officer by email to *DBAconformance@dol.gov*. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer will, by email to *DBAconformance@dol.gov*, refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(E) The contracting officer must promptly notify the contractor of the action taken by the Wage and Hour Division under paragraphs (a)(1)(iii)(C) and (D) of this section. The contractor must furnish a written copy of such determination to each affected worker or it must be posted as a part of the wage determination. The wage rate (including fringe benefits where appropriate) determined pursuant to paragraph (a)(1)(iii)(C) or (D) of this section must be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iv) ***Fringe benefits not expressed as an hourly rate.*** Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor may either pay the benefit as stated in the wage determination or may pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(v) ***Unfunded plans.*** If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, *Provided,* That the Secretary of Labor has found, upon the written request of the contractor, in accordance with the criteria set forth in § 5.28, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(vi) ***Interest.*** In the event of a failure to pay all or part of the wages required by the contract, the contractor will be required to pay interest on any underpayment of wages.

(2) ***Withholding*** —

(i) ***Withholding requirements.*** The [write in name of Federal agency or the recipient of Federal assistance] may, upon its own action, or must, upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the contractor so much of the accrued payments or advances as may be considered necessary to satisfy the liabilities of the prime contractor or any subcontractor for the full amount of wages and monetary relief, including interest, required by the clauses set forth in paragraph (a) of this section for violations of this contract, or to satisfy any such liabilities required by any other Federal contract, or federally assisted contract subject to Davis-Bacon labor standards, that is held by the same prime contractor (as defined in § 5.2). The necessary funds may be withheld

from the contractor under this contract, any other Federal contract with the same prime contractor, or any other federally assisted contract that is subject to Davis-Bacon labor standards requirements and is held by the same prime contractor, regardless of whether the other contract was awarded or assisted by the same agency, and such funds may be used to satisfy the contractor liability for which the funds were withheld. In the event of a contractor's failure to pay any laborer or mechanic, including any apprentice or helper working on the site of the work (or otherwise working in construction or development of the project under a development statute) all or part of the wages required by the contract, or upon the contractor's failure to submit the required records as discussed in paragraph (a)(3)(iv) of this section, the [Agency] may on its own initiative and after written notice to the contractor, sponsor, applicant, owner, or other entity, as the case may be, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

(ii) ***Priority to withheld funds.*** The Department has priority to funds withheld or to be withheld in accordance with paragraph (a)(2)(i) or (b)(3)(i) of this section, or both, over claims to those funds by:

(A) A contractor's surety(ies), including without limitation performance bond sureties and payment bond sureties;

(B) A contracting agency for its reprocurement costs;

(C) A trustee(s) (either a court-appointed trustee or a U.S. trustee, or both) in bankruptcy of a contractor, or a contractor's bankruptcy estate;

(D) A contractor's assignee(s);

(E) A contractor's successor(s); or

(F) A claim asserted under the Prompt Payment Act, 31 U.S.C. 3901-3907.

(3) ***Records and certified payrolls*** —

(i) ***Basic record requirements*** —

(A) ***Length of record retention.*** All regular payrolls and other basic records must be maintained by the contractor and any subcontractor during the course of the work and preserved for all laborers and mechanics working at the site of the work (or otherwise working in construction or development of the project under a development statute) for a period of at least 3 years after all the work on the prime contract is completed.

(B) ***Information required.*** Such records must contain the name; Social Security number; last known address, telephone number, and email address of each such worker; each worker's correct classification(s) of work actually performed; hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in 40 U.S.C. 3141(2)(B) of the Davis-Bacon Act); daily and weekly number of hours actually worked in total and on each covered contract; deductions made; and actual wages paid.

(C) ***Additional records relating to fringe benefits.*** Whenever the Secretary of Labor has found under paragraph (a)(1)(v) of this section that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan

or program described in 40 U.S.C. 3141(2)(B) of the Davis-Bacon Act, the contractor must maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits.

(D) ***Additional records relating to apprenticeship.*** Contractors with apprentices working under approved programs must maintain written evidence of the registration of apprenticeship programs, the registration of the apprentices, and the ratios and wage rates prescribed in the applicable programs.

(ii) ***Certified payroll requirements*** —

(A) ***Frequency and method of submission.*** The contractor or subcontractor must submit weekly, for each week in which any DBA- or Related Acts-covered work is performed, certified payrolls to the [write in name of appropriate Federal agency] if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the certified payrolls to the applicant, sponsor, owner, or other entity, as the case may be, that maintains such records, for transmission to the [write in name of agency]. The prime contractor is responsible for the submission of all certified payrolls by all subcontractors. A contracting agency or prime contractor may permit or require contractors to submit certified payrolls through an electronic system, as long as the electronic system requires a legally valid electronic signature; the system allows the contractor, the contracting agency, and the Department of Labor to access the certified payrolls upon request for at least 3 years after the work on the prime contract has been completed; and the contracting agency or prime contractor permits other methods of submission in situations where the contractor is unable or limited in its ability to use or access the electronic system.

(B) ***Information required.*** The certified payrolls submitted must set out accurately and completely all of the information required to be maintained under paragraph (a)(3)(i)(B) of this section, except that full Social Security numbers and last known addresses, telephone numbers, and email addresses must not be included on weekly transmittals. Instead, the certified payrolls need only include an individually identifying number for each worker (*e.g.,* the last four digits of the worker's Social Security number). The required weekly certified payroll information may be submitted using Optional Form WH-347 or in any other format desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division website at *https://www.dol.gov/sites/dolgov/files/WHD/legacy/files/wh347/.pdf* or its successor website. It is not a violation of this section for a prime contractor to require a subcontractor to provide full Social Security numbers and last known addresses, telephone numbers, and email addresses to the prime contractor for its own records, without weekly submission by the subcontractor to the sponsoring government agency (or the applicant, sponsor, owner, or other entity, as the case may be, that maintains such records).

(C) ***Statement of Compliance.*** Each certified payroll submitted must be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor, or the contractor's or subcontractor's agent who pays or supervises the payment of the persons working on the contract, and must certify the following:

(*1*) That the certified payroll for the payroll period contains the information required to be provided under paragraph (a)(3)(ii) of this section, the appropriate information and basic records are being maintained under paragraph (a)(3)(i) of this section, and such information and records are correct and complete;

(*2*) That each laborer or mechanic (including each helper and apprentice) working on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR part 3; and

(*3*) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification(s) of work actually performed, as specified in the applicable wage determination incorporated into the contract.

(D) ***Use of Optional Form WH-347.*** The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 will satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (a)(3)(ii)(C) of this section.

(E) ***Signature.*** The signature by the contractor, subcontractor, or the contractor's or subcontractor's agent must be an original handwritten signature or a legally valid electronic signature.

(F) ***Falsification.*** The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under 18 U.S.C. 1001 and 31 U.S.C. 3729.

(G) ***Length of certified payroll retention.*** The contractor or subcontractor must preserve all certified payrolls during the course of the work and for a period of 3 years after all the work on the prime contract is completed.

(iii) ***Contracts, subcontracts, and related documents.*** The contractor or subcontractor must maintain this contract or subcontract and related documents including, without limitation, bids, proposals, amendments, modifications, and extensions. The contractor or subcontractor must preserve these contracts, subcontracts, and related documents during the course of the work and for a period of 3 years after all the work on the prime contract is completed.

(iv) ***Required disclosures and access*** —

(A) ***Required record disclosures and access to workers.*** The contractor or subcontractor must make the records required under paragraphs (a)(3)(i) through (iii) of this section, and any other documents that the [write the name of the agency] or the Department of Labor deems necessary to determine compliance with the labor standards provisions of any of the applicable statutes referenced by § 5.1, available for inspection, copying, or transcription by authorized representatives of the [write the name of the agency] or the Department of Labor, and must permit such representatives to interview workers during working hours on the job.

(B) ***Sanctions for non-compliance with records and worker access requirements.*** If the contractor or subcontractor fails to submit the required records or to make them available, or refuses to permit worker interviews during working hours on the job, the Federal agency

may, after written notice to the contractor, sponsor, applicant, owner, or other entity, as the case may be, that maintains such records or that employs such workers, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available, or to permit worker interviews during working hours on the job, may be grounds for debarment action pursuant to § 5.12. In addition, any contractor or other person that fails to submit the required records or make those records available to WHD within the time WHD requests that the records be produced will be precluded from introducing as evidence in an administrative proceeding under 29 CFR part 6 any of the required records that were not provided or made available to WHD. WHD will take into consideration a reasonable request from the contractor or person for an extension of the time for submission of records. WHD will determine the reasonableness of the request and may consider, among other things, the location of the records and the volume of production.

(C) ***Required information disclosures.*** Contractors and subcontractors must maintain the full Social Security number and last known address, telephone number, and email address of each covered worker, and must provide them upon request to the [write in name of appropriate Federal agency] if the agency is a party to the contract, or to the Wage and Hour Division of the Department of Labor. If the Federal agency is not such a party to the contract, the contractor, subcontractor, or both, must, upon request, provide the full Social Security number and last known address, telephone number, and email address of each covered worker to the applicant, sponsor, owner, or other entity, as the case may be, that maintains such records, for transmission to the [write in name of agency], the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or other compliance action.

(4) ***Apprentices and equal employment opportunity*** —

(i) ***Apprentices*** —

(A) ***Rate of pay.*** Apprentices will be permitted to work at less than the predetermined rate for the work they perform when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship (OA), or with a State Apprenticeship Agency recognized by the OA. A person who is not individually registered in the program, but who has been certified by the OA or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice, will be permitted to work at less than the predetermined rate for the work they perform in the first 90 days of probationary employment as an apprentice in such a program. In the event the OA or a State Apprenticeship Agency recognized by the OA withdraws approval of an apprenticeship program, the contractor will no longer be permitted to use apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(B) ***Fringe benefits.*** Apprentices must be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage

determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringe benefits must be paid in accordance with that determination.

(C) ***Apprenticeship ratio.*** The allowable ratio of apprentices to journeyworkers on the job site in any craft classification must not be greater than the ratio permitted to the contractor as to the entire work force under the registered program or the ratio applicable to the locality of the project pursuant to paragraph (a)(4)(i)(D) of this section. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated in paragraph (a)(4)(i)(A) of this section, must be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under this section must be paid not less than the applicable wage rate on the wage determination for the work actually performed.

(D) ***Reciprocity of ratios and wage rates.*** Where a contractor is performing construction on a project in a locality other than the locality in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyworker's hourly rate) applicable within the locality in which the construction is being performed must be observed. If there is no applicable ratio or wage rate for the locality of the project, the ratio and wage rate specified in the contractor's registered program must be observed.

(ii) ***Equal employment opportunity.*** The use of apprentices and journeyworkers under this part must be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

(5) ***Compliance with Copeland Act requirements.*** The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

(6) ***Subcontracts.*** The contractor or subcontractor must insert in any subcontracts the clauses contained in paragraphs (a)(1) through (11) of this section, along with the applicable wage determination(s) and such other clauses or contract modifications as the [write in the name of the Federal agency] may by appropriate instructions require, and a clause requiring the subcontractors to include these clauses and wage determination(s) in any lower tier subcontracts. The prime contractor is responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this section. In the event of any violations of these clauses, the prime contractor and any subcontractor(s) responsible will be liable for any unpaid wages and monetary relief, including interest from the date of the underpayment or loss, due to any workers of lower-tier subcontractors, and may be subject to debarment, as appropriate.

(7) ***Contract termination: debarment.*** A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

(8) ***Compliance with Davis-Bacon and Related Act requirements.*** All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

(9) ***Disputes concerning labor standards.*** Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5,

6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

(10) ***Certification of eligibility.***

(i) By entering into this contract, the contractor certifies that neither it nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of 40 U.S.C. 3144(b) or § 5.12(a).

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of 40 U.S.C. 3144(b) or § 5.12(a).

(iii) The penalty for making false statements is prescribed in the U.S. Code, Title 18 Crimes and Criminal Procedure, 18 U.S.C. 1001.

(11) ***Anti-retaliation.*** It is unlawful for any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, or to cause any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, any worker or job applicant for:

(i) Notifying any contractor of any conduct which the worker reasonably believes constitutes a violation of the DBA, Related Acts, this part, or 29 CFR part 1 or 3;

(ii) Filing any complaint, initiating or causing to be initiated any proceeding, or otherwise asserting or seeking to assert on behalf of themselves or others any right or protection under the DBA, Related Acts, this part, or 29 CFR part 1 or 3;

(iii) Cooperating in any investigation or other compliance action, or testifying in any proceeding under the DBA, Related Acts, this part, or 29 CFR part 1 or 3; or

(iv) Informing any other person about their rights under the DBA, Related Acts, this part, or 29 CFR part 1 or 3.

(b) ***Contract Work Hours and Safety Standards Act (CWHSSA).*** The Agency Head must cause or require the contracting officer to insert the following clauses set forth in paragraphs (b)(1) through (5) of this section in full, or (for contracts covered by the Federal Acquisition Regulation) by reference, in any contract in an amount in excess of $100,000 and subject to the overtime provisions of the Contract Work Hours and Safety Standards Act. These clauses must be inserted in addition to the clauses required by paragraph (a) of this section or 29 CFR 4.6. As used in this paragraph (b), the terms “laborers and mechanics” include watchpersons and guards.

(1) ***Overtime requirements.*** No contractor or subcontractor contracting for any part of the conract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) ***Violation; liability for unpaid wages; liquidated damages.*** In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages and interest from the date of the underpayment. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done

under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchpersons and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of $33 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1).

(3) ***Withholding for unpaid wages and liquidated damages*** —

(i) ***Withholding process.*** The [write in the name of the Federal agency or the recipient of Federal assistance] may, upon its own action, or must, upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the contractor so much of the accrued payments or advances as may be considered necessary to satisfy the liabilities of the prime contractor or any subcontractor for any unpaid wages; monetary relief, including interest; and liquidated damages required by the clauses set forth in this paragraph (b) on this contract, any other Federal contract with the same prime contractor, or any other federally assisted contract subject to the Contract Work Hours and Safety Standards Act that is held by the same prime contractor (as defined in § 5.2). The necessary funds may be withheld from the contractor under this contract, any other Federal contract with the same prime contractor, or any other federally assisted contract that is subject to the Contract Work Hours and Safety Standards Act and is held by the same prime contractor, regardless of whether the other contract was awarded or assisted by the same agency, and such funds may be used to satisfy the contractor liability for which the funds were withheld.

(ii) ***Priority to withheld funds.*** The Department has priority to funds withheld or to be withheld in accordance with paragraph (a)(2)(i) or (b)(3)(i) of this section, or both, over claims to those funds by:

(A) A contractor's surety(ies), including without limitation performance bond sureties and payment bond sureties;

(B) A contracting agency for its reprocurement costs;

(C) A trustee(s) (either a court-appointed trustee or a U.S. trustee, or both) in bankruptcy of a contractor, or a contractor's bankruptcy estate;

(D) A contractor's assignee(s);

(E) A contractor's successor(s); or

(F) A claim asserted under the Prompt Payment Act, 31 U.S.C. 3901-3907.

(4) ***Subcontracts.*** The contractor or subcontractor must insert in any subcontracts the clauses set forth in paragraphs (b)(1) through (5) of this section and a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor is responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (5). In the event of any violations of these clauses, the prime contractor and any subcontractor(s) responsible will be liable for any unpaid wages and monetary relief, including interest from the date of the underpayment or loss, due to any workers of lower-tier subcontractors, and associated liquidated damages and may be subject to debarment, as appropriate.

(5) ***Anti-retaliation.*** It is unlawful for any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, or to cause any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, any worker or job applicant for:

(i) Notifying any contractor of any conduct which the worker reasonably believes constitutes a violation of the Contract Work Hours and Safety Standards Act (CWHSSA) or its implementing regulations in this part;

(ii) Filing any complaint, initiating or causing to be initiated any proceeding, or otherwise asserting or seeking to assert on behalf of themselves or others any right or protection under CWHSSA or this part;

(iii) Cooperating in any investigation or other compliance action, or testifying in any proceeding under CWHSSA or this part; or

(iv) Informing any other person about their rights under CWHSSA or this part.

(c) ***CWHSSA required records clause.*** In addition to the clauses contained in paragraph (b) of this section, in any contract subject only to the Contract Work Hours and Safety Standards Act and not to any of the other laws referenced by § 5.1, the Agency Head must cause or require the contracting officer to insert a clause requiring that the contractor or subcontractor must maintain regular payrolls and other basic records during the course of the work and must preserve them for a period of 3 years after all the work on the prime contract is completed for all laborers and mechanics, including guards and watchpersons, working on the contract. Such records must contain the name; last known address, telephone number, and email address; and social security number of each such worker; each worker's correct classification(s) of work actually performed; hourly rates of wages paid; daily and weekly number of hours actually worked; deductions made; and actual wages paid. Further, the Agency Head must cause or require the contracting officer to insert in any such contract a clause providing that the records to be maintained under this paragraph must be made available by the contractor or subcontractor for inspection, copying, or transcription by authorized representatives of the (write the name of agency) and the Department of Labor, and the contractor or subcontractor will permit such representatives to interview workers during working hours on the job.

(d) ***Incorporation of contract clauses and wage determinations by reference.*** Although agencies are required to insert the contract clauses set forth in this section, along with appropriate wage determinations, in full into covered contracts, and contractors and subcontractors are required to insert them in any lower-tier subcontracts, the incorporation by reference of the required contract clauses and appropriate wage determinations will be given the same force and effect as if they were inserted in full text.

(e) ***Incorporation by operation of law.*** The contract clauses set forth in this section (or their equivalent under the Federal Acquisition Regulation), along with the correct wage determinations, will be considered to be a part of every prime contract required by the applicable statutes referenced by § 5.1 to include such clauses, and will be effective by operation of law, whether or not they are included or incorporated by reference into such contract, unless the Administrator grants a variance, tolerance, or exemption from the application of this paragraph. Where the clauses and applicable wage determinations are effective by operation of law under this paragraph, the prime contractor must be compensated for any resulting increase in wages in accordance with applicable law.

WORKER RIGHTS

UNDER THE DAVIS-BACON ACT

FOR LABORERS AND MECHANICS WORKING ON FEDERAL OR FEDERALLY ASSISTED CONSTRUCTION PROJECTS

The law requires employers to display this poster where employees can readily see it.

PREVAILING WAGES

You must be paid not less than the wage rate listed in the Davis-Bacon Wage Decision posted with this Notice for the work you perform.

OVERTIME

You must be paid not less than one and one-half times your basic rate of pay for all hours worked over 40 in a work week. There are few exceptions.

ENFORCEMENT

Contract payments can be withheld to ensure workers receive wages and overtime pay due, and liquidated damages may apply if overtime pay requirements are not met. Davis-Bacon contract clauses allow contract termination and debarment of contractors from future federal contracts for three years. A contractor who falsifies certified payroll records or induces wage kickbacks may be subject to civil or criminal prosecution, fines and/or imprisonment.

APPRENTICES

Apprentice rates apply only to apprentices properly registered under approved Federal or State apprenticeship programs.

RETALIATION

The law prohibits discharging or otherwise retaliating against workers for filing a complaint, cooperating in an investigation, or testifying in a proceeding under the Davis-Bacon and Related Acts.

PROPER PAY

If you do not receive proper pay, or require further information on the applicable wages, contact the Contracting Officer listed below:

or contact the U.S. Department of Labor's Wage and Hour Division.

WAGE AND HOUR DIVISION
UNITED STATES DEPARTMENT OF LABOR

WH1321 REV 10/17

DERECHOS DEL EMPLEADO
BAJO LA LEY DAVIS-BACON

PARA OBREROS Y MECÁNICOS EMPLEADOS EN PROYECTOS DE CONSTRUCCIÓN FEDERAL O CON ASISTENCIA FEDERAL

SALARIOS PREVALECIENTES

No se le puede pagar menos de la tasa de pago indicada en la Decisión de Salarios Davis-Bacon fijada con este Aviso para el trabajo que Ud. desempeña.

SOBRETIEMPO

Se le ha de pagar no menos de tiempo y medio de su tasa básica de pago por todas las horas trabajadas en exceso de 40 en una semana laboral. Existen pocas excepciones.

CUMPLIMIENTO

Se pueden retener pagos por contratos para asegurarse que los obreros reciban los salarios y el pago de sobretiempo debidos, y se podría aplicar daños y perjuicios si no se cumple con las exigencias del pago de sobretiempo. Las cláusulas contractuales de Davis-Bacon permiten la terminación y exclusión de contratistas para efectuar futuros contratos federales hasta tres años. El contratista que falsifique los registros certificados de las nóminas de pago o induzca devoluciones de salarios puede ser sujeto a procesamiento civil o criminal, multas y/o encarcelamiento.

APRENDICES

Las tasas de aprendices sólo se aplican a aprendices correctamente inscritos bajo programas federales o estatales aprobados.

PAGO APROPIADO

Si Ud. no recibe el pago apropiado, o precisa de información adicional sobre los salarios aplicables, póngase en contacto con el Contratista Oficial que aparece abajo:

o póngase en contacto con la División de Horas y Salarios del Departamento de Trabajo de los EE.UU.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at https://www.dol.gov/agencies/whd/government-contracts.

Note: Executive Order 13658 generally applies to contracts subject to the Davis-Bacon Act that were awarded on or between January 1, 2015 and January 29, 2022, and that have not been renewed or extended on or after January 30, 2022. Executive Order 13658 does not apply to contracts subject only to the Davis-Bacon Related Acts regardless of when they were awarded. If a contract is subject to Executive Order 13658, the contractor must pay all covered workers at least $13.30 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in 2025. The applicable Executive Order minimum wage rate will be adjusted annually. Additional information on contractor requirements and worker protections under Executive Order 13658 is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (iii)).

The body of each wage determination lists the classifications and wage rates that have been found to be prevailing for the type(s) of construction and geographic area covered by the wage determination. The classifications are listed in alphabetical order under rate identifiers indicating whether the particular rate is a union rate (current union negotiated rate), a survey rate, a weighted union average rate, a state adopted rate, or a supplemental classification rate.

Union Rate Identifiers

A four-letter identifier beginning with characters other than ""SU"", ""UAVG"", ?SA?, or ?SC? denotes that a union rate was prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2024. PLUM is an identifier of the union

whose collectively bargained rate prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. The date, 07/01/2024 in the example, is the effective date of the most current negotiated rate.

Union prevailing wage rates are updated to reflect all changes over time that are reported to WHD in the rates in the collective bargaining agreement (CBA) governing the classification.

Union Average Rate Identifiers

The UAVG identifier indicates that no single rate prevailed for those classifications, but that 100% of the data reported for the classifications reflected union rates. EXAMPLE: UAVG-OH-0010 01/01/2024. UAVG indicates that the rate is a weighted union average rate. OH indicates the State of Ohio. The next number, 0010 in the example, is an internal number used in producing the wage determination. The date, 01/01/2024 in the example, indicates the date the wage determination was updated to reflect the most current union average rate.

A UAVG rate will be updated once a year, usually in January, to reflect a weighted average of the current rates in the collective bargaining agreements on which the rate is based.

Survey Rate Identifiers

The ""SU"" identifier indicates that either a single non-union rate prevailed (as defined in 29 CFR 1.2) for this classification in the survey or that the rate was derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As a weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SUFL2022-007 6/27/2024. SU indicates the rate is a single non-union prevailing rate or a weighted average of survey data for that classification. FL indicates the State of Florida. 2022 is the year of the survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 6/27/2024 in the example, indicates the survey completion date for the classifications and rates under that identifier.

?SU? wage rates typically remain in effect until a new survey is conducted. However, the Wage and Hour Division (WHD) has the discretion to update such rates under 29 CFR 1.6(c)(1).

State Adopted Rate Identifiers

The ""SA"" identifier indicates that the classifications and prevailing wage rates set by a state (or local) government were adopted under 29 C.F.R 1.3(g)-(h). Example: SAME2023-007 01/03/2024. SA reflects that the rates are state adopted. ME refers to the State of Maine. 2023 is the year during which the state completed the survey on which the listed classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 01/03/2024 in the example, reflects the date on which the classifications and rates under the ?SA? identifier took effect under state law in the state from which the rates were

adopted.

WAGE DETERMINATION APPEALS PROCESS

1) Has there been an initial decision in the matter? This can be:

a) a survey underlying a wage determination
b) an existing published wage determination
c) an initial WHD letter setting forth a position on a wage determination matter
d) an initial conformance (additional classification and rate) determination

On survey related matters, initial contact, including requests for summaries of surveys, should be directed to the WHD Branch of Wage Surveys. Requests can be submitted via email to davisbaconinfo@dol.gov or by mail to:

Branch of Wage Surveys
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

Regarding any other wage determination matter such as conformance decisions, requests for initial decisions should be directed to the WHD Branch of Construction Wage Determinations. Requests can be submitted via email to BCWD-Office@dol.gov or by mail to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2) If an initial decision has been issued, then any interested party (those affected by the action) that disagrees with the decision can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Requests for review and reconsideration can be submitted via email to dba.reconsideration@dol.gov or by mail to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at https://www.dol.gov/agencies/whd/government-contracts.

Note: Executive Order 13658 generally applies to contracts subject to the Davis-Bacon Act that were awarded on or between January 1, 2015 and January 29, 2022, and that have not been renewed or extended on or after January 30, 2022. Executive Order 13658 does not apply to contracts subject only to the Davis-Bacon Related Acts regardless of when they were awarded. If a contract is subject to Executive Order 13658, the contractor must pay all covered workers at least $13.30 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in 2025. The applicable Executive Order

minimum wage rate will be adjusted annually. Additional information on contractor requirements and worker protections under Executive Order 13658 is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (iii)).

The body of each wage determination lists the classifications and wage rates that have been found to be prevailing for the type(s) of construction and geographic area covered by the wage determination. The classifications are listed in alphabetical order under rate identifiers indicating whether the particular rate is a union rate (current union negotiated rate), a survey rate, a weighted union average rate, a state adopted rate, or a supplemental classification rate.

Union Rate Identifiers

A four-letter identifier beginning with characters other than ""SU"", ""UAVG"", ?SA?, or ?SC? denotes that a union rate was prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2024. PLUM is an identifier of the union whose collectively bargained rate prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. The date, 07/01/2024 in the example, is the effective date of the most current negotiated rate.

Union prevailing wage rates are updated to reflect all changes over time that are reported to WHD in the rates in the collective bargaining agreement (CBA) governing the classification.

Union Average Rate Identifiers

The UAVG identifier indicates that no single rate prevailed for those classifications, but that 100% of the data reported for the classifications reflected union rates. EXAMPLE: UAVG-OH-0010 01/01/2024. UAVG indicates that the rate is a weighted union average rate. OH indicates the State of Ohio. The next number, 0010 in the example, is an internal number used in producing the wage determination. The date, 01/01/2024 in the example, indicates the date the wage determination was updated to reflect the most current union average rate.

A UAVG rate will be updated once a year, usually in January, to reflect a weighted average of the current rates in the collective bargaining agreements on which the rate is based.

Survey Rate Identifiers

The ""SU"" identifier indicates that either a single non-union rate prevailed (as defined in 29 CFR 1.2) for this classification in the survey or that the rate was derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As a weighted

average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SUFL2022-007 6/27/2024. SU indicates the rate is a single non-union prevailing rate or a weighted average of survey data for that classification. FL indicates the State of Florida. 2022 is the year of the survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 6/27/2024 in the example, indicates the survey completion date for the classifications and rates under that identifier.

?SU? wage rates typically remain in effect until a new survey is conducted. However, the Wage and Hour Division (WHD) has the discretion to update such rates under 29 CFR 1.6(c)(1).

State Adopted Rate Identifiers

The ""SA"" identifier indicates that the classifications and prevailing wage rates set by a state (or local) government were adopted under 29 C.F.R 1.3(g)-(h). Example: SAME2023-007 01/03/2024. SA reflects that the rates are state adopted. ME refers to the State of Maine. 2023 is the year during which the state completed the survey on which the listed classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 01/03/2024 in the example, reflects the date on which the classifications and rates under the ?SA? identifier took effect under state law in the state from which the rates were adopted.

WAGE DETERMINATION APPEALS PROCESS

1) Has there been an initial decision in the matter? This can be:

a) a survey underlying a wage determination
b) an existing published wage determination
c) an initial WHD letter setting forth a position on a wage determination matter
d) an initial conformance (additional classification and rate) determination

On survey related matters, initial contact, including requests for summaries of surveys, should be directed to the WHD Branch of Wage Surveys. Requests can be submitted via email to davisbaconinfo@dol.gov or by mail to:

Branch of Wage Surveys
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

Regarding any other wage determination matter such as conformance decisions, requests for initial decisions should be directed to the WHD Branch of Construction Wage Determinations. Requests can be submitted via email to BCWD-Office@dol.gov or by mail to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.

Washington, DC 20210

2) If an initial decision has been issued, then any interested party (those affected by the action) that disagrees with the decision can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Requests for review and reconsideration can be submitted via email to dba.reconsideration@dol.gov or by mail to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210.

While use of Form WH-347 itself is optional, covered contractors and subcontractors performing work on Federal or federally assisted construction contracts are required by the DBRA regulations and the contract clauses to submit payroll information on a weekly basis. The Copeland Act (40 U.S.C. § 3145) requires contractors and subcontractors performing work on Federal or federally financed construction contracts to, on a weekly basis, "furnish a statement on the wages paid each employee during the prior week." U.S. Department of Labor (DOL) Regulations at 29 C.F.R. § 5.5(a)(3)(ii) require contractors and subcontractors to submit weekly certified payrolls to the appropriate Federal agency if the agency is a party to the contract (or, if the agency is not such a party, to the applicant, sponsor, owner, or other entity, as the case may be, that maintains such records, for transmission to the Federal agency). Each certified payroll must be accompanied by a signed "Statement of Compliance" (e.g., page 2 of the WH-347 or another document with identical wording) indicating that the certified payrolls are accurate and complete, and that each laborer or mechanic has been paid not less than the required Davis-Bacon prevailing wage rate(s) (including any fringe benefits) for the work performed. DOL and contracting agencies receiving this information review the information to determine whether workers have received legally required wages and fringe benefits.

Public Burden Statement

We estimate that it will take an average of 55 minutes to complete this collection, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. If you have any comments regarding these estimates or any other aspect of this collection, including suggestions for reducing this burden, send them to the Administrator, Wage and Hour Division, U.S. Department of Labor, Room S3502, 200 Constitution Avenue, N.W. Washington, D.C. 20210

PROJECT NAME	PROJECT NO. or CONTRACT NO.	PAYROLL NO.	PRIME CONTRACTOR'S/SUBCONTRACTOR'S BUSINESS NAME
PROJECT LOCATION		**WEEK ENDING DATE**	**CERTIFYING OFFICIAL's NAME AND TITLE**

I paid or supervised the payment of the laborers or mechanics working on the above project during the stated time period. I certify the following:

☐ The payroll information submitted with this statement is correct and complete for the above project during the above period, and the wage and fringe benefit rates paid to the workers, including credit taken for the reasonably anticipated costs of a bona fide fringe benefit plan, fund or program, are not less than the applicable wage and fringe benefits rates for the classification(s) of work actually performed, as specified in the wage determination(s) incorporated into the contract.

☐ All regular payrolls and all other basic records that the contractor is required to maintain for this payroll period are complete and accurate and will be made available upon request from the agency or the Department of Labor.

☐ The classifications reported for each laborer or mechanic are the classification(s) of work that each worker actually performed.

☐ Any workers paid as apprentices during the above period are duly registered in a bona fide apprenticeship program registered with the Office of Apprenticeship, Employment and Training Administration, United States Department of Labor ("OA"), or a State Apprenticeship Agency ("SAA") recognized by Department of Labor. I have verified the registered apprenticeship program information provided below as accurate and applicable to any apprentices identified on page 1 of this form.

APPRENTICESHIP PROGRAM NAME	REGISTERED		NAME OF LABOR CLASSIFICATION
	☐ OA	☐ SAA	
	☐ OA	☐ SAA	
	☐ OA	☐ SAA	

☐ Fringe benefits have been paid in cash and/or to bona fide fringe benefit plans, funds, or programs. Where the contractor is claiming an hourly credit for their contributions to or reasonably anticipated costs of a bona fide fringe benefit plan, fund, or program, provide plan information and the hourly credit claimed for each worker listed on the previous page of this form.

HOURLY CREDIT FOR FRINGE BENEFITS

If an amount is listed in (6B) on the first page of this certified payroll form, enter the hourly credit claimed under each plan name, type and number for each worker and check whether the plan is funded or unfunded.

SECTION 3 WORKER CERTIFICATION

A Section 3 Worker seeking preference in training and employment must certify eligibility (as defined in Section 75.5) by residency and household income. Please certify below and submit documentation of eligibility to the recipient contractor or subcontractor.

I, _____, am a legal resident of _____,
(Print Worker Name) *(Community Name)*

I certify that:

☐ My annual income was less than _____ at the time of my initial employment with my current employer on (date)_____ (must be within the last 5 years, but no earlier than November 1, 2020);

or

☐ I am a resident of public housing or a Housing Choice Voucher (Section 8) holder.

I have attached the following Section 3 Worker documentation:

- ❑ Copy of lease/mortgage or other acceptable verification indicating current address
- ❑ Copy of receipt of public housing or Section 8 assistance
- ❑ Copy of public assistance documentation
- ❑ Copy of annual income documentation
- ❑ Other: _____

I affirm that the information contained in this report, including the above statements, are true, complete, and correct to the best of my knowledge and belief. Any false statements made knowingly and willfully may subject the signer to penalties under Section 1010 of Title 18 of the United States Code.

My permanent address is:

_____

_____

_____ _____

Worker's Signature Today's Date

Section 3 Business Certification

- To be completed by the business claiming Section 3 business status.

All contracts and subcontracts awarded on Section 3 covered projects must be reported in aggregate on the Section 3 Summary Report. For all businesses reported as being Section 3 Businesses, documentation of their status must be retained in the project files.

Projects that receive $200,000 or more in HUD funds are "Section 3 projects". Contractors are required to report on all contracts they make both with Section 3 Businesses and with businesses that are not Section 3 Businesses.

This form is a tool to determine and document the Section 3 Business status. Documentation of the status of Section 3 Businesses should be retained in the project files.

Business being certified:

Company: _____

Address: _____

Project information:

Project Name: _____

Project Address: _____

Section 3 determination

1. Is your business owned (51% or more) by individuals whose household incomes are NO GREATER THAN 80% of Area Median Income (AMI)* OR by individuals that are current public housing residents or current residents of Section 8-assisted housing?
   *Please reference https://www.huduser.gov/portal/datasets/il.html (select relevant income area to determine limits) to determine if employee is less than 80% of the current area median income.

   ( )Yes ( )No

2. Within the last three months, have 75% of all labor hours performed been performed by individuals whose household incomes are no greater than 80% of Area Median Income (AMI)?

   ( )Yes ( )No

If any of the questions above are marked "yes", the business qualifies as a Section 3 business.

I certify that the above statements are true, complete, and correct to the best of my knowledge and belief. I understand that businesses who misrepresent themselves as Section 3 business concerns and report false information to [insert name of recipient/grantee] may have their contracts terminated as default and be barred from ongoing and future considerations for contracting opportunities. I hereby certify, under penalty of law, that the following information is correct to the best of my knowledge.

BOARD OF COUNTY COMMISSIONERS
LAKE COUNTY, FLORIDA
OFFICE OF THE COUNTY MANAGER
AGENDA ITEM COVER SHEET

DATE: 03/18/2026
MEETING DATE: 4/28/2026
TO: Jennifer Barker, County Manager
ITEM TYPE: Consent Item
THRU:
ITEM ID: 42824
BY: Sandy Beckett, Office Manager
SUBJECT: Increase expenditure limits of Contract 23-510C with Flotech Environmental, LLC

RECOMMENDATION/REQUIRED ACTION: Approve

Recommend approval:
1. To increase the expenditure limits of Contract 23-510C with Flotech Environmental, LLC (Miami, FL) for Storm Drain System Cleaning not to exceed $75,000 to an estimated $150,000; and
2. To authorize the Office of Procurement Services to execute all supporting documentation.

The estimated fiscal impact is $150,000 (expenditure). Annual expenditures will not exceed the available funding in each Fiscal Year's Budget.

BACKGROUND SUMMARY: On April 18, 2023, the County Manager awarded Contract 23-510 (based on an Invitation To Bid) to a pool of three vendors with expenditures not to exceed $75,000 while staying within the fiscal year budget. Contract 23-510C is used by Road Operations and other departments for cleaning of stormwater drainage systems located within County right of way and on County-owned properties. The cost and need for this service has increased since the original award of this contract. Two of the three vendors are not being renewed due to lack of response to work orders and invoicing issues. A solicitation to replace 23-510 is currently in process. Market research indicates the increased costs are within current market conditions. Staff recommends increasing the approved expenditure amount while staying within fiscal year budget parameters, to continue effective contract utilization.

Fiscal Impact: $150,000 (expenditure)

A. CONTRACTOR will purchase and maintain at all times during the term of this Contract, without cost or expense to the COUNTY or the Lake County Water Authority (LCWA), policies of insurance as indicated below, with a company or companies authorized to do business in the State of Florida, and which are acceptable to the COUNTY and LCWA, insuring the CONTRACTOR against any and all claims, demands, or causes of action, for injuries received or damage to property relating to the performance of duties, services, or obligations of the CONTRACTOR under the terms and provisions of the Contract. An original certificate of insurance, indicating that CONTRACTOR has coverage in accordance with the requirements of this section must be received and accepted by the COUNTY and LCWA prior to contract execution or before any work begins. It will be furnished by CONTRACTOR to the COUNTY's and LCWA's Project Manager and Procurement Services Director within five working days of such request. The parties agree that the policies of insurance and confirming certificates of insurance will insure the CONTRACTOR in accordance with the following minimum limits:

i. General Liability insurance on forms no more restrictive than the latest edition of the Occurrence Form Commercial General Liability policy (CG 00 01) of the Insurance Services Office or equivalent without restrictive endorsements, with the following minimum limits and coverage:

Each Occurrence/General Aggregate	$1,000,000/2,000,000
Products-Completed Operations	$2,000,000
Personal & Adv. Injury	$1,000,000
Fire Damage	$50,000
Medical Expense	$5,000
Contractual Liability	Included

ii. Automobile liability insurance, including owned, non-owned, and hired autos with the minimum Combined Single Limit of $1,000,000

iii. Workers' compensation insurance based on proper reporting of classification codes and payroll amounts in accordance with Chapter 440, Florida Statutes, and any other applicable law requiring workers' compensation (Federal, maritime, etc.).

iv. Employers Liability with the following minimum limits and coverage:

Each Accident	$1,000,000
Disease-Each Employer	$1,000,000
Disease-Policy Limit	$1,000,000

v. Professional liability and/or specialty insurance (medical malpractice, engineers, architect, consultant, environmental, pollution, errors and omissions, etc.) insurance as applicable, with minimum limits of $1,000,000 and annual aggregate of $2,000,000.

B. Lake County, a Political Subdivision of the State of Florida, the Board of County Commissioners, and the LCWA and its Board, will be named as additional insured as their interest may appear all applicable policies. Certificates of insurance must identify the Solicitation/Contract number in the Description of Operations section on the Certificate.

C. CONTRACTOR must provide a minimum of 30 days prior written notice to the County and LCWA of any change, cancellation, or nonrenewal of the required insurance.

D. Certificates of insurance must evidence a waiver of subrogation in favor of the COUNTY and the LCWA, that coverage must be primary and noncontributory, and that each evidenced policy includes a Cross Liability or Severability of Interests provision, with no requirement of premium by the COUNTY or the LCWA.

E. CONTRACTOR must provide a copy of all policy endorsements, reflecting the required coverage, with Lake County and the LCWA listed as an additional insured along with all required provisions to include waiver of subrogation. Contracts cannot be completed without this required insurance documentation. A certificate of insurance (COI) will not be accepted in lieu of the policy endorsements.

F. Certificate holders must be:

LAKE COUNTY, A POLITICAL SUBDIVISION OF THE STATE OF FLORIDA,
AND THE BOARD OF COUNTY COMMISSIONERS.
P.O. BOX 7800
TAVARES, FL 32778-7800

and

LAKE COUNTY WATER AUTHORITY
27341 FL SR-19
TAVARES, FL 32778

G. All self-insured retentions will appear on the certificates and will be subject to approval by the COUNTY and LCWA. At the option of the COUNTY and LCWA, the insurer will reduce or eliminate such self-insured retentions; or CONTRACTOR will be required to procure a bond guaranteeing payment of losses and related claims expenses.

H. The COUNTY and LCWA will be exempt from, and in no way liable for, any sums of money, which may represent a deductible or self-insured retention in any insurance policy. The payment of such deductible or self-insured retention will be the sole responsibility of the CONTRACTOR or subcontractor providing such insurance.

I. CONTRACTOR will be responsible for subcontractors and their insurance. Subcontractors are to provide Certificates of Insurance to the COUNTY and LCWA evidencing coverage and terms in accordance with the CONTRACTOR'S requirements.

J. Failure to obtain and maintain such insurance as set out above will be considered a breach of contract and may result in termination of the contract for default.

K. Neither approval by the COUNTY or LCWA of any insurance supplied by CONTRACTOR, nor a failure to disapprove that insurance, will relieve CONTRACTOR of full responsibility of liability, damages, and accidents as set forth herein.

CONTRACT NO. 23-510C

For

Storm Drain System Cleaning and Video Inspections

LAKE COUNTY, FLORIDA, a political subdivision of the State of Florida, through its Board of County Commissioners (hereinafter "County") does hereby accept, with noted modifications, if any, the bid of **Flotech Environmental, LLC** (hereinafter "Contractor") to supply **Storm Drain System Cleaning and Video Inspections** to the County pursuant to County Bid number 23-510 with any included addenda (hereinafter "Bid"), with an opening date of 2/2/2023, and Contractor's Bid response dated 2/1/2023, thereto with all County Bid provisions governing.

A copy of the Contractor's signed Bid is attached hereto and incorporated herein, thus making it a part of this Contract except that any items not awarded have been struck through. The attachments noted below (if any) are attached hereto and are also made a part of this Contract.

ATTACHMENTS:

Attachment 1 – Submittal Form with General Terms & Conditions acceptance signed by Contractor)
Attachment 2 – Pricing Sheet
Addenda 1 & 2
Exhibit A – Scope of Work
Exhibit B – Insurance Requirements
Exhibit C – Lake County General Terms & Conditions version 5.6.21 (lakecountyfl.gov)
Exbibit D – Public Works Road Operations Terms and Conditions
Exhibit H – Federally Required Clauses – Signed

No financial obligation under this Contract shall accrue against the County until a specific purchase transaction is completed pursuant to the terms and conditions of this Contract.

The County's Procurement Services Director shall be the sole judge as to the fact of the fulfillment of this Contract, and upon any breach thereof, shall, at his option, declare this Contract terminated, and for any loss or damage by reason of such breach, whether this Contract is terminated or not, said Contractor and their surety for any required bond shall be liable.

This Contract is effective from 3/24/2023 through 3/23/2024, except the County reserves the right to terminate this Contract immediately for cause and/or lack of funds and with thirty (30) day written notice for the convenience of the County. This Contract provides for two (2) two (2) year renewals at Lake County's sole option at the terms noted in the Bid.

Modifications to this Contract must be in writing signed by the County's Procurement Services Director.

Approved as to form and legality:

MMarsh 4/17/2023

Melanie Marsh, County Attorney

LAKE COUNTY, FLORIDA

Jennifer Barker

Jennifer Barker, County Manager

Date: 4/18/23

CAO review: RB 4-17-23

The undersigned hereby declares that: Flotech Environmental, LLC has examined and accepts the specifications, terms, and conditions presented in this Solicitation, satisfies all legal requirements to do business with the County, and to furnish **STORM DRAIN SYSTEM CLEANING AND VIDEO INSPECTIONS** for which Submittals were advertised to be received no later than 3:00 P.M. Eastern time on the date stated in the solicitation or as noted in an addenda. Furthermore, the undersigned is duly authorized to execute this document and any contracts or other transactions required by award of this Solicitation.

1.0 TERM OF CONTRACT

The Contract will be awarded for an initial one (1) year term with the option for two (2) subsequent two (2) year renewals. Renewals are contingent upon mutual written agreement.

The Contract will commence upon the first day of the next calendar month after approval by the authorized authority. The Contract remains in effect until completion of the expressed and implied warranty periods. The County reserves the right to negotiate for additional services/items similar in nature not known at time of solicitation.

2.0 PAYMENT

The Contractor shall email danielle.suggs@lakecountyfl.gov an accurate invoice within 30 calendar days after delivery. Invoices shall reference the: purchase/task order, delivery date, delivery location, and corresponding packing slip or delivery ticket signed by a County representative at the time of acceptance. Failure to submit invoices in the prescribed manner will delay payment.

Payments will be tendered in accordance with the Florida Prompt Payment Act, Part VII, Chapter 218, Florida Statutes. The County will remit full payment on all undisputed invoices within 45 days from receipt by the appropriate County using department. The County will pay interest not to exceed 1% per month on all undisputed invoices not paid within 30 days after the due date.

All pricing will be FOB Destination unless otherwise specified in this solicitation document. Pricing submitted will remain valid for a ninety (90) day period.

Vendor accepts MasterCard for payment: NO

3.0 CERTIFICATION REGARDING LAKE COUNTY TERMS AND CONDITIONS:

I certify that I have reviewed the General Terms and Conditions for Lake County Florida and accept the Lake County General Terms and Conditions dated 5/6/21 as written including the Proprietary/Confidential Information section. YES
Failure to acknowledge may result in Submittal being deemed non-responsive.

4.0 CERTIFICATION REGARDING FELONY CONVICTION:

Has any officer, director, or an executive performing equivalent duties, of the bidding entity been convicted of a felony during the past ten (10) years? NO

5.0 CONFLICT OF INTEREST DISCLOSURE CERTIFICATION:

Except as listed below, no employee, officer, or agent of the firm has any conflicts of interest, real or apparent, due to ownership, other clients, contracts, or interests associated with this project; and, this Submittal is made without prior understanding, agreement, or connection with any

corporation, firm, or person submitting a proposal for the same services, and is in all respects fair and without collusion or fraud. N/A

6.0 CERTIFICATION REGARDING BACKGROUND CHECKS:

Under any County Contract that involves Contractor or subcontractor personnel working in proximity to minors, the Vendor hereby confirms that any personnel so employed will have successfully completed an initial, and subsequent annual, Certified Background Check, completed by the Contractor at no additional cost to the County. The County retains the right to request and review any associated records with or without cause, and to require replacement of any Contractor employee found in violation of this requirement. Contractor shall indemnify the County in full for any adverse act of any such personnel in this regard. Additional requirements may apply in this regard as included within any specific contract award. YES

7.0 DISADVANTAGED BUSINESS ENTERPRISE PROGRAM

The County does not establish specific goals for minority set asides however, participation by minority and non-minority qualified firms is strongly encouraged. If the firm is a minority firm or has obtained certification by the State of Florida, Office of Supplier Diversity, (OSD) (CMBE), please indicate the appropriate classification(s) Hispanic Choose an item.
and enter OSD Certification Number FDOT MBE
and enter effective date 6/14/2021 to date 06/14/023

8.0 FEDERAL FUNDING REQUIREMENT:

8.1 A contract award expected to equal or exceed $25,000 or a contract award at any tier for a federally required audit (irrespective of the contract amount) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. part 180. The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Recipients, contractors, and subcontractors (at any level) that enter into covered transactions are required to verify that the entity (as well as its principals and affiliates) with which they propose to contract or subcontract is not excluded or disqualified. This is done by: (a) checking the SAM exclusions; (b) collecting a certification from that person; or (c) adding a clause or condition to the contract or subcontract.

Registration or search can be conducted here: SAM Directory and Registration website

SOLICTATION: Pipe Cleaning Services 1/17/2023

Vendors are responsible for the receipt and acknowledgement of all addenda to a solicitation. Confirm acknowledgement by including an electronically completed copy of this addendum with submittal. Failure to acknowledge each addendum may prevent the submittal from being considered for award.

THIS ADDENDUM DOES NOT CHANGE THE DATE FOR RECEIPT OF PROPOSALS.

QUESTIONS/RESPONSES

Q1. Group 2/Plug Installation Removal AND Group 3/Dewatering on Pricing Sheet has categories for "light, medium, and heavy." Could these categories possibly be revised to "daily, weekly, and monthly", or something similar, to avoid confusion?

R1. See Attachment 2 Pricing Sheet – REVISED to include "Daily" pricing for Group 2 – Plug Installation and Removal and, Group 3 – Dewatering.

Q2. Can the County provide dimensions for Contech provided Water Quality Units?

R.2 Access to the following SharePoint link will provide the information requested: https://lcbcc.sharepoint.com/:f:/s/Procurement/EgtRxG2WArBJjI1Ofu-Ga1sBs8UCmqt4B1vflVZLOUNrZA?e=a0dQIJ

Q3. Will the County consider removing "Root Cleaning Chemical" line items as this is an extremely specialized service the County is requesting.

R3. **This will not be removed from the bid.**

Q4. If the County will not consider the above request, will the County consider awarding the project to multiple bidders?

R4. **The intent is to award to a pool of vendor for this contract.**

Q5. Can the County make available pricing bid tabs for previous contracts?

R5. **See attached "Pipe Cleaning Bid Tab."**

Q6. Page 2 of 3.3.2 "The County will provide a detailed Project Order Form for each project." Can the County supply the bidders with sample work orders showing a sizeable work order and a small one?

R6. **See attached: "Smaller – Typical Project Order Form" and "Larger Project Order Form."**

Q7. For herbicide root treatment pricing, can the County provide approved products?

R7. **The County will not supply a list of approved products but, will approve or deny products**

suggested by the Contractor when this type of work is requested.

Q8. How is water supplied and what are the cost to the Contractor?

R8. **Lake County does not have a water supply. Contractor shall be required to contact the applicable municipality to obtain water.**

1. SCOPE OF SERVICES

The Contractor shall have the experience, ability, equipment, and tools to perform the cleaning, flushing, and video recording of storm water drainpipes, box culverts, and water quality units in conjunction with the County's needs. As part of this work, the Contractor may be required to temporarily plug and dewater individual storm drain segments. Details for each project will be presented to the Contractor on a Project Order Form issued by the County.

This work shall take place in a variety of pipe sizes from twelve (12) inches up to seventy-two (72) inches, inlet boxes, box culverts, and water quality units. **It should be anticipated that the majority of the work will be in short job increments of approximately thirty (30) feet, fifty (50) feet, or one hundred (100) feet in length, although there will be pipes with substantially greater lengths.**

All activities shall be performed in accordance with the requirements of Federal, State and Local environmental standards and laws. Erosion and water pollution control shall be accomplished, meeting the requirements of the most current version of the Florida Department of Transportation (FDOT) "Standard Specifications for Road and Bridge Construction," Section 104.

This is an indefinite quantity contract with no guarantee of the volume of work to be performed. The County does not guarantee a minimum or maximum dollar amount to be expended on any contract(s) resulting from this Request for Proposals.

2. CONTRACTOR'S RESPONSIBILITIES.

Contractor Shall:

2.1. Provide services to the County on an As-Needed Basis.

2.2. Designate a project manager that shall speak English and have available communication devices with internet access to ensure proper communication and documentation during operations.

2.3. Clean the storm drainpipe, inlet box, box culvert, or water quality unit so that the drainage capacity is one hundred percent (100%) of the existing capacity. Cleaning shall be done in a manner so as not to damage the storm drainpipe, inlet boxes, box culvert, water quality unit, or the surrounding area.

2.4. Be responsible to supply water needed as part of their operations. The County does not have a water supply. The Contractor will be required to contact the applicable municipality to obtain water.

2.5. Be responsible to properly dispose of all debris removed as a result of the cleaning. The Contractor shall ensure that the disposal complies with all Federal, State and Local laws and regulations and provide documentation of the disposal from an approved facility. (F.S. 403.7071, F.S. 403.7071) Receipts indicating that the Contractor has properly disposed of the debris within the guidelines of all appropriate laws shall be supplied to the County with each invoice.

4.2. PLUGGING AND DEWATERING

4.2.1. The manner in which the dewatering shall be accomplished shall be approved by the County Project Manager before the work shall commence. The costs will be based on the size and length of the pipe calculated at the unit price as shown on the bid sheet.

4.2.2. When plug installation is required to complete the work the costs shall be based on the size of the pipe and shall be invoiced at the unit price submitted in the pricing section of this solicitation. The submitted price shall include both the installation and removal of the plug.

4.2.3. Temporary plugs used to block the storm pipes for dewatering purposes must be removed prior to rainfall events or at the determination of the County Project Manager at no additional cost to the County. The Contractor shall be held accountable for any and all damages due to flooding caused by blocking of the storm drainpipe system if not removed in a timely manner.

4.2.4. When pumping and bypassing is required, the Contractor shall supply the pumps, conduits, and any other equipment necessary to divert the flow of storm water around the section in which the work is to be performed. The bypass system shall be of sufficient capacity to handle the existing flow plus any additional flow that may occur during a rainstorm. The Contractor will be responsible for furnishing the necessary labor and supervision to set up and operate the pumping and bypassing system. If pumping is required on a twenty-four (24) hour basis, pumps shall be equipped in a manner to keep noise to a minimum.

4.3. WATER JET CLEANING

4.3.1. Cleaning of the pipe, inlet box, box culvert, or water quality unit, shall be completed with the use of high-velocity jet (hydro-cleaning) equipment. The equipment shall have a minimum capacity of fifty (50) gallons per minute and a working pressure of two thousand (2,000) pounds per square inch. The nozzles shall be capable of producing a scouring action from fifteen degrees (15°) to forty-five degrees (45°) in all size lines designated to be cleaned. All high-velocity cleaning equipment shall be constructed for ease and safety of operation. There shall also be available a high-velocity gun for washing and scouring manhole walls and floor. The gun shall be capable of producing flows from a fine spray to a solid stream.

4.4. ROOT TREATMENTS

4.4.1. Roots shall be removed from the designated sections where root intrusion is a problem. Special attention should be used during the cleaning operation to assure complete removal of roots from the joints. Any roots which could prevent the proper application of chemical sealants shall be removed. Procedures may include the use of mechanical equipment such as, but not limited to, rodding machines, bucket machines and winches using root cutters and porcupines, and equipment such as high-velocity jet cleaners. If it is found that the process of removing the roots from the pipes is causing damage to the pipe, the operation shall be stopped, and the County Project Manager shall be consulted before further work commences.

and no additional viewing will be required. The Contractor shall invoice the County at the per linear foot unit rate for the footage that was actually completed.

4.6. WATER QUALITY UNITS

4.6.1. It shall be the responsibility of the Contractor to ensure that all units are properly cleaned as per the manufacturer's specifications. The County anticipates cleaning each unit one (1) time per year. The quantity of services may increase or decrease depending on the amount of debris that has accumulated within the unit. It is the responsibility of the Contractor to ensure that the debris, including oils or other chemicals, removed from the unit is properly disposed of as required per this solicitation.

4.6.2. There are currently thirty-one (31) water quality units in Lake County. A listing of the location and type of water quality units can be found as an attachment to this solicitation.

4.7. BOX CULVERTS

4.7.1. It shall be the responsibility of the Contractor to ensure that all structures are properly cleaned at the discretion of the County. The County anticipates cleaning each structure biannually or once every two years. The quantity of services may increase or decrease depending on the amount of debris that has accumulated within the structure. It is the responsibility of the Contractor to ensure that the debris removed from the culvert is property disposed of as required per this solicitation.

4.7.2. There are nineteen (19) structure locations in Lake County. The Contractor shall invoice the County per cubic yard of spoils removed. A listing of the locations can be found as an attachment to this solicitation.

4.8. DOCUMENTS AND REPORTS

4.8.1. The Contractor shall provide the County with a detailed summary report of all work completed for each Project Order. Each report shall include the following:

- The culvert size, length of the segment, sump depth within the inlet box, storm drainpipe inverts at each end, and type of storm drain.
- An outline including the type and severity of each observed defect.
- Field report copies to further assist the County in understanding and using the results of the viewed project.
- An aerial map depicting the location of the storm drainpipe or inlet box, box culvert, or water quality unit shown. Any deficiency detected from the video or observed during the cleaning process shall be indicated on the map with the footage of where the deficiency occurs.
- Video, if requested, of the pipe.

4.8.2. This report shall be submitted to the County Project Manager within ten (10) calendar days of completion of all field activities and within the stated time of completion for each project.

5. BASIS OF PAYMENT

5.1. Payment shall be made at the prices submitted in this solicitation. Pricing submitted shall include all: labor, equipment, materials, fuel, maintenance of traffic, mobilization, debris removal and disposal, and all incidentals necessary to complete all work as specified. The Contractor shall be compensated at the unit price, as specified in the Contractor's bid proposal, multiplied by the actual units completed and accepted by the County, less any damages assessed.

5.2. Each Project Order Form issued to the Contractor will have estimated quantities. If for any reason the estimated quantities are significantly different than the actual quantity, the Contractor shall notify the County of the discrepancy prior to the commencement of work.

5.3. The Contractor shall provide to the County all field reports, video inspections, and debris removal tickets with or prior to submitting an invoice for payment.

[*The remainder of this page intentionally left blank*]

A. CONTRACTOR will purchase and maintain at all times during the term of this Contract, without cost or expense to the COUNTY, policies of insurance as indicated below, with a company or companies authorized to do business in the State of Florida, and which are acceptable to the COUNTY, insuring the CONTRACTOR against any and all claims, demands, or causes of action, for injuries received or damage to property relating to the performance of duties, services, or obligations of the CONTRACTOR under the terms and provisions of the Contract. An original certificate of insurance, indicating that CONTRACTOR has coverage in accordance with the requirements of this section must be received and accepted by the COUNTY prior to contract execution or before any work begins. It will be furnished by CONTRACTOR to the COUNTY'S Project Manager and Procurement Services Director within five working days of such request. The parties agree that the policies of insurance and confirming certificates of insurance will insure the CONTRACTOR in accordance with the following minimum limits:

i. General Liability insurance on forms no more restrictive than the latest edition of the Occurrence Form Commercial General Liability policy (CG 00 01) of the Insurance Services Office or equivalent without restrictive endorsements, with the following minimum limits and coverage:

Each Occurrence/General Aggregate	$1,000,000/2,000,000
Products-Completed Operations	$2,000,000
Personal & Adv. Injury	$1,000,000
Fire Damage	$50,000
Medical Expense	$5,000
Contractual Liability	Included

ii. Automobile liability insurance, including owned, non-owned, and hired autos with the minimum Combined Single Limit of $1,000,000

iii. Workers' compensation insurance based on proper reporting of classification codes and payroll amounts in accordance with Chapter 440, Florida Statutes, and any other applicable law requiring workers' compensation (Federal, maritime, etc.). If not required by law to maintain workers compensation insurance, the CONTRACTOR must provide a notarized statement that if he or she is injured, he or she will not hold the COUNTY responsible for any payment or compensation.

iv. Employers Liability with the following minimum limits and coverage:

Each Accident	$1,000,000
Disease-Each Employer	$1,000,000
Disease-Policy Limit	$1,000,000

v. Professional liability and specialty insurance (engineers, consultant, environmental, pollution, errors, and omissions, etc.) as applicable, with minimum limits of $1,000,000 and annual aggregate of $2,000,000.

B. Lake County, a Political Subdivision of the State of Florida, and the Board of County Commissioners, will be named as additional insured as their interest may appear all applicable

LAKE COUNTY, FLORIDA – GENERAL TERMS AND CONDITIONS

DEFINITIONS

Contract: The agreement to perform the services set forth in a document signed by both parties with any attachments specifically incorporated.

Contractor: The Vendor to whom award has been made.

County: Lake County, Florida, a political subdivision of the State of Florida.

Proposal: Any offer submitted in response to a solicitation.

Solicitation: The written document requesting bids, quotes, or proposals from the marketplace.

Vendor: Any entity responding to a solicitation or performing under any resulting contract.

INSTRUCTIONS TO VENDORS

A. Vendor Qualification: The County requires Vendors provide evidence of compliance with the requirements below upon request:
   1. Disclosure of Employment.
   2. Disclosure of Ownership.
   3. Drug-Free Workplace.
   4. W-9 and 8109 Forms – as required by the Internal Revenue Service.
   5. Americans with Disabilities Act (ADA).
   6. Conflict of Interest.
   7. Debarment Disclosure Affidavit.
   8. Nondiscrimination.
   9. Family Leave.
   10. Antitrust Laws – By acceptance of any contract, the Vendor agrees to comply with all applicable antitrust laws.

B. Public Entity Crimes: Pursuant to Section 287.133, Florida Statutes, a person or affiliate who has been placed on the convicted vendor list following a conviction of a public entity crime may not be awarded or perform work as a contractor, supplier, subcontractor, or contractor under a contract with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for Category Two for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

C. Contents of Solicitation and Vendors' Responsibilities: The Vendor shall be thoroughly familiar with the requirements of this solicitation. Ignorance of these matters by the Vendor will not be accepted as a basis for varying the requirements of the County, or the compensation to be paid.

E. Restricted Discussions: From the date of solicitation issuance until final County action, Vendors will not discuss any part of the solicitation with any employee, agent, or other representative of the County except as expressly authorized by the designated procurement representative. The only communications that will be considered pertinent to a solicitation are appropriately signed written documents from the Vendor to the designated procurement representative and any relevant written document promulgated by the designated procurement representative.

F. Changes to Proposal: Prior to the scheduled due date, a Vendor may change its Proposal by submitting a new one with a letter on the firm's letterhead, signed by an authorized agent stating that the new submittal replaces the original. The new submittal must contain the letter and all information as required in the solicitation.

G. Withdrawal of Proposal: A Proposal will be irrevocable unless it is withdrawn as provided in a solicitation. A Proposal may be withdrawn, either physically or by written notice, at any time prior to solicitation award. If withdrawn by written notice, that notice must be addressed to, and received

by, the designated procurement representative. The letter must be on company letterhead and signed by an authorized agent of the Vendor.

H. Conflicts within the Solicitation: Where there appears to be a conflict between the General Terms and Conditions, Special Conditions, the Technical Specifications, the Pricing Section, or any addendum issued, the order of precedence will be: the last addendum issued, the Proposal Price Section, the Technical Specifications, the Special Conditions, and then the General Terms and Conditions. It is incumbent upon the Vendor to identify such conflicts to the designated procurement representative prior to the Proposal due date.

I. Prompt Payment Terms: Payment for all purchases by County agencies will be made in a timely manner and interest payments will be made on late payments in accordance with Part VII, Chapter 218, Florida Statutes, known as the Florida Prompt Payment Act. The Vendor may offer cash discounts for prompt payments; however, such discounts will not be considered in determining the lowest price during Proposal evaluation.

PREPARATION OF PROPOSALS

A. The pricing section of a solicitation defines requirements of items to be purchased and must be completed and submitted with the Proposal. Use of any other form or alteration of the form may result in rejection of the Proposal.

B. The Proposal submitted must be legible. Vendors shall type or use an ink to complete the Proposal. All changes must be crossed out and initialed in ink. Failure to comply with these requirements may cause the bid to be rejected.

C. An authorized agent of the Vendor's firm must sign the Proposal. The County may reject any Proposal not signed by an authorized agent.

D. The Vendor may submit alternate Proposals for the same solicitation provided that such offer is allowable under the terms and conditions. The alternate Proposal must meet or exceed the minimum requirements and be submitted as a separate Proposal marked "Alternate Proposal."

E. When there is a discrepancy between the unit prices and any extended prices, the unit prices will prevail. The County reserves the right to allow for clarification of questionable entries and the correction of obvious mistakes.

F. Any Proposal received after the designated receipt date will be considered late and will not be considered for award.

COLLUSION

Where two (2) or more related parties each submit a Proposal for the same contract, such Proposals will be presumed to be collusive. Furthermore, any prior understanding, agreement, or connection between two (2) or more corporations, firms, or persons submitting a Proposal for the same materials, supplies, services, or equipment will also be presumed to be collusive. Proposals found to be collusive will be rejected. Vendors which have been found to have engaged in collusion may be considered non-responsible and may be suspended or debarred. Any contract resulting from collusive bidding may be terminated for default.

PROHIBITION AGAINST CONTINGENT FEES

The Vendor warrants that they have not employed or retained any company or person, other than a bona fide employee working solely for the Vendor to solicit or secure the Contract and that they have not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the Vendor, any consideration contingent upon or resulting from the award or making of the Contract.

CONTRACTING WITH COUNTY EMPLOYEES

Any County employee or immediate family member seeking to contract with the County shall seek a conflict of interest opinion from the County Attorney prior to submittal of a Proposal. The affected employee shall disclose the employee's assigned function within the County and interest or the interest of his or her immediate family in the proposed contract and the nature of the intended contract.

INCURRED EXPENSES

A solicitation does not commit the County to make an award nor will the County be responsible for any cost or expense which may be incurred by any Vendor in preparing and submitting a Proposal, or any cost or expense incurred by any Vendor prior to the execution of a purchase order or contract.

AWARD

A. The Contract resulting from a solicitation may be awarded to the responsible Vendor which submits a Proposal determined to provide the best value to the County with price, technical, and other applicable factors considered. The County reserves the right to reject any and all Proposals, to waive irregularities or technicalities, and to re-advertise for all or any part of this solicitation as deemed in its best interest. The County will be the sole judge of its best interest.

B. When there are multiple line items in a solicitation, the County reserves the right to award on an individual item basis, any combination of items, total low bid, or in whichever manner deemed in the best interest of the County. This provision specifically supersedes any method of award criteria stated in the solicitation when such action is necessary to protect the best interests of the County.

C. The County reserves the right to reject any and all Proposals if it is determined that prices are excessive or determined to be unreasonable, or it is otherwise determined to be in the County's best interest to do so.

D. The County reserves the right to reject offers containing terms or conditions contradictory to the County's.

E. Award of a solicitation will be made to firms satisfying all necessary legal requirements to do business with the County. The County may conduct a pre-award inspection of the Vendor's site or hold a pre-award qualification hearing to determine if the Vendor can perform the requirements of a solicitation.

F. The Vendor's performance as a Contractor or subcontractor on previous County contracts will be considered in evaluating the responsibility of the Vendor.

G. Any tie situations will be resolved in consonance with current written County procedure.

H. The County has imposed a reciprocal match local vendor preference practice to ensure an equal procurement environment for all potential vendors unless prohibited by the funding source. More information is available on Section 2-222, Local Vendor Preference.

I. Award of the contract resulting from this solicitation may be predicated on compliance with and submittal of all required documents as stipulated in the solicitation.

J. A Vendor wishing to protest any award decision resulting from a solicitation may do so per the Procurement Protest Procedures site.

GRANT FUNDING

In the event any part of a Contract is to be funded by federal, state, or other local agency monies, the Vendor hereby agrees to comply with all requirements of the funding entity applicable to the use of the monies, including full application of requirements involving the use of minority firms, women's business enterprises, and labor surplus area firms. Contractors are advised that payments under the Contract may

be withheld pending completion and submission of all required forms and documents required of the Contractor pursuant to the grant funding requirements.

STATE REGISTRATION REQUIREMENTS

Any entity conducting business in Florida shall either be registered or have applied for registration with the Florida Department of State in accordance with Florida law, unless exempt from registration. A copy of the registration may be required prior to award of a Contract. Additional information is available by visiting the Florida Department of State home page.

PRIME CONTRACTOR

The Vendor awarded a Contract shall act as the Prime Contractor and will assume full responsibility for the successful performance under the Contract. The Awarded Vendor (Contractor) will be considered the sole point of contact regarding meeting all requirements of the Contract. All subcontractors may be subject to advance review by the County regarding competency and security concerns. No change in subcontractors may be made without the consent of the County after the award of the Contract. Contractor will be responsible for all insurance, permits, licenses, and related matters for any and all subcontractors. County may require the Contractor to provide any insurance certificates required by the work to be performed even if the subcontractor is self-insured.

SUBCONTRACTING

Unless otherwise stipulated in a solicitation, the Contractor shall not subcontract any portion of the work without the prior written consent of the County. Subcontracting without the prior consent of the County may result in termination of the Contract for default.

DISADVANTAGED BUSINESSES

The County has adopted policies which assure and encourage the full participation of Disadvantaged Business Enterprises (DBE) in the provision of goods and services. The County encourages joint ventures between majority-owned firms and qualified disadvantaged/minority/women-owned firms.

GENERAL CONTRACT CONDITIONS

The Contract will be binding upon and will inure to the benefit of each of the parties and respective successors and permitted assigns. The Contract may not be amended, released, discharged, rescinded or abandoned, except by a written instrument duly executed by the parties. The failure of any party at any time to enforce any of the provisions of the Contract will in no way constitute or be construed as a waiver of such provision or of any other provision of the Contract, nor in any way affect the validity of, or the right to enforce, each and every provision of the Contract. Any dispute arising during Contract performance that is not readily rectified by coordination between the Contractor and the County user department will be referred to Procurement Services.

GOVERNING LAW

The interpretation, effect, and validity of any contract will be governed by the laws and regulations of the State of Florida, and Lake County, Florida. Venue of any court action will be solely in Lake County, Florida. The Contractor hereby waives its right to a jury trial.

COMPLIANCE OF LAWS, REGULATIONS, AND LICENSES

The Contractor shall comply with all federal, state, and local laws and regulations applicable to provision of the goods or services specified in a solicitation. During the term of a Contract, the Contractor assures that it is in compliance with Title VII of the 1964 Civil Rights Act, as amended, and the Florida Civil Rights Act of 1992, in that the Contractor does not on the grounds of race, color, national origin, religion, sex, age, disability or marital status, discriminate in any form or manner against its employees or

applicants for employment. The Contractor understands that any Contract is conditioned upon the veracity of this statement.

CONTRACT EXTENSION

The County has the unilateral option to extend a Contract for up to ninety (90) calendar days beyond the current Contract period. In such event, the County will notify the Contractor in writing of such extensions. The Contract may be extended beyond the initial ninety (90) day extension upon mutual agreement between the County and the Contractor. Exercise of the above options requires the prior approval of the Procurement Services Director.

MODIFICATION OF CONTRACT

Any Contract resulting from a solicitation may be modified by mutual consent of duly authorized parties, in writing through the issuance of a modification to the Contract or purchase order as appropriate. This presumes the modification itself complies with all applicable County procedures.

ASSIGNMENT

The Contractor shall not assign or transfer any Contract resulting from a solicitation, including any rights, title or interest in the Contract, or its power to execute such Contract to any entity without the prior written consent of the County. This provision includes any acquisition or hostile takeover of the Contractor. Failure to comply may result in termination of the Contract for default.

NON-EXCLUSIVITY

It is the intent of the County to enter into an agreement that will satisfy its needs as described within a solicitation. However, the County reserves the right to perform, or cause to be performed, all or any of the work and services described in a solicitation in the manner deemed to represent its best interests. In no case will the County be liable for billings in excess of the quantity of goods or services provided under the Contract.

OTHER AGENCIES

Other governmental agencies may make purchases in accordance with the Contract with Contractor consent. Purchases are governed by the Contract's terms and conditions except for the change in agency name. Each agency will be responsible and liable for its own purchases for materials or services received.

CONTINUATION OF WORK

Any work that commences prior to, and will extend, beyond the expiration date of any Contract period must, unless terminated by mutual written agreement between the County and the Contractor, continue until completion without change to the then current prices, terms and conditions.

WARRANTY

All warranties express and implied, must be made available to the County for goods and services covered by a solicitation. All goods furnished must be fully guaranteed by the Contractor against factory defects and workmanship. They will be covered by the most favorable commercial warranty given for comparable quantities of products or services and the rights and remedies provided in the Contract will be in addition to the warranty and do not limit any right afforded to the County by any other provision of a solicitation. Contractor shall correct any and all apparent and latent defects that may occur within the manufacturer's standard warranty period at no expense to the County. The special conditions of a solicitation may supersede the manufacturer's standard warranty.

DEFICIENCIES IN WORK TO BE CORRECTED BY THE CONTRACTOR

Contractor shall promptly correct all apparent and latent deficiencies or defects in work, or any work that fails to conform to the Contract documents regardless of project completion status. All corrections

must be made within seven (7) calendar days after such rejected defects, deficiencies, or non-conformances are verbally reported to the Contractor by the County's project administrator. Contractor must bear all costs of correcting such rejected work. If the Contractor fails to correct the work within the period specified, the County may, at its discretion, notify the Contractor, in writing, that the Contractor is subject to contractual default provisions if the corrections are not completed to the satisfaction of the County within seven (7) calendar days of receipt of the notice. If the Contractor fails to correct the work within the period specified in the notice, the County may place the Contractor in default, obtain the services of another Contractor to correct the deficiencies, and charge the incumbent Contractor for these costs, either through a deduction from the final payment owed to the Contractor or through invoicing. If the Contractor fails to honor this invoice or credit memo, the County may terminate the contract for default.

COUNTY IS TAX-EXEMPT

When purchasing on a direct basis, the County is generally exempt from Federal Excise Taxes and all State of Florida sales and use taxes (85-8013874700C-1). Visit Lake County Tax Exemption Certificate page to print a copy of the certificate. Except for items specifically identified by the Contractor and accepted by the County for direct County purchase under the Sales Tax Recovery Program, Contractors doing business with the County are not exempt from paying sales tax to their suppliers for materials to fulfill contractual obligations with the County, nor will any Contractor be authorized to use any of the County's Tax Exemptions in securing such materials.

SHIPPING TERMS, F.O.B. DESTINATION

The F.O.B. point for any product ordered will be F.O.B.: DESTINATION – Inside Delivery, FREIGHT ALLOWED. The County will not consider any Proposal showing a F.O.B. point other than F.O.B.: Destination – Inside Delivery.

ACCEPTANCE OF GOODS OR SERVICES

The products delivered as a result of a solicitation will remain the property of the Contractor, and services rendered under the Contract will not be deemed complete, until a physical inspection and actual usage of the products or services is accepted by the County and is in compliance with the terms in the contract.

Any goods or services purchased as a result of a solicitation or Contract may be tested/inspected for compliance with specifications. In the event that any aspect of the goods or services provided is found to be defective or does not conform to the specifications, the County reserves the right to terminate the Contract or initiate corrective action on the part of the Contractor, to include return of any non-compliant goods to the Contractor at the Contractor's expense, requiring the Contractor to either provide a direct replacement for the item, or a full credit for the returned item. The Contractor shall not assess any additional charges for any conforming action taken by the County under this clause. The County will not be responsible to pay for any product or service that does not conform to the Contract specifications.

In addition, any defective product or service or any product or service not delivered or performed by the date specified in a purchase order or Contract, may be procured by the County on the open market, and any increase in cost may be charged against the Contractor. Any cost incurred by the County in any re-procurement plus any increased product or service cost will be withheld from any monies owed to the Contractor by the County for any Contract or financial obligation.

ESTIMATED QUANTITIES

Estimated quantities or dollars are for the Vendor's guidance only and may be used in the award evaluation process. No guarantee is expressed or implied as to quantities or dollar value that will be used during the Contract period. The County is not obligated to place any order for a given amount subsequent

to the award of a solicitation. In no event will the County be liable for payments in excess of the amount due for quantities of goods or services actually ordered.

PURCHASE OF OTHER ITEMS

While the County has listed all major items within a solicitation, there may be ancillary or similar items purchased by the County during the term of a Contract. The Contractor will provide a price quote for the ancillary items. The County may request price quotes from all Contractors under Contract if there are multiple Contracts. The County reserves the right to award these ancillary items to the primary Contractor, another Contract Contractor based on the lowest price quoted, or to acquire the items through a separate solicitation.

Although a Contract may identify specific locations to be serviced, it is hereby agreed and understood that any County department or facility may be added or deleted to the Contract at the option of the County. The location change will be addressed by formal Contract modification. The County may obtain price quotes for the additional facilities from other Vendors if fair and reasonable pricing is not obtained from the Contractor, or for other reasons at the County's discretion. It is hereby agreed and understood that the County may delete service locations when such service is no longer required, upon fourteen (14) calendar days' written notice to the Contractor.

SAFETY

The Contractor will be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the work and for complying with all requirements of the Occupational Safety and Health Administration Act (OSHA). The Contractor shall take all necessary precautions for the safety of and shall provide the necessary protection to prevent damage, injury, or loss to persons or property.

The Contractor shall provide all standard equipment, work operations, safety equipment, personal protective equipment, and lighting required or mandated by State, Federal, OSHA, or Americans with Disabilities Act of 1990 (ADA) regulations.

The Contractor shall designate a competent person of its organization whose duty will be the prevention of accidents at the site. This person must be literate and able to communicate fully in the English language because of the necessity to read job instructions and signs, as well as the need for conversing with County personnel. This person must be the Contractor's superintendent unless otherwise designated in writing by the Contractor to the Contract Manager.

MATERIAL SAFETY DATA SHEET (MSDS)

The Contractor is responsible to ensure the County has received the latest version of any MSDS required by 29 C.F.R. Section 1910.1200 with the first shipment of any hazardous material. The Contractor shall promptly provide a new MSDS to the County with the new information relevant to the specific material at any time the content of an MSDS is revised.

TOBACCO PRODUCTS

Tobacco use, including both smoke and smokeless tobacco, is prohibited on County owned property.

CLEAN-UP

If applicable, all unusable materials and debris must be removed from the premises at the end of each workday and disposed of in an appropriate manner. The Contractor shall thoroughly clean up all areas where work has been involved as mutually agreed with the associated user department's project manager upon final completion.

PROTECTION OF PROPERTY

All existing structures, utilities, services, roads, trees, shrubbery, and property in which the County has an interest must always be protected against damage or interrupted services by the Contractor during the term of a Contract. The Contractor will be held responsible for repairing or replacing property to the satisfaction of the County which is damaged by reason of the Contractor's operation on the property. In the event the Contractor fails to comply with these requirements, the County reserves the right to secure the required services and charge the costs of such services back to the Contractor.

CERTIFICATE OF COMPETENCY/LICENSURE, PERMITS, AND FEES

Any Vendor that submits an offer in response to a County solicitation shall, at the time of such offer if required, hold a valid Certificate of Competency or appropriate current license issued by the State or County Examining Board qualifying the Vendor to perform the work proposed. If work for other trades is required in conjunction with a solicitation, and such work will be performed by subcontractors hired by the Vendor, an applicable Certificate of Competency/license issued to the subcontractors must be submitted with the Vendor's offer. The County may at its option and in its best interest, allow the Vendor to supply the subcontractors certificate/license to the County during the offer evaluation period. The Contractor is responsible to ensure that all required licenses, permits, and fees (to include any inspection fees) required for a project are obtained and paid for, and shall comply with all laws, ordinances, regulations, and building or other code requirements applicable to the work contemplated in a solicitation. Damages, penalties, or fines imposed on the County or the Contractor for failure to obtain required licenses, permits, inspection or other fees, or inspections will be borne by the Contractor.

TRUTH IN NEGOTIATION CERTIFICATE

Any organization awarded a Contract must execute a truth-in-negotiation certificate stating that the wage rates and other factual unit costs are accurate, complete, and current, at the time of contracting for each Contract that exceeds $195,000.00. Any Contract requiring this certificate will contain a provision that the original Contract price and any additions will be adjusted to exclude any significant sums by which the County determines the Contract price was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs. All such Contract adjustments will be made within one (1) year following the end of the Contract.

COMPETENCY OF VENDORS AND ASSOCIATED SUBCONTRACTORS

Proposals will be considered from firms which are regularly engaged in the business of providing or distributing the goods or services described in the solicitation, and who can produce evidence of a consistent satisfactory record of performance. The County may consider any evidence available to it of the financial, technical, and other qualifications and abilities of any Vendor responding under a solicitation, including past performance with the County. Vendors must have sufficient financial support and organization to ensure satisfactory delivery under the stated solicitation terms and conditions of any Contract awarded. In the event the Vendor intends to subcontract any part of its work or will obtain the goods specifically offered under the Contract from another source of supply, the Vendor may be required to verify the competency of its subcontractor or supplier. The County reserves the right, before awarding the Contract, to require a Vendor to submit such evidence of its or its subcontractor's qualifications.

RESPONSIBILITY AS EMPLOYER

The employees of the Contractor will always be considered its employees, and not an employees or agents of the County. The Contractor shall provide employees capable of performing the work as required. The County may require the Contractor to remove any employee it deems unacceptable. All employees of the Contractor may be required to wear appropriate identification.

MINIMUM WAGES

Under the Contract, the wage rate paid to all laborers, mechanics and apprentices employed by the Contractor for the work under the Contract, must not be less than the prevailing wage rates for similar classifications of work as established by the Federal Government and enforced by the U.S. Department of Labor, Wages and Hours Division, and Florida's Minimum Wage requirements in Article X, Section 24 (f) of the Florida Constitution and enforced by the Florida Legislature by statute or the State Agency for Workforce Innovation by rule, whichever is higher.

PRICE REDETERMINATIONS

Contractor may petition for a price redetermination with documented increases in the cost of wages, fuel, or materials within 30 calendar days of the anniversary date of the Contract. Price redeterminations will be based upon changes documented by the applicable Employment Cost Index (ECI) or Producer Price Index (PPI) as published on the *Bureau of Labor Statistics site here*. Contractor may petition for price redetermination for Contractor's minimum wage employees should the minimum wage increase during the Contract. Upon verification, the County may grant an increase matching the minimum wage increase.

INDEMNIFICATION

To the extent permitted by law, the Contractor shall indemnify and hold harmless the County and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the County or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of the Contract by the Contractor or its employees, agents, servants, partners, principals or subcontractors. The Contractor shall pay all claims and losses in connection with those claims and losses, and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the County, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may be incurred. The Contractor expressly understands and agrees that any insurance protection required by the Contract or otherwise provided by the Contractor will in no way limit the responsibility to indemnify, keep and hold harmless and defend the County or its officers, employees, agents and instrumentalities as provided in a solicitation or any Contract arising from a solicitation.

TERMINATION FOR CONVENIENCE

The County, at its sole discretion, reserves the right to terminate the Contract upon thirty (30) days' written notice. Upon receipt of such notice, the Contractor shall not incur any additional costs under the Contract. The County will be liable only for reasonable costs incurred by the Contractor prior to notice of termination. The County will be the sole judge of "reasonable costs."

TERMINATION DUE TO UNAVAILABILITY OF CONTINUING FUNDING

When funds are not appropriated or otherwise made available to support continuation of performance in a current or subsequent fiscal year, the Contract will be cancelled, and the Contractor will be reimbursed for the reasonable value of any non-recurring costs incurred amortized in the price of the supplies or services/tasks delivered under the contract.

TERMINATION FOR DEFAULT

The County reserves the right to terminate any Contract arising from a solicitation, in part or in whole, or affect other appropriate remedy in the event the Contractor fails to perform in accordance with the terms and conditions stated in the Contract. The County further reserves the right to suspend or debar the Contractor in accordance with the County's ordinances, resolutions and administrative orders. The Contractor will be notified by letter of the County's intent to terminate and the Contractor will be given

ten (10) calendar days to cure the breach. In the event of termination for default, the County may procure the required goods and services from any source and use any method deemed in its best interest. All re-procurement costs will be borne by the Contractor.

FRAUD AND MISREPRESENTATION

Any individual, corporation or other entity that attempts to meet its contractual obligations through fraud, misrepresentation or other material misstatement, may be debarred for up to five (5) years. The County as a further sanction may terminate or cancel any other Contracts with such individual, corporation or entity with such Contractor held responsible for all direct or indirect costs associated with termination or cancellation, including attorneys' fees.

RIGHT TO AUDIT

The County reserves the right to require the Contractor to submit to an audit, by any auditor of the County's choosing. The Contractor shall provide access to all of its records, which relate directly or indirectly to the contract at its place of business during regular business hours. The Contractor shall retain all records pertaining to the contract and upon request make them available to the County for three (3) complete calendar years following expiration of the contract. The Contractor agrees to provide such assistance as may be necessary to facilitate the review or audit by the County to ensure compliance with applicable accounting and financial standards.

If the Contractor provides technology services, the Contractor must provide Statement of Standards for Attestations Engagements (SSAE) 16 or 18 and System and Service Organization Control (SOC) reports upon request by the County. The SOC reports must be full Type II reports that include the Contractor's description of control processes, and the independent auditor's evaluation of the design and operating effectiveness of controls. The cost of the reports will be paid by the Contractor.

If an audit inspection or examination pursuant to this section discloses overpricing or overcharges of any nature by the Contractor to the County in excess of one percent (1%) of the total contract billings, in addition to making adjustments for the overcharges, the reasonable actual cost of the County's audit must be reimbursed to the County by the Contractor. Any adjustments or payments which must be made as a result of any such audit or inspection of the Contractor's invoices or records must be made within a reasonable amount of time, but in no event may the time exceed ninety (90) calendar days, from presentation of the County's audit findings to the Contractor.

This provision is hereby considered to be included within, and applicable to, any subcontractor agreement entered into by the Contractor in performance of any work under the contract.

PROPRIETARY/CONFIDENTIAL INFORMATION

Vendors are hereby notified that all information submitted as part of a Proposal will be available for public inspection in compliance with Chapter 119 of the Florida Statutes (the "Public Record Act"). The Vendor should not submit any information in response to a solicitation which the Vendor considers proprietary or confidential. The submission of any information to the County in connection with a solicitation will be deemed a waiver from release of the submitted information unless such information is exempt or confidential under the Public Records Act.

PUBLIC RECORDS LAW

Pursuant to section 119.0701(2)(a), Florida Statutes, the County is required to provide Contractor with this statement and establish the following requirements as contractual obligations pursuant to the contract:

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY

TO PROVIDE PUBLIC RECORDS RELATING TO THIS SOLICITATION, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 352-343-9839, PURCHASING@LAKECOUNTYFL.GOV, BY MAIL, OFFICE OF PROCUREMENT SERVICES, ATTN: RON FALANGA, P.O. BOX 7800 TAVARES, FL 32778.

By entering into the Contract, Contractor acknowledges and agrees that any records maintained, generated, received, or kept in connection with, or related to the performance of services provided under, the Contract are public records subject to the public records disclosure requirements of section 119.07(1), Florida Statutes, and Article I, section 24 of the Florida Constitution. Pursuant to section 119.0701, Florida Statutes, any Contractor entering into a contract for services with the County is required to:

A. Keep and maintain public records required by the County to perform the services and work provided pursuant to the Contract.

B. Upon request from the County's custodian of public records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Contract term and following completion or termination of the Contract if the Contractor does not transfer the records to the County.

D. Upon completion or termination of the Contract, transfer, at no cost, to the County all public records in the possession of the Contractor or keep and maintain public records required by the County to perform the service. If the Contractor transfers all public records to the County upon completion or termination of the Contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion or termination of the Contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of public records, in a format that is compatible with the information technology systems of the County.

Requests to inspect or copy public records relating to the County's Contract for services must be made directly to the County. If Contractor receives any such request, Contractor shall instruct the requestor to contact the County. If the County does not possess the records requested, the County shall immediately notify the Contractor of such request, and the Contractor must provide the records to the County or otherwise allow the records to be inspected or copied within a reasonable time.

Contractor acknowledges that failure to provide the public records to the County within a reasonable time may be subject to penalties under section 119.10, Florida Statutes. Contractor further agrees not to release any records that are statutorily confidential or otherwise exempt from disclosure without first receiving prior written authorization from the County. Contractor shall indemnify, defend, and hold the County harmless for and against any and all claims, damage awards, and causes of action arising from the Contractor's failure to comply with the public records disclosure requirements of section 119.07(1), Florida Statutes, or by Contractor's failure to maintain public records that are exempt or confidential and exempt from the public records disclosure requirements, including, but not limited to, any third party claims or awards for attorney's fees and costs arising therefrom. Contractor authorizes County to seek

declaratory, injunctive, or other appropriate relief against Contractor from a Circuit Court in Lake County on an expedited basis to enforce the requirements of this section.

COPYRIGHTS

Any copyright derived from a Contract will belong to the author. The author and the Contractor shall expressly assign to the County nonexclusive, royalty free rights to use any and all information provided by the Contractor in any deliverable or report for the County's use which may include publishing in County documents and distribution as the County deems to be in its best interests. If anything included in any deliverable limits the rights of the County to use the information, the deliverable will be considered defective and not acceptable and the Contractor will not be eligible for any compensation.

The County owns and retains all proprietary rights in its logos, trademarks, trade names, and copyrighted images (Intellectual Property). As such, nothing in any solicitation permits or shall be construed as authorizing Vendor or Contractor to use or display County's Intellectual Property. The County has the right to redact the County Logo displayed on any submission.

SOVEREIGN IMMUNITY

County expressly retains all rights, benefits and immunities of sovereign immunity in accordance with Section 768.28, Florida Statutes. Nothing will be deemed as a waiver of immunity or the limitations of liability of County beyond any statutory limited waiver of immunity or limits of liability. Nothing will inure to the benefit of any third party for the purpose of allowing any claim against County, which would otherwise be barred under the law.

COMPLIANCE WITH FEDERAL STANDARDS

All items to be purchased under a Contract must be in accordance with all governmental standards to include, but not be limited to, those issued by the Occupational Safety and Health Administration (OSHA), the National Institute of Occupational Safety Hazards (NIOSH), and the National Fire Protection Association (NFPA).

E-VERIFY

Upon award of a Contract, the Contractor shall utilize the U.S. Department of Homeland Security's E-Verify system in accordance with the terms governing use of the system to confirm the employment eligibility of all new persons hired by the Contractor during the term of the Contract.

The Contractor shall include in all contracts with subcontractors performing work pursuant to any Contract, an express requirement that subcontractors utilize the U.S. Department of Homeland Security's E-Verify system in accordance with the terms governing use of the system to confirm the employment eligibility of all new employees hired by subcontractors during the term of the subcontract.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPPA)

The Contractor may be required to execute a Business Associate Agreement, pursuant to the Health Insurance Portability and Accountability Act of 1996 (P.L. 104-191) (codified at 42 U.S.C. Section 1320d, *et. seq.*), and regulations contained in 45 C.F.R. Parts 160 and 164.

If the Contractor obtains any information governed by 42 U.S.C. Section 290dd-2 and the regulations implemented by the Substance Abuse and Mental Health Services Administration at 42 C.F.R. Part 2 (collectively referred to as the "SAMHSA regulations"), whether from the County or another source, while providing services to the County under the contract, the Contractor shall only use or disclose that information pursuant to the SAMHSA regulations.

The Contractor will also comply with any and all laws under the State of Florida governing the confidentiality of health information, including but not limited to records or other documents containing medical, mental health, or substance abuse information.

FORCE MAJEURE

The parties will exercise every reasonable effort to meet respective obligations under the Contract but will not be liable for delayed performance or nonperformance resulting from a force majeure. A party that becomes aware of a force majeure that will significantly delay performance will notify the other party promptly, within 15 calendar days, after if discovers the force majeure. If a force majeure occurs, the parties may execute a contract modification or change order to extend the performance schedule or make accommodations that are reasonable under the circumstances.

NO CLAIM FOR DAMAGES

No claim for damages or any claim other than for an extension of time may be made or asserted against the County because of any delays. No interruption, interference, inefficiency, suspension, or delay in the commencement or progress of the work will relieve the Contractor of duty to perform or give rise to any right to damages or additional compensation from the County. The Contractor's sole remedy will be the right to seek an extension to the Contract time. However, this provision will not preclude recovery of damages by the Contractor for hindrances or delays due solely to fraud, bad faith, or active interference on the part of the County.

CERTIFICATION REGARDING SCRUTINIZED COMPANIES

The Contractor hereby certifies that, pursuant to Section 287.135, Florida Statutes, it is not listed on the Scrutinized Companies that Boycott Israel and is not participating in a boycott of Israel. The Contractor understands that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorneys' fees, and costs. The Contractor further understands that any contract with the County for goods or services may be terminated at the option of the County if the Contractor is found to have submitted a false certification or has been listed on the Scrutinized Companies that Boycott Israel list or is participating in a boycott of Israel.

For purchases of $1 million or more:

By submitting a response to any solicitation, the Contractor hereby certifies that, pursuant to Section 287.135, Florida Statutes, it is not listed on the Scrutinized Companies with activities in the Iran Petroleum Energy Sector List, or the Scrutinized Companies with Activities in Sudan List, is not listed on the Scrutinized Companies that Boycott Israel and is not participating in a boycott of Israel, and is not engaged in business operations in Cuba or Syria. The Contractor understands that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject it to civil penalties, attorneys' fees, and costs. The Contractor further understands that any contract with the County for goods or services of $1 million or more may be terminated at the option of the County if the Contractor is found to have submitted a false certification or has been listed on the Scrutinized Companies with activities in the Iran Petroleum Energy Sector List or the Scrutinized Companies with Activities in Sudan List, is listed on the Scrutinized Companies that Boycott Israel list or is participating in a boycott of Israel, or is engaged in business operations in Cuba or Syria.

ANTI-TRAFFICKING RELATED ACTIVITIES

The U.S. Government has adopted a policy prohibiting trafficking in persons including the trafficking-related activities listed below. These prohibitions specifically apply to come federally funded contracts and prohibit contractors, contractor employees, and their agents from:

A. Engaging in severe forms of trafficking in persons during the period of performance of the contract;

B. Procuring commercial sex acts during the period of performance of the contract;

C. Using forced labor in the performance of the contract;

D. Destroying, concealing, confiscating, or otherwise denying access by an employee to the employee's identity or immigration documents, such as passports or drivers' licenses, regardless of issuing authority;

E. Using misleading or fraudulent practices during the recruitment of employees;

F. Charging employees or potential employees recruitment fees;

G. Failing to provide return transportation or paying for the cost of return transportation upon the end of employment for certain employees;

H. Providing or arrange housing that fails to meet the host country housing and safety standards; or

I. Failing to provide an employment contract, recruitment agreement, or other required work documents in writing, as required by law or contract.

NOTICES

All notices given by one party to the other party under a contract must be delivered to the receiving party's address set forth on the Contract either by hand, qualified courier, or e-mail and will be deemed received the day after it is transmitted. For County, it must be addressed to the Office of Procurement Services, Post Office Box 7800, 315 West Main Street, Suite 441, Tavares, Florida, 32778 or emailed to purchasing@lakecountyfl.gov.

PUBLIC WORKS ADDITIONAL TERMS AND CONDITIONS

1. Intent of Contract Documents
2. Errors and Omissions
3. Emergencies
4. Compliance with Occupational Safety and Health / Hazardous Materials
5. General Inspection Requirements
6. Project Manager
7. Contract Time and Time Extension
8. Hours of Operation
9. Changes in Work
10. Claims and Disputes
11. Lands for Work and Access Thereto
12. Maintenance of Traffic
13. Underground Utilities
14. Protection of Existing Structures, Utilities, Work and Vegetation
15. Equipment
16. Sanitation
17. Other Work
18. Bonds
19. Final Inspection
20. Final Acceptance
21. Measurement and Payment
22. Warranty

as possible, but no later than twenty-four (24) hours after the occurrence of the emergency, if the contractor believes that any significant changes in the work or variations from the contract documents. If the Project Manager determines that a change in the contract documents is required because of the action taken in response to an emergency, a new Project Order Form shall be issued to document the consequences of the changes or variations. If the contractor fails to provide written notice within the twenty-four (24) hour limitation noted above, the contractor shall be deemed to have waived any right it otherwise may have had to seek an adjustment to the contract amount or an extension to the contract time.

4. COMPLIANCE WITH OCCUPATIONAL SAFETY AND HEALTH/HAZARDOUSE MATERIALS

A. Contractor certifies that all material, equipment, etc., to be used in an individual project meets all Occupational Safety and Health Administration (OSHA) requirements. The contractor further certifies that if any of the material, equipment, etc., is found to be deficient in any OSHA requirement in effect on the date of delivery, all costs necessary to bring the material, equipment, etc., into compliance with the aforementioned requirements shall be borne by the contractor. All standard equipment, work operations, safety equipment, personal protective equipment, and lighting required or mandated by State, Federal, OSHA, or Americans with Disabilities Act (ADA) regulations must be provided and used by the contractor and its employees.

B. Any chemical item supplied under this contract shall be accompanied by a Material Safety Data Sheet (MSDS). The MSDS shall include the following information:

1. The chemical name and the common name of the toxic substance.
2. The hazards or other risks in the use of the toxic substance, including the potential for fire, explosion, corrosiveness and reactivity.
3. The known acute and chronic health effects of risks from exposure, including the medical conditions which are generally recognized as being aggravated by the exposure to the toxic substances.
4. The primary route of entry and symptoms of exposure.
5. The proper precautions, handling practices, necessary personal protective equipment, and other safety precautions in the use of or exposure to the toxic substances, including appropriate emergency treatment in case of overexposure.
6. The emergency procedure for spills, fire, disposal and first aid.
7. A description in lay terms of the known specified potential health risks posed by the toxic substance intended to alert any person reading this information.
8. The year and month, if available, that the information was compiled, and the name, address, and emergency telephone number of the manufacturer responsible for preparing the information.

C. Any spillage of hazardous chemicals or wastes caused by the contractor must be reported immediately to the proper authority and the Project Manager. All spills shall be cleaned up in accordance with all local, State, and Federal regulations. The cost of cleanup of any spillage of hazardous chemicals caused by the contractor shall be the sole responsibility of the contractor and the County will share no responsibility for these costs. A copy of the completed compliance order with local, State, and Federal agencies shall be given to the County.

D. If any hazardous chemicals or conditions are discovered by the contractor during the normal work operation, it is the responsibility of the contractor to immediately contact the Project Manager with a description and the location of the condition.

C. If during or prior to the operations, the Project Manager should fail to reject defective work or materials, whether from lack of discovery of such defect, or for any other reason, such initial failure to reject shall in no way prevent the Project Manager's later rejection when such defect is discovered, nor obligate the County to final acceptance or payment, and the contractor shall make no claim for losses suffered due to any necessary removals or repairs of such defects.

D. If during or prior to the operations, the Project Manager, rejects any portion of the work on the grounds that the work or materials are defective, the Project Manager will give the contractor notice of the defect. The contractor shall then have seven (7) calendar days from the date the notice is received to correct the defective condition. If the defect has not been corrected within seven (7) calendar days, the Project Manager will send a second written notice to the contractor giving the contractor another seven (7) calendar days to correct the defect. If the contractor fails to correct the deficiency within the second seven (7) calendar days after receipt of the notice, the County may take whatever action is necessary, including correcting the deficient work utilizing another contractor or terminating the contract.

E. Should the contractor fail or refuse to remove and renew any defective material used or work performed, or to make any necessary corrections in an acceptable manner and in accordance with the requirements of the specifications, within the time indicated in writing, the County, will have the authority to cause the unacceptable or defective materials or work to be repaired, removed and replaced, as may be necessary, at the contractor's expense. Any expense incurred by the County, whether direct, indirect or consequential, in making the repairs, removals, or replacements, which the contractor has failed or refused to make, shall be paid for out of any monies due or which may become due the contractor, or may be charged against the contract bond, if any. A Change Order will be issued, incorporating the necessary revisions to the contract documents, including an appropriate decrease to the contract amount. Such direct, indirect and consequential costs shall include, such as, but not be limited to: costs of repair and replacement of work of others destroyed or damaged by correction, removal or replacement of work of the contractor's defective work and additional compensation due the County. The contractor shall not be allowed an extension of the contract time because of any delay in performance of the work attributable to the exercise by the County of the County's rights and remedies hereunder.

F. When the United States Government or the State of Florida is to pay a portion of the cost of the project, the work will be subject to such inspection by Federal or State representatives as deemed necessary, but such inspections will in no case make the United States Government or the State of Florida a party to this contract.

G. All work performed and all materials furnished shall be in reasonably close conformity with the tolerances indication in the specifications. In the event the Project Manager finds the materials or finished product in which the materials are used and not within reasonably close conformity to the specifications, the Project Manager will then make a determination if the work shall be accepted and remain in place. In this event, the Project Manager will document the basis of acceptance by a Change Order which will provide for an appropriate deduction as needed in the contract price for such work or materials as the Project Manager deems necessary to conform to the determination based on the Project Manager's professional judgment.

6. PROJECT MANAGER

$10,000 or more but less than $20,000.....	$91
$20,000 or more but less than $30,000.....	$121
$30,000 or more but less than $40,000.....	$166
$40,000 or more but less than $50,000.....	$228
Over $50,000 but less than $250,000.....	$313

Any Contractor that is in default for not completing the work within the time specified shall be removed from the bidder's list, at the option of the County, and not permitted to bid work for Lake County until the project is complete and the liquidated damages sum is satisfied.

The County shall retain from the compensation to be paid to Contractor the above described sum. If the Contractor continues to fail to complete any or all remaining scheduled work, the County may charge the Contractor any additional costs that would be incurred over and above the original contract cost. This amount shall be considered a minimum to complete all remedial work, correct deficient work, clean up the project and other miscellaneous tasks as required to complete all work specified. This amount is in addition to the liquidated damages prescribed above and shall not be construed as a penalty.

F. County shall retain from the compensation to be paid to contractor the above described sum.

8. HOURS OF OPERATION

A. Unless otherwise specified in the technical specifications, all work performed shall be accomplished between the hours of 7:00 A.M. and 5:00 P.M., Monday through Friday, and no work shall be performed on Saturdays, Sundays, or County Holidays, unless permission to work has been requested in writing by the contractor and approval, in writing, has been granted by the Project Manager. Request for permission to work must be received by the Project Manager no less than two (2) days prior to the requested work day. The exception to this pre-approval requirement would be in the case of an emergency in which the emergency specification as outlined in Section 3, Emergencies, would apply. County Holidays are as follows:

New Year's Day
Martin Luther King, Jr. Day
Presidents' Day
Memorial Day
Independence Day
Labor Day
Veteran's Day
Thanksgiving Day
Day after Thanksgiving
Christmas Day

B. Special schedules may be established if necessary because of problems with noise or similar problems affecting citizens in homes or buildings adjacent to the roadways.

C. Under no circumstance, except in the case of an emergency, will permission be given for work on New Year's Day, Independence Day, Thanksgiving Day or Christmas Day. If the official holiday is on a Saturday, the County observes the holiday on Friday and if the holiday is on Sunday the County

expense of mediation. If the County declines to mediate the dispute, the contractor may bring an action in the County or Circuit Court sitting in Lake County, Florida.

2. Claims by the County against the contractor shall be made in writing by the Project Manager as soon as the event leading to the claim is discovered by the County. Written supporting data shall be submitted by the Project Manager. All claims shall be priced in accordance with the provisions of the section in this document entitled "Changes in Work". The party to whom the Project Manager's determination is not in favor of may appeal the determination as set forth in subsection (2) above.

3. Arbitration shall not be considered as a means of dispute resolution.

11. LANDS FOR WORK AND ACCESS THERETO

A. County shall furnish and define the limits of land for access to the work site and for the site proper. No storage or equipment shall take place on private property unless the contractor has a letter from the landowner authorizing the contractor to do so. A copy of the letter shall be provided to the County. The contractor shall supply the Project Manager any such letter before the equipment is placed there. Any and all other lands required by the contractor shall be procured by the contractor at the contractor's expense.

B. As the work progresses, the contractor shall keep the site reasonably clear of rubbish, trash, waste, and other disposable materials on a daily basis. If the contractor allows the site to become littered and unsightly, any payments otherwise due may be withheld until the contractor cleans up the site to the satisfaction of the County. If the contractor fails to clean up the site, the County may choose to clean up the site at the contractor's expense.

C. The contractor shall, absent written permission from a private property owner, confine all storage of materials, equipment, and the operations of workers to the project site and land and areas identified in and permitted by the contract documents. The contractor shall assume full responsibility for any damage to any such land or area or to the owner or occupant thereof, or any land or areas contiguous thereto, resulting from the performance of the work. At the completion of the work, the contractor shall remove all debris, rubbish and waste materials from and about the project site, as well as all tools, appliances, equipment, machinery, and surface materials and shall leave the project site clean. All service and supply operations shall be conducted outside the clear zone unless the contractor has proper authorization and traffic control. No supply vehicles shall enter the median for any purpose. No service vehicles shall enter the median except when necessary to repair or remove inoperable equipment.

D. Any equipment/material left within the right of way shall be outside the clear zone. No equipment/material shall be parked overnight in the median.

12. MAINTENANCE OF TRAFFIC (MOT)

Unless otherwise specified, the standard specifications to be used for the work shall be the most applicable and the most stringent of the following:

A. Maintenance of traffic shall be the responsibility of the contractor, is part of the contractor's proposal price, and shall confirm to FDOT's most current editions of "STANDARD SPECIFICATIONS FOR ROAD AND BRIDGE CONSTRUCTION", 2018 edition (or latest edition), or FDOT's "ROADWAY AND TRAFFIC DESIGN STANDARDS", 2018 (or latest edition), or FDOT's "MANUAL OF UNIFORM MINIMUM

contractor is legally liable is responsible for any loss or damage to the work, or other work or materials of the County or County's separate contractors, the contractor shall be charged with the same, and any monies necessary to replace such loss or damage shall be deducted from any amounts due the contractor.

C. The contractor shall not disturb any benchmark established by the County with respect to the project. If the contractor, or its subcontractors, agents or any one for whom the contractor is legally liable, disturbs County benchmarks, the contractor shall immediately notify the Project Manager. The County shall have the benchmarks re-established and the contractor shall be liable for all costs incurred by the County associated therewith. Such costs shall be deducted from any amounts due the contractor.

D. During the period of production of work and the warranty period the contractor shall be responsible for processing any and all claims for property damage and or bodily injury caused by the failure of the work including, such as but not limited to: motor vehicles or pedestrians. The contractor shall be responsible for the payment of all property damage and bodily injury claims and agrees to save and hold harmless the County from all such claims. Claims not handled by the contractor or their representative in the proper manner, will be settled by the County. The County shall recover all costs from the contractor.

E. All items damaged as a result of contractor or subcontractor operations, such as but not limited to: sidewalks, seating, curbs, pipes, drains, water mains, pavement, mail boxes, turf, County signs or other property owned by the County or private landowner, shall be either repaired or replaced by the contractor, at their expense, in a manner prescribed by and at the sole satisfaction of the Project Manager. Any claims submitted to the County, such as but not limited to: from utility companies or landowners, which are determined to be the result of damage done by the contractor, shall be the responsibility of the contractor. The County reserves the right to pay any such claims and deduct such amount from the contractor's invoice. Repairs, or receipt of repairs, will be completed and submitted to the County prior to submission of the contractor's invoice for work accomplished. If the repair is not in accordance with County standards, the County shall repair the items and deduct the associated cost from the amount due the contractor.

F. The contractor shall replace any asphalt that has been damaged as a result of hydraulics spilled from their equipment.

G. Complaints shall be addressed within two (2) business days and a written report submitted to the Project Manager outlining actions taken to correct the complaint. The contractor shall notify the County immediately of any complaints given directly to the contractor.

H. If in the course of completing work as part of this contract there is an accident that involves the public, the contractor shall as soon as possible, inform the Project Manager of the incident by telephone. The contractor shall follow up in writing within two (2) business days of the incident. If Law Enforcement was involved and has written a report, the contractor shall forward a copy of the report to the Project Manager.

I. The contractor shall be responsible for re-grading and re-sodding any areas that are disturbed by the contractor during the course of the work being completed.

each utility owner and other contractors (or the County, if the County is performing additional work with the County's employees) proper and safe access to the site and a reasonable opportunity for the introduction and storage of materials and equipment and the execution of such work and shall properly connect and coordinate its work with theirs. The contractor shall not endanger any work of others by cutting, excavating, or otherwise altering their work and will only cut or alter their work with the written consent of the Project Manager and the others whose work will be affected.

D. If any part of the contractor's work depends, for proper execution or results, upon the work of any other contractor other than a subcontractor or utility owner, the contractor shall inspect and promptly report to the Project Manager, in writing two (2) business days, any delays, defect or other problems in such other work that renders it impossible for the contractor to obtain proper execution or results. The contractor's failure to report will constitute an acceptance of the other work as fit and property for integration with the contractor's work.

18. BONDS

Not applicable to this solicitation.

19. FINAL INSPECTION

A. Maintenance of Work. The contractor shall maintain all work in as-new condition until the final inspection is completed and the work accepted by the Project Manager.

B. Upon notice from the contractor that the service has been completed, the Project Manager will make a final inspection within five (5) business days of receipt of notification. The Project Manager will notify the contractor if necessary of any deficiencies with the project. The contractor shall correct all deficiencies before final acceptance and payment is made. If the deficiencies have not been completed within the contracted time, the Project Manager may send out a notification notifying contractor of assessment of Liquidated Damages that can be applied for any day over the time allowed per the contract.

C. The contractor shall notify the Project Manager when the deficiencies have been completed and corrected. If the deficiencies are not corrected when inspected, the contractor shall be notified again in writing about any deficiencies. Once the repairs have been corrected by the contractor, the Project Manage shall make another inspection. There shall be an eighty dollar ($80.00) inspection fee assessed to the contractor for this inspection and any re-inspection that may be required after that. The fee is assessed to offset the additional costs associated with County labor and vehicle usage required for unnecessary inspections. The fee(s) shall be deducted from the final invoice for that release order.

20. FINAL ACCEPTANCE

A. The contract will be considered complete when all work has been completed and has been accepted by the County and the Project Manager. The contractor will then be released from further obligation except as set forth in the warranty or bonds in this Contract.

B. The County reserves the right, should an error be discovered in the partial or final estimates, or should proof of defective work or materials used by or on the part of the contractor be discovered after the

G. APPENDIX A, 44 C.F.R. PART 18 -CERTIFICATION REGARDING LOBBYING CERTIFICATION FOR CONTRACTS, GRANTS, LOANS, AND COOPERATIVE AGREEMENTS

(To be submitted with each bid or offer exceeding $100,000)

The undersigned [Contractor] certifies, to the best of his or her knowledge, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at alt tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shallbe subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure. The Contractor, Flotech Environmental, LLC, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 et seq., apply to this certification and disclosure, if any.

BOARD OF COUNTY COMMISSIONERS
LAKE COUNTY, FLORIDA
OFFICE OF THE COUNTY MANAGER
AGENDA ITEM COVER SHEET

DATE: 03/18/2026
MEETING DATE: 4/28/2026
TO: Jennifer Barker, County Manager
ITEM TYPE: Consent Item
THRU:
ITEM ID: 42823
Jordan Salinger, Public Works Operations Director
BY: Melanie Pompos, Procurement Agent II
SUBJECT: Pavement Preservation and Recycling Treatments

RECOMMENDATION/REQUIRED ACTION: Approve

Recommend approval:
1. Of Contract 26-604 with Asphalt Paving Systems, Inc. (Zephyrhills, FL) for as-needed pavement preservation services.
2. To authorize the Office of Procurement Services to execute all supporting documentation.

The estimated annual fiscal impact is $500,000 (expenditure) and will not exceed available funding in any approved Fiscal Year's Budget.

BACKGROUND SUMMARY: On October 1, 2025, Polk County, Florida, awarded Bid 25-342 (based on an Invitation to Bid) to Asphalt Paving Systems, Inc. for pavement preservation and recycling treatments as a service to Polk County. The Office of Procurement Services, in coordination with the Public Works Department, Road Operations Division, has identified the contract's scope of work includes comprehensive pavement preservation services, with elements of repair methods both currently sought by Lake County.

Contract 26-604 has been drafted to adopt Polk County Contract #25-342 for the terms outlined in Contract 26-604. Adoption of the Polk County Contract allows for the replacement of expired Contract 23-538.

Fiscal Impact: $500,000 (expenditure)

AGREEMENT FOR ADOPTION AND AMENDMENT OF POLK COUNTY, FLORIDA CONTRACT – PAVEMENT PRESERVATION AND RECYCLING TREATMENTS (CONTRACT #26-604)

This Agreement is for the adoption and amendment by Lake County, Florida, a political subdivision of the State of Florida (COUNTY), by and through its Board of County Commissioners, of the contract to purchase Pavement Preservation and Recycling Treatments as a Service pursuant to the terms and conditions of the Polk County, Florida, Contract; Polk County Bid #25-342; dated October 1, 2025, as amended (the "Polk County Contract") between Asphalt Paving Systems, Inc., a foreign profit corporation authorized to do business in the State of Florida (CONTRACTOR) and Polk County, Florida, a political subdivision of the State of Florida.

WITNESSETH:

WHEREAS, effective on or about October 1, 2025, after complying with a competitive procurement process, Polk County, Florida, entered into the Polk County Contract incorporated herein as **Exhibit A**, including any subsequent amendments/renewals; and

WHEREAS, in submitting their bid to Polk County, CONTRACTOR, in certifying their bid, opted to allow their bid to be used by any other Governmental Agency; and

WHEREAS, the COUNTY is a Governmental Agency who desires to use the Polk County Contract entered into between CONTRACTOR and Polk County based on the bid submitted; and

WHEREAS, the CONTRACTOR is willing to honor the terms, conditions, and pricing of the Polk County Contract to provide Pavement Preservation & Recycling Treatments as a Service on an ongoing basis to the COUNTY; and

WHEREAS, the COUNTY and the CONTRACTOR want to enter into this contract to adopt and amend the Polk County Contract to specify its application to the COUNTY and to comply with the COUNTY'S procedures; and

WHEREAS, executing this contract is in the best interests of the COUNTY and the residents of Lake County.

THEREFORE, the parties agree as follows:

Section 1. Legal Findings

1.1. The foregoing recitals are hereby adopted as legislative findings of the Board of County Commissioners and are ratified and confirmed as being true and correct and are hereby made a specific part of this Agreement upon adoption hereof.

Section 2. Purpose

2.1 The purpose of this Agreement is for the CONTRACTOR to provide ongoing, as-needed pavement preservation services for Lake County. Services shall be provided on the basis of project quotes and work orders for locations within Lake County, as set forth in Special Conditions, Paragraph 5, of the Polk County Contract.

Section 3. Scope of Services

3.1 On the terms and conditions set forth in this Agreement, COUNTY hereby engages CONTRACTOR to and CONTRACTOR agrees to provide the products and services as specified in the Polk County Contract, attached, the terms of which are incorporated and made a part of this contract.

3.2 Services provided by CONTRACTOR under this Agreement will be provided to COUNTY on an as-needed basis. Upon acceptance of CONTRACTOR'S quote for a particular project, COUNTY will issue a Purchase Order authorizing Project-specific work to be completed by CONTRACTOR subject to the terms of this Agreement.

3.3 All work must be performed in accordance with good commercial practice and in accordance with the Project-specific scope of work, including any specifications, project documents, and exhibits or attachments thereto; the CONTRACTOR'S project proposal; and this Agreement. As time is of the essence, the work schedule and completion dates as set forth in each Project-specific scope and proposal must be adhered to by the CONTRACTOR except in such cases where the completion date will be delayed due to acts of God, strikes, or other causes beyond the control of CONTRACTOR. In these cases, CONTRACTOR shall notify the COUNTY of the delays in advance of the original completion date so that a revised delivery schedule can be appropriately considered by the COUNTY. CONTRACTOR will be solely responsible for obtaining all necessary approvals and permits to complete the Service. CONTRACTOR shall not initiate awarded Projects without an agreed-upon scope, proposal, and express Notice to Proceed from the COUNTY in writing and Purchase Order for the Project.

Section 4. Payment

4.1 Pricing. Payment shall be arrived at utilizing the rates set forth in CONTRACTOR'S Bid Sheets, attached hereto and incorporated herein within **Exhibit A**. COUNTY will pay, and CONTRACTOR will accept as full and complete payment for the timely and complete performance of its obligations hereunder, compensation as provided in the Polk County Contract. Agreement prices will prevail for the full duration of the Agreement.

4.2 Invoicing. CONTRACTOR shall submit an original invoice to COUNTY after work has been completed via email or as otherwise directed by the COUNTY'S Project Manager, after each service has been completed. Invoice submission shall not exceed ten (10) calendar days beyond the date the work was completed. Under no circumstances shall the invoices be submitted to COUNTY in advance of the delivery and acceptance of the work. All invoices shall be accompanied by the PDF documentation including but not limited to service tickets, suppliers' invoices, purchase orders, time sheets, approved proposals, and any other pertinent backup documentation in COUNTY'S discretion. COUNTY will make payment on all undisputed invoices in accordance with the Florida Prompt Payment Act, Part VII, Chapter 218, Florida Statutes.

4.3 Grant Funding. In the event any part of this Agreement is to be funded by federal, state, or other local agency monies, CONTRACTOR agrees to comply with all requirements of the funding entity applicable to the use of the monies, including full application of requirements involving the use of minority firms, women's business enterprises, and labor surplus area firms. CONTRACTOR is advised that payments under this Agreement may be withheld pending completion and submission of all required forms and documents required of CONTRACTOR pursuant to the grant funding requirements. A copy of the requirements will be supplied to CONTRACTOR by the COUNTY upon request.

4.4 Payment/Performance Bond Requirements. If any work order is for $200,000 or more, pursuant to Florida Statutes, Section 255.05, CONTRACTOR must provide a Performance and Payment Bond or irrevocable letter of credit in an amount of ***100%*** of the quoted price. The Performance and Payment Bond Form supplied by the COUNTY will be the only acceptable form for these bonds. No other form will be accepted. Bond information and forms are attached hereto and incorporated herein as **Exhibit B**. In the event the CONTRACTOR defaults on the construction, the COUNTY shall utilize the payment and performance bond or letter of credit to complete the work.

4.5 Change Orders. The COUNTY may at any time, by written change order, in accordance with the COUNTY's Purchasing Policy and Procedures, increase or decrease the scope of the work. For changes in work requested by the CONTRACTOR, the CONTRACTOR must prepare and submit change order requests for the COUNTY's approval. Each change order will include time and monetary impacts of the change, whether the change order is considered alone or with all other changes during the course of the Service. Both the COUNTY and the CONTRACTOR must execute the change order for the order to become effective. The value of such extra work or change will be determined by the contract unit values, if applicable unit values are set forth in this Agreement. The amount of the change will be computed from such values and added to or deducted from the contract price.

Section 5. County Responsibilities

5.1 The COUNTY shall designate a COUNTY staff member to act as COUNTY's Project Manager. It is agreed to by the parties that the COUNTY's Project Manager will decide all questions, difficulties, or disputes, of whatever nature, which may arise relative to the interpretation of the plans, construction, prosecution and fulfillment of the Scope of Services, and as to the character, quality, amount and value of any work done, and materials furnished, under or by reason of this Agreement. The COUNTY's Project Manager may appoint representatives as desired that will be authorized to inspect all work done and all materials furnished.

5.2 The COUNTY shall pay in accordance with the provisions set forth in this Agreement.

5.3 The COUNTY retains the right to inspect all work to verify compliance with the contract documents. Such inspection may extend to all or any part of the work and to the manufacture, preparation or fabrication of the materials to be used. The COUNTY's Public Works Additional Terms and Conditions, attached hereto and incorporated herein as **Exhibit C** shall apply to the services rendered in accordance with this Agreement.

Section 6. Insurance Requirements

6.1 Insurance.

A. CONTRACTOR will purchase and maintain at all times during the term of this Contract, without cost or expense to the COUNTY, policies of insurance as indicated below, with a company or companies authorized to do business in the State of Florida, and which are acceptable to the COUNTY, insuring the CONTRACTOR against any and all claims, demands, or causes of action, for injuries received or damage to property relating to the performance of duties, services, or obligations of the CONTRACTOR under the terms and provisions of the Contract. An original certificate of insurance, indicating that CONTRACTOR has coverage in accordance with the requirements of this section must be received and accepted by the COUNTY prior to contract execution or before any work begins. It will be furnished by CONTRACTOR to the COUNTY'S Project Manager and Procurement Services Director within five

working days of such request. The parties agree that the policies of insurance and confirming certificates of insurance will insure the CONTRACTOR in accordance with the following minimum limits:

i. General Liability insurance on forms no more restrictive than the latest edition of the Occurrence Form Commercial General Liability policy (CG 00 01) of the Insurance Services Office or equivalent without restrictive endorsements, with the following minimum limits and coverage:

Each Occurrence/General Aggregate	$1,000,000/1,000,000
Products-Completed Operations	$2,000,000
Personal & Adv. Injury	$1,000,000
Fire Damage	$50,000
Medical Expense	$5,000
Contractual Liability	Included

ii. Automobile liability insurance, including owned, non-owned, and hired autos with the minimum Combined Single Limit of $1,000,000

iii. Workers' compensation insurance based on proper reporting of classification codes and payroll amounts in accordance with Chapter 440, Florida Statutes, and any other applicable law requiring workers' compensation (Federal, maritime, etc.).

iv. Employers Liability with the following minimum limits and coverage:

Each Accident	$1,000,000
Disease-Each Employer	$1,000,000
Disease-Policy Limit	$1,000,000

B. Lake County, a Political Subdivision of the State of Florida, and the Board of County Commissioners, will be named as additional insured as their interest may appear on all applicable policies. Certificates of insurance must identify the RFP or ITB number in the Description of Operations section on the Certificate.

C. CONTRACTOR must provide a minimum of thirty (30) days prior written notice to the County of any change, cancellation, or nonrenewal of the required insurance.

D. Certificates of insurance must evidence a waiver of subrogation in favor of the COUNTY, that coverage must be primary and noncontributory, and that each evidenced policy includes a Cross Liability or Severability of Interests provision, with no requirement of premium by the COUNTY.

E. CONTRACTOR must provide a copy of all policy endorsements, reflecting the required coverage, with Lake County listed as an additional insured along with all required provisions to include waiver of subrogation. Contracts cannot be completed without this required insurance documentation. A certificate of insurance (COI) will not be accepted in lieu of the policy endorsements.

F. Certificate holder must be:
LAKE COUNTY, A POLITICAL SUBDIVISION OF THE STATE OF FLORIDA, AND THE BOARD OF COUNTY COMMISSIONERS.
P.O. BOX 7800
TAVARES, FL 32778-7800

G. All self-insured retentions will appear on the certificates and will be subject to approval by the COUNTY. At the option of the COUNTY, the insurer will reduce or eliminate such self-insured retentions; or CONTRACTOR will be required to procure a bond guaranteeing payment of losses and related claims expenses.

H. The COUNTY will be exempt from, and in no way liable for, any sums of money, which may represent a deductible or self-insured retention in any insurance policy. The payment of such deductible or self-insured retention will be the sole responsibility of the CONTRACTOR or subcontractor providing such insurance.

I. CONTRACTOR will be responsible for subcontractors and their insurance. Subcontractors are to provide Certificates of Insurance to the COUNTY evidencing coverage and terms in accordance with the CONTRACTOR's requirements.

J. Failure to obtain and maintain such insurance as set out above will be considered a breach of contract and may result in termination of the contract for default.

K. Neither approval by the COUNTY of any insurance supplied by CONTRACTOR, nor a failure to disapprove that insurance, will relieve CONTRACTOR of full responsibility of liability, damages, and accidents as set forth herein.

Section 7. Miscellaneous Provisions

7.1 Public Records.

A. All electronic files, audio and video recordings, and all papers pertaining to any activity performed by the contractor for or on behalf of the COUNTY will be the property of the COUNTY and will be turned over to the COUNTY upon request. In accordance with Chapter 119, Florida Statutes, each file and all papers pertaining to any activities performed for or on behalf of the COUNTY are public records available for inspection by any person even if the file or paper resides in the CONTRACTOR's office or facility. The CONTRACTOR will maintain the files and papers for not less than three complete calendar years after the Service has been completed or terminated, or in accordance with any grant requirements, whichever is longer. Prior to the close out of this Agreement, the CONTRACTOR will appoint a records custodian to handle any records request and provide the custodian's name and telephone numbers to the COUNTY'S Project Manager.

B. Pursuant to Section 119.0701, Florida Statutes, CONTRACTOR will comply with the Florida Public Records' laws, and will:

i. Keep and maintain public records required by the COUNTY to perform the services identified herein.

ii. Upon request from the COUNTY'S custodian of public records, provide the COUNTY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for by law.

iii. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of

the contract term and following completion of the contract if the CONTRACTOR does not transfer the records to the COUNTY.

iv. Upon completion of this Agreement, transfer, at no cost, to the COUNTY all public records in possession of the CONTRACTOR or keep and maintain public records required by the COUNTY to perform the service. If CONTRACTOR transfers all public records to the COUNTY upon completion of the contract, CONTRACTOR will destroy any duplicate public records that are exempt, or confidential and exempt, from public records disclosure requirements. If CONTRACTOR keeps and maintains public records upon completion of the Agreement, CONTRACTOR will meet all applicable requirements for retaining public records. All records stored electronically must be provided to the COUNTY, upon request from the COUNTY'S custodian of public records, in a format that is compatible with the information technology systems of the COUNTY.

C. IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT LAKE COUNTY OFFICE OF PROCUREMENT SERVICES, 315 WEST MAIN STREET, P.O. BOX 7800, TAVARES, FL 32778 OR AT 352-343-9424 OR VIA EMAIL AT PURCHASING@LAKECOUNTYFL.GOV.

D. Failure to comply with this subsection will be deemed a breach of the contract and enforceable as set forth in Section 119.0701, Florida Statutes.

E. Unless otherwise provided, CONTRACTOR shall maintain substantiating records as required by the State of Florida, General Records Schedule GS1-SL ("Schedule") for State and Local Government Agencies. If CONTRACTOR receives notification of a dispute or the commencement of litigation regarding the Project within the time specified in the Schedule, the CONTRACTOR shall continue to maintain all service records until final resolution of the dispute or litigation.

7.2 This Agreement shall be governed by the laws of the State of Florida. All legal action arising out of this agreement will have its venue in Lake County and this agreement will be interpreted according to the laws of Florida. No remedy herein conferred upon any party is intended to be exclusive of any other remedy, and every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof. **THE CONTRACTOR HEREBY WAIVES ITS RIGHT TO A JURY TRIAL FOR ANY ACTION ARISING FROM THE AGREEMENT.**

7.3 The captions utilized in this Agreement are for the purposes of identification only and do not control or affect the meaning or construction of any of the provisions of this Agreement.

7.4 This Agreement will be binding upon and will inure to the benefit of each of the parties and of their respective successors and permitted assigns.

7.5 This Agreement may not be amended, released, discharged, rescinded or abandoned, except by a written instrument duly executed by each of the parties.

7.6 The failure of any party at any time to enforce any of the provisions of this Agreement will in no way constitute or be construed as a waiver of such provision or of any other provision of this Agreement, nor in any way affect the validity of, or the right to enforce, each and every provision of this Agreement.

7.7 During the term of this Agreement the CONTRACTOR assures the COUNTY that it is in compliance with Title VII of the 1964 Civil Rights Act, as amended, and the Florida Civil Rights Act of 1992, in that the CONTRACTOR does not on the grounds of race, color, national origin, religion, sex, age, disability or marital status, discriminate in any form or manner against the CONTRACTOR's employees or applicants for employment. The CONTRACTOR understands and agrees that this Agreement is conditioned upon the veracity of this statement of assurance.

7.8 The CONTRACTOR must at all times comply with all Federal, State and local laws, rules and regulations.

7.9 The employees of the CONTRACTOR will be considered at all times its employees and not an employee or agent of the COUNTY. The CONTRACTOR will provide employees capable of performing the work as required. The COUNTY may require the CONTRACTOR to remove any employee it deems unacceptable.

7.10 Any individual, corporation, or other entity that attempts to meet its contractual obligations with the COUNTY through fraud, misrepresentation or material misstatement, may be debarred for up to five (5) years. The COUNTY as a further sanction may terminate or cancel any other contracts with such individual, corporation, or entity. Such individual or entity will be responsible for all direct or indirect costs associated with termination or cancellation, including attorney's fees.

7.11 The CONTRACTOR will be the prime contractor for all required items and services and will assume full responsibility for the procurement and maintenance of such items and services. The CONTRACTOR will be considered the sole point of contact with regards to all stipulations, including payment of all charges and meeting all requirements of this Agreement. All subcontractors will be subject to advance review by the COUNTY in terms of competency and security concerns. No change in subcontractors may be made without consent of the COUNTY. The CONTRACTOR will be responsible for all insurance, permits, licenses and related matters for any and all subcontractors. Even if the subcontractor is self-insured, the COUNTY may require the CONTRACTOR to provide any insurance certificates required by the work to be performed.

7.12 The CONTRACTOR shall either be registered or have applied for registration with the Florida Department of State in accordance with the provisions of Florida law.

7.13 The invalidity or unenforceability of any particular provision of this Agreement will not affect the other provisions of this Agreement, and this Agreement must be construed in all respects as if such invalid or unenforceable provisions were omitted.

Section 8. Application to Lake County.

8.1 All terms applicable to "Polk County" in the Polk County Contract shall apply to the COUNTY and all references to "Polk County" in the Polk County Contract will be construed as to referring to the COUNTY under this agreement.

8.2 The CONTRACTOR shall provide any notices to the COUNTY as required under this agreement to the following locations:

County Manager
Lake County Administration Building
315 West Main Street, Suite 308
Post Office Box 7800
Tavares, Florida 32778-7800

With a copy to:
County Attorney
Lake County Administration Building
315 West Main Street, Suite 335
Post Office Box 7800
Tavares, Florida 32778-7800

Section 9. Effect of Amendment.

9.1 All other provisions of the contract and any amendments thereto will remain in full force and effect unless otherwise formally amended by the parties. To the extent this contract conflicts with the Polk County Contract, this contract will govern.

Section 10. Scope of Contract for Adoption & Amendment.

10.1 This Agreement is intended by the parties to be the final expression of their agreement, and it constitutes the full and entire understanding between the parties with respect to the subject of this agreement, notwithstanding any representations, statements, or agreements to the contrary previously made.

10.2 Any items not covered under this contract will need to be added via written addendum, and pricing negotiated based on final specifications.

10.3 This agreement includes the following terms and attachments, all of which are incorporated herein:

Exhibit A	Polk County, Florida, Contract; Polk County Bid #25-342
Exhibit B	Lake County Performance and Payment Bond Instructions and Forms
Exhibit C	Lake County Public Works Additional Terms and Conditions

IN WITNESS WHEREOF, the parties have signed this contract through their duly authorized representatives on the date under each signature.

Subject: Bid #25-342, Pavement Preservation and Recycling Treatments – Notice to Proceed

Dear Mr. Rohrbach:

You are now authorized to begin work, effective October 1, 2025, through July 30, 2026. This contract will automatically renew for two (2), one (1) year terms unless terminated. Please contact Klayton Fees, Roads and Drainage Division, at (863) 535-2281 for further instructions.

If your insurance expires during the contract period, a renewal certificate must be submitted. If your insurance for this contract lapses while the work is in progress stop work immediately. Further work on the project is prohibited until an insurance certificate is submitted and written authorization is received from the County.

Sincerely,

Ken Brush

Bid file #25-342

COMMISSIONERS: George Lindsey III, Chair • Rick Wilson • Bill Braswell, Vice Chair • Martha Santiago • Neil Combee

Bid Notice

Polk County, a political subdivision of the State of Florida, requests the submittal of bids from vendors that are interested in providing necessary labor, materials, equipment, supervision, and support for the construction of asphalt pavement preservation and/or reconstruction processes, and asphalt pavement improvements as described herein. Sealed bids must be received in the Procurement Division, prior to the due date and time listed below.

Bid Number and Title: Bid 25-342, Pavement Preservation and Recycling Treatments

Description: Provide the necessary labor, materials, equipment, supervision, and support for the construction of asphalt pavement preservation and/or reconstruction processes, and asphalt pavement improvements.

Receiving Period: Wednesday, July 16, 2025, prior to 2:00 p.m.

Bid Opening: Wednesday, July 16, 2025, 2:00 p.m.

Special Instructions: To receive a copy of the specifications and bid sheets please go the following FTP site: https://ftp3.polk-county.net, you will be prompted for a User ID and Password. The User ID is ***procurevendor*** and the password is ***solicitation***. After you have logged in to the FTP site, double click on the file folder "**Bid 25-342, Pavement Preservation and Recycling Treatments.zip**", select "Open" or "Save As" to download the Bid documents, drawings, and technical specifications. If you need assistance accessing this website due to ADA or any other reason, please email Ken Brush at kenbrush@polk-county.net.

Attached are important instructions and specifications regarding responses to this Bid. Failure to follow these instructions could result in Bid disqualification.

Questions regarding this bid should be in writing and should reference the above Bid. Submit all questions to Ken Brush, Procurement Contracts Manager, via email at kenbrush@polk-county.net or via fax at (863) 534-6789 by 4:00 p.m., Thursday, July 3, 2025.

Bid Registration

You must register using this form to receive notice of any addenda to these documents. Please email or fax the completed form to the Procurement Division as soon as possible. It is the vendor's responsibility to verify if addenda have been issued.

Bid Number: Bid 25-342

Bid Title: Pavement Preservation and Recycling Treatments

This form is for bid registration only. Please scroll down for additional information.

Carefully complete this form and return it to the Procurement Division via e-mail to procurement@polk-county.net or fax (863) 534-6789. You must submit one form for each bid that you are registering for.

BID SUBMITTAL INSTRUCTIONS

Respondents must submit one (1) original copy of the bid submittal prior to 2:00 p.m. on the bid receiving date. Bids must be submitted in a “sealed” parcel or electronically through Polk County’s secure website, Kiteworks. Bids will be publicly opened at 2:00 p.m. on receiving date.

Sealed Parcel Submittal:

If you are submitting a sealed parcel bid, please cut along the outer border and affix this label to your sealed bid envelope to identify it as a “Sealed Bid”. Be sure to include the name of the company submitting the bid where requested.

Sealed Bid. DO NOT OPEN	
Sealed Bid Number	25-342
Bid Title	Pavement Preservation and Recycling Treatments
Due Date/Time:	July 16, 2025, prior to 2:00 pm
Submitted by:	
Deliver To:	Polk County Procurement Division 330 West Church Street, Room 150, Bartow, Florida 33830

Sealed parcel bids may be mailed, express mailed or hand delivered. It is the Bidders responsibility to ensure their package is delivered to the Procurement Division prior to 2:00 p.m. on the Receiving date and time referenced above. Bids delivered at 2:00 p.m. or later will not be accepted.

Electronic Bid Submittal:

If you are interested in submitting your bid electronically bidders may do so via the County’s secure electronic submittal website, Kiteworks. Bidders must email kenbrush@polk-county.net at least 48 hours prior to bid opening to receive a link to upload their submittal. Please only upload your documents as a PDF or Excel file for bid sheets. Please use the naming conventions for your files as follows:

For PDF documents “Bid 25-342 – Title of Document”

For Excel Bid Sheets “Bid 25-342 – Bid Sheet”

For more instructions, a video tutorial has been produced to further explain the electronic solicitation submittal process. It can be found by clicking here for Bid Submittals: https://youtu.be/vkn_7AHgioE. If you need assistance accessing this website due to ADA or any other reason, please email Ken Brush at kenbrush@polk-county.net.

Procurement recommends that bidders submitting electronically double check the documents submitted into Kiteworks to ensure all requested information and bid sheet have been uploaded. Failure to upload the completed bid sheet will result in the bid submittal being deemed nonresponsive.

Statement of No Bid

Bidder Instructions and General Information

Bidder Instructions:

To ensure acceptance of the bid, follow these instructions:

Bid Documents Must Be Delivered to The Procurement Division Prior to 2:00 p.m. On The Date Specified. There Will Be No Exceptions.

1. **Execution of Bid**: Bid must contain an original signature of an authorized representative in the space provided on the signature page. Bid must be typed or printed in ink. Erasable ink is not permitted. Corrections made by bidder to any bid entry must be initialed by the person who signs the bid.
2. **No Bid**: Bidders not interested in submitting a bid should return a “no bid,” with an indication of the reason for no bid and the interest in future bid solicitations.
3. **Bid Opening**: It is the responsibility of the bidder to assure that their bid is delivered or submitted electronically at the proper time and place prior to the bid opening. All bid openings shall be public, at 2:00 p.m., on the date specified in the Notice to Bidders. If multiple bids are submitted by the same vendor, Procurement will only open the most recently dated submittal. Bids, which for any reason are not so delivered, will not be considered. **Bid Submittal Forms Using Facsimile or Email Will Not Be Accepted.**

   Note: In accordance with Florida Statute 119.071, a listing of vendors that provide a bid submittal shall be posted to the County’s website at https://www.polk-county.net/business/procurement/. The sealed bids shall remain exempt from disclosure, including bid amounts, until recommendation of award or 30 days after bid opening, whichever event occurs first.

   Should the Procurement Director reject all bids, before the recommendation of award or 30 days after bid opening, and concurrently provide notice of the County’s intent to reissue the bid, the rejected bids will remain exempt from Florida Statute 119.07 until such time as the County provides notice of recommendation of award of the reissued bid or until the County withdraws the reissued bid. The bid is not exempt for longer than12 months after the notice of rejection of all bids.
4. **County as Gatekeeper of Documents**: This document is issued by Polk County and as such shall be the sole distributor of all addendums and/or changes to these documents. It is the responsibility of the bidder to determine issuance of documents directly with the Procurement Division. The County is not responsible for any solicitations issued through subscriber, publications, or other sources not connected with the County and the bidder should not rely on such sources for information regarding the solicitation.
5. **Taxes**: Bidders are responsible for the payment of any applicable taxes that are connected to the purchase of any materials or subcontractors used in the execution of the bid.
6. **Discounts**: Bidders may offer a cash discount for prompt payment; however, such discounts shall not be considered in determining the lowest net cost for bid

evaluation purposes. Bidders are encouraged to reflect cash discounts in the unit prices quoted.

7. **Mistakes**: Bidders are required to examine the specifications, delivery schedule, bid prices and all instructions pertaining to the requirements of this bid. Failure to do so will be at bidder's risk. In case of a mistake in extension of a unit price, the unit price will govern. Corrections made by bidder to any bid entry must be initialed by the person who signs the bid.
8. **Invoicing and Payment**: The successful bidder shall submit an invoice to the County at the prices bid. **An original invoice shall be submitted to the appropriate User Division.** The bidder shall include the bid number and/or the purchase order number on all invoices. By submitting an invoice, Bidder's Project Manager or any authorized officer is attesting to the correctness and accuracy of all charges. Invoices will be processed for payment when approved by the appropriate Division's Project Manager or designee. The County's payment of an invoice shall not constitute evidence of the County's acceptance of the Bidders performance of the Service or the County's acceptance of any work.
9. **Conflict of Interest**: All bidders must disclose, with their bid, the name of any officer, director or agent who is also an employee of the County or any of their agencies. Furthermore, all bidders must disclose the name of any County employee who owns, directly or indirectly, any interest of any amount in the bidder's firms or any of their branches. Award of this bid shall be subject to the provisions of Chapter 112, Florida Statutes.
10. **Warranty**: Unless otherwise specified, the bidder agrees that the goods furnished under this bid shall be covered by the most favorable commercial warranty the bidder gives to any customer for comparable goods, and that the rights and remedies provided herein are in addition to and do not limit any rights afforded to the County by any other provision of this bid.
11. **Addendum**: Any changes in the bid shall be made in the form of a written addendum by the Procurement Director or his representative. No other person shall be authorized to make changes verbally or in writing. If an addendum is issued, the addendum sheet should be signed and submitted with your bid submittal.
12. **Liability**: The vendor shall hold and save the County, its officers, agents and employees harmless from liability of any kind in the performance of this bid and against claims by third parties resulting from the supplier's breach of contract or the supplier's negligence.
13. **Patents and Royalties**: The bidder, without exception, shall indemnify and save harmless the County and its employees from liability of any nature or kind, including cost and expenses for, or on account of, any copyrighted, patented or non-patented invention, process or article manufactured or used in the performance of the bid, including its use by the County. If the bidder uses any design, device or material covered by letters, patent or copyright, it is mutually agreed and understood without exception that the bid prices shall include all royalties or cost arising from the use of such design, device or material in any way involved in the work.

14. **Cone of Silence**: Bidders and any prospective bidders shall not contact, communicate with or discuss any matter relating in any way to this Bid with any member of the Polk County Board of County Commissioners or any employee of Polk County other than the County Procurement Director or the individual designated in the Procurement Division. This prohibition begins with the issuance of the Bid and ends upon award or execution of the final contract. Any such communication initiated by a bidder or prospective bidder shall be grounds for disqualifying the offender from consideration for an award pursuant to this bid and for bids or contracts to be awarded pursuant to RFPs, or Requests for Bid that the County may issue in the future.

15. **Bid Protest**: Any bidder desiring to file a bid protest, with respect to a recommended award of any bid, shall do so by filing a written protest. The written protest must be in the possession of the Procurement Division within three (3) working days of the Notice of Recommended Award mailing date. All bidders who bid will be sent a Notice of Recommended Award, unless only one bid was received.

    A copy of the bid protest procedures may be obtained from the Polk County Procurement Division or can be downloaded from the County's website at https://www.polk-county.net/business/procurement/protest-procedures/.

    "Failure to Follow Bid Protest Procedure Requirements Within the Time Frames Prescribed Herein as Established by Polk County, Florida, Shall Constitute a Waiver of Your Protest and Any Resulting Claim."

16. **Indemnification**: Vendor, to the extent permitted by law, shall indemnify, defend (by counsel reasonably acceptable to County), protect and hold the County, and its officers, employees and agents, harmless from and against any and all, claims, actions, causes of action, liabilities, penalties, forfeitures, damages, losses, and expenses whatsoever (including, without limitation, attorneys' fees, costs, and expenses incurred during negotiation, through litigation and all appeals therefrom) including, without limitation, those pertaining to the death of or injury to any person, or damage to any property, arising out of or resulting from (i) the failure of Vendor to comply with applicable laws, rules or regulations, (ii) the breach by Vendor of its obligations under any Agreement with the County entered into pursuant to this solicitation, (iii) any claim for trademark, patent, or copyright infringement arising out of the scope of Vendor's performance or nonperformance of the Agreement, or (iv) the negligent acts, errors or omissions, or intentional or willful misconduct, of Vendor, its professional associates, subcontractors, agents, and employees; provided, however, that Vendor shall not be obligated to defend or indemnify the County with respect to any such claims or damages arising out of the County's sole negligence. The obligations imposed by this Section shall survive the expiration or earlier termination of the Agreement.

17. **Public Entity Crimes**: The Contractor declares and warrants that neither the Contractor nor any of the Contractor's affiliates, as that term is defined in Section 287.133, Florida Statutes, are subject to the restrictions in Section 287.133, Florida Statutes, regarding the commission of a public entity crime. If during the term of

this Agreement, the Contractor or any affiliate is convicted of a public entity crime or is otherwise prohibited from performing work for or transacting business with the County pursuant to Section 287.133, Florida Statutes, then the Contractor shall be in material default of this Agreement, and in such case, the County shall have the rights and remedies as provided herein.

18. **Preference for Drug Free Workplace**: Whenever two or more bids, which are equal with respect to price, quality and service, are received, preference shall be given to a bid received from a business that certifies that it has implemented a drug free workplace program in accordance with Section 287.087, Florida Statutes. In order to receive preference, a signed certification of compliance must be submitted with the bid response.
19. **Sealed Bids**: All bid submittals must be completed and submitted either in a sealed parcel or submitted electronically. **(If Submitting a Sealed Parcel Bid, Please Do Not Include More Than One Bid Submittal Per Envelope.)** The original bid submittal(s) shall be submitted on the forms provided by Polk County. All bids are subject to the conditions herein; failure to comply will subject bid to rejection.
20. **Prices, Terms and Payment**: Firm prices shall be bid and include all packing, handling, shipping charges and delivery to any point within Polk County. Discount time will be computed from the date of satisfactory delivery at place of acceptance. Prices bid shall be firm for forty-five (45) days.
21. **Safety Standards**: Unless otherwise stipulated in the bid, all manufactured items and fabricated assemblies shall comply with applicable requirements of Occupational Safety and Health Act (OSHA) and carry evidence of Underwriters Laboratories' Listings (UL).
22. **Packaging**: All containers shall be suitable for storage or shipment, and all prices should include standard commercial packaging.
23. **Meets Specifications**: It is understood and agreed that any item offered or shipped as a result of this bid shall be new (current model at the time of this bid) unless otherwise specified in the specifications. The bidder represents that all equipment offered under this specification shall meet or exceed the minimum requirements specified. Bidder shall strictly adhere to delivery specifications.
24. **Silence of Specifications**: The apparent silence of this specification and any supplemental specifications to any details or the omission from same of any detailed description concerning any point shall be regarded as meaning that only the best commercial practices are to prevail and that only materials of first quality and correct type, size and design are to be used. All workmanship is to be first quality. All interpretations of these specifications shall be made upon the basis of this statement.
25. **Governmental Restrictions**: In the event that any governmental restrictions may be imposed which would necessitate alteration of the material, quality, workmanship or performance of the items offered on this bid prior to delivery, it shall be the responsibility of the supplier to notify the Procurement Division at once. Their letter shall indicate the specific regulation, which required an alteration. The

County reserves the right to accept any such alteration, including any price adjustments, or to cancel the contract at no expense to the County.

26. **Toxic Substances: Notice of successful vendor(s) to provide to Polk County toxic substances (As listed in Chapter 442, Appendix "G" of the FS) if applicable.**
    a. Chapter 442 of the FS states that manufacturers, importers or distributors of any toxic substance shall prepare and provide each direct purchaser of such toxic substance with Material Safety Data Sheet(s), herein referred to as MSDS, which to the best of the manufacturer's, importer's or distributor's knowledge, is current, accurate and complete based on information then reasonably available to the manufacturer, importer or distributor. Upon notification of a new or revised MSDS the manufacturer, importer or distributor, on a timely basis not to exceed three (3) months after notification, shall provide the County with the revised information as it becomes available to the manufacturer, importer or distributor.
    b. Failure to provide the MSDS, when applicable, shall be cause for rejection of bid.
27. **Inspection, Acceptance and Title**: Inspection and acceptance will be at the designated facility unless otherwise indicated. Title and risk of loss or damage to all items shall be the responsibility of the contract supplier until accepted by the County, unless loss or damage results from negligence by the County.
28. **Samples**: Samples of items, when called for, must be furnished free of expense and may, upon request, be returned at the bidder's expense. Each individual sample must be labeled with bidder's name, manufacturer's brand name and number, bid number and item reference. Samples of successful bidder's items may remain on file with Procurement for the term of the contract. Request for return of samples shall be accompanied by instructions, which include shipping authorization and name of carrier, and must be received within ninety (90) days after bid opening date. If instructions are not received within this time, the Procurement Division shall dispose of the samples.
29. **Code of Ethics**: If any bidder violates or is a party to a violation of the code of ethics of Polk County or the State of Florida, with respect to this bid, such bidder may be disqualified from performing the work described in this bid or from furnishing the goods or services for which the bid is submitted and shall be further disqualified from bidding on any future bids for work, goods, or services for the County.

General Information

1. **Definitions**:
    - The term "County" means the Polk County, a political subdivision of the State of Florida, and its authorized designees, agents or employees.
    - The term "Contract" means this bid document, any and all Addenda issued, and the Contractors bid submittal.

- The term “Vendor”, “Contractor” means the successful bidder(s) who executes a contract with the County.

2. **Award(s):** As the best interest of the County may require, the right is reserved to make award(s) by individual item, group of items or as indicated in the Special Conditions; to reject all bids or waive any minor irregularities or technicalities in bids received. In determining the lowest responsive and responsible bidder, in addition to price, the following may be considered:
   - Vendor’s evaluation – quality of performance on previous projects.
   - The ability, capacity, equipment and skill of the bidder to fulfill the contract.
   - Whether or not the bidder can fulfill the contract within the time specified, without delay or interference.
   - The character, integrity, reputation, judgment, experience and efficiency of the bidder.
   - The previous and existing compliance by the bidder with laws and ordinances relating to the contract.
   - The sufficiency of the financial resources to fulfill the contract to provide the goods and/or services.
   - The quality, availability and adaptability of the suppliers or contractual services to the particular use required.
   - The ability of the bidder to provide future maintenance and service, as required or needed.
   - The number and scope of conditions attached to the bid.
3. **Effective Date:** The date of issuance of a Notice to Commence by the County Procurement Division.
4. **Prohibition Against Considering Vendor Interests:** In accordance with Section 287.05701, Florida Statutes, the County may not (i) request documentation of or consider a Vendor’s social, political, or ideological interests when determining if the Vendor is a responsible vendor; or (ii) give preference to a Vendor based on the Vendor’s social, political, or ideological interests.
5. **Local Preference**: It is the policy of the Board of County Commissioners to afford local preference to Polk County entities in the award of bids. Preference shall be administered in accordance with the following:

   When bids are received that do not exceed $3,000,000.00, and the lowest price is offered by an entity located outside of Polk County, and the next lowest price is offered by an entity located in Polk County, and is within 2% of the lowest price offered, then the Polk County entity shall be given the opportunity to match the lowest price offered, and if agreement to match the lowest price is reached, the Polk County entity will be awarded the bid if the Polk County entity is otherwise fully qualified and meets all county requirements.

When bids are received that are greater than $3,000,000.00 but do not exceed $5,000,000.00, and the lowest price is offered by an entity located outside of Polk County, and the next lowest price is offered by an entity located in Polk County, and is within 1% of the lowest price offered, then the Polk County entity shall be given the opportunity to match the lowest price offered, and if agreement to match the lowest-price is reached, the Polk County entity will be awarded the bid if the Polk County entity is otherwise fully qualified and meets all county requirements.

When bids are received that are greater than $5,000,000.00, and the lowest price is offered by an entity located outside of Polk County, and the next lowest price is offered by an entity located in Polk County, and is within .5% of the lowest price offered, then the Polk County entity shall be given the opportunity to match the lowest price offered, and if agreement to match the lowest price is reached, the Polk County entity will be awarded the bid if the Polk County entity is otherwise fully qualified and meets all county requirements.

For purposes of this provision the term "Polk County entity" means any business having a physical location within the boundaries of Polk County, Florida, at which employees are located and business activity is managed and controlled on a day-to-day basis. Additionally, the business must have been located within the boundaries of Polk County for a minimum of 12 months prior to the date the applicable solicitation is issued. This requirement may be evidenced through a recorded deed, an executed lease agreement, or other form of written documentation acceptable to the County. The County shall have the right, but not the obligation, to verify the foregoing requirements.

If a contract is being funded in whole or in part by assistance of any federal, state or local agency which disallows local preference, the County will adhere to those requirements by not applying this section.

This policy does not apply if this bid qualifies as a Sheltered Market bid.

6. **Vendor Preference**: It is the policy of the Board of County Commissioners to afford vendor preference to women or minority owned entities in the award of bids. Preference shall be administered in accordance with the following:

   When sealed bids are received that do not exceed $3,000,000.00, and the lowest price is offered by a non-women or minority owned entity located outside of Polk County, and a price is offered by a women or minority owned entity that is within 2% of the lowest price offered, then the women or minority owned entity shall be given the opportunity to match the lowest price offered, and if agreement to match the lowest price is reached, the women or minority owned entity will be awarded the bid if the women or minority owned entity is otherwise fully qualified and meets all County requirements.

   When sealed bids are received that are greater than $3,000,000.00 but do not exceed $5,000,000.00, and the lowest price is offered by a non-women or minority owned entity located outside of Polk County, and a price is offered by a women or minority owned entity that is within 1% of the lowest price offered, then the women or minority owned entity shall be given the opportunity to match the lowest price

offered, and if agreement to match lowest price is reached, the women or minority owned entity will be awarded the bid if the women or minority owned entity is otherwise fully qualified and meets all County requirements.

When sealed bids are received that are greater than $5,000,000.00, and the lowest price is offered by a non-women or minority owned entity located outside of Polk County, and a price is offered by a women or minority owned entity that is within .5% of the lowest price offered, then the women or minority owned entity shall be given the opportunity to match the lowest price offered, and if agreement to match lowest price is reached, the women or minority owned entity will be awarded the bid if the women or minority owned entity is otherwise fully qualified and meets all County requirements.

The term “Women or Minority Owned Entity” means any business having at least 51% ownership by women or minority group members who independently control the management and day-to-day operations of the firm. Group members are Females, African Americans, Hispanic Americans, Asian-Pacific Americans, Native Americans, and Asian-Indian Americans.

If a contract is being funded in whole or in part by assistance of any federal, state or local agency which disallows this form of preference, the County will adhere to those requirements by not applying this section.

This policy in no way supersedes the Local Preference Policy.

This policy does not apply if this bid qualifies as a Sheltered Market bid.

7. **Non-Conformance to Bid Conditions**: Services not delivered as per delivery date in bid and purchase order may result in bidder being found in default, in which event any and all re-procurement costs may be charged against the defaulting vendor. This non-conformance to bid conditions may result in immediate cancellation of the purchase order.
8. **Assignment**: Any purchase order issued pursuant to this bid and the monies which may become due herein are not assignable except with the prior written approval of the Procurement Director.
9. **Disputes**: In the event of any doubt or difference of opinion as to the methods provided herein, or the level of performance rendered, the decision of the user department/division director shall be final and binding on both parties.
10. **Facilities**: The County reserves the right to inspect the bidder’s facilities at any time, with prior notice.
11. **Placing of Orders**: The award of this bid does not constitute an order. Before any services can be performed, the successful bidder must receive written or oral notification in accordance with the practices of the User Division.
12. **Precedence**: Any requirement set forth in any section of the bid documents shall be binding as if called for by all sections. If there is a difference in the terms anywhere in this document, the most restrictive shall prevail.

13. **Additions/Revisions/Deletions**: Additions, revisions or deletions to the general conditions, specifications or bid price sheets that change the intent of the bid will cause the bid to be non-responsive and the bid will not be considered. The Procurement Director shall be the sole judge as to whether or not any addition, revision or deletion changes the intent of the bid.
14. **Termination/Suspension**: The County may terminate the Contract resulting from this Bid at any time, in whole or in part, in accordance with and subject to the following:
    a. The County may terminate the Contract for the County's convenience by delivering 30 days' prior written notice of termination to the Contractor.
    b. The County may terminate the Contract immediately if the User Division determines that the Contractor is in material default of its Contract obligations, has notified the Contractor of such default by delivering a Vendor Complaint Form to the Contractor specifically describing the basis of the complaint and the conditions of the Contractor's default, and ten (10) days have passed since the Contractor's receipt of the Vendor Complaint Form without all defaults as described therein having been fully corrected. Notwithstanding anything to the contrary contained herein, the County may terminate the Contract immediately, without notice or any opportunity to cure, if the services rendered for the Contract cause or threaten endangerment to public health, safety or welfare.
    c. Upon receipt of any termination notice as described above, the Contractor shall:
        - Immediately discontinue all work unless the County's notice directs otherwise, and
        - Deliver to the County any and all data, reports, summaries, and all other information and materials of any type or nature whatsoever, whether completed or in process, the Contractor may have accumulated or generated in the course of performing the work of the Contract.
    d. In the event this Bid and/or the resulting Contract is terminated due to the Contractor's material default which is not cured within the allotted time period as described above, the Procurement Director may also suspend or debar the Contractor in accordance with the Suspension and Debarment Section of the County Procurement Procedures Manual. The rights and remedies of the County provided for in this Section are in addition and supplemental to any and all other rights and remedies provided by law or under the Bid and/or the resulting Contract.
15. **Cancellation**: All annual bid obligations shall prevail for at least one hundred eighty (180) days after effective date of the bid, unless bid conditions are breached as specified herein. After that period, for the protection of both parties, either party may cancel this bid in whole or part by giving thirty (30) days prior notice in writing to the other party. The County reserves the right to cancel any bid after reasonable written notice to the successful bidder should the service not be in the best interest of the County. Should the service rendered for any bid cause or threaten endangerment to public safety or welfare, the Procurement Director may cancel the bid immediately.

16. **Price Adjustments**: Any price decrease executed during the Contract period, either by reason of market change or on the part of the contractor to other customers, shall be passed on to the County.
17. **Manufacturer's Names and Approved Equivalents**: Any manufacturer's names, trade names or brand names are for information only and are not intended to limit competition. The bidder may offer any brand for which they are an authorized representative that meets or exceeds the specification for any item(s). If bids/proposals are based on equivalent products, indication should be made on the bid/proposal form of the manufacturer's name and number. Bidders shall submit with their bid/proposal, cuts, sketches, descriptive literature and/or complete specifications. Reference to literature submitted with a previous bid will not satisfy this provision. The bidder shall also explain in detail the reason(s) why the proposed equivalent will meet the specification(s) and not be considered an exception thereto. Bids/proposals lacking any written indication of intent to bid an alternate brand will be received and considered in complete compliance with the specifications as listed on the bid form. The Procurement Division shall be notified of any proposed changes in the following:

    (i) materials used;

    (ii) manufacturing process; and

    (iii) construction.

    Changes shall not be binding upon the County unless evidenced by a Change Notice issued and signed by the Procurement Director.

17. **Plans and Specifications**: The specifications and other bid documents upon which the prices in the vendor's bid proposal are based on, are hereby made a part of the purchase order by reference hereto.
18. **Performance and Payment Bond**: If a bond is required, it will be called out in the Special Conditions section of the bid. The vendor shall furnish a performance and payment bond, in an amount equal to the amount awarded, as security for the faithful performance and payment of all the vendor's obligations under the bid documents. The bond shall remain in effect at least until one year after the date when final payment becomes due, except as provided otherwise by Laws or Regulations or by the bid documents. All bonds shall be in the form prescribed by the bid document except as provided otherwise by Laws or Regulations, and shall be executed by such sureties as are named in the current list of "Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsuring Companies" as published in Circular 570 (amended) by Audit Staff, Bureau of Government Financial Operations, U.S. Treasury Department and A.M. Best rated A VIII or better.
19. **Annual Appropriations**: The vendor acknowledges that the County, during any fiscal year, shall not expend money, incur any liability, or enter into any agreement which, by its terms, involves the expenditure of money in excess of the amounts budgeted or the reduction of revenues for those budgeted agreements that may be available for expenditure during such fiscal year. Any agreement, verbal or written,

made in violation of this subsection is null and void, and no money may be paid on such agreement. Nothing herein contained shall prevent the making of agreements for a period exceeding one year, but any agreement so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years. Accordingly, the County's performance and obligation to pay under this agreement is contingent upon annual appropriation.

20. **Price Increase:** The Procurement Director reserves the right to increase/decrease price after the bid has been in place for a minimum of 12-months, when it is in the best interest of the County. Increases/decreases will be determined by the Consumer Price Index (CPI-U) unless otherwise stated in the Special Conditions.

21. **Uncontrollable Forces (Force Majeure)**: Either party hereunder may be temporarily excused from performance if an Event of Force Majeure directly or indirectly causes its nonperformance. An "Event of Force Majeure" is defined as any event which results in the prevention or delay of performance by a party of its obligations under this Agreement and which is beyond the reasonable control of the nonperforming party. It includes, but is not limited to fire, flood, earthquakes, storms, lightning, epidemic, war, riot, civil disturbance, sabotage, and governmental actions. Neither party shall be excused from performance if non-performance is due to forces which are reasonably preventable, removable, or remediable and which the non-performing party could have, with the exercise of reasonable diligence, prevented, removed, or remedied prior to, during, or immediately after their occurrence. Within five (5) days after the occurrence of an Event of Force Majeure, the non-performing party shall deliver written notice to the other party describing the event in reasonably sufficient detail, along with proof of how the event has precluded the non-performing party from performing its obligations hereunder, and a good faith estimate as to the anticipated duration of the delay and the means and methods for correcting the delay. The non-performing party's obligations, so far as those obligations are affected by the Event of Force Majeure, shall be temporarily suspended during, but no longer than, the continuance of the Event of Force Majeure and for a reasonable time thereafter as may be required for the non-performing party to return to normal business operations. If excused from performing any obligations under this Agreement due to the occurrence of an Event of Force Majeure, the non-performing party shall promptly, diligently, and in good faith take all reasonable action required for it to be able to commence or resume performance of its obligations under this Agreement. During any such time period, the non-performing party shall keep the other party duly notified of all such actions required for it to be able to commence or resume performance of its obligations under this Agreement.

    In the event of default by the successful Bidder, the County reserves the right to utilize the next lowest Bidder as the new Awardee when the default occurs within the first term of the bid. Should this occur, the next lowest Bidder will be required to provide the bid items at the prices as noted on their bid submittal.

22. **Unauthorized Alien(s)**: The vendor agrees that unauthorized aliens shall not be employed nor utilized in the performance of the requirements of this solicitation. The County shall consider the employment or utilization of unauthorized aliens a

violation of Section 274A(e) of the Immigration and Naturalization Act (8 U.S.C. 1324a). Such violation shall be cause for unilateral termination of this Agreement by the County. As part of the response to this solicitation, the successful vendor will complete and submit the attached form “Affidavit Certification Immigration Laws.”

23. **Employment Eligibility Verification (E-Verify)**

A. Unless otherwise defined herein, terms used in this Section which are defined in Section 448.095, Florida Statutes, as may be amended from time to time, shall have the meaning ascribed in said statute.

B. Pursuant to Section 448.095(5), Florida Statutes, the contractor hereto, and any subcontractor thereof, must register with and use the E-Verify system to verify the work authorization status of all new employees of the contractor or subcontractor. The contractor acknowledges and agrees that (i) the County and the contractor may not enter into this Agreement, and the contractor may not enter into any subcontracts hereunder, unless each party to this Agreement, and each party to any subcontracts hereunder, registers with and uses the E-Verify system; and (ii) use of the U.S. Department of Homeland Security’s E-Verify System and compliance with all other terms of this Certification and Section 448.095, Fla. Stat., is an express condition of this Agreement, and the County may treat a failure to comply as a material breach of this Agreement.

C. By entering into this Agreement, the contractor becomes obligated to comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes but is not limited to utilization of the E-Verify System to verify the work authorization status of all newly hired employees, and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The contractor shall maintain a copy of such affidavit for the duration of this Agreement. Failure to comply will lead to termination of this Agreement, or if a subcontractor knowingly violates the statute or Section 448.09(1), Fla. Stat., the subcontract must be terminated immediately. If this Agreement is terminated pursuant to Section 448.095, Fla. Stat., such termination is not a breach of contract and may not be considered as such. Any challenge to termination under this provision must be filed in the Tenth Judicial Circuit Court of Florida no later than 20 calendar days after the date of termination. If this Agreement is terminated for a violation of Section 448.095, Fla. Stat., by the contractor, the contractor may not be awarded a public contract for a period of 1 year after the date of termination. The contractor shall be liable for any additional costs incurred by the County as a result of the termination of this Agreement. Nothing in this Section shall be construed to allow intentional discrimination of any class protected by law.

24. **Attorney’s Fees and Costs**: Each party shall be responsible for its own legal and attorney’s fees, costs and expenses incurred in connection with any dispute or any litigation arising out of, or relating to this Agreement, including attorney’s fees, costs and expenses incurred for any appellate or bankruptcy proceedings.

25. **Public Records Law**.

(a)The Vendor acknowledges the County's obligations under Article I, Section 24, of the Florida Constitution and under Chapter 119, Florida Statutes, to release public records to members of the public upon request and comply in the handling of the materials created under this Agreement. The Vendor further acknowledges that the constitutional and statutory provisions control over the terms of this Agreement. In association with its performance pursuant to this Agreement, the Vendor shall not release or otherwise disclose the content of any documents or information that is specifically exempt from disclosure pursuant to all applicable laws.

(b)Without in any manner limiting the generality of the foregoing, to the extent applicable, the Vendor acknowledges its obligations to comply with Section 119.0701, Florida Statutes, with regard to public records, and shall:

(i) keep and maintain public records required by the County to perform the services required under this Agreement;

(ii) upon request from the County's Custodian of Public Records or his/her designee, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law;

(iii) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the term of this Agreement and following completion of this Agreement if the Vendor does not transfer the records to the County; and

(iv) upon completion of this Agreement, transfer, at no cost, to the County all public records in possession of the Vendor or keep and maintain public records required by the County to perform the service. If the Vendor transfers all public records to the County upon completion of this Agreement, the Vendor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Vendor keeps and maintains public records upon completion of this Agreement, the Vendor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's Custodian of Public Records, in a format that is compatible with the information technology systems of the County.

(c) **IF THE VENDOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE VENDOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE COUNTY'S CUSTODIAN OF PUBLIC RECORDS AT:**

RECORDS MANAGEMENT LIAISON OFFICER

POLK COUNTY

330 WEST CHURCH ST.

BARTOW, FL 33830

TELEPHONE: (863) 534-7527

EMAIL: RMLO@POLK-COUNTY.NET

26. **Scrutinized Companies and Business Operations Certification; Termination**.

A. Certification(s).

(i) By its execution of this Agreement, the Vendor hereby certifies to the County that the Vendor is not on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, nor is the Vendor engaged in a boycott of Israel, nor was the Vendor on such List or engaged in such a boycott at the time it submitted its bid, proposal, quote, or other form of offer, as applicable, to the County with respect to this Agreement.

(ii) Additionally, if the value of the goods or services acquired under this Agreement are greater than or equal to One Million Dollars ($1,000,000), then the Vendor further certifies to the County as follows:

(a) the Vendor is not on the Scrutinized Companies with Activities in Sudan List, created pursuant to Section 215.473, Florida Statutes; and

(b) the Vendor is not on the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, created pursuant to Section 215.473, Florida Statutes; and

(c) the Vendor is not engaged in business operations (as that term is defined in Florida Statutes, Section 287.135) in Cuba or Syria; and

(d) the Vendor was not on any of the Lists referenced in this subsection A(ii), nor engaged in business operations in Cuba or Syria when it submitted its proposal to the County concerning the subject of this Agreement.

(iii) The Vendor hereby acknowledges that it is fully aware of the penalties that may be imposed upon the Vendor for submitting a false certification to the County regarding the foregoing matters.

B. Termination. In addition to any other termination rights stated herein, the County may immediately terminate this Agreement upon the occurrence of any of the following events:

(i) The Vendor is found to have submitted a false certification to the County with respect to any of the matters set forth in subsection A(i) above, or the Vendor is found to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel.

(ii) The Vendor is found to have submitted a false certification to the County with respect to any of the matters set forth in subsection A(ii) above, or the Vendor is found to have been placed on the Scrutinized Companies with Activities in Sudan List, or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has been engaged in business operations in Cuba or Syria, and the value of the goods or services acquired under this Agreement are greater than or equal to One Million Dollars ($1,000,000).

27. **No Construction Against Drafter**: The Parties acknowledge that this Agreement and all the terms and conditions contained herein have been fully reviewed and negotiated by the Parties. Accordingly, any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in interpreting this Agreement.

Signature Acknowledgement

Drug-Free Workplace Form
(Submittal Page)

The undersigned vendor in accordance with Florida Statue 287.087 hereby certifies that, (Name of the Business): _____ does:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation programs, employee assistance programs and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, plea of guilty or nolo contendere to, any violation of Chapter 1893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on or require the satisfactory participation in a drug abuse assistance or rehabilitation program, if such is available in the employee's community, by any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

Insurance Requirements

The successful vendor shall purchase and maintain in force during the contract period the insurance as specified with an insurer licensed to do business in the State of Florida; rated “A” or better by A.M. Best Rating Company for Class VIII financial size category. Polk County, a political subdivision of the State of Florida, must be named as an additional insured with respect to liability arising from all work performed for Polk County, for Automobile and General Liability policies of insurance. The certificate holder must be Polk County, a political subdivision of the State of Florida, 330 W. Church St., Bartow, Florida 33830. Workers’ Compensation Insurance providing statutory benefits, including those that may be required by any applicable federal statute. Any sole proprietor or partner actively engaged in the construction industry, and any corporate officer of a construction or non-construction industry corporation who elects to be exempt from the provisions of the workers’ compensation law must provide either a workers’ compensation exemption certificate (construction industry) or a letter stating the exemption status and number of employees (non-construction industry). Commercial General Liability Insurance $1,000,000 combined single limit of liability for bodily injuries, death, and property damage, and personal injury resulting from any one occurrence, including the following coverages: Completed Operations, Broad Form CG. Comprehensive Automobile Liability Insurance $1,000,000; combined single limit of liability for bodily injuries, death and property damage resulting from any one occurrence, including all owned, hired and non-owned vehicles. The general liability and workers’ compensation policies shall contain a waiver of subrogation in favor of Polk County. An original certificate of insurance must be on file in the Procurement Division before a purchase order will be issued.

Each Certificate of Insurance must list the Certificate Holder as:

Polk County, a political subdivision of the State of Florida

330 W Church St, Room 150

Bartow, FL 33830

Certificates of Insurance for policies requiring additional insured status and/or the waiver of subrogation must include notations that these requirements apply. In addition, the Vendor shall supply to the County copies of the endorsements to verify these requirements.

The Vendor must provide, or cause to be provided, the County with 30 days’ prior written notice regarding the cancellation, suspension, or non-renewal of or material change to any policy.

All Certificates of Insurance must be submitted on ACORD 25 forms.

The Vendor must submit updated Certificates of Insurance to the County upon the expiration of or material change to any policy.

Insurance

(Submittal Page)

By signing below, the Bidder is stating that they fully understand the insurance requirements for the project and if awarded the bid will provide all insurance coverage as required in this Bid.

The requirements are as follows:

- Bidder is insured with a company licensed to do business in the State of Florida
- The insurance company is rated A VIII or better by A.M. Best Rating Company (General policy)
- Polk County will be named as an additional insured for automobile liability and general liability
- The General Liability and Workers Compensation policy will contain waiver of subrogation in favor of Polk County

Safety Requirements/Regulations

1.0 All Bidders are required to submit, with their Bid Proposal, the Safety Requirements/Regulations form. Any questions regarding compliance with the safety requirements/regulations provision shall be directed to the County Safety Officer, Risk Management, at (863) 534-5267.

1.1 The Vendor is responsible for observing all OSHA regulations and shall self-inspect to ensure this is accomplished. The Vendor shall ensure that all personnel are properly trained and shall be able to provide documentation for their personnel that have attended training courses. Examples of such training courses are: Hazard Communications, Traffic Work Zone Safety, Personal Protective Equipment, First Aid/CPR, Permit Required Confined Space, Lock out/Tag Out of Hazardous Energy. All Vendors are required to comply with OSHA Standards regardless of the number of employees they may have.

1.2 A County representative may periodically monitor work site safety. Should there be safety and/or health violations, classified as Serious, Willful or Criminal/Willful Violations, the County's representative may have the authority, but not the duty, to require the Vendor to correct the violation in an expeditious manner. Inspections shall be based on requirements contained in law. The definitions of serious, willful and criminal/willful violations are as follows:

Serious Violation: A serious violation shall be deemed to exist in a place of employment if there is a substantial probability that death or serious physical harm could result from a condition which exists, or from one or more practices, means, methods, operations, or processes which have been adopted or are in use, in such place of employment unless the employer did not, and could not, with the exercise of reasonable diligence, know of the presence of the violation.

Willful Violation: May exist where evidence shows that the employer committed an intentional and knowing violation of the Act.

Criminal/Willful Violation: A repeat violation of a previously cited willful violation.

Violation of Serious, Willful or Criminal violation may have the following consequences:

First violation: correction may be a verbal warning and the correction shall be done the same day. Written documentation may be maintained by the County.

Second violation: may result in work stoppage until the violation is corrected. The work stoppage shall not entitle the Vendor to additional contract time or compensation. Liquidated damages provision will remain in full force and effect.

Third violation: this may constitute a breach of contract for safety violations and may result in termination of the contract at the sole discretion of the County.

Note: The County Safety Officer may stop any job to ensure the safety of all concerned.

1.3 Should the work site be in a hazardous area, the County shall furnish the Vendor with information concerning hazards such as types or identification of known toxic material, machine hazards, Material Safety Data Sheets, or any other information that would assist the Vendor in the planning of a safe work site.

1.4 The Vendor shall be aware that while working for the County, representatives from agencies such as the United States Department of Labor, Occupational Safety and Health Administration (OSHA), and the Division of Safety, State of Florida, are invitees and need not have warrants or permission to enter the work site. These agencies, as well as the County Safety Officer, enter at the pleasure of the County.

1.5 The Vendor shall designate a competent person of its organization whose duty shall be the prevention of accidents at the site. This person shall be the Vendor’s superintendent unless otherwise designated in writing by the Vendor to the County. All communications to the superintendent shall be as binding as if given to the Vendor.

Safety Requirements/Regulations Form

Bidder must sign and have notarized:

The undersigned bidder hereby certifies that they fully understand the safety requirements/regulation provisions and will comply.

Employment Eligibility Verification (E-Verify) Certification

(Florida Statutes, Section 448.095)

PROJECT NAME:

_____

The undersigned, as an authorized officer of the contractor identified below (the "**Contractor**"), having full knowledge of the statements contained herein, hereby certifies to Polk County, a political subdivision of the State of Florida (the "**County**"), by and on behalf of the Contractor in accordance with the requirements of Section 448.095, Florida Statutes, as related to the contract entered into by and between the Contractor and the County on or about the date hereof, whereby the Contractor will provide labor, supplies, or services to the County in exchange for salary, wages, or other remuneration (the "**Contract**"), as follows:

1. Unless otherwise defined herein, terms used in this Certification which are defined in Section 448.095, Florida Statutes, as may be amended from time to time, shall have the meaning ascribed in said statute.

2. Pursuant to Section 448.095(5), Florida Statutes, the Contractor, and any subcontractor under the Contract, must register with and use the E-Verify system to verify the work authorization status of all new employees of the Contractor or subcontractor. The Contractor acknowledges and agrees that (i) the County and the Contractor may not enter into the Contract, and the Contractor may not enter into any subcontracts thereunder, unless each party to the Contract, and each party to any subcontracts thereunder, registers with and uses the E-Verify system; and (ii) use of the U.S. Department of Homeland Security's E-Verify System and compliance with all other terms of this Certification and Section 448.095, Fla. Stat., is an express condition of the Contract, and the County may treat a failure to comply as a material breach of the Contract.

3. By entering into the Contract, the Contractor becomes obligated to comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes but is not limited to utilization of the E-Verify System to verify the work authorization status of all newly hired employees, and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The Contractor shall maintain a copy of such affidavit for the duration of the Contract. Failure to comply will lead to termination of the Contract, or if a subcontractor knowingly violates the statute or Section 448.09(1), Fla. Stat., the subcontract must be terminated immediately. If the Contract is terminated pursuant to Section 448.095, Fla. Stat., such termination is not a breach of contract and may not be considered as such. Any challenge to termination under this provision must be filed in the Tenth Judicial Circuit Court of Florida no later than 20 calendar days after the date of termination. If the Contract is terminated for a violation of Section 448.095, Fla. Stat., by the Contractor, the Contractor may not be awarded a public contract for a period of 1 year after the date of termination. The Contractor shall be liable for any additional costs incurred by the County as a result of the termination of the Contract. Nothing in this Certification shall be construed to allow intentional discrimination of any class protected by law.

Special Conditions

1. Award will be made based on lowest responsive bid per section. Bidders are not required to bid on all sections but should bid on all items contained within a section in order to be considered responsive. All bid items should be bid at a fair and reasonable price; failure to do so may cause the bid to be non-responsive. The Procurement Director shall be the sole judge of what is fair and reasonable. The Procurement Director reserves the right to reject any or all bids and/or waive any minor irregularities in the bids received, whichever would be in the best interest of the County.
2. The period of performance for this bid is from the date of award through July 30, 2026 (“termination Date”). This bid will automatically renew, extending the Termination Date, for two (2) one (1) year periods, unless otherwise terminated in accordance with General Information Items #14 and #15. Bids may be extended by the Procurement Director at the end of any given term in order that the service or provision for goods be continued for a period of no greater than 120 (one hundred and twenty) days.
3. **Performance of Work:** Portions of the work required under this bid may be performed by subcontractors. The vendor shall be fully responsible for all acts and omissions of their subcontractors and of persons directly or indirectly employed by them and of persons for those acts any of them may be liable to the same extent as if they were employed by the vendor. Any work performed by the successful vendor or sub-contracted out must meet all regulated deadlines.
4. All prices bid shall remain unchanged during the period of performance, as specified herein, and as may be adjusted in accordance with General Information, Item #20.
    - The bid unit price for bituminous material only, will be adjusted during the contract year to reflect increases or decreases in the asphalt price index (API) of bituminous material from the API in effect during the month in which bids are received as per FDOT Standard Specifications Section 9. Refer to the Bituminous Material definition outlined under Specifications Item 3 below.

5. If it becomes necessary to revise or amend any part of this bid, an addendum will be issued and will be posted on the County's website at https://www.polk-county.net/business/procurement/. It is the sole responsibility of the bidders to check the website to ensure that all available information has been received prior to submitting a bid.
6. The Successful Bidder must register in our Vendor Database if you have not already done so prior to the award of this bid. A purchase order cannot be issued to a vendor until they are registered. You may register at the following link: https://www.polk-county.net/business/procurement/vendor-information/.
7. Any additions, deletions, or modification similar in cost or material after bid award will need to be signed off by both the user division and the successful vendor. Price for any additions, deletions, or modifications to the bid will be negotiated and agreed upon by both parties. All agreed upon additions, deletions, or modifications will also require the Procurement Director's (or designee) approval. If the addition, deletion or modification is accepted an amendment to the Bid award will be issued to the successful Bidder.
8. The County may employ other vendors to perform the work or self-perform the work described. Bidder has not been employed as the exclusive vendor to perform any such services.
9. Bidders may attend the Bid Opening via conference call or in person. The conference bridge phone number to call in is (646) 558-8656 and enter Meeting ID: 327 647 2818. A listing of all bidders will be posted to Procurement's website as soon as possible after bid opening.

Qualifications

1. Bidder must have been in business under the same FEIN number for the past five (5) years. Evidence should be submitted with the bid submittal.
2. Bidder shall submit their FDOT or other State DOT certification to perform placement and maintenance of traffic devices. If the bidder provides other State DOT certification with their bid, the Bidder shall be certified by FDOT to perform this before award of bid.
3. The Bidder shall have a minimum of five (5) years of experience in Maintenance of Traffic in accordance with the specifications and applicable FDOT standards or other State DOT.
4. Bidder should submit with their bid a letter of bondability from their bonding company agent stating their current single job limit and the aggregate limit. The bonding company shall be authorized to do business in the State of Florida and as named in the current list of “Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsuring Companies” as published in Circular 570 (amended) by the Audit Staff, Bureau of Government Financial Operations, U.S. Treasury Department and AM. Best rated A VIII or better.
5. Bidder must possess a Polk County Local Business Tax Receipt (f/k/a Business License) in order to do business with the County. A copy of such license must be provided to the Procurement Division before award is made to the successful vendor.
6. Bidder should submit detailed information regarding the staff that they propose for this project.
7. Bidder should submit a list of three (3) projects per section bid, successfully completed within the last five (5) years as the prime, in which the Contractor’s portion of the work exceeded $50,000, with the exception of the Fog Seal, Rejuvenator, and Crack Seal bids, where the contractor’s portion of work shall have exceeded $30,000. The projects should have been for a federal, state, or local government agency. The three projects should be provided for each of the following treatments:
    a. Chip seal
    b. Micro-surfacing
    c. Crack sealing/filing
    d. Fog seal
    e. Asphalt rejuvenation
    f. Scrub seal
    g. Full depth reclamation
    h. Cold in place recycling
    i. Cape seal

    For each project identified, please include the following information:
        i. Project Name
        ii. Governmental Agency Name

iii. Contact Person
iv. Email Address
v. Telephone Number
vi. Project Date
vii. Number of Square Yards Treated
viii. Dollar Amount of the Contract

8. Provide a primary and secondary Vendor point of contact for this solicitation to include:
    a. Contact Name
    b. Phone Number
    c. Email Address

The Contact persons provided will be the primary and secondary contact for the County to call/communicate with any requests for service or levels of service provided during the term of the solicitation. If at any time this information changes it will be the vendors sole responsibility to update Roads and Drainage Division staff as soon as possible.

All documentation and information requested in the Qualifications section should be included with the vendor's submittal or must be provided within three (3) business days upon request and prior to award.

Scope of Work

The scope of work to be done under this project consists of furnishing all labor, materials, equipment, supervision, and support for the construction of asphalt pavement preservation and/or reconstruction processes, and asphalt pavement improvements. Additional work incidental to asphalt concrete work may include, but may not be limited to, roadway edge preparation, reworking shoulders, adjusting manholes and valve covers to grade, removal and/or restoration of traffic striping, markings and RPM's, sodding, implementation of an adequate Storm Water Pollution Prevention Plan and Implementation, and Traffic Control and Safety.

Specifications

1. Except as amended in the Bid document or otherwise directed by the Roads and Drainage Division, all work shall conform to the Florida Department of Transportation Standard Specifications for Road and Bridge Construction (https://www.fdot.gov/programmanagement/specs.shtm); the Florida Department of Transportation Roadway and Traffic Design Standards (https://www.fdot.gov/design/standardplans/current/default.shtm); and the Manual of Uniform Traffic Control Devices, all current editions (https://mutcd.fhwa.dot.gov).
2. No work shall be performed under the provisions of this bid on any properties outside the limits of the project area without prior written permission of the lawful affected landowner. Any such permission shall be obtained by the Contractor(s) and shall identify the provisions under which such work is to be performed and written permission obtained shall be provided to the County Project Manager prior to the associated work being performed. The Contractor(s) shall not be compensated for any work outside the project area and shall hold the County harmless for all liabilities associated with said work outside the project area, if any work is performed without prior written permission from the County Project Manager.
3. **DEFINITIONS:** The definitions as stated in Section 1-3 of the FDOT Specifications are modified as follows:
    - The Department or FDOT: Reference is to the County as the owner of the project.
    - Inspector: The person designated as an agent or representative of the County to perform construction inspection.
    - The Engineer: This term has the same meaning as "Polk County Project Manager" as defined in this bid document.

- State Road: Any public roadway.
- The Department's Acceptance Tests: Tests adopted by the County.
- The District and/or Central Labs: The Contractor's testing subcontractor, as authorized by the County.
- The County: Project Manager, Roads & Drainage Division Director and/or Deputy County Manager.
- The Inspector: The County appointed project inspector.
- Bituminous Material: A dense black viscous material that is produced from selected crude oils, dark black or brown in color, and used as a binding and waterproofing material. Examples include asphalt, lake asphalt, rock asphalt, binder (54%), mineral matter (36%), and organic matter (10%).

4. FDOT STANDARD SPECIFICATIONS FOR ROAD AND BRIDGE CONSTRUCTION

a. The current Division II Construction Details and Division III Materials in the FDOT Standard Specifications for Road and Bridge Construction, including all revisions current at the time of the bid due date, shall apply to this Bid except as modified by Special Provisions or Technical Specifications attached to this Bid document.

b. If any conflicts exist between the specifications prescribed in this Bid document, the more stringent requirement shall apply.

5. PROJECT QUOTES AND WORK ORDERS

a. This annual bid includes asphalt roadway project work orders at various locations throughout Polk County, according to the requirements of the Bid document. The project work order locations may be anywhere within Polk County.

b. The County will use as a reference the conceptual estimate per project as generated from the Pavement Analyst Software for the year's approved Work Plan. When Out of Scope work is determined to be needed by the Project Manager, the Contractor will be instructed to include an Out-of-Scope line item with their estimate for the project. The Contractor's final estimates will be returned to the County Project Manager including those out-of-scope costs previously identified by the Project Manager. Once the final estimate is approved by the County Project Manager, a purchase order will be issued by Procurement, and the County Project Manager will notify the Contractor they are authorized to proceed to schedule the work with Inspection by means of the Pavement Management Work Authorization Form (see Exhibit B). If the work order is for $200,000 or more, a new Public Construction Bond for the total amount of the PO must be delivered and approved by Procurement prior to the Project Manager issuing the Notice to Proceed. Please see Special Conditions, Item 8 for more information. The approved final estimate should be attached to the

purchase order. The Contractor may then coordinate with Inspection to schedule and commence work and proceed in accordance with the approved schedule, if applicable. Payment for each project will be based on actual quantities used and unit prices from the bid, as approved by the County.

c. The Contractor may not decline to perform projects assigned by the Roads & Drainage Division.

d. The approved quote amount on any individual work order **shall be the maximum compensation payable to the Contractor for that work order.** The work order price may only be changed for altered quantities authorized by the County. If the Contractor desires to make a claim for a change in quantity or schedule of an authorized work order, any such claim shall be submitted to the County Project Manager in writing within three (3) working days of the occurrence of the event giving rise to the claim.

e. The Contractor(s) shall provide all services to properly complete the work described in the bid document, including but not limited to all labor, materials, tools, transportation, and supplies. The Contractor(s) is required to have a qualified superintendent on the job site at all times. If multiple jobs are under construction concurrently, each job is required to have a qualified superintendent on site. The Contractor(s) shall specifically identify the project superintendent and provide inspection with the person's contact information prior to beginning work. If the County determines that a job site is not being adequately supervised, a deficiency letter will be issued to the Contractor(s).

6. **PROJECT SCHEDULES:** The County will require that the Contractor submit time estimates for specific projects, at the County's request.

7. **Working Hours:** The regular working hours for Polk County are Monday – Friday, 7:00 AM to 5:30 PM. Permission to work outside of the regular work hours should be requested in writing a minimum of 5 working days in advance from the Roads & Drainage County Project Management Section. Permission to work on County holidays should also be requested in writing a minimum of 5 working days in advance from the County Project Management Section. The County reserves the right to modify the regular work hours of a given project to account for particularities of the project, such as peak traffic considerations.

8. **OUT OF SCOPE WORK:** When preparing a preliminary estimate, if it is known or reasonably anticipated that there are necessary items of construction that are not included on the price sheets of the bid or, during the course of executing a work order, the County Project Manager determines that there are necessary items of construction that are not included on the price sheets of the bid, then the County Project Manager will request a cost proposal from the Contractor for the "out of scope" work. The "out of scope" proposal shall contain all necessary costs, expenses, and time. The "out of scope" services shall not be greater than fifteen percent (15%) of the "in-scope" services. Contractor shall not commence work on any "out of scope" services until approval is received from the County

Project Manager, a PO is issued, and an original Public Construction Bond has been delivered and approved by Procurement (if applicable).

9. **TESTING AND INSPECTIONS**

   a. The Contractor is responsible for all required testing on the project except when the Bid document, laws, ordinances, rules, regulations, or orders of any public authority having jurisdiction specifically require any Work to be inspected or tested by someone other than the Contractor. For these inspections and testing, the Contractor shall give the County Project Management Section a minimum of 48 hours' notice to prepare for the required inspections or testing.

   b. For all required inspections, tests and approvals on any work prepared, performed, or assembled away from the site, the Contractor will furnish the County Project Management Section with the required Certificates of Inspection, testing or approval. All such tests will be in accordance with the methods prescribed by the American Society for Testing and Material (ASTM) or such other applicable organizations as may be required by law or the Bid document.

   c. Material or work in place that fail to pass acceptability tests shall be removed and reconstructed according to the bid requirements at the Contractor's expense.

   d. No work shall be performed, nor materials used, without supervision and/or inspections by a representative of the County. The County representative shall have the authority to test and reject any materials and suspend the subject work at any time.

10. **EMERGENCIES:** In the event of an emergency, the Contractor shall immediately notify the County Project Management Section.

11. **DEFICIENCY NOTICES:** Authorized County personnel may issue a Notice of Deficiency to note that the Contractor is performing work in violation of the Contract conditions. Liability of any damages arising from the items listed in the Notice of Deficiency will be the responsibility of the Contractor. Causes for a Notice of Deficiency may include, but are not limited to, creating unsafe conditions for the traveling public, construction workers and County personnel, inadequate maintenance of traffic, substandard workmanship and/or materials, failure to adhere to approved work hours.

    a. Upon receiving a Notice of Deficiency, the Contractor shall sign receipt of the notice, returning a signed copy to the Inspector and retaining one for their records. Signature of the Notice does not constitute admittance of the deficiency, only receipt of the Notice. Failure to do so may result in contract termination.

    b. Deficiencies noted for safety issues such as improper MOT or workers without proper safety equipment, must be immediately addressed.

    c. If the Contractor is in disagreement with the Notice, they may submit a written appeal to the Project Manager within 5 working days of receiving

the Notice. The Project Manager shall review the appeal and make a determination as to its validity. If the Project Manager determines no cause for the deficiency, the Notice will be nullified. Otherwise, a copy of the Notice will be provided to Procurement and become part of the Contractor's evaluation for that contract year.

12. **SUSPENSION OR STOPPING WORK BY THE CONTRACTOR:** The Contractor shall not stop work on any project work order without the consent of the County Project Manager.

13. **MOBILIZATION:**

a. **Project Staging Areas:** Upon being assigned a project, the Contractor shall identify potential staging areas. County ROW or properties are preferred. Should the Contractor identify a private property as a staging area, they should provide the County with written documentation evidencing the property owner's permission to use said property as a staging area, and any required conditions for said usage. Upon completion, the staging areas should be returned to their original condition unless specifically instructed by the County or private owner to do otherwise.

b. **Project Signs:** A minimum of five (5) working days prior to mobilizing to the project area, the Contractor shall install project signs advising of upcoming works. The signs shall be furnished by and property of the County. The Contractor shall be responsible for the maintenance of these signs so long as the Contract is valid. For subdivisions, a sign shall be placed at the main entrance. For collectors or arterials, a sign shall be placed at both ends of the road. The Contractor shall remove the signs once the project is completed and return them to either the County Inspector or Project Manager. Specific treatments may require resident notifications in addition to the project signs, as indicated under the treatment's technical specification.

14. **SITE AND SURFACE PREPARATION:**

a. The Contractor shall be responsible for clipping back shoulders and removing overburden or any other vegetation or debris to ensure that the road is free of organic and deleterious material. The Contractor shall spray all cut back edges with a pre-emergent herbicide before and after treatment, unless otherwise specified under the treatment's specifications. The Contractor shall:
    i. Use products as per FDOT Section 7-1.7 Insecticides, Herbicides and Fertilizers.
    ii. Ensure that the herbicide carries an approved label for use under paved surfaces, and that herbicide is applied in accordance with directions on the label.
    iii. Prevent damage to any adjacent vegetation during herbicide application.

iv. Replace, at no expense to the Department, any plants damaged as the result of soil treatment outside designated areas.

b. The Contractor will be responsible for sweeping or vacuuming the road ahead of any treatment, and immediately after in the case of milling operations, to make sure the road is free of loose aggregate and other debris prior to paving. The Contractor shall make every effort to keep the dust to a minimum and ensure that the broomed material is not spread onto adjacent shoulders, properties and sidewalks. Any debris inadvertently spread onto adjacent properties shall be promptly removed to the satisfaction of the Inspector or Engineer.
c. All manhole and valve covers, inlets and other service entrances, etc., shall be protected by adequate means for the treatment being done.
d. Additional site and surface preparation requirements may be specified in the treatment's technical specification.
e. There is no separate pay item for Site and Surface Preparation. The cost for this work is incidental to the bid items.

15. **MAINTENANCE OF TRAFFIC**

a. The terms Traffic Control Plan (TCP) and Maintenance of Traffic Plan (MOT Plan) are intended to be synonymous. The term Maintenance of Traffic (MOT) is the function presented in the TCP.
b. The Contractor shall provide, install and maintain traffic devices for any assigned work according to the FDOT Design Standards Index 600 series, latest edition, and applicable laws and ordinances. The traffic control shall provide a safe work zone and safe flow of traffic in and through the project site.
    i. When needed, temporary striping will be considered as part of Maintenance of Traffic.
c. Depending on the project complexity, the County may require the Contractor submit an MOT plan showing all phases of construction in advance for approval.
d. The Contractor shall have a designated Worksite Traffic Supervisor who shall be adequately certified per FDOT requirements, and responsible for initiating, installing and maintaining all temporary traffic control devices. When needed, the Contractor shall provide dedicated flaggers, adequately certified per FDOT requirements. The Contractor shall provide Inspection with the name and contact information of the Worksite Traffic Supervisor prior to beginning any project, and should be able to provide evidence of the MOT personnel certification upon request.
e. If the construction method being employed requires a lane closure longer than a day, it shall not be considered as a moving operation and the Contractor should submit a Lane Closure Request to the County for approval.
f. If the construction method being employed requires a road closure, the Contractor should submit Road Closure Request at least ten (10) working days prior to the anticipated start date of the closure. Both the Lane

Closure and Road Closure Fillable Forms can be found on the County's website or provided by the Project Manager upon request.

16. **EROSION CONTROL:** At the instruction of the Inspector or Engineer, the Contractor shall install the indicated temporary erosion control measures.

17. **SURVEY**

    a. The County Survey Section will provide any construction layout services necessary to construct a project under this contract.

    b. The County Survey Section will provide any "as-built" surveys necessary after construction is completed.

18. **UTILITY COORDINATION:** The Contractor shall be responsible for "Sunshine One Call" for all locations incorporated into the work orders.

19. **MATERIALS**

    a. The Contractor shall provide copies of all delivery tickets, or invoices, for all materials and equipment to be used for the project to the County Project Management Section immediately upon delivery or as soon thereafter as is practical.

    b. Arrangements for storage areas for materials and equipment shall be the responsibility of the Contractor. Before mobilizing or storing any materials or equipment, the Contractor shall identify the areas to be used for storage in writing to the County. If property other than County right-of-way is proposed for storage, the Contractor shall provide the County a copy of the written approval or agreement from the property owner before mobilizing or storing any materials or equipment on said property. The Contractor shall be responsible for restoring any and all damages to storage areas. Restoration of damage to public rights-of-way, easements, or private properties outside of the work zone area shall be the Contractor's responsibility. Reimbursement for restoration of storage areas outside of the work zones shall be included in the Contractor's site specific Mobilization bid price.

20. **WORKSITE VISIBILITY:** No work shall be performed when the visibility is less than two (2) times the Stopping Sight Distance for the highest regulatory posted speed through the project area as defined in the FDOT Manual of Uniform Standards for Design, Construction and Maintenance for Streets and Highways. Visibility distance shall be measured in all directions of travel and at locations and directed by the County. Project time extensions for substandard visibility shall be assessed according to FDOT Standard Specification Section 8-7.3.2.

21. **HISTORICAL AND ARCHAEOLOGICAL:** If historical or archaeological artifacts are discovered at any time on the project site, the Contractor should notify the County, the Water Management District, the Florida Department of State and the Division of Historical Resources. The Contractor shall follow any rules or requests from agencies with jurisdiction. If required to stop work, delay work or perform extra work in the affected area, delays and additional costs will be considered an unforeseen difficulty. If the Contractor desires to make a delay

claim, any such claim shall be submitted to the County Project Manager in writing within three working days of the occurrence of the event giving rise to the claim.

22. **CONTAMINATION:** Any equipment that is leaking fuel, lubricant, coolant, hydraulic fluid or any other hazardous material shall immediately be repaired by the Contractor to stop the leak. The Contractor shall immediately contact the County. The Contractor shall clean up and dispose of any leaked fluids according to all applicable laws, ordinances, rules and regulations within 24-hours of occurrence. All repairs, removal, clean-up and/or disposal shall be at no cost to the County.

23. **SAFETY**

    a. The Contractor is responsible for providing for the safety of all Contractor's or subcontractor's personnel working in the Project Area.

    b. The Contractor is required to comply with Florida Statute (F.S.), Chapter 556, Underground Facility Damage Prevention and Safety Act. The Contractor is responsible for contacting Sunshine State One-Call of Florida, Inc., at 811 or www.callsunshine.com, no less than two (2) business days (48 hours) and no more than 5 business days before beginning any excavation, the Contractor provide notification according to the procedures of the F.S. Chapter 556.

    c. The Contractor is required to comply with OSHA Respirable Crystalline Silica Standard for Construction, 29 CFR 1926.1153.

24. **STRIPING AND PAVEMENT MARKINGS:** The Contractor shall adhere to the Polk County Striping Specifications included in Exhibit A unless otherwise noted by the County Project Manager. With the exception of the Asphalt Rejuvenation Treatment, for purposes of a project quote, the Contractor shall include the striping and pavement marking quantities assuming they will restripe to the existing configuration unless otherwise instructed. The Contractor will include these quantities for both thermoplastic and traffic paint as alternatives. Once a Notice to Proceed is given for any particular project, the Inspector or Engineer will indicate per project, if the striping and pavement markings shall be thermoplastic or traffic paint, and if any changes to the striping will be done. The invoice will reflect the actual quantities of striping and pavement markings installed. The Contractor shall provide documentation supporting the quantities installed or constructed per project as supporting documentation for invoicing. Temporary Striping shall be considered as part of the MOT.

25. **WORK AREA CLEAN-UP REQUIREMENTS**

    a. During the progress of the Work, the Contractor shall keep the premises and maintained travel lanes free from accumulations of waste, discarded or surplus material, rubbish and other debris or contaminates resulting from the work.

    b. Following completion of the Work, Contractor shall remove all waste material, rubbish, debris, tools, construction equipment, machinery, and surplus material from public rights-of-way, easements, and private

properties. The Contractor shall leave the site clean and ready for occupancy by the County at final completion of the work.

26. **WORK STOPPAGE:** From time to time, it may be necessary for the Contractor to stop a portion of the work or all work to accommodate a civic function. If the Contractor will be required to stop work, the County Project Management Section shall notify the Contractor a minimum of five (5) Working Days before any requested work stoppage. Following resuming work, the Contractor and the County Project Manager shall agree to and document the number of additional days to be added to the project completion time to accommodate the requested work stoppage.

27. The Resolution Authority for this bid shall be:
    a. Polk County Inspector/Lead Inspector
    b. Polk County Project Manager
    c. Polk County Project Management Engineering Manager
    d. Polk County Roads & Drainage Division Director

28. **INVOICES:** Prior to submitting an invoice, the Contractor shall coordinate with the Inspector, providing all daily tickets, logs and other supporting documentation substantiating actual quantities of pay items installed or constructed. Once the Inspector and Contractor are in agreement of the quantities, the Contractor shall submit the appropriate invoice. Invoices may be submitted by email to the Project Manager.

29. **WARRANTY:** The vendor shall warrant against all defects in material and workmanship for a period of one year after acceptance, unless otherwise indicated in the treatment's technical specification.

Technical Specifications

1. Bid Item No. 577-70 – REWORKING SHOULDERS

a. Description: Furnish all labor, material, and equipment necessary to perform all operations to rework existing shoulders as per FDOT Specification 577, Edition 2000.
b. Method of Measurement: Reworking shoulders will be measured by the square yard of reworked area.
c. Basis of Payment: Price and payment will be full compensation for furnishing of all materials, equipment, labor and incidentals necessary to complete the work as specified.

2. Bid Item No. PC-001 – Chip Seal

a. Description: Furnish all labor, material, and equipment necessary to perform all operations for single or double application of combined layers of polymer modified liquid asphalt emulsion and spread aggregate.

b. Method of Measurement: Chip seal, single, double, or triple application, will be measured by the square yard as provided for in the Contract Documents.

a. Basis of Payment: Price and payment will be full compensation for furnishing of all materials, equipment, labor, and incidentals necessary to complete the work as specified.

3. Bid Item No. PC-002 – Micro-Surfacing

a. Description: Furnish all labor, material, and equipment necessary to perform all operations for the placement of a polymer modified microsurface on a prepared existing paved road to the thickness specified by the County.

b. Method of Measurement: Microsurfacing will be measured by the square yard, with the exception of that used for rut filling. The later will be measured per ton, as provided for in the Contract Documents.

c. Basis of Payment: Price and payment will be full compensation for furnishing of all materials, equipment, labor, and incidentals necessary to complete the work as specified.

4. Bid Item No. PC-003 – Crack Filling/Sealing

a. Description: Furnish all labor, material, and equipment necessary to perform all operations for the preparation and sealing of all surface cracks ¼” to 1” inch wide.

b. Method of Measurement: Crack Filling/Sealing shall be measured in gallons of crack seal applied to the road, as provided in the Contract Documents.

c. Basis of Payment: The unit price as shown on the Bid Sheet "Filling/Sealing" or "Routing and Sealing" shall be all inclusive to include cleaning, sealing, FDOT traffic control, mobilization and any other incidentals required to complete the work as specified.

5. Bid Item No. PC-004- Fog Seal

a. Description: Furnish all labor, material, and equipment necessary to perform all operations for the sprayed application of a bituminous fog seal material to bituminous asphaltic concrete surface courses.

b. Method of Measurement: Fog Seal will be measured by the square yard as provided for in the Contract Documents.

c. Basis of Payment: Price and payment will be full compensation for furnishing of all materials, equipment, labor, and incidentals necessary to complete the work as specified.

6. Bid Item No. PC-005 – Bituminous Asphalt Rejuvenator

b. Description: Furnish all labor, material, and equipment necessary to perform all operations for the sprayed application of an asphalt rejuvenating agent to bituminous asphaltic concrete surface courses.

c. Method of Measurement: Asphalt Rejuvenator will be measured by the square yard as provided for in the Bid Documents.

d. Basis of Payment: Price and payment will be full compensation for furnishing of all materials, equipment, labor, and incidentals necessary to complete the work as specified.

7. Bid Item No. PC-006 – Scrub Seal

e. Description: Furnish all labor, material, and equipment necessary to perform all operations for the sprayed application of a scrub seal to bituminous asphaltic concrete surface courses.

f. Method of Measurement: Scrub Seal will be measured by the square yard as provided for in the Bid Documents.

g. Basis of Payment: Price and payment will be full compensation for furnishing of all materials, equipment, labor, and incidentals necessary to complete the work as specified.

8. Bid Item No. PC-007– Full Depth Reclamation with Portland Cement

a. Description: Furnish all labor, materials, and equipment necessary to perform all operations in the preparation of a stabilized base course done by in-place pulverizing and blending of the existing pavement and base materials, and the introduction of asphalt emulsion and additives as called for under the technical specifications.

b. Method of Measurement: Full Depth Reclamation with Cement will be measured by the square yard. Refer to the technical specification for the method of measurements of additional tasks or materials associated to FDR, as per the technical specification.

c. Basis of Payment: Price and payment will be full compensation for furnishing of all materials, equipment, labor, and incidentals necessary to complete the work as specified.

9. Bid Item No. PC-008– Full Depth Reclamation with Asphalt Emulsion and Cement

a. Description: Furnish all labor, materials, and equipment necessary to perform all operations in the preparation of a stabilized base course done by in-place pulverizing and blending of the existing pavement and base materials, and the introduction of asphalt emulsion and additives as called for under the technical specifications.

b. Method of Measurement: Full Depth Reclamation with Asphalt Emulsion and Cement will be measured by the square yard. Refer to the technical specification for the method of measurements of additional tasks or materials associated to FDR, as per the technical specification.

c. Basis of Payment: Price and payment will be full compensation for furnishing of all materials, equipment, labor, and incidentals necessary to complete the work as specified.

10. Bid Item No. PC-009 – Cold-In-Place Recycling

a. Description: Furnish all labor, materials, and equipment necessary to perform all operations for the in-place construction of Cold Recycled Bituminous Base Course or CIR, as set forth in the Contract Documents.

b. Method of Measurement: CIR will be measured by the square yard. Refer to the technical specification for the method of measurements of additional tasks or materials associated to CIR, as per the technical specification.

c. Basis of Payment: Price and payment will be full compensation for furnishing of all materials, equipment, labor, and incidentals necessary to complete the work as specified.

11. Bid Item No. PC-010 – Cape Seal

d. Description: Furnish all labor, material, and equipment necessary to perform all operations for placement of combined layers of polymer modified liquid asphalt emulsion, spread aggregate and a polymer modified microsurface on a prepared existing paved or unpaved road to the thickness specified by the County.

e. Method of Measurement: Cape Seal application will be measured by the square yard as provided for in the Contract Documents.

Basis of Payment: Price and payment will be full compensation for furnishing of all materials, equipment, labor, and incidentals necessary to complete the work as specified.

PC-001CHIP SEAL SPECIFICATION

I. Description:

The work specified in this section consists of furnishing and applying a single, double or triple application of bituminous surface treatment on a paved roadway or on a prepared road base, compacted to the lines, grades, and thickness established by the County and in substantial conformance with the limits established by the owner.

Description: Chip Seal is a pavement surface treatment option that combines a layer of polymer modified liquid asphalt emulsion placed on a prepared base with a layer of aggregate spread and compacted while the asphalt is still liquid.

II. Materials:

A. Aggregates:

Crushed granite conforming to FDOT specifications section 901, table 1 for #89, #78 or #67 gradation for coarse aggregates except as modified herein. The aggregate shall be washed granite obtained from a source approved by the owner. Sampling and testing of aggregate shall be the responsibility of the Contractor. Copies of test results from the aggregate supplier shall be furnished to the owner prior to the start of the surface treatment.

All aggregate, #89, #78 and #67 shall be treated prior to application with Emulsified Asphalt Grade CSS-1H at the rate of .4% to .8% residual asphalt. All aggregate, clean broken stone, shall be pre-coated with an asphaltic material prior to the oil and chip process. All of the stone shall have 100% total coverage. A pugmill shall be used to pre-coat the stone. Stone having less than 100% total coverage shall not be used. The emulsified asphalt grade CSS-1H shall coat the entire surface of all of the aggregate. The pre-coating process is to take place at a location that is approved by the County. The County shall approve the pre-coated aggregate before the seal coat process begins

All costs for the pre-coating and placement of aggregate shall be included in the cost of the items surface treatment CRS-2P and asphaltic pre-coated cover material, clean broken stone.

Payment shall not be made for the surface treatment/pre-coated cover material, clean broken stone unless a representative of the County is present to observe the pre-coating process.

B. Liquid bituminous material for surface treatment:

CRS-2P liquid bituminous material conforming to AASHTO M 316-99. When CRS-2P is specified apply the following modifications:

1. Distill the CRS-2P at 400ºF for 20 minutes
2. Provide Polymer-Modified Cationic Emulsified Asphalt, CRS-2P produced by using polymer modified base asphalt only. The emulsion shall be pumpable and suitable for application through a distributor truck.

The Cationic mixing grade shall be homogenous and of high quality. The material shall be prepared from straight-run Venezuelan Asphalt of high ductility and shall contain a rubber hydrocarbon additive derived from latex in addition to carefully controlled amounts of selected diluents to promote work ability and minimize stripping. Additives that enhance pavement performance are subject to approval by the County. The polymer material shall be co-milled into the asphalt or added to the emulsifier solution prior to the emulsification process. The amount of polymer modifier shall not be less than 3.0% polymer solids based on the asphalt content (by weight) and will be certified by the emulsified asphalt supplier.

Cationic Asphalt Emulsion

Material Designation		
Test on Emulsion:	**Minimum**	**Maximum**
Viscosity, Saybolt Furol, 77 degrees F (25 C), s	---	---
Viscosity, Saybolt, 122 degrees F (50 C), s	100	400
Demulsibility, 35ml, 0.8 percent DSS, %	70	-

Sieve Test, %	-	0.1
Storage Stability	-	1
Residue by Distillation, 350ºF max, %	65	---
Oil distillate, % by volume of emulsion	---	0.5
Residue Test, ASTM D 244 Low Temp	Minimum	Maximum
Penetration, 77ºF, 100gr, 5 sec	70	150
Elastic Recovery, ASTM D 6084, method B, 77ºF, 5 cm/min, %	50	-
Softening Point, ºF	125	-
Solubility in Trichloroethylene, %	97.0	-

C. Material Samples:

The County will require the Contractor to sample and test each load of emulsion prior to delivery. The Contractor will also provide a sample of the emulsion, on site, prior to commencing work. The County will require the Contractor to provide sample containers and a local independent testing laboratory with no affiliation to the emulsion supplier for the analyzing of emulsion. The Contractor will be responsible for the cost of the testing. The County reserves the right to test any shipment of emulsion that is believed to be of substandard. All samples shall be shipped and stored in clean airtight sealed wide mouth jars or bottles made of plastic.

III. Equipment:

A. Distributor:

The liquid bituminous material shall be applied with a truck mounted, pressure distributor that has been calibrated within the previous twelve (12) months, for transverse and longitudinal application rate. The distributor shall be equipped, maintained, and operated so that the bituminous material can be applied at controlled temperatures and rates from .035 to 1.5 gallons per square yard. The distributor shall be capable of applying bituminous material of variable widths up to sixteen (16) feet. The distributor shall uniformly apply the bituminous material to the specified rate with a maximum allowed variation of 0.015 gallons per square yard. Distributor equipment shall include tachometer, accurate volume measuring device, a calibrated tank and a thermometer for measuring the temperature of the tank's contents. Distributors shall be equipped with a heating device, asphalt pump and full circulating spray bars adjustable laterally and vertically. Distributors and transport trailers shall be equipped with a sampling valve. Distributor trucks shall be of the pressure type with insulated tanks. The use of gravity distributors will not be permitted. The valves shall be operated by levers so that one or all valves may be quickly opened or closed in one operation. The valves which control the flow

from nozzles shall act positively so as to provide a uniform unbroken spread of bituminous material on the surface. The distributor shall be equipped with devices and charts to provide for accurate and rapid determination and control of the amount of bituminous material being applied and with a bitumeter of the auxiliary wheel type registering speed in feet per minute, and trip and total distance in feet.

B. Aggregate Spreader:

The aggregate spreader shall be a self-propelled unit capable of uniformly spreading the aggregate at the required rate on a minimum width of six (6”) inches wider than the width of the lane to be treated. The spreader shall be calibrated within the previous twelve (12) months for transverse and longitudinal application. The spreader shall be capable of extending to a width of 22 feet. The spreader shall be equipped with a computer-controlled aggregate/chip spreader in order to ensure the appropriate aggregate coverage at varying speeds, unless approved otherwise by Engineer.

C. Rollers:

The Contractor shall use one, ten (10) ton steel wheeled roller and two, eight (8) to twelve (12) ton self-propelled pneumatic tire rollers with oscillating wheels and low pressure, smooth tires. Maintain the inflation of the tires such that in no two tires the air pressure varies more than 5 psi. The rollers will be equipped with an operating water system and coco pads. A sufficient number of rollers and a sufficient number of passes shall be used to ensure cover aggregate is properly rolled. The final passes of the rolling process shall be performed by a static steel wheel roller, which shall be operated without the vibrating function.

D. Self-Propelled Rotary Power Broom:

The self-propelled rotary broom shall be designed, equipped, maintained and operated so the pavement surface can be swept clean. The broom shall have an adjustment to control the downward pressure.

E. Additional equipment:

Additional equipment will be needed to complete the operations required by this technical provision. All equipment necessary for the successful completion of projects governed by this technical provision shall be included in the unit costs associated herein. Availability of quality assurance devices (such as a 10' straight edge) shall be the responsibility of the Contractor.

IV. Construction:

A. Layout:

The Contractor will be responsible for the string lining and lay out of the roadway prior to paving.

B. Weather and Seasonal limitations:

The surface treatment shall not be applied to a wet surface or when rain is occurring, or the threat of rain is present immediately before placement. The surface treatment shall not be applied when the surface or/and air temperature is less than 50 degrees Fahrenheit in the shade. If Relative humidity is between 75% and 80%, additional time may be required to allow the emulsion to set before the lane can be opened to traffic. Operations may not continue if the relative humidity is above 80%. When applying emulsions, the temperature of the surface shall be a minimum of 55°F, and no more than 140°F.

If an unexpected rainstorm ensues, sufficient aggregate should be spread to cover all of the applied binder. If possible, the road or lane should be closed to traffic and, if not, traffic should be kept to a minimum speed during this period by use of pilot vehicles. The amount of rolling should be reduced, if not completely ceased, while the aggregate is wet, to avoid binder emerging from the voids and be picked up on the wheels of the roller.

C. Preparation of Surface:

The chip seal material shall be placed on a firm unyielding prepared roadway. Any patching or crack sealing that the Contractor is also authorized to perform for the project should be done a minimum of three (3) months prior to the chip seal application.

The Contractor shall be responsible for clipping back shoulders and removing overburden or any other vegetation or debris to ensure that the road is free of organic and deleterious material. The Contractor shall spray all cut back edges with a pre-emergent herbicide before and after treatment. The Contractor will be responsible for blowing or sweeping the road immediately ahead of the chip seal operation to make sure the road is free of loose aggregate and other debris, as well as sweeping and cleaning the streets after treatment. If, in the opinion of the Engineer, the hand cleaning is not sufficient then a self-propelled street sweeper shall be used.

All manhole and valve covers, inlets and other service entrances, etc., shall be protected from bituminous material by placing reinforced waterproof, all-purpose paper or other suitable material, approved by the Engineer.

Thermoplastic striping and pavement markings, raised pavement markers, and raised pavement marker adhesive shall be removed.

Microsurfacing may be used as rut fill if so contracted for the specific project to level bumps, waves and corrugations.

D. Resident Notification

In Residential areas, the Contractor shall distribute by hand, a typed notice to all residences and businesses on the street to be treated. The notice will be delivered no more than 24 hours prior to the treatment of the road. The notice will have a local phone number that the residents may call to ask questions. The notice shall be of the door hanger type which secures to the door handle of each dwelling. Unsecured notices will not be allowed. The Contractor shall also place the notice on the windshield of any parked cars on the street. Hand distribution of this notice will be considered incidental to the contract.

E. Traffic Control:

The Contractor shall furnish all necessary traffic control, barricades, signs and flagmen, to ensure the safety of the traveling public and to all working personnel. Traffic shall not travel on fresh mix until rolling and blotting has been completed. All traffic control shall be in accordance with the FDOT Roadway Design Standards, most current edition and TP-102. M.O.T. and associated devices shall be checked daily and periodically throughout the project for compliance; and where adjustments or corrections are needed, prompt revisions shall be made.

The Contractor shall submit an M.O.T plan indicating all facets of traffic control for the project area. The MOT plan should be approved in writing by the County prior to commencing any work.

Traffic shall not be allowed on the roadway after placement of the chip seal for a minimum of two hours. During and after placement of the chip seal, pilot cars should escort traffic at a speed of 20 mph (30 kph) over the chip sealed surface for two to 24 hours. **For Collector Roads, pilot cars will be required unless otherwise instructed by Inspection.** Once all the loose aggregate is removed from the new chip seal surface, pilot cars are no longer needed.

F. Application of bituminous material:

Liquid bituminous material shall be applied by means of a pressure type distributor in a uniform, continuous spread over the section to be treated. The distributor shall be moving forward at the proper speed when the liquid is discharged onto the pavement to provide an even and consistent application at the rate prescribed. If any areas are deficient the operation shall be stopped and corrected immediately. The liquid shall not be applied more than two hundred (200') feet in advance of the aggregate spreader when the ambient air temperature is above 75 degrees or one hundred (100') feet if the air temperature is below 75 degrees.

- **Single Chip Seal:** Application of the liquid bituminous material shall be

applied at a rate of .38 -.45 gallons per square yard depending on the composition of the existing roadbed, surface texture and the size of the aggregate in use.

- **Double Chip Seal:** The second application of liquid bituminous material shall be applied at a rate of .38 - .42 gallons per square yard depending upon the size of the first layer of aggregate that the liquid is sprayed upon, and the size of the aggregate being placed over the first application of surface treatment.
- **Triple Chip Seal:** The third application of liquid bituminous material shall be applied at a rate of .32 - .38 gallons per square yard depending upon the size of the first two layers of aggregate that the liquid is sprayed upon, and the size of the aggregate being placed over the first and second applications of surface treatment.

G. Application of cover Aggregate:

Immediately following the spray application of the liquid bituminous material, cover aggregate shall be spread over the liquid material at a rate of 18 – 30 lbs. square yard depending upon the type of road base and/or the size of the existing aggregate that is being resurfaced. If the chip seal application calls for more than one layer, these shall be spread independently.

H. Rolling:

Immediately following the first application of the cover material, roll the entire surface with a pneumatic roller, rolling first along the edge line. The second pass shall be done about the centerline. A steel drum roller shall be used for the final passes without the vibrating function, covering the entire surface.

The total number of coverages for a Single Seal is three: the first by the pneumatic tire roller and the third by the steel wheel roller with the second pass being completed by a combination of the two rollers. Each successive lift is rolled in the same manor so the number of complete coverages for a Double Seal is six and for the Triple Seal is nine. Remember; to obtain a complete coverage two or three passes by each individual roller may be required depending on the width of the pull.

Apply the second application of liquid and cover material the same day as the first application, as far as it is practicable and consistent with the setting of the liquid bituminous material.

I. Sweeping or Vacuuming:

After sufficient time has passed for the residual binder to cure and bond to the aggregate, lightly broom the loose aggregate in a manner not to dislodge the aggregate embedded in the liquid. Sweep loose material from the center first, working towards the edges of the road bed. Following second application again

broom loose aggregate from the road bed prior to the application of the fog seal. If temperatures exceed 85 degrees, it may be necessary to wait 24 hours before sweeping the first application of chip seal.

The roadway shall be swept or vacuumed again within 3 to 7 days of the chip seal having been performed. The Contractor will be responsible for maintaining the roadsides clear of accumulated aggregate for a two (2) week period after the chip seal is performed.

J. Fog Seal:

Upon direction from the engineer, fog seal is to be applied as a separate pay item. When surface treatment has set, a fog seal is to be applied at a rate of .1 to .15 gallons per square yard to the entire surface treatment. The liquid for fog seal shall be a cationic mixing type emulsion diluted forty (40%) percent with water. If sanding is needed, the fog seal shall be lightly sanded at a rate of plus or minus two (2) pounds per square yard by means of a mechanical spreader.

K. Pavement Striping and Markings

As part of the Maintenance of Traffic, the Contractor shall provide the necessary temporary striping and pavement markings during the different construction phases and maintained for a minimum of two (2) weeks following the completion of the chip seal operation.

Permanent striping and pavement markings, including the installation of reflective pavement markers shall be performed after the two (2) week period. Prior to applying the permanent striping and markings, the Contractor shall broom the roadway. The Contractor shall be responsible for maintaining the permanent striping and markings for a minimum of two (2) weeks after installation.

L. Deliverables:

Upon completion of the project, the Contractor shall provide Inspection with logs showing the daily and running totals of aggregate and bituminous material. If a Cape Seal was performed, the daily production logs for the microsurfacing shall also be provided as backup documentation for invoicing.

M. Warranty:

The Contractor shall provide the County upon final acceptance of the Chip Seal work, a warranty period of two (2) years which shall include all labor, materials, hauling, traffic control and striping to repair the defective areas. Defective areas shall include debonding/delamination, bleeding, excessive raveling and aggregate loss. The Contractor shall perform all warranty work at no cost to the City or County.

N. General Performance:

Provide completed pavement which performs to the satisfaction of the engineer without bleeding, rutting, shoving, raveling, stripping, or showing other types of pavement distress or unsatisfactory performance.

V. Method of Measurement:

If a pay item is listed on the Bid Form for work required in this Technical Provision, the quantity to be paid shall be as specified in the Bid Form including all items of work described herein. Any item necessary for Chip Seal, and not specifically listed in another item in the Bid Form, shall be included in this item. Should the Contractor be directed to place Fog Seal as a secondary application to Chip Seal, it shall be measured separately as listed in the Technical Provision for Fog Seal.

VI. Basis of Payment:

The accepted quantities, determined as provided above for each of the pay items listed below which is included in the contract, will be paid for at the contract unit price per unit of measurement. The Unit price includes all items listed in the contract, including all General Conditions, Special Conditions and Technical Provisions pertaining to Chip Seal, including all items of work described herein. No additional payment will be provided for any item necessary for the completion of this contract as detailed in the specifications, except that at the direction of the County. Fog Seal shall be applied and paid separately as listed in the Specification for Fog Seal.

Payment will be made under:

Pay Item	***Pay Unit***
Chip Seal (Single application)	Square Yard
Chip Seal (Double application)	Square Yard
Chip Seal (Triple application)	Square Yard

END OF SECTION

PC-002 MICRO SURFACING SPECIFICATION

I. Description

Construct a micro surfacing pavement with the type of mixture specified in the Contract Documents. Micro surfacing is a mixture of polymer-modified emulsified asphalt, mineral aggregate, mineral filler, water, and other additives, properly proportioned, mixed, and spread on a paved surface.

The mix shall be capable of being spread in variable thickness cross-sections (wedges, ruts, scratch courses and surfaces) which, after curing and initial traffic consolidation, resists compaction throughout the entire design tolerance range of asphalt binder content and variable thickness to be encountered. The end product shall maintain a skid-resistant surface in variable thick sections throughout the service life of the micro surfacing. The mix shall be a quick-traffic system that will be able to accept straight rolling traffic one hour after application.

II. Materials

A. Emulsified Asphalt:

1. General Requirements:

Provide a quick-traffic, polymer-modified emulsified asphalt conforming to the requirements specified in AASHTO M 208 for CSS-1h as listed in **Table 1**. The cement mixing test shall be waived for this product.

The polymer material shall be co-milled into the asphalt or added to the emulsifier solution prior to the emulsification process. The amount of polymer modifier shall not be less than 3.0% polymer solids based on the asphalt content (by weight) and will be certified by the emulsified asphalt supplier.

The Engineer may waive the five-day settlement test, provided job-stored emulsified asphalt is used within 36 hours from the time of the shipment or the stored material has had additional emulsified asphalt blended into it prior to use.

2. Quality Tests:

The emulsified asphalt, and emulsified asphalt residue, shall meet the requirements of AASHTO M 208 for CSS-1h, with the following additions:

Table 1: Quality Tests for Emulsified Asphalt

AASHTO Test No.	Emulsified Asphalt Property	Specification Requirements
AASHTO T 59	Residue after Distillation (1)	62% Minimum
AASHTO T 59	Cement Mixing	Not Required
Quality Tests for Emulsified Asphalt Residue		
AASHTO T 53	Softening Point	135°F (57°C) Minimum
(1) Maintain the test temperature at 350°F (177°C) for 20 minutes.		

3. Sampling, Certification, and Verification:
For the first load of emulsified asphalt produced for the project, the supplier shall submit a sample to the Engineer for testing before use. A pretest number will then be assigned by the Engineer, and the pretest number shall be furnished with all emulsified asphalt delivered to the project.

At any time during application, the Engineer may sample and test all subsequent loads of emulsified asphalt delivered to the project to verify and determine compliance with specification requirements. Where these tests identify material outside specification requirements, the Engineer may require the supplier to cease shipment of that pre-tested product. Further shipment of that pre-tested product to the owning agency's projects will remain suspended until the cause of the problem is evaluated and corrected by the supplier to the satisfaction of the Engineer**.**

B. Aggregate:

1. General:
Use an aggregate consisting of 100% crushed stone. The aggregate shall be a crushed stone such as granite, slag, limestone, chat, or other high-quality aggregate, or a combination thereof. To assure the material is 100 percent crushed, the parent aggregate will be larger than the largest stone in the gradation used. Use aggregate source(s) from the list of aggregates available on the Florida Department of Transportation's website and also meeting the requirements of this specification. The URL for obtaining the list of approved aggregate products for Friction Courses is: https://mac.fdot.gov/smoreports .

2. Aggregate Quality Tests:
In addition to the requirements of FDOT Standard Specification Sections 901 and 902, meet the minimum aggregate requirements of **Table 2**.

Table 2: Quality Tests for Aggregate

AASHTO Test No.	Aggregate Property	Specification Requirements
AASHTO T 176	Sand Equivalent	65 Minimum
AASHTO T 104	Soundness	15% Maximum using Na_2SO_4 or 25% Maximum using $MgSO_4$
AASHTO T 96	Abrasion Resistance (1)	30% Maximum
(1) The abrasion test will be performed on the parent aggregate.		

3. Gradation Requirements:
When tested in accordance with FM 1-T 027 and FM 1-T 011, the target (mix design) aggregate gradation, including the mineral filler, shall be within the gradation range for a Type II mixture shown in **Table 3**, Column II.

Table 3: Mix Design Gradation Requirements		
Sieve Size	**Type II Mix Design Range Percent Passing**	**Stockpile Tolerance from Mix Design Percent Passing**
3/8 inch	100	N/A
No. 4	90 – 100	± 5%
No. 8	65 – 90	± 5%
No. 16	45 – 70	± 5%
No. 30	30 – 50	± 5%
No. 50	18 – 30	± 4%
No. 100	10 – 21	± 3%
No. 200	5 – 15	± 2%

The aggregate will be accepted from the stockpile located at the project. The stockpile will be accepted based on five quality control gradation tests conducted in accordance with FM 1-T 002. If the average of the five gradation tests is within the stockpile tolerances shown in **Table 3**, Column III for all of the sieve sizes, then the stockpile is accepted. If the average of the five gradation tests is not within the stockpile tolerances shown in **Table 3**, Column III, for any sieve size, remove the stockpiled material and replace it with new aggregate or blend other aggregate sources with the stockpiled material. Aggregates used in blending should meet the quality tests shown in **Table 2** before blending and should be blended in a manner to produce a consistent gradation and sand equivalent value. If new aggregate is obtained or blending of aggregates is performed resulting in an aggregate that is not represented by the mix design, submit a new mix design to the Engineer for approval prior to production of the mix.

The Engineer may obtain stockpile samples at any time. If the average of five gradation tests conducted in accordance with FM 1-T 002 is not within the gradation tolerances shown in **Table 3**, Column III for any sieve size, cease production until the problem is corrected to the satisfaction of the Engineer. Screen all stockpiled aggregates at the stockpile area prior to delivery to the paving machine to remove oversize material and non-desirable particles.

C. Mineral Filler:

If mineral filler is utilized in the mix design, use non-air-entrained Portland cement or hydrated lime that is free from lumps. The Engineer will accept the mineral filler by visual inspection. The type and amount of mineral filler shall be determined by a laboratory mix design and will be considered as part of the aggregate gradation. An increase or decrease of less than one percent mineral filler may be permitted during production if it is found to result in better

consistency or set times. Any changes to the percentage of mineral filler should meet the requirements of **Table 5**.

D. Water:
Utilize water that is potable and free of harmful soluble salts, reactive chemicals, or any other contaminants.

E. Additives:
Additives may be added to the mixture or any of the component materials to provide control of quick-trafficking properties. The additives to be used should be indicated on the mix design and be compatible with the other components of the mix.

F. Crack Filler:
Utilize a crack filler meeting the material requirements of the PC-003 Crack Filling/Sealing Specification.

G. Mix Design
Before work begins, the Contractor shall submit a mix design to the Engineer. The mix design should have an aggregate source used on five (5) similar projects and have been developed using the specific materials to be used on the project. The mix design shall be developed by an independent, accredited laboratory with no affiliation to the emulsion supplier and is endorsed by the International Slurry Surfacing Association (ISSA) and has experience in designing micro surfacing mixtures.

Submit the proposed mix design with supporting test data indicating compliance with all mix design criteria. Allow the Engineer a maximum of two weeks to either conditionally verify or reject the mix design.

Meet the requirements provided in **Table 4.** After the mix design has been approved, no substitutions to the mix design will be permitted, unless approved by the Engineer. The Engineer will consider inadequate field performance of a mix as sufficient evidence that the properties of the mix related to the mix design have changed, and the Engineer will no longer allow the use of the mix design. The project will be stopped until it is demonstrated that those properties, or issues, have been sufficiently addressed.

Table 4: Mix Design Testing Requirements

ISSA(1) Test No.	Property	Specification Requirements
ISSA TB-139(2)	Wet Cohesion: @ 30 Minutes Minimum (Set) @ 60 Minutes Minimum (Traffic)	12 kg-cm Minimum 20 kg-cm or Near Spin Minimum
ISSA TB-109	Excess Asphalt by Loaded Wheel Tester (LWT) Sand Adhesion	50 g/ft^2 Maximum
ISSA TB-114	Wet Stripping	90% Minimum

Table 4: Mix Design Testing Requirements		
ISSA TB-100	Wet-track Abrasion Loss: One-hour Soak Six-day Soak	 50 g/ft^2 Maximum 75 g/ft^2 Maximum
ISSA TB-147	Lateral Displacement Specific Gravity after 1,000 Cycles of 125 lb.	5% Maximum 2.10 Maximum
ISSA TB-113(2)	Mix Time @ 77°F (25°C)	Controllable to 120 Seconds Minimum
(1) ISSA = International Slurry Surfacing Association (2) The Cohesion test and Mixing Time test should be checked and reported for the highest temperatures expected during construction.		

The mix design should clearly show the proportions of aggregate, emulsified asphalt, mineral filler, water, and additive usage based on the dry weight of the aggregate. Meet the mix design component material requirements provided in **Table 5**.

Table 5: Mix Design Component Material Requirements	
Component Materials	**Specification Requirements**
Residual Asphalt	5.5 to 10.5% (by dry weight of aggregate)
Mineral Filler	0.5 to 3.0% (by dry weight of aggregate)
Polymer-based Modifier	Minimum of 3.0% (solids based on asphalt weight content)
Additives	As needed
Water	As required to produce proper mix consistency

The materials (aggregates, emulsion, mineral filler, and additives) should be from the same source, grade and type used to develop the approved mix design. Any substitutions or alternate supplies should be preapproved by the Engineer. Changes in the aggregate source or emulsion source requires re-validating the mix design and the performance properties. Blending, co-mingling and otherwise combining materials from two or more sources, grades or types is strictly prohibited. Aggregate stockpiles and emulsion material should be located at or near the job site in sufficient quantity for the job or designated parts of the job.

III. Equipment

A. General:

Maintain all equipment, tools, and machines used in the performance of this work in satisfactory working condition at all times to ensure a high-quality product.

B. Mixing Equipment:

Use a machine specifically designed and manufactured to place micro surfacing.

Truck mounted and self-loading continuous machines are acceptable. The material shall be mixed by an automatic-sequenced, self-propelled Microsurfacing mixing machine, which shall be a continuous-flow mixing unit able to accurately deliver and proportion the aggregate, emulsified asphalt, mineral filler, control setting additive, and water to a revolving multi-blade, double-shafted mixer and to discharge the mixed product on a continuous-flow basis.

The machine shall have sufficient storage capacity for aggregate, emulsified asphalt, mineral filler, control additive and water to maintain an adequate supply to the proportioning controls.

The machine shall be equipped to allow the operator to have full control, from the rear of the machine, of the forward and reverse speeds during applications of the Microsurfacing material and be equipped with opposite-side driver stations to assist in alignment. The self-loading device, opposite-side driver stations, and forward and reverse speed controls shall be original equipment manufacturer design.

In the case that Self-loading continuous machines are used, these shall be capable of loading materials while continuing to lay micro surfacing, thereby minimizing construction joints. Self-loading continuous machines shall be equipped to allow the operator to have full control of the forward and reverse speeds during applications of the micro surfacing material and shall be equipped with opposite-side driver stations to assist in alignment. The self-loading device, opposite-side driver stations, and forward and reverse speed controls shall be original equipment-manufacturer design.

C. Proportioning Device:

Provide and properly mark individual volume or weight controls for proportioning each material to be added to the mix (i.e., aggregate, mineral filler, emulsified asphalt, additives, and water).

D. Spreading Equipment:

Agitate and spread the mixture uniformly in the spreader box by means of twin-shafted paddles or spiral augers fixed in the spreader box. Provide a front seal to ensure no loss of the mixture at the road contact point. The rear seal shall act as a final strike-off and shall be adjustable. The spreader box and rear strike-off shall be so designed and operated that a uniform consistency is achieved and a free flow of material is provided to the rear strike-off. The spreader box shall have suitable means to hydraulically adjust the box width automatically while traveling behind the mixing unit, and be able to side shift the box to compensate for variations in the pavement geometry.

1. Secondary Strike-off:

Provide a secondary strike-off to improve surface texture. The secondary strike-off shall have the same adjustments as the spreader box. No burlap

drags will be permitted on the final applications.

2. Rut-filling Equipment:
When required by the Contract Documents, micro surfacing material may be used to fill ruts, utility cuts, depressions in the existing surface, etc. When rutting or deformation is less than 1/2 inch, a full width scratch course may be applied with the spreader box using a metal or stiff rubber strike-off. Ruts of 1/2 inch or greater in depth shall be filled independently with a rut-filling box, either five or six feet in width. Ruts that are in excess of 1 1/2 inch in depth may require multiple applications with the rut-filling box to restore the cross-section.

When a rut box is used, emulsified asphalt content may be reduced by 0.5% of the mix design target. Any reduction of emulsified asphalt content should be within the tolerance of the job mix formulation listed in the mix design. Material placed with the rut-filling box shall have a 1/4 inch crown to allow for traffic consolidation. Before placing subsequent lifts, allow all rut-filling material to cure under traffic for at least 24 hours.

E. Calibration

Calibrate each mixing unit to be used in the performance of the work in the presence of the Engineer prior to the start of construction. Previous calibration documentation covering the exact materials to be used may be acceptable, provided that no more than 60 days have lapsed. Document the individual calibration of each material at various settings, which can be related to the machine metering devices. Do not utilize any mixing unit on the project until the calibration has been completed and approved by the Engineer. Any component replacement affecting material proportioning requires that the machine be recalibrated. No machine will be allowed to work on the project until the calibration has been completed and accepted.

F. Auxiliary Equipment:

Provide suitable surface preparation equipment, traffic control equipment, hand tools, and any other support and safety equipment necessary to perform the work.

IV. Construction

A. Weather Limitations

Do not apply micro surfacing if either the pavement or air temperature is below 50°F. Do not apply micro surfacing when there is the possibility that the finished product will freeze within 24 hours. Do not apply micro surfacing in the rain or when there is standing water on the pavement. The mixture shall not be applied when weather conditions prevent opening to traffic within a reasonable amount of time, as determined by the Engineer.

B. Resident Notification

In Residential areas, the Contractor shall distribute by hand, a typed notice to all residences and businesses on the street to be treated. The notice will be delivered no more than 24 hours prior to the treatment of the road. The notice will have a local phone number that the residents may call to ask questions. The notice shall be of the door hanger type which secures to the door handle of each dwelling. Unsecured notices will not be allowed. The Contractor shall also place the notice on the windshield of any parked cars on the street. Hand distribution of this notice will be considered incidental to the contract.

C. Traffic Control

The Contractor shall furnish all necessary traffic control, barricades, signs and flagmen, to ensure the safety of the traveling public and to all working personnel. If requested by the County, the Contractor shall submit an M.O.T plan indicating all facets of traffic control for the project area. The MOT plan should be approved in writing by the County prior to commencing any work. All traffic control shall be in accordance with the FDOT Roadway Design Standards, most current edition and TP-102. M.O.T. and associated devices shall be checked daily and periodically throughout the project for compliance; and where adjustments or corrections are needed, prompt revisions shall be made.

D. Surface Preparation

The micro surface material shall be placed on a firm unyielding prepared roadway. Any patching or crack sealing that the Contractor is also authorized to perform for the project should be done a minimum of three (3) months prior to the microsurfacing application.

The Contractor shall be responsible for clipping back shoulders and removing overburden or any other vegetation or debris to ensure that the road is free of organic and deleterious material. The Contractor shall spray all cut back edges with a pre-emergent herbicide before and after treatment. The Contractor will be responsible for blowing or sweeping the road immediately ahead of the operation to make sure the road is free of loose aggregate and other debris. If water is used for cleaning, allow any unsealed cracks to dry thoroughly before applying micro surfacing. If, in the opinion of the Engineer, the hand cleaning is not sufficient then a self-propelled street sweeper shall be used.

All manhole and valve covers, inlets and other service entrances, etc., shall be protected from bituminous material by placing reinforced waterproof, all-purpose paper or other suitable material, approved by the Engineer. The Engineer will approve the surface preparation prior to micro surfacing. No loose aggregate, either spilled from the lay-down machine or existing on the road, will be permitted.

Thermoplastic striping and pavement markings, raised pavement markers, and raised pavement marker adhesive shall be removed. Provide temporary striping as necessary to comply with Contract Documents.

Microsurfacing may be used as rut fill if so contracted for the specific project to level bumps, waves and corrugations.

E. Cracks:
Pre-treat any cracks in the surface of the pavement with a crack filler meeting the requirements of PC-003 Crack Filling/Sealing Specification prior to the application of the micro surfacing. Fill any cracks with a width greater than 1/4 inch. Do not overfill the cracks. Crack filling material should cure for a minimum of 30 days prior to application of the micro surfacing.

F. Rumble Strips:
Where shoulders are not to be micro surfaced, prevent material from being applied to or entering any rumble strip depressions. If necessary, remove any material that enters the depressions. When rumble strips are to be micro surfaced, place a scratch course to fill the depressions prior to placing the final surface course.

G. Tack Coat:
Place a tack coat on all collector roads prior to constructing a micro surfacing course. A tack coat is not required on residential roads or between the leveling (scratch) course and the surface course provided the surface course is placed within 30 days of the leveling (scratch) course. If required, the tack coat should be type SS, type CSS, or the micro surfacing emulsified asphalt. It may consist of one part emulsified asphalt to three parts water and should be applied with a standard distributor. The distributor shall be capable of applying the tack evenly at a rate of 0.05-0.15 gal/yd^2.

H. Application
Pre-wet the surface by fogging ahead of the spreader box with water. Adjust the rate of application of the fog spray to suit temperatures, surface texture, humidity, and dryness of the pavement.

The micro surfacing shall be of the desired consistency upon leaving the mixer. Carry a sufficient amount of material in all parts of the spreader box at all times so that complete coverage is obtained. Avoid overloading of the spreader box. Do not allow lumping, balling, or unmixed aggregate in the micro surfacing mixture.

Do not leave streaks, such as those caused by oversized aggregate, in the

finished surface. If excess streaking develops, stop production until the situation has been corrected. Excessive streaking is defined as more than four drag marks greater than 1/2 inch wide and 4 inches long, or 1 inch wide and 3 inches long, in any 30 yd^2 area. Do not permit transverse ripples or longitudinal streaks of 1/4 inch in depth or greater, when measured by placing a 10-foot straight edge over the surface.

I. Rate of Application

The average application rate shall be in accordance with **Table 6**, unless otherwise specified in the Contract Documents. Full width application rates should be maintained within ± 2 lbs/yd^2 of the specified rate. Application rates are based upon the weight of dry aggregate in the mixture. The maximum thickness of any single layer of micro surfacing at the edge of the pavement shall be 1/4 inch.

Table 6: Application Rates

AGGREGATE TYPE	LOCATION	APPLICATION RATE(1)	
Type II	Collectors, Local Roads, and Airport Runways	Single Application: 20-24 lbs/yd^2	Double Application (two lifts): Bottom: 14-18 lbs/yd^2 Top: 16-20 lbs/yd^2 Total: 30-34 lbs/yd^2
	Scratch or Leveling Course	As Required --- 12 lb/yd^2 (minimum)	
Type III	Wheel Rut Depth	Application Rate	
	0.5-0.75 inches	20-30 lbs/yd2	
	0.75-1.00 inches	25-35 lbs/yd2	
	1.00-1.25 inches	28-38 lbs/yd2	
	1.25-1.50 inches	32-40 lbs/yd2	

(1) Application rates are based upon the weight of dry aggregate in the mixture.

J. Joints:
